Boyerne gets \$290,225 grant for Front Street

A \$290,225 Small Cities Block Grant for Boyerne City's Front Street improvement project was announced last Saturday afternoon by Ralph Gerson, the Director of the Michigan Department of Commerce at a dinner held at Lena's Wine Cellar.

The grant will allow the city to pave, curb and gutter Front Street between Main Street and Water Street, as well as adding a new production well, additional water and sewer lines in the area.

The new well is going to replace an older water system which is inadequate for additional production. State authorities have prohibited new commercial and industrial users until a new well is installed.

The grant was given to the city in

conjunction with the new restaurant being planned for construction starting this fall. The restaurant, One Water Street, is expected to be completed by next spring for the summer season.

In announcing the grant, Gerson said that this is the "type of grant that we like to make, as it combines money for the public with the private

sector for the betterment of the community." He added that it was one of the more significant grants that the department will be making this year.

The city contributed \$80,000 while the developers will be contributing \$1,260,275 making the total project cost \$1,630,500.

The restaurant is expected to em-

ploy 44 people by the end of next year.

After announcing the grant, the city engineer suggested that the well could be completed by this fall, and that the other work would be designed over the winter so that construction could start as soon as the weather breaks next spring. He ex-

pects to see the bids being let for the work sometime in February.

Along with the street and the new production well, improvements are to be made to the Sunset Park area, Water Street, and Main Street where the new road will connect with the older roads.

Mayor Pro-Tom Thelma Behling accepts a check to the City of Boyerne City for \$290,225 from Ralph Gerson, the Director of the Michigan Department of Commerce. The money was granted to the city for the completion of Front Street as well as a new production well for the city and a few other projects. The street will be constructed next year.

Elm Pointe taken off ballot

The Elm Pointe sale is off. East Jordan residents will not be asked to vote in November on whether or not they want Elm Pointe park to be sold.

The cancellation came at the East Jordan city council meeting on September 6. Councilwoman Pat Sweet said, "In March of this year the city was felt to be in dire financial straits. Since budget time the ways and means committee has become aware of funds, but," she noted, "interest from them is ear-marked. They're not available for additional spending."

Sweet continued, "With careful management, we can survive." This indicated that the city would not expect to make expenditures that it had planned for new projects to attract tourists or new residents.

City attorney Tom Anderson said that the investments referred to could continue to be held in the California bank, according to a Municipal League spokesperson.

Russ Dietrich, former member of city council, presented a petition which had been circulated for three days prior to council meeting. It asked reinstatement of Fern Morris, recently dismissed from her position as city clerk-treasurer.

Dietrich strongly requested that the council study the petition with its 120 signatures. Sweet responded, "This (the dismissal) is not a rash decision." She said she was concerned that many do not know the full details.

When councilman Al Joseph made a motion to have the council reconsider their decision to fire Morris, Sweet explained further that her five years of trust in Morris' sincerity had been wiped out by Morris' evasiveness in producing financial information at the council's request. She described her vote to fire Morris as "the hardest thing I ever had to do."

Joseph's motion failed for lack of a second.

Several in the audience spoke up. Doris Huckle received a negative answer when she asked if the council had made any plans to honor Morris for her achievement as one of 125 nationwide earning a Certified Muni-

icipal Finance Administrator credential.

Vern Stark noted that 120 names represented a small percentage of the 1,300 voters of East Jordan.

Joseph made his motion again, saying the original motion to fire Morris should have been made by committee. This would have allowed Morris to have recourse to the full council. But Sweet responded that the committee can opt for full council responsibility when the decision is unusual.

Joseph's motion eventually failed three times. The council's response was, "We have already said we would look at the petitions."

In other business Council borrowed \$4,000 from the computer fund to hire Emseco for professional city planning advice, relative to the city master-plan.

Council hired Sue Wodzinski from the police department to assist in the clerk's office for a minimum of 60 days.

John Kempton was granted a Commercial Facilities tax exemption on \$27,000 of improvements being made at the dentists' offices.

The library received a \$4,700 increase on its budgeted amount for repairs and maintenance, as a result of increased state aid and library fines collections.

Next Wednesday is food distribution day

September 21 is the day of the next surplus food distribution according to Bill Knapp of the Community Services division of the Northwest Michigan Human Services Agency.

Distribution of the food will be made at the following locations: Boyerne City—Community Services Center, 326 N. Park; Charlevoix—V.F.W. Hall, U.S. 31 North; East Jordan—United Methodist Church Fellowship Hall, 4th Street.

The times for food pick-up will be between 10 a.m. until 2:00 p.m.

Items that are expected to be given this month include cheese, butter, and a bag of groceries that were purchased through the Charlevoix County Emergency Food Committee.

Only Charlevoix County residents are eligible for the food and must meet the eligibility criteria of: For a household of one, a recipient must have an annual income of \$6,075 or less. For each additional household member, add \$2,100 to find the maximum level of income.

New water main for Lake St.

With half the water leaking out of a sieve-like four-inch main, running from Lake Street to Mel's Service Station and the Depot Restaurant, Boyerne City city commission was faced with the need for a decision at its Sept. 13 noon meeting.

The most expensive option was approved by the commissioners after review of a total of four possibilities. The \$4700 maximum cost of the commission's choice will provide a new six-inch main in conformance with the city's plan for city-wide replacements.

The line, running a total of 153 feet, will allow looping for additional service demands if new construction should go in. Money will be taken from the contingency fund, and by reduction of other Lake Street costs.

Temporary city manager Tom Garlick said the city will effect a savings of about \$2000 by transplanting trees downtown with city labor instead of hiring it done.

The other three options were to (1) do nothing, which would entail digging up a portion of the new street eventually to connect a new line. (2) Connect the old line to the new at a cost of under \$1,100. (3) Put in 80 feet of water line with a dead end at a cost of \$3,000.

River zoning board nixes weir site

Voting four to one against granting a variance, the Natural River Zoning Board stalled plans for a temporary salmon weir on the Jordan River. Approval by the board was needed because the river, above Rogers Bridge, is designated wild-scenic, and barriers are prohibited.

The vote followed a public hearing conducted by John McGregor, regional director of the Department of Natural Resources in Roscommon, and DNR representative on the River Zoning Board.

McGregor told The Press that the negative vote will be appealed to the Natural Resources Commission. A temporary weir might also be placed at Rogers Bridge.

Speakers at the public hearing reiterated many of the points made at previous meetings, namely that, as Dennis Williams said, "I think we need the salmon for the economy." And that the site chosen by the DNR "is the only site left," as Joel Evans put it.

The site, above Rogers Bridge, is being asked by the DNR because their engineering survey shows the river bottom too soft, and flood prevention too expensive to put the permanent lamprey dam and salmon weir farther downstream. The temporary weir was planned to go at the same location as the permanent installation is scheduled to go in 1985.

The suggestion was also made by proponents that if the weir project continued to be stalled, federal funding might dry up and the community might end up with no weir.

Speaking against the location, but not against the weir itself, Oscar Ward said, "Spend what is necessary," suggesting a downstream site.

Don Yenni, representing the Lake Charlevoix Property Owners Association, concurred, saying that 90 percent of the controversy was over the location, and that "it is rather serious" for the DNR to use the financial question as its guideline.

Antrim County planning commissioner Dick Wieland also asked for downstream siting.

Asking that her message be carried to Lansing and the DNR director,

Doris Huckle requested a moratorium. All the plans had been put together during transitions of authority both in the state and in the DNR, she said, and she asked for further engineering study.

Regional Fish Supervisor Jerry Manz, outlining the temporary weir project, said the fish would be stopped at a barrier of pipes, driven into the river bed. A second wood rack barrier would block passage in the other direction. Trout would be passed over the barrier, but salmon would be taken, packed on ice and shipped out for processing. About 9,000 salmon could be taken, he said.

The barriers would be removed at the end of the harvest. For the permanent barriers the DNR, Manz said, would have to again go through the process of obtaining the permits.

Manz noted that for each of the last four years the DNR has collected over \$100,000 from its share of the harvesting. The detailed financial records, he said, may be obtained from the DNR.

He also explained the preliminary proposals set up by the DNR. The first, at Rogers Bridge, was cleared with neighboring landholders in case the more preferred location should be held up by failure to obtain use of adjoining land.

Members of the River Zoning Board are David Pray and Sherman Thomas, members at large; Helen Cherry for South Arm Township; Gayle Murphy for Antrim County, and John McGregor for the DNR. McGregor's was the sole "yes" vote.

EJ lowers millage

East Jordan school board "certified and levied millage" at their special meeting last week. The new millage request is for 30.8180, which is .4820 mills lower than last year's 31.3 levy.

A new health care plan for 1983-84 was placed before the staff. According to superintendent Tom Rossler, it is both more economical and more beneficial than alternatives.

The school will borrow \$700,000 on tax anticipation, \$200,000 less than last year.

DNR prods city on landfill

Recent inspection of Boyerne City's landfill by Art Caden, district engineer for the Department of Natural Resources, showed a number of conditions considered below par by the DNR.

City commissioners agreed at their September 6 meeting to redouble efforts to keep litter and odor under

No school

Because of an inservice program in the Boyerne City Schools this Friday, September 16, there will be no school for students on that day.

control at the landfill. More of a concern was Caden's warning that commercial haulers, dumping at the fill, were in violation because the DNR will not license the landfill.

The next step, as suggested by commissioner Bill Grimm is to "find out where (Public Act) 641 stands now."

A recent court case may affect who pays for the wells and clay covering the DNR requires in closing the landfill. The commission also referred to new proposals by the state to incinerate wastes.

Meantime the county landfill committee's plan call for a transfer station at Boyerne City. Temporary city manager Tom Garlock suggested that the city bid out the service and simply supply the small amount of land needed for a transfer station.

The DNR has refused to license Boyerne City's landfill under Public Act 641, and the report reiterates the reasons: chiefly that no groundwater check is being conducted in the site where soils are considered likely to allow contamination to seep through from the landfill operation.

Boyerne school district OKs trade with EJ

A transfer of property from the school district was asked at the Boyerne City school board at their meeting Monday night. The family of Albert Chanda on the property send their child to the East Jordan school, and want to continue to do so. Because the property makes a jog of the boundary between the two districts, the Boyerne City school bus route does not go by it, while the East Jordan bus does.

A trade has been proposed which would, in turn, transfer a 120-acre property from the East Jordan district into the Boyerne City district. This, too, constitutes a jog in the boundary line.

The two transfers were recommended by Jim Shepard, Char-Em Superintendent.

The cost of running the bus to the address would be more than any likely difference in the SEV, he said.

Superintendent Rich Kelly said busses cost \$1.47 per mile to operate. The two transfers would serve to straighten the boundary between the districts. The school board approved the transfer, subject to the trade.

Kelly said the transfer would not have to go for review by the state if property owners involved were satisfied.

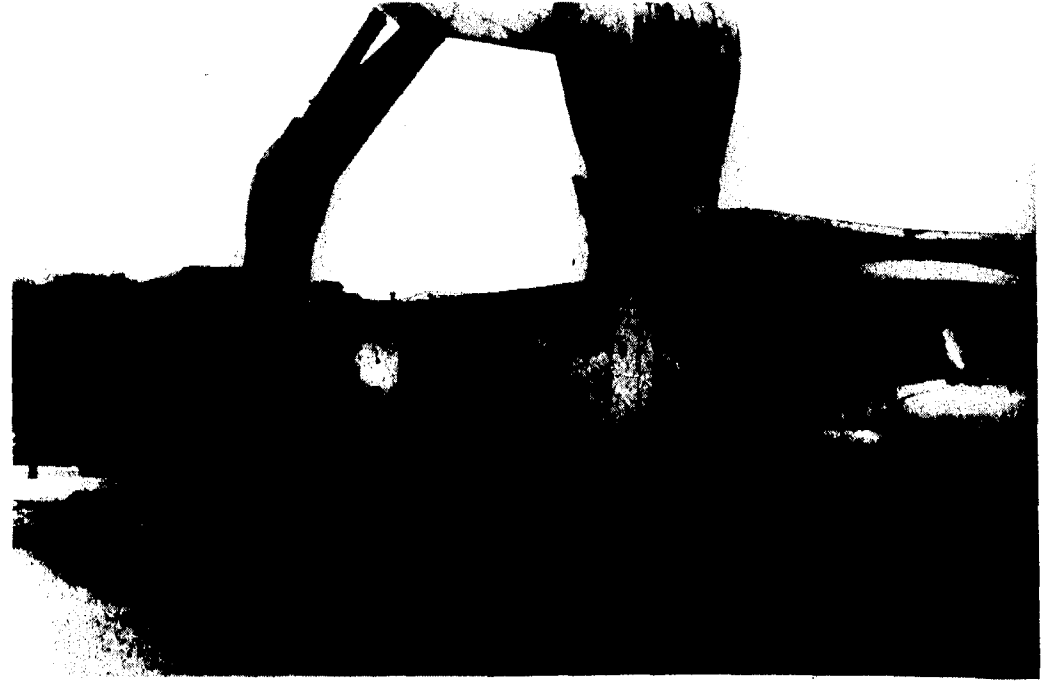

The board heard a report by Don Lockman and Bob Wollenberg, teachers in the alternative education program, now going into its second year. The program's design is to encour-

age 16 year-old students to continue in school until they graduate. Emphasizing

hands-on learning, the program uses a three-hour block in the daily schedule.

Superintendent Rich Kelly reported that the new plan to buy from a food

Concluded on Page 3

Workers from the C. H. Smith Company began the work to replace Lake Street from the intersection of Water south to Main Streets. The work is expected to be

completed by Nov. 1 and will include new water and sewer mains as well as a new roadway and sidewalks.

Engagement announced

SHEILA JEAN SLOOP and STEVEN J. FRANKE

Mr. and Mrs. Ray Sloop of East Jordan announce the engagement of their daughter, Sheila Jean, to Steven Jack Franke, son of Mr. and Mrs. Jack Franke of

Traverse City. The future bride is a 1979 graduate of Boyne City High School and graduated from Northwestern Michigan College with

an associate degree in data processing. She is employed by Grand Traverse County as a computer programmer.

Steven is a 1973 graduate of Traverse City Senior High School and graduated from Ferris State College with a bachelors degree in Criminal Justice. He is employed as a probation officer and assistant magistrate with the 86th district court and is also the owner of a used furniture business.

An October 15 wedding is planned.

With Nancy Northup 582-9174

Bill Bricker of Brooksville, Fla. spent about 10 days here visiting Mr. and Mrs. Cal Bricker, the M. C. Brickers and other relatives.

Bingo winners at the Boyne City Senior Citizen Center on Thursday were regulars, Mary Kritcher, Lena Kerr, and Virginia Nelson, with the specials won by Minnie Skop and Helen Todd. The cover-all went to Jenny Jodway, Bradford Foster, and Leone Griffen. The surprise package on Monday was given to Bob Tainter, with Friday's fruit tray going to William Myers.

Weekend guests of Ann and Dale Hutzler were Ann's sister, Irene, and Jerry Motyka of Western Springs, Illinois.

Mrs. Eva Gillespie returned to her home this week from Arizona, after having spent the past month there, due to the illness of her son.

Mrs. Adell Hibbard went to her son and daughter-in-law's Paul and Joyce Hibbard in Millington last weekend. She attended the wedding of a niece and nephew in Ferndale on Saturday, and also attended a surprise birthday party for former Boyne resident, Edna Godette in Milford before returning home.

Former Boyne resident Barbara Brennan, of Charlevoix, recently returned to her apartment on W. Garfield from the Charlevoix Area Hospital. After having been home a few days, she fell and broke her ankle.

Judge and Mrs. Harvey Varnum and Mr. and Mrs. Fred Benson of Harbor Springs attended the Antique Car Show in Fort Wayne, Ind. over the Labor Day weekend.

George Shaler and his wife, Ellen, of Hazel Park, and Ellen's mother, Francis Palmeter, spent a few days here with George's mother, Irene Shaler.

About 18 met at the home of Glenda and Terry Rhinehardt on Saturday night for a potluck dinner and their regular Northern Slopes Farm Bureau meeting. The topic of

discussion was High Cost of Hospital Care.

Some of those returning to Lake Superior State College over the weekend were Paul Varnum, Steve Kindy, Kerri Kruzal, and Lisa Franchino.

Clinton (Bud) Hammond of Crawford, N. J. returned to his home after having spent the past week here with his mother, Maude Hammond.

The Boyne City Barber Shop group, the Snow Belt Chorus enjoyed a barbeque picnic at the Bob and Rose Anne Herrmann home on Saturday night.

Miss Eloise Arbuckle still remains a patient at Lockwood Hospital in room 237.

Some of those here for the wedding of Lisa Wheeler and Joe Howie on Saturday were Rick and Diane Keitlinger of Ann Arbor, Lynn and Dave Amato of Mt. Clemens, and Carol and Toby Sheppard of North Carolina.

Leta and Leon Brooks hosted a family picnic and get together over the Labor Day weekend. Those attending were Clifford and Mirilla Litogot, Sue and Harold Brooks and Jason, Jake and Dolly Hostetler, Nelson and Lea Green and sons of Charlevoix, and Dennis Green of Petoskey.

Lorene Segraves returned to her home over the weekend from spending about 12 days in Lockwood Hospital.

Tony and Mark Prevo and children Mitchell and Michelle of Drayton Plains were here last weekend visiting the Ray and June Anthonys.

The Cal Brickers hosted a family picnic and get together this past weekend. Those attending were the Dale Reinhardt family, Connie and Frank Shaler and family, Dave and Robin Bricker, Betty and Bob Brewer, Sarah and Mitch Hildebrandt, Bill Bricker of Florida and the Nels and Linda Northup family of Gladwin.

Mr. and Mrs. Lloyd VanAistine, Tina, and their granddaughter Becky enjoyed camping last weekend in the

upper peninsula.

Corina Marie Kuzmik, daughter of Tom and Edie, came home on Friday from the Neo-Natal Care division of NMH. The family will be staying with grandmother Flo Kuzmik for about a month.

Mrs. Betty Nicloy returned home over the weekend from Chicago after having spent a few weeks there with her daughter Judy, who has been ill, and her husband Eugene Smith and children.

Mr. and Mrs. Marshall Behling and her brother Jack and his wife recently returned from a trip out west. They visited their nephew Joe Smith in Colorado Springs, Colo. and Jack's

With Millie Walden 536-2381

Neighbors

son Frank in Washington. Enroute home, they visited Paul and Dorothy Pfahler.

Mrs. Lyda Jensen of Marlette and Mrs. Jack Dixon of Howell called on Mrs. Helen Rothenburger on Saturday.

Mrs. Mabel Lachman has returned the weekend in Saginaw visiting her parents, Marge and George Rogers, who will be leaving soon for Florida for the winter.

Connie, Jeff and Julie Lingle spent the weekend in Saginaw visiting her parents, Marge and George Rogers, who will be leaving soon for Florida for the winter.

E. J. Chatterings

V.F.W. Jordan Valley Post 7580 East Jordan and the Ladies Auxiliary held a social meeting at the Robert Santos home on Sept. 6. Present were twelve auxiliary and three V.F.W. members. The Ladies Auxiliary had the drawing on the raffle tickets for the building fund. Margaret Haney Lewis is chairperson of the raffle. Three-year-old Tina Clark drew the winning tickets.

First place winner was Paul Batton from Ellsworth, a knitted quilt. Second place, a knitted afghan, went to Beth Prebble of East Jordan. Third place winner, a knitted sweater, went to Edna Thompson of East Jordan.

The yard and bake sale which was held on Sept. 2 and 3 was a great success. Post 7580 would like to thank everyone who contributed for their donations. The money received went towards our future post home.

Several from the Grandvue Auxiliary came out to help with the activities. We wish to thank them all. Also thanks to all of the relatives and friends who came to help make the day enjoyable for all the residents and staff.

Grandvue is getting a new look. There are new beds, closets, dressers and rooms being painted. Come out and see the new look.

They are now making dolls for sale for Christmas. Rose Nemeck and Liz McDermott and Liz's daughter Jody went out to California for a 2 week vacation to visit relatives.

Bear River Road closed

The Charlevoix County Road Commission announced that effective Sept. 9 the Bear River Road is closed between River and Padgett Rds. in Melrose Twp., east of U.S. 131, due to bridge reconstruction by the Manthei Development Corp.

There comes a time in your life when you have to go out on your own. That's what Michigan Bell will be doing in January of next year, when we separate from AT&T and become a part of Ameritech, a new holding company for five midwest communications companies which include Illinois Bell, Indiana Bell, Michigan Bell, Ohio Bell and Wisconsin Telephone.

Frankly, a change like that could be unsettling, but we welcome the challenges it presents and the opportunities it provides to serve you even better. We've had time to think about it, to plan for it, to make sure that when you pick up

your phone on January 1, 1984, you'll make those calls just as you always have. And you'll get the same reliable Michigan Bell service you've come to expect over the years.

Sure, there'll be some changes, but nothing we can't easily handle together. For instance, AT&T will be leasing you the phones Michigan Bell now provides you for a monthly fee. You may continue to lease them if you wish, or you may buy your own. The choice is yours.

There could be some changes in how your telephone repair needs are met... depending upon whether

the problem is with the service or the equipment. Not a big thing for the most part, except for the possibility of new phone numbers to call if you need help.

You may notice one change right off... extra pages in your phone bill. That would be the result of your getting more billing information than you're used to seeing.

As we said, changes and choices... some now, some later... but nothing you can't take in stride with a little assistance. That's where we come in.

In the weeks ahead we'll be keeping you up to date with more detailed information on the changes as they take place.

We mean to make this transition as easy for you as possible because we want to be on the best of terms with you for a long, long time. After all...

**IT'S AT&T
WE'RE SEPARATING FROM...
NOT YOU.**

Facts down the line.

Because your telephone business office is busily engaged in normal, day-to-day telephone service matters, we are providing this toll-free number as a source for answers to the questions you may have about your changing telephone company. We also suggest that you watch for our informational messages in your newspapers and in your monthly telephone bills. **1 800 555-5000**

 **Michigan Bell**

Marshall Sayles

How do you know when summer is over in northern Michigan? You do not have to worry. As soon as you put your lawn mower away, the furnace kicks on.

I have heard no word against the reconstruction of Lake Street. That's not like Boyne City at all. Someone should be looking down their nose, threatening to sue for some reason or other. Whoever isn't doing this is taking all the excitement out of the improvement of Lake Street.

Sunday was Grandparents' Day. No one said a thing about it until nine o'clock. So I had little chance to celebrate, which I have always liked to do ever since I discovered the difference between boy and girl.

I've been grandfathering it for several years and I find it a shame that the special day is so widely unnoticed, uncelebrated, untalked about as well as many other uns.

When I learned that it was Grandparents' Day, it was too late to kick up my heels or anything else. It sort of tickles me to be a grandfather. That's why I was down in the mouth and up in the air when I finally heard. All I could do was let off a wild whoop that ripped open the sable robes of night, take a light lunch and go to bed.

It's more fun being a grandparent when you can celebrate your special day by thumping and stomping and whistling a little tune with thumbs under your arms. Mostly it's being thankful that you made it over the hill.

There's no greater joy than being a healthy has-been.

I'm glad our long, hot summer is moving on. I had my oars in the water all last week and it was so hot I couldn't row for beans, or anything else men my age row for.

A spider just crawled under my typing desk. Damn. The other day I singly-handedly outwitted a furious ten inch snake. Now this.

How would you like to live out here in the jungles of Wilson Township where there are not only snakes and spiders, but bees and wasps that are mad at you all summer?

Imagine being heavily taxed for living in the middle of this bramble bush, hanging from a maple and yelling like Tarzan?

To tell the truth, I think I should be paid for living out here. Perhaps the City will pay to keep me from moving into town. I think I could tolerate living here if the City would do that. Maybe the commission will list it as the first order of business. I've known the council to use the second order of business to veto the first order of business, but this time they just might see the terrible need to keep me out here for reasons that would not be necessary to list in the printed minutes.

And another thing. Most people get paid for entertainment. Out here I don't get a cent for it.

Why, just the other day a huge wasp chased me out of the house across the lawn. A man driving by rolled down the window and yelled, "Look at that monkey go!"

Barbara Cruden

Now that the word "weir" has become so much a part of our language, we should expect the usual expansion to take place—the way it did with words like "fire," which travelled all the way from flames to dismissals.

There's nothing wrong with making a nice verb out of the noun. Something like: "This weirs well," could come in handy. What would it mean? Well, obviously it would mean something is rousing the ire and tribulations of at least five different governmental bodies.

Who knows. We might begin weiring up some more hassles with such a useful word. They do say that an idea doesn't exist publicly until you have a word for it.

I can just see how a little phrase like "Where are you going?" with all its overtones of suspicion could be improved with "Weir ya going?" Which would say the doubt flat out.

Indeed the word could jolly well lead on to full conflict. "Remember the Alamo!" becomes "Remember the weir!" and once the little blue flag with those words inscribed thereon is hoisted above the river banks, the ranks of the DNR will quail and stagger back. But not crumble. Never crumble. The DNR has its own flag, but it is kept secret.

Just writing this makes me feel weirish. —A weirish person is quite unaccountable. Weirishness leads on to revolution. While, on the other hand, it strains out salmon and swallows turpitude.

Actually, the word "weir" has no kinship with "weird," etymologically speaking, though many seem to think so. A little browsing in the dictionary (see p. 4) turns up the information that "weir" comes from "wer," an ancient Anglo-Saxon term for dam or stake fence blockade in a river.

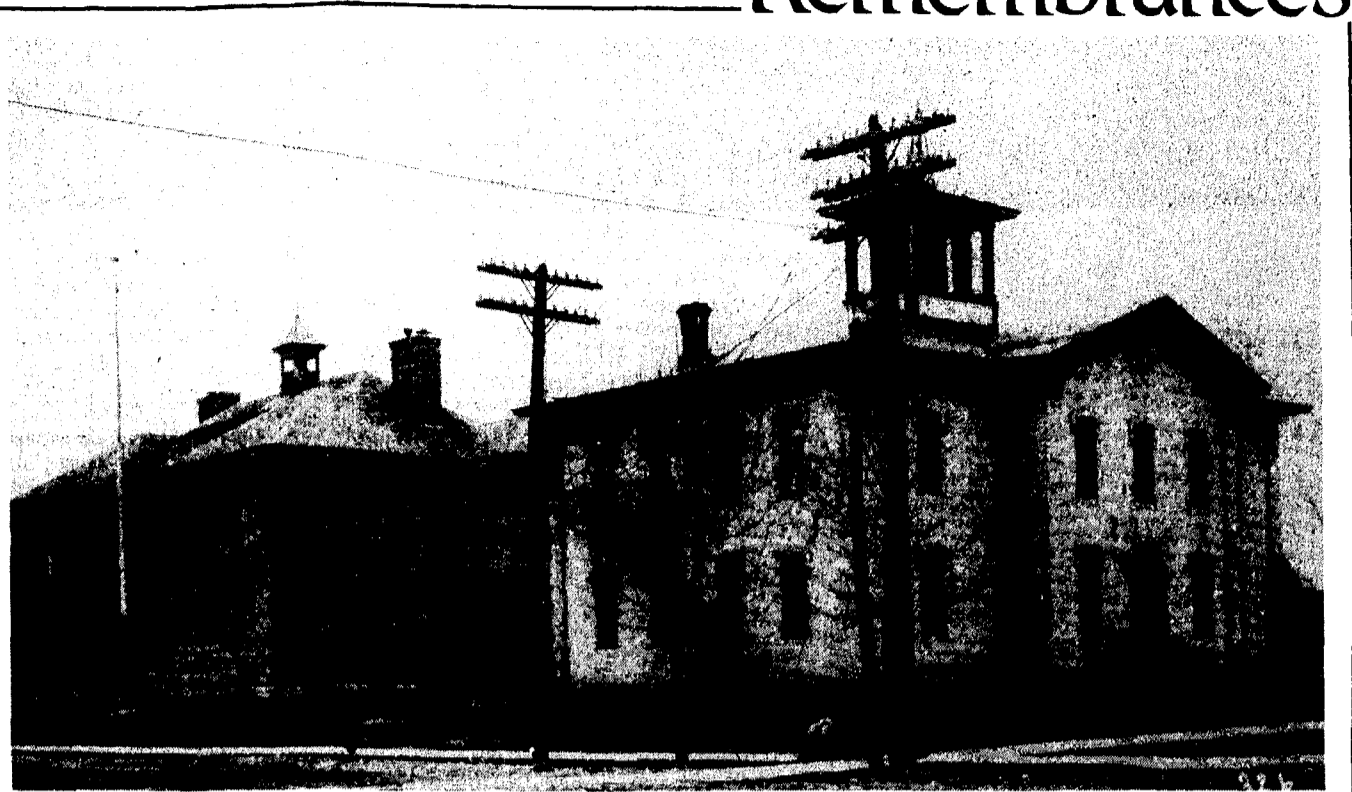

But if you turn the page in Webster's to find out if any other words descend from this ancestor, what do you find but "wergild," which comes from "wer" meaning "man" in ancient Anglo-Saxon! ("—gild," meaning "payment," but that's another story.)

Now, dear Webster's, which is it? "Man" or "dam"?

As I puzzle over this scholastic glibness, a certain ray of light brightens in my mind and focusses on the word "Adam."

What do you know! Was Adam a dam? Did the Anglo-Saxons figure it out even before they read the Bible?

Adam must become a fisherman early on. Not surprising. And that's where the phrase "dam nuisance" began.

Many oldtimers are still around who can remember this school that used to be where the playground of the Boyne City Middle School is now. The school was the high school-middle school for the children of Boyne City for

Remembrances

many years until it was outmoded by increased enrollments. If you have any pictures that you would like to share with our readers, bring them to our office so that we can make a copy of them.

Jessamine Rebekah Lodge No. 365

The Jessamine Rebekah Lodge No. 365 met Wed. Sept. 7 at the Masonic Hall at 1:30 p.m.

Mrs. Josephine Russell of Elk Rapids Lodge expressed her desire, along with another sister of the same lodge, to join our lodge by transfer as the Elk Rapids lodge is closing due to the decline in membership.

For the good of the order a White Elephant Auction was conducted by Adeline Bowerman. A lot of fun was had by all.

The next meeting will be Wed. Sept. 21. This is to be a Rebekah Anniversary with a pot luck dinner at 1:00 p.m. Everyone is to bring a dish to pass and their own table service. And bring a friend.

It was suggested each member of the lodge give a personal anniversary report for the good of the order.

Lunch was served by Erma and Georgia Murphy.

Irene Wright is ill and is in the Little Traverse Hospital, Petoskey.

School district

Concluded from Page 1

co-op has saved the school \$500 in the first round of food purchases for the school lunch program.

He also noted that Monday night marked the beginning of adult education.

In approving expenditures, the board included the auditor's fee of \$5,250. The board approved the middle and high school handbooks. The only changes were in stating points more clearly.

A closed session on negotiations with teacher aides concluded the meeting.

What's for lunch at school?

Jottings

By JIM SILBAR

I am thinking of becoming an expert. I don't know what exactly I will be an expert in yet, but if I keep on listening to all the people who stop and talk with me, whether or not I want to listen, sooner or later, I will be an expert.

Then I will be able to sound off... sandbag might be a better word, at all those things that the city hall does or doesn't do. Or the Chamber of Commerce, or even down to the poor guy trying to make a living out of the community who knows that he should keep quiet for the sake of his business, but can't.

Those times are apparent when the person has found out that there is something that he can't control. Like

taxes, or like how the other guy gets to spend his money.

When I become this expert, I will have all the answers as to the best community in the north, the finest school system, the best time to advertise a product, and just all sorts of things that I don't have answers to now, and I doubt if I ever will.

Some people think that I am an expert already. That is because I am supposed to be able to sound off on almost any subject they want to see in print.

Which, I will admit, might be nice to do.

But not being that expert yet, I have to sit down, look up a lot of things, get my mind programmed at least twice because of all the distrac-

tions that I can find before I can open my mouth to say something intelligent.

Some people may even think that there is no such thing as intelligence, especially after I speak my peice.

But, day after day, I am brought into someone else's problems. This past week when I was in East Jordan, I had to listen to a lot of what some are thinking about the current problems in local government.

But, thank God, I am not an expert. I probably would have said something like "How did she get a loan that was only two points over prime? Every time I try to borrow money, they quote me a price that I can't afford."

I might also say something like, "Oh yet, I heard about that. I wonder if it is true?"

But not being able to stop the rumor mills that go through our small towns faster than siliconed lightning, I usually keep my mouth shut, listen to what the person is trying to say, and come up with my own conclusions that, hopefully, I will keep to myself.

And as long as I can remain quiet, maybe someday I will become that expert.

Letters to the editor, handwritten or typed, are a welcome and important part of this paper. They should be under 750 words in length and signed by the writer, although he or she, for special reasons, may request that the name not be printed. The paper reserves the right to edit material.

Commission Minutes

CHARLEVOIX COUNTY BOARD OF COMMISSIONERS
JULY 13, 1983

A meeting of the Charlevoix County Board of Commissioners was called to order at 9:30 AM by the Chairman, I. Lee Moerland.

Roll was taken with the following members in attendance: Commissioners Matthew, Harmon, Sutliff, Breakey, Smith and Moerland, 6.

The pledge of allegiance to the flag was led by the Clerk, Jane E. Brannon. Guests in the audience were given the opportunity to introduce themselves.

APPROVAL OF MINUTES OF JUNE 22 SESSION

Moved by Commissioner Smith that the minutes of the June 22, 1983 session of the Board be accepted as presented. The Chairman noted that the following clause should be deleted from page 45 of the minutes: "(which with the Headlee rollback would be an approximate 4.47 actual levy)." There being no further objections or corrections, the Clerk was instructed to cast a unanimous ballot for the acceptance of the minutes as corrected. Motion carried.

The Chairman read a letter from Tim Clifton, Boyne City Manager, indicating his resignation from the Northwest Regional Planning Commission because of his acceptance of a new position with the City of Monroe. He also read a letter from Kate Schaeffer offering to stand down from her appointment to the Advertising Committee because she is no longer the Boyne City Chamber of Commerce Director. The matter was referred to Commissioner Matthew for a recommendation.

JORDAN RIVER SALMON WIER/LAMPREY BARRIER

Jerry Manz of the DNR Fisheries Division, discussed the proposed Jordan River salmon harvesting wier and sea lamprey barrier. He explained that further study has revealed the impossibility of constructing the wier in the original location because to do so would flood approximately 500 acres. He went on to indicate his purpose in discussing this issue: to have the Board give written agreement for the proposed construction of the wier. A question and answer period followed as the DNR representatives explained their reasons for the proposed location of the wier/barrier. Doris Huckle of East Jordan expressed her concern for the proposed location as did others.

Larry Sullivan, County Planner, discussed the Regional A-95 review which was referred back to the County Planning Commission. Mr Sullivan went on to trace the County Planning Commission's involvement with the proposed wier from the first meeting when the request was tabled through the most recent meeting at which approval was given.

RESOLUTION--JORDAN RIVER BARRIER (#83-036)

Moved by Commissioner Smith that the following resolution be adopted:

WHEREAS, the Department of Natural Resources has made known its intention to construct a sea lamprey barrier on the Jordan River; and
WHEREAS, the Charlevoix County Planning Commission has requested additional information on various possible sites; and

WHEREAS, that information, as relayed by a representative of the DNR, indicates that the site location cannot be between the M32 Bridge and Rogers Bridge Road due to a change in water elevation of only 6/10 of a foot; and

WHEREAS, the Planning Commission concurs with the engineering data and requests that the County Board of Commissioners allow a sea lamprey barrier to be constructed 3/4 mile up river from Rogers Bridge Road;

NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Board of Commissioners does hereby allow the DNR to construct a sea lamprey barrier only on the Jordan River.

Moved by Commissioner Sutliff that the foregoing resolution be tabled at this time. ROLL CALL VOTE ON MOTION TO TABLE: Yeas, 4. Nays, Smith and Moerland, 2. Motion to table carried. Motion tabled.

The Board recessed briefly at 10:35 AM, reconvening at 10:45 AM.

Dean Rhodes, District Extension Leader, made a slide presentation of his recent sabbatical trip through a number of southern states. Mr Rhodes will be invited back in the near future to address the issues of economics and tourism.

The Board recessed for lunch at 11:50 AM, reconvening at 1:10 PM.

AFTERNOON SESSION

Scott Beatty, Prosecuting Attorney and George Ebenhoeh, Friend of the Court discussed the new Friend of the Court legislation which went into effect July 1. They indicated the need for money from the county to be set aside into the mediation fund as outlined at the previous Board meeting. The matter was referred to the Ways and Means Committee for review and preparation of an appropriate resolution.

The Chairman read a letter from the Department of State Police indicating that Charlevoix County's nuclear incident emergency response plan has been approved by the Federal Emergency Management Agency (FEMA).

RESOLUTION--HEMINGWAY DISPLAY (#83-037)

Moved by Commissioner Matthew that the following resolution be adopted:

WHEREAS, Consumers Power Company, many years ago, gave Charlevoix County the Ernest Hemingway display; and

WHEREAS, it has been on display in the lobby of the County Building for the past seven years and has served its usefulness; and

WHEREAS, Bay Township has expressed an enthusiastic desire to have this display for its township hall;

NOW THEREFORE BE IT RESOLVED, that, with the permission of Consumers Power Company, the Board of Commissioners donates the Ernest Hemingway display to Bay Township;

BE IT FURTHER RESOLVED, that the Board of Commissioners expresses its thanks to Consumers Power Company for the donation of the Hemingway display and the interest it has created for Charlevoix County. There being no objection, the Clerk was instructed to cast a unanimous ballot. Motion carried.

RESOLUTION--COOPERATION WITH CONSUMERS (#83-038)

Moved by Commissioner Smith that the following resolution be adopted:

RESOLVED, the Charlevoix County Board of Commissioners pledges its cooperation with Consumers Power Company in resolving any problems that still exist in the County's emergency plan. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Joan Blanchard, Equalization Director, passed out a recent bulletin from the State Tax Commission regarding a Court of Appeals decision on creative financing. Three counties in southern Michigan appealed their 1982 evaluations citing a variety of alternative financing means which inflated the sale prices of residential property to compensate for the financing. The counties' contention was that the State Tax Commission should have considered the actual value of the properties rather than the inflated sale price. The Court of Appeals has ordered the State Tax Commission to develop a formula to account for creative financing, although it is still unclear whether this ruling is to apply to all counties or just the ones involved in the suits. Mrs Blanchard went on to outline a number of concerns these opinions raise.

The Board recessed briefly at 2:23 PM, reconvening at 2:37 PM.

The Chairman read the following items of correspondence: 1) a letter from Mitch Irwin congratulating Mike Davis on his appointment as chairman of the Governor's Recreation Advisory Committee; 2) a letter from the Prosecutor announcing the resignation of John Michael as Assistant Prosecutor. Moved by Commissioner Sutliff that the Board concur with the Prosecutor's appointment of Edwin Gregory as Assistant Prosecutor. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried. 3) a letter from Ralph Ostling acknowledging receipt of the Board's resolution calling for a study committee of local governmental organizations to review the property tax question; 4) a letter from the Governor acknowledging receipt of a copy of the Board's resolution in opposition to the Presidential Primary; 5) a letter from Boyne City regarding a commercial facilities exemption hearing.

The Chairman reviewed a number of resolutions from other counties, including 1) juvenile detention from Grand Traverse County; 2) property tax relief from Kalamazoo County; 3) from Oceana County urging passage of HB 4590 allowing

counties to charge jail inmates for the cost of incarceration based on ability to pay. Referred to Commissioner Breakey. 4) from Larry Mattis of Crawford County asking support for his candidacy for Region 2 Michigan Association of Counties Board. 5) from Calhoun County urging appointment of James Cleary as the new DNR Director. Referred to Commissioner Matthew. 6) from Oakland County regarding school retirement payments.

Commissioner Breakey raised the question of the Teaching Family Home, operated by Glen Terrant, purchasing gasoline from the Sheriff's Department. The matter was referred to the appropriate committee for review.

Commissioner Sutliff reported that the Ad Hoc Sanitary Code Committee has met twice. Commissioner Harmon indicated that, at the last meeting, Irvin Sturm made a detailed presentation on mound systems. The next meeting is to be July 26 at 7:30 PM at which time public comments will be entertained.

RESOLUTION--EMMET COUNTY FAIR (#83-039)

Moved by Commissioner Matthew that the following resolution be adopted:

WHEREAS, Charlevoix County has become involved with the operation of the Emmet County Fair; and

WHEREAS, increased participation in fair programs by the residents of Charlevoix County requires additional expenses on the part of Emmet County;

NOW THEREFORE BE IT RESOLVED, that the sum of \$4,000 be paid to Emmet County to help defray the expenses of fair operation; said funds to come from the contingency account of the general fund budget. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Commissioner Matthew read a letter from the Charlevoix Agency regarding the Volunteers in Probation. Mr Voisin, of the Agency, suggested that the group be appointed as a committee of Charlevoix County; they then would be covered by the County's liability insurance. The matter was taken under advisement.

UNDERSHERIFF'S VACATION PAY

Commissioner Matthew reported on the request submitted by Undersheriff Dale Boehm for payment of accrued vacation and overtime. Commissioner Matthew indicated that it has been agreed that the Undersheriff is to take 50 days of vacation between now and December 31, 1983 and will be paid for 140 hours of earned overtime. Moved by Commissioner Matthew that the terms of this agreement be accepted by the Board. ROLL CALL VOTE: Yeas, 6. Nays, none. Motion carried.

Moved by Commissioner Smith that the Board contact our representatives in Washington urging them to support the \$800 million budget increase for general revenue sharing. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

The status of the Interlocal Transportation Authority was reviewed. Copies of the by-laws and constitution have been submitted to the Board of Commissioners.

They will be reviewed and any necessary changes will be made at the July 27 meeting. The Road Commission was given tentative approval to go ahead with the application for insurance.

The Chairman read a letter from the State Department of Social Services regarding amended basic grants submitted for the years 1979, 1980 and 1982.

Moved by Commissioner Matthew that the meeting be adjourned. All present in favor. Next meeting, Wednesday, July 27, 1983 at 7:00 PM.

JANE E. BRANNON, COUNTY CLERK

I. LEE MOERLAND, CHAIRMAN

CHARLEVOIX COUNTY BOARD OF COMMISSIONERS
JULY 27, 1983

A meeting of the Charlevoix County Board of Commissioners was called to order at 7:10 PM by the Chairman, I. Lee Moerland.

Roll was taken with the following members in attendance: Commissioners Matthew, Harmon, Sutliff, Breakey, Smith and Moerland, 6.

The pledge of allegiance to the flag was led by Commissioner Moerland.

The Chairman announced that, because of the large attendance and the interest expressed in the DNR presentation on the Jordan River, the early items on the agenda would be waived and that the Board would proceed immediately to the Jordan River discussion. The meeting was then moved to the Circuit Courtroom to allow sufficient room for interested parties.

JORDAN RIVER LAMPREY BARRIER

The Chairman announced that this meeting was for informational purposes only and that no action on the DNR proposal would be taken at this time.

John Scott, Chief of the DNR's Fisheries Division, outlined the DNR's position with regard to the location of a salmon wier/lamprey barrier on the Jordan River. He indicated that the best location for the barrier, in the DNR's opinion, is 4/10 of a mile up-river from the Roger's Bridge. He explained that the DNR is guided by the rule that "if it's good for the fish, it's good for the public." He further reminded listeners of the interest expressed by communities in Charlevoix and Antrim Counties in developing salmon fishing as a method of restoring the damaged fishing industry, indicating that the DNR's objective has been to encourage this interest in a variety of ways. He went on to outline the DNR's concern for continued chemical treatment of sea lampreys and the agency's belief that the proposed barrier would be a much better long-term solution to the lamprey problem. After Mr Scott's presentation, a question and answer period for the commissioners followed. Public comment was then entertained. A number of people from Charlevoix and East Jordan spoke in favor of the proposed wier/barrier as well as its location above the Roger's Bridge.

The Chairman stated that the Board's decision would be made at the August 24th meeting.

The Board recessed at 8:20 PM, reconvening at 8:40 PM in the Commissioners' Room of the County Building Annex.

The Chairman read the following items of correspondence: 1) a note from the Sheriff indicating that the Criminal Justice Training Funds grant application needs the signature of the Chairman; 2) a letter from Thomas Haneck of Cleveland, Ohio, supporting salmon fishing and planting; 3) a letter from the Veterans of Wars to Save the Jordan urging that the natural river be preserved.

APPROVAL OF MINUTES OF JULY 13 SESSION

Moved by Commissioner Sutliff that the minutes of the July 13, 1983 session be accepted as presented. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

RESOLUTION--UMBRELLA POLICY (#83-040)

Moved by Commissioner Matthew that the following resolution be adopted:

WHEREAS, the County's insurance advisor, Donald Voisin of the Charlevoix Agency, has consistently recommended that the County obtain umbrella liability coverage to supplement the County's various policies; and

WHEREAS, the Charlevoix County Board of Commissioners recognizes the importance of such additional coverage in view of the continuing increase in litigation throughout the country; and

WHEREAS, the Charlevoix Agency, through Auto-Owners Insurance, can provide such umbrella coverage in the amount of two million dollars at a cost to the County of \$2,800;

NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Board of Commissioners shall purchase an umbrella insurance policy providing two million dollars in coverage at a cost of \$2,800; said funds to come from the insurance and bonds department of the general fund budget (101-954-910-00). There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

RESOLUTION--FOC MEDIATION FUND (#83-041)

Moved by Commissioner Sutliff that the following resolution be adopted:

WHEREAS, P.A. 294 of 1982 calls for a separate Friend of the Court account for mediation services;

Obituaries

ANGELINE B. BARDEN
Mrs. Angeline B. Barden, 88, of Hastings and formerly of Boyne City, died Sunday, September 11, 1983 at the Barry County Medical Care Facility in Hastings.

She was a former teacher and she and her husband were the owners of Barden Lumber Company until 1942. She was born in Grand Traverse County Sept. 3, 1895.

Mrs. Barden taught school for over 32 years, including nine years in the Boyne City school system. She stopped

teaching to assist her husband in the family business. She married Russell F. Barden on May 10, 1920. He died in October of 1950.

She is survived by two daughters, Miss Mary Kathryn Barden of Hastings; Mrs. Marlon (Margaret) Carlin of Goshen, Indiana; three granddaughters, two great grandchildren, three sisters, Mrs. Nellie Stinson of Kingsley, Mrs. Sarah Lobdell of Flat Rock and Mrs. Geraldine Vandervoort of San Antonio, Texas; one brother Gerald Case of Pierce, Arizona.

Funeral services were

held Wednesday, September 14 at the Wren Funeral Home in Hastings. The family suggests that a memorial to Mrs. Barden be a book placed in your public library, or school library in her name.

ELAINE THERESA KOWALSKE
Funeral services for Elaine Theresa Kowalske, 53, of Boyne City, were September 12 at St. Matthews Church in Boyne City. Fr. Dennis Stilwell officiated and burial was in Maple Lawn Cemetery.

A scripture service was held Sunday at the

Stackus Funeral Home, Boyne City.

Mrs. Kowalske died Sept. 9, 1983, at Little Traverse Division of Northern Michigan Hospitals.

The former Elaine Theresa LaForest was born Feb. 15, 1930, in Mt. Clemens, the daughter of Albert and Eleatha LaForest. She moved to Boyne City with her family in 1938 and attended schools there, graduating from Boyne City High School in 1949.

On Jan. 20, 1951, she married Lyle Kowalske in Boyne City and the couple have made their home here since that time.

Mrs. Kowalske was associated in the real estate business with her husband, serving as secretary-treasurer of Century 21, Kowalske Associates, Inc.

She was an active member of St. Matthews Church and sang in the choir for many years. She also was a volunteer worker at Grandvue Medical Care Facility.

Survivors include her husband; two sons, Mark and Lon, both of Boyne City; two daughters, Mrs. Diane Hauser of Boyne City and Martha Kroha of Denver, Colo.; two grandchildren; two sisters, Ruth Ann Schwartzfisher of Petoskey and Barbara Mumich of East Jordan; one brother, John LaForest of Boyne City.

Survivors include her husband; two sons, Dr. Robert H. Bartlett of Ann Arbor and Bruce Allen Bartlett of Elkhart, Ind.; two daughters, Barbara Jean Bonnell of Stow, Ohio, and Dr. Elizabeth Ann Bartlett of Duluth, Minn.; six grandchildren.

The family suggests memorials to the Shriners Children's Hospital.

ELIZABETH H. BARTLETT
Elizabeth H. Bartlett, 73 of Walloon Lake and Silver Lake, Ohio, died August 11, 1983 at Northern Michigan Hospitals in Petoskey of injuries sustained in an automobile accident near Walloon Lake on Aug. 4.

A memorial service was held Sunday, September 11 at the Church in Silver Lake, 2951 Kend Rd., Cuyahoga Falls, Ohio.

Mrs. Bartlett was born in Detroit and was educated at the University of Michigan, graduating Phi Beta Kappa in 1934 with a degree in

education. She taught for several years in Detroit before moving to Akron, Ohio in 1939.

Mrs. Bartlett and her husband Dr. Robert M. Bartlett had resided in Silver Lake, Ohio since 1950, spending their summers at Wildwood Harbor on Walloon Lake for the past 20 years. Mrs. Bartlett had spent summers in Northern Michigan since childhood.

For 33 years, Mrs. Bartlett was a member of the Church in Silver Lake and served on numerous local, state and national boards of the United Church of Christ.

She was a member of several Akron, Ohio area organizations, including Akron Women's City Club, Fortnightly, Aurora and the Women's Auxiliary of the Summer County Medical Society. She was an active member and president of the Silver Lake Home and School League and was a member of the Silver Lake Board of Education for eight years.

Survivors include her husband; two sons, Dr. Robert H. Bartlett of Ann Arbor and Bruce Allen Bartlett of Elkhart, Ind.; two daughters, Barbara Jean Bonnell of Stow, Ohio, and Dr. Elizabeth Ann Bartlett of Duluth, Minn.; six grandchildren.

The family suggests memorials to the United Church Board for Homeland Ministries which may be sent to Church in Silver Lake, 2951 Kent Rd., Cuyahoga Falls, Ohio 44224.

Survivors include his wife; two daughters, Mrs. Ronald (Martha) Snyder of Goodrich and Mrs. Trudy Pelosi of Boyne City; one step-daughter, Mindy Ostra Simmons of Boyne City; one sister, Mrs. James

WALDO THOMAS COOPER
Funeral services for Waldo Thomas Cooper, 75, of Boyne City, were held Monday, September 12 at the Stackus Funeral Home in Boyne City. The Rev. Clifford Molnar of Boyne City Faith Community Church officiated and burial was in Boyne Valley Cemetery, Boyne Falls.

Mr. Cooper died September 10, 1983 at his home on Deer Lake following a long illness.

He was born Aug. 13, 1908 in Detroit, the son of Thomas and Gertrude Cooper. Mr. Cooper was self-employed as a brick mason and had resided in East Detroit until 1964 when he moved to the Deer Lake area.

He was a graduate of Southwestern High School in Detroit and on July 3, 1937 was married to the former Alice Upton in Detroit.

Mr. Cooper was a member of the Trowel Trade Union of Detroit and a member of the Boyne City Senior Citizens.

Survivors include his wife; one son, Curtis Cooper of Mt. Pleasant; one daughter, Sandra Earnest of South Bend, Ind.; five grandchildren.

(Winifred) Fairchild of Boyne City; eight grandchildren.

VURHL FRANCIS
Funeral services for Mrs. Vurhl Francis, 72, of Boyne City, were held Tuesday, Sept. 13 at Alba United Methodist Church. The Rev. Ron McGregor officiated and burial was in Star Township Cemetery, Alba.

Mrs. Francis died Sept. 10, 1983, at her home in Boyne City.

She was born June 2, 1911, in Alba, the daughter of Burt and Dora (Tupper) Gates.

Mrs. Francis was a resident of Alba all her life until May 1983 when she moved to Boyne City.

She was head cook for Alpine Center in Gaylord until her retirement and was a member and past president of the Michigan State Employees Association. She was also very active in the 4-H program.

On May 23, 1932, she married Felix Francis in Mancelona. He preceded her in death on Aug. 14, 1981.

Survivors include one son, Marvin Frank of Manton; two daughters, Mrs. Donald (Lawaeta) Zachow of Highland and Mrs. Twilla Lewis of Boyne City) nine grandchildren; six great-grandchildren; two sisters, Mrs. Mary Black of Ellsworth and Mrs. Gladys Garchow of Gulliver.

OPEN DOOR COFFEE HOUSE
Something live, something Gospel, every Sat. night at the "Open Door Coffee House", 7 to 10:30 p.m. Mary Hartman will appear this Saturday, singing and playing.

CORNELIUS RISON
Funeral services for Cornelius Rison, 70, of 111 Woodland Dr., East Jordan, were held Sept. 5 at St. Josephs Church in East Jordan. Fr. Joseph Lima was the celebrant and burial was in Sunset Hill Cemetery. A scripture service was held at the Vanderwall Funeral Home on Sunday evening.

Mr. Rison died Sept. 2, 1983 at Little Traverse Division of Northern Michigan Hospitals.

Born in The Netherlands March 14, 1913, Mr. Rison served with the U.S. Navy in the South Pacific during World War II. On June 3, 1951, he was married to the former Better Roossien at Toledo, Ohio. The couple lived in Grand Rapids prior to moving to East Jordan in 1955. Mr. Rison was an engineering consultant. He was an avid golfer and also enjoyed fishing and flying.

Survivors include his wife; two daughters, Mrs. Barbara Wilder of Spring Lake and Mrs. Cathy Dennis of Wyoming; three sons, Bart A. of Steamboat Springs, Colo., Michael of Grand Haven and Patrick of Cutlerville; 10 grandchildren; a sister, Mrs. Jack (Ruth) Boonstra of Grand Rapids and a brother, Harry Rison of Manistee.

The family suggests memorials to the American Cancer Society.

EDWIN C. BARRIE
Funeral services for a former East Jordan resident, Edwin C. Barrie, 81, of Grand Blanc, were held September 11 at the Oak Chapel of Vanderwall Funeral Home. The Rev. Dan Miner of Shelby, former pastor of the East Jordan United Methodist Church, officiated and

OVER 24 YEARS OF REAL ESTATE AND FINANCIAL SERVICES

Commission Minutes

NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Board of Commissioners authorizes the Friend of the Court to establish such a mediation fund which may draw up to \$1,000 as needed from the County's contingency fund under the following conditions:

1. if this maximum amount of \$1,000 is consumed, the Friend of the Court shall make an immediate report to the Board of Commissioners.
2. this \$1,000 shall be considered a line of credit rather than an appropriation to the Friend of the Court.
3. all monies borrowed from the contingency fund shall be repaid from judgment fees collected for mediation services.
4. when the mediation fund reaches a balance of \$2,000 or more, the County's credit for mediation services shall be withdrawn. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

RESOLUTION--AMEND TRANSIT FUNDING (#83-042)

Moved by Commissioner Sutliff that the following resolution be adopted:

WHEREAS, it has been understood that the fourth year funding for Charlevoix's county-wide transit system would be 50%; and
 WHEREAS, Transit Director, Art Saworski, has been notified that funding has now been increased to 63.8%; and
 WHEREAS, it is the recommendation of the Transit Committee that the County sign an amended contract reflecting this increased funding;
 NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Board of Commissioners does hereby approve the proposed contract submitted by the Michigan Department of Transportation;

BE IT FURTHER RESOLVED, that the Chairman of the Board and the County Clerk be authorized and directed to execute contract number G 83-0833 for and on behalf of the Charlevoix County Board of Commissioners. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Commissioner Smith reported that the final figure for the emergency food and shelter grant was \$14,973.69. The money will be used for food distribution for people below the federal poverty level and will tentatively be ready for distribution in September.

Commissioner Smith also reported it may be possible to resolve the question of the allocation of P.A. 416 funds by the filing of an adjusted grant application
 Commissioner Smith also reported on a recent NACo conference he attended in Milwaukee.

RESOLUTION--FUND TRANSFER GRANDVUE (#83-043)

Moved by Commissioner Harmon that the following resolution be adopted:

WHEREAS, the Charlevoix County Social Services Board has requested the transfer of funds from the Grandvue Capital Account to the Social Welfare Fund in the amount of \$4,600 for partial payment on wardrobe units for Grandvue; and
 WHEREAS, the Ways and Means Committee of the Charlevoix County Board of Commissioners concurs in this request;

NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Treasurer is hereby authorized to transfer the sum of \$4,600 from the Grandvue Capital Account to the Social Welfare Fund for the purpose stated above. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Commissioner Harmon also stated that the Road Commission can begin its own insurance coverage at any time; they have been continuing Workmen's Comp on a month to month basis.

The Chairman read a letter from the Prosecuting Attorney indicating that word on the Transportation Authority Agreement should be received from the Attorney General's office by Monday, August 1. He went on to indicate that he would like to appoint Robert Sherman to the Board of the Transportation Authority.

Moved by Commissioner Matthew that the appointment be confirmed contingent on approval of the by-laws. ROLL CALL VOTE: Yeas, 5. Nays, Breakey, 1. Motion carried.

Moved by Commissioner Harmon that the meeting be adjourned. All present in favor.

Next meeting, Wednesday, August 10, 1983 at 9:30 AM.

JANE E. BRANNON, COUNTY CLERK

I. LEE MOERLAND, CHAIRMAN

CHARLEVOIX COUNTY BOARD OF COMMISSIONERS AUGUST 10, 1983

A meeting of the Charlevoix County Board of Commissioners was called to order at 9:30 AM by the Chairman, I. Lee Moerland.

Roll was taken with the following members in attendance: Commissioners Matthew, Harmon, Sutliff, Breakey, Smith and Moerland, 6.

The pledge of allegiance to the flag was led by Commissioner Matthew.

Guests in the audience were given the opportunity to introduce themselves.

UNSCHEDULED PUBLIC COMMENT

Oscar Ward passed out a report on the Jordan River for the Board's review.

Bob Grupp of Consumers Power Company, handed the Chairman and Commissioner Breakey copies of a recent statement from the Nuclear Regulatory Commission relating to the Big Rock spent fuel pool application. The statement from the NRC indicates that Consumers has satisfactorily complied with the emergency preparedness requirements set forth by the NRC last year. Mr Grupp indicated that Consumers appreciates the assistance given by the County in preparing the responses which culminated in the NRC approval of the emergency plan. The Chairman made a brief review of the recent emergency exercise.

APPROVAL OF MINUTES OF JULY 27 SESSION

Moved by Commissioner Sutliff that the minutes of the July 27 session of the Board be approved as presented. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

The Chairman read a note from William Harper of East Jordan commending the helpfulness of the Electrical Inspector.

Commissioner Moerland requested that he be excused.

OFFENDERS' ASSISTANCE PROGRAM

Gary Knapp of Community Justice Alternatives gave a slide presentation on prison reform. He went on to describe the Offenders' Assistance Program, detailing its purposes and sources of funding. The program currently is an integral part of Charlevoix County Jail's rehabilitation plan and prepares inmates for re-entry into the community. They are requesting funding from Charlevoix County for continued operation in this county. Mr Knapp explained that the amount requested is based on the jail population in the county. After a question and answer period, Vice-Chairman Matthew referred the matter to the Sheriff's Committee.

G.T. Long, Senator Irwin's representative, discussed a number of issues under consideration in Lansing. Among these are how to keep and maintain new business in the state; development of agriculture-based industry; development of forestry industry; the possibility of a new office in the Department of Commerce which would focus on Northern Michigan; and property tax relief which is unlikely this year.

The Board recessed at 10:35 AM, reconvening at 10:55 AM with Commissioner Moerland entering.

COUNTY TRANSIT PROGRAM

Art Saworski, Director of the Transit Program, met with the Board to discuss the report of the Transit Study Committee submitted to the Board earlier this year. Also present for the discussion were transit drivers Barbara Syfert and Jim Ehrcke as well as Commission on Aging representatives Thora Kotowich, A.D. Cunningham, Marvin Loding and Peg Ohle. Mr Saworski distributed copies of

a recently-completed audit report which indicates that the transit program accounting is adequate and in compliance with the terms of the agreement with the state. A lengthy discussion followed, covering a number of issues raised in the Transit Committee's report including: separation of COA and Transit operations; funding for the coming year; fleet status; lack of ridership and rules for transit drivers; and the adequacy of Transit record keeping. It was also noted that the audit referred to above was performed by the State Department of Transportation.

RESOLUTION--NEW TRANSIT BUS (#83-044)

Moved by Commissioner Sutliff that the following resolution be adopted:
 WHEREAS, the Charlevoix County Transit has acquired an additional bus from the State; and

WHEREAS, the State has requested that the County formally accept the bus by resolution and the signing of a contract; and

WHEREAS, there is no cost to the County for this bus;
 NOW THEREFORE IT IS THE RECOMMENDATION of the Transit Committee that the Chairman and Clerk be authorized to sign a contract with the State to accept bus #8 from the State of Michigan. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

The Board recessed at 12:05 PM, reconvening at 1:05 PM.

AFTERNOON SESSION

Jeff VanTreese, representing Lois Plum who is the Probate Court Public Guardian, appeared before the Board to outline his client's responsibilities and to request, on her behalf, that she be paid for out-of-pocket expenses, together with an annual salary of \$10,000 and withholding taxes to be shared with Emmet County. The matter was referred to Commissioner Smith, court liaison.

Howard Carson, Building Official, appeared to bring the Board up to date on the status of the numbering system. He indicated that two girls from the Youth Training Program are assisting with the project. Charlevoix and Norwood Townships are nearly completed and work is beginning on Hudson Township. He indicated that he would like a few minutes in about a month to show the Board a map of areas completed. A discussion followed.

MEDICAL EXAMINER

The Chairman read a letter of resignation from the County Medical Examiner, Richard Mansfield. Dr. Mansfield also recommended that Dr. Freidinger be considered for the position. Moved by Commissioner Sutliff that the resignation be accepted with an expression of appreciation and that Dr. Freidinger be appointed acting Medical Examiner. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

The Chairman read a letter from the Michigan State Police commending County staff people who participated in the recent Big Rock exercise. The Chairman requested that a copy of the letter be mailed to all those participants.

The following correspondence was also reviewed by the Chairman: 1) a letter from K. Ross Childs of Grand Traverse County regarding his county's participation in Region 10 activities. Referred to the Planning Commission for review and recommendations. 2) a notice of a meeting to be held August 11 at Lexalite regarding economic development in Charlevoix County; 3) a copy of a letter from Richard Knapp to Judge Murphy regarding the child care fund and delays in filing reports. Referred to Commissioner Sutliff. 4) a communication from the Department of Labor regarding the Job Training Partnership Act which will be on file in the Clerk's office for inspection or review.

Various resolutions from other counties were reviewed, including: 1) from Midland County urging that jail inmates be charged for the cost of incarceration; 2) from Lake County supporting funds for jail construction and improvement; 3) from the Northwest Regional Planning Commission regarding audit firm bids.

The Chairman read a note of thanks from the Ira Davis family and reviewed other correspondence which was referred to appropriate committees or placed on file.

The Board recessed at 2:25 PM, reconvening at 2:45 PM.

Commissioner Matthew indicated that the Prosecuting Attorney has not yet reviewed the proposed resolution on the Volunteers in Probation and it, therefore, cannot be acted on at this time.

DELEGATE & ALTERNATE TO MERS CONVENTION

The Chairman announced that the MERS Convention will be held in Midland on September 22 and indicated his designation of Commissioner Sutliff as delegate and Commissioner Matthew as alternate delegate to that convention. Moved by Commissioner Smith that the appointments be confirmed. There being no objection, the Clerk was instructed to cast a unanimous ballot. Motion carried.

DOT AUDIT REPORT

Moved by Commissioner Smith that the audit report of the Department of Transportation be accepted. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

RESOLUTION--URESA TYPEWRITER (#83-045)

Moved by Commissioner Sutliff that the following resolution be adopted:

WHEREAS, the Cooperative Reimbursement Program (URESA) has demonstrated a need to purchase a new typewriter; and

WHEREAS, the machine currently being used is in poor repair and needs to be replaced immediately;

NOW THEREFORE BE IT RESOLVED, that the Cooperative Reimbursement Program be allowed to purchase a new IBM typewriter not to exceed a purchase price of \$800, said cost being derived from the contingency fund. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Moved by Commissioner Matthew that the Board write to the Department of Commerce and Governor Blanchard recommending that Charlevoix County be chosen as the location for the new Department of Commerce office mentioned by Senator Irwin's representative, with copies to be sent to the various chambers of commerce and the planning department. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Commissioner Matthew passed out the new fair brochure and two complimentary passes for each Board member.

RESOLUTION--GRANDVUE FUND TRANSFER (#83-046)

Moved by Commissioner Harmon that the following resolution be adopted:

WHEREAS, the Charlevoix County Social Services Board has requested the transfer of funds from the Grandvue Capital Account to the Social Welfare Fund in the amount of \$8,928 for the following items:

partial payment of blinds	\$3,500
partial payment of wardrobes	\$4,600
(2nd installment)	
purchase of a typewriter	\$ 828; and

WHEREAS, the Ways and Means Committee of the Charlevoix County Board of Commissioners concurs in this request;

NOW THEREFORE BE IT RESOLVED, that the Charlevoix County Treasurer is hereby authorized to transfer the sum of \$8,928 from the Grandvue Capital Account to the Social Welfare Fund for the purposes stated above. There being no objections, the Clerk was instructed to cast a unanimous ballot. Motion carried.

Commissioner Harmon reported that the Road Commission has determined that the Ironton Ferry should continue its present mode of operation for the balance of this season with the Transportation Authority to be implemented for next year.

Commissioner Smith noted that the emergency food distribution committee will meet at 9 AM on Friday to work out details of the food distribution.

P.A. 416

Commissioner Smith also discussed the needs of the Sheriff's Department for the balance of the P.A. 416 grant period. Moved by Commissioner Smith that the Sheriff be authorized to hire a temporary deputy for 60 days (until October 1, 1983) to be used for P.A. 416 road patrol only. ROLL CALL VOTE: Yeas, 6. Nays, none. Motion carried.

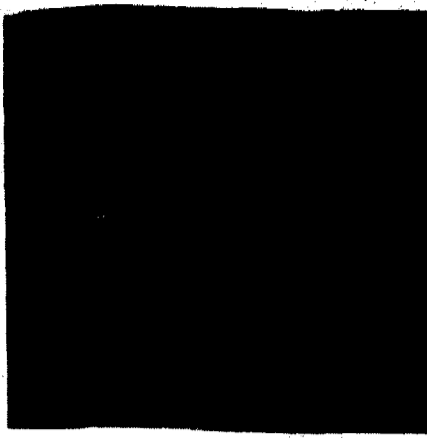

New executive director of the Boyne City Chamber of Commerce, Tim Moody, takes a break while working at his desk making up posters for the upcoming stag night that the Chamber is hosting. Moody, although new to the job, is not new to the area and has many ideas for the promotion of the city.

Car club donates to city

Pat Kubesh, representing the Regional Antique Car Club in Boyne City, donated \$160 to the city in appreciation for use of Veteran's Park for the car show in August. He said the car owners say it is "one of the best shows going."

The antique car show with its parade down State Street and flea market has become an annual event in the city. City commissioners approved the club's request to reserve three days in August of 1984 for another show.

First prize winner Marion Mackay of East Jordan won a ribbon and \$300 award for her large oil painting. Exhibited at Crooked Tree Arts Council's third annual art show, the landscape was bold style, typical of Mackay's recent work. She has three other incomplete large paintings in her hilltop studio, which, she says, are in various stages of "coming clear." The Northern Michigan Artists Juried Show will continue at the McCane Art Center in Petoskey until Oct. 6.

Moody enjoying first week on job

"I think the future is very bright," said the new executive-director for Boyne City Chamber of Commerce. Tim

Moody was recently chosen by a unanimous board vote to replace Kate Schafer, who has taken another position.

Moody's multi-pronged responsibilities will include advertising the city "as an enjoyable place to shop, work, live, and play in." Advertising is a signal part of Moody's career background.

He has a new business on the side, called Imagine, Inc., the purpose of which is "to provide national, regional, and local businesses with creative advertising copy to further enhance their image."

In somewhat similar fashion, Moody steps into the Chamber scene. He said, "I think that Boyne City and the Chamber of Commerce are on the right track. I intend to take the ball and run with it and add ideas to strengthen the Boyne area."

This would include working with traditional events in Boyne like the Mushroom Festival, he said.

Moody took off from his Boyne City high

school graduation with advertising and public relations for WGRY Radio in Grayling. After two years he went west to Durango, Colo. That is where advertising took him high over the San Juan Mountains in a glider to do a live broadcast.

Moody said he might do that again if the need ever arose, but he emphasized the word "might."

Following the glider flight he returned to northern Michigan, working at Meyer True Value Hardware in Petoskey in sales and advertising. He adds advertising for Radio Station WBNB and business management at Boyne City Lanes to his background.

Moody lives near Boyne City with his wife Rhonda and two children, Brad and Todd.

He has set up a busy schedule, attending city commission meetings and talking one-on-one with each Chamber member in his role of keeping the business side of the community knit together.

And all of it, he stressed, with the continued administrative assistance of Gloria Anderson.

Stag Night tickets available

Tickets are available for the Annual Stag Night of the Boyne City Area Chamber of Commerce, slated for Tuesday night, September 20 at Ye Nynne Olde Holles Golf Club. A steak dinner with beer is \$18.00, or come earlier for the four-man golf scramble for just \$5.00 extra. Call 582-6222 for more information.

NOTICE OF FILING NOMINATING PETITIONS FOR CITY COMMISSIONER

CITY OF BOYNE CITY

NOTICE IS HEREBY GIVEN that nomination petition forms will be available at the City Hall, Boyne City, Michigan, from September 5, 1983 to September 26, 1983, 5:00 p.m. for the purpose of placing in nomination the names of candidates for the Office of City Commissioner.

Pursuant to the regulations as set forth in the City Charter, Chapter 4, Section 4.6, nominating petitions for each candidate shall be signed by not less than twenty nor more than forty registered electors of the City of Boyne City.

The terms of office of Martin Paul and Thelma Behling, incumbent Commissioners, will be expiring.

Two City Commissioners, four year terms, will be elected at the November 8, 1983 City General Election.

When a petition is filed by persons other than the person whose name appears thereon as a candidate, it may be accepted only when accompanied by the written consent of the candidate.

Also, no petition shall be determined to be valid unless the affidavit of qualifications provided for in Section 6.1 of the City Charter shall be filed with such petitions.

In addition, upon presentation of said nominating petition, said candidate must file a Campaign Finance Report with the clerk, under State Statute.

All necessary forms needed to meet all statutes of the city and state shall also be available for official filing.

Any further questions pertaining to nominating petitions or the City Election may be answered by contacting the City Clerk's office during regular working hours.

Boyne girls take first B—Ball game

Boyne City Girls' Basketball team for 1983 includes the following student athletes. Front row, left to right, Tracy Prunetz, Keisha Crozier, Tessa Culver, Michelle Guznicak. Back row includes: Kathy Kircher, Kelly Raymond, Tammy Winters, Michelle Newville, coach Russ Harvey, Liz Sturm, Julie Montgomery, Marsha Newmann, and Nadja Clute.

BY PAUL ZINCK
The Boyne City Rambler girls' basketball team opened their season last Tuesday (Sept. 6) with an easy 50-25 victory over Central Lake in the first game of the Central Lake Tournament.

Senior Liz Sturm starred for Boyne in the lopsided victory. Sturm led in both scoring and rebounding while teammate Keisha Crozier played outstandingly on both offense and defense.

Rambler coach Russ Harvey was pleased with his team's play and that "everybody got a chance to play." He added "that's a nice way to open up the season."

Central Lake could only stay close for eight minutes. The first period score was a tight 8-9 with the lady Ramblers on top. But Central Lake had a disastrous second period while the superb play of Sturm paced the

Boyne's five paid off. The 17-2 second quarter margin put the halftime score at 26-10. Boyne held a 46-14 lead after three periods before the hosts finally scored some points, outscoring the Rambler girls 11-4 in the last stanza. Sturm paced the Ramblers with 14 points while Crozier sunk 10. The Rambler girls shot 22 free throws but made just eight. However their 21 field goals proved to be more than enough for a solid victory. Central Lake hit 10 shots from the field and 5 of 18 from the free throw line.

1-2 Punch wins for Boyne

BY PAUL ZINCK
The one-two punch of Mike Hulett and Steve Parsons paced the Boyne City Cross Country team to a tie with the Mancelona Harriers last week. Hulett and Parsons finished first and second respectively

in the duel meet held in Mancelona. Hulett finished with a strong time of 16:41 while Parsons followed with a time of 17:46. Boyne's other finishers were freshman runner Geoff Bohne with a three mile clocking of

18:55 and fifth place. Hal Leach in ninth, Bob Hunt in eleventh place, Rich Joyce finished in 11th place, Rich Joyce finished 12th and Jeff Johnson in the 13th position.

Boyne's other finishers were freshman runner Geoff Bohne with a 3-mile clocking of 18:55 and 5th place, Hal Leach in 9th, Bob Hunt in 11th place, Rich Joyce finished 12th and Jeff Johnson in the 13th position.

In a field of just eleven girls, Boyne's Katie Vickers took 4th place with a time of 24:55.

Commission Minutes

TEMPORARY CUSTODIAL HELP

Moved by Commissioner Sutliff that the Building & Grounds Liaison Commissioner be authorized to approve hiring of temporary custodial help at the 1-A hourly rate. There being no objections the Clerk was instructed to cast a unanimous ballot. Motion carried.

REGISTER OF DEEDS

The Chairman informed the Board that legal counsel of a banking concern asked for a meeting with him regarding an on-going problem with a backlog of work in the Register of Deeds office. Title companies are also denied access to records in the office. The legal counsel referred to statutes which set forth the availability of these records for research purposes. Moved by Commissioner Harmon that Commissioners Matthew and Moerland meet with the Register of Deeds in an effort to alleviate this problem. ROLL CALL VOTE: Yeas, 6. Nays, none. Motion carried.

Moved by Commissioner Matthew that the meeting be adjourned. All present in favor.

Next meeting, Wednesday, August 27, 1983 at 7:00 PM.

JANE E. BRANNON, COUNTY CLERK

I. LEE MOERLAND, CHAIRMAN

New programs at EJ-BC Com. Ed.

The new enrichment programs director for the East Jordan-Boyer City community education has brought together a new fall list of courses. Ann Johnston gave a large sample of what is starting up the week of September 19.

In East Jordan: 1. Small Farming with Cooperative Extension Services director Rod Cortright. 2. Dealing with Stress. "This is not a yoga class," Johnston explained. It is looking at life patterns, and recognizing and dealing with those causing stress. 3. Color Printing from Slides, Simplified with Jerry Aydlott. 4. Glass Painting — creating your own hanging decorations — with Franny Bluhm. 5. Basket Weaving with Cheri Leach. 6. Wheat Weaving with Leach, taking home a project each time. 7. French or German lessons at your level with Elizabeth Dodge. 8. Holiday Crafts from natural materials, Cheri Leach. 9. Air and Flight with Mel Renaud with flight-related projects. 10. Piano lessons for children.

In Boyne City: An intense physical fitness program for men in good shape. A kids' cooking class with D. Evans, also crafts for kids with Evans. Bread-making with D. Bowman. And pine cone art with S. Douglas.

For more information, call Boyne City Community Education.

Public Notice

NOTICE OF SALE
Default having been made in the condition of a certain mortgage made the 26th day of August, 1981, by Ronald Pleszko and Joan S. Pleszko, husband and wife, as Mortgagor, to Northwestern Savings and Loan Association, as Mortgagee, and recorded on September 2, 1981, in the office of the Register of Deeds for Charlevoix County, Michigan, in Liber 163, Page 650; on which mortgage there is claimed to be due and unpaid at the date of this Notice Forty-five thousand two hundred nineteen and 50/100 (\$45,219.50) dollars no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default.

NOTICE IS HEREBY GIVEN that on September 22, 1983 at 2:00 o'clock in the afternoon at the Courthouse in the City of Charlevoix, that being the place for holding the Circuit Court for the County of Charlevoix, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of Seventy-five (\$75.00) Dollars provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described as follows, to wit:

Township of Hayes, County of Charlevoix, State of Michigan, Lot Twenty-three (23) of Bay Shore West, as recorded in Liber 2 of Plats, page 264, Charlevoix County records.

Subject to restrictions, easements, and oil and gas lease of record.

The redemption period shall be six (6) months from the date of sale.

Dated: August 2, 1983
M&I MARSHALL & ILSLEY BANK, as Trustee, Mortgagee (assignee of Northwestern Savings and Loan Association by Assignments recorded at Liber 164, page 490 and Liber 164, page 492, Charlevoix County Records.)

Boyne ends losing streak - - Beats Harbor 12-0

BY PAUL ZINCK

The Boyne City Ramblers got a long awaited victory last Friday night as they opened the new season with a 12-0 triumph over the Harbor Springs Rams. After a disappointing record of no wins and nine losses a year ago, the young Boyne team finally had a victory celebration.

The Ramblers opened the game by returning the opening kickoff to their own 44 yard line. They put together a solid opening drive as they took the ball as far as the Rams' ten yard line before a fumble killed the drive. That was a close as the Ramblers came until the third quarter action.

The Rams, meanwhile, failed to get any closer than the Boyne 33 in a turnover filled first half. The hometown team was stopped, though, and had to punt the ball away.

Boyne took the second half kickoff and continued to hold on to the ball and keep the hosts from putting a substantial drive. After returning the ball to their own 35 yard line, the Ramblers took the ball as far as the Harbor Springs six. Boyne had a second down and six yards to goal when Boyne fumbled and Harbor recovered. The Rams couldn't hold on to the ball either, however, and the Ramblers got it back on a fumble recovery of their own the next play.

Rambler halfback Rob Musser broke through for a touchdown with 6:08 left in the third quarter. The team failed to convert the two-point try, leaving the score at 6-0.

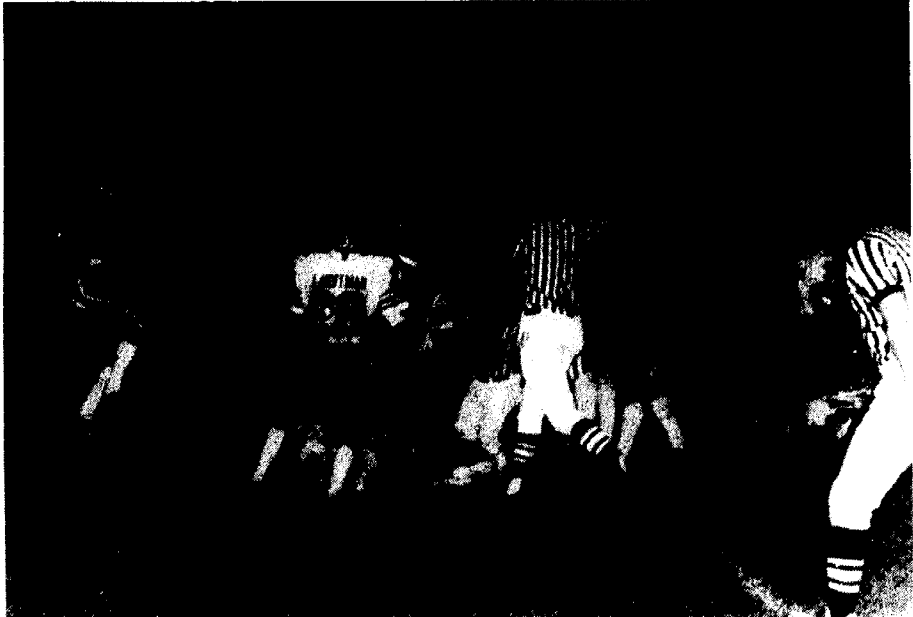

Less than one minute later another Ram fumble gave the visiting Ramblers the ball and the opportunity to start a potential scoring drive. Boyne recovered the ball on their own 45 yard line. It didn't take long for senior running backs Stacy Reinhardt and Kimo Kuheana to march the Ramblers downfield and eventually score. With just 21 seconds left in the third period, Kuheana sprinted across the goal line for the Ramblers' second and final score of the game. Once again the conversion attempt fell short, leaving the score at 12-0.

Reinhardt, who led the Ramblers with 72 total yards rushing on 12 carries, was forced to leave the game in the third period. Boyne coach Bob McCullough said that his knee has hyperextended and that he was not sure whether or not Reinhardt would be ready for the game this Friday night, but they don't think he will miss more than a couple of games at the most.

Also for the Ramblers, Kuheana totaled 50 yards on 13 rushes. Marc Mental ran 45 yards in seven tries, and Musser racked up 40 yards on eight runs.

McCullough credited the line for doing a good job, noting that they were both larger and more experienced than the Rams' defense.

This Friday the Ramblers will travel to Gaylord to try to make it two straight.

Jumping for joy as the Boyne City Ramblers made their first touchdown of the new season as the players expressing their thrill after Rob Musser broke through the line to score. Boyne went on to win the game, 12-0 over the Harbor Springs Rams.

Boyne JVs make 1st game mistakes, lose to Harbor

BY PAUL ZINCK

The Boyne City JV's bit a six point bullet losing their season opener last Thursday to the Harbor Springs Rams 18-12.

Boyne's team, consisting of seven sophomores and 19 freshmen, went into the game hoping to gain some experience and to not make mistakes. Boyne Coach Dave Bricker said that "this was the hardest game of our whole season. We made freshmen mistakes but we learned a lot."

Some Boyne JV's were upset with the loss but Dave Bricker said "It was a game, not a war. We played our hearts out." He then added, "We played well the first half but they simply played better in the second half."

The Ramblers took an early 6-0 lead on their second offensive play of the game. Mark Williams received a lateral from quarterback Pat Weeks and broke away for a 57 yard touchdown run. The two point conversion attempt was no good. There was 8:44 left in the first 12 minute quarter.

Just 1:44 later, a Boyne interception set up a 57 yard scoring drive. Pat Weeks threw a 32 yard pass to Kevin Snyder before the two hooked up for an 11 yard touchdown pass. The score came with 4:18 left in the first period. The conversion attempt once again failed to leave the score at 12-0.

That was how the score remained until there were just 55 seconds left in the third period when Harbor Springs Brent Juilleret intercepted another

Boyne pass on the Rambler's five yard line and easily carried it in for the first Ram touchdown. Harbor Springs also failed to convert for the two points.

After switching possession many times in the final quarter, Harbor Springs quarterback Doug Dickinson carried the ball across with 2:05 left in the game. Once again the two point try fell short to leave the score tied at 12-12.

Boyne took the kick off out to their own 41 but another interception, this time by Jim Clancy with 1:17 left gave Harbor Springs the ball on the Boyne

City 11 yard line. Two plays later, Juilleret had a one yard touchdown run with 32 seconds left. Juilleret's carry left the score at 18-12.

The Ramblers returned the kickoff to the Harbor Springs 43 yard line. However with 13 seconds remaining another interception sealed the door to the Rams' victory.

A happy Ram's coach Jim Wright waid of the Ramblers, "I love to play here in Boyne. The coaches and players are just fantastic. The fans are always enthused and everybody here shows such great sportsmanship."

No match. East Jordan 57, Elk Rapids, 0

BY MICHAEL BURR

It hasn't been since the glory years of 1978, 79 and 80 that the East Jordan football team and fans had so much to yell and cheer about. After two long and hard losing seasons, there's joy in Swan City once again. In an overpowering display of offense and defense the Red Devils almost ran at will.

The evening saw over 500 yards of offense, with Barry Mumich 10 carries for 138 yards, Aaron Spence 13 carries for 137 yards, Mike Graham 9 carries for 72 yards, Darryl Spence 8 carries for 65 yards and

Chris Anderson 4 carries for 55 yards. Freshman Ted Snowden had 107 yards on four punt returns. The Devils just completely dominated the game from start to finish.

The evening wasn't a total success though, senior running back Mike Graham was carried off the field with a sprained ankle and is a doubtful starter for Friday night against the powerful Raiders of Charlevoix. Also on Sunday afternoon senior quarterback Joe Buick was rushed to the hospital with a possible ruptured appendix and was operated on and

possibly lost for as much as 6 weeks.

This week the Red Devils are making the necessary offensive and defensive adjustments, to cope with the powerful Raiders of Charlevoix, hoping to pull the upset of the year. According to East Jordan's coaching staff, the Devils will be ready,

and anxious to meet the Raiders, who have for years beat them in almost every sport they have played each other.

For coach Joe Etienne having a winning team is right where he left off a few years back when he left the Saginaw Valley area. Game time is 7:30 in Charlevoix.

In service

Airman William J. Lindsay Jr., son of William J. and Norma Lindsay of Boyne City, has been assigned to Lowry Air Force Base, Colo. after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the munitions and weapons maintenance field.

He is a 1983 graduate of Boyne City High School.

Airman Diane K. Sheridan, daughter of Thomas L. and Leslie R.A. Sheridan of 613 S. Lake St., East Jordan, MI, will remain at Lackland Air Force Base, Texas, after completing Air Force basic training.

The airman will now receive specialized training in the voice processing field.

She is a 1981 graduate of East Jordan High School.

Tony Napont reaches to bring the ball closer to his body with this catch during the Boyne-Harbor game.

In service

Airman Christopher L. Pinney, son of Howard C. and Jacquelin K. Pinney of East Jordan has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.
