Sex-ed curriculum to be on board agenda

The question of sex education in Boyne City schools will come to a vote by the school board at its next meeting, Monday, Feb. 13.

If the board approves the proposed curriculum, a public meeting will take place February 22 to allow parents and other concerned adults to look through the textbook and teaching outlines planned for sixth and seventh grade classes. Three films, which will be presented to the students, will also be shown. This meeting is scheduled for 7 p.m. in the media room at the middle school.

"Children certainly deserve an honest answer," said Thelma Behling, "not just what they catch in the locker room." Behling is chairwoman of the Human Growth and Development Committee, which has studied what should go into Boyne school programs regarding sex education.

In 1977 the state legislature passed Public Act 226, making sex education

legal, but not requiring it. The purpose was to permit schools and communities to study their needs and design their own solutions.

The committee, which has changed somewhat in membership during its 3 1/2 years of labor, is a cross-section of the points of view involved, and its decision is, yes, the children deserve an honest answer.

First, the committee checked out the need. Teachers, students, doctor, pastor, and Behling, herself, as school nurse verified that the young people are largely lacking in protective information, and are contrarily, often filled with misinformation.

Parents are frequently reluctant to talk to their own children about such matters, and children reluctant to question them, committee members said at a meeting on Monday, Feb. 6, called to answer questions from the media.

Following its investigation, the committee began acquiring data on

programs in other schools. Behling explained they went slow, not wanting "snap judgments."

She said, for example, Traverse City began their program in the high school, and believes now it would have been better to start with younger students.

Moving from the advisory stage to a planning stage, the committee next developed a list of 10 concepts "that people need to get through life." Briefly these concerned finding self worth, learning to manage emotions, decision-making, ability to communicate, appreciating family, interaction, role identification, understanding death, personal hygiene, and human physiology.

Members read through sample textbooks in search of material relating to the 10 concepts. Meantime the list of concepts was applied in school, one item at a time as it fitted into other kinds of class work.

Eventually the committee, meeting

bi-weekly at seven in the morning as the only available time, evolved a curriculum and picked a slim textbook.

"We want this to be presented in a certain kind of situation," said principal Jack Cyr. "—a learning situation, not something for shock value."

The actual instruction time would take only four to six class periods. For sixth grade, the unit covers the physical growth changes at puberty, necessary hygiene, nutritional needs, family roles, changes in feelings and how to cope with these feelings.

The committee believes it may be appropriate to present the unit to fifth grade girls, as well, in the next year or so, if the program is approved.

The seventh grade unit is more detailed, with names of organs and the reproductive system briefly reviewed. The introduction states, "It will be approached in a scientific manner..."

The classes would be co-education-

al except during the showing of the films, and for a final class devoted to questions, oral or anonymously submitted, by the students, and answered with the assistance of a nurse or doctor attending the class.

The board has had two months to review the proposed curriculum and will have also reviewed the textbook by the time of the board meeting.

The textbooks will be confined to the classroom to prevent their falling into the hands of unprepared little brothers or sisters, but parents are welcome to read through them at the February 22 meeting, if the board votes for the program.

The units would be taught as part of the on-going health class in sixth grade and the life science class in seventh grade.

Parents not wanting their children to attend class during the unit would be able to sign and return the letter printed by the state for this purpose

and sent to parents. Little or no attention would result if a child misses the few classes while being assigned other work to do, said Cyr.

He emphasized that instruction would not wander from the unit design. Abortion and birth control are not included at this level, and certainly grisly tales would not be acceptable.

Committee members are, besides Cyr and Behling, Dick Lauterbach, teacher; Dick Wulff, board member; Joan Zucchiatti, Judy Medic, and Steph Moody, parents; Dr. John Karosak; Rev. Milton Walls, and students Liz Sturm and Marsha Newman.

The present view of this committee is that the program should be extended to a ninth grade unit. Further material, such as venereal disease, would then appear only as it is already included in such high school courses as Child Development.

V.O.A. appeals decision

Karl Waldner and members of the Organized Voters of America have added another log to the fire with a request filed this week for a rehearing of the case that was turned down to lower the taxes in Charlevoix County.

The motion was filed by the group on Monday. If the court addresses

themselves to the case it would be heard in an appellate court sometime in the future.

If the higher court does not hear the case, Waldner suggested that it may go to the state supreme court for a final hearing.

Waldner's group lost the case they filed back in April, 1983 which asked

that the authorized millage being collected by the county be lowered and that a portion go to libraries in the county.

The case was heard by Judge John Unger from Bellaire, after the county's judge, Martin Breighner, disqualified himself as the original suit asked.

Boyne to finance runway

Boyne City commissioners approved taking a loan from Michigan Aeronautics Commission on Tuesday to finance extension of an east-west runway at the city airport. The \$16,000 loan is part of a package that also includes an outright grant of \$22,000 for the 800 feet of runway work.

City manager Randy Fryberg said the low interest loan would be for five years, and would be the city's part of a 50-50 grant, with the remaining \$6,000 cash being sought by the city's Airport Advisory Board from private sources.

Fryberg said the 800 feet extension was recommended as a safety

measure. It will also permit landing and take-off for twin engines and turbo-props, favored for business use.

With costs as yet undetermined, Fryberg said he nevertheless had a commitment from MAS to pay the entire engineering cost, included in the grant money, unless the city were to withdraw entirely.

East Jordan's snow festival really a blast

The East Jordan Snowmobile Club was filled with young people, bent over to change from boots to cross-country ski shoes. Chamber of Commerce director Judy Shea was passing out the list of objects to be retrieved in the 2 1/2-mile ski hunt.

Snowblast 1984 was about to begin. "This is for fun, everybody, not for speed," said Shea, reminding them that being the fastest might mean passing up some of the items dropped ahead of time for them along the route.

The list included pop cans, clothespins, and bird feathers.

It was bird feathers, on which there was no limit, that did it for five-year-old Charissa Gulotta. As she was coming in, at the end of the trail, a grouse flew by, hit a tree, and dropped dead. Charissa now had hun-

dreds of feathers! Besides collecting the most points, she also won the prize for being the youngest, and went home with \$20.

Kathy Carson won second prize; Julie Burnett took third; Francis Sherk, fourth; and Micki Weidler fifth.

Ski prizes were donated by the Chamber of Commerce.

Over in town, East Jordan's party spirit continued with "the snow-lovers' parade." But snow sculpturing was off this year. "We tried everything," said one sculptor, "but the snow just wasn't right." The fifth graders, however, simply carved their huge, green dragon right out of the snowbank by the sidewalk, and won first place. Second went to Ricky Gotts and Tim and Bridgett Shea for "Ollie Otters and the Jugband" at

Ben Franklin's parking lot. Seventh grade made a sphinx and took third place. Prizes were donated by the East Jordan Garden Club. Mr. and Mrs. John Smith were judges.

At noon, snowmobilers tested their machines in radar-timed runs. Crouched low, they streaked across the ice, one at a time, along the lake front, trying to avoid a few wet spots caused by the two-day rise in temperatures.

Out of 63 entries, winners were: Mike McKenzie, 65 m.p.h., with a first prize of \$20 from Jordan Valley Service, and a \$20 gift certificate from Black's Upholstering; and Don Ziegler, 60 m.p.h., with a second prize of \$20 from Galmore's. McKenzie drove a Yamaha, Ziegler, a Polaris.

The 24 entries for the LeMans race were divided into four age classes. In

the under-18 class, Steve Bartig won \$40 worth of merchandise from Four Seasons and Taylor's IGA. Jamie Vincent won a \$20 gift certificate from Gemini Lanes. In the 18-40 class, Dennis Erikson came out with a \$40 certificate from Jordan Auto Parts and Jerry's Pizza. Bill Merwin's second place won him \$20 of dinner at Round Table Restaurant.

Mike Jackson won first in the 41-60 class with a \$40 certificate from Dairy Corner and Jordan Valley Realty. Mike Bos was second with a \$20 certificate from Jordan Valley Greenhouse.

First prize in the over-60 class went to Don Ziegler, who won a \$40 certificate from the Trading Post and Vincent's Yamaha. Bill Bennett's second place \$20 prize was from J.D.'s Hardware.

The over-all prize of \$20 from Yesterday's Treasures was Mike Jackson's.

All prizes were donated by East Jordan merchants and Jordan Valley Trailblazers.

Shea said about 50 machines were in the snowmobile poker run on Sunday. For this, drivers had to stop for cards dropped in cans along the way to choose those that would make the best poker hand. Eight-year-old Adam Bartlett took third place as well as the "youngest" prize.

Oldest was 74-year-old J.D. Graham. Coming in with the best hand was John Stark, and Scott Bartig was second. The \$20 certificate for first was donated by Bob and Jean's; the \$15 second prize by Huckle's Camera. The third place \$10 certificate was from Fox's Rainbow of

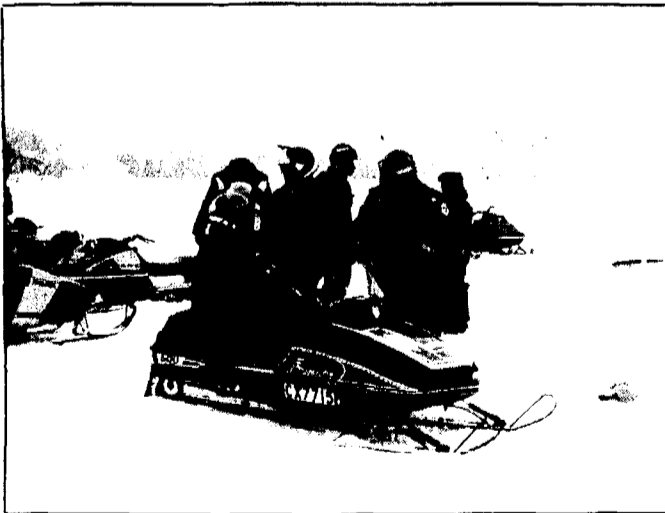

Values. Hite's Drugs and Zupin Oil certified the prizes for the oldest and youngest.

Six teams participated in the annual tug-of-war with the Lions Club coming in first and Dairy Corner Restaurant, second. The pull-off was staged at the Tourist Park. Also at the Tourist Park pavillion hot food was available with a bean pot, sloppy joes, and chili sending out their warm message.

Cocoa and cookies were available earlier at the Snowmobile Club. Also rental skis by Summit Sport of Gaylord.

Saturday ended with ice skating at the rink and a Las Vegas party at the Rainbow Bar. Winning a trip to the real Las Vegas was Jerry and Nancy Olson. The prize, donated by the Lions Club.

A Valentine Dessert

One of the writers for our local paper states that he is amazed at how many people, especially the merchants in our town, fail to realize the importance of Ground Hog Day which tells us if we are going to have six more weeks of "what's going on outdoors" or not. Instead they go all out for the "kisssey, kissey mush" of Valentine's Day.

I am sure that secretly we all welcome expressions of love in our lives, and Valentine's Day is the time for it, especially if we feel that those expressions are sincere. And who could doubt the sincerity of it if you make it in the form of this special dessert.

My grand-daughter, Diana, sent me this recipe at Christmas time. It is very impressive, beautiful to look at, and, as she says, "sinfully delicious" I made it and passed it around to my family and some friends who all wanted the recipe. They agreed that it is a real Valentine.

Diana's Strawberry Pretzel Dessert
1/4 cup margarine, melted
3 tablespoons sugar

2 1/2 cups crushed pretzels, not too fine

1 8 oz. pkg. cream cheese, softened
1 cup powdered sugar
1 small container whipped topping
1 large pkg. strawberry jello
2 cups boiling water
1 10 oz. or 1 16 oz. frozen strawberries, sweetened

Combine margarine, sugar and pretzels and mix well. Pat into a 9 x 13 pan. Bake at 350 for 10 minutes. Cool.

Dissolve jello in boiling water. While still hot add the strawberries and cool until mixture begins to set.

In the meantime combine cheese with sugar and fold in whipped topping. Spread this over the cooled crust.

When jello begins to thicken, which will be very soon if you pour the still frozen ones in the hot gelatin, pour over the cream cheese mixture and chill until firm.

This dessert is pretty just cut into squares, however, you could put a dab of whipped topping on top with a few red candy hearts just for fun.

Mrs. Ellis Peters of Boyne Falls celebrated her 79th birthday on Monday, February 6.

Last weekend the Boyne City Drama Club took a trip to Toronto, Canada with proceeds earned from the ticket sales of their Christmas program and candy bar sales. Chaperones were Bob and Jackie Wollenberg and Jim and Joan Bogetto. The group took a bus driven by Pat and Louie Upton to Flint and rode a train to Toronto, arriving on Thursday night. They attended the Broadway show "Pump Boys and the Dinettes", a country western. They also toured the China Town area and attended the matinee "Amedus" a story of Mozart's life. They enjoyed a dinner at a Japanese Steak House and saw the Planetarium Laser Show and returned home Sunday. The drama club students are preparing for their play, "Westside Story" in April.

Dora Wicker returned to the SRC unit at Grandvue from the Charlevoix Area Hospital last week.

Jamie Shepherd was honored at his home with a family party on Wednesday celebrating his 11th birthday. Happy birthday, Jamie.

The RLDS "Over 45" group will meet on Friday, Feb. 10 at 6 p.m. at the home of Ann Jenkins, Lot 47 in Lakeview Village for a Valentine Party and chow mein dinner.

Joseph LaBrecque of Minot, North Dakota spent a week here visiting his mother Mrs. Mildred LaBrecque. Also home were Leroy and Sandy Ecker of Bellville, Ill. to attend the funeral of Robert Seamon Jr.

Sandy Kadrovach and Jean Kor-thase hosted a baby shower last Thursday at Jean's home, honoring Betty (Bricker) Brewer with about 35 ladies enjoying games and refreshments. Betty received many lovely gifts.

On Tuesday night the planning committee of the Blue and Gold Banquet for the Cub Scouts met at the library. The Banquet is being planned for February 21 at 6:15 p.m. at the elementary school cafeteria.

On Tuesday a group of senior citizens met at Litzbenburger Place for their "Kitchen Band" practice and a

chorus group was organized under the direction of Sherry Black, who also has a band and chorus group organized at the East Jordan Center. All seemed to enjoy the peppy tunes. All seniors are welcome to attend at 1:30 p.m. on Tuesdays at Litzbenburger Place. Winners of Thursdays bingo games at the Boyne City Senior Center were regulars, Minnie Martin, Ione Ploughman, Evelyn Stebbins and Dorothy Nowland. Specials were won by Irene Sayles, Elmer Crandell, Ethel Yenson and Manning Sayles. The cover all went to Jenny Jodway. The games were called by Phyllis Tison. Recently a guest speaker at the center was Barb Terry of the CHIPS Counseling Center presenting a program on interrelations of medicine and the proper use of medicine. Also speaking was Bob Winhusen of Bob's Pharmacy, telling about over-the-counter and prescription drugs. A question and answer period followed, with each senior receiving a record book to help them and their doctor to keep a better record of their medications.

On Thursday morning several volunteers from the Free Methodist Church and the Trinity Pentecostal Church met at the Trinity to help stamp, fold and stuff and address envelopes for the Christian Conciliation Service mailing list.

Ramona McGeorge hosted a family dinner party on Sunday afternoon with John and Carol McGeorge and family, Pauline and Lois Laisure and Gene and Ruth Hayden attending. The occasion was to celebrate the 33rd wedding anniversary of her brother John and his wife Carol, and the birthday of her sister Ruth.

The Child Study Club will be marching in the Mothers' March of Dimes in the Ward 3 on February 15. The group held their January meeting at the home of Marilyn Cristell with a presentation on Poison Control.

On Saturday night a group of 23 attended the discussion night held at the Free Methodist Fellowship Hall. The topic was "Creation" led by Vellin Thompson. Their next session in

March will be a continuation.

On Sunday afternoon Don and Dava Maat hosted a family birthday party for their daughter Devon's first birthday. Guests were Cindy Gapsinski and daughter Heidi of Elmira, grandparents, the Dave Willsons and the Gene Maats, great grandmother Mrs. Joy Brooks, and Rick Maat. Devon has a four year old brother, Dustin.

Mr. and Mrs. Paul Strodeck of Walkerville were here for the week-end visiting the Rev. Wayne and Arlene Bullock.

Meta Zinck spent a long weekend in Grand Rapids visiting her daughter Brenda and Bob Sagorski and family.

The United Methodist Church will be having a family supper and Game and Fun night at 6 p.m. on February 14. The main dish and dessert will be provided. Bring a salad or vegetable and your own place setting and join the fun.

The RLDS Church evening women's group met at the home of Mrs. Mildred LaBrecque on Thursday night. Lenore Landon gave the lesson entitled "Being a Peculiar People". Devotions were given by Margaret Behling. A business meeting followed with refreshments served by Dorothy Peters.

The Boyne Valley TOPS Club met on Wednesday at the Litzbenburger Place Community Room with 22 present for the evening group who weigh in at 6:30 p.m. About 13 attended the day class with weigh in at 1 p.m. to 1:30. On Wednesday, February 8, the evening group will have guest speaker Elaine Grant, coordinator, from Traverse City with more information on the TOPS program.

On Saturday Paygie Willson gave a party for her piano students and their

parents with 36 attending. Each student from grades 1 through 8 played a solo, followed by Diane Hauser entertaining the group with her guitar and accordion. Punch and cookies were served.

On Sunday afternoon Betty Spencer was surprised by many friends with an open house at her new home on First Street.

Virginia Hegerberg returned to her home this week from spending the past couple of months visiting her daughter Pam and the Rev. Richard Schmidt and boys in St. Louis, Missouri and her son Thad in Hawaii.

John McLane of NMU in Traverse City was here over the weekend visiting his brother Ross and family, and to do some cross country skiing.

The Junior Girl Scouts and Cadets turned in 2496 cookie orders for Girl Scout cookies. This is down from last year due to a lot of illness among the girls.

Mr. and Mrs. Steve DeLaney and children Heather and Heidi of Big Rapids spent the weekend here with her parents the Kise Mackowiaks.

Last weekend the Robert Mackowiaks and son Chad of Charlevoix were over for the weekend.

A good turnout enjoyed the Middle School dance on Friday night at the school cafeteria.

The Christ Lutheran Church held a family cross country skiing get together on Sunday afternoon at State Park, winding up at Rob and Nan Polleys for chili and refreshments.

On Saturday night about thirty of the young adults and hi teens of the Trinity Pentecostal Church enjoyed inner tube sliding in Charlevoix, and pizza, too.

Classes for diabetics at EJ

The East Jordan Family Health Center is sponsoring a comprehensive diabetic patient education class this month. The classes are scheduled to meet on February 14, 16, 21 and 23 from 7 to 8:30 p.m. in the Community Education room of the clinic's lower level.

These classes will cover all aspects of diabetic care, treatment, and management of this

complex disease. Two sessions will be devoted entirely to the diabetic diet and meal planning. Instructors for the course include Dr. Thomas McKeon, specialist in internal medicine, Michelle Bonnevill, Registered Nurse, and Diane Moore, Registered Dietician.

All area diabetics and their spouses, family members and friends

are welcome to attend. The classes are offered free of charge as a community service and made possible through a grant award from the Michigan Department of Public Health. Anyone interested in attending is asked to call the clinic's health educator and program coordinator, Debra Rozek at 536-2249 for further details.

Jottings

BY JIM SILBAR

Boy, do I want a snowmobile. I want one for reasons that most folks may think of as strange, though.

I have a lot of work that I could do with one.

I have always wanted to ride some of the trails that abound in the area. You know, to get that first hand experience so that I could write a story about them.

I could find out if the East Jordan Snowmobile Club is really grooming the trail, I could find out if the East Jordan Trailblazers are doing the job that they keep telling me about.

But, after last weekend, I would also be able to partake in a lot of the activities the Trailblazers set up on the ice, for those sled owners who like to think that they have either the fastest, or the neatest.

I even tried to talk Grant Hawkins out of his racing sled just so that I could go over to East Jordan and have some fun going through the ruder run.

You see, I just don't want a machine that I can throw the kids on and go for a ride...nooooo, I want a machine just so I could go out there and smoke 'em.

I want to have the privilege to hold the bragging rights.

I want to be able to tell all my friends and acquaintances that my machine is the "baddest" machine in the area.

Of course, the machine that I would get, would come with a full-time

mechanic who is well versed into such things as, changing a belt when it is 30 below and my machine is stuck out in the middle of the Bonneville Salt Flats. This mechanic would have to travel with me, on a sled that he owns, so that he could do the work. I think I would only know how to drive and enjoy, not do all the rest of the stuff that I see some of the drivers do, like, open the hood and check out the working parts.

Yes, I want a machine that I could enjoy, without the grease, the repairs from when I try to wrap it around a tree, or any of the many things that snowmobilers do when they make a midnight run.

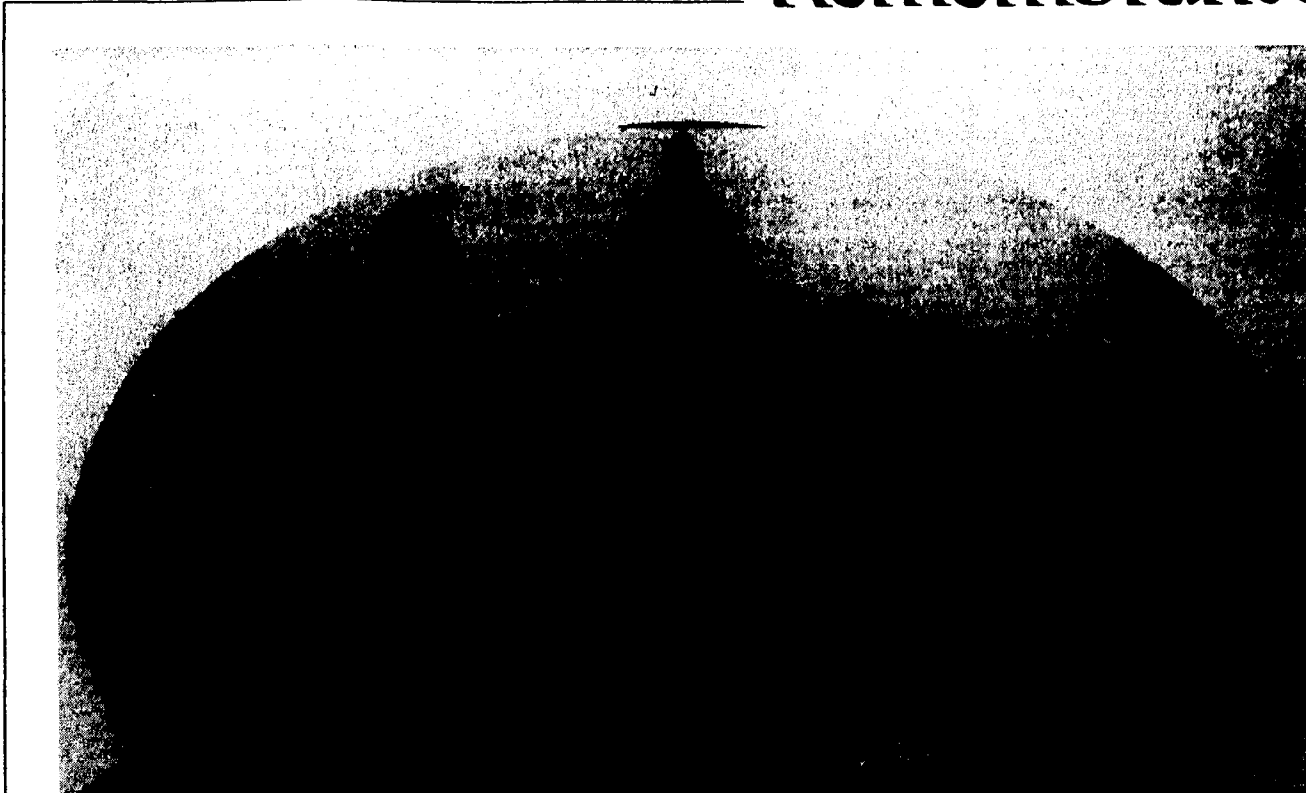

I want to "smoke 'em."

If you stop and think for a minute, we haven't had any real snowfall so far this month. Oh sure, a couple of inches total in the last few days, but it seems that the major storms have just gone right around us. Petoskey got hit, Manistota was belted, Gaylord was bombarded, but Boyne is beholden to that storm god who went right around us.

So far this year we have had just over a 100 inches of the white stuff fall on our homes and ground, for all you folks in Florida who want to keep up with how lucky you may feel missing it.

Oh yes, we should look at the date, Feb. 8th right. Only been a week since the month started, eyuh.

Remembrances

Although Boyne City has a new and modern high school today, this was going to be the best and most modern, back in the early 1900's. The school named "Central School" is shown on this postcard from way back when in the later state of completion. The windows still remained to be installed along with the removal of the scaffolding that the builders used to construct the tower for the school bell. The school was completed by 1910. The school is located on the grounds of the present Middle School. If you have any old pictures that you would like to share with our readers, bring them into the office so that we can make a copy of them.

Our scene opens with me standing, hands on hips, looking out the back window. Last Thursday morning a groundhog came out of that woodpile, looked around and darted back in. The sun was shining just enough and because he had seen his shadow, we are in for it.

All hope for a warm, early spring has been shot; and I fear the repeat of the year when winter lingered on the lap of spring until the Fourth of July. I also fear the weather will be such that there will be nothing much for a

young person's fancy to turn to. I remember one wonderful spring when a friend fell in love, which was the hardest work he had ever done. I think it was because he was an only child accustomed to being petted, lied to and the staying in bed of a morning. (He was bald headed, but I do not think that had much to do with his main problem.)

My friend promised his dying grandmother that if she would agree to his marriage in this wonderful spring weather he would shake the reputation of a lazy bum. Fortunately she recovered and he did not have to keep his promise.

I would rather have warm spring

weather so things like that can happen than be forced to drag myself through three feet of snow, hail and chilling wind that sounds like the Boyne River belching its way into Lake Charlevoix.

So damn the groundhog. Not only did he see his shadow, but this happens to be Leap Year—a time when giggling girls are supposed to race in full cry after wide eyed boys. But sounds! The weather has not been fit.

If I were a teen-age swain, I believe I would turn the tables. Chase the girls even if I had to whip up a flirtation in a blinding snowstorm. In fact, I did just that back when cars were put up on blocks and walking

was the order of a winter day. The first sweet young thing I met was quite willing to be won, mainly because she was a single parent with three kids living off welfare. As an unsuccessful wooer of girls I was what the boys referred to as a stupid cupid.

Now that's enough. I ain't going to say another word. If you were telling it, you wouldn't have shaken nearly this much laundry in public.

Me: Did you know that Ronald Reagan will be campaigning for the presidency this summer?

He: Yes, I heard that. But I've been wondering what he will be doing in the meantime.

"Because of our policy, we need to know if your wife works, Mr. DeMark." The personnel manager looked expectantly at DeMark, who, it turned out, did not know about the policy.

"We supply nursery facilities. Fathers in our company are involved with child care," the manager said, gesturing to a carved wood sign on the wall: "Human beings are our first business."

DeMark had admired the sign, of course, when he came in, but the connection to nurseries escaped him. He could only imagine that nursery business must be one more cell in multi-corporate profit-making.

Close! The manager explained. "Part of your job is spent on the 'child shift.' Since you would be coming on as a junior executive, your shift would be from 9 to 11 a.m."

DeMark was staggered. "I don't understand, I'm afraid," he finally managed, hoping that was true.

But it wasn't. He did understand. They wanted him to be with his child for two hours every working day.

He looked narrowly at the manager, who happened to be a woman. "What about female executives—do they take shifts?"

"Oh, yes," she said, suppressing a smile, and went on to explain that the nursery included small, sectioned-off areas where parent and child could be more by themselves.

"But two hours? What to they do for two hours?"

"One hour is taken in acting as an aide to the nursery director."

DeMark could not picture it at all. "Mr. DeMark," said the manager, "we are actually taking advantage of studies made back in 1985, when

ambition, empathy, geniality, and imagination were significantly increased in employees that spent one or more hours a day with their children. These qualities have proven to be advantageous to corporate success in increase of productivity and reduction of demand on health services."

DeMark tried to swim up through the haze in his head. The little light in his mind that had said "accountant" so brightly now seemed a pinpoint.

The manager looked at him sympathetically. "Let me introduce you to someone over at child care now," she said.

This imaginary scene may come true. What we lost when fathers and mothers went away from the farm every day to jobs in factories must, it seems, be recaptured. The relationship of parents to children has no

substitute, nor has the training in humaneness that children give to willing parents.

Another scheduling solution could be the ten-hour workday, with parents on alternative shifts of five hours each, not necessarily in the same business. Employees without children could choose either a shorter week at 10 hours a day, or a change from desk work in the first five hours to a second five hours in a more active job—or in more education of course!

But the important two things are children and parents. Both benefit from the deep sense of belonging that comes from days of self-sacrifice, love, and shared standards. They have to grow together. Strange that on our lists of freedoms and self-realizations we so rarely write family-hood.

How can you guarantee that you could replace your home?
No problem.
Auto-Owners Homeowners Policy offers optional *guaranteed home replacement* cost coverage for that quality. It's broader coverage—so you'll never run out of money for covered losses. It may be more economical than your current policy that doesn't include guaranteed home replacement. Just ask your "no problem" Auto-Owners agent to tell you how Homeowners protection can be no problem for you and your home.

Dems to meet at UAW Hall

Campaign representatives of Democratic presidential candidates will be present at a joint Charlevoix and Emmet County meeting in Boyne City on February 15. Campaign headquarters for all eight Democratic Candidates have been contacted. The Mondale, Glenn, Hart, McGovern and Hollings campaigns will have representatives at the meeting and local party committees are

expecting responses from the Jackson, Askew and Cranston campaigns soon. Representatives of each of the presidential candidates will speak briefly and then the audience may address questions to them individually regarding their candidate's position on issues of interest. Campaign literature for each of the eight candidates will be available at the meeting.

Howard Edelson, Michigan Democratic Party Field Representative for the 9th, 10th and 11th Congressional Districts will also be present to explain the 1984 delegate selection procedure. On March 17, Democratic caucuses will be held in Charlevoix and Emmet Counties and in more than 300 locations throughout Michigan. Results of these caucuses will be used to

allocate the Michigan delegates who will be pledged to presidential candidates at the convention. The meeting will be at 8 p.m. on Wednesday, February 15 at the U.A.W. Hall, 112 E. Main Street, Boyne City. Anyone interested is welcome to come.

BF game set

The Annual Father-Daughter basketball game will be held February 11th at 6:30 p.m. in the Boyne Falls gym.

The game, which pits the varsity girls' basketball team against their fathers, and maybe some others, promises to be a real grudge match as last year both teams claimed to be the winner.

It really doesn't matter who won. The money that is made from the ticket sales will be used for worthwhile projects by the sponsors, this year the seniors.

Tickets for the game will be available at the door.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE ELECTORS OF BOYNE CITY PUBLIC SCHOOLS CHARLEVOIX AND ANTRIM COUNTIES, MICHIGAN TO BE HELD FEBRUARY 14, 1984

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Board of Education, pursuant to a directive from the Intermediate School Board of Charlevoix-Emmet Intermediate School District, Michigan, has called a special election to be held in the Boyne City Middle School, on Tuesday, February 14, 1984.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M.

TAKE NOTICE THAT the following proposition will be submitted to the vote of the electors at the special election:

SPECIAL EDUCATION MILLAGE RENEWAL PROPOSITION

Shall the one mill limitation (\$1.00 on each \$1,000.00) on state equalized valuation on the annual property tax previously approved by the electors of Charlevoix-Emmet Intermediate School District, Michigan, for the education of handicapped persons be increased by eight-tenths mill (\$0.80 on each \$1,000.00) on state equalized valuation for a period of 3 years, 1984, 1985 and 1986 (this being a renewal of eight-tenths mill for special education purposes which expired with the 1983 tax levy)?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

This Notice is given by order of the Board of Education.

DELINQUENT TAXES FOR 1981 AND PRIOR YEARS

STATE OF MICHIGAN ANNUAL TAX SALE

In The Circuit Court For The County Of Charlevoix ORDER FOR HEARING No. 83-15409 PZ

In The Matter of the Complaint of the State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the complaint of the State Treasurer of the State of Michigan praying for a judgement in favor of the State of Michigan against each parcel of land therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgement at the office of this court, to be held at Charlevoix, State of Michigan, on the 27th day of February A.D. 1984, at the opening of the Court on that day, and that all persons interested in such lands, or any person desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof, their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgement will be taken and entered as prayed for in said complaint.

And it is further ordered that in pursuance of said judgement the lands described in said complaint for which a judgement of sale to be made with respect to the several taxes, interest and charges thereon as determined by such judgement, on the first Tuesday in May thereafter, beginning at 10 o'clock a.m., and said day on the day or days subsequent thereto may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgement shall be separately sold for the taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be sold and the proceeds of such sale cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if on the second offering during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Martin B. Breighner, Circuit Judge, and the sale of said Circuit Court of Charlevoix County this 10th day of January A.D. 1984.

MARTIN B. BREIGNER Circuit Judge

Counter-signed, JANE E. BRANNON, Clerk

STATE OF MICHIGAN In The Circuit Court For The County Of Charlevoix

In The Matter of the Complaint of the State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

TO THE CIRCUIT COURT FOR THE COUNTY OF CHARLEVOIX ROBERT A. BOWMAN, State Treasurer of the State of Michigan, respectfully shows unto the Court:

1. That he is the State Treasurer of the State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 380 of P.A. 1965, as amended.

2. That Schedule A annexed hereto is the tax record returned by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the date for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent.

3. That extended separately in said schedule against each parcel of land in said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a County Property Tax Administration Fee of four per cent which shall be a minimum of \$2.00, as provided by Section 211.59 of the Michigan Code of Ordinances and (d) \$10.00 for expenses, all in accordance with the provisions of the act first above mentioned.

4. That all of the aforesaid taxes, interest and charges and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcel of land against which the same are assessed, and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the several parcels of land described in said schedule as therein and against which the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays that the within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended; and that within the time provided by law this court make a final judgement in favor of the State of Michigan against each parcel of land in the column headed "aggregate" shall constitute the amounts adjudged against the said several parcels, unless so amended by this court.

And your plaintiff provides that in default of the payment so ordered and said several sums computed and extended against said lands in said schedule, the said several parcels of land, or so much thereof as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides.

And that your plaintiff may have such other and further relief the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc. Dated: January 4, 1984

Well-known real estate broker opens own office

Ellen Cihak, a licensed real estate broker in East Jordan, is starting her own business, Jordan Realty. The new office is at 205 Water Street, across from Four Seasons Marina.
Cihak has almost 23 years of experience in real estate to back her in the enterprise. She said, "I got started as an office worker at Dressel and decided I liked it."
During her years at Dressel, she first earned her sales license and then the broker's license. Now in her own office, she has a staff of four salesmen: Cal Loomis, Rob Michanowicz, Billie Jo Duff, and Bob Carl, all experienced in the area.

ELLEN CIHAK

She said, "I look forward to many things developing in the next few years with the salmon fishing." She also sees increased interest in northern Michigan as a place to work or retire in because of the attractions of woods and lakes.
As a member of the

Trends Committee, she would like to see tourism develop. "But I don't want to see East Jordan become a big place. I really don't think we will."
Cihak praised the townships for their attention to zoning, adding "zoning is necessary to protect property owners," although some areas "may be over-zoned."
Cihak grew up in Belaire. Married to "Spin Cihak ("That's how everyone knows him"), she lives at Hillcrest Drive, and has served the city in various posts, including Chamber of Commerce and city council.

District Health Dept. urges immunization

District Health Dept. #3 is warning parents of the continuing danger of childhood diseases and urging them to make sure that all of their children are fully immunized.
Brian Youngs, M.D., Medical Director is especially concerned at this time because of the recently reported measles (rubeola) cases in Port Huron. Measles is an acute, highly communicable disease characterized by fever, cough, runny nose, red eyes, red spots in the mouth, and a rash. Measles can be a very serious illness complicated by middle ear infections, pneumonia, and

inflammation of the brain. Measles, as well as polio, mumps, rubella, diphtheria, pertussis, and tetanus, may be prevented by properly immunizing children.
The District Health Department recommends a series of immunizations that should be started at 2 months of age for most children. The series should be completed prior to the child's entry into kindergarten. A tetanus and diphtheria booster should be given to adults and children every 10 years.
Immunizations are offered by District Health Dept. #3 at the following locations on the

dates and times indicated:
Charlevoix - County Building Annex, 2nd Monday 1-3 p.m.
Boyer City - Presbyterian Church basement, 2nd Tuesday, 1-3 p.m.
East Jordan - East Jordan Family Health Center, Main Street, 4th Tuesday 9:30-11:30 a.m.

For more information about immunizations contact your physician or any office of District Health Dept. #3. Belaire: 616-533-8670; East Jordan: 616-536-7371; Charlevoix: 616-547-6523; Petoskey: 616-347-6014; Gaylord: 517-732-1794.

Voters to give answer on .8 mill for Char-Em

Voters will be asked to express their wishes at Charlevoix-Emmet Intermediate School District election on Tuesday, February 14. The Char-Em request is for .8 mills for three years, which, if passed, would bring the total Char-Em millage to 1.8 mills. The revenue is used in cooperation with 12 public schools in the 1000-square-mile district to meet state-mandated special education requirements.
Since 1971 the state has required the following services of the 56 intermediate school districts: diagnostic services of a psychologist, social

worker, and consultant in learning disabilities.
Char-Em provides the equipment and training that public schools cannot sponsor because too few pupils would be involved. It sponsors preschool programs to prepare the handicapped; instruction for the homebound, the hospitalized, and the hard of hearing. It provides speech and language therapy and occupational therapy and training to the handicapped.
If the .8 mill is not voted, it will have to be picked up by local schools.

Let us be of good cheer, remembering that the misfortunes hardest to bear are those which never happen.

Boyer City-Florida picnic Feb. 29

The Boyne City-Florida picnic will be held the last Wednesday in February, the 29th. Reservations have been made for our usual picnic spot, Shelter 2 in Phillippe Park, which is located on State Road 590, one mile north of Safety Harbor, Florida. Safety Harbor is several

miles northeast of Clearwater.
Our reservation time is from 10:00, so if you wish to come early, please do so. We will eat, as usual, at 12:30. Pot Luck, as always, so bring a dish to share and your own table service and beverage.

Mothers' March on polio starts Feb. 13

The 1984 Mothers' March for the March of Dimes Birth Defects Foundation will be held in Charlevoix and Emmet Counties starting February 13th to continue efforts to prevent birth defects, the nation's number one child health problem.
"The March of Dimes is in the business of saving babies," said Marion Parker, Executive Director of the Northern Chapter which encompasses Emmet and Charlevoix Counties. "This is urgent work to improve the health of America's next generations. Mothers and families throughout America are

soliciting door-to-door to help raise much needed funds to continue the fight against birth defects."
Mrs. Parker announced the appointment of chairpersons for the area. They are: Petoskey, Margaret Pennell, Carol Cross; Charlevoix, Clara Loomis; East Jordan, Julie Daneff; Harbor Springs, Penny Burns. In Boyne City, Janet Simpson will coordinate Ward #1; Genevieve Sutton, Ward 2, Wendy Stadt and Child Study Club, Ward 3, and Amy Van Hoosier, Ward 4. The Child Study Club will be doing their marching throughout America are

day, February 15th.
Mothers' March contributions make it possible to conduct programs of research, medical services, public and professional education. Local programs include student nurse scholarship at NCMC; Nutritional aide at Char-Em Alternative Education for Teen-agers; Genetics field clinic; films, materials and literature at no charge to those interested in preventing birth defects and in providing the finest care possible for the newborn and unborn.
Anyone interested in becoming a part of March of Dimes may call 547-5877.

Jeff Gabos goes up from under to make this score in the game last Tuesday between the Ramblers and Elk Rapids. Boyne made a good effort even though they ended up losing the non-league match-up 64-56.

Merle Carson led the Rambler scoring with 16 points while Gabos stuffed in 10. The Rambler JV team beat the Elks, 50-33.

Hawkins ends up 25th in I-500

"We didn't run all that bad," said Grant Hawkins Monday, after his team finished 25th in the annual I-500 race, held last weekend at Sault Ste. Marie.

The warm weather could have been a factor, he added, as over 30 snowmobiles finished the race when usually only 15 last the distance.

One factor in the B & B Roofing team's finish was that they ran into some problems. During the race they changed five belts and a clutch

which took up a lot of time that they had planned on being out on the course making up the miles necessary for winning.

But the two-time champion of the race wasn't all that discouraged. He said Monday, while he was recovering from the aches and pains associated with snowmobile racing, that he would probably have to replace his machine if he is going to continue.

The new machines are very much better, according to Hawkins, while his sled is over eight years old and has a lot of racing miles on it.

All those miles though, give Hawkins the record of over 3000 plus miles as a driver in the race. That is more than any other qualifying driver for the race.

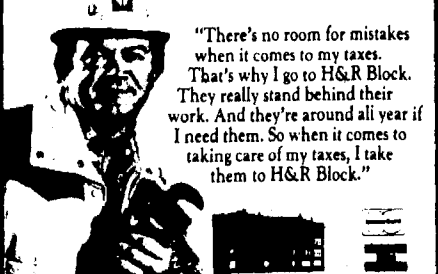

But he didn't make any excuses as to the team's finish, he just said that this year's race was the fastest, tightest finishing race he has been in.

As to next year, Hawkins said that he "retires" every time, but that when the next year comes around, he decides then as to whether or not he will stay retired or enter.

If he does, he says, "We will need a new

machine so that we can keep up with the new ones that are eating up the track."

"I know every bolt and beam. Block knows every deduction and credit."

Boyer loses another close Conference game, 55-53

BY PAUL ZINCK

The Boyer City Ramblers traveled to Grayling last Friday night, looking for their third win in the Michigan-Huron Shores Conference. They came away, however, with another conference loss, in a close 55-53 game.

Boyer took an early lead at 6-4 and held an advantage throughout the first period. A Grayling basket with under 10 seconds to go made the score look close at 15-11.

A Viking surge about midway through the

second quarter gave them a short lead, but the Ramblers came back to take the lead back before the half ended. The halftime score was 27-25, in favor of Boyer's Ramblers.

Grayling struck back in the third stanza and outscored Boyer 19-14 in the quarter. The third period's end left the Vikings on top, 44-41.

Boyer drew close again in the last eight minutes, but untimely fouls and free throws proved to be the Ramblers' demise. Grayling scored 11

fourth quarter points, and seven came on foul shots. Boyer did outscore the Vikings 12-11 in the last period, but ended up on the short end of the score.

Jeff Gabos led Boyer with 16 points for the losing cause.

Grayling was led by Wayne Ross, who had 14 points, and Jim Stewart, who had 12.

Other scoring for the Ramblers was Tony Napont, Jeff Johnson and Mitch Kruzal, each with eight points; Mike Gabos with six; Paul Zinck added four points,

and Merle Carson scored three.

The Ramblers hit on 21 of 58 shots from the field as opposed to 21 of 80 for Grayling. The Vikings, however, hit 13 of 24 free throws, while Boyer made 11 of 19. The home team also outscored Boyer 44-40. Boyer had 21 fouls, while Grayling committed 17.

Jeff Gabos and Johnson each had 10 rebounds for Boyer, while Kruzal had five assists.

Boyer lost the JV game, 57-51. Nick Redman scored 31 points for the Boyer JV's.

East Jordan's win streak ends

BY JOSEPH BUICK

The Varsity Devils last Friday ran into a road block, breaking their two-game winning streak losing to the Cen-

tral Lake Trojans 54-45. Central Lake outscored East Jordan in all but the final quarter where the Devils outscored Central Lake

13-12. Ironically East Jordan out-rebounded the visiting Trojans. According to Coach Dennis Snarey, missing Devil senior point guard Mike Graham, out with an ankle injury, hurt the Devils.

East Jordan went into the locker room at halftime only five points down, 29-25.

Another factor that hindered the Devils is that they only shot the ball 49 times, which is low for any varsity level.

High scorer on the EJ squad was Mike Goebel who dumped in 13 points. Goebel has

been high scorer for the past three games.

East Jordan has its hands full next week, meeting two state-ranked ball clubs. Charlevoix ranked 5th in Class C and Gaylord St. Mary who is highly ranked in the Class D race.

The remainder of the season should be easier although when East Jordan tries to up their 3-11 record.

The junior varsity dropped the preliminary game 65-50, to the little Trojans. Ted Snowden canned 14 points for the Devils.

EJ volleyballers beat Petoskey

BY JOSEPH BUICK

East Jordan's varsity volleyball team proved last Tuesday that they can compete with just about anybody. And that anybody is the Petoskey Northmen.

The Lady Devils split a non-conference meeting.

Early in the meeting the Devils faltered slightly, only scoring 18 points in the first two games. The lady netters lack of ball control and not utilizing their front line resulted in first match, 10-15, 8-15 loss.

Anita Lyttle proved to be one of the few bright spots in the first match, posting a total 8 winning serves. For Petos-

key, Beth Shanley also had 8 winners.

The second match saw the Devils come alive. In the first game Robin Sweet served three aces, and the Devils coasted to a fairly easy 15-10 victory over visiting Petoskey.

The second game proved to be more of the same, except the margin was slightly smaller, with an E.J. 15-13 win.

Coach Nancy Helland was pleased and remarked that a tie with the class B Petoskey team satisfied her.

The Junior Varsity Devils were not as fortunate, losing two out of three. Shandra Sweet posted 8 winning serves.

Shannon Brown jumps high to make this spike count in last week's Red Devil volleyball game. The Spikers have shown that they can play with the best of them.

SKI YOU CAN DO IT

SKATE TURNS

Can you teach an old Nordic skier new tricks? Why not try this one, the skate turn. This maneuver enables the skier to turn with little loss of speed.

To initiate a skate turn to the right, place your weight on the left ski, pick up the right ski and

point it in the direction of the turn (A). Then spring on to the right ski (B). The turn is completed when the left ski is brought parallel with the right ski (C). The left ski should be edged to prevent sideslipping. Low body position and bent knees are essential in this maneuver.

When trying to skate turn for the first time, practice on the flat making a succession of turns to the right or left like a

side step. After proper balance and rhythm is learned, practice turns at the bottom of a slight hill. Then you can graduate to the trail.

Mastery of the skate turn will make your Nordic skiing more enjoyable by giving you more confidence and control on difficult trails.

Bats are the only major predators of night-flying insects, and they're good at it too, says *International Wildlife* magazine. A single gray bat may consume 3,000 or more insects during a night's feeding; and a single cave of free-tailed bats in Texas may eat 500,000 pounds of small insects nightly.

1. Excess weight and a sedentary lifestyle compose a perfect prescription for a low back problem. Get rid of the weight and get some physical exercise.
2. Some recommended forms of exercise are: walking, swimming, hiking, bicycling and cross-country skiing. Risky activities include: jogging, horseback riding, snowmobiling, rigorous calisthenics, golf and tennis.
3. It is far better to engage in physical activity in shorter sessions on a regular basis than to overdue it on a sporadic basis. Even a healthy back can experience severe muscle trauma when over-worked.

Some help for back problems

The United States leads the world in the number of people suffering from low back problems. The current estimate is that eight out of ten people in this country will seek medical treatment for low back pain at least once in their lives. Some of them will have only slight muscle spasms; many others, however, will have serious, potentially disabling, problems.

The good news is that the problems, both large and small, can often be avoided. But it does require a bit of commitment and some good old common sense. The Institute for Low Back Care in Minneapolis offers some suggestions that can keep you from ending up in the doctor's office...or on the operating table.

4. Avoid long periods of sitting. Getting up and walking for a minute every half hour or so can make a big difference. Sit up straight, but not rigid.
5. Avoid high-heel shoes. Shoes with heels higher than one inch increase the curve of the low back, thereby straining the spine.
6. Long-distance driving should include frequent stops for stretching and walking. A pillow placed under the thighs relieves the pressure on the lower back.
7. Choose a firm, but not rigid, mattress. Also avoid sleeping on your stomach. The preferred position is on the side, with the knees slightly flexed toward the chest.
8. Improper lifting can be disastrous. First, don't lift anything that requires a great effort. Any lifting should be done with a slight flexing of the hips, knees and low back. The legs, arms and abdomen—not the low back—should provide the power.

9. If you are experiencing low back pain, don't try to "work it out" by exercise. Aspirin, heat and bed rest are recommended as first-line treatments, followed by a visit to your doctor if there's no relief after a few days.
10. Those with severe, ongoing low back problems need not necessarily undergo surgery. Various conservative means of treatment can often bring relief to many sufferers.

VASA officials expect 1400 skiers this weekend in TC

North American VASA officials are gearing up for approximately 1400 skiers, which are expected to invade Michigan's northern woods Saturday, February 11th in the eighth annual running of this premier cross-country event.

A part of the eight leg Great American Ski Chase, this is the second largest nordic race in the United States. Expanded to 30 km and 60 km legs it also will be one of the longest in the series. And added

to that will be the excitement of the events first downtown finish.

"We're really looking forward to this year's race and seeing it end downtown. Preparation for the new course and the new finish line have been two years in the making," said Ted Osterstrom, VASA Chairman. "We had hoped to do this last year, but an unusually mild winter didn't provide enough snowfall. This year the trail is in great shape with 24 to 36 inches of snow in all areas.

"With the record number of skiers we're anticipating and the super conditions we've got, it should be our biggest and best race to date," exclaimed the VASA chief.

The 60 km race will start at 10 a.m., and the 30 km race is slated for a 12 noon start. Both races will start at the Grand Traverse Resort and finish downtown next to the Park Place Hotel on State St.

VASA statistics re-

veal that of the approximately 1400 registered for the race 70 percent are from outside of the Northwest Lower Michigan region. Of that percentage approximately 20 percent are from outside the state. Again, 30 states and 10 foreign countries are represented in this year's race. Included in the entries are nationalities from Finland, Sweden, Norway, Canada, Germany, New Zealand, France, Switzerland, Denmark and Austria.

A breakdown of race entries shows that approximately 25 percent have signed up for the 60 km race. Of that total, 15 percent are women, which is up slightly from last year. The total number of women signed up for both races also is up this year from 21 to 26 percent.

Entries will be accepted up until Friday, February 10th. The current fee is \$35. Anyone wishing further information write: VASA, Box, 581, Traverse City, MI 49684 or call (616) 946-4272.

SKI YOU CAN DO IT

USE THE WHOLE SKI TO TURN

Do you have trouble making your skis hold throughout the radius of a turn, especially on hard snow? If the tails break loose at the end of your turns, you are probably putting too much weight over the tips of your skis.

Here's an exercise to help you adjust your weight properly, get the whole ski working and stop the tails from washing out. Throughout the radius of your turns, hold the inside ski tip off the snow (A). For best results, point the raised tip slightly in toward the turn (B) so that your tips separate slightly. Lifting the inside tip off the snow will automatically cause you to move some of your weight back on the tail of the outside (uphill) ski (C) so that you can begin to feel it bite and carve.

Practice this exercise often so that you become aware of just how you should be standing over your skis. Then take the same stance, and distribute your weight the same way, when you ski with both ski tips on the snow.

Gaylord/Otsego Winterfest this week

Snow sculptures, decorated windows, and the annual ice tree will greet the Vic Wertz Memorial Special Olympics Snowmobilers as they arrive in Gaylord on February 9th to highlight the Second Annual Special Olympics Ski-a-Thon to be held on February 12th at the Otsego Ski Club at Hidden Valley. Thanks to the enthusiastic response and

huge success of last year's benefit Ski-a-Thon at the Club, the Gaylord/Otsego Chamber of Commerce will present its First Annual Winterfest beginning with this arrival. Members of the snowmobiler team will be guests of the Chamber at its Annual Dinner Dance on the evening of their arrival.

Since the end of last

year's Ski-a-Thon, plans and discussions have been in the works to expand the successful Otsego Ski Club event into a full-scale Winterfest. With the cooperation of local businesses and residents, the idea that began as Otsego Ski Club's one-day event grows this year to a County-wide three-day Winterfest lasting through February 12th.

Throughout the county tournaments and special activities will make a busy weekend for residents and visitors alike. Friday evening will offer a variety of activities, including ski movies, sleighrides, and racquetball tournaments, as well as the traditional Friday night entertainment at local motels and restaurants. The ice skating rink on the courthouse lawn will also be open. Saturday will be a full day, com-

plete with skiing events at the area ski slopes, a poker run snowmobile trip, snow softball and snow golf, as well as a full schedule of children's events. Tournaments in racquetball, wallyball, euchre and darts will round out the day's schedule.

More snowmobiling and racquetball are on tap for Sunday, as well as the Second Annual Ski-a-Thon at Otsego Ski Club at Hidden Valley.

Special buttons, required for entry to Winterfest events, are on sale at the Chamber Office in Gaylord for \$2.00-\$1.00 of which will be donated to the Special Olympics program. Buttons will also be available at all Winterfest events and from many area merchants.

From a dedication to the support of the Special Olympics and the Ot-

sego Ski Club's successful effort in 1983, has come a full weekend of activities designed to help Otsego County residents and visitors enjoy 1984's beautiful winter in Michigan's North

Country. Specific details about events and schedules

can be obtained from the Gaylord/Otsego

Chamber of Commerce; P.O. Box 513; Gaylord,

MI 49735; 517-732-4000 or from Susan F. Hass,

P.R.C.; P.O. Box 684; Gaylord, MI 49735; 517-732-7544.
