

During last week, proclaimed as Michigan Child Watch Week by the Governor, Boyne City Elementary children held a poster contest on Boyne's Community Watch program. Although it was a difficult task, judges Jennie Miller, Helen Rothenburger and Leona Griffin chose Crystal Walsh the winner in the second grade, Homer Williams in the fourth grade, Elizabeth Winter in the third, Christy Knapp in the kindergarten and Brittani Markham in the first grade. The winners were honored at the school's first assembly of the year when they were presented \$10 each by presenters Randy Howard, assistant Chief of Police in Boyne City, County Sheriff George Lasater, State Trooper Charlie Munyon and Boyne City Manager, Randy Frykberg.

BC Airport issue on Nov ballot

Boyne City will be asking city voters in the November election to approve letting the Boyne City Airport authority have a 25 year lease on some of the vacant land within the airport.

The wording for the ballot issue was okayed at the noon Tuesday meeting and would, if the voters approve, allow the Airport Advisory Board permission to let private parties build additional hangers at the airport. At the end of the lease, the hangers would revert to city ownership without cost to the city.

The question is on the ballot because a rule in the city charter only allows leases to be made for a maximum period of three years.

This is not the first time the airport advisory group has had an issue on the ballot asking the same question. The only difference is this issue is for the whole airport, under the direction of the airport authority so when additional hangers may get built, the group doesn't have to come back to the commission and have it on the ballot again.

The issue was brought this time to the city commissioners because of additional demand for airport hanger space at the airport.

It was just a few years ago that the city almost closed the airport because of lack of use. With the development of a paved runway, and addition of length, the runway use by aircraft has grown substantially.

The hangers that will be built with private funds will be located within the triangle formed by the paved runway and the dirt runway, according to John Talboys, a member of the Airport Authority. He told the commissioners that there is

room for many more hangers within that part of the airport.

He also added that if the issue is approved, the airport will not have to come back to the city when additional hangers will be required.

The city itself will not be building the hangers, the individuals who want a hanger will arrange for their construction and will lease the hanger from the airport authority for one dollar per year until the 25 year lease is over. It is at that point where the hanger will revert to city ownership to rent out to interested parties at the then going rate.

The commissioners also approved a work change order that

will make for more efficient buying of lumber and windows for the new historical museum presently under construction.

It was found that because the city has a certified engineer on staff, and is the general contractor for the project, they could buy the materials directly.

The city buying the material affects the contract with the Trumco, Inc. builders who are working on the project. They will have their contract price reduced by \$26,209, the bid cost of lumber and windows.

The revised contract with Trumco will be for \$29,654 which reflects the bid without the material costs.

The change is more of a

bookkeeping alteration, City Clerk Tom Garlock told the commissioners, it is not an overall change in the cost of the museum.

Garlock also told the commissioners and observers October 8 is the deadline for submission of petitions for the City Commissioner spots open at the November election. He said several petitions are out and one has been turned in to City Hall.

He also announced that October 5th is the last day to file for voter registration for the election.

Garlock ran the noon meeting because City Manager Randy Frykberg was out of town at a wastewater seminar.

It's some traffic pileup, especially when the plants let out as work started on replacing sewer lines along Lake Street in Boyne City. The road will be tied up for some time as the crew from the C. H. Smith Company work on the infrastructure replacement program. Also slated for the street will be the sliplining of the present sewer line and turning it into a trunkline. Eventually, the road will be finished before the year is out.

News Briefs

Who uses drugs in school, what kind, and how many kids are involved will be the basis of an informational workshop sponsored by the CHIP Counseling Center. Two workshops are planned, Wednesday, October 28, in Bellaire at Shanty creek, the other will be held in Petoskey, October 29, at the Holiday Inn. For more information, call the center at 1-533-6330. The workshops are open to the public.

Also in Petoskey, the Regional Chamber of Commerce will be hosting a fall edition of "Business After Hours" at the Holiday Inn on October 15. The hors d'oeuvres and the business booths will be set up between the hours of 5 p.m. and 7 p.m. Tickets are available from the Petoskey Chamber office.

Next Wednesday, a group will be meeting to show off the first issue of the North Force magazine. The magazine will deal with the economic development of Northern Lower Michigan. A press conference is being planned at Hidden Valley Resort along with a meeting of the North Force group. Michigan Consolidated Gas, who contributed the seed money for the magazine, is sponsoring the event. The magazine is being published out of Boyne City.

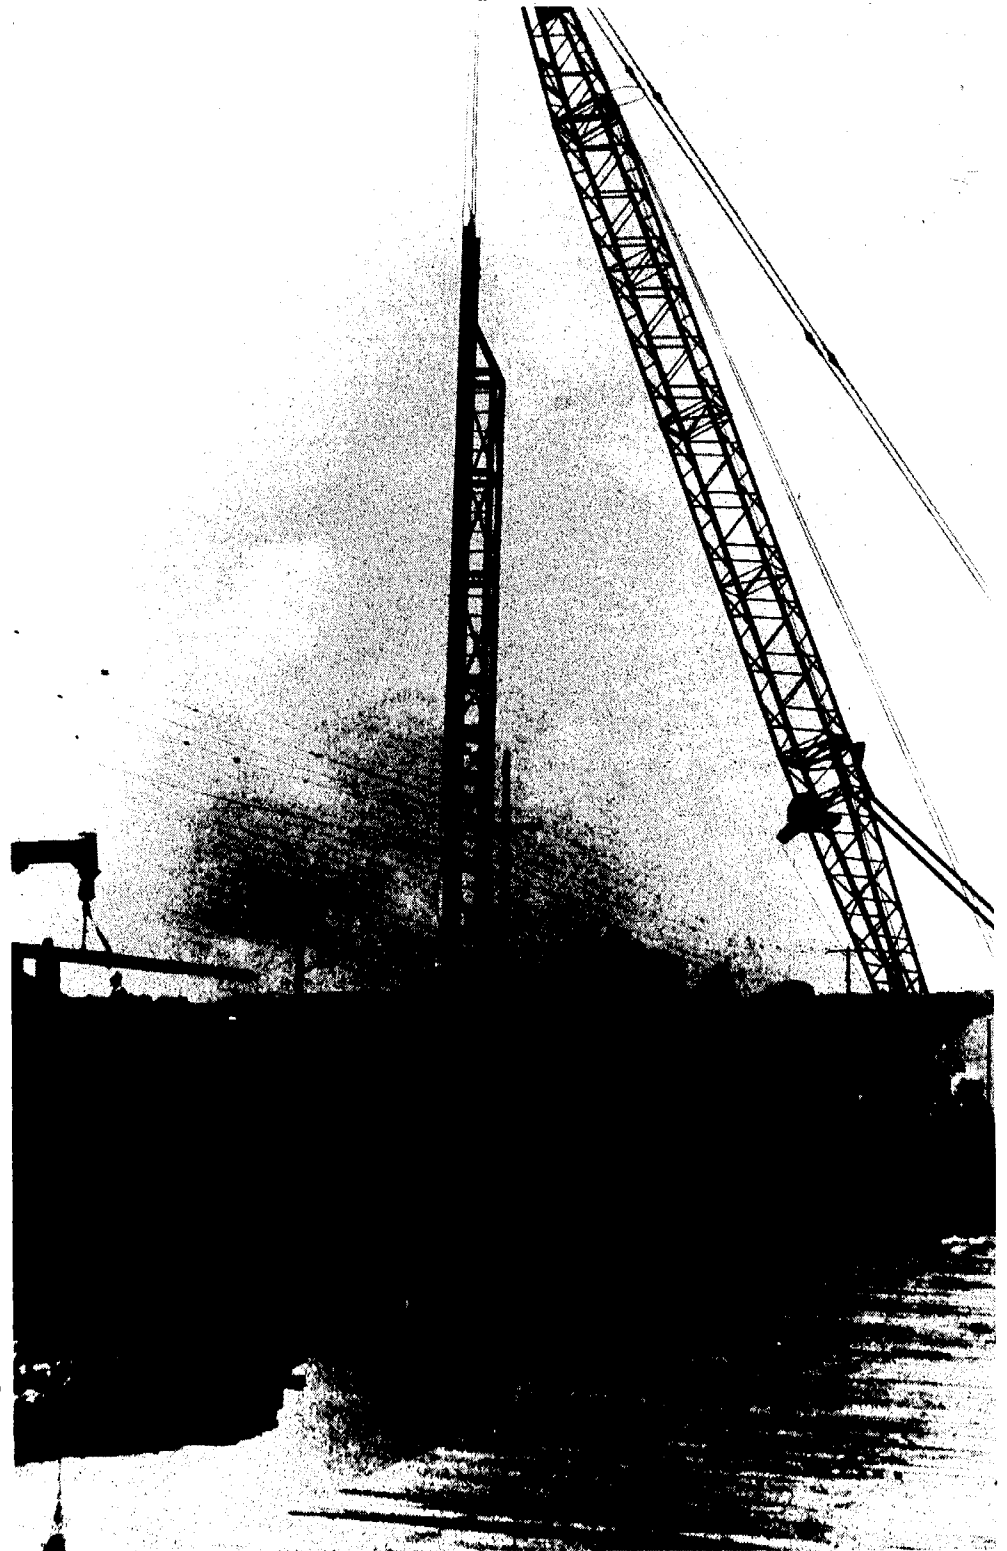

It looks like this will be the week of the great color debate. Which tree has the reddest red, the sugar maple over there, or over there. Or why the sumac has a deeper red than the trees. We will be having special issues of the Northwestern Michigan Vacationer to cover all of the issues and provide a map to show visitors some ways around the area to help them decide while the color season lasts.

Monsters are back in EJ

The monsters are in East Jordan's marina area again! The first monsters are the large crane and other equipment which is putting in the weir to catch the salmon. The second monsters are the large salmon themselves as they are slowly beginning to trickle down the South Arm of Lake Charlevoix and try to go up the Jordan River to spawn.

The marina has had a successful summer and is presently preparing for the winter season. Boat slips will be rented at less cost than in the summer to boat owners who will provide their own bubbler or agitator to keep the boat in the marina basin for the winter. Harbormaster Bob Malpass will be doing the renting and will answer any questions; he can be reached at 536-2166.

Boat slips by the Tourist Park were filled to 80-80% capacity
See Monsters/Page 5

Workers have started driving piles for the new blocking weir being installed on the Jordan River at the junction where the river joins the lake. The weir will block salmon from going up the river, along with lamprey and help keep the river open for native species.

Obituaries

with Nancy Northup

GINNY DICKHOUT

Virginia (Ginny) Dickhout, 69, of Boyne City died Sept. 21, 1987, at Charlevoix Area Hospital.

Funeral was 1 p.m. Thursday, Sept. 24, at the Stackus Funeral Home, Boyne City. The Rev. Milton Walls Jr. officiated. Another service was held Saturday, Sept. 26, at the Connelly-Noble Funeral Home in Three Oaks. The Rev. W. E. Rothman of the Church of the Nazarene officiated. Burial was in Pine Grove Cemetery, New Buffalo.

The former Virginia O'Donohue was born May 30, 1918, in Chicago, Ill., the daughter of David and Ruth Carlin O'Donohue. She moved to Harbert in southwestern Michigan and attended and graduated from New Troy High School, New Troy, in 1934. She attended Bridgeman Normal College and Western Michigan University in Kalamazoo. For four years she taught school at Baroda.

She was elected Miss Blossom Time Queen of the Berrian County Blossom Time Pageant and later was chairman of the committee for the Blossom Time Pageant.

She gave unselfishly of her time and talents to enrich the community in which she resided. She served as president of the New Buffalo Woman's Club and the New Buffalo Band Parents Club.

She was a well known vocalist, dating back to her ap-

pearances at the College Inn in Chicago.

Mrs. Dickhout was active in the National Association of Postmasters and served in many capacities on local, state and national levels. She was past president of the Michigan chapter. During her tenure she perceived the need for training postmasters to ensure uniform, high level service at every post office in the state. She organized and conducted the first postmaster's training school. Today, the Michigan chapter still offers the training concepts she developed and these concepts have spread to every state in the union.

She was postmaster at Union Pier for 25 years. She was also postmaster at Vanderbilt and retired in 1979 as postmaster of the Alanson office.

Survivors include: her husband, Jack, whom she married in Boyne City March 17, 1964. She is also survived by a son Richard Novack of Union Pier; a daughter and son-in-law, Mr. and Mrs. Gerald (Daryl) Sullivan of Union Pier; a step son, Jack Dickhout of Durham, N.C.; three grandchildren; one brother, David O'Donohue of Harbert; one sister, Mrs. Harry (Lorraine) Summers of Murray Hill, N.J.; four nieces.

The family suggests memorials to the East Jordan Ambulance Service. Envelopes for that purpose are at the Stackus Funeral Home.

KATHRYN L. STERZIK

Kathryn L. Sterzik, 60, of Lansing, died Sept. 19, 1987.

No services or visitation are planned at this time. A memorial service will be announced at a later date.

Mrs. Sterzik was born May 4, 1927, in Battle Creek and had been a resident of Lansing since 1950. She was formerly employed by Archie Tarpoff

Caterers for 32 years.

Survivors include: her husband, former Petoskey resident Karl R. Sterzik; two daughters, Karen L. of Ypsilanti and Kalyn D. of Lansing; one brother, George Roach of Colorado.

The family suggests memorials to the American Cancer Society.

HARRY E. GRIFFIN

Harry Griffin, 69, of Walloon Lake, died Sept. 21, 1987, at Little Traverse Division, Northern Michigan Hospitals.

Memorial service was 1 p.m. Thursday, Sept. 24, at the Walloon Lake Community Church. The Rev. Rodney Ward officiated.

Mr. Griffin was born Jan. 21, 1918, in South Amherst, Ohio, the son of Eugene and Tina Springer Griffin.

On March 26, 1941, he married the former Leona Mantz at Chatham, Ohio. The couple moved to Walloon Lake in 1949.

Mr. Griffin had his own

building business from 1950-1968. He also did cottage maintenance.

He was a member of the Walloon Lake Community Church, Crooked Tree Library Board and Hill Real Estate.

Mr. Griffin is survived by his wife; one sister, Ruth Dobson of Medina, Ohio; a brother, Glenn Griffin of Litchfield, Ohio; a niece, Carol Simon of Cuyahoga Falls, Ohio, and a nephew, Glenn Griffin Jr. of Litchfield, Ohio; two grand nieces.

Arrangements were handled by the Stackus Funeral Home, Boyne City.

ELEANOR M. CARSON

Eleanor M. Carson, 86, of Charlevoix, died Sept. 26, 1987, at Grandvue Medical Care Facility, East Jordan.

Funeral was Tuesday, September 29 at the Frist Congregational Church, Charlevoix. The Rev. Phillip Schairbaum officiated and interment was in Brookside Cemetery, Charlevoix.

The former Eleanor McBride, daughter of Robert and Emma Secord McBride, was born July 16, 1901 at Hamilton, Ontario. She came to East Jordan with her parents and attended and graduated from East Jordan High School. She then attended Western Michigan College, now Western Michigan University, earning a teaching degree. She returned to East Jordan where she taught kindergarten for 13 years.

In 1926 she married Kit Carson at Boyne City. The couple resided in East Jordan until moving to Charlevoix in 1937. Mr. Carson preceded her in death on Dec. 8, 1973.

Mrs. Carson was a member of the First Congregational Church. She was also active in community affairs. She served on the board of directors of the

Charlevoix Area Hospital for 15 years during which she was a fundraiser and an interior decorator when the present hospital was constructed.

She was a member of the Charlevoix Area Garden Club; a member of the Charlevoix Board of Education; was a den mother for a Charlevoix Cub Scout troop; was a member and chairwoman for the Charlevoix Waterfront Art Fair; was neighborhood chairwoman for numerous fund drives.

She always had the interest of the Native Americans at heart and had assisted many of them in various ways through the years.

In 1986, she was parade marshal during the Venetian Parade in Charlevoix.

Mrs. Carson is survived by: one son, Kit, of East Lansing; five grandchildren, Kit III, Kelly, Christopher, Cory and Kirk; two sisters, Mrs. Aura Stevenson of East Jordan and Mrs. Eva Brown of Battle Creek.

The family suggests memorials to the Charlevoix Area Hospital. Envelopes for that purpose are available at the Winchester Funeral Home, Charlevoix.

The first meeting of the new year of the Monday Study Club was held at the home of Jewel Bryan on September 21, with 29 members and guests present enjoying a planned potluck. Hostesses were Angela Skrocki, Maryann Watkins, and Edna May. After a short business meeting, Olive Bernier gave an interesting demonstration on china painting. She made an intricate copy grouping on a plate, while giving a short history of the art of china painting itself.

Gen Sutton and Delcie Phillips attended an evening concert by Rodger Whittaker at Wharton Center on the Michigan University campus in Lansing. While in Lansing, they were guests of Mrs. Sutton's daughter, Gayle Elder, and also visited Robert Sutton and family in Holt. Enroute home, they stopped in Mt. Pleasant to visit Kathleen McCarthy.

On Tuesday night, Jean Marcham entertained Betty and Charles Calven, Joe Zurza, and Goldie, as all enjoyed a fish dinner, followed by playing Skipoo.

Recent guests of Bill and Thornita Rowe were her cousin Doris Young and husband Jerry,

and Doris' mother, Mrs. Edith Wellman of Muskegon. While here for a four-day visit, Thornita and her cousin Doris did a 'first time in a long time' thing... as they got together with former BCHS chums Shirley Chandler, Florine Harper, Joanne Middleton, Betty Dressel, Betty Hammtree, Pat Dietz, and Lucille Price for an enjoyable luncheon at the Beach House.

Guest of Adell Hibbard this past Wednesday was her cousin Elaine Morris of Detroit, and on Sunday her granddaughter, Cheryl and husband Joe Osmun of Vassar stopped in enroute from Mackinaw.

This past week's scores of the senior bowlers were: Cliff Bradshaw-450, Dick Brannon-426, Pros Blanckaert-418, Barney Barnhart-411, Joe Zurza-398, Norm Kruger-359, Eunice Bradshaw-328, Jerry Kimble-305, Jean Marcham-298, Goldie-297, Pearl Frieden-292, Chuck Calven-291, Clara Kimble-287, Mildred Sheldon-257, and last but not least, Irene Brannon-237.

The seniors missed Bob Rumbelt, who had hand surgery on Wednesday and will be unable to bowl for the rest of the season...

take care, Bob. Time has a way of flying by and you'll be good as new before you know it!

On Friday night, Pearl, Jean, and Goldie all bowled great...with high scores.

In Thursday's bingo games at the mealsite the winners were: 1st regular-split-Helen Larson-Rose Reinhardt, 2nd-Alice Wilson, 3rd-Minnie Martin, and 4th-Albert Towne. A 3-way split for the 1st special-Helen Larson-Alta Skye-Rose Reinhardt, 2nd-Minnie Martin, and 3rd-Leona Griffin. The cover-all went to Dorothy Hayden and all games were called by the ever faithful Lyle Ross.

Over a long weekend, Goldie Harrelson enjoyed visiting with her niece, Marie Warden, who was here from Plymouth.

On Thursday night, Jan Bernthal and Nan Polleys gave a baby shower at the Lutheran Church, with 12 members attending, to honor Cheryl Mapes and son Trevor. Four month old Trevor arrived about three weeks ago to make his home with his new parents, Gary and Cheryl Mapes.

Gordon and Maxine Hunt were here over the weekend visiting her father, Clarence McGeorge, his father, Ed Hunt, and other relatives. The Hunts, who have been working in Yellowstone National Park during the summer months, are returning to their home in Traverse City.

The Northern Slopes Farm Bureau met at the Ed and Arlene Korthase home this past Saturday night. The topic of discussion was "Promotion and Education of the Farm Bureau."

David Rice still remains a surgical patient in room 167 of NMH.

Sam and Evelyn Chipman have returned after having spent

Neighbors

the past two weeks vacationing in Florida, taking in the many sights of Disney World.

Dr. and Mrs. Michael Engle of Lansing are here this week visiting her mother, Martha Landis, and their many other friends in the area.

Last Saturday night, Dennis and Jane Amesbury enjoyed an open house-housewarming, given by Angie Sobleski and Chris Leist and also, Jane's mother, Virginia Peck. Nearly 100 friends and relatives enjoyed a fun time, lots of carried-in goodies, volley ball, and other games. The Amesburys moved into their new home on 635 Call Street around the first of the year.

Judge and Mrs. Harvey Varnum have returned after having spent the past couple of weeks vacationing in the south.

On Sunday afternoon, Harry and Kathryn Roof hosted a family birthday party for their 17 year old grandson, Tim Roof.

On Saturday afternoon, the RLDS "45 plus" group met at the home of Ann Jenkins for a potluck and video party. They enjoyed seeing snapshots of trips and various scenery pictures and the barn razing video of Ann's old barn and walking around outside in Saturday's beautiful weather and inspecting the grounds where the barn had been. Last week, the RLDS held their annual northern Michigan district Women's Retreat at the Park of the Pines with six women from Boyne attending. Attending the full weekend, and its theme on "Prayer" were Ann Jenkins, Eleanor West, Dorothy Peters, Anna Blough, Judy Follette, and Lenore Landon.

Mrs. Grace Colburn is here from Ft. Wayne, Ind. visiting her brother, the Frank abbets, for a couple of weeks.

CAH to hold course in BC

Charlevoix Area Hospital, in conjunction with the Boyne City Schools Community Education Department, is offering a comprehensive course in babysitting to Boyne City area students 11 and older starting October 5.

The course will consist of eight classes of approximately one hour each. Classes will be held right after school at the Boyne City Middle School on Monday through Thursday for two weeks beginning Monday, October 5 and ending Thursday, October 15. There is a \$5 registration fee.

Units to be covered include: babysitting responsibilities, characteristics of children, selecting toys and games for children, supervising children, accident

prevention, emergency actions, basic care of infants and feeding children.

Students participating will receive handouts during the course and a certificate upon completion which can be used as reference in seeking babysitting jobs.

The main instructor will be Sue Dixon, R.N., Inservice Coordinator for Charlevoix Area Hospital. She will be assisted by other hospital staff members in the health, nutrition and first aid sections.

Registration will be held at the first class session. For more information, call Sue Dixon at Charlevoix Area Hospital, 547-4024.

Two BC students designated

Boyne City High School has been notified that Bill Gipperich and Mike DeSchryver have been designated Commended Students in the 1988 National Merit Scholarship Program and will receive a Letter of Commendation in recognition of outstanding academic promise. The principal, Warren Wade, announced today that these seniors placed in the top 50,000 of more than one million participants in the 33rd annual Merit Program.

A spokesman for National Merit Scholarship Corporation (NMSC) of Evanston, Illinois, which conducts the competition, pointed out that being designated a Commended Student in the Merit Program is an accomplishment of which both the student and the high school may be especially proud. High performance in this rigorous competition is indicative

of exceptional scholastic ability, which schools play an important role in developing. It is hoped that recognition of these young men will add to their motivation to pursue higher education and to become productive adult citizens in a society that values talents such as theirs.

Participants entered the current Merit Program by taking the PSAT/NMSQT in October 1986, when most of them were juniors. Although their qualifying test scores are high, the 35,000 young people throughout the nation who are Commended Students scored slightly below the level required for Semifinalist standing in their respective states. Only the 15,000 Semifinalists, whose names were announced on September 16, will continue in the competition for some 6,000 Merit Scholarships to be awarded in the spring of 1988.

Erratum

In an article last week concerning the proposed ice skating rink at Avalanche Park, we had a name confused. Dave Seeley, not Tim Hawley, is the person on the Parks and Recreation Board that is working for the rink at the park.

How can you guarantee that you could replace your home?

No problem.

Auto-Owners Homeowners Policy offers optional guaranteed home replacement cost coverage for homes that qualify. It's broader coverage—so you'll never run out of money for covered losses. It may be more economical than your current policy that doesn't include guaranteed home replacement. Just ask your "no problem" Auto-Owners agent to tell you how Homeowners protection can be no problem for you and your home.

The Positive Side

"Internal peace of mind comes, when you know you have done your best."

Jottings

BY JIM SILBAR

Okay, given the premise that doctors wage scales are being determined by the great Blues, wouldn't it be great if other professionals were being paid the same way?

Like if lawyers would get paid as determined by an outside source, not by the work they did and how good they were at doing it?

Imagine a lawyer only getting "x" amount of money for writing a will as determined by a psuedo insurance company. Let's say the cost would only be \$25 for doing that effort since most wills as determined by the psuedo company, are written from boilerplate that every lawyer can find in the proper book.

All the lawyer has to do is to have his secretary or somebody look up the proper form and type in the new names, so it couldn't be worth the \$75 per hour cost.

Now most lawyers wouldn't agree with that method of payment, citing they have office overhead and other costs, but so do the doctors. The doctors also have horrendous insurance costs due partly to lawyers working on the come.

That would be another thing the psuedo insurance company could do, eliminate contingency fees. That is where a lawyer agrees to take a case based on getting a percentage of what he can get the courts or the defen-

ding party to agree to giving. It may even help to clear up some of the problems of the court continually saying the docket is overcrowded.

But, I expect to hear from the lawyers, threatening to sue me, for writing this piece about how they should get paid.

So to show that I am not singling them out, let me say that others deserve the same type of pay scales as the professionals.

After all, doesn't the garbage collector, the candle stick maker and the baker have some sort of professional standing? Could you see a lawyer picking up garbage for eight hours a day?

Sure, they may say they work with a lot of garbage, but so do a whole lot of others.

Just ask the guy at the bottom of the ditch.

Don't you think he would rather be on top of the ground than below it?

And since his work requires manual labor, instead of brain labor, he should be paid on the same type of pay scale as lawyers, doctors and Indian chiefs.

Myself, I would like to be able to qualify as an Indian chief, cause I don't know much about medicine or the law.

That way, I could be paid about \$1,000 an hour.

An I would only have to work about an hour a week to get by.

Letters

Asking for volunteers

Editor

I was asked by Greta Mackler of BAC PAC (Boyer Area Communities, Parents for Alternative Choices for Drug Free Youth) to request assistance from the People of Charlevoix County.

Do we want law enforcement of drug and alcohol related offenses? Shall firm action be taken by the Law Enforcement and Courts to convict and sentence individuals trafficking in narcotics in our county?

Sheriff Lasater spoke before our group at a recent panel discussion. He expressed the need for citizen involvement. When there is no interest shown by the public, the silent message to law enforcement agencies and

courts is that the public doesn't really care.

As Citizens we have a right to express our feelings to elected officials whether they be council persons, prosecutors, sheriffs or judges.

The current offenders have already plead or been found guilty. They will be sentenced at 9 a.m. on the 28th of September in the Charlevoix Courthouse.

Citizens are encouraged by BAC PAC to attend these and future sentencing to see how the Court deals with these offenders. This action will express our interest and concern.

We are also requesting you report any suspected drug

Remembrances

When lumber was king in Boyne City, ships used the lake to transport much of the whitepine lumber to major cities on the lakes. This view of the Boyne City waterfront shows how much of the lake could be seen if you were riding a carriage along Lake Street.

Marshall Sayles

Is your mail box like ours? Was it impregnated with a secret chemical that attracts monthly bills?

Listen up. The candidate who wins the presidency will be the one who campaigns on the premise to bring boys home from Central America by Christmas.

I always watch Sunday and Monday night football games. My wife does not care for them. A couple of weeks ago it was announced that she was not going through all that again this winter. So she wrote to the TV networks telling them to stop it. You know something? She couldn't have gotten a better response if she had been the only one in Boyne City selling whiskey.

October....the most wonderful time of year...warm days and cool nights. Forest colors are breathtaking. The air has a refreshing nip as we approach pranksngiving time. Yes, I enjoy northern Michigan in autumn. I

have to, I live here.

The TV weatherman keeps saying that we are having Indian summer. Indian summer does not arrive until after we have had some snow and very cold weather. When it warms up, that's Indian summer. It bothers me when a man gets paid for telling me something that's false all around the edges.

Remember those big depression days back in the 30's when a five dollar bill brought more happiness than it does today?

We hear a lot about the generation gap, but it's all phooey to me. The way I see it, one of the main differences between our young folks and we of senior rank is the new and fancy ways our youngsters have of getting themselves into trouble. Beyond that there ain't a gunnsack full of difference between the kid and the old man.

This week's column is rather short. Sometimes I like short

and other times I like long. And that's the long and short of it.

Let me add a little something

for those who like long: It's this: If I had my life to live over I believe I would.

County 4-H members prepare

In Charlevoix County some 300 4-H members are planning special activities and events in observance of National 4-H Week, October 4-10, according to Charlevoix County 4-H Youth Agent Jane Regenmorter. The Charlevoix County 4-Hers are among more than 4.2 million young people across the country who participate in 4-H programs throughout the year.

"In celebrating National 4-H Week, we recognize that 4-H is truly a people development program," said Regenmorter. "4-H helps young people develop skills that will be useful in the real world. It helps them discover their strengths and weaknesses. It exposes them to activities in a variety of career fields. And, most importantly, 4-Hers learn and have fun doing it. And families can add to the fun by learning and growing together," Regenmorter added.

"Learning doesn't stop with the 4-H member and family. Volunteer leaders learn new skills while sharing their expertise with young people," she said. Through a network of volunteer leaders, state land-grant universities, state and local governments and the U.S. Department of Agriculture, 4-H has been able to stimulate youth to develop life skills.

In Charlevoix County some 50 adult volunteer leaders work with 400 boys and girls 9 to 19 years old in 4-H clubs through

the Cooperative Extension Service at Michigan State University.

Ware-withal New teachers greet students in EJ

I just sneezed, which reminded me that my nose ran a little yesterday, which made me notice that right now my mouth tastes like I imagine tin cans would taste if I ate them. This could only mean - or I hope it does, anyway - that I'm coming down with a cold.

I haven't always felt so hospitable toward colds. In fact, I used to congratulate myself on entertaining them so seldom. I figured that their absence came in great part from my good management, consisting primarily of getting a good night's sleep more often than not. This hasn't been hard to do once I recognized that my mind usually starts signing off shortly after 10 p.m. Then I realized that it only made sense that I should get my body into bed at that time, before all my mental lights ceased to function.

Probably good luck has been involved in my lack of colds too - that and age. It seems that one of the bonuses for growing older comes in the form of not getting many colds. Of course, older folks get a lot of other things, like arthritis and forgetfulness, but fewer colds nonetheless.

As of last weekend I found out, though - an article in Reader's Digest told me - that having few colds does more harm than good. We infrequent cold sufferers miss out on a great health benefit being the way we are.

According to the article, a group of scientists in West Germany has discovered that patients with cancerous tumors have, and in the prior ten years have had, few colds. So these scientists have come up with the theory that when cold viruses hit our bodies, our immune systems react by producing in-

terferon which in turn calls out our immune system's fighters. And while these fighters go about doing battle with cold viruses, they also destroy any cells along the way that show even a hint of malignant transformation.

So when we get few colds, we have few occasions for our bodies' immune systems to get this chain reaction going. This leaves the cancer cells to flourish. In fact, they do so well that the German scientists say that people who have fewer than one cold per year have six times as many chances of developing malignant tumors as those who have one or more.

Not all scientists go along with this theory. But since researchers have consistently reported that interferon does great work in the cancer-fighting battle, I figure that I ought to give the rest of the theory a whirl.

And so here I sit, hoping I'm coming down with a cold. I do hope it doesn't turn out to be a bad one, though. The article also spoke of colds that can become pneumonia, which can be as life-threatening as cancer, which makes me wonder why I even want a cold. But I've talked myself into it now.

Besides, after I get over this one I can safely work on avoiding colds for a whole year before I have to start working on getting another one. That is, unless that Reader's Digest tells me that those German scientists have been proved wrong by then, which would be sad for them but awfully nice for me because, in my heart of hearts, I can't believe I'll ever come around to really, truly liking colds.

BY ELOUISE ROSSLER

East Jordan students were greeted by two brand new faces and one familiar, but now permanent face. Miss Martha Moore and Mr. Leon Dyer are new to the area and school; Mrs. Margaret Fleming has lived in East Jordan for about 14 years and has subbed in the schools for the past several years.

Mrs. Fleming, a Western Michigan University graduate, has been hired to take the fifth section of kindergarteners. Last spring semester Mrs. Fleming took the place of a teacher on leave, so she is familiar to the students and staff.

Mrs. Fleming is a native of Redford, Michigan. She has worked in the East Jordan Public Library and Gulf and Western (currently Wickes Corporation) and was a Title I teacher for Twin Valley Schools for one year. She lives near East Jordan with her husband Jim and daughters Amelia and Jane, a fourth grader and a senior.

Mr. Leon Dyer, originally from Hersey, Michigan, is the new physical education teacher in the upper elementary and

junior high. Mr. Dyer is a 1981 graduate of Central Michigan University and returned to school in 1985 to become certified to teach earth science. Mr. Dyer hopes to have some coaching opportunities in the near future.

Mr. Dyer has taught three years in Laramie, Wyoming, has done some subbing in Michigan schools, and has completed officer training in the National Guard this past year.

Mr. Dyer and his wife Jody, have two sons, David, 5, and Matthew, aged 2½ years. They enjoy this area as they are cross country and downhill skiers and love the water activities the lake offers.

Miss Martha Moore is an Iron Mountain, Michigan, native who graduated from Central Michigan University in December, 1986, and substituted at Waterford Public Schools spring semester of 1987. Miss Moore is presently teaching 10th and 11th grade English and three levels of Spanish. She will be working with the committee reviewing the high school English curriculum this year.

Miss Moore enjoys the beauty of the area and is impressed with the friendliness of everyone she has had contact

with. She "really enjoys the kids" at East Jordan and is glad to be in a small town setting.

Augustine Center, Conway, hosted the students from St. Matthew's, Boyne City, and St. Augustine's, Boyne Falls, the weekend of September 19-20 in preparation for Confirmation on Saturday, December 4, 1987. Sister Elaine LaBell, O. P. directed the Retreat for 26 participants based on the reinforcement of the commitment made by parents for them at the time of Baptism. These young adults made their own commitments to live out Gospel values today in caring for others they encounter in their daily lives. It proved to be a very inspiring experience for all those who attended the Retreat.

Cooking

My goodness, "Tom Turkey" has really made the big time. He is way up there on the best seller list. Today I went to the supermarket with a pad and pencil to note just how he has made it of the top. Here are just a few of the turkey products that I discovered. Turkey cheese franks, luncheon meats, turkey bologna, turkey ham, fresh turkey slices and drum sticks, as well as frozen turkey loaves, with white and dark meats and some combined. All of these besides the whole fresh and frozen turkeys one can buy at any time.

This is all very different from the time when my father and mother raised turkeys during the World War II years and later. It was not an easy thing to do on a family farm. They incubated them; then from the time that they were out of the shell until nearly grown, they were kept in a brooder or fenced in a pen. The young turkeys were not allowed to run outside as they were prone to wander and get lost, also Mother said, "Baby turkeys did not live if they got their feet wet." Older turkeys like to wander away too. So they had to be fenced in or closely watched. All of the turkeys were dressed and sold at the Detroit Farmers' market Thanksgiving week. No one thought of cooking a turkey before the holidays.

My friend, Erma Mills, used to fix turkey drumsticks this way. She served them with gravy and fixings for a nice dinner the first day, then made a delicious soup with the remainder for a later time.

TURKEY WITH COUNTRY GRAVY
2 large turkey drumsticks
2½ cups milk
¼ cup flour
Rinse turkey. Place in skillet with 1 cup water. Bring to a boil; turn down heat. Cover. Simmer 2 hours. Place turkey on serving platter; cover to keep warm. Measure liquid from skillet; add milk to make 2 cups. Pour into skillet. Bring to a boil, turn

down heat. Meanwhile, blend flour and ½ cup milk in small bowl. Pour into skillet. Cook, stirring constantly, until gravy thickens and boils. Season to taste with salt and pepper. Pour gravy over turkey.

The above could be made with fresh turkey breast slices. These you do not cook so long, just saute the slices in butter after coating them with flour. Brown, then cover and slowly cook until tender and all pink has disappeared. Make the gravy if you wish or sprinkle them with lemon juice and chopped parsley.

CHICKEN
I do not think that we can be reminded too often about the value of chicken in our diet. It is easy to digest, a short fibered meat, especially good for children and they love it. Chicken is low in calories for the amount of nutrients available. A boned 3 oz. serving of broiled chicken with the skin is 185 calories, without the skin it is only 115 calories.

Here is a different kind of chicken salad. A beautiful complete luncheon.

CHICKEN FRUIT SALAD
2 cups chicken, cooked and chopped
1 cup seedless grapes, halved
½ cup broken pecans
¼ cup finely chopped celery
2 tablespoons unflavored yogurt
2 teaspoons lime juice
2 cantaloupes, halved
Lime slices or mint leaves for garnish.

Chill cooked chicken until serving time. When ready to serve, mix together in a large bowl the chicken, grapes, pecans, celery, yogurt, and lime juice. Spoon into cantaloupe halves. Garnish with lime slices or mint (optional).
Serve chilled. 4 servings.

To cook the chicken use a deep saucepan with 2 cups of water, 1 small onion quartered, 1 rib of celery with leaves, and ½ teaspoon salt. Cover and simmer about 45 minutes or until a fork can be inserted into chicken with

ease. Separate meat from bones and skin. Chill.

Social Services volunteers feted at Charlevoix luncheon last week

A luncheon was held at the Edgewater Inn, Charlevoix to honor Volunteers of the Charlevoix County

October is fire prevention time

The Michigan State Police Fire Marshall Division and your local fire department wish to remind you that October 4-10 is Fire Prevention Week.

This is also the time of year for us to be concerned with wood stove safety.

There were an alarming number of fires directly attributed to wood stoves, fire places, and chimneys, which amounted to millions of dollars in property loss.

Primary causes of these fires were:

Improper installation of wood heating appliances that typically involved: Stoves installed too close to combustible walls, improper floor protection, unsafe installation through walls or ceilings, and furniture, wood or

Department of Social Services. There were 22 of the 39 volunteers who attended the 11th Annual Luncheon to receive their certificates and

awards. Barbara Conrad, Volunteer Program Specialist from Social Services' Central Office in Lansing gave a presentation on volunteerism throughout the state and what impact the volunteers make when they contribute their time to help others. Conrad indicated that there were almost as many volunteers working with Michigan Department of Social Services as there are state employees. Conrad also pointed out that approximately 49% of the population nationwide volunteer their time in some capacity in a variety of programs.

Barbara Conrad, Volunteer Program Specialist from Social Services' Central Office in Lansing gave a presentation on volunteerism throughout the state and what impact the volunteers make when they contribute their time to help others. Conrad indicated that there were almost as many volunteers working with Michigan Department of Social Services as there are state employees. Conrad also pointed out that approximately 49% of the population nationwide volunteer their time in some capacity in a variety of programs.

Improper maintenance or operation, such as: Creosote build up in chimneys and stove pipe connectors, improper disposal of ashes, and escaping sparks or embers.

Improper installation of venting pipes or chimneys involved stove pipes installed too close to walls or ceilings and improper wall, ceiling and attic space penetration.

Use of flammable liquids to kindle fires.

Failure of automatic control devices.

Fuel overload - too much fuel for the capacity of the appliance. The following are safety checks you should perform: Assure that your appliance is 36 inches from combustible walls, that it is placed upon a non-combustible pad or hearth, and that all combustible materials such as furniture, logs, newspapers, and clothing are placed at least 36 inches from the stove. Also, clean your chimney and stove pipe connectors and inspect your chimney frequently.

COMMISSION ORDER
CFI-117.87
(Under authority of Act 230, P.A. 1925, as amended)
CLOSURE OF STURGEON FISHING IN THE GREAT LAKES AND CONNECTING WATERS DURING SPAWNING SEASON
Under the authority of Act 230, Public Acts of 1925, as amended, being sections 300.1 through 300.5 of the Michigan Compiled Laws, the Natural Resources Commission, at its September 11, 1987, meeting, ordered, that for a period of five years, it shall be unlawful to take sturgeon from the Great Lakes and the connecting waters during the months of May and June.
This order supersedes the previous order entitled "Closure of Sturgeon Fishing in the Great Lakes and Connecting Waters During Spawning Season" effective April 1, 1983, and given number CFI-117.83.
This order shall take effect November 1, 1987, and shall remain valid through March 31, 1992.

Second half destroys hopes

If it hadn't been for a couple of mistakes in the first half, and a lack of defending against the pass in the second, Boyne City Ramblers could have held their heads high against arch rival Charlevoix last Friday.

Even though the Rayders took the game with a score of 43 to 14, there were moments of glory for Boyne players that will never show on the scoreboard. From the opening of the last match of the Michigan Huron

Shores league rival, Boyne seemed to have it all together, similar to when they play Harbor Springs. But two plays with mistakes gave the lead to the Rayders as they both were the same as unearned touchdowns.

The first mistake was based on an interception by the Rayders while the Ramblers were trying to throw the ball. The interception went down to the Boyne two yard line before they were stopped. A couple of plays later and the score was 6-0 Rayders.

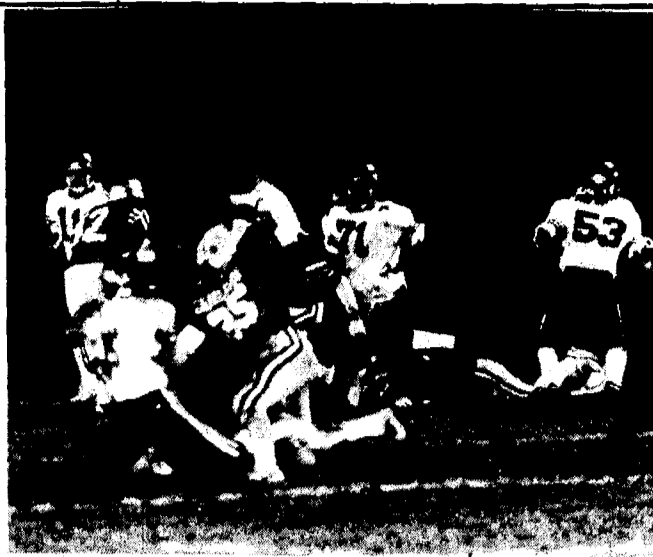

The second mistake also allowed another Rayder TD when Boyne's center put the ball over the head of punter George Lassiter and the Rayders recovered on the Boyne 17. A few plays later lead to a scamper around an end and a two point conversion on a pass made the score 14-6.

The six for Boyne came because the players were shoving the Rayders around on every play, making yards with runs, short passes and finally an eight yard pass from Troy Heierman to Scott Patton for the TD. The two point conversion failed.

That was the first half. Boyne was playing well, even with the mistakes.

But the second half belonged to Charlevoix as they came out of the halftime break with a new offense that seemed to confuse the Ramblers' defense.

That offense was based on the pass. In the first half, the

Making a touchdown on this pass reception is Scott Patton.

Troy Heierman got some blocking from Pete Smith with Charlevoix last Friday. Boyne lost the game and went a few more yards on this play in the game by a score of 43 to 14.

Rayders were having a hard time getting through the line with runs, so in the second half, they passed frequently.

From the second opening kickoff, the Rayders moved the ball quickly down to the goal line with a 53 yard pass play followed by another pass to make a TD.

But Boyne responded well to that touchdown, working the kickoff with a good march of their own ending with a pass for their second touchdown. This time Heierman ran the ball in for

the two extra points.

Then it all went downhill as Charlevoix started to dominate play with runs of 55 yards for a score, another mistake on the kickoff that gave the ball to the Rayders and finally a fake punt that turned into a touchdown, and a broken play that turned in another TD.

Pete Smith was again the leading ground gainer for the Ramblers, with 44 yards. Heierman hit on seven of 15 pass attempts and had 88 yards of passing effort.

EJ girls remain perfect, 6-0

BY DENNIS SKROCKI

The East Jordan girls' varsity basketball team upped its perfect record to 6-0 last week with conference victories over Bellaire and Mancelona.

Despite a sluggish performance on Tuesday at Bellaire, the Devils rallied in the game's final quarter to capture a 43-41 victory.

The ladies experienced cold shooting in the first two periods scoring only seven and ten points in the first and second stanzas respectively. Bellaire hit 14 and eight to gain a 22-17 halftime edge.

Things got worse offensively for EJ in the third quarter as they scored a mere three points. However, a strong defense only allowed Bellaire six of their own.

The Devils faced an eight point, 28-20, deficit with only 12 minutes remaining to play.

Explosive is the best word to describe the EJ offense in the fourth quarter when it rallied for 23 points, three more than it had produced through three periods of play. The Eagle offense also turned in a strong final quarter effort but its 13 points were not enough to fight off the EJ comeback.

The Red Devils hit 17 two-point field goals and went 9 of 15 from the freethrow line. Bellaire also hit 17 two-pointers but hit a mere 7 of 20 from the line.

Jill Burt led the way offensively with 12 points as Kristy Miller and Sara Chase added ten each. Monica Olstrom hit five and Brenda Drenth, Jenny

Malpass, and Kris Burt each canned two.

Hosting Inland Lakes on Thursday, the Devils took control early and never looked back. After leading by ten points, 19-9, at the end of the first period, the EJ lead was cut to 30-26 at the half.

In the second half the Devils outscored the Bulldogs 14-12 and 16-8 in the third and fourth stanzas respectively to capture a 60-46 victory.

EJ hit 24 of 68 shots from the field and 8 of 12 from the free line and 8 of 12 from the throw line as Inland Lakes sank 19 from the field and 8 of 17 from the line.

Kristy Miller captured top scoring honors with 16 points as Brenda Drenth hit 14 and Erin Snyder contributed ten.

Miller also led the way defensively with 12 rebounds as Snyder grabbed nine and Drenth came up with eight.

Devils dumped by Inland Lakes

BY DENNIS SKROCKI

Although the 32-14 final score might not show it, the East Jordan varsity football team lost a hard fought game to the Inland Lakes Bulldogs last Friday night at Boswell field.

After having to punt on their first two possessions and forcing the Bulldogs to do the same, the Devils drew first blood at the 2:24 mark of the first quarter as QB Dan Pepin plunged into the endzone from one yard out. The score followed a six play drive that featured a 19 yard pass from Pepin to Mark Moore. The extra point conversion attempt fell short.

The Bulldogs scored with 6:20 remaining in the second quarter after a lengthy drive that ate much time off the clock. The conversion failed and the score was deadlocked at six apiece.

The Devils mounted a successful drive on their next possession as five nicely executed running plays took the ball from the EJ 38 yard line into Bulldog territory at the 19. From there Dave Freely took the ball in for the score. Pepin hooked up with Al Merrill on the two point conversion, thus putting the Devils up by eight points, 14-6. A Matt Bishop interception just moments later gave the Devils starting field position at the IL 16 yard line with just over a minute remaining in the half. After two foiled running plays EJ went to the air. Pepin's pass intended for Dave Freely was tipped and picked off by a Bulldog defender who took it to the EJ one foot line, before he was brought down by Curtis "The Wild Man" Weidler.

With time running out in the half, IL punched it into the endzone for the TD and with the conversion tied the score at 14.

Neither team was able to

mount a successful second half scoring attack until the 5:23 mark of the third stanza when the Bulldogs scored on a 60 yard broken pass play. The conversion fell short but Inland Lakes had gained a lead that they would not lose.

The Bulldogs added another score in the third quarter and one in the fourth to capture a 32-14 victory.

The Devils only successful drive in the second half came late in the fourth period when they drove the ball from their own 31 yard line to the IL seven. It was here that time expired.

Bishop was the Devils leading ground gainer picking up 82 yards on ten attempts. Freely gained 54 yards and one TD on ten tries and Merrill rushed for 25 yards on seven carries.

In the passing department Pepin was 8 of 15 (55%) for 86 yards and one extra point conversion.

Defensively Freely, Jeff Burks, and Aaron Beishlag led the way with eight tackles each as Bishop, Pepin, and Shannon Gee all added five. Bishop and Freely both had an interception.

Head Coach Ted Jeffery was not disappointed with the squad's effort. "We were very happy with the performance of our team during the first half," said Jeffery. "Credit goes to the Inland Lakes coaches for their halftime adjustments which took the game in the second half. We lost to a tough team and were in the game until the third quarter. We are disappointed with the loss, but not with the effort put forth by many of our ball players."

This week the Red Devils will try to get back on the winning track by attempting to spoil homecoming activities for the Bellaire Eagles.

Maxine Hough and Delores Howard, two dedicated East Jordan swimmers, successfully competed at the Ninth Annual Northwest Michigan Senior Olympics for men and women 55 years or older. The two day competition included five swimming events: 25 yard backstroke, 25 yard breaststroke, 50 yard free style, 50 yard sidestroke and a half mile swim (44 lengths of the pool). Maxine and Delores, competing in different age groups, brought home six blue ribbons and two red in the eight events in which they competed which included a blue for both in the half mile swim. The athletes were acknowledged at the program's awards banquet and by their friends at the East Jordan Community Pool.

Monsters

Continued from Page 1

most of the summer, leaving some slips open for daily and camper use.

The Dept. of Natural Resources is presently installing a weir at the mouth of the Jordan River, beneath the bridge.

Lake wake bouys have been placed in the lake beyond the marina area to remind boaters to slow down and not create wakes which will flow into the marina basin unnecessarily.

The Sportsman Park project is on hold presently. City Superintendent will be making a presentation to the D.N.R. Trust Fund Board in early October in Lansing to appeal for funds totalling \$150,000 to complete Sportsman Park.

Travis Hartman lone star in Boyne cross country

BY SCOTT KNIPE

Although Boyne City's cross country team has not done much in the line of victories so far this fall, they seem blessed to have one of the leagues top runners in their ranks. This runner is Travis Hartman, who took first place in Rogers City the week before, and last week took another first at the East Jordan Invitational. Travis' time in the 3 1/2 mile event was 15:45, the next closest runner on the team behind him being Mike Deshryver who ran the course in

16:39, and also placed high enough to earn a medal.

Following the East Jordan meet was the Petoskey McDonald's Optimist Cross Country Invitational, which took place Saturday. At that meet Travis placed 13th with a time of 17:08, and the next fastest runner on the team was again Deshryver with a time of 17:42 but did not place in the all-around.

In the next week of competition Boyne has it's sights set on the Gaylord Invitational Tuesday.

NOTICE OF REGISTRATION for Regular City Election CITY OF EAST JORDAN to be held November 3, 1987

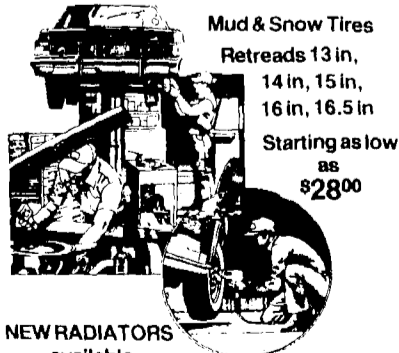

NOTICE is hereby given that in conformity with "Michigan Election Law" I, the undersigned clerk will upon any business day except a legal holiday, receive for registration the name of any legal voter not already registered who may apply to me personally for such registration.

THE LAST DAY OF REGISTRATION for the November 3, 1987 Election IS MONDAY OCTOBER 5, 1987, where I will be at my office during the hours of 8:00 a.m. and 5:00 p.m. for the purpose of reviewing the registration and registering such of the qualified electors as shall properly apply therefore. The name of no person but an actual resident of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the Registration Book.

Items on the ballot will consist of 4 council seats, also any amendments or proposals that may be submitted.

EJ JV's still unbeaten

The East Jordan junior varsity football squad remained unbeaten with a 36-34 victory over the Inland Lakes Bulldogs last Wednesday afternoon.

The Red Devils broke the scoring ice on their opening possession by successfully executing 12 running plays and a pass to set up a Ted Sherman TD romp from eight yards out. Quarterback Bill Gotts completed a pass to Sherman for the two-point conversion to give the Devils an early 8-0 lead.

Moments later a Bulldog touchdown cut the EJ lead to two points, 8-6. It remained that way as the conversion attempt failed.

The Devils were forced to punt on their next possession late in the first period but an interception gave EJ the ball at the Inland Lakes 35 yard line. Four plays later Pat Russell found paydirt on a nine yard run. Gotts hooked up with Pat Muma for the two-point conversion.

IL once again bounced right back with a TD cutting the lead to four points, 16-12, as the conversion failed.

Two plays after receiving the Bulldog kickoff, Sherman broke loose on a 56 yard TD scamper. Gotts hit Steve Shepard on the conversion to extend the lead to 24-12.

With 43 seconds remaining in the half, IL cut the edge to six points with a touchdown. The extra point attempt was unsuccessful and the score stood 24-18 at the half.

EJ struck first in the second half as Sherman took the first play from scrimmage 74 yards for the score once again extending the lead to 12 points, 30-18. The extra point pass fell incomplete.

After receiving the kickoff, the Bulldogs marched down to the EJ five yard line where a Tony Joseph interception spoiled a seemingly sure Inland Lakes score.

On the second play after the interception, a Red Devil fumble was taken into the endzone for a score. The conversion was good and the Devils now clung to a 30-26 edge.

The Red Devils were unsuccessful on their next offensive drive and turned the

ball over on downs.

Inland Lakes capitalized on their next possession with a TD and conversion to take a 34-30 lead with 7:59 remaining.

EJ received the ball near mid-field and eight plays later Sherman went into the endzone for his fourth touchdown of the afternoon. The conversion failed leaving the score at 36-34 in the Devils' favor.

IL fell short of the goal line on their last possession and EJ held on to claim the victory.

On the day Sherman gained 111 yards on 11 carries to go with his four TD's, Pat Russell picked up 66 yards on ten attempts. Gotts hit 2 of 4 passes for 25 yards and three extra point conversions.

Sherman also led the way defensively with an impressive 14 tackle performance. Gotts added ten as Dan Freil and Steve Shepard both came up with five.

The win brings the Devils' record to 2-0-1. This week they will host conference for Bellaire.

With 52-42 score, BC girls lose to Charlevoix Rayders

BY SCOTT KNIPE

Boyer City's girls' basketball team seems to be riding a slump, losing consecutively the past week to Charlevoix and Grayling.

Tuesday, the Charlevoix Rayders with a home court advantage, waylaid the Ramblers in a game that could have gone either way. The final score was 52-42. In the last few minutes of the game Boyne's intensity seemed to increase as they came from a twenty point deficit in the score to just a ten point margin, but the break came a little late in the game and Boyne chalked up another loss with no benefits for the tremendous effort put forth.

High scorer for the game was

Patty Schmoldt with 13 points, nine of which came from three blasts from three point range. Others scores were Tysh Crozier and Mary Beth Archambault with 8 points each, Mindy Stadt with 5, Amy Weeks with 4, and Lacinda Thompkins and Lori Knight each adding two.

On the boards Boyne outrebounded Charlevoix considerably, and top defensive effort of the night went to Mary Beth Archambault with 13 rebounds, followed by Stadt with 11, and Tysh Crozier and Colleen Williams each with 8.

Two days later they brought the game to Boyne for their first home game of the season against Grayling. The Ramblers just couldn't put anything together, and went down quietly to the score of 36-50. Boyne shot only 18% of their field goals that night while Grayling hit 35%, not a tremendous average but

enough to secure a victory. On the line Boyne outshot the Vikings 46%-33%, and shot twice as many freethrows as the Grayling team, but it was not enough to catch up. On the boards Boyne snagged 37 rebounds, but the Vikings kept it close with 36 of their own.

For Boyne, Mindy Stadt was high scorer with 14 points, followed by Lori Knight with 7 and Mary Beth Archambault with 6. Contributing to the Rambler cause was Patt Schmoldt with 4 and Lacinda Thompkins with 3.

For Boyne's defensive side of the game, Mary Beth Archambault had 9 rebounds and Tysh Crozier followed that up with 7.

Boyne is determined to end their losing streak as they square off against the Rogers City team next week.

BC JV girls take Rayders 21-38

BY SCOTT KNIPE

Boyer City's JV girls' basketball squad picked up their first win of the season last Tuesday in a hard fought contest against the Charlevoix Rayders.

Both teams drove at each other the whole game, neither letting the other gain much, but late in the second half Boyne began to pull ahead gradually. Throughout the game the Ramblers connected 15 times for field goals, the Rayders a mere 10, and at the foul line both teams matched each other with 13 extra points.

Boyer out rebounded Charlevoix, 39-23, and when it was all put together the Ramblers came out on top, 43-36 being the final score.

For the Ramblers, Dawn Archambault was the lead scorer with 22 points, 10 of which were from freethrows alone. Also contributing to the score were Kristen Harvey and Michelle Montgomery, each with 6 points, Crissy Gervasi, Nancy McCullough, April Silbar, and Toni

Toton with 2, and Trisha Fanning with 1. Dawn Archambault was also top rebounder for the game, picking off 17 rebounds.

The team did not fare so well the following Thursday when Grayling was in town. A few tactical errors led to a quick defeat, final score turning out to be 21-38.

Lead scorer for the Ramblers that game was Michelle Montgomery with 8 points, 6 of which were freethrows. Also ad-

ding to the cause were Dawn Archambault and Kim Stadt with 3 each; Nancy McCullough, April Silbar, and Toni Toton with 2 apiece, and Crissy Gervasi with 1.

Top defensive efforts went to Michelle Montgomery for collecting 11 rebounds, followed closely by Dawn Archambault with 9.

Coming up the JVs are looking for win number two as they are set to take on Rogers City.

PUBLIC NOTICE

OF FILING NOMINATING PETITIONS FOR CITY COMMISSIONER CITY OF BOYNE CITY

NOTICE IS HEREBY GIVEN that nomination petition forms will be available at the City Hall, Boyne City, Michigan, from September 15, 1987 to October 8, 1987 at 5:00 p.m. for the purpose of placing in nomination the names of candidates for the Office of City Commissioner.

Pursuant to the regulations as set forth in the City Charter, Chapter 4, Section 4.6, nominating petitions for each candidate shall be signed by not less than twenty (20) nor more than forty (40) registered electors of the City of Boyne City.

Two City Commissioners, four year terms, will be elected at the November 3, 1987 City General Election.

The terms of office of Austin Sevener and Thelma Behling, incumbent Commissioners, will be expiring.

When a petition is filed by persons other than the person whose name appears thereon as a candidate, it may be accepted only when accompanied by the written consent of the candidate.

Also, no petition shall be determined to be valid unless the affidavit of qualifications provided for in Section 6.1 of the City Charter shall be filed with such petitions. In addition, upon presentation of said nominating petitions, said candidate must file a Campaign Finance Report with the Clerk, under State Statute.

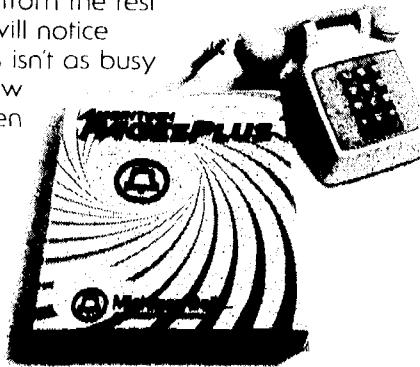

All necessary forms needed to meet all statutes of the City and State shall also be available for official filing.
