EAST JORDAN, MICHIGAN

## Commission appoints Moreau as acting city administrator

BY IRENA GRANAAS  
Journal Editor

East Jordan city commissioners discussed a suggested tool for evaluating the performance of suspended city administrator Carolyn Sutter at the June 18 work session.

Commissioners agreed to look at evaluation formats used by Charlevoix and Boyne City and to consult with the Michigan Municipal League before meeting again June 24 to select a method. Meanwhile, Mayor Russ Peck informed the commission that under the city charter, he cannot serve as acting administrator during Sutter's 30-day suspension, which was imposed at a June 13 special meeting.

"I do have a concern about this," said city attorney Scott

Beatty. "... I don't think the motion (to suspend Sutter) at the last meeting included in the motion a proposed removal ..."

"I think that in light of the allegations, it's obvious there is going to be an investigation," said commissioner Brian Sweet. "In terms of a proposed removal, I purposely didn't include that because I wanted to get to the bottom of a perceived problem and see what the situation is."

Beatty said under the charter, it is necessary to amend the motion passed at the previous meeting to include the "proposed removal" of the administrator. The amended motion was passed.

Beatty recommended an article five officer such as the clerk or treasurer be appointed as acting administrator. Commissioner Brian Sweet made a motion to

appoint city treasurer Susan Moreau, and the motion passed.

Moreau is authorized to appoint an acting city clerk to take over the duties of Kathy O'Rear, who was fired by Sutter two days before Sutter's suspension.

At press time, Moreau had not announced anyone selected as clerk.

In an interview after the meeting, Peck said he had been given "in a roundabout way" some indication as to the reason for O'Rear's firing, but had no comment on it. He confirmed that O'Rear appears to be moving ahead with plans for a lawsuit against the city.

"I believe she is going to sue. She told each commissioner she is going to sue," he said.

At press time, O'Rear could not be reached for comments.

## Jordan Valley Freedom Festival celebration begins this weekend

It may seem like only yesterday area residents were bundled up for the cold, but the annual Jordan Valley Freedom Festival kicks off this weekend starting Thurs., June 27.

Family fun and the Freedom Festival parade will take place from June 27-30, and the following weekend the festival Car Show will be held, July 5-6.

Festival visitors will be able to take part and enjoy many popular events, such as the Youth and

Grand parades, a carnival, Community Block Party, triathlon, craft and flea market, artists' exhibition, bands, a raffle, fireworks and much more.

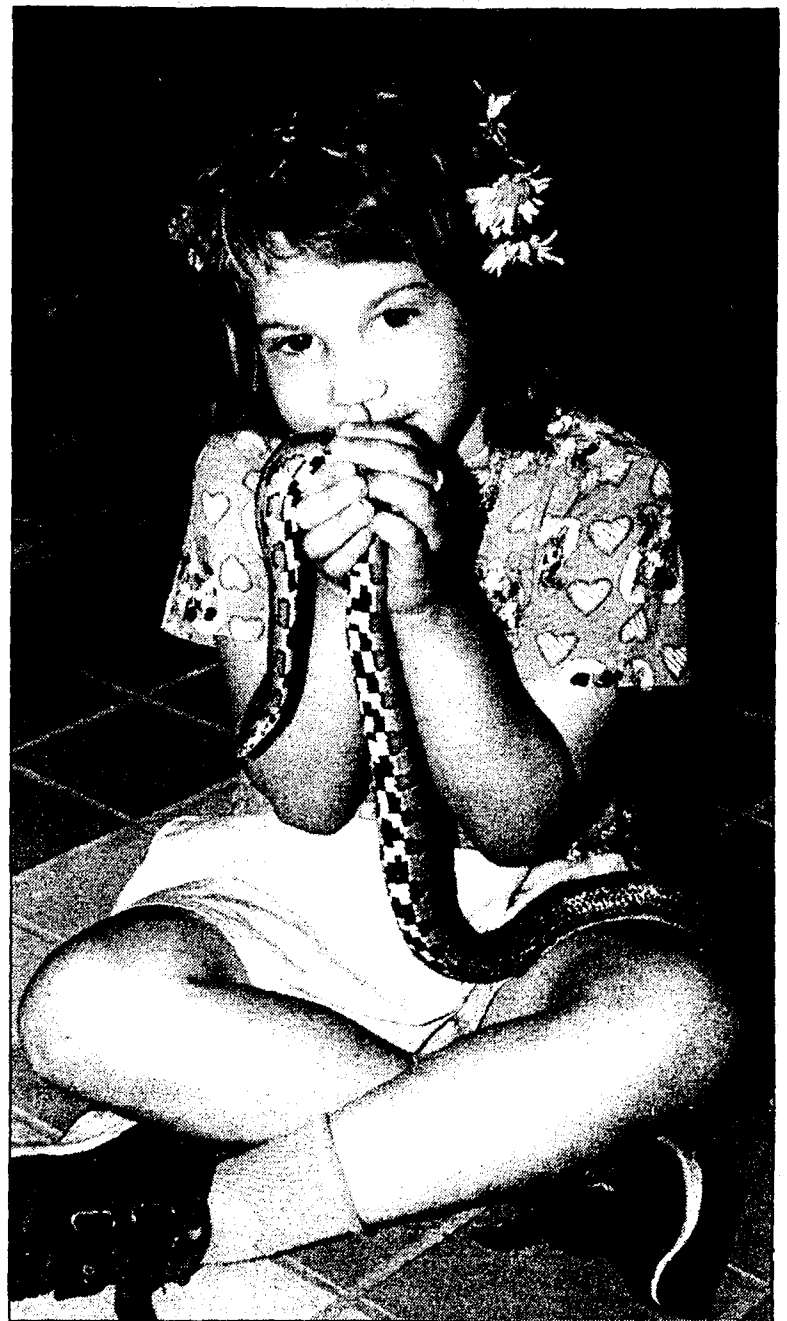

There are some additions and corrections to the souvenir program which has already been distributed:

■ **Additions:** Thurs., June 27, Gospel Singing in the Park, from 7:30-9 p.m.; Fri., June 28, Children's Charades, dunk tank,

Whopper Hopper, and more, 5:30-9:30 p.m.; Sun., June 30, from 7-11 a.m. - Three on Three Basketball (entry forms at Glen's Market) and Fiddler's Philharmonic.

■ **Deletions:** Fri., June 28, there will be no pony rides in downtown East Jordan, from noon to 10 p.m.

■ **Changed:** The Firemen's Waterball event in Sportsman's Park will be held Fri., June 28 at 6 p.m.

**RAVEN HILL** Discovery Center student Linda Clark makes friends with a species of rat snake. The wriggling animal is one of numerous animals, birds and other local fauna available for visitors to meet at the center.

## Raven Hill Center offers interest for all age groups

The summer schedule has begun at Raven Hill Discovery Center in East Jordan, 04503 Fuller Rd, East Jordan.

The center is now open daily to the public from 10 a.m. to 4 p.m., Monday through Fridays, and noon to 4 p.m. Saturdays and 2-4 p.m. Sundays. Admission is \$3 per person.

From arts and crafts, to the science museum to field trips, the center offers many hands-on, interactive workshops for children and adults.

*continued on page 9*

**SOME VERY SHORT**  
"firefighters" participated in a water hose contest during last year's Freedom Festival.

**East Jordan is the place to be the next two weekends as the annual Jordan Valley Freedom Festival takes off - and the East Jordan Journal is the place to look for information on all the exciting activities!**

### Getting it right

In the June 19 *Journal*, it was incorrectly stated that suspended City Administrator Carolyn Sutter had been hospitalized twice recently; the article should have stated she was hospitalized once. Also, Mayor Russ Peck said remarks attributed to him about taking time during the suspension to look into various allegations about Sutter's job performance should have been attributed to commissioner Brian Sweet.

# Mark your calendar

## Alano House holds open house

Anyone who has an alcohol problem or has a friend or family member who does is invited to come to the June 25-29 Open House at the Charlevoix Alano Club.

The club will be open from 1 to 9 p.m., and will offer refreshments, facility tours and nightly open Alcoholics Anonymous meetings (8 p.m.).

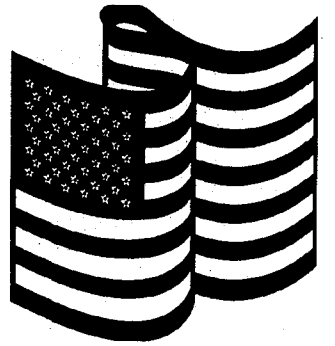

Each evening will feature a talk by recovering members. They will share their stories for what it was like, what happened and what their life is like now. The event is not to be missed by anyone whose life has been affected in some way by the disease of alcoholism.

The Alano Club is located at 104 Mason St., Charlevoix.

## Learning labs open for summer

The Kalkaska and East Jordan Enterprise Learning Labs (ELL) are open for the summer.

Both labs provide free, individual instruction to adults who wish to improve their reading, writing, math and word-processing skills. For more information, call the East Jordan ELL at 536-7898 or the Kalkaska ELL at 258-9304.

## Walker Building adds businesses

One new and one established local business has moved into the Walker Building recently.

Jerry Olson, of Jerry Olson Real Estate has moved to his new office location in the building. Visitors are invited to stop in and see what's new and available in the real estate market.

Betty's Health Care Apparel is now open in the Walker Building. The shop features men's and women's health care apparel in an assortment of sizes, colors, prints and styles. The Walker Building is located on Water Street in East Jordan.

# ARCHERS

## Big Rock names new manager

Kenneth E. Pallagi has been named the chemistry and health physics manager at Consumers Power Company's Big Rock Point nuclear power plant.

Pallagi, 38, will be responsible for all chemistry and radiation compliance activities at the plant. The Charlevoix resident joined Consumers Power Company in 1983 as an auxiliary operator at Big Rock Point and has held positions of increasing responsibility. His most recent assignment was as radiation protection supervisor.

He is certified by the National Registry of Radiation Protection Technologists and is currently pursuing a bachelor's of science degree in radiation protection.

### BRANCH SUPERVISOR

Joan Lemerand of the Lake Street FMB Bank is a "youngster" compared to the late-1800s clock which keeps steady time in the bank's lobby.

## Antique clock graces bank

BY IRENA GRANAAS  
Journal Editor

There is at least one tireless "worker" at the Lake Street FMB Northwestern Bank branch still going strong after over 100 years.

Visitors' eyes are constantly drawn to the handsome oak-and-glass-encased antique clock in the bank's lobby. The instrument was manufactured by the E. Howard Watch and Clock Company (Boston) sometime in the late 1800s, and it still keeps good time. Patent dates go from 1876 to 1885.

Branch supervisor Joan Lemerand said other FMB branch offices in East Jordan, Bellaire, Mancelona and Petoskey also have antique clocks, selected from the collection of William A. Porter, a former board member of the bank and grandson of William P. Porter, first president and founder of the bank. William A. Porter's father Howard P. Porter was the second president and was a board member for many years.

William A. Porter's daughter Mary Jason Porter has been a bank director there for about 10 years, giving the Porter family a fourth generation represented at the bank.

"People's attention goes right to that clock when they come in," said Lemerand. "Mr. Porter bought the clock about 22 years ago. He taught us all to wind it and care for it."

Porter said he has been collecting antique clocks for about 25 years, and used to keep the clocks in his former home, the Easterly house. But since he and his wife Esther have now moved to a smaller home, he no longer has room for all the clocks.

The FMB Bank branches have all purchased the clocks now on display, and another of Porter's clocks, a clockwork from an old railroad station, has been donated to the Boyne City office.

"Each clock was hand-picked by Mr. Porter to go with the decor of each branch," Lemerand said.

Porter is a member of the National Association of Watch and Clock Collectors.

"It was always fun meeting with other people with the same hobby," said Esther. "We'd find a clock here and there, or Bill would find one that needed restoring and he would restore it. That was a lot of fun."

Porter said the clock remains accurate within three to four seconds a month, but noted temperature and other factors do affect its accuracy.

"If you get a warm stretch, it runs a little slower," he said.

## Arts council hosts sixth invitational art exhibit

The Jordan Valley is home to many outstanding artists, and, by invitation, they will be sharing their talents with the public for a two-week period.

The Jordan River Arts Council (JRAC) will open the sixth annual invitational exhibit Sat., June 29 at the JRAC building, 301 Main, East Jordan. The reception is from 2 to 4 p.m. The show will continue daily through July 12, from noon to 4 p.m.

"The show will be a true tribute to the high quality of artistic endeavor in northern Michigan. Don't miss it!" said JRAC spokeswoman Jo Ann Dalto.

As many as 50 artists' work in varying mediums will be available for viewing and purchase. Showcased at the exhibit will be a number of painters working in oil, acrylic, watercolor, charcoal and pastel, and encompassing any number of styles.

Among these are Glen McCune, Marion Shea, Penny Pepin, Pat Tinney and Robert Eary, just to name a few. Photographers will also be well-represented this year - Karen Walker, who is presently featured by the Traverse Area Art Council in "Spatial Enigmas," Jim Galbraith and Julie Brunett are a sampling of the wide variety of work.

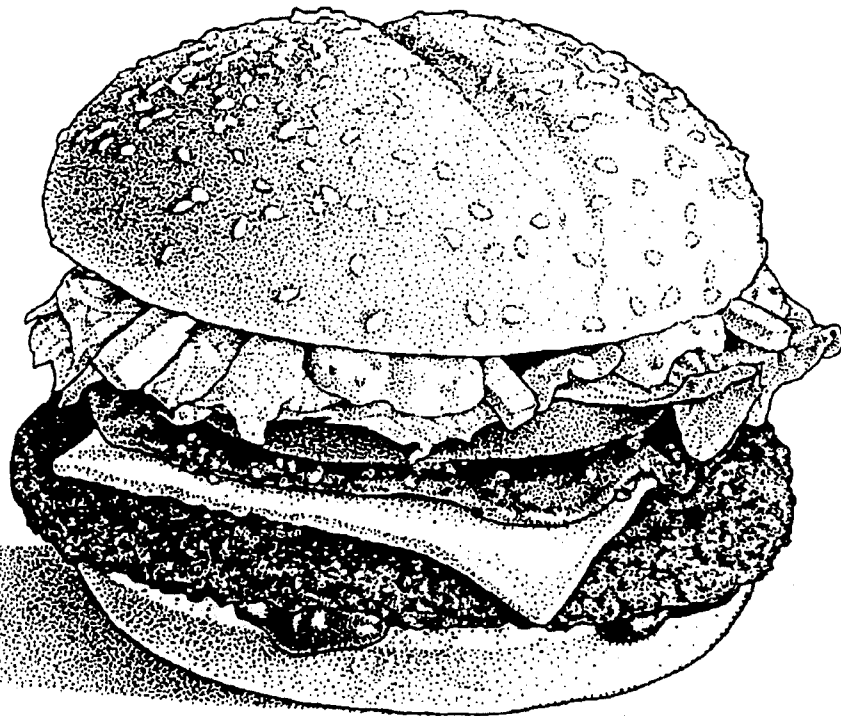

Well-known area potters such as the Bolts of Charlevoix, Bonnie Staffel and David and June Tis will be on view. Also, fiber artists Ori Bolt, Maggie Matthews and Diane Strelinski will share their magic.

Students who participated in the scholastic art competition will be represented, and a wide variety of fine-art mediums will complete the show.

To name a few - Pietro Vinotti of Walloon, woodcarving; Peggy Midener, fantasy boxes; Ron Abfalter, furniture; and Linda Beers Aydloott, jewelry.

## Techno-Kids Camp opens in Charlevoix

A new kind of camp is coming to Charlevoix and its focus is hands-on technology.

Founders Teresa Noirot and John Twichel believe tech-ed is the future, and kids learn best by doing. The camp will be based on this philosophy.

The educational goals of Techno-Kids Camp is to provide children the opportunity to take an active role in learning about flight, rocketry and engineering.

Children will learn new theories, concepts, and practical applications of each of these topics in a variety of ways - cooperative learning situations, hands-on activities which focus on the scientific method and computer programs and simulations. Kids will also blast into cyber-space as they learn to "surf the net."

• **Techno-Kids Engineering** includes the designing, construction and improvement of various structures. Compressed air systems, earthquake simulators, computer software and internet access are some of the activities which will be included.

• **Techno-Kids Rocketry** will offer kids a chance to investigate how rockets work and explore NASA's role in the continued development of the space program. The building of different types of rockets, launching these rockets and analyzing the test results will provide opportunities for hands-on experience this session.

• **Techno-Kids Flight** will teach youngsters basic aviation skills and principles of lift, drag and buoyancy. Kids will be engaged in assembling model aircraft, hot air balloons and computer-designed and generated paper airplanes.

An eight-foot mechanical aircraft, a flight simulator program and internet access will provide a realistic and fun experience for young pilots.

Camp sessions run for one week, three hours a day. Space is limited to 16 kids per session. Children may attend a morning session, from 9 a.m. to noon, or afternoon, 12:30 p.m. to 3:30 p.m.

Engineering is offered July 1 to 5, or July 8 to 12; Flight is offered July 15 to 19 or July 22 to July 26. Rocketry is offered July 29 to Aug. 2, or Aug. 5 to Aug. 9. Weekly sessions cost \$80, except rocketry, which is \$85 due to the cost of extra supplies.

Parents who would like their child to participate in one of these sessions can call 547-3457 for information or to get an application.

## A word fitly spoken

### Jesus loves and forgives!

"Blessed are they whose transgressions are forgiven." Romans 04:07

"If we confess our sins, He is faithful and just and will forgive us our sins and purify us from unrighteousness." I John 01:09

We must take God at His Word that each of us is forgiven. John 03:16 emphatically states:

"For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life" - You know and accept Jesus as your personal Savior.

Then we become a new spiritual being and His in-dwelling spirit within our hearts can be likened unto our conscience and guide.

We become doers of the Word not just hearers and desire to tell others of God's goodness and mercy and our joy and peace.

How sincere is God's forgiveness? Upon our repentance, God buries our sins in the deepest parts of the sea and as far apart as the East is from the West because God is Holy, God is just and God makes no mistake. He was then, is now and will be for everlasting.

Since God first loved us, and forgives no matter what the sin, He expects each of us to love and forgive one another. God is in control and no one can "out sin" God's Grace.

God is constant, never wavering, knows all, sees all, is infinite and full of wisdom and mercy.

When we carry the burden of an old sin it is best to confess it to our Lord Jesus Christ. Still feel guilty or wonder if God has truly forgiven you?

Turn to the many scripture verses listed in the back of the Bible or a concordance like Scofield

Bible or Strong's, under a key word you recall, and it will list part of the scripture verse listing the book, chapter and verse and page, so you can re-read the well-known passages.

Claim them - obey them and so God imparts His wisdom and truth to you. You will receive faith, hope and trust - real solace in your times of need.

I have many favorite scriptures underlined, like Ps. 121. Love mountains - you already know how much I love God's handiwork - nature, the Flora and Fauna, all peoples for with God's "Agape" love (unconditional love), we are able to live a Godly life.

"I can do all things through Christ which strengtheneth me."

Phil. 04:13

Ps 46:01-03: "God is our refuge and our strength a very present help in trouble. Therefore will not we fear though the earth be removed and though mountains be carried into the midst of the sea." "Though waters thereof roar and be troubled, though the mountains shake with the swelling thereof." Selah!

Remember: There is no love greater than God's love/Agape love which is unconditional and His love is absolute and forever! Praise the Lord!

By Anne F. Messerschmidt  
Anne Messerschmidt is a 75-year-old "joyous Christian." Readers can expect to see more of her writings in future issues.

### Did you know?

• The gannet is a large white sea bird with black-tipped wings. It often helps fishermen because it follows schools of herring and other fish, showing where the fish are located. The gannet dives from the air and plunges under water for the fish.

## WHAT'S COOKING

Recipes designed in the kitchen of Debbie Chappuies, with East Jordan cooks in mind

Several times I have made the mistake of serving this salad as a dinner salad with a main entree. It's a mistake because no one ever wants anything else but more salad. I first came across this delight in St. Armand's Key at a very popular restaurant called 'Columbia.' They have their recipes printed on their matchbooks and everyone is always hoping to receive one with their famous '1905 Salad.' The recipe will make four dinner salads or two main entrees; you decide for yourself.

### 1905 SALAD

- |                          |                               |
|--------------------------|-------------------------------|
| 1/2 head iceberg lettuce | 2 tomatoes, diced             |
| 1 celery stalk, diced    | 3 oz. Swiss cheese, julienned |
| 3 oz. ham, julienned     | 1/4 cup pitted Spanish olives |
| 2 Tbl. Romano cheese     |                               |

#### Dressing: (The most important part)

- |                             |                       |
|-----------------------------|-----------------------|
| 4 garlic cloves, minced     | 1 tsp. oregano        |
| 1 tsp. Worcestershire sauce | 1/2 cup olive oil     |
| juice of 1/2 lemon          | 1/8 cup white vinegar |
| salt & pepper               |                       |

Arrange salad ingredients in serving bowl or on individual plates. To prepare the dressing, mince garlic and put in a bowl. Add oregano, Worcestershire sauce and lemon juice. Beat with a wire whisk until smooth. Add the oil gradually and finally add the vinegar, beating continuously. Add salt and pepper to taste. When well mixed, pour over salad and toss.

### THE ILLUSTRATED BIBLE

#### So the Blind Might See

"Can a blind man lead a blind man? Will they not both fall into a pit?" - Luke 6:39

Most of us are inclined to be opinionated, to think that our way is best. We feel that others should follow our example - even when we are wrong. Yet as Jesus pointed out in His parable, we are like the blind man leading another blind man. Gropping can only bring disaster to both parties. That doesn't mean that we can't learn and in time be capable of teaching others. Yet so can they do likewise. The true measure of a person's ability to lead is to first learn to follow. We must also learn the guidelines for living with and loving our fellow beings. And what better guide is there for clearing the mist from one's eyes than the words of Jesus as He taught us to venerate God and respect one another?

## East Jordan School Board

### June 17 meeting briefs

Board members approved the 1996-97 general fund budget, with revenues of \$7.01 million and expenditures of \$7 million.

Superintendent Chip Hansen said the budget represents a two-percent increase in revenues and approximately 3.8-percent increase in spending over the 1995-96 fiscal year.

The budget includes \$185,000 in allocations for instructional technology and \$93,000 for the purchase of two new school buses. Other allocations support the addition of two faculty members to help accommodate the growth of the district, as well as the continued implementation of the district's strategic plan, said superintendent Chip Hansen.

In addition, the board approved the levy of 18 mills on non-homestead property to support the budget.

### Debt retirement mills reduced

Superintendent Chip Hansen was pleased to announce at the meeting a reduction in the debt retirement millage from last year's 3.40 mills to 3.15 mills, a 0.25-mill drop.

Hansen explained a lower-than-anticipated interest rate associated with the sale of the 1995 bonds provided the opportunity for immediate reduction of the millage.

"The community really stood behind us ... It really is just one way we can say 'thank-you' to the community for supporting that bond, and fortunately we were financially able to do that right now," he said.

### Staff resignations accepted

Board members learned of the resignations of elementary school secretary Lori McEachern and seventh-grade language arts instructor Catherine Meyer.

Hansen said Meyer, who has been with the district four years, has accepted a language arts position in Milan and will be closer to the University of Michigan, where she is working on graduate studies. McEachern, who has been employed by the district since 1987, expressed a wish to have more personal time.

"We really have appreciated the contributions both of these ladies have made to our schools," said Hansen. "They have been outstanding employees and will be sorely missed."

### Other business

■ The board appointed the following faculty and support staff members: Patti Anthony (high school business services and technology), Mike Gee (high school woods), Anne Petrie (seventh-grade social studies) and Cindy Bennett (bus driver).

■ The board voted to hold a special meeting Wed., June 26, at 5:45 p.m.

Board members are slated to hire additional staff members and handle some end-of-the-year matters at the meeting.

■ The board approved a resolution to hold all regular and special meetings scheduled for the remainder of June, July and August in the East Jordan High School faculty work room.

The board has been meeting in the middle school media center.

### Student named

An East Jordan student was among those named to the dean's list for the spring semester at Lake Superior State University, Sault Ste. Marie.

Solomon Townsend is a junior at the university, pursuing a degree in mechanical engineering technology.

## Norwood Historical Society hosts ice-cream social

The Norwood Area Historical Society will present an old-fashioned ice cream social Sun., July 7, on the Norwood School grounds.

The social will be held from 1 to 4 p.m., with proceeds to benefit the historical society. Ice cream, cookies, coffee and punch will be served for a \$3 minimum donation per person.

Events include a horse-drawn wagon tour of Norwood Village, blacksmith and cedar carving demonstrations, a quilt display, and more. A hand-quilted wall hanging will be sold to the highest bidder.

Norwood is located 10 miles south of Charlevoix, off US-31.

## Sports

## D&amp;D leads league

BY RICH CLARK  
Journal Sports Writer

The fourth week of the men's fast-pitch softball league was a wet one.

D&D Construction won both games they played. With the win over Charlevoix Electric top place is now their's alone.

The June 17, games were cancelled because of rain. No makeup date has been set for the two games not played.

On Wed., June 19, Charlevoix Electric and D&D Construction continued to remain unbeaten with wins. In game one Charlevoix Electric downed Shadow's/Sam's, 9-1. Ron Boss pitched the complete game win with three strikeouts and gave up five hits. Ray Argetsinger hurled the loss for Shadow's giving up 11 hits. Tex Drenth and Frank Hersha had homeruns to pace Charlevoix. Fred Grose led Shadow's with two singles.

Game two saw D&D Construction take care of Witson-Carbide by a score of 16-6. Dave Sckrocki handled the pitching chores by hurling four strikeouts and allowing eight hits for the win. Mike Boyer and Scott Kelly combined to allow eight hits in the loss. John Skop, Norm Olson, and Steve Bartlett each hit homers to help D&D. Scott Kelly led Witson with two homeruns and a double.

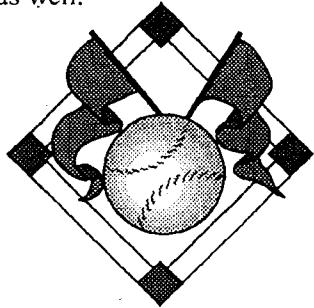

On Fri., June 21, three games were played with about a 15 minute rain delay in game two. Game one was a big one, as undefeated D&D squeaked by previously unbeaten Charlevoix Electric, 5-4. Brian Bolser and John Skop combined to pitch the win. Brian Warner took the loss for Charlevoix. Steve Bartlett was the man with the big stick for D&D with only two, two-run homers, but Randy Bennett had the game winning run with a solo homer of his own. Charlevoix had no power slump either as Mike Martin cranked out two homers, with Frank Hersha supplying one as well.

It rained all of game two except the last two innings. Shadow's/Sam's came out of the rain with an 8-6 win over Tom's Golf. Donny Smith pitched three strikeouts and allowed 12 hits for the complete game win. Ron Heinbaugh and Vern Ringle combined to give up 11 hits in the loss. Fred Grose led Shadow's with three singles and a walk in four trips to the plate. Lyman Harris nailed a homer and a single to pace Tom's Golf.

Rainbow Bar donned their new purple uniforms in game three but it helped little as they fell to Tom's Diesel, 11-13. Steve Goebel hurled six strikeouts and allowed 13 hits in the victory while Kevin Russell gave up 12 hits for Rainbow. Steve Goebel helped his cause with two dingers (homers) and two doubles. Gerald Gee also pitched in with a double and two singles for Tom's. Jim Raymond had a homer and two singles and Doug Stark added three singles to pace Rainbow. Jim Price added a homer as well.

Standings as of June 22

Team	W	L
D&D Construction	5	0
Charlevoix Electric	5	1
Rainbow Bar	3	3
Tom's Diesel	3	4
Tom's Golf	2	4
Shadow's/Sam's	2	4
Witson Carbide Tool	1	5

## Flags decorate downtown

The Holiday Decoration Committee and members of the Veterans of Foreign Wars worked together May 24 to hang American flags in downtown East Jordan.

Banner brackets purchased to display Christmas banners are being utilized this summer to display American flags the VFW had purchased several years ago. After making slight adjustments the flags were mounted on various light poles downtown.

The flags were placed down both sides of a two-block area with volunteer help from city

employee Ray Nemecek.

"The flags have been packed away in a box," said Laura Hansen, member of the Decoration Committee, "and when we approached the VFW club about trying to use them they were very pleased and willing to help in any way they could. Both our groups feel the flags are a real asset to the downtown."

The two groups hope to have the flags displayed from Memorial Day through Labor Day weekend. Hansen expressed "many thanks" to all who helped with the project.

*"There is no human problem which could not be solved if people would simply do as I advise."*

Gore Vidal

## Friends of Jordan receives grant

The Friends of the Jordan River Watershed, Inc. (FOJ) received a grant from the Michigan Environmental Council's (MEC) Land Stewardship Initiative program to conduct an educational project in conjunction with the work of the Lower Jordan Conservation & recreation Committee (LJCRC).

The \$2,000 grant will help promote conservation and sustainable preservation of land in the lower Jordan River region. Partners in the project include FOJ, the East Jordan Area Chamber of Commerce, the City of East Jordan, Little Traverse Conservancy, and Tip of the Mitt Watershed Council.

The mission of the LJCRC is to preserve, protect, and utilize the valuable land and water resources of the lower Jordan River region for the educational, environmental, recreational, cultural and economic benefits of East Jordan and surrounding commu-

nities.

The committee will soon be conducting the first of several public meetings to convey information and gather citizen input for the project and begin to establish a set of "guiding principles" for the project area.

MEC, based in Lansing, is a coalition of over 35 environmental and conservation organizations, including FOJ. Recognizing the environmental and economic impact of sprawling land use trends, MEC elevated the promotion of a land stewardship ethic in Michigan as a top priority.

MEC's goal is to protect property and natural resources through problem-solving, community-based demonstration projects, diverse partnerships and responsible public policy. As part of the initiative, the Charles Stewart Mott Foundation of Flint awarded MEC funds to use for a mini-grant program.

"We're very excited that Friends of the Jordan will be undertaking this project, as it will support our coalition's overall effort to promote better land planning throughout the state," said Julie Stoneman, director of land programs for MEC.

"Our members are undertaking projects across Michigan, most at the community level, that will help perpetuate natural environments, revitalize and improve the quality of urban environments, and link people to the places where they live in a way that promotes a stewardship ethic towards the land."

"We're very grateful to MEC and its Land Stewardship Initiative for the seed money to begin the work to preserve an important resource such as the lower Jordan," said John Hummer, program director for FOJ.

For more information, contact Hummer at (616) 533-5063 or (616) 533-8818.

## Discovery is center of activities at Raven Hill

*continued from front page*

Cost for a one-week class is \$40 or \$10 per day.

Science classes cover such topics as Michigan geology, flowers and trees, rocks and minerals, model airplanes, swamps and ponds and microscopes. Children can select history classes such as knights and castles, survival, Indian crafts, Indian foods and culture or the Civil War.

Day classes starting the week of July 1 include microscopes, textiles, survival and nature crafts.

And there is much, much more! For schedule of events and more information, call Raven Hill at 536-3369 or stop by to pick up brochures.

## Free computer training offered through consortium

The Northeast Michigan Consortium is looking for unemployed workers who would like free computer training. Eligible participants will receive hands-on experience working with word processing, spreadsheet and database programs using the latest business software. All books, diskettes and materials will be free to qualifying participants. North Central Michigan College's Institute for Business & Industry Training (IBIT) will provide the equipment and instruction.

"Nearly every type of business today relies on computers, so employers are always looking for employees with good computer skills. For someone trying to compete in the job market, courses like this are essential," explained IBIT Director Tom Nathe.

To learn how you can benefit from this free computer training, please call the Northeast Michigan Consortium at 1-800-371-2533.

**A YOUNG DESIGNER** proudly holds up the T-shirt he customized during the Art to Wear workshop. Hunter Seide attended the workshop June 21 while staying with grandparents in the area.

# FMB Corporation announces stock split

**Fifty years**  
Former East Jordan residents George and Irene (LaPeer) Brooks will officially celebrate their 50th wedding anniversary July 3.

The board of directors of First Michigan Bank Corporation approved a cash dividend June 14 of \$0.21 per share and a subsequent four-for-three split on shares of FMB common stock.

"The cash dividend reflects our company's strong performance and a potential for additional growth," said David M. Ondersma, FMB Chairman and CEO. "The future looks very positive for the corporation and we intend to continue sharing our success with our shareholders."

The cash dividend will be payable to shareholders of record as

of June 28, 1996, and will be payable July 31 on pre-split shares.

Stock will be split for shareholders of record as of July 1, 1996, and the additional shares will be issued July 26. For each share of FMB stock, one-third of a new share will be issued, so that shareholders will own four shares for every three they currently hold.

"FMB stock has been trading solidly in the \$30 range in recent months," Ondersma said. "We believe a price in the low \$20 will make the stock more affordable

for a broader range of investors."

Beginning in the third quarter, the dividend rate will be adjusted in accordance with the stock split. Ondersma said FMB intends to maintain its strong dividend-to-earnings payout ratio. This will be FMB's third stock split in the past six and a half years. Similar four-for-three splits were declared in January 1990 and January 1994.

First Michigan Bank Corporation is headquartered in Holland, Mich. The company has 14 affiliate banks with 87 branch offices throughout Michigan.

### PROCEEDINGS OF THE EAST JORDAN CITY COMMISSION

The East Jordan City Commission met on Tuesday, May 21, 1996 in a Work Session meeting, Mayor Peck presiding with all members of the Commission present. Discussion was held on whether or not the City should begin development of the Industrial Park and a proposed Adult Business provision to the Zoning Code was presented to the Commission.

A copy of the minutes of the above meeting is posted in City Hall for review and copying during normal business hours.

39-1tc

### PROCEEDINGS OF THE EAST JORDAN CITY COMMISSION

The East Jordan City Commission met in Regular Business Session on Tuesday, June 4, 1996 at 7:30 p.m. in City Hall, Mayor Peck presiding with all members of the Commission in attendance. Minutes were approved and acknowledgment was given to paid bills in the amount of \$183,941.35.

Further Commission Actions: reappointed Dorothy Archer and Shirley Etcher to four year terms on the Jordan Valley District Library Board; authorized that a permit for the 1996 Freedom Festival be issued; initiated the process for obtaining applicants for a city appointed committee to study an industrial park; authorized the refinishing of the civic center floor and the purchase of a new stage from non-allocated funds in the 1996/97 fiscal year budget; authorized the City Administrator to obtain written response from 911 headquarters clarifying recent newspaper articles that informed of Charlevoix County being excluded from the 911 service; and received three citizen comments.

A copy of the minutes of the above meeting is posted in City Hall for review and copying during normal office hours.

## Police reports

### Drivers escape injury in collision

Two men were involved in a property damage auto accident June 6 on Bridge Street near Jordan Street.

Police Chief Jerry Alward said William Mathers was pulling into a driveway on Bridge Street in a Chevrolet pickup at about 2:10 p.m. when his vehicle was struck from behind and pushed into a power pole by William Castle, driving a Chrysler four-door.

There were no injuries reported and both men were wearing seatbelts at the time of the accident. Castle was cited for expired registration tabs.

### Ball breaks windshield

A parked car was damaged June 11 by a foul ball batted out of the baseball field on Water Street.

Police reported the foul ball struck the windshield of the car owned by Janet Massey at 9 p.m., breaking the glass.

### Driver strikes deer

An East Jordan man was involved in a deer-car collision June 19.

Police Chief Jerry Alward said Clayton Taylor was traveling east on Water Street near the city limits at 10:15 p.m. in a 1989 Pontiac. A deer ran out into the roadway and Taylor was unable to avoid hitting the animal.

#### Did you know?

• The common snapping turtle has a small shell in relation to the rest of its body. The snapper cannot retreat into its shell for protection, and so depends on its strong jaws for defense.

## EMS technicians learn to deal with stress

Charlevoix Area Hospital was host to Antrim and Charlevoix emergency medical services personnel, the Charlevoix County Sheriff's Office and the CCE Central Dispatch Authority (911) on April 18 for a buffet dinner and a talk on stress.

Rev. Dave Behling, chaplain at Northern Michigan Hospital, spoke on "Critical Incident Stress Management" to help emergency medical service providers appropriately manage the personal anxiety and tension which is often a result of working in this field. He explained the common reasons for stress, symptoms, and ways in which EMS personnel

can deal with this problem to prevent it from becoming a significant obstacle in daily life.

He explained that stress is normal and usual, but can become a concern when it begins to interfere with regular routine, such as sleep. Simple measures such as talking it over with a friend are sometimes all that is needed to alleviate the stress.

It is hoped through the tips given, emergency medical personnel who experience very stressful situations almost daily, will now be better able to care for themselves and confront the stressful consequences of their work.

## We Give Mature Drivers, Home Owners and Mobile Home Owners Special Savings.

Our statistics show that mature drivers and home owners have fewer and less costly losses than other age groups. So it's only fair to charge you less for your insurance. In-sure your home and car with us and save even more with our special multi-policy discounts.

## Service news

### Brennan returns from overseas

Marine Cpl. Joseph B. Brennan, son of Mike T. and Mary A. Brennan of East Jordan, has returned to Camp Pendleton, Calif., after completing a six-month deployment to the Persian Gulf with the ground combat element of the 15th Marine Expeditionary Unit (15th MEU), as part of the *USS Peleliu* Amphibious Ready Group (ARG).

Brennan is one of nearly 2,000 Marines embarked aboard the three-ship ARG, which includes the amphibious assault ship *USS Peleliu*, the amphibious transport dock *USS Denver* and the dock landing ship *USS Anchorage*.

While on deployment, Brennan and fellow marines and sailors

participated in several multinational exercises with forces from Kuwait, Qatar and the United Arab Emirates, which included landing marines ashore.

The ARG traveled more than 45,000 miles, enabling marines and sailors to visit Hong Kong, Kuwait, Oman, the Philippines, Singapore, Thailand and the United Arab Emirates. In Phuket, Thailand, Marines and sailors renovated a local elementary school, and helped distribute medical and hygiene supplies from Project Handclasp.

A 1992 graduate of East Jordan High School, Brennan joined the Marine Corps in July 1992.

### Miller awarded Marine medal

Marine Cpl. Keith A. Miller, son of Jerry and Holly Miller of East Jordan, recently received the Marine Corps Good Conduct medal.

the medal recognizes the service member's honest and faithful service during a three-year period. To earn it, Miller achieved and maintained a satisfactory level of performance and an unblemished conduct record for the entire period.

Miller is currently assigned with the 3rd Battalion, 12th Marines, Camp Hansen, in Okinawa, Japan. The 1989 graduate of East Jordan High School joined the Marine Corps in 1993.

## Charlevoix Visitors Bureau plans concerts

Dr. Goodheart's Home Remedy will entertain the crowd in East Park Wed., July 3, as the Charlevoix Convention and Visitors Bureau begins its sixth summer concert series.

At the 8 p.m. concert, the first of nine slated for July and August, the group will entertain with their popular blue grass, folk and cajun music. The convention bureau will host the concerts 8 p.m. Wednesdays through August, except when community activities are planned in the park.

The schedule for concerts is: July 10, Bill Sparrow and Sabra Hergt (fiddler, variety, country and jazz); July 17, Patti Clark and Friends (folk, stories, poet); July 24, Loose Change (country, variety, vocals); July 31, Bay View Brass, (jazz, variety, classical); Aug. 7, Larry Wojcik and Friends (Big Band sound); Aug. 14, Corporate Brass (variety,

jazz); Aug. 21, Samantha Moore Ensemble (jazz, American music, vocals); Aug. 28, Chris Martin (country, variety, vocal).

Also planned this year are Charlevoix City Band concerts in the bandshell at 7 p.m. Tuesdays, starting June 25 and continuing weekly through Aug. 6. In the event of rain or inclement weather, the Wednesday concert will be canceled.
