## at a GLANCE

### Honor Society inducting new members

It will be a memorable night for 28 East Jordan High School students who will be inducted into the National Honor Society Monday, Oct. 28.

The ceremony will be held in the high school auditorium beginning at 7 p.m.

"This is one of our larger groups," said National Honor Society advisor Kathleen Stangis.

Family members are invited to attend. For more information contact Stangis at 536-2259.

### PTO sponsors great Pumpkin Caper Monday

The Great Pumpkin Caper is Monday, Oct. 28, at the East Jordan Elementary School cafeteria.

The caper begins at 7 p.m. and entries will be accepted until 7:30 p.m. Pumpkin lighting starts at 7:30 p.m. with judging to follow.

Pumpkin prize categories are: best carved, best decorated, funniest, scariest, and best of show. There will be games, prizes, free cider and doughnuts, and a bake sale.

The pumpkin caper is sponsored by the East Jordan PTO.

Kristina Nelson and the rest of the high school band filled the celebration with music.

### Homecoming celebration

And while the band played, the cheerleaders entertained the crowd gathered for Friday's parade.

It was a night to remember for Bridgett Larsen and Thor Leach, East Jordan's homecoming royalty. They were crowned during half-time activities.

## Interim no more Commission picks David White to lead the city

David White was hired Monday as East Jordan's city administrator.

White, who has served as interim city administrator since August, was a unanimous selection of the commission after it interviewed two other candidates Monday night.

Also interviewed were Gordon Gallagher, village manager of Lakeview, and Larry Heubner, former Wexford County administrator. The commission was assisted in its search for a new city manager by Tom McNabb of the Michigan Municipal League.

White has been commuting to northern Michigan from Saline where he served for five years as a city administrator, and more recently, in the private sector. Before Saline, he worked as a city administrator in towns in Ohio, Iowa, and Michigan.

Many of White's strengths as a city administrator, he said in an interview shortly after coming to East Jordan, stem from the years that he served in a variety of different kinds of communities from the smaller Capac, Mich., to the bustling crossroads of Sioux City, Iowa.

"Working in these many different communities gave me experience and taught me many different ways to look at things," White said.

The commission and White still need to agree on a contract. He said Tuesday that he was preparing a letter to the commission for its review regarding his contract.

### ABATE Toy Run is Saturday in EJ

A Toy Run for East Jordan's Care and Share, sponsored by ABATE, is Saturday, Oct. 26.

ABATE, which stands for American Bikers Aiming Towards Education, holds the Toy Run each year. It will start in Cheboygan and end at the Rainbow Bar in East Jordan at about 5 p.m.

Unwrapped new and good used toys are preferred. Toys can be dropped off at the Rainbow Bar.

For more information, call Vivian Densel at 536-7192.

## Students use teamwork to build The Wall

East Jordan Middle School teacher Gail Gotts stands with the crew that built the wall.

By TODD MORTENSEN

Towering 12 feet, high among pine and spruce branches, stands the mighty "Wall!"

Responsible for its construction was an ambitious group of East Jordan seventh and eighth graders. As a thick morning fog began to lift, the group gathered and headed into the woods at the Wagbo Peace Center in East Jordan. Soon they picked up hammers, nails, old fashioned brace drills, measuring tapes and pencils, and turned themselves into carpenters.

What exactly is "The Wall?"

Imagine yourself in a group of seven or more people, standing at the bottom of a 12-foot high, completely vertical wood wall. Your job now is to get the entire group up and over the wall as safely and efficiently as possible. No ropes, no ladders, only mind, muscle, and sheer determination allowed.

The physical challenge of The Wall helps to foster teamwork and confidence, as well as the willingness to give and receive help. Most groups would agree that it is an extremely rewarding though at first intimidating lesson in the importance of cooperation, problem solving and conquering fears. As that last person scales the wall and puts a foot to safe ground, screams of joy and high fives always seem to echo through the woods for miles.

The Wall is one among many physical elements found through the pine forest at the Wagbo Peace Center. All of the elements together, some of which are still under construction, will make up a full Group Initiatives Course. Once completed, the course will be open to area schools, visiting groups, and those who are seeking a meaningful, challenging experience.

### Much is happening at Wagbo Center

The Wagbo Peace Center is a 212-acre farm, located three south of East Jordan on M-66.

Many people probably pass the center by car or have heard about it from friends, yet still aren't sure what it is.

Others may have seen the horse pulled wagon ambling slowly down the road, or heard the sounds of chopping wood. You may have noticed people working the garden or constructing a new building, or seen the collection of signs hanging in front which advertise what is being produced on the farm: maple syrup, rough cut

Please see WAGBO on page 3

Understanding and utilizing this kind of experiential education, is East Jordan Schools, which brought their students to the Wagbo Peace Center as one of their Service Learning Projects. "Kids need to feel part of their community," said school social worker Jack Dean. "Showing them that they can make a difference within their towns, will show them that they can then make a difference in the world."

Gail Gotts, the Middle School teacher who organized the wall building, is taking the learning experience of the woods and bringing it back into the classroom. "Tomorrow's math

With hammer in hand, Jenny Barrow pounds a nail as The Wall begins to take shape.

will be composed of questions involving board lengths and how much might be required for a particular project," she said.

Their English and reading, according to Gots, may focus on the early pioneers who built their homes in the woods, or perhaps on individuals with physical disabili-

ties and how they would manage such tasks.

Well what did the kids think of all this?

In brief silences between pounding nails and loud voices giving directions, all said they enjoyed the chance to work as a team outside the classroom. Comments were made about the awkwardness of using certain tools

like the brace drill for the first time, but a few thought it was "cool," as they learned a new skill.

Andrea Palmrose, not afraid to drill or hammer anything said, "Being part of something which everybody else will be doing in the future is neat." She is right, The Wall will endure and Wagbo Peace Center expects thousands to use it in the coming years.

lumber, firewood, rabbits, and AKC Brittany Spaniels. And with the name Wagbo Peace Center, one might wonder if simply going there will give them a peaceful feeling.

"That certainly is part of our goal," said Rick and Tracy Meisterheim, co-directors of the center. On letterhead the center is described as a non-profit education center for nonviolence and sustainable agriculture. "That is about the shortest possible way to sum up the seemingly hundreds of different things we do here," Tracy said.

The center got its name from the Norwegian Wagbo's, who homesteaded the property in the early 1900's. When the last remaining heir, Martha Wagbo, died in 1992, she left the land and assets to be willed in trust that it would be developed into a place of education and calm reflection on issues of peace, nonviolent

conflict resolution and responsible care of the environment. Working hard to assure that Martha's dream is realized, the center is involving itself with the community in special ways.

The only way to teach values is through example, that being one of the center's most important commitments. Two East Jordan boys know exactly what that means, as once a week they come to the farm as apprentices and help with that day's work. Driving the team of Belgian draft horses, working hard alongside others, and learning good stewardship of the land are everyday occurrences at the center.

With this help, the homestead is being developed into a sustainable organic farm. In its design it will serve as an educational model for training others in these practices. Other programs include community events such as folk music coffee houses, guided hikes, or workshops on simple living skills. Further down

the road a residential retreat center is planned that will house domestic as well as international students.

Trying to organize all this, the Meisterheims seem to have a huge task before them. Through faith and hard work a 10-year plan is being followed with very direct visions. Rick and Tracy are always the first to point out that what has happened so far and what will happen in the future is directly related to volunteer and community response.

"We don't want to work for 10 years and then open our doors," Rick said. "We want to involve the community each step along the way."

One way to describe the Wagbo Peace Center might be a puzzle of a thousand pieces. The final picture is clear but the hands required to snap the pieces in place will be many. So take the example of East Jordan Schools, who came with open hearts and willing hands, and snapped in a few pieces of their own.

# All in all, it was a great day for the Grass Drags

By JEAN PARDEE

The second annual Grass Drag on Oct. 13, hosted by the East Jordan Sno-Mobile Club, was deemed quite a success. Certainly a more beautiful day would be difficult to come by.

A true panoramic viewing of colors provided those touring to and from East Jordan a day to remember. The temperatures soared up into the 70's, catering to the spectators who came to watch the action. I'm sure the machines have a real preference for "snow" which caused extra cool down time to keep them alive.

Not all machines stayed alive, however, as the club president Dick Clark can testify. Dick entered one of his famous Rups in the Vintage Division and in the process of attempting to compete, his Rupp reared up, bucked him off in the middle of the track and stopped short, only to be assisted off the track by the clean up crew. Dick's ego was smashed with the only consolation being that his buddy, Joe Kuchnicki, from Brutus won the division on his Rupp. Cheers to the Rupp and may your Rupp match continue.

The day's entry count was a few shy of 100 with the club's race director, Ren Graham, doing a great job

Photo by Jean Pardee

keeping the race running smoothly. Ren has a few ideas to make next year's Grass Drag run even better. The feeling throughout the day was that everyone in attendance was there to have a good time and that's what an amateur race is all about.

The crews working the race did their best to accommodate the crowd at hand and they felt their efforts were appreciated. I'd like to see the Powder Puff Division of the Grass Drag dropped and simply let those coura-

geous women run with the men since many of them are already doing and from all observations, they're doing a mighty good job.

In the Stock A Division, the top two winners were women with the men taking home the third and fourth place. There was an interest shown in having more divisions for the youthful drivers. Little Emily Atkinson from Alden was the top dog in the Kitty Kat Division, nice going and not just because Emily's a girl.

Take notice guys, the girls are now starting into racing at a tender age.

Speaking of girls, we have a second generation of racers coming up. Sunday's race was a "first" for Gina Gregg of Twin Lake and believe me, she was very excited over the prospect of being an entry. Gina entered the Powder Puff Division and competed against some powerful stuff and while she didn't win or place, she got her feet wet and should be a person to watch for in up-coming races.

Gina's mother, Barbara Martin of Muskegon, was one of those tried and proven racers of the oval track back in the first hey day of snowmobiling sometime in the late 60's/early 70's and according to

Gina, her mother was one fierce competitor. Barbara raced in competition when she was 8 months pregnant, with the boy child that emerged inheriting her savvy for the racing sport... and now Gina has caught the bug. We'll be watching for your name in future race results, Gina, and may you come back to East Jordan sometime and take that trophy home.

Results of East Jordan racers are as follows: Stock Featured: 1st Larry Farmer; Stock A: 3rd Mike Legato; Stock AA: 2nd Larry Farmer; Mod up to 500: 2nd Ren Graham; Mod 500: 3rd Rob Kauska; Stock D: 1st Denny Graham; 2nd Ren Graham; Improved B: 2nd Rob Kauska; Stock B: 2nd Rob Kauska; Improved C: 3rd Denny Graham.

## Chamber drawing has more winners

The following individuals were winners in the recent East Jordan Chamber of Commerce Cash Raffle:

Anita Pentecost, Cyndi Penzien, Judy Bernier and Zila Healey all of East Jordan. Zila Healey became another repeat winner for the year. Ticket sellers receiving ten dollars for having a winner drawn included Jeanne Snyder, JoAnne Smith and Mary Clough (two winners.) As of this month, Mary Clough has received \$100 for her ticket winners

and JoAnne Smith \$60 for her winners sold.

The 1997 East Jordan Area Chamber of Commerce Cash Raffle tickets are now available from board members, many businesses and at the Chamber office.

Tickets are \$10 each and are good for one year. Four \$100 winners are drawn each month and winners' names are put back in. All proceeds benefit the chamber. For more information call 536-7351.

HE'LL BE WORKING WITH CITY AND TOWNSHIPS

# New planner settles in

Tim O'Leary doesn't know Bay Street from Boyne Avenue or East Street from Main Street.

But he will learn, and much faster than most newcomers to Boyne City.

O'Leary is the new director of planning and zoning for Boyne City and Evangeline, Melrose and Wilson townships. He started the newly created position last week and his office is in city hall.

A graduate of the University of Michigan, O'Leary has a bachelor of science degree in natural resources and master's degrees in urban and regional planning and landscape architecture. It's just the background the city and townships were looking for.

With the addition of a planner, the city and townships will be able "to coordinate our growth and to work together to have someone available full time," said city manager Randy

Frykberg.

O'Leary will work on a contract-basis with the city and townships and will not be considered an employee of either. His main responsibilities will be to assist in guiding the growth of the area and work with the townships' and city's planning commissions.

"Not many communities or areas have the foresight to take the initiative to work together," O'Leary said. "They are often more concerned with their own boundaries. Here they are aware of what's happening and addressing the issues."

Before moving to Boyne, O'Leary worked 14 months for a multi-discipline engineering firm in Rhinelander, Wisc. He also worked a brief time for Clinton Township.

O'Leary was raised in Holly, Mich., but his parents moved to Ironton three years ago and own the Acorn Cafe in Charlevoix.

IT REACHES A MILESTONE THIS MONTH

## Housing Coalition has reason to celebrate

The Charlevoix Emmet Housing Coalition (CEHC) invites the public to attend its fifth anniversary celebration on Tuesday, Oct. 29, from 4-6:30 p.m. at Stafford's Perry Hotel in Petoskey.

Coalition board members will be on hand from 4-6 p.m. at the hors d'oeuvre reception to celebrate achievements and challenges of the coalition, followed at 6 p.m. by a brief board meeting and election of board members.

The Charlevoix Emmet Housing Coalition is a non-profit organization which seeks to provide, develop and advocate for adequate and affordable housing for low and moderate income households.

Board members nominated for the 1996-98 term include: Lee Barta, vice president of CB North; Kathy Johnson, director of development and volunteer services at Charlevoix Area Hospital; Jeffrey Peters, manager/vice president of Standard Federal Bank; Willie Jo Shotmiller, a representative of the Petoskey Club; and Sally Cooper, a representative of area

renters in Charlevoix County.

Other board members of the Coalition whose terms have not expired include Bonnie Worden, supervisor with the Charlevoix Family Independent Agency; John Porter, owner of Porter Enterprises; Rachel Swiss, vice president of NBD Bank; and Thelma Behling, mayor of Boyne City.

During the past five years the Charlevoix Emmet Housing Coalition has grown from a small volunteer-based organization with approximately 35 members to a fully credited non-profit organization which has guaranteed deposits for 103 families through the Aaron J. Blumberg Loan Fund.

It has also painted nearly 100 homes in the two county area for low income, elderly and handicapped families; assisted over 50 families for roof, sanitation and other safety and health rehabilitation projects through Community Development Block Grants totaling \$630,000; had a Neighborhood Housing Grant which provided emergency repairs to 15

homes in Charlevoix County; and established a tool lending program.

Anyone interested in learning more about the CEHC is encouraged to attend the celebration on Oct. 29. For more information about the coalition, how to apply for a grant or to

have your home painted, or for more information on how you can assist, contact Vicki Morgan or Yvonne Howery at 582-2894.

The Housing Coalition office is located in the Lake Street Mall in downtown Boyne City.

All of her children, Ellen Simon and husband Mark and their daughter Angela of Petoskey, Sherry Clark and her brother, David Larson, and Jill Charbeneau and friend Tim Nietupsky, all of East Jordan and Jan's sister, Kathy Potter of Boyne City made it a real fun evening of surprises, gifts and cards. A beautifully decorated birthday cake made by Jill rounded out the good time.

**WHAT'S COOKING**

Recipes designed in the kitchen of Debbie Chappuies, with East Jordan cooks in mind.

With the Jordan Journal changing hands I was given a little time off for good behavior, but I'm back and ready to cook! I'd like to thank Glen's in East Jordan for sponsoring me and all of you who asked about me. It's nice to know so many actually read this column.

During my little hiatus I went salmon fishing. We had mild success considering we couldn't locate our fish finder. With the help of friends we were able to land a couple of nice ones off the cement plant (at least that's where we're supposed to say we were). Now that we have some fish in the freezer, I've been on the lookout for different ways to prepare it. So far a big hit has been Fish Chowder. The greatest thing about chowder is in less than 1 1/2 hours, you have a super meal. This recipe is very easy and makes a large batch. For the two of us, I have been making only half the recipe and still have plenty for another meal. If you have some bacon on hand, I found it nice to add a few crumbled strips. When it is time to thicken your soup, make it only as thick as you like it. No rules say it has to be as thick as gravy. Buon Appetito!

**FISH CHOWDER**

- 1 1/2 cups chopped carrots
- 7 med. potatoes, cubed
- 1 stick butter
- 1 1/2 cups chopped celery
- 1 large onion, chopped
- 3 Tbl. chicken base
- 1 lb. frozen peas
- 3 lbs. fish, cubed
- 6 cups milk
- 1 qt. half & half
- salt & white pepper
- cornstarch

Cover carrots and potatoes with water (2" over) in a large pan and boil 5 minutes. In a skillet gently fry celery and onions in butter until tender (not browned). Pour butter and veggies into soup pot with potatoes and carrots. Add chicken base and peas, boil 5 minutes more. Turn heat to low, add milk, half & half and salt & pepper to taste. Simmer for 20-30 minutes. Thicken with cornstarch/water and serve.

## She's fighting for children's causes

Laura Warren, an eighth grader at Concord Academy Boyne, has recently become an activist for children's issues and is working to get a new law passed to protect children.

The 13-year-old East Jordan student, who is also a published writer, accomplished performer and model, recently traveled to Lansing with a group of 11 adults from northern Michigan to attend a Stand for Children rally to promote children's issues.

Laura also writes letters to anyone she thinks can help, including judges. Laura became interested in children's safety, her mother, Karen Donaldson said, when she learned that her foster nieces and nephew were being forced by the system to have visitation with a parent who was several times convicted a child molester, and that there was a possibility that the parent might eventually gain custody.

Since then, she and her mother have been trying to bring the issue to public attention.

"Megan's Law is supposed to notify the community when people like this move into the area," Laura said, "but there is nothing to protect the children of this kind of offender. The Family Independence Agency (DSS) even insists on setting up visitation with the children of these abusers when they

Laura Warren

get out of prison or jail with the idea of 'reuniting' them. This has got to stop."

The law proposed by Laura and her mother will "at the time of conviction of sexual offense, automatically terminate the parental rights of the offender, and forbid that said offender have custody of, or live with any minor children in the future."

They also want FIA/DSS to immediately stop its policy of children's visitation with convicted sex offenders.

So far, one legislator has expressed interest in introducing such a bill next year.

## Students discover Raven Hill during classes this past summer

Ten students from Boyne City and Boyne Falls schools attended Raven Hill Discovery Center June 24-Aug. 9 under the sponsorship of the Boyne Valley Garden Club.

The students who attended were chosen by teachers. They were Jessica Clark, Justin Houck, Tyler Kalbfleisch, Julie Kassuba, Joshua LaCombe, Sam McVannel, Brandon Mead, Jessica Osredkar, Ben Robinson, and Paula Witte.

The subjects chosen by the students for study were: Knights and Castles, Textiles, Swamps and Ponds, Indian Culture, Model Airplanes, Inventors Workshop, Survival and Inside Out.

Classes were for one week and the total cost was \$420 plus \$76 for transportation. The Boyne Valley Garden Club has been sponsoring the program for several years and is pleased to make this contribution to the children and to Raven Hill, said club president Betty Shaver.

The Garden Club is a member of the Federated Garden Clubs of Michigan and the National Council of State Garden Clubs.

With the help of the Boyne Valley Garden Club, these students were able to attend Raven Hill classes.

Boyer City hosts Traverse City Friday in this season's big . . .

## Showdown

BY TED KARASZEWSKI

The Johncheck brothers put Boyne City in high gear last Friday with crisp, accurate passing as the Ramblers earned a hard-fought 41-29 non-league victory over Lincoln-Alcona.

The Johnchecks, sharing quarterback duties, combined on 7 of 9 passes for 102 yards and each had a touchdown pass.

Coach Pat Klooster was happy to see his team back on track offensively after struggling the last couple of weeks.

"We were able to take advantage of some of the things Alcona showed us on the film," Klooster said. "We had a little different game plan but it was a good plan. Alcona had a tendency to dominate on one side, so we went away from that."

The offense couldn't get back on track at a better time as the Gladiators of St. Francis visit the snake pit this week for a showdown between two unbeaten for the conference title. Boyne City is glad to be home after three away games (all homecomings) and the anticipation of the biggest game of the year is almost too much for the fans, coaches and players.

"No doubt this is the biggest game of the year with high stakes regarding playoff ramifications for both teams," Klooster said. "Our kids are really getting fired up for this one. We're glad to be back home after playing away for three weeks. We've had some tough games with Harbor

Springs and Charlevoix and St. Francis is never easy. We'll be ready to play.

"It's going to come down to who makes the least mistakes. You can't make mistakes and beat St. Francis."

Alcona scored the first touchdown of the game on its first drive, covering 80 yards on 14 plays capped off by Ron Gonyea taking the ball in from the one yard line. Gonyea kicked the extra point for a 7-0 Tiger lead as Alcona ate up over nine minutes of the clock.

Boyer got on the board early in the second quarter after Brian Mapes intercepted a Mike Walker pass setting Boyne up in good field position at the Alcona 48 yard line. Five plays later, Steve Johncheck scored on a quarterback sneak from the one yard line bringing the score to 7-6.

Still in the second quarter, the Ramblers struck again after Johncheck found Mapes for a 26-yard gain to take the ball inside the Tiger 5 yard line. Two plays later, Dean Fiel scored from the two yard line. Fiel added the two point conversion for a 14-7 lead.

Josh May set up the Ramblers' next score with an amazing 42 yard run down the right sideline. May had to do some fancy tiptoeing to stay in bounds as he dashed inside Alcona's 15 yard line. Three plays later, Fiel added another touchdown and after a Johncheck to Mapes two-point conversion, Boyne took a 22-7 lead into the locker room at the half.

"Josh ran well inside and outside. We were

on with our passing game and our running game."

Lincoln-Alcona scored on its opening possession of the third quarter after a broken play allowed Andy Budreau to go 50 yards for a touchdown pulling the Tigers to 22-13.

"Defensively we had a few breakdowns. We normally wouldn't have that," added Klooster.

After that it was Boyne City in control all the way as Johncheck hit Don Richards on a crossing pattern for a 25 yard touchdown and a 28-13 lead. Fiel added his third touchdown later in the third quarter putting Boyne up 34-13. Matt Johncheck hooked up with Bo Reinhardt late in the fourth stanza on a four yard touchdown pass. Alex Berti added the extra point for a 41-21 Rambler lead.

Alcona added a meaningless touchdown and two point conversion with less than a minute to play for the final score of 41-29.

Offensively for Boyne City, Josh May rushed for 125 yards on 11 carries, Dean Fiel had 82 yards on 19 carries as the Ramblers had 229 yards total on the ground. Steve Johncheck was 4 of 5 passing for 72 yards while Matt Johncheck was 3 of 4 for 30 yards. Mapes caught one pass for 26 yards. Fiel caught two for 18 yards, Don Richards caught one for 25 yards.

Defensively, Jason Richards had 12 tackles, Corey Lockman had nine, May had seven while Cliff Bates added six. Mapes and Jesse Belford each had a pass interception.

## EJ runners hit stride at conference meet

East Jordan runners set the pace at the conference meet last Wednesday in Kalkaska with the boys taking first and the girls finishing fourth.

"What a day for the boys," said coach Dennis Snarey. "We had two freshmen, Chris Bearden and Kevin Penzien, in our top five."

Mark Penzien lead all East Jordan runners with a time of 16:46, to finish seventh overall. Right behind him was his teammate, Nate Sothard, who finished 10th with a time of 16:50. Both runners earned all conference honors.

Bearden finished just one second behind Sothard in 11th place and Nate Gagnon finished with a time of 17:10, 14th overall. Both he and Bearden earned honorable mention honors.

Other East Jordan runners were: Kevin Penzien, 17:33, 22nd; Charlie Hague, 17:40, 26th; and Matt Shaw, 17:51, 30th.

"Though we're excited about winning the conference, we now must focus our efforts on the regionals," Snarey said.

For the girls, Holly Petkewicz finished seventh overall with a time of 20:41. She earned all-conference honors for her performance.

Earning honorable mention honors was Emily Niewendorp, who finished 19th with a time of 21:41.

"Our girls' team ran very well considering our illnesses and injuries," Snarey said. "We coaches are very proud of all they've accomplished this season."

Other times for East Jordan's girls were: Beth Purvis, 21:47, 21st; Cassie Krause, 22:38, 26th; Debbie Bacon, 24:08, 39th; and Autumn Dodge, 32:38, 60th.

ASA TUNE UP to Saturday's regional meet, East Jordan won seven medals and a pair of third-place team finishes in the Division II portion of Saturday's Elk Rapids Edwardson Memo-

## Harbor Springs spoils Red Devils' homecoming

By RICH CLARK

The East Jordan Red Devils varsity football team scored three touchdowns, but it wasn't enough as the visiting Harbor Springs Rams forgot to read the homecoming script and ran off with a 35-20 win last Friday night.

Local fans never even got comfortable in their seats when the Rams struck on a 71-yard touchdown pass. The extra point was good and Harbor led 7-0 only 30 seconds into the game. The defense tightened to stop the visitors the rest of the quarter.

East Jordan's first drive lasted 17 plays and more than seven minutes but came up short, ending on Harbor Springs' 17-yard line.

The next drive proved more potent. Parke Bluhm scored from eight yards out after an eight-play, 53 yard drive. It was helped by two runs of 20 yards by fullback Dillon Antaya. The Red Devils missed the extra point and Harbor held a slim 7-6 lead.

After a few good defensive stops, East Jordan got the ball back and moved the ball 66 yards in 10 plays, finished off by a Shane Swan

14 yard touchdown scamper to give the Devils a 12-7 advantage.

Harbor Springs scored just before half-time to take a 15-12 lead.

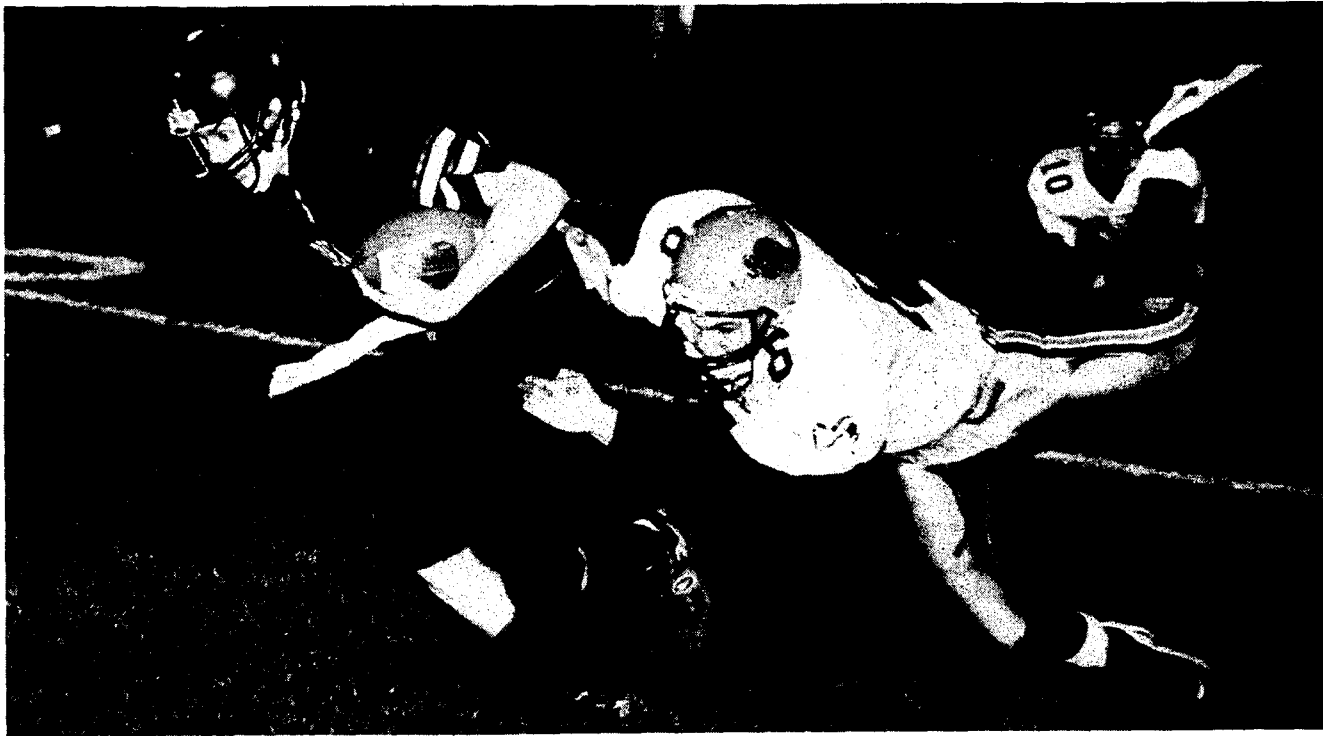

East Jordan came out in the second half, took the kickoff and drove

64 yards in 16 plays capped by a Parke Bluhm eight-yard touchdown sweep. Dillon Antaya again helped keep the drive going on an 18 yard pickup. Quarterback Josh Luck also helped his cause with a 12 yard scramble for a first down. Luck passed to Scott Haley for the 2-point conversion and a 20-15 lead.

Harbor would go on to score twice more as the Devil offense slowly ground to a halt and the defense wore down.

Fullback Dillon Antaya ended the game with 82 yards rushing to lead the team. Parke Bluhm picked up 66 yards, and Shane Swan finished with 47 yards on the ground and six yards from one reception. Josh Luck completed five passes for 46 yards, Bluhm caught two passes for 21 yards, and Scott Haley snared two catches for 19 yards.

Amos Skrocki led the defense

After snaring a pass from quarterback Josh Luck, Scott Haley tries to break free from a Harbor Springs defender.

with 12 tackles, Keith Rebec made 10 stops and Matt Ingalls added seven tackles.

"We lacked toughness in the second half and Josh Luck played well as the third string quarterback but it

put a lot of players out of position with Chris Murray and Denzil Wilson both on the bench," said coach

Allan Peterson.

East Jordan is home Friday night to face Bellaire. Kickoff is 7:30 p.m.

## Lady Ramblers let one slip away against Charlevoix

By CHRIS WINKLER

Boyer City's girl's basketball team just couldn't hang on to its lead. That's what it came down to when the Lady Ramblers faced the Charlevoix Rayders on Oct. 17 at home. The team lost 61-45, after leading 28-25 at half-time and 40-36 after three quarters.

Through the first 24 minutes of play, Boyne was looking good, rotating a lot of players, and taking plenty of shots. But in the final quarter, the Ramblers seemed to lack the intensity that they had shown earlier in the game. The Rayders snagged the lead with seven minutes remaining, and never gave it up. Boyne held close up to about the five minute mark, when Charlevoix began putting in a number of free throws.

"I'm disappointed that we didn't play very well," said coach Tom Neidhamer. "Especially when it came to boxing out and rebounding, and part of that was that we didn't make good decisions on our shot selection. We did shoot 72 times, but we never had a second opportunity because we never got the offensive rebounds."

Sarah Bobowski was the Ramblers' statistical leader, with 13

points, seven rebounds, and three assists. Erin Fry added six boards, made four steals and dished out three assists. Treana Fiel had 12 points, Katie Bernthal grabbed five boards, and April Roberts made four steals. Boyne was out-rebounded 55-37.

For Charlevoix, Amanda Eaton scored 18 points, and Lisa Parrish tallied 16.

"Our shots weren't falling,"

Neidhamer said, "and then we got to the point where we were behind and we had to foul and had to press. Sometimes in a situation like that, you take a gamble, and you're going to make it a close game or lose by 20. It was not

one of our better games, and it doesn't get any easier."

That's for sure, as the team traveled to Harbor Springs on Tuesday, and will meet St. Francis at home on Thursday.

Freshman Laura Grainger scored 14 points to give the junior varsity Ramblers a 40-38 victory over Charlevoix on Thursday. Ashley Schrader put in ten and Staci Seelye six to help pull out the win. The JV's are 7-4, and now are aided by another freshman moved up from the freshman team, Nicole Kurtz. The freshman team's record stands at 12-2 after a loss to the Rayders.

*It was not one of our better games, and it doesn't get any easier.*

--Tom Neidhamer

## THE VIEW OUTDOORS

### Not much time left to enjoy fall

By MIKE KAMPTNER

My wife and I went for a drive this past weekend. This area has to be the most beautiful in the entire country. The oranges, reds, yellows and greens are breathtaking. However, you had better look quick, it will be over soon.

I RECEIVED AN invitation to hunt the opener of regular duck and goose season with Tom from Arnold's in East Jordan. He had secured permission to hunt a cut oat field in the Horton Bay area. We arrived at the field an hour before daylight and began setting up one heck of a decoy spread.

Four dozen full bodied decoys, two flying decoys on poles and six of the biggest decoys I have ever seen. These extra large imitations were situated so that we could lay next to them and hide. We covered up with burlap, put on our face masks and began a very short wait. I barely had time for a cup of coffee when the first flight of geese could be heard in the distance. A few minutes later a small group of six or eight birds set their wings to land in our decoy spread.

From that time until 8 a.m. wave after wave of birds continued to look us over. What an experience, to see and hear this number of geese during the open season is really exciting. Needless to say the hunt was over almost too quickly. We started picking up decoys around 8 a.m. and the geese were still wanting to land in our field. Thanks Tom and Dave, I had a great time.

WELL D DAY is near! November 5 is only a few days away and the fate of hunting in general will be decided. Oh, I can hear

some of you say bear hunting is not hunting in general, and are you wrong.

This is the anti-hunters' first step in the process of eliminating hunting. This is not a matter of a difference of opinion regarding hunting methods. Let's examine the referendum, then you decide.

Here is a condensed version: No open season from March 31 through Aug. 31; no overlapping season, this means no season where bait or dogs can be used. Sept. 1 is the opening of the early goose season and dogs can be used. In the remaining seasons you can either use dogs or bait. The last season of the year is rabbit season which closes March 31 and beagles are used. When can bears be hunted? Never! Not by any method because there is no time left. Therefore, this completely eliminates bear hunting.

We need to support proposal G and vote "NO" on proposal D. Proposal G keeps management of wildlife in the hands of the DNR and trained wildlife biologists where it belongs. Not in the hands of the untrained general public. You can believe this, "take the sportsmen and women out of the picture and before long there will be no wildlife for anyone to worry about." Make certain that everyone you know votes. Call your friends and relatives, pick them up and take them to VOTE. We MUST preserve our hunting heritage.

#### LOCAL REPORT

The archery deer season is beginning to pick up. Scrapes and rubs are showing up which means the rut is not very far off. Success has been spotty to this point. Several nice bucks have been reported but

no real wall hangers yet. The next three weeks will be prime time.

Bird season has been a little disappointing so far. As the leaves continue to fall it should get better. Partridge in this area is way down; many hours and miles per flush. The woodcock flights are yet to happen, good numbers of local birds in out of the way spots are still providing good shooting. Ducks and geese are slow, again no flights yet. The local birds have wised up making shooting opportunities scarce. The next cold front from the north should bring plenty of action.

Salmon fishing is beginning to taper off in the lakes, the Boyne and Bear rivers are still going strong. Remember these rivers have a restriction on hooks, only a single hook can be used, no trebles or doublers. A few steelhead are being caught along with a few lakeregs, but where are the browns? Rumors of a few perch being caught in the south arm of Lake Charlevoix near Sanderson Road — just a rumor but from a good source. Lake trout fishing should be getting better toward the end of October through November.

Pat at the Sportfisherman says the small mouth bass fishing is fantastic in Lake Charlevoix, almost no one fishing them, making this a great opportunity. Minnows are the ticket.

The best is yet to come — big bucks, flights of woodcock, geese and ducks, partridge, rabbits and squirrels. The gun deer season is only a few weeks away. So get out there and enjoy this beautiful season.

## Lady Loggers moving up as season winds down

The Lady Loggers vaulted into a second place tie after two wins last week as they improved their record to 6-3 in the league and 8-8 overall.

The Loggers took a 54-40 win over Harbor Light Christian on Tuesday, then followed that up with a 43-26 win over Wolverine last Thursday.

During the Harbor Light game last Tuesday, Penny Marchinkewicz scored 23 points and pulled down 16 rebounds.

"Our bench kept us in the game," said coach Ken Doty.

"Monica Conklin, Christine Giem, Carrie Hansen and Sandra Kohler kept us fresh so we could keep pressure on them. We couldn't have won without them."

Marchinkewicz will miss a couple of games because of an injured elbow resulting from a battle of the boards, and she wasn't alone as Karen Giem suffered her own bumps and bruises while managing to pull down 15 rebounds.

Trish Kondrat and Beth Freck each chipped in with nine points while Andrea Kondrat and Marchinkewicz each added five steals.

Despite missing Giem, their top rebounder, and Marchinkewicz, their top scorer, the Lady Loggers defeated Wolverine Thursday night 43-26.

"The other girls had to step up," Doty said. "There's no telling how long Karen and Penny will be out."

Trish Kondrat lead all scorers with 14 points while grabbing nine rebounds. Beth Freck added nine points while Monica Conklin and Kristine Giem added six points each coming off the bench.

On Thursday, the Lady Loggers play at Ellsworth.

## Michigan alpine racing program is gearing up for another season

The Michigan Alpine Competition committee is gearing up for the 1996-97 ski season, slated to begin with an instructional clinic in December at Boyne Mountain, followed by races throughout the winter.

The MACC program, for adults ages 20-80, is the Alpine racing program of the Metropolitan Detroit Ski Council (MDSC), a United States Ski Association (USSA) sanctioned organization that represents over 10,000 skiers of all abilities from all walks of life.

MACC participants represent 11 Michigan ski clubs from around the state. Many MACC top competitors take part in the annual USSA Race Week Competition, hosted each year by a different major western ski resort. This year, MACC's Schussmeister Ski club finished first and Ford Thunderbirds Ski Club finished third overall nationally.

The MACC's 40th season of amateur ski racing was a success due

to good snow conditions and a tremendous turnout of more than 350 ski racers from around Michigan.

The Michigan Alpine Competition committee is gearing up for the 1996-97 ski season, slated to begin with an instructional clinic in December at Boyne Mountain, followed by races throughout the winter.

The MACC has organized a total of 12 days of competition during five weekends for the upcoming year. Four weekends of competition will be held at Boyne Mountain, with one at Searchmont, Ontario, Canada. Races are organized by ability and age level from beginner to elite, races include slalom, giant slalom, and dual slalom. All racers make two runs per race; scoring is based on total time.

To sign up for the 1996-97 race season, contact Holly Sasso at (517) 349-4282, or Bill Perlmutter at (616) 874-9702.

## Loggers' conference hopes on the line

The Boyne Falls Loggers defeated Vanderbilt last Thursday to finish 4-2 in league dual meets and set up a showdown with first place Wolverine this Wednesday at the Northern Lakes Division Conference meet.

A win over Wolverine at the conference meet will give Boyne Falls a conference co-championship.

"We lost twice to Wolverine during the season and we are looking forward to this week's conference meet," said coach Andy Place. "We need strong performances from all of

our runners to have a chance. We can only tie with a win so everyone has to step up."

Curtis Hansen and Mike Kenny finished 1-2 at Vanderbilt with times of 18:07 and 18:19 respectively.

"It wasn't Mike Kenny's fastest race of the year, but it was his best in that he beat runners who had finished ahead of him in previous races."

Mark Bearss also continues to run well as does Becky Kuhn and Amy Place in the girls division.

Other Loggers in order of finish:

6-Jeremy Massey, 19:04; 8-Mark Bearss, 20:16; 9-Pat Overmyer, 20:50; 10-Matt Britton, 21:31; 13-Chad Matelski, 22:54. Becky Kuhn finished 24th in the girls race at 26:37.

Boyne City runners Shaylon Jones finished 16th in the boys race at 23:59 while Amy Place took the 20th spot in the girls race with a time of 25:38. Mik Martin ran the middle school two mile course in 13:23 against no other middle school runners.

## Boyne jr's hope to keep unbeaten streak alive

The Rambler junior varsity remains undefeated following an easy 44-6 win last Thursday over Lincoln-Alcona.

Its record is 7-0 this season and the win extends the jr's winning streak to 19 games dating back to 1994.

The Ramblers will have to tighten up their chin straps this Thursday as they visit coach Mark Ameal's alma mater, Traverse City St. Francis.

"This will be a good test for us to see how far we've come," Ameal said. "St Francis always plays tough, especially on their field."

Against Alcona, Korby Persons and Andy Douglas each had two touchdowns to lead Boyne. Persons scored on runs of 53 and 14 yards while Douglas' two scores came on runs of 21 and 6 yards. Also for the Ramblers, Sean Ku had a 33-yard touchdown run while halfback Jesse

Simon tossed a 50-yard TD bomb to quarterback Josh Bush.

Casey Sirmons scored two, 2-point conversions for Boyne while Ryan Fiel added another 2-point conversion. Bush passed to Josh Hall for another two points.

Defensively for the Ramblers, Jesse Simon had two interceptions, Bush and Ku each had one interception while Shaun Johnson and Jeremy Peck each had a fumble recovery.

## Mother Nature puts the hit on Red Devil-Harbor jr's

By RICH CLARK

The East Jordan junior varsity football team, led by Matt Whiteford, gained 252 yards in less than one half last Thursday as Harbor Springs could do little to stop them.

But then, what Harbor's defense couldn't do, Mother Nature did as a storm with much lightning moved in to delay the game with 3 1/2 minutes remaining in the half.

The game was eventually called and has not been rescheduled.

East Jordan scored on its first three possessions. Whiteford, a sophomore running back, scored on runs of 3 and 34 yards and halfback Zach Jones scored on a 40-yard run.

Mike Wladischkin added a 2-point conversion on a catch from quarterback Nate Swan. Whiteford completed the scoring with a 60 yard scamper. East Jordan led 26-20 when the game was called.

Whiteford finished with 129 yards and three touchdowns. Zach

Jones gained 73 yards and a score, and Tony Prevo finished the ground attack with 60 yards. Nate Swan completed four passes for 64 yards. Glenn Lord caught two for 30 yards, Chris Lifer hauled in one for 21 yards, and Mike Wladischkin snared a pass for a 2-point conversion.

The defense was led by Jason Clark with six tackles, Gary Fortune, Chad Muma, Brian Banfield, and Ryan Saganek each made three stops. Saganek also had a fumble recovery.
