FIVE SEEK SEAT ON COMMISSION

Now the choice is up to voters

East Jordan voters will go to the polls Tuesday to elect three city commissioners from a field of five candidates.

They will also cast their ballots in county, state and national races as well as deciding the fate of six state-wide proposals.

Polls will be open Tuesday from 7 a.m.-8 p.m.

The three seats on the city commission are currently occupied by Dan McKinnon, Ron Klooster and Ruth Gee. Of the three, only McKinnon is not seeking reelection. Other candidates on the ballot are Jerald Cihak and Jeanette Norton. Mark Postma is running as a write-in candidate.

Following are profiles of the candidates. All candidates were given a questionnaire, but only four responded. Their responses are printed in their entirety. For information on the state-wide proposals, see page 4.

RUTH PORTER GEE

PERSONAL BACKGROUND:

"I was born and raised in East Jordan, and have been a life-long resident. I am a graduate of East Jordan High School, and have three years of secondary education. I attended both NCMC and Alma College. I have been employed for six years at East Jordan Public Schools, working as a teaching assistant. My husband Carl and I have two children, Patty, a 14-year-old freshman and Jim, a 10-year-old fourth grader."

WHY ARE YOU RUNNING?

"I am running because I have an interest in 'serving' the community I live in. I feel it is important to be an active participant in those things which you care about. I am vitally interested in the welfare of East Jordan and its citizens. I want to do what I can to help East Jordan remain a city in which people are glad to live, work and play."

WHAT SKILLS WILL YOU BRING TO THE COMMISSION?

"I have served on council for six years, and feel that my experience would be valuable. I feel that I am a good listener and have given special attention to concerns brought to me by the people I have served. I believe that it is a commissioner's job to represent all the constituents in East Jordan. We are elected to be the voice of the people who elect us. It is our responsibility to attend meetings faithfully, keep informed on the issues before us and make informed decisions based on the facts as they are presented to us. People are counting on us to do just that."

WHAT ARE THE THREE MAIN ISSUES FACING EAST JORDAN?

"The three main issues as I see them are: revitalizing our 'downtown,' upgrading our parks system -- giving special attention to both Elm Pointe and the old Boswell Field, which I see as a potential city sports complex, and to facilitate a spirit of cooperation between the city commission, the DDA board, and the EJ Chamber of Commerce. I believe that we all share common concerns and goals for our community and there is a need to work together more cooperatively to achieve those goals."

City Commission holding special meeting Thursday

The East Jordan City Commission will hold a special meeting Thursday at 11 a.m.

Two items are on the commission's agenda: the lawsuit filed against the city by former city administrator Carolyn Sutter, and contract negotiations with new city administrator David White.

White, who served two months as interim administrator, was hired last week by the commission to lead the city. He was one of three interviewed for the job.

WHAT DO YOU HOPE TO ACCOMPLISH AS A COMMISSIONER?

"Obviously, I hope that the goals I have mentioned in the preceding paragraph will be accomplished or at very least that we will see some real progress. I would also like to encourage other people in our community to take a more active role in city government. It is a learning experience that more people should take advantage of -- to face issues from the 'other side of the table.'"

ARE YOU SATISFIED WITH THE CURRENT DIRECTION OF CITY GOVERNMENT?

"I believe that any government survives and thrives because of the willingness of its citizens to be involved participants. I have served for six years with many different people of many different and sometimes opposing views. I have respect for all the people I have worked with while serving on council. Public bodies are faced with tough and sometimes unusual decisions on a regular basis. I feel that along with myself, each of the people I have served with over the past six years have done their best to make informed decisions for our community."

RONALD G. KLOOSTER

PERSONAL BACKGROUND:

"I am 53, and was born on a dairy farm in the East Jordan area. I have lived here all my life in East Jordan. I have been a dairy farmer until the age of 29 and then I was hired at the East Jordan Co-operative Co. I'm now the manager of East Jordan Co-op Mini Mart, the Marathon Station. I'm also the chairman of the 'Open Door Christian Coffee House.' This nonprofit organization was established in 1982. I am single now, but I have two daughters, Melissa Lynn Dougherty of Boyne Falls, and Heather Lee Burks of East Jordan."

WHY ARE YOU RUNNING?

"Things are starting to formulate in the city and I want to be a voice and a part in the process, for the people."

WHAT SKILLS WILL YOU BRING TO THE COMMISSION?

"I have eight years experience being a city council person and now a city commissioner."

WHAT ARE THE THREE ISSUES FACING EAST JORDAN?

"There are three issues that face the City of East Jordan at this time: developing with our new City Administrator, David White; the DDA or downtown development; and searching the possibilities of an industrial park."

WHAT DO YOU HOPE TO ACCOMPLISH AS A COMMISSIONER?

"I hope to add insight to the issues facing the City of East Jordan."

THE GAME IS

Getting a klock

It's safe to say soccer has caught on in East Jordan.

When the program started four years ago, 60 children played. This season, which concluded Saturday, there were 210 children and 16 teams.

"The season went really well," said Laura Hansen, one of three members on the East Jordan 4-H soccer board. And the key reason, she said, was the help of coaches, referees and other volunteers.

"We want to thank all the volunteers," Hansen said. "We couldn't do it without them." She especially wanted to praise the coaches, who not only work with the young players on the field but also set up goals and do much of the work that's needed to make the program successful. "We depended a lot on them," she said.

The league also received much help from the city and from a father, who lined the fields.

Serving on the soccer board with Hansen are Lori Kraemer and Sara Morris. All coaches and some of the referees serve on the board.

In the future, the board hopes to spread the work by forming subcommittees for field maintenance and equipment.

Playing with the symphony

Years of practice for East Jordan's Renee Perreault earns her a musical trip to Europe next summer

It's been nearly two months, but Renee Perreault still can't believe she's going.

"It hasn't hit me yet," said Renee, a junior at East Jordan High School. "I think it will hit me when I get on the plane to go."

And where is she going?

Germany, France, Austria, Belgium are just some of the places she's expected to visit next summer when she travels with the Blue Lake International Symphony.

Blue Lake is a fine arts academy, much like Interlochen, located in Twin Lake near Muskegon. It attracts students from all over the world at a summer camp each year.

Renee, who plays the French horn, has attended the intense camp the past two years, where she practices more than five hours a day.

After the first summer camp, Renee considered auditioning for the international symphony, but decided to wait another year. This summer she gave it a try, but was not optimistic about her chances.

After the audition "I thought for sure I didn't make it at all," she said. "I was crying. I thought I had messed it up. Finally I put it out of my mind and said 'oh well, maybe next year.'"

But her time had come. On Aug. 28, the day after her 17th birthday, Renee received a letter informing her she had made the grade and would be a member of the international symphony. "I read and read it again and again. I couldn't believe it," Renee said.

The symphony will begin its European tour June 15 and will return July 6. While the schedule is tentative at this point, the symphony is certain to perform in Germany. A mini tour through Michigan is scheduled for July 28-30. Renee has been traveling to two Sunday practices a month at Blue Lake and through the winter there will be one practice a month. The week prior to the symphony's departure will be intensive practice.

Renee has been playing the French horn for the past six years and is a member of the East Jordan High School Band and the East Jordan Community Band. She's also involved in student council and SADD.

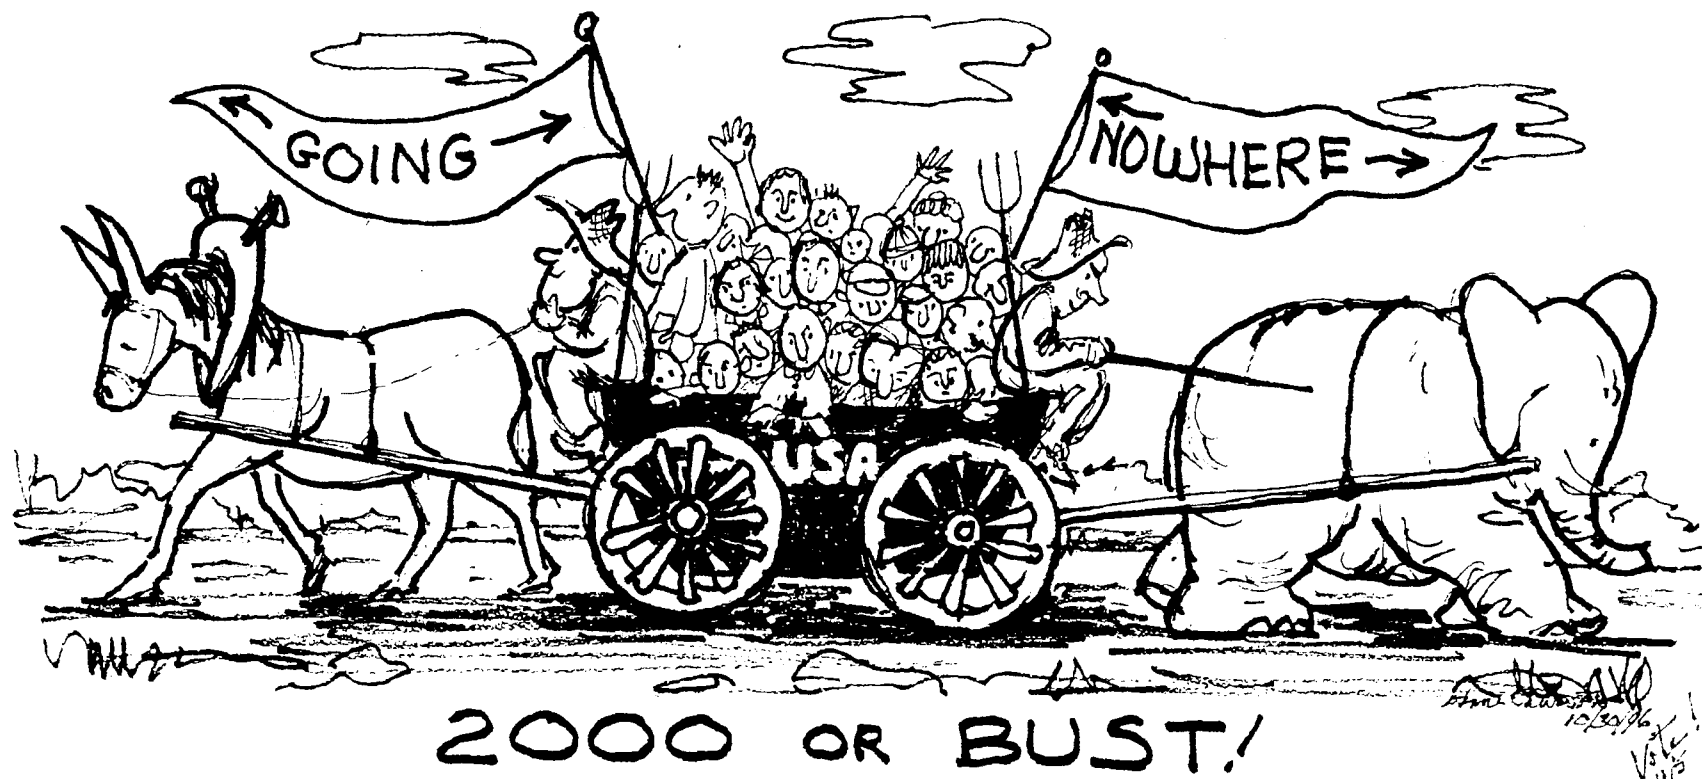

The cost of the trip for Renee is between \$3,000-\$3,500, which includes travel, lodging, uniform and other related expenses. Those interested in helping cover Renee's expenses can call high school band director Tom Steggall at 536-2259.

Renee Perreault was notified of her acceptance in the symphony the day after her 17th birthday.

OPINION

IT'S ONLY LIFE Let your voice be heard

By ROGER HUCKLE

I was glad to see some information in area newspapers last week about the East Jordan City Commissioner races. Incumbents Ruth Gee and Ron Klooster are running along with Jeanette Norton and Jerry Cihak. Mark Postma is running a write in campaign. Three seats are up for grabs.

This is an important election for the future of East Jordan. With three commission seats up for grabs, the voting blocks within the commission can be significantly altered. If you have an opinion about how East Jordan's governing body has performed, now is the time to voice it with your vote. (By the way, when voting for a write-in candidate, check with the election officials to be sure of the proper procedure, a mistake on the ballot could nullify your vote.)

Continuing with my evaluation of the Proposals on this year's ballot there are two competing proposals dealing with game management. Only one or neither of them will become law depending upon the votes cast. If both proposals receive less than 50 percent of the total votes cast,

neither passes. If either proposal receives more than 50 percent, the one receiving the most votes becomes law. Go figure.

Basically, Proposal G, if enacted, would entrust the Natural Resources Commission with deciding game management issues and require public hearings prior to the implementation of any policy decisions regarding the taking of game. In my opinion, any law that requires additional public input prior to policy implementation sounds pretty good to me.

Proposal D, if approved, would prohibit baiting and the use of dogs for hunting bear. I have never hunted bear, but, the image of a pack of dogs running down an animal does not fall into my definition of hunting. While I don't approve of the use of dogs, I feel the larger issue is one of allowing additional governmental infringement on our personal rights as sportsmen (and women - sports people just doesn't cut it). I think not.

Proposal E, if approved, would permit casino gambling in qualified cities within Michigan if approved by the voters of those cities. Personally, I think we have enough casinos in

Michigan.

Reader's Digest recently published (April 1996) an article about the impact of casino gambling in Minnesota since it was legalized there in 1988. The state used to have two organized support groups for addicted gamblers - now the state boasts (?) over 50 related groups and the bankruptcy and suicide rates have skyrocketed. I think Michigan can do without these types of changes regardless of the jobs created (mostly minimum wage) or revenue generated (a large portion from household budgets).

However you decide to vote is up to you, the important thing is to look at the candidates and issues then vote. Historically, voter turnout has been fairly low, allowing a minority of voters to set policy for the majority. Voter apathy has also been a tool used by special interest groups to pass laws benefiting a chosen few. One vote doesn't seem to mean much in the entire scheme of things anymore, yet, put each one of those votes historically not counted together and there can be a force for change.

Do your part and vote on Nov. 5.

Ramblers now know what it takes to win

TO THE EDITOR:

The mystique is dead. On Friday night, in front of a huge crowd, the Boyne City Ramblers defeated the St. Francis Gladiators in an unforgettable football game. With this win the Ramblers no longer look up at the Gladiators and wonder how they can be so good. Now they can look any team right in the eye and know exactly what it takes to win the big game. With this

win Boyne City is a true powerhouse team.

The score was close, but the Ramblers dominated the game. The Gladiators could not get any consistent offense going, and on their best drive of the game, Boyne stuffed them at the 5 yard line. The thing about teams like St. Francis, however, is they are dangerous right to the end, they seem to have that special confidence to make the big plays at the end to snatch victory from de-

feat. Not this time! The moment Jeremy Andrews pulled in the big interception to seal the victory in front of the Ramblers bench and screaming fans, this team reached a new level. They are the best team in the conference, and if they continue to play the way they did Friday night, capable of going all the way.

Way to go Ramblers!

Jerry Douglas

Farm Bureau 'strongly' supports G

TO THE EDITOR:

Effective wildlife management is very important to farmers in Charlevoix County. Wildlife crop damage costs Charlevoix County farmers thousands of dollars each year as lost income or in destroyed crops that must be replaced to feed livestock.

The only way to cope with the ongoing damage caused by wildlife is to carefully and professionally manage the wildlife population. In Michigan, the Department of Natural Resources (DNR) is the agency

charged with that important task. Although crop damage continues to be a considerable problem, it is far more effective to work with the DNR than to turn the management of wildlife over to extremist groups, such as those supporting Proposal D. Many of these groups want the size of the wildlife population to grow without considering the effect such growth has on the wildlife itself, or on the farmers who (at considerable cost) end up feeding this wildlife.

The Charlevoix County Farm Bureau strongly urges a "yes" vote on Proposal G. Proposal G would

maintain the DNR as the agency responsible for managing the wildlife population in our state and would reinforce the use of sound, scientific research in determining wildlife levels.

The Charlevoix County Farm Bureau strongly urges a "no" vote on Proposal D. If this proposal passes, it would take the management out of the hands of the experts and cripple our efforts to control wildlife crop damage.

THE SCOOPER

Work hard and rewards follow

By TED KARASZEWSKI

I called it at the beginning of the season.

This was the year Boyne City would knock off St. Francis for the conference crown. If the Ramblers couldn't do it this year, it couldn't be done. They have a great group of athletes this year with the kind of leadership in the senior class that will be the benchmark for success for years to come. That is if this year's junior class pays attention to the example that was given them.

My father told me once that nothing comes easy in life. You have to work hard to reap the rewards. There's no such thing as a free lunch. Look at the example the seniors have set. On their own they have formed a weight lifting group (remember the "Breakfast Club.") They've run together, some of them have gone to church together and they look after each other.

Alcohol use, drug use or tobacco use among the team is not tolerated. There are certain seniors that see to this. They take care of any situations that might arise. It's the best way - that's real leadership. These boys are special.

Something tells me though that they're not finished yet. These boys are going to make some noise in the playoffs. Maybe even shock a few of the so-called experts that don't believe in the Ramblers. I believe in them.

They're destined and I'll tell you why. At the beginning of the season they had most of the tools needed. Size, speed, good coaching. Everything but a consistent kicking game. Then out of nowhere this kid, Alex Berti, from Brazil drops into the team's lap and all of a sudden we have a kicker that can pin the opponent deep in their own territory consistently, giving the Rambler defense more chances to get the ball back.

The final piece to a great team.

ONE OF THE reasons Boyne's football program is in such great shape is because of the junior varsity team coached by Mark Ameel. Once again the junior varsity had an outstanding season thanks to Ameel and his dedicated staff of Doc Mansfield and Tom Dressel. Early in the season there was some question as to how good these kids were. Some thought they might be a little thin on talent. Not so. These kids want to play and they're good thanks to coach Ameel and his staff. We're very fortunate to have these guys. Congratulations on a great year.

TOM CLEMENS AND his announcing crew of Kevin Fitzpatrick and Tom Neidhammer have done an outstanding job this season bringing the game to life on the radio. I've heard nothing but positive comments from everyone that has listened to the games. Clemens does a good play by play and post game show while Fitzpatrick and Neidhammer's commentary is insightful and entertaining. They sure got excited during the St. Francis game, especially at the end. Great job, hope you all do it again next year.

DID ANYONE READ Andy Sneddon's commentary in last Tuesday's News Review? The one about how he hated the New York Yankees and how much he enjoyed watching them get pounded in the first two games of the World Series. A very well written article. Also very entertaining as is most of his stuff. Andy's a great guy, he's practically one of us, he's here so often.

If those first two games brought Andy so much pleasure, imagine how those last four games made him feel when those hated Yankees came back and swept those mighty Braves. I felt pretty good because I happen to like the WORLD SERIES CHAMPION NEW YORK YANKEES.

EJ city race needs careful consideration

TO THE EDITOR:

As you go to the polls on Tuesday, Nov. 5, 1996, please carefully consider your choices for East Jordan City Commissioners. Please give great consideration to those who will represent our great city as a whole.

Please consider the candidates with the experience, knowledge and conviction.

Please vote for the candidates you know will listen to the people they represent as a whole and not just a select few.

Vote for the people who have represented you unselfishly in the past and continue to do so presently.

Vote for the candidates who will give and have given East Jordan a new direction.

Vote for the candidates of action and not just words, candidates who know what they are talking about, candidates who know the facts to back their decisions.

Vote for the candidates who have been there for East Jordan throughout the past years and want to continue to be there for our community.

Vote for the candidates who work hard at giving our community a sense of pride by moving forward and not dwelling on the past.

Candidates with the conviction to move East Jordan into the new

century, a prosperous and vibrant community.

Consider the candidates who are able to handle controversy as adults, who understand and want the citizens to know the truth in matters of concern, candidates who are not afraid to let you know those truths.

Fellow citizens -- please make it a point to vote on Tuesday and please give a great deal of consideration to those candidates with the qualities I have mentioned. Please give them your support and your vote.

dan." **ARE YOU SATISFIED WITH THE CURRENT DIRECTION OF CITY GOVERNMENT?** "I am satisfied with the progress and the current direction of the City of East Jordan."

JEANETTE NORTON

PERSONAL BACKGROUND: "I am 51, and was born in Detroit. I am married to Rev. Westley J. Norton and I am the mother of two children, Alex W. Norton and his wife, Aimee of Petoskey, and daughter, Stephanie J. Norton, a junior at Harbor Light Christian Schools, Harbor Springs. A resident of East Jordan 11 years abiding in the city limits the duration having moved from the down river area of Detroit. A Michigan resident most of my life. Now employed by the Grandvue Medical Care Facility in the activity department. Previously I was employed by the E.J. Senior Center/C.O.A. as a coordinator/director. Serving presently on the E.J. Freedom Festival Committee as I have been the past few years. Served on the recent nine-person E.J. Charter Revision Commission, and other boards and committees throughout the years. Job experiences have taken me from full-time religious service to downtown Detroit banking, insurance, teaching in and out of our community, directing and supervising in business and schools. Pre-school, juveniles and seniors have been a big part of volunteer and business endeavors. I spent a number of years working with the State of Missouri juvenile authorities in our half-way house for juvenile offenders. I have a high school diploma with many college hours done in support of my varied job careers."

WHY ARE YOU RUNNING? "I am running because I have always felt if the people feel that I could represent them well, and they asked me to run, I would do so. It would be my privilege. Also, we have issues to address and I would like to be part of the decision-making team."

WHAT SKILLS WILL YOU BRING TO THE COMMISSION? "The skills that I bring would include many volunteer and job experiences that relate to people and of course the knowledge gained while re-writing the charter for East Jordan. I also feel that I am a person that will thoroughly investigate issues and conscientiously speak for the people and their interests and am not easily swayed by only small interest groups. I plan to keep the overall picture and welfare of East Jordan and its residents utmost in my concerns and yet hopefully meet the small-interest groups' needs and desires if possible and in line with the common good."

WHAT ARE THE THREE MAIN ISSUES FACING EAST JORDAN? "The three main issues facing East Jordan are to continue to support healthy government, uphold the charter we wrote and elected to serve us, address issues of basic needs, such as infrastructure downtown development in relationship to larger industry and to continue to support tourism by allowing meaningful but not overwhelming businesses, etc. to overpower our need for daily living. We need a balance for our town and people — tourism and industry walking hand and hand to each other strong and our town, finances and individual families supported. This is more than three main issues but I believe that we must seriously look at some of the industries that are knocking at our door and the

effects it has proven to have in tearing down the moral fiber of our children homes and community. We have seen the devastation we must be careful in our licensing and legislation of such.

ARE YOU SATISFIED WITH THE CURRENT DIRECTION OF CITY GOVERNMENT? "I believe that the city of East Jordan has many good and concerned people in government — sorry to say there have been and still may be a need to address some positions and policies. We want to support the strong areas of our government and address the weak areas of our government and city in an orderly and mannerly method."

"We are the makers of the future and the providers of an inheritance."

MARK POSTMA

PERSONAL BACKGROUND: "My wife, Penny, and I purchased a home on Fourth Street three years ago, where we live with our two daughters, Andrea, 7, and Alison, 9 weeks. We own and operate Signs, Letters and Graphics, which has been here since 1988. I graduated from EJHS in 1982 and wanted my children to have the benefit of the quality schools we have here."

WHY ARE YOU RUNNING? "I am running because I believe in East Jordan and the people who live here. I think we all share the responsibility to govern ourselves and we should elect people that we truly believe will represent our interests."

WHAT SKILLS WILL YOU BRING TO THE COMMISSION? "I own and run a small business. I have learned a great deal about working with people, and finances while running my shop. I have served on the steering committee for East Jordan Public Schools and on the board of directors of the East Jordan Area Chamber of Commerce."

WHAT ARE THE THREE MAIN ISSUES FACING EAST JORDAN? "Our local economy. With the help of the DDA we need to attract some new businesses to our town offering goods, services and jobs to our residents, while filling empty buildings and improving our tax base."

"We have a shortage of affordable housing. Many of the people who come to work in East Jordan find housing in Charlevoix and Boyne City and drive here to work every day. If they had homes in town it would create additional tax dollars, and improve our business climate. "Making our city government work. The people of East Jordan elected a Charter Commission to write a new charter several years ago. The citizens on that commission worked long and hard to create for us a charter that would make the operation of the city more efficient, productive and stable. The voters of East Jordan passed that charter, and we began the transition. We need to work at making all of the changes that give us the full advantage of that charter."

WHAT DO YOU HOPE TO ACCOMPLISH AS A COMMISSIONER? "I would hope that in some measure I could contribute to making our city government run smoothly and efficiently while it does a good job of representing the people on whose money it runs, and whose interests it should serve."

ARE YOU SATISFIED WITH THE CURRENT DIRECTION OF CITY GOVERNMENT? "I think we have made some steps in the right direction with the charter, city administrator, and DDA, but I think by and large we need to be much more productive if we are going to make the changes that the future will bring work for us, rather than against us."

Who says you have to be young to have a good time in the pool? Not these swimmers.

Pool is alive with 'adult' swimmers

By ANNE WEGLINSKI

On any given weekday morning, the large indoor community pool in East Jordan comes alive with "adult" swimmers and people undergoing water therapy due to injury or surgery.

On Tuesday and Thursdays a program with special exercises for those with arthritis is offered. On Monday, Wednesday and Friday, open swim time along with rehabilitation takes place.

Before entering the pool area, the morning's participants must sign in and pay the nominal fee. The receptionist is Vi Dietrich of East Jordan who has been working mornings at the pool since the death of her husband eight years ago. "It gives me something to do and I've met a lot of wonderful people," Vi said as she cheerfully hands out locker keys and makes sure everyone signs in.

Charged with attempting to keep this past Friday's lively group in some sort of control were Marlon Hughes, the lifeguard, and Cindy Hoeksema, the therapist.

Marlon took a lifeguard course along with her daughter, mostly to encourage her daughter to use the job to earn some money for college. Little did she anticipate that she herself would have a part-time position as a lifeguard in East Jordan. If one can judge by her ready smile and enthusiasm, this is a position she obviously enjoys.

Cindy's sales pitch is no less fervent. Not only does she watch the participants enjoying themselves, she

also directs those who are there for therapy in the correct manner of using the equipment and how to gain the most from the exercises. She applauds and encourages and is not averse to admonishing when necessary.

In continuing to extol the virtues of water treatment, Cindy goes on to explain that pool modality is good for diabetics and used often in amateur and professional sports training. A half hour walk in the pool is worth two hours on land. No bumpy roads, barking dogs, or smelly gas fumes from fast-moving vehicles to aggravate your spirits. In addition, plump and skinny are equal under water. Cindy pointed out the water-driven hydraulic chair lift which enables wheelchair-bound individuals and those needing just a little extra help to enter the pool. Something for everyone and not much of an excuse not to participate.

To any gentleman interested in swimming, the women outnumber the men, which didn't seem to bother those in attendance Friday. Bob Yoak, a transplanted West Virginian, now lives in East Jordan. A gregarious sort, Bob praised the pool's benefits, physical as well as social. Being around others with the same zest for life as he exhibits enables him to maintain an optimistic outlook.

He is a Shriner from a long-time Shriner family, and even before drying off from his dip in the pool, he was only too happy to expand on the role of Shriners in their work with children in need of medical treatment. Look for him during the inter-

mission of the country-western show Nov. 2 in Boyne City.

For those participating in open swim, the aim is to exercise, with or without aquatic apparatus, at their own pace. Many choose to don flotation belts which lets them concentrate more on exercising than on staying afloat. Some do their own thing while others choose to work out in a makeshift group.

These "adults" may be retired, but they are certainly not shy and retiring. Marie Schmittiel of Boyne City volunteered her upbeat opinion on the pool's benefits, this after posing for photos along with others, including Gloria Anderson, Carolyn Barnes, Betty Kelts, Stu Fox, John Talboys, and Bob Yoak. They all agreed that more seniors should take advantage of the pool.

Gloria denied that they ate cinnamon rolls at Darlene's after the swim — strictly coffee — where they solve the world's problems. Why waste all that time exercising?

On occasion, the group will make up a caravan and travel to Gaylord to swim at the indoor pool there.

Halfway down the side of the pool, Vivian De Morrow was working on shoulder exercises. Vivian worked as a photo journalist for papers in Benton Harbor and South Bend, retiring in Central Lake in 1986. In 1994 she underwent surgery on both shoulders. Swimming keeps her arms strong, the pool acts as natural traction for the body and between visits to her chiropractor and swimming, her shoulders are

strengthened and her back straighter.

At the deep end of the pool, Shirley Olson practiced her dives. Nothing unusual, right? Not quite. Up until a couple of years ago, when Shirley took swimming lessons, she could do no more than the doggy-paddle and float on her back. She hated to get her face wet and definitely could not dive.

With urging from her friend, Karen Ghonerfelt, the two women set about learning to dive. For Shirley, the first thing was to practice getting her face wet. Over and over again, she persevered. She still doesn't like it, but her determination pushed her on. Diving came next, no professional lessons, but lots of help from others, including Vivian De Morrow, an excellent diver. Shirley repeatedly stated that if she could dive, anybody could. Pure guts and determination, a powerful combination, and Shirley Olson has them both.

The last to drag himself out of the pool was Bruce Bartlett. In February he suffered a broken leg falling from a ladder in Florida helping a friend. He is THE Bartlett of Bartlett's Home Interiors in Charlevoix and proudly spoke of his new store while Marlon and Cindy urged him out of the water. Not a man used to being tied down, he is anxious to be on the move again with a more agile leg.

These weekday athletes exemplify all that is right and positive in the lives of senior citizens. They possess soaring spirits, assured outlooks, and reinforcement of what friendships are all about.

Soccer

Continued from page 1

The goal of the program for younger players — the league is for children 5-14 years old — is to teach teamwork, sportsmanship and having fun. The goals are the same for older players with the addition of learning more about the rules

and strategies of the game.

Although the season just ended, work for next year will begin soon. A soccer meeting is planned for November to discuss the past season. Among the items of discussion will be starting an all-girls team and creating a travel team for 14-15 year olds.

Instruments of music

Boyer Falls students were all eyes and ears for a music program presented by Dorothy and Francis Buzzell of Beaverton, who showed and demonstrated 14 different instruments. The presentation was part of a celebration of the Reading is Fundamental program. Grades kindergarten through sixth were entertained.

A look at the proposals

In addition to local, state and national candidates, voters will have the opportunity to decide six statewide proposals Nov. 5.

Elizabeth C. Moore, Michigan State University Extension public policy education specialist, prepared the following summary to assist voters in understanding each proposal.

PROPOSAL A, Bingo for Political Fund Raising, is a referendum on a law that was approved in April of 1994. The law, Public Act 118, prohibits using bingo games and other events to raise money for political institutions and campaigns. For instance, candidate committees, political party committees or ballot question committees wouldn't be qualified to receive a license to sponsor raffles or bingo. Supporters of Public Act 118 feel that gaming events shouldn't be used to raise money for public campaigns; the opposition argues that it is an opportunity for citizens to become more involved in politics.

PROPOSAL B, Judicial Qualifications, would change Michigan's constitution. It now states that judges must be licensed to practice law in the state and cannot be appointed or elected after the age of 70. The amendment would require a person to have been practicing law for at

least five years before being qualified as a judge. Concern about the lack of experienced judges in the courtrooms prompted this proposal.

A PROPOSAL to establish the Veterans' Trust Fund in the Michigan Constitution is designed to assure that money in the fund is used solely to benefit veterans and their spouses and families. In the past, the fund has been tapped to meet shortfalls in the state's general fund. Under Proposal C, Veterans' Trust Fund, the amendment would allow the state treasurer to transfer assets, interest or earnings only by authorization of the fund's board of trustees, who must all be honorably discharged veterans.

ENACTING PROPOSAL D, Bear Hunting Procedures, would make the use of bait and collared hunting dogs to hunt black bears illegal, along with spring hunting and overlapping hunting seasons. The proposal exempts persons acting in an official capacity or self-defense from any penalties. Some opponents of the proposal believe that if the law passes, the bear population will increase, posing a possible threat to the public safety. Others believe this is the first step in efforts to ban all hunting in Michigan.

THE CITY OF DETROIT

could benefit from the adoption of Proposal E, Casino Gambling. The proposed law would permit the establishment of up to three casinos in any city with a population over 800,000 that is located within 100 miles of any other state or country that allows gambling. There would be a state tax of 18 percent on gross revenues, with 55 percent of that tax revenue to be applied to crime prevention and economic development in the host city, and 45 percent earmarked to the state for public education. Supporters feel this would be an economic boon to Detroit; the opposition questions the ethics and morality of gambling.

PROPOSAL G, Managing Wildlife Populations, is a referendum on Public Act 377 of 1996. The law would amend Part 401 of the Natural Resources and Environmental Protection Act to give the Natural Resources Commission the exclusive authority to scientifically manage game, including bear. The law will also specify that a public hearing and public input are required when orders concerning the taking of game are issued.

For more information concerning the proposals, the Charlevoix County Extension office has copies of a voter information pamphlet available.

Children's fire safety program continues

Boyer City Fire Chief Nord Schroeder and Boyne Valley Township Fire Chief Dave Carson said their departments are continuing a commitment to fire prevention.

As part of this commitment, the departments are organizing their annual Fire and Burn Safety Programs for the children of Boyne City and

Boyer Falls. Over 600 youngsters in Boyne City and 300 in Boyne Falls, ages 5 through 12 will receive educational fire prevention materials created and geared to each specific age level.

The comprehensive program includes fire safety guidebooks that contain 24 activity pages designed by educators to stimulate the child's awareness and independent thinking about the everyday fire hazards he or she may encounter. Various other fire safety booklets, folders, posters, and brochures are made available to encourage the prevention of destructive fires, painful burns, disfiguring injuries, and needless death.

Bob Koch, of the National Fire Safety Council, Inc. (NFSC) will be

helping local fire fighters in planning and delivering programs to the school children. Koch is the Area Fire Safety Coordinator of the NFSC.

Both departments are in the process of mailing sponsor request letters explaining the entire program to area business, industrial and professional leaders, asking for their financial support to help them cover the cost of the materials used by the department.

Schroeder and Carson stress to prospective sponsors that this is the only program of this type their departments will be conducting this year. If anyone is solicited for support without a letter from Schroeder or Carson, they should contact their fire department immediately.

DDA encourages all businesses to string lights

The Downtown Development Authority wants businesses to string white lights through Boyne City this holiday season.

The DDA is encouraging all businesses within the district, which includes the downtown area, to outline their building with white lights for Christmas.

To make the project affordable, Ace Hardware is offering businesses discounted prices on lights and extension cords.

The DDA will give a prize — dinner at One Water Street — for the best exterior lighting. The winner will be announced after the Santa parade on Nov. 30 at 6 p.m.

For more information, contact the chamber of commerce at 582-6222.

Parent-teacher conferences set

Boyer City Public Schools will be holding parent-teacher conferences on Wednesday, Nov. 6.

The middle school will be dismissed at 11 a.m. and the elementary and high schools at 11:15 a.m. Kindergarten students who normally attend in the afternoon will attend in the morning that day. Morning kindergarten students will not have classes.

Kindergarten students will ride home on the buses with the older students.

Indoor Air Pollutants Create Home Health Hazards

SOURCES OF INDOOR POLLUTION

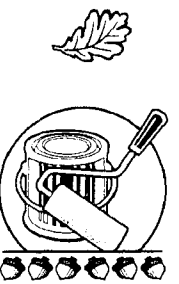

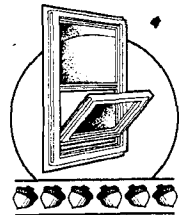

Where do these air contaminants come from? And, why do they make you feel so bad? Indoor air pollution comes from your own unhealthy habits, your beloved pets and your closed-up home.

- **Secondhand smoke** — This source was recognized as a life-threatening danger in 1993 when the U.S. Environmental Protection Agency reported that exposure to environmental tobacco smoke causes lung cancer in nonsmoking adults, resulting in about 3,000 deaths per year, and impaired respiratory health in hundreds of thousands of children.
- **Dust mites** — These microscopic, eight-legged nuisances live by the millions in every home, no matter how clean. They feed on skin flakes and dander shed by people and their pets. They live in bedding, carpeting, drapes and cushions, and their droppings form a powerful allergen.
- **Animal dander** — People who are allergic to cats and

dogs are actually allergic to the dander flakes that their pets shed by the millions every day. Dander can remain in a home long after the presence of the host animal.

- **Mold and mildew** — Typically found in the shower, kitchen or basement, these sneaky plant spores also grow in mattresses, cushions, potted plant soil and even under carpet laid on concrete.

"The impact of these pollutants is magnified in today's energy-conscious buildings, which keep air filtration to a minimum to avoid heat loss in the winter and heat gain in the summer," Jimbalvo explains. "New construction techniques restrict those air exchanges that allow the home to breathe. While that is better for energy conservation, we may feel worse as a result."

NEIGHBORS

By NANCY NORTHUP

MR. AND MRS. LEROY MCKEAGE of Lake Jackson, Texas were recently in East Jordan visiting old friends and enjoying the fall colors.

CRISTIE DAVIS of Jackson was here this past week to visit his sister, Edith Tillotson, of Petoskey who was a medical patient at Northern Michigan Hospital.

LEE PHILLIPS and wife Sandra of Franklin enjoyed last weekend here visiting the Boyne City home of his mother, Delcie Phillips. All enjoyed driving throughout the area to see the near ending season of fall colors.

LYNN AND LORRAINE SIRMONS and Jerry and Paula Hadix, all of Boyne City, returned this past Friday from a wonderful 10 days in Florida. A tour of Disneyland and visiting relatives in Ft. Myers, Orlando, and Naples was highlighted by the romantic reuniting of marriage between Jerry and Paula!

APPROXIMATELY 200 friends and relatives from many points throughout Michigan gathered at the Boyne City K of C Hall on Saturday, October 26, 1996, to attend the 40th

wedding anniversary celebration of John and Gladys Bauman of Boyne City. The lovely buffet and country and western music party was hosted by their daughters and families; Judy and Don Gillespie of the Grand Rapids area, Sally and Steve Sztrecka of Romulus, and Kathy and Ken Bradley and son Dawson of Boyne City. The celebrated couple received many congratulations, gifts, and cards. Also here for this special occasion was John's sister and former East Jordan resident, Francis Palmiter of Florida, who has been their house guest during the past week.

MANY AREA CHURCHES gathered at the United Methodist Church in Boyne Falls on Sunday night to participate in the Boyne City Holiness Camp Meeting Hymn Sing:

JEFF REEVES and friend Linda, who were visiting the area from their home in Mobile, Ala., spent Sunday with good friends Pastor Russ and Nella Hager and family.

LINDA FELTON of Boyne City and a friend spent the weekend in Dearborn, where they attended the wedding of another friend.

EARL BENNETT of Boyne City, who is coming along well after a spinal fusion surgery at Munson Hospital in Traverse City the

first part of October, was glad to be among those attending Friday night's football game.

NANCY RENNICK of Big Rapids spent a few days here this past week at the Boyne City home of her mother, Adell Hibbard.

SHIRLEY BEHLING of Deer Lake will be spending the winter months at the home of sister-in-law Thelma Behling.

THE OCTOBER MEETING of the Northern Slopes Farm Bureau was held at the Boyne City home of Irene and Ray Speltz with 12 members present. Topic of discussion, "Ballot Proposals." Especially of concern was Proposal D, on Bear Hunting — not letting it pass and Proposal G, all favored to keep the DNR in control. Tasty refreshments were served by the hostess.

VIRGINIA BURNS of Boyne City and daughter, Linda Black, left on Monday to spend a few days with her niece and husband, Geraldine and Bud O'Brien, in Flint. En route, they also visited Virginia's sister-in-law, Rose Livingston, in Grand Blanc.

(To submit items to Nancy, please call 582-9174.)

Robert and Marvel Gould

Goulds celebrate 50th

Robert Nyle, Sr. and Marvel Gould of Boyne City will celebrate their 50th wedding anniversary Thursday, Oct. 31. The couple has three children, Robert, Jr. and his wife Donna of Grand Junction, Colo., George and his wife Jean of Delta, Colo., and Wilma Belleville and her husband Fred of Boyne City. They also have six grandchildren and one great-grandson. Their hobbies include ceramics and bowling. Wilma and Fred Belleville will be celebrating their 30th wedding anniversary on the same day.

WEDDINGS

Jacobs-Kroondyk

Elizabeth Jacobs and Robert Kroondyk exchanged marriage vows Oct. 5 at the Community Reformed Church of Charlevoix.

The Rev. Larry Grooters performed the ceremony. A scriptural reading was done by Rev. Henry Kroondyk, the groom's brother.

The bride is the daughter of the late Robert and Margaret Jacobs of Walloon Lake and Indiana. The groom's parents are the late Marvin and Lucille Kroondyk of Grand Rapids.

The bride was escorted to the altar by the groom and his four sons, Byron, Ben, Beau and Blake. She wore a taupe satin gown with ivory lace on the bodice and an ivory chiffon overlayed skirt. The groom wore a cream colored, double breasted tux with black pants. The boys wore black, single breasted tuxes.

There were swags of silk Alstroemeria, dried wheat and plum foliage on the pews, and white pumpkins with Alstroemeria and dried plum foliage on the altar.

"Grow Old with Me" was sung by friends, Joel and Diana Vanderberg, assisted on piano by Kevin Kroondyk, nephew of the groom.

The reception was a sit down luncheon held at the Deer Lake Beach House given by Liz and Bob. Jeff Woolsey and Dennis Diamond were the Jazz duet. "Monkey Business" entertained the kids.

Elizabeth and Robert Kroondyk

Liz and Bob did not take a honeymoon because their "life will be a honeymoon." They will reside in Boyne City with Bob's four boys.

Liz owns The White Rose of Women's Fashions and The Gray Flannel of Casual Men's Wear. Bob will be starting a business in remodeling and construction.

'Requiem' performance is Sunday

Mozart's "Requiem" will be presented Sunday, Nov. 3, at 4 p.m. at the Charlevoix Congregational Church, located on Park and State streets. This is the third in the series of "Sundays at 4" concerts.

The work will be performed by the Charlevoix Area Community Chorale and soloists accompanied by orchestra and conducted by Ellen Addington.

Mozart wrote it amongst foreboding of his own death, and unfortunately, did not live to complete it. However, there were enough musical sketches left that his talented pupil, Süssmayr, who had knowledge of his intentions, completed the work. Even though Mozart adhered to the strict liturgical forms, the effect is not only one of great simplicity, but a work of incomparable beauty.

The soloists for the afternoon will be Julie Pierpont, soprano; Barbara Windham, mezzo-soprano; Mark Puchala, tenor; and Jeffery Norris, bass-baritone.

Julie Pierpont has proved to be a versatile performer, not only in concert, but in the theater. She is presently directing a Harbor Springs production of the musical "Annie." This is her first appearance with the chorale.

Barbara Windham, mezzo-soprano, comes with a rich and varied background of performances with major symphonies, opera companies, and with internationally recognized conductors including Sixten Ehrling, Anton Dorati and Aaron Copeland.

Mark Puchala, tenor, will be remembered for his outstanding appearances with the Chorale in Handel's "Messiah," Dubois' "Seven Last Words," Bach's "Passion According to St. Matthew" and the first performance of local composer Elizabeth Humphrey's "The Prophecy." Mr. Puchala is on the faculty of Northwestern Michigan College and director of the NWM Chorale.

Jeffery Norris, bass-baritone, is a member of the voice faculty at the Interlochen Arts Academy and a singer equally comfortable in opera, oratorio or chamber music. He is returning by popular demand. His

appearances with the Chorale include the Brahms, Mozart and Faure requiems as well as a first performance of "Yizkor" by Elizabeth Humphrey.

A reception will follow the program. The public is invited to attend. There is no charge, but a free will offering will be accepted.

Travis Garrett Katie Van Treese Jennifer Weisler

NAME: Travis Garrett
PARENTS: Robert and Ruthanne Garrett
GRADE: Junior
SCHOOL ACTIVITIES: Football, basketball, track
HOBBIES AND INTERESTS: "My main interest is football, I live for football."
FUTURE PLANS: "Graduate with good marks, and go to college. I have no idea what I want to do after that."
NOMINATING COMMENTS: "Travis is a very enjoyable person to be around," said Pat Klooster. "Positive, honest, and hardworker are just a few qualities Travis possesses. He would be a good friend to many."
 "I like this guy," said Bill Fry. "He never stops trying - always willing to ask questions that will help him understand the material."
 "Travis is a conscientious 'A' student who does quality work, is well-liked by his peers and is actively involved in extra curricular activities," said Ms. Ruhs. "I enjoy Travis' positive attitude and consistent effort. Congratulations, Travis."

NAME: Katie Van Treese
PARENTS: Linda and Jerry Van Treese
GRADE: Junior
HOBBIES AND INTERESTS: "My hobbies include biking, swimming, boating, going on-line and spending time with friends. In my spare time I also enjoy volunteering at Grandvue Medical Care Facility in East Jordan."
FUTURE PLANS: "After graduation, I plan on attending college and studying either physical therapy or English before moving to Chicago."
NOMINATING COMMENTS: "Katie is a lively individual and consistently displays a happy, positive attitude," said Steve Edwards. "I enjoy having her in class."
 "It has been a pleasure to have Katie in class," said Frederic Rice. "Keep up the good work, Katie!"

Girl Scouts wrap up first phase of 2-year fund raiser

Boyne City Girl Scouts, Troops 284, 280, and 252, will complete the kick off of a two-year fundraising effort on Saturday, Nov. 2.
 The Scouts, who are earning money for a planned trip to Yellowstone National Park in August 1998, will again be offering parents and their children the opportunity to design a unique plate, bowl, or mug for holiday gift giving. The cost per item is \$7.50; or \$20 for the complete set.

The Girl Scouts will be set up in the basement of the Boyne City United Methodist Church (across from the Middle School) from 11 a.m.-1 p.m. to allow children and their parents to complete the artwork for their plate, bowl, or mug. Orders processed from completed designs will be delivered in four to six weeks.
 For more information contact Tami Whitley at 582-2688 or Cathy Zavesky at 582-2628.

CLUBS

Monday Study Club

The Oct. 21 meeting of the Monday Study Club was held in the lobby of the Wolverine-Dilworth Inn, in keeping with the program theme for 1996-97 of touring historic places in our area.

The 24 members and guests present enjoyed a delicious, freshly baked cherry turnover from the kitchen of the Inn, accompanied by tea and coffee. Hostesses were Thelma Bentley and Margaret Wescott.

The speaker for the program was Evelyn Gould, who had researched the history of the hotel and gave an extremely interesting narration, beginning in 1911 with the decision to build by a group of investors and the grand opening on Feb. 1, 1912. The hotel was to become the social focal point for the town for many years to come. Early owners were Wes and Katherine Dilworth from 1935-1946 and Don and Ruth Sheets from 1946-1966.

The next meeting is Nov. 18, at 1:30 p.m., at the Boyne City Historical Museum. Lois Pollock will be the speaker and afterwards members will be led by Thorneta Rowe on a tour of some of the historic buildings on Water Street.

Street Legends Classic Car Club

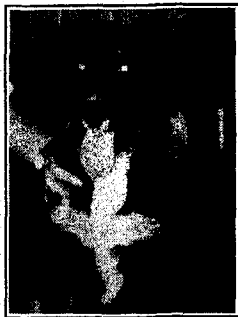

The Street Legends Classic Car Club had some special guests dine with them before their monthly meeting on Oct. 24.

Besides the regular members present, there was Scott Kelly from Club 77 Teen Center of Charlevoix, Deputy Rex Behling, Charlevoix County DARE Officer, and Shirley Lashmit representing the Charlevoix Senior Center.

Each of them were presented with a check for their organization, in the club's continuing effort to give something back to the community. President Earl Muma did the honors and acknowledged the benefits of each group to the area.

The club would also like to thank the sponsors, participants and all those who attended its annual car show in Charlevoix.

Spooks will be out

Ghosts and goblins will be roaming the streets Thursday with children of all ages celebrating Halloween.

Trick or treat hours are 5-8 p.m. in Boyne City and East Jordan, and 6-8 p.m. in Boyne Falls. Students at area schools will get an early start on the celebration with parties and parades earlier in the day.

In Boyne Falls, students will parade through town in costume, weather permitting. The parade begins at 1:30 p.m. and will proceed down Center Street to Snyder's Hardware, then turn on Mill Street to Grove Street and back to school. If Mother Nature doesn't cooperate, the parade will be held in the school gym.

In Boyne City, elementary students will parade around the new track at the sports complex starting at 1:15 p.m. All parents and community members are invited to attend. The school encourages visitors to park in the bus garage parking lot. Following the parade there will be classroom parties.

In East Jordan, the parade begins at 1:30 p.m. and students will walk down 5th Street, make a u-turn, come back to school and then parade around the building. Following the parade, there are class-

room parties.

TO INSURE A safe evening of trick or treating for children, the following tips are offered by the Charlevoix County Sheriff's Department:

- Parents should escort small children to homes in the neighborhood, visiting only people they know.
- For older children, it is a good idea to put safety reflecting tape on their costumes to make them easier for motorists to see.
- Remind children to look both ways before crossing the street and to use the crosswalk whenever possible.
- Advise youngsters to approach pets with caution; wearing a costume may frighten the animal and cause it to attack.
- Make sure a child's vision is not blocked by a mask or wig or hood.
- Only give and accept wrapped or packaged candy.
- Inspect each treat before permitting your child to eat it. If you should find any contaminated foods or other safety violations, report them to the police department or sheriff's office.

Concord has openings for board members

Concord Academy Boyne is looking for a few good men and women.

The school has four openings on its five-member board and is now accepting applications from interested candidates.

To apply, submit a resume to the school, located on Dietze Road, by Nov. 3.

For more information about the openings, call administrator Larry Kubovchick at 582-0194.

Adult basketball begins Monday

Adult basketball will meet Mondays from 7-9 p.m. at the East Jordan Middle School gym beginning Nov. 4.

The charge is \$1. per visit. You must be at least 18 years old and not attending high school to be eligible. Bring your own equipment.

For more information, call Community Education at 536-2250.

OBITUARIES

Judy Ann Kelts Kuheana

Judy Ann Kelts Kuheana, 51, of Boyne City died Oct. 22, 1996 at her home.

Her funeral service was held Saturday, Oct. 25, at St. Matthew's Church in Boyne City. Pastor Paul Wise of Trinity Fellowship Outreach Ministry of Faith officiated. Burial was in Maple Lawn Cemetery, Boyne City.

Judy was born on Sept. 7, 1945 in Petoskey, the daughter of James I. and Betty L. (Fox) Kelts.

She graduated from Boyne City High School in 1963, and then attended North Central Michigan Col-

lege in Petoskey. She then moved to Hawaii and returned to Boyne City in 1977.

She worked as a waitress at Betty's Restaurant in Boyne City and Boyne Falls for most of her working life. Judy was currently working for Ace Hardware in Boyne City.

She was a member of Trinity Fellowship Outreach Ministry of Faith, and Founder and Director of the Boyne City Food Pantry.

Survivors include two sons, Kimo (Candice) of Spokane, Wash., and Keoki of Honolulu, Hawaii; one daughter, Aulani (Earnest) Rhea of

Tulsa, Okla.; her mother, Betty Kelts of Boyne City; three brothers, Jerry Kelts, Jeffre (Debra) Kelts, and Justin (Laurie) Kelts, all of Boyne City; two sisters, Lois "Jo" (Andrew) Kipapa of Boyne City, and Janet (Carl) Massey of East Jordan; two grandchildren, Corey and Kerey Kuheana; and many aunts, uncles, cousins, nieces and nephews.

Judy was preceded in death by her father, Jim, in 1975.

The family would like memorials to be directed to them; a charity will be chosen at a later date.

William Hanson

William Hanson, 68, of East Jordan died Saturday, Oct. 19, 1996 at Charlevoix Area Hospital.

Funeral services were held on Tuesday, Oct. 22, at 7 p.m. at the Paullin-Penzien Funeral Home in East Jordan. Rev. William McKeon officiated, with interment in Todd Cemetery, East Jordan.

He was born on May 16, 1928 in Barryton, the son of Adam and Eulah May (Soules) Hanson. He served in the United States Army during the Korean Conflict. He was a construction worker and enjoyed fishing.

He is survived by seven children, Karan Hanson of California, Kathryn (John) Brannan of Virginia, Annemarie (Mike) Beauvais of East Jordan, Eileen (Tom) Conklin of East Jordan, Eric (Charlett) Hanson of East Jordan, Maureen (Dan) Livingston of Virginia, and Michael William (Jewel) Hanson of East Jordan; twenty-two grandchildren; one sister, Mary Cramer of Hastings; and one brother, Carl (Carol) Hanson of Florida.

He was preceded in death by his parents; one grandson, Kevin Adam Hanson on June 18, 1992; one granddaughter, Lynette Michele Beauvais on Dec. 18, 1994; two sisters, Hazel Lewis and Nora Maresch; and one brother, Rex Hanson.

John 'Jack' Feldt

John "Jack" Feldt, 65, of West Olive, died Sunday, Aug. 25, 1996 at North Ottawa Community Hospital.

He was born April 7, 1931 in Grand Rapids to A. Edward and Doris (Angel) Feldt. He married Betty Safranek on Oct. 15, 1955 in Spring Lake.

Formerly a resident of Boyne City, Mr. Feldt moved to Grand Haven in 1953. He was employed as a sales manager with Redeker Ford for 43 years. He was the recipient of

many awards from Ford Motor company.

He was loved by fellow employees and customers alike.

He was a member of St. Anthony's Catholic Church, member and past chapter president of AMBUCS of Grand Haven, member of Grand Haven Fraternal Order of the Eagles Aerie #925 and former member of the Grand Haven Rod & Gun Club.

Mr. Feldt was an avid golfer and

fisherman and enjoyed traveling.

Survivors include his wife, Betty; a brother, Jim (Patti Anne) Feldt of Fruitport; a sister and brother-in-law, Mae (Lou) Buron of Grand Haven; two brothers-in-law, Murt Simons of Spring Lake and Tony Marecek of West Olive; and several nieces and nephews.

He was preceded in death by his sister, Barbara Jean Simons.

Betty Feldt lives at 11550 144th, West Olive, Mi., 49417.

STATE PROPOSAL BALLOT

**PROPOSAL A
A REFERENDUM ON PUBLIC ACT 118 OF 1994 - AN ACT TO AMEND CERTAIN SECTIONS OF MICHIGAN'S BINGO ACT**

Public Act 118 of 1994 would:

- 1) Change the definition of a qualified organization which is permitted to sponsor certain forms of gaming, including bingo, millionaire parties, and raffles, so that an organization which is organized under the Michigan Campaign Finance Act, including a candidate committee, political committee, political party committee, ballot question committee, or independent committee, is no longer qualified to receive a license to sponsor such gaming.
- 2) Permit a change in the single maximum prize or payout for a charity game sold by a licensed religious, educational, service, senior citizens, fraternal or veterans organization.

Should this law be approved?

**PROPOSAL B
A PROPOSAL TO AMEND THE STATE CONSTITUTION TO ESTABLISH QUALIFICATIONS FOR JUDICIAL OFFICES**

The proposed constitutional amendment would:

- 1) Specify that a person must have been admitted to the practice of law for at least 5 years to be qualified to serve as a trial court judge, an appeals court judge or a supreme court justice.
- 2) Provide that this requirement does not apply to any judge or justice appointed or elected to a judicial office prior to the date the requirement becomes a part of the constitution.

With a step on the defensive back, Brian Mapes grabs a perfect pass from quarterback Matt Johnecheck. Mapes had a big night, hauling in four passes for for 84 yards.

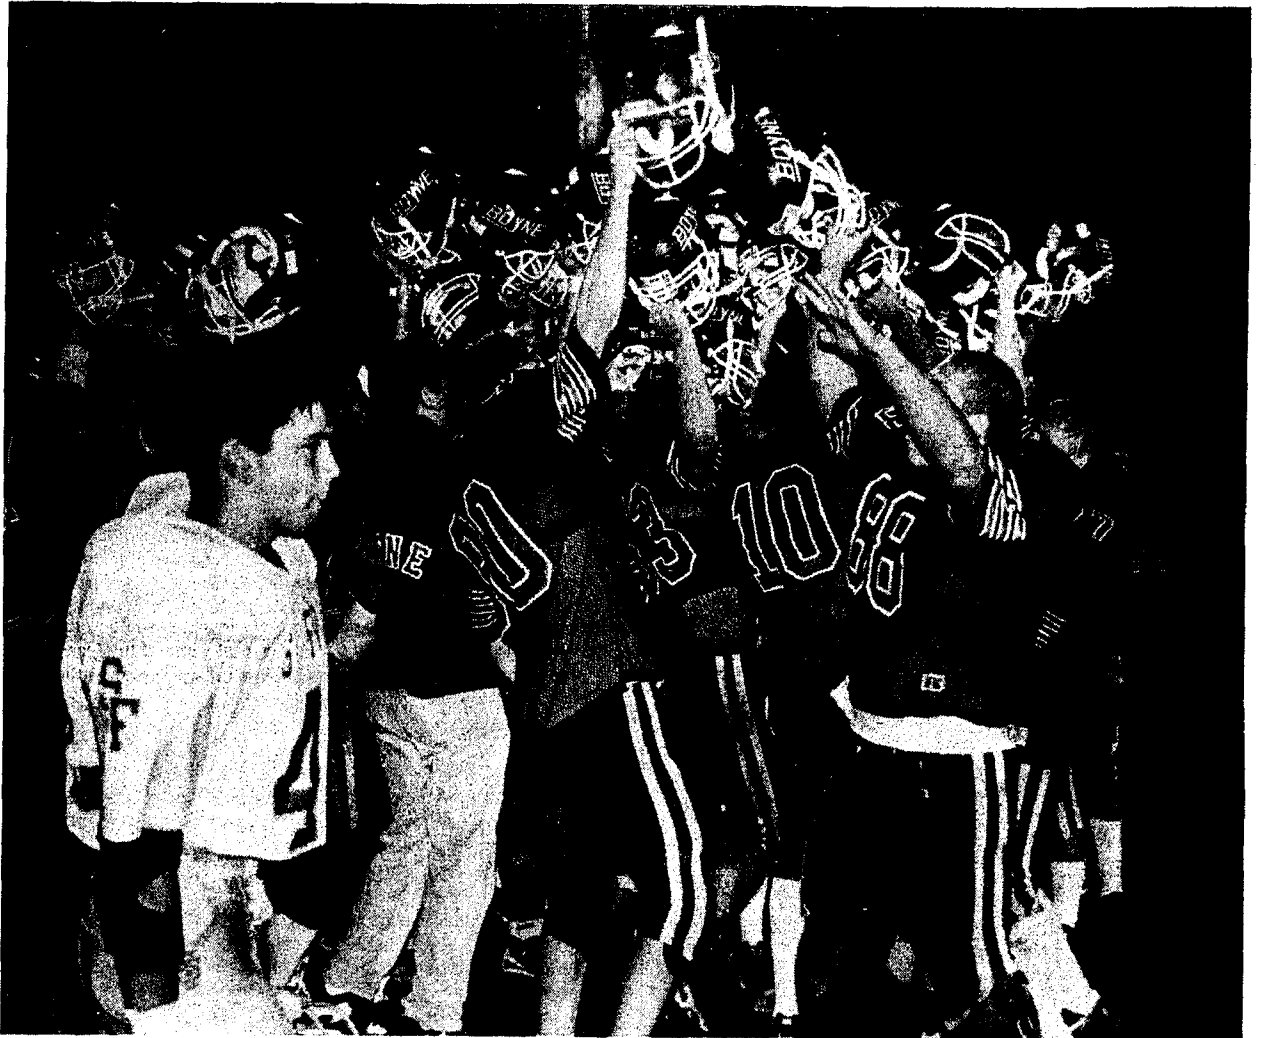

Moves like this by Josh May often had St. Francis players stuck in their tracks.

While most everyone in Boyne City was at the game, Haford Kerbawy and Leon Jarema were flying above and had this view of the action.

Cliff Bates and the rest of the Boyne City defense was on quarterback Josh Ludka's tail throughout the evening.

Joy and jubilation consumed the Ramblers, while sadness and disappointment was evident on the St. Francis players.

A night to remember

By TED KARASZEWSKI

The St. Francis Gladiators tried mind games on the anxious Ramblers on Boyne's own field, making them wait 20 seconds before game time before showing up on the field.

They wanted to play mind games before the game and make the Ramblers think about the Gladiator mystique. St. Francis even charged through a banner on Boyne's own field, while running through a tunnel of St. Francis fans.

Those tactics have worked countless times in the past during St. Francis' seven-year undefeated conference reign. But not this time.

"Not in our house," said the Ramblers as they went on to a 14-10 win over the mighty Gladiators to take their first ever Lake Michigan Division Conference title.

"We knew we could beat them," said senior Don Richards. "We've beaten them two years in a row with our junior varsity teams so we weren't in awe of them."

"This was a huge win for us and the community," said coach Pat Klooster. "I'm so happy and proud of these kids. This is something that they'll remember and talk about 30 years from now. It's been a real exciting year for us."

"These kids played with a lot of pride tonight. They're proud of our new facility. This win was like a big thank you to the community for all they've done. They really deserved this win."

In knocking off the number one Class C Gladiators, Boyne City locked up a playoff spot as it finished the conference 5-0. With a win this week against Rogers City, Boyne would finish the season undefeated for the first time since 1968. If St. Francis wins this week at Whittemore-Prescott and Boyne beats Rogers City, the Ramblers would have a home field playoff game for the first round.

"We'll be pulling for St. Francis this week," Klooster said. Boyne City was not intimidated at all as they marched down field almost at will against St. Francis. Josh May took the ball 70 yards for a touchdown on the second play of the game only to have

Not since 1968 has a Boyne City team been undefeated. A win Friday and the 1996 Ramblers will break that 28-year drought.

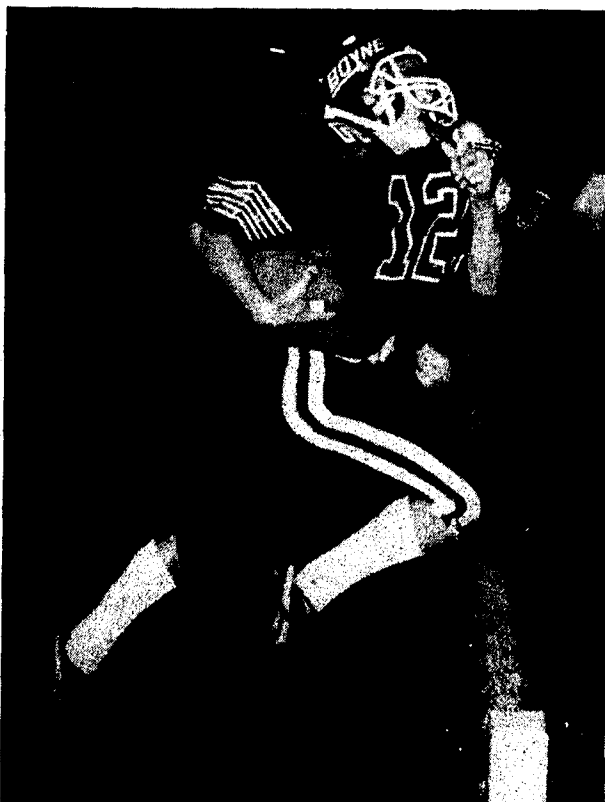

it called back for offensive holding. Two more first quarter drives by the Ramblers resulted in turnovers near St. Francis' 20 yard line.

"On my way to work this morning I started second guessing myself," Klooster said. "I was wondering if our two main running plays were enough for tonight. They worked well and we were able to mix them up with some passing plays. We had a good plan offensively and defensively and we stuck with it. The kids deserve all the credit."

St. Francis' coach Larry Sellers wasn't happy at all with his team's performance.

"It comes down to mental preparation and we weren't ready mentally," Sellers said. "Boyne City was ready to play and they played their hearts out. My hats off to them and coach Klooster. They wanted it more than we did."

Traverse City scored first with 10 seconds left in the first quarter when quarterback Josh Ludka found Joe Theil for a 26-yard

Matt Johnecheck broke open around the right end and found clear sailing into the endzone for Boyne City's first touchdown.

Red Devils win a thriller

By RICH CLARK

East Jordan and the visiting Bellaire Eagles traded scores for 48 minutes and two overtimes before the Red Devils came out on top in the third overtime to win 41-34.

Bellaire jumped out to a 14-0 lead in the first quarter. East Jordan got back into the game when fullback Dillon Antaya broke free for a 20-yard score. Denzil Wilson added the extra point. At the half, Bellaire was on top 14-7.

Antaya scored again early in the second half capping off a nine play drive with a three-yard touchdown run. Wilson again added the extra point. The touchdown was set up by two long passes from quarterback Josh Luck, one of 32 yards to Nate Swan, and the other for 31 yards to Parke Bluhm.

East Jordan went ahead on a 60-yard run by Bluhm which followed a Luke McLaren fumble recovery.

Wilson added the extra point for a 21-20 lead.

East Jordan increased its lead on a one-yard scoring plunge by McLaren and an extra point by Denzil Wilson only to have Bellaire score on a 50-yard pass to Curtis Menestrina and a two point conversion. The score was 28-28 at the end of regulation.

"We really didn't know what to do in the overtime," said coach Allan Peterson. "The last time we had overtime was in either 1989 or 90 against Indian River."

In overtime, each team gets a chance to score from the 10 yard line in four plays or less. East Jordan started first scoring on a six yard touchdown pass from Luck to Scott Haley. The extra point was no good. Bellaire also scored and its two point conversion failed. Score: 34-34.

In the second overtime the defense of both teams came up with big stops to keep the score knotted at 34-

In the third overtime, with the coaches' stomachs in knots, the crowd on their feet, and the players going hoarse on the sidelines, Luck found an open Shane Swan on the back of the end zone for an easy 10 yard touchdown toss on the first play. Wilson nailed the extra point. It was a play Swan had bothered the coaches all game to call.

Now it was Bellaire's turn.

Bellaire's quarterback Adam Poel dropped back on the first play and was picked by Bluhm to ice the game. Bluhm said, "When the ball hit me in the chest, I didn't know what to do." He was downed by his own players and the gang pile started as the team rushed on the field jumping in elation.

"This was the funniest game I've ever coached," said a happy but tired coach Peterson. "The excitement was unreal. You could feel the electricity in the overtimes. Nothing can compare to this. I think we became a team

with this game."

Dillon Antaya was the leading ground gainer netting 130 yards and two touchdowns. Bluhm finished with 105 yards rushing, one touchdown and 63 yards on two receptions. Swan picked up 44 yards on the ground and 18 yards on one catch for a touchdown. McLaren gained 10 yards and had one touchdown. Luck gained 14 yards and completed six passes for 142 yards and two touchdowns. Haley snared three passes for 67 yards and a score.

Bluhm and Wilson each had an interception and McLaren and Jessie Bacon each had a fumble recovery. Matt Ingalls led the defense with 16 tackles. Amos Skrocki made 10 stops, and Dillon Antaya had nine tackles.

With the win, East Jordan snapped a five-game losing streak and its record is now 3-5. The season concludes this Friday at 7:30 p.m. when Kalkaska comes to town.

yard touchdown pass. Brian Beckwith booted the extra point for a 7-0 Gladiator lead.

Boyne bounced right back on its first possession of the second quarter when junior quarterback Matt Johncheck found Brian Mapes for a 42-yard reception to set up a Rambler score. Five plays later, Johncheck scored on a keeper from 12 yards out. Johncheck hooked up with Mapes again for the two point conversion and an 8-7 lead.

Mapes was on the receiving end of another Johncheck pass early in the third stanza as they hooked up for a 30 yard touchdown strike and a 14-7 lead.

Boyne City dominated the second half as they held the Glads to just 59 yards of offense. St. Francis could only manage 173 yards offense for the entire game.

The Ramblers seemed to really fire up early in the fourth quarter after a goal line stand inside their own five yard line held St. Francis to a field goal making the score 14-10. A key tackle by Jason Richards on third and goal forced the field goal and shifted the momentum back to Boyne City.

"At that point we knew we could beat them," said senior Wade Leist. "We were fired up and we wanted it."

Boyne City controlled the fourth quarter allowing the Glads only 10 plays compared to 21 plays for the Ramblers with several players stepping up to make big plays preventing the St. Francis offense from taking the field. With 6:30 left in the game and St. Francis deep in its own territory, Leist and Cliff Bates chased Ludka for a 10-yard loss to force a punt.

Big first downs in the closing minutes by Dean Fiel and Scott Karaszewski kept the clock moving until Boyne gave the ball up on loss of downs with 1:28 left to play.

The Gladiators' first play after getting the ball back resulted in perhaps the biggest defensive play of the game for the Ramblers when defensive back Jeremy Andrews intercepted Ludka's pass intended for Nick VanStratt.

"We both went for the ball at the same time. He had the ball but I just went and took it from him. It was great," Andrews said.

From that point all Boyne had to do was run 59 seconds off the clock for the win and it was pure pandemonium.

"The crowd was just huge and after the clock ran out, the emotions took over," Klooster said.

Offensively for the Ramblers, Matt Johncheck was 6 of 7 passing for 113 yards. Mapes caught four of those passes for 84 yards. David Miller had one reception for 16 yards while Dean Fiel caught one for 13 yards.

Fiel led the rushing with 95 yards on 22 carries. Matt Johncheck had 70 yards on 8 tries. Josh May added 57 yards on 10 carries, Scott Karaszewski had 13 yards on five tries while Chuck Stanek carried twice for 11 yards.

Wade Leist led the defense with seven tackles and a sack. Korey Lockman and May each had six tackles while Cliff Bates added five tackles.

"Our defense has been solid all year allowing only 65 points while we've scored 247 points."

Friday's final regular season game is at home this Friday against Rogers City. Game starts at 7:30 p.m.

EJ runners head for state meet

Holly Petkewicz and Mark Penzien will be traveling to the Michigan International Speedway near Brooklyn this Saturday but it won't be to watch a car race.

The two East Jordan runners will be competing in the state cross country meet at the speedway. They qualified for the state meet at the regionals held Saturday at Schuss Mountain near Mancelona.

Petkewicz finished 17th overall with a time of 21:49 while Penzien finished 20th. His time was 17:52. The East Jordan girls finished sixth in the 16-team meet while the boys took seventh.

"We had hoped to finish better, but are far from disappointed," said coach Dennis Snarey. "Many of our runners had an excellent race. We're proud that Holly and Mark qualified for the state finals."

"Both teams have had an excellent season. We won a lot, but more importantly — had fun."

In the girls' race, Charlevoix took first, while McBain won the boys' race.

Results for the girls are: Cassie Krause, 29th, 22:27; Beth Purvis, 30th, 22:28; Emily Niewendorp, 34th, 22:53; Debbie Bacon, 67th, 24:58; Autumn Dodge, 91st, 27:12; and Tammy Hague, 104th, 35:49.

Boys' results: Nate Sothard, 29th, 18:09; Nate Gagnon, 32, 18:15; Kevin Penzien, 48th, 18:45; Charlie Hague, 51st, 18:49; Matt Shaw, 60th, 19:09; and Matt Birgy, 73rd, 19:44.

Streak ends for Boyne jv's

The Rambler junior varsity's 23-game winning streak came to a heart-breaking end last Thursday as Traverse City St. Francis stole a last second win from Boyne City at Thirby Field by a score of 12-6.

Korky Persons put the Ramblers on the board in the first quarter with a 65-yard touchdown run and a 6-0 lead. The Gladiators tied the game up in the second quarter and that's how

Loggers share conference title

Everything fell into place for the Loggers at their conference meet last Wednesday as they pulled off a dramatic but slim victory over Wolverine to earn a co-conference championship.

Wolverine and Boyne Falls finished Wednesday's meet in a 37-37 tie but the Loggers won on the sixth man tiebreaker.

"This was truly a team win with the tiebreaker," said coach Andy Place. "Everybody counts when you have to use the tie breaker."

Wolverine came in first place in the dual meet standings but a combination of those standings and Wednesday's results left the two teams in a tie for conference championship. This was Wolverine's first conference crown.

Curtis Hansen set a course record with a time of 17:29 shattering the old mark of 17:55 set by Alan Massey in 1994. Hansen's closest rival was second place finisher Matt Bollinger of Wolverine at 18:00.

The big difference in the race was way back in the pack as Boyne Falls' Matt Britton and Pat Overmyer placed 15th and 16th respectively beating out Wolverine's Jeremy Hasser and Greg Lemmons who finished 18th and 20th.

The Loggers placed three runners on the all-conference team as Hansen, Mike Kenny and Jer-

emy Massey received the honors. Mark Bearss took honorable mention. Becky Kuhn was honorable mention on the girls all-conference team.

Loggers in order of finish: 1- Curtis Hansen, 17:29; 4th - Mike Kenny, 18:20; 9th - Jeremy Massey, 18:59; 11th - Mark Bearss, 19:29; 15th - Matt Britton, 19:54; 16th - Pat Overmyer, 19:55; 26th - Chad Matelski, 22:01. Becky Kuhn was eighth in the girls race at 26: 11.

On Saturday at the Schuss Mountain Class C and D regionals in Mancelona, Boyne Falls streak of six straight trips to the state finals came to an end as it finished sixth. However, the Loggers did send two runners to the state meet. Curtis Hansen and Mike Kenny finished ninth and 14th respectively to earn a spot. Hansen's time was 18:15.86 while Kenny's time was 18:34.07. Jeremy Massey just missed qualifying for the state meet as he finished 21st at 19:14.74.

Other Loggers in order of finish: 56th - Pat Overmyer, 20:59; 63rd - Matt Britton, 21:33; 77th - Chad Matelski, 22:3; 86th - Mark Bearss, 24:17. Becky Kuhn was 49th in the girls race at 26:38. Amy Place of Boyne City took 79th place in the Class C girls race at 25:56.

Lady Ramblers drop two conference games

Two tough league losses for the Boyne City girls basketball team did not exactly make for a great week, especially with districts (this year hosted by Boyne), right around the corner.

The girls fell 75-54 to Harbor Springs on Tuesday, and lost a tight battle Thursday night with Traverse City St. Francis, 43-42.

The Ramblers knew that the Rams would be a challenge, as they entered the game undefeated, and at week's end were 13-1 and tied for 10th in the state in Class C. Boyne never led in the game, and at the half, the score was 46-19.

Treana Fiel had a big night, putting in 19 points, grabbing six rebounds, and making three steals. Sa-

rah Bobowski, April Roberts, and Sarah Vincent all scored five points, Alison Polack had six boards, and Erin Fry made three steals.

Expectations for the St. Francis game were high, because in the two teams' first meeting, the Gladiators won by a mere five points.

Boyne was up 38-32 with about four minutes left. St. Francis then tied it up with a minute and a half to go. The Ramblers had a two point lead when with 15 seconds remaining, the Glads made one free throw, but missed the second. So Boyne was still ahead, but not for long. Just nine ticks remained on the clock when two St. Francis foul shots put them up 43-42. Following a Boyne City time-out, the Ramblers drove down the court,

got a shot off, but it didn't drop.

Sophomore Katie Bernthal had few shots that wouldn't fall; she had her best game of the season scoring 18 points and making three steals. Vincent made nine points and Fiel had six points and six rebounds. Bobowski snatched eight boards.

The junior varsity continues to find success, topping Harbor 40-24, and beating TCSF 42-20.

Both teams traveled to Petoskey on Tuesday, and will play at home on Thursday against Elk Rapids.

The Lady Ramblers were also scheduled to play Rogers City next Tuesday at home but the game has been changed to Monday, Nov. 4. The junior varsity game begins at 5 p.m. followed by the varsity.

Defense keys EJ junior varsity win

The East Jordan Red Devils junior varsity football team traveled to Bellaire Thursday to face the Eagles and came away with a big 16-0 win. East Jordan's defense stopped the Eagles on four straight plays from the eight yard line midway through the second half.

The Devils and the Eagles played a scoreless first half trading long drives and defensive stops.

The Devils forced a turnover on Bellaire's first series of the second half. David Wheeler recovered the Eagle fumble on Bellaire's 20 yard line. Six plays later fullback Matt Whiteford scored on a three yard plunge up the middle. He also picked up the two point conversion on a similar play. East Jordan was up 8-0.

Two drives later Jason Clark

found a cutting Glen Lord and hit him with a 48 yard touchdown pass. Mike Wladishkin caught the two point conversion from Clark.

There would be no need for more as East Jordan led 16-0 after three quarters.

The big legs for East Jordan were Matt Whiteford's who picked up 76 yards. Zach Jones racked up 67 yards at just over 11 yards per carry, Tony Prevo gained 23, Ryan Saganek and Ben Johnson picked up 12 yards each, and Brian Banfield added a tough 11 yard run.

Chad Muma led the defense with 10 tackles. Ryan Saganek made eight stops, Tony Prevo, Gary Fortune, and Chris Olson made five tackles each. Olson also had a sack. Lyon Livingston recovered two fumbles and Nate Swan intercepted a pass.
