East Jordan, Michigan

at a GLANCE

DDA work is underway

Crews broke ground last week on the first phase of the Downtown Development Authority's Streetscape project.

The work slated for this fall will include infrastructure work on Spring and Esterly Streets and some paving work.

While the underground work is to be completed by mid-November, most of the cement and aesthetic surface improvements won't begin until mid-April.

Chamber seminar still has space

Space is still available for the East Jordan Chamber of Commerce seminar series entitled "How to Start a Business."

The seminars will be held from 7-9 p.m. at East Jordan High School in the Kiva lecture room each Wednesday in October. Doors will open at 6:30 p.m.

Space is limited for the seminars and the registration fee is \$10 per person. For more information, contact the East Jordan Chamber of Commerce at 536-7351.

Business after hours returns

The East Jordan Chamber of Commerce will host its first Business After Hours of the fall season with an "End of Summer Beach Party" on Thursday, Sept. 18.

The "come dressed to have fun and no ties allowed" event will take place from 5:30-7:30 p.m. at the East Jordan Tourist Park. Sponsors are Bartlett's Septic and Pumping, Galmore's Inc., Larry's Repair, Griffin's Carpet Cleaning, and Jordan Valley Rental.

The cost is \$3 for chamber members and \$4 for non-members. Hors d'oeuvres and refreshments will be served.

The Dirt Devils were all smiles following their 22-0 season-opening victory over Pellston. Although their counterparts, the Super Devils, lost their opening game, a good crowd was on hand at Boswell Stadium last Saturday to witness the first-ever Pop Warner football games in East Jordan.

TWO 'DEVIL' TEAMS MAKE THEIR GRIDIRON DEBUT

Football 'Pops' into town

A dream that started with just a few strokes of a pen on a loan form back in April for Barbara Worgess became reality last Saturday as the East Jordan Pop-Warner Football program hosted its first games at Boswell Stadium.

"It was so satisfying and heart warming to see it all come together after nine months of planning," Worgess said.

Under her direction, two teams, the Dirt Devils and the Super Devils, took the field in this inaugural season. The Dirt Devils are coached by Rich Clark and Bill Tison; and the Super Devils are coached by Mike Merrill and Jon Crawford.

Like Worgess, both Clark and Merrill were involved with the former flag football league in East Jordan.

"I don't know who is more excited, the parents or the kids," Worgess said before play got underway on Saturday.

Pop-Warner is a national full contact football program for boys and girls ages 10-12 weighing between 80-120 pounds (without equipment).

The games are officiated by Michigan High School Athletic Association football officials and are played with eight minute quarters. Each team is guaranteed one home game per season.

The league has added several defensive restrictions to promote safety. Each team's

defense must have five people on the line of scrimmage at the start of each play. Blitzing is not allowed and the defense must line up at least one body length off the line of scrimmage to begin each play.

Pop-Warner also has an excellent record for safety. According to Worgess, in the last two years there has not been a single game injury.

Players also must maintain academic eligibility to participate. Worgess said that although academic eligibility guidelines have yet to be determined, she expects that they will be similar to the guidelines used by the school district.

The Northwest Michigan Pop-Warner Conference is under the direction of the Grand Traverse YMCA.

"The most important thing about this program is that it gives kids something positive to do after school," Worgess said.

The program will offset its \$7,500 start-up cost and annual \$2,500 budget with ticket sales, concessions, corporate sponsorships and various fund raisers throughout the year. The program benefited from a start-up grant from the Charlevoix Community Foundation.

Ticket prices are \$2 for adults, \$1 for children and \$5 per family.

"We are very grateful to the community and the support they have shown us in our

fundraising efforts," Worgess said.

The season will culminate on Oct. 25 when the top five teams from both conferences will meet in head-to-head competition at Thirly Field in Traverse City.

THE 43 PLAYERS, mostly from East Jordan, were split up into two teams following a pre-season skills test and draft that was held before practices began in late August.

In their debut appearance, the Dirt Devils defeated Pellston 22-0 while the Super Devils fell in the opener to Petoskey 56-7.

The Super Devils' lone score came in the second quarter on a run by Curt Derezy.

The Dirt Devils' scored a touchdown in the first, second and third quarters and made two of the three two point conversions. All three of the Dirt Devils' touchdowns were scored by Aaron Woodard.

Dirt Devils coach Rich Clark was pleased with his team's performance.

"It was a good game," he said. "Both teams played hard. Our guys played hard both ways and everybody got to play."

Next week the East Jordan teams travel to Petoskey where the Super Devils will take on Traverse City Dental at 11:30 a.m. and the Dirt Devils will take on Traverse City Steelers at 1 p.m.

Getting ready

FOJ hoping for a big turnout at MPSC hearing

Thursday will be a big day for members of the local environmental group Friends of the Jordan. The group is asking area residents to show their support at Shanty Creek Resort in Bellaire where the Michigan Public Service Commission will hold a public hearing at 7 p.m. Thursday. At the hearing, the MPSC will hear public comment on an application submitted by Elmira businessman Walter Zaremba for a common carrier permit.

If the MPSC grants the permit, Zaremba would be allowed to run a pipeline through the Jordan River Valley from an Antrim gas well on a 40-acre parcel of state owned land just off Cascade Road to which he holds the mineral rights.

The FOJ has opposed Zaremba's attempt to conduct drilling operations in the Jordan River Valley citing concerns over the environmental impact such activity would have on the area.

Over the past year, Zaremba has run into several road blocks. The Department of Natural Resources, which controls the surface of the land, has said that it will not allow Zaremba to run a pipeline to a well. The Department of Environmental Quality has denied Zaremba's drilling permit and the Antrim County Road Commission has also said it will not allow pipelines under its roadways.

With the MPSC application, Zaremba is hoping to make an end-run around the other agencies with a "common carrier" designation or a "Certificate of Public Convenience and Necessity." Such a designation would allow him to build his pipelines under eminent domain rights.

FOJ Program Director John Hummer said, "Do we, the public, truly think that him drilling this well and disturbing the Jordan Valley and all of its natural life...is 'convenient and necessary' for us? I don't think so."

Hummer said that MPSC staff has told him that this is only the third time in the last 20 years that the agency has sought public comment on a gas pipeline case.

"This is a crucial opportunity for all of us to send the message that the public simply will not stand for oil and gas development in one of the last great natural areas in the northern lower peninsula," Hummer said.

JRAC presents fairy tale on stage

The final play of the Jordan River Arts Council's sixth annual children's theatre festival opens at 7 p.m. Thursday, Sept. 18, at East Jordan High School auditorium.

"The Poet Who Wouldn't Be King," a new fairy tale play by Grosse Pointe Park playwright Maria Menozzi, deals with a prince who is torn between succeeding his father as king or pursuing his own dream to write poetry.

The Jordan River Players performances are also scheduled for 7 p.m. Saturday, Sept. 20, and 2 p.m. Sunday, Sept. 21. Tickets, available at the door 30 minutes prior to curtain, are \$5 for adults and \$2 for children and students.

The playwright, Maria Menozzi, is a writer, actor, singer, stand-up comedian and a former

Paul Teske (King William) and Jessica Nagel (Princess Gwendolyn) practice a fencing scene during a recent rehearsal of the play "A Poet Who Wouldn't Be King."

school music teacher. "The Poet Who Wouldn't Be King" was selected from new and unpublished plays submitted to JRAC's playwriting competition from

playwrights around the United States and Canada.

Appropriate for children ages three and older, it will be presented in one act with no intermission.

Schools seeking help with new technology

Instead of the three "R's," the East Jordan School Board had three "T's" on its mind last Monday night — training, technical support, and technology.

The issue came up during a presentation at the regular board meeting in August by School Superintendent Chip Hansen and high school principal Gus Bishop of the district's Strategic Planning Steering committee's annual report.

Among the items the report cited as needing attention, the board seemed most interested in the district's need for help in maintaining its growing computer network inventory and training staff to use it.

In the past, the district has used Computerland to trouble shoot any problems that have arisen. But Hansen said he is concerned about not having someone on site to handle problems in a timely manner.

"If we have a computer go down, we need to have someone on-site to get it back up and running as soon as possible," Hansen said.

The district currently has 286 computers. That number is expected to grow to more than 400 by the 1999-2000 school year.

At Monday night's meeting Hansen came to the board with a proposal to hire someone to fill that role on a part-time basis.

"What we needed to find was someone who would share a full time person with us. And we didn't have to look very far," Hansen said.

Under a tentative agreement, the school district will share a technology director with the East Jordan Iron Works. Hansen worked out the deal with school board member Kevin Keane who is EJIW's Technology Director.

The board gave Hansen approval to create a job description, administrative contract and post the position. Hansen said he hopes to recommend someone to fill the position at the October board meeting.

Board member Larry Chanda said, "Our technology is no better than the people we have running it and the support we have for it."

Hansen said the person in the position will not only troubleshoot problems but will also help train staff on using the technology, advise the school board on technology concerns and help build the technology budget.

In other business, the board ratified a three-year contract with the Food Service Association. The contract includes a 3.1 percent wage increase for the 1997-98 school year, with increases matching those earned in the teachers' contract through the 1999-2000 school year.

Hansen also reported to the board that bids will be opened on Oct. 15 for the renovation work to be done at the elementary school. The work is slated to begin in late October or early November.

Coincidentally, Oct. 15 is also the date that has been set for the dedication of the new East Jordan Middle School building.

13 year olds go on a wild ride

Three Boyne City youths got more than they bargained for when they were out joy riding in the early morning hours Sunday.

At about 2:30 a.m. Sunday morning Charlevoix County Sheriff's deputies stopped a vehicle they believed to be driven by an intoxicated driver on M-75 North near Ecker Road. As deputies approached the car on foot following the stop, the car sped away.

The deputies chased the car on Ecker, Larson and Old State roads until the driver lost control of the vehicle and ran off the roadway. The driver and two passengers were later identified as 13 year-old Boyne City males. Following their apprehension, all three juveniles were released to their parents. The driver faces charges of attempting to flee and elude police and driving without a license. The vehicle was apparently borrowed from one of the boy's parents.

Later that morning, at about 3 a.m., deputies responded to a single-vehicle personal injury accident that occurred on Rogers Road in South Arm Township.

According to the sheriff's department, a vehicle driven by Marc Moore, 23, of East Jordan was traveling at a high rate of speed when he lost control, skidded more than 300 feet and left the roadway. The vehicle rolled over in a swampy area and came to rest upside down. However, Moore was able to get out of the vehicle and was picked up by a passing motorist. He was taken to a residence in East Jordan. East Jordan Ambulance was summoned to the residence to transport Moore to Charlevoix Area Hospital where he was treated for facial lacerations and bruises.

The accident remains under investigation, but the sheriff's department believes speed and alcohol were factors in the accident.

The East Jordan Police Department assisted the sheriff's department at the scene.

Sheriff's deputies also responded to a two-vehicle accident on US 31 in Hayes Township on Saturday morning.

At about 8:35 Dana Schneider, 37, of Alanson, was southbound on US 31 and was slowing his 1995 Jeep Cherokee to turn left into the Charlevoix Rod and Gun Club, when a 1995 Chevy S-10 pickup driven by David Whennan, 26, of Boyne City rear-ended the Schneider vehicle.

Both drivers were taking students to hunter safety classes at Charlevoix Rod and Gun Club. Whennan told officers that he was looking for a sign for the entrance to the club when he struck the Schneider vehicle.

Schneider's passenger, a 13 year old male, was transported to Charlevoix Area Hospital complaining of neck pain. Whennan was cited for failure to stop.

The Sheriff's department was assisted at the scene by Charlevoix City Police and Michigan Department of Natural Resources Conservation officers.

Boyne City tightens rules on trash

Trash talking came to the Boyne City Commission at its meeting last week.

And when it was over, the commission approved by a vote of 3-2 a new ordinance restricting the use of dumpsters in the city.

The ordinance, which takes effect Oct. 24, prohibits dumpsters on public property. It also restricts the size of trash receptacles in other areas of the city.

Commissioners Bill Grimm and Vic Ruggles voted against the ordinance. While he supported much of the ordinance, Grimm opposed the size restriction on trash receptacles in residential areas. The ordinance restricts receptacles to .5 cubic yards or less in zoning districts R-1 (low density), R-2 (medium density resi-

dential) and PRD (planned residential development).

An exception is allowed for remodeling or construction projects.

Larger refuse containers, screened from public view and located on private property are allowed in all other zoning districts. Larger refuse containers placed on public land for use by the public in areas zoned public land must also be screened, except for temporary dumpsters placed for special events, like the 4th of July.

"I think half a cubic yard is too little," Grimm said. "We should allow one cubic yard at least." He also felt the size restriction may put a burden on home businesses located in residential areas.

"I agree they should be screened

and picked up at least every two weeks and every week in the summer. I just don't agree with the size restriction in residential areas."

AT ITS MEETING last Tuesday, the commission also approved a bid to complete the sidewalk on Boyne Avenue from where it ends in front of Maple Lawn Cemetery to Division Street.

The bid was awarded to Drapeau for \$11,000. Drapeau is the contractor that installed the sidewalk on Lincoln Street. The city had been approved for a Michigan Department

of Transportation Grant for \$9,500 for the project. But since Federal funds were involved, union wages are required to be paid to workers, as specified in the Davis-Bacon law, which made the city's matching portion of the grant more than the entire cost of the project without the grant.

When bids were originally received, the cost for the sidewalk project was \$22,000. The grant would pay \$9,500 while the city would cover the remaining balance of \$12,500. By not using the grant, the city saves approximately \$1,500.

BOYNE CITY POLICE REPORT

Less than four days after hundreds of Boyne City area residents took part in the second 24-hour relay to raise funds for the community sports complex, the fence at the south end of the complex was damaged in an automobile accident.

The Boyne City Police Department investigated the incident which occurred Wednesday night when a vehicle northbound on Boyne City-East Jordan Road was unable to stop at M-75 and crashed into the fence. The driver left the scene of the accident but officers later caught up with the subject and arrested him for driving under the influence of alcohol. No damage estimate was available.

The department also investigated several other complaints including:

- A city-owned Western snow plow was reported missing last week from the city's North Boyne Site.

- On the night of Sept. 9, personal property was stolen from two vehicles in the Wenonah and Lewis street areas.

- On Sept. 10, 46 compact discs were reported stolen from a vehicle parked in a driveway on Lewis Street.

- Also on Sept. 10, two bicycles were reported stolen from the 800 block of Maple Street. Reported missing were a blue 26-inch Huffy Mountain Roadmaster and a chrome 16/18 inch Mongoose BMX bike.

The police department asks anyone with information about the incidents to contact the department at 582-6611.

- On Sept. 12, officers received a complaint of a pedestrian being struck with a beer bottle that had been thrown from a passing vehicle on State Street.

- The department also responded to four traffic accidents during the week. The most serious among them was a two-car mishap that occurred on Division Street in front of Carter's. The accident caused serious damage to both vehicles. Two people involved in the accident suffered injuries but sought their own treatment.

As A Group, Mature Drivers Are A+ With Us.

Each year of maturity seems to present new challenges. But, when your car is insured with the new Auto-Owners A+ program, saving money isn't one of them. If you are a member of a company approved retirement association or group, you may be eligible to receive a substantial group discount on your automobile insurance. OBITUARIES

Gordon E. Ballenger

Gordon E. Ballenger, 62, of Boyne Falls, died on Tuesday, Sept. 9, 1997 at Northern Michigan Hospital in Petoskey.

His funeral was Saturday, Sept. 13, at Stackus Funeral Home in Boyne City. Pastor Alfred Nelson officiated. Burial was in Maple Lawn Cemetery.

Mr. Ballenger was born on May 19, 1935 in Detroit, the son of Ben and Marie (Stalo) Ballenger. He graduated from Mumford High School in Detroit. He worked with his father selling wholesale meats in Detroit. After 1973 he was an independently owned and operated truck driver until April of this year.

He enjoyed hunting, fishing,

snowmobiling and attended Parr Memorial Baptist Church in Petoskey.

Survivors include his mother, Marie Ballenger of Boyne Falls; brothers, Harold L. (Marian) of Pinckney, and Melvin (Linda) of Howell; sister, Jeanette (Floyd) Giem of Boyne Falls; nieces and nephews, Steve (Samantha) Ballenger, Brenda (Steven) Eason, Darin Ballenger, Kathleen Ballenger, Donna (Jeff) Yost, Ryan (Mindy) Giem, and Yvonne Giem; and great nephews.

He was preceded in death by his father, Ben, in 1973.

The family wishes memorials to American Cancer Society.

William C. Price

William C. Price, 71, of Boyne City died Wednesday, Sept. 10, 1997 at his home.

Mass of the Resurrection was Saturday, Sept. 13, at St. Matthew's Catholic Church. The Rev. Francis Partridge and the Rev. William McKeon officiated. Burial was in Maple Lawn Cemetery.

Mr. Price was born Sept. 12, 1925 in Boyne City, the son of Lenwood and Gladys (Billington) Price. He was raised in Boyne City and graduated from Boyne City High School in 1943 while serving in the US Navy during WW II.

On Sept. 22, 1947, he married Laura Jane Poirier at St. Matthew's.

He worked at Wolverine Power Supply Cooperative in Advance for 30 years, retiring in 1989. He was a member of St. Matthew's Church. He enjoyed many sports including

golf, fishing, and was an avid Boyne City Rambler fan and coached Little League baseball for a number of years while his sons were young.

Survivors include his wife, Laura, of Boyne City; daughters, Sue (Richard) Rotison of Middleville, Kateri (Michael) Bates of Alba, and Tammy (Steve) Ryder of Boyne City; son, Patrick (Linda) Price of Bear Creek Township; 12 grandchildren; four great-grandchildren; many nieces and nephews; and brothers, Harold (Lucille) Price, and Robert (Joann) Price, both of Boyne City.

He was preceded in death by his parents; a son, Humphrey J. Price in 1967; and a sister, Patricia Price Malec in 1981.

Memorials may be directed to Hospice of Little Traverse Bay or St. Matthew's Building Fund.

'MADAME BUTTERFLY'

**THE WONDER AND BEAUTY
OF MONARCHS HAS
CAPTURED THE IMAGINATION
OF LYNN DEMING**

By STEVE ZUCKER

What could be more uplifting than seeing the wonder in the eyes of a child as he or she watches a butterfly float through the air in an open meadow on a warm summer day.

Although she's not a child anymore, that same look still glows in the eyes of Boyne City's Lynn Deming whenever she sees a butterfly, especially a monarch butterfly.

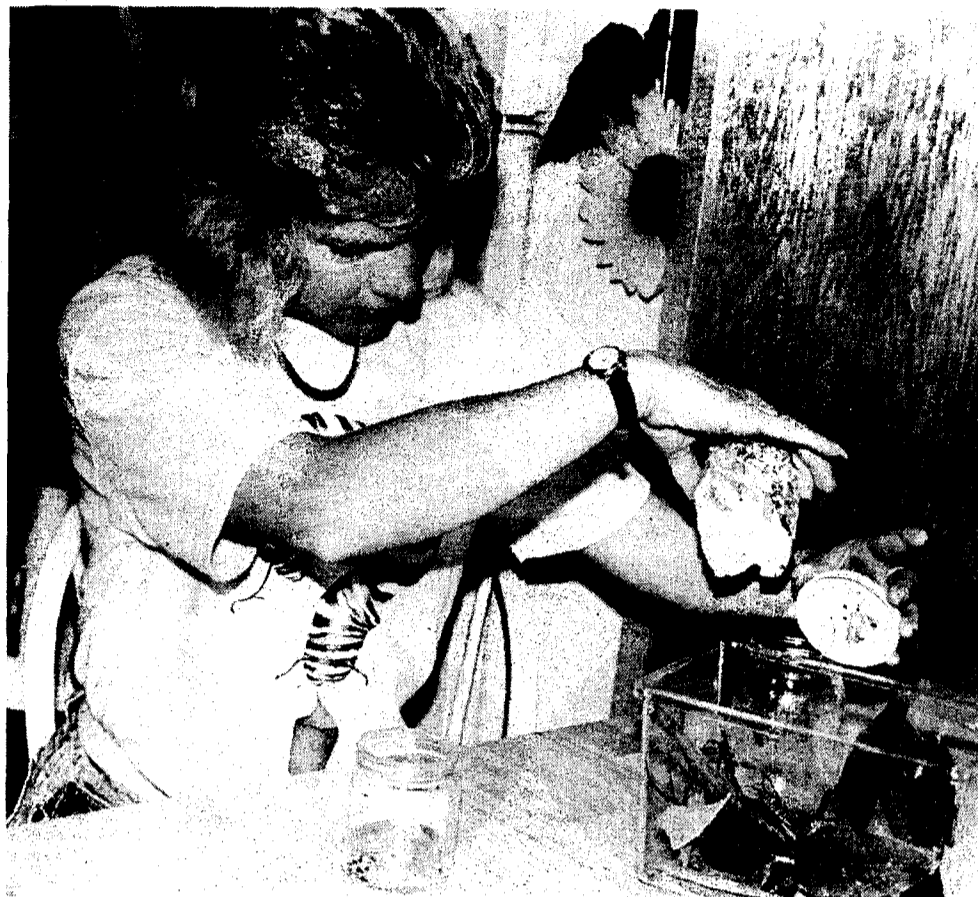

While for children interest in the colorful critters is usually a passing fancy, often inspired by an elementary school science class, for Lynn it has turned into a full fledged hobby for more than a decade now.

She found her first milkworm caterpillar with her daughter Nikki about 11 or 12 years ago. They brought it home and put it in a jar where they watched and waited until it metamorphosed into a beautiful monarch butterfly. So enamored of this wonder of nature was Lynn that it became a hobby for her. While Nikki's interest has long since waned, Lynn's certainly has not. Her hobby has even earned her the unofficial title of "Madame Butterfly" at Allied Signal in Boyne City where she works as an assembler.

Lynn can be found many days spending her lunch hour and break times combing the shore of Lake Charlevoix in search of milkworms — the caterpillars that will eventually become monarch butterflies.

"I've even gotten some of my co-workers into it a little. Sometimes they'll come out and help me look on breaks," she said.

The *Danaus plexippus*, or monarch butterfly, is the most common species of butterfly. They live throughout the world, but mainly in North America.

Lynn Deming at work raising monarchs.

The caterpillars, called milkworms because they feed on milk weed, can be distinguished by their black, yellow and white stripes.

Once she finds them she takes them home, gives them milkweed to eat and waits for nature to take its course.

While it can take a week or more before a caterpillar will attach to the top of the container and go into its chrysalis, Lynn said that when it happens, it often happens very quickly.

"There have been times when I was watching one of them and looked away for a minute and

when I looked back it had already happened," she said.

Usually once the caterpillar has gone into its chrysalis, it takes about 10 days to two weeks to make the transformation into a butterfly. When the butterfly does emerge from its chrysalis, it must allow its wings to dry before it can fly. This usually takes anywhere from 1-3 hours.

After "hatching" the butterflies are weak and need to eat. Lynn said they usually hang around for a day or two before they fly away.

Lynn says she always lets the butterflies go

soon after they emerge from their chrysalis.

"It would be cruel to keep them cooped up inside someplace," she said. "Besides, it would be pretty tough to find a leash small enough to fit them."

Deming said that she usually starts finding the milkworm caterpillars in early July and continues

"It really is a low maintenance and low cost hobby and it's great for kids. The only bad thing about it is that you can't raise any in the winter."

--Lynn Deming

to find them until about mid September.

Much like migratory birds, monarch butterflies actually fly south in the winter. Their most common winter destinations are Mexico, California and Florida. Some have been known to migrate as far as 1,800 miles. During its two-year life span, each butterfly will make the trip twice.

Female Monarchs lay their eggs on the underside of milkweed leaves and when the larvae hatch they feed on the plants. As they do so, they accumulate a poisonous substance that makes them distasteful to birds and other predators.

"It really is a low maintenance and low cost hobby and it's great for kids. All you need is a little patience and a some kind of a ventilated container," she said. "The only bad thing about it is that you can't raise any in the winter."

This has been Lynn's best year to date. She estimates she has raised more than 60 butterflies this year.

In the future, she would like to create a solarium on her front porch where she can raise fluttery friends.

"I wouldn't say that it's an obsession, but I have often been tempted to stop the car on the side of the road to look for milkworms," she said.

Perhaps, after all these years, the allure for her still remains the chance to look at the world, if only for a while, through the eyes of a child.

Sara Dwan benefit is Sunday at Sportsman's

A benefit for Sara Dwan is Sunday, Sept. 21, at the Sportsman's Bar. Sara suffered a seizure in August and while she is recovering, she is still hospitalized. Sara's husband is Craig Stadtmiller, a member of the Jelly Roll Blues Band. The benefit has been organized to help defray her medical expenses and lost income. It begins at 4 p.m. and will feature non-stop entertainment. Bands include Jelly Roll, Blue Rider, Yankee Station, David Cisco, and Sean Ryan. A \$5 donation will be taken at the door. Complimentary hors d'oeuvres will be served. For more information, call Chris at 582-6362.

Every step helps fight hunger here and abroad

Crop Walk is Sept. 27

The 1997 Charlevoix County CROP Walk is scheduled for Saturday, Sept. 27, beginning at 9 a.m. Walkers from Boyne City will leave from Whiting Park, East Jordan walkers begin their walk at Elm Point and Charlevoix walkers will leave from the high school. All three groups will walk about six kilometers and will meet at the Ironton Congregational Church grounds for a light lunch prepared this year by the Boyne Valley Lions. Money donated by walkers and their sponsors goes to Church World Service to support hunger-fighting projects and disaster aid in this country and around the world. Two unique features help Church World Service/CROP attract support. First, 25 percent of the money raised is returned to be divided evenly among Care and Share in East Jordan, Community Service Center in Boyne City, and Charlevoix County Pantry in Charlevoix. Second, sponsors may designate their gifts to go to one of the denominational or non-denominational relief agencies accredited by Church World Service rather than to CWS/CROP. To walk or to sponsor a walker, call Diana Walls at 582-6485 in Boyne City; Kay Smith at 547-2920 in Charlevoix; or Marge Teske, 536-3128 in East Jordan. In 1996, \$14,475 was raised, an increase of \$935 over 1995. Each of the three food pantries received \$1,273. For Boyne City the increase was \$1,054, 54 percent more than in 1995, and a big step toward matching CROP support in East Jordan. Both communities have a way to go to reach Charlevoix's level, Walls said.

PUBLIC NOTICES

PUBLIC NOTICE BOYNE CITY COMMISSION MEETING CANCELED

The regular weekly City Commission meeting for Sept. 23 is canceled. The next regular meeting is scheduled for Tuesday, Sept. 30, 12:00 noon, Boyne City Hall, 319 North Lake Street.

NOTICE OF LAST DATE TO REGISTER FOR CITY OF BOYNE CITY GENERAL ELECTION TO BE HELD NOV. 4, 1997

THE LAST DAY TO REGISTER for the Nov. 4, 1997 City General Election is Monday, Oct. 6, 1997. Notice is hereby given that the office of City Clerk, 319 North Lake Street, will be open from 8 a.m. until 5 p.m. to receive registration to vote from any qualified resident of the City of Boyne City not already registered. If you are unable to register during regular office hours, please call (616) 582-6597 for an appointment outside regular office hours. You may also register to vote at any Secretary of State Office.

Sue Hobbs, City Clerk

CITY OF BOYNE CITY COUNTY OF CHARLEVOIX

At a regular meeting of the City Commissioners of the City of Boyne City, County of Charlevoix, Mich. held at City Hall in said City the 9th Day of September 1997, at 7 p.m., ordinance A-61(1) to amend certain provisions of City of Boyne City Ordinance A-61 was introduced for a first reading and recommended to be presented as a second reading which included the following additional text:

CITY OF BOYNE CITY COUNTY OF CHARLEVOIX AVALANCHE MOUNTAIN ORDINANCE

21.604 Section 4. MOTORIZED VEHICLES PROHIBITED; EXCEPTIONS; PENALTY.
Except for Emergency vehicles such as fire, ambulance, and police vehicles without the written consent of the City Commission of the City of Boyne City.
ADD: ...or snowmobiles on the designated (marked) snowmobile trail only between Dec. 1 and March 31 of each year. Snowmobile operators are required to obey all posted signs, rules, and regulations pertaining to the operation of snowmobiles within the limits of Avalanche Preserve. No person shall alter, deface, damage, or remove a snowmobile trail sign, warning sign, or any control device or signage.

A second reading and consideration of adoption will be held at the 14 October 1997 meeting of the City Commission to be held in the City Manager's office, 319 North Lake Street at 12 noon. A copy of this amending ordinance is available for review or purchase at City Hall. If approved at second reading, effective date of this ordinance will be 29 October, 1997.

Sue Hobbs, City Clerk

Glass artist's roots run deep in Boyne

Southern California glass artist Nancy Tooley recently visited Boyne City where many of her relatives live. She traces her family's history in the area back to the 30's and 40's when her grandparents, Lewis and Rose Tooley, operated the Tooley Meat Market. Tooley graduated magna cum laude from Central Michigan University with a degree in fine arts in 1977. Moving to California in 1980 she studied stained glass from the master Tiffany reproductionists at Woolsey Studios in Anaheim, Calif. She learned the fused glass process studying at Cal State Fullerton and later developed her own style of combining iridescent space age fused dichroic glass (originally developed for use on the Hubbel Space Telescope) with the ancient Egyptian art of handmade wire wrapped jewelry. "I recently lost my father, Art Tooley, who was a Michigan State Trooper and who grew up in Boyne City. I went with my mother, Phyllis (formerly Phyllis "Flip" Davis, the daughter of Ada and Louis Davis, who resides in Mt. Pleasant) to visit his grave site which is in Boyne City and it was so touching to see his name and those of so many of my family and friends of the family on the gravestones. "When we visited the Lighthouse Gallery and Gifts my mother showed me the painting by Deneille Spohn Moes named 'The Great Parade' which features a scene from downtown Boyne City with Tooley Meat Market showing two children peering from the upstairs windows. My aunt Arlene (Arlene Moore who resides in Boyne City) thinks that the two children are her and her twin brother Art (my father), but we have no way of knowing for sure." Tooley's wire wrapped fused glass jewelry is featured at the Lighthouse Gallery and Gifts located at 113 Front St.

Nancy Tooley at work in her Southern California studio.

LIBRARY NEWS

Boyne holding story time for pre-schoolers

Boyne District Library has announced a fall story time program for pre-schoolers, ages 3-5.

Story time sessions will be held Sept. 23 through Oct. 22 on Tuesdays and Wednesdays at the library, located at 201 E. Main St. in Boyne City.

Tuesday sessions will be held from 10:30-11:30 a.m. and Wednesday sessions will be held from 6-7 p.m.

Pre-registration is required and can be done by calling the library at 582-7861.

Boyne Falls branch extends its hours

The Crooked Tree District Library Boyne Falls Branch has expanded its hours.

New hours are Monday, 4-8 p.m.; Tuesday, 10 a.m.-3 p.m.; Wednesday, 10 a.m.-3 p.m.; Thursday, 1:30-8 p.m.; and Saturday, 10 a.m.-1 p.m.

Judy Plank, new assistant librarian, will help fill the extended hours.

The library board invites everyone to the new facility, made possible by Boyne Valley Township residents and businesses.

Flower of the season

Heavy with seeds, sunflowers are in full bloom in gardens throughout the area. As fall approaches, the hardy yellow flowers are standing tall.

NEIGHBORS

By NANCY NORTHUP

FORMER RESIDENT Don Arner and wife Sue moved into their new residence, 1145 Jefferson St., in Boyne City this past week. Don, who left for the "Big City" at age 19, worked as a locomotive engineer for 43 years with Conrail Railroad, out of Detroit. He remembers his job as janitor at the Methodist Church before he left, and even after the many interesting sights, and stories he could tell about life along the clackity clack of the railroad tracks, he's glad to be home again.... like his sister, Betty Shaver, who lives right next door and Sue's cousin, Mike Weeks, who lives just a hop and a skip up the road. You just can't get much more "home townish" than that!

ANOTHER FORMER resident and head of the Boyne City Chamber of Commerce, Chris Tucker of Jenison, has spent the past couple of weekends here with good friend Flo Davis.

VIRGINIA BURNS of Litzenburger Place spent the weekend with her niece, Sandra Britton, and husband Bob in Houghton...."and had a very nice time!"

LARRY AND DARLEA MATTHEW of Walloon Lake have returned after spending three weeks attending engine shows. Hauling his tractor, they went to the annual Allis Chalmers' Gathering of the Orange show at Center Hall, Pa., joining the over 350 tractors in the show. They also went to one in Ohio over the Labor Day weekend. These events of tractor pulls, flea markets, crafts, and music, attract hundreds of people, including those from Charlevoix and the surrounding area.

DALE AND MARTHA STOLT of

Traverse City spent the weekend here visiting the Boyne City home of his parents, Robert and Marie Stolt. Like I heard in many places, women got into canning peaches.

WORD HAS IT around town that Tommy Sheets, the son of former Dilworth Hotel owners, Don and Ruth Sheets, had a "Before and After" party on Saturday night, of his Pearl Street home, which is under renovation.

LEONA AND CHARLES STANEK and Betsy and Rick Oland of Boyne City spent Saturday in Sault Ste. Marie, Canada and watched their grandson, Justin Holzschu, a student at Lake Superior State, run cross country competitions with three other colleges.

RUBY VANALSTINE of Advance returned on Wednesday from accompanying her daughter Tina Horn, and husband Brian and family of Charlevoix, for a three-week stay in Rochester, Minn., where Tina underwent surgery at the Mayo Clinic.

JEAN KORTHASE returned to her Deer Lake home on Sunday evening after spending a week's vacation in Chicago.

GERRY WILLIAMS of Boyne City fell last Monday and broke her hip. After surgery on Tuesday at the Charlevoix Area Hospital, she's up and doing well and will be spending the next 4 to 8 weeks at Charlevoix's Boulder Park Terrace for therapy.

LONG-TIME RESIDENT Dorothy Crandell was honored by many family members and Litzenburger Place friends with a bridal shower on Saturday, Sept. 13. All enjoyed typical bridal shower fun, games, and refreshments, including a beautifully decorated

cake of congratulations. A gift and card time was shared as well as a few fond farewells. Dorothy will become the bride of Elmer Daniels of Harbor Springs on Oct. 18. The ceremony is planned to take place in the Litzenburger Place Community Room, followed by a reception at the VFW Hall. The afternoon was hosted by her family.

LOUISE WESTFALL of Boyne City will be moving into the Independent Village in Petoskey on Thursday.

VISITORS AT THE Lakeshore Drive home of Thorn Rowe this past week were brother and sister-in-law, John and Betty Rowe of Venice, Fla. Often times thinking they might buy property here, they all enjoyed touring the countryside.

LELIA VOELKER of Litzenburger Place left on Saturday for a possible month of rest and recuperation at the adult foster care home of Haven Crest in East Jordan.

200 FRIENDS and family members attended the wedding of Rick Johncheck, son of Sandy and Harold Johncheck, to Nancy Wood, daughter of downstate parents, the Robert L. Woods on Saturday night. The double ring candlelight ceremony took place in the United Methodist Church of Harbor Springs. Decorations of beautiful artistically arranged mauve and white netting, entwined with heart shaped balloons and miniature lights and more candle light greeted the approximately 250 guests attending the dinner dance reception held at the nearby VFW Hall. The newlyweds will be at home on Camp Daggett Road.

(To submit items to Nancy, please call 582-9174.)

Annual Parents Night

The Boyne City Title 1 /At-Risk program will sponsor the annual parents night, 7-8:30 Tuesday, Sept. 30 at the Boyne City Middle School cafeteria. This meeting is held to inform parents about the programs and to discuss rules and regulations for the 1997-98 school year. Babysitting will be provided.

OLD KENT

CLUBS & ORGANIZATIONS

Lending a hand

Boyne City Rotary Club President Ed Reeves presented a check to Rotary District Governor John Morrison at last Monday night's Rotary meeting. The money will be matched with grants from Rotary International and will be used by the Rev. David Behling to purchase a mobile dental unit for use on medical mission trips to Russia. The donation was made in the spirit of Rotary International's 1997-98 theme, "Show Rotary Cares...for your community, for our world, for its people."

Boyne Valley Garden Club

The Boyne Valley Garden Club will meet at Litzenger Place on Thursday, Sept. 25, at 1 p.m.

The speaker will be Beekeeper Bob Pluister giving a slide presentation on "The Beauty and Benefits of Bees in Your Garden."

Members are asked to bring their \$10 dues for next year and any recipes they have to contribute for a cookbook the club plans to publish.

Anyone interested in attending the meeting or becoming a member is welcome. Contact Betty Shaver at 582-5545 for more information.

Boyne City Friendship Club

The Boyne City Friendship Club will meet Monday, Sept. 22, at noon at the city hall auditorium.

Those attending are asked to bring a dish to share and table service. Anyone over 50 is welcome.

Boyne middle school hosting parent orientation

Boyne City Middle School is hosting parent orientation night Thursday at the school.

The program will begin at 6 p.m. in the cafeteria with a welcome, the Middle School Annual Report, and a P.T.O. update. From there parents will be dismissed to "walk-thru" their student's schedule.

"We are looking forward to

meeting all of our parents during this program," said principal Steve Smith. "We feel this can be an informational, rewarding and fun evening for all. Your involvement in our school is crucial for our students' success."

Parent Orientation is not a par-

ent-teacher conference, but a time to introduce parents to their child's teachers, daily schedule, curriculum and materials. Conferences are scheduled for Nov. 5 and 10. Also, progress and deficiency reports will be sent home in early October.

Hospice holding volunteer training

Hospice of Little Traverse Bay is offering a series of volunteer training classes beginning Monday, Sept. 22 from 6-9 p.m. in classrooms C & D at Northern Michigan Hospital in Petoskey. Classes will run for seven consecutive Mondays, ending on Nov. 3.

Once trained, volunteers usually work 2-4 hours a week after being assigned a case. Hospice is looking for both men and women to volunteer. Volunteers are routinely called upon to be "caring listeners" for families and patients who are facing a terminal illness. Volunteers are needed for office work as well.

To register for training or for more information about volunteering with Hospice, call 347-9700.

FALL HOME FIX-UP

New Home Window Safety Check List

Fires and falls of all kinds are among the leading causes of injury and death in young children, according to experts of the National Safety Council. But according to Frank S. Fitzgerald, CAE, Technical Director of Screen Manufacturers Association, many of these accidents can be prevented by following a few, basic home safety tips.

Many manufacturers are following the associations' suggestion by putting warning labels on screens to alert homeowners to the fact that screens are designed to keep insects out, not to keep children from falling out of windows.

F.S. Fitzgerald

onds and nothing can substitute for careful supervision.

Solar Screens Can Block 70% Of Sun's Rays!

New solar screens can block 70% of the sun's rays before they enter the window and significantly reduce energy costs on a year-round basis. They can also help reduce color fading in window treatments, furniture and carpeting, according to Fitzgerald. Radiation is a type of heat transfer that passes right through the glass and air of storm windows, continued Fitzgerald, who likened solar screens to "putting your windows under a large shade tree, except that the solar screens stay in place all day long to keep the heat from the window surface."

Many utility companies now recommend the installation of solar screens and some offer incentives to homeowners who buy them. By "piggy-backing" the installation of storm windows and solar screens at the same time, consumers can save installation costs and enjoy a fuel energy pay back savings more quickly than conventional storm windows alone.

Solar screening is woven of strong, durable fiberglass in a unique mesh. It is long lasting and requires only an occasional cleaning with soap and water. Solar screens are available in new storm windows, or can be added to existing storm windows. In addition, it is available as a do-it-yourself product at hardware and home center stores.

10-Point Window Safety Check List

1. Keep children and children's play away from open windows and patio doors. If you need ventilation, open windows that a child cannot reach.
2. Make sure your insect screens are properly installed and in good repair. They are designed to provide ventilation while keeping insects out. They are not designed to prevent a child's fall from a window.
3. Do not place furniture under windows. Children can use furniture as a climbing aid and may climb to any open window and fall.
4. Keep window blinds, cords, draperies and curtains away from cribs, playpens and out of child's reach.
5. Make sure window guards or security bars on windows have approved release mechanisms. Use guards that comply with local codes and only if everyone in the home knows how to release them for emergency escape.
6. Rehearse an emergency fire escape plan with all family members regularly.
7. Make sure that none of your windows are painted or nailed shut. They must be able to be opened in an emergency.
8. Never install a window air conditioner in a window that might be used for escape in case of emergency.
9. Do not apply films or coverings to windows that may be used to escape from the home in an emergency.
10. Never leave young children alone. Injuries can happen in seconds and nothing can substitute for careful supervision.

Screen-In Porches Gaining In Popularity

Architects, contractors and remodelers are reporting an increasing demand for screened-in porches in new homes as well as remodeling projects. According to Frank S. Fitzgerald, CAE, the trend is being fueled by three factors. The first is life-style changes that include both relaxing and entertaining in an outdoor ambience. The second is the achievement of additional living space by enclosing an area and creating an "outdoor oasis." The third reason is the favorable economics involved in creating a screened-in porch, patio or deck. It has also become a favorite do-it-yourself project, using many of the "how-to" books now available in libraries, bookstores and home center stores.

Screened-in porches provide privacy as well as protection from insects both day and night. Charcoal color fiberglass and aluminum screening is very popular as well as the new black aluminum screening. The black/charcoal color provides excellent outward visibility, almost disappearing when you look through it. In areas of strong direct sunlight, solar screening is available to control heat. Aluminum screening is very resilient and is rust-proof, while woven fiberglass screening is coated with a strong vinyl making it tough to prevent denting, corrosion or rust.

For more information window safety and solar screening, write to Frank Fitzgerald, Screen Manufacturers Association at 2850 South Ocean Blvd., #114 Palm Beach FL 33480-5535.

A monthly review of local business from the Boyne City Area Chamber of Commerce

Chamber chat

This feature is done in cooperation with The Citizen and Boyne City Area Chamber of Commerce. For content suggestions call the chamber office at 582-6222. For advertising information call The Citizen at 582-6761.

Window Talk

If you haven't checked out Window Talk in the Chamber's kiosk lately, now is the time. Updated information on the Fall Harvest Festival has been input into the system and may be accessed 24 hours a day, seven days a week including holidays. Since mid-May, visitors and locals alike have accessed information from Window Talk over 7,000 times.

Tools and techniques for downtown revitalization

The Northern Lakes Economic Alliance will present a seminar created for business and community leaders to learn how to develop and sustain their own downtown revitalization programs.

All community leaders are invited, including chamber members, downtown merchants, local elected officials, Downtown De-

velopment Authority members, service clubs, merchants' associations, and city and village staff.

The seminar is Friday, Sept. 26, from 8:30 a.m.-5 p.m. at the Boyne Mountain Civic Center. The cost is \$50 per person.

Contact the Northern Lakes Economic Alliance for a registration form at 582-6482.

The Boyne City Chamber of Commerce held a ribbon cutting on Sept. 4 to celebrate the re-opening and new management of Willie's Rib Booth. From left to right are: Joe Breidenstein, Arlene Moore, Bill Grimm, Chris Martin and daughter, and Sue Hobbs.

Celebrating the season

Businesses, organizations, and individuals are encouraged to help beautify Boyne City by creating scarecrows to decorate downtown for the Fall Harvest Festival, Oct. 4 and 5.

We welcome scarecrows that are funny, scary, cute, and most of all - original. Scarecrows should be between five and six feet tall, and attached to the lamp "post" (not light fixture) with either twine or plastic ties. No wire please.

Applicants are responsible for placement and removal of

scarecrows. Reserve your lamp post soon. Prizes will be awarded!

The Harvest Festival will feature a historic encampment, harvest market, arts and craft show, pony rides and petting zoo, music, food concessions, free color tours, Boyne River Brewery 5K Run, Halloween costume contest for pets, pumpkin painting, pumpkin sculpting exhibit, and Harvest Market Dinner.

For more information call the chamber office at 582-6222.

bits & PIECES

Ribbon Cutting

The Chamber of Commerce Ambassadors held a ribbon cutting at Red Mesa Grill on Monday. Owners Fred Moore and Mary Palmer are serving lunch from 11 a.m.-2 p.m. and dinner is served from 5-9 p.m. Red Mesa officially opens Sept. 18.

24 Hour Relay

The following businesses sponsored the Chamber Team for the relay to benefit the sports complex: Nature & Company of Boyne; Whispering Needles; Gocha's Women's Apparel; Huff Pharmacy; Steve Baker, C.P.A.; Dairy Queen; Boyne Country

Party Shop; Country Now & Then; Charlevoix County Star; J.D.'s Market & Deli; Lighthouse Gallery; Boyne Country Party Store East; and Red Mesa Grill.

Business After Hours

Sponsors for the Sept. 18 B.A.H. at the Master's House Bed & Breakfast on M-75 in Walloon, Lake Village are Chipman Plumbing & Heating, Willie's Rib Booth and Master's House Bed & Breakfast.

Enjoy tours of the B & B and Willie's famous ribs. Bring a friend and your business card for a fun evening! There will be a 50/50 and door prize drawings. Admission is \$5.

Golf Weekend

The Chamber Member Appreciation Golf Weekend, sponsored by Scotland's Yard Golf Course, is Sept. 19, 20 and 21. Chamber member rates are: golf for \$5 per person or \$8 with a power cart. Twenty percent of the proceeds will be donated to the Chamber.

Holiday Open House

It's not too early to think about Christmas! The Chamber of Commerce is working on activities for the Holiday Open House on Nov. 28 and 29. The Santa Parade is scheduled for Friday, Nov. 28 at 6 p.m. and Open

House activities Friday and Saturday.

We are looking for a vacant storefront for Santa's Workshop. Any business interested in donating a space to Santa and his elves for the month of December may contact the Chamber office.

F.O. Barden & Son is Boyne City's oldest family-owned business

75TH ANNIVERSARY CELEBRATION

In 1922 Warren Harding was president, automobiles were just making their way into American society, televisions were only a dream, and F.O. Barden and Son Lumber Company opened for business in Boyne City. Seventy five years later, few aspects of life are the way they were back then. Except one. Barden's is still owned by the same family. It's in the same location and it uses the same motto: "Everything to build with."

Aldwyn, one of the founder's sons, is now a father and grandfather. He semi-retired from the business in 1979 and his son Ed, who started in the business in 1960, took over. Ed's son, Paul, works at the store and could be the fourth generation of Barden's to own the business.

Barden's has the distinction of being the oldest business in Boyne City owned by the same family. A few other businesses are older, but only Barden's has remained under the same family ownership.

The road to F.O. Barden and Sons' 75th anniversary has not always been smooth. The business has survived two fires, one in 1965, and another in 1979, which burned the business to the ground.

There's also been competition, a lot of it, and maybe never as fierce as it is today.

Still the business continues to prosper. And this year may be one of its best, according to Ed. There is more construction in Boyne City and the surrounding area than ever before, he said.

"It's tough to compete," Ed said. "To some customers, it's price alone. Others come in and don't ask questions."

He credits his employees for much of the business's success. "We get good compliments about our sales personnel," Ed said. "They take more interest than the bigger stores."

Barden's also belongs to a buyers group which allows it to stay competitive with chain stores.

The Barden's: Ed, Aldwyn and Paul

Work on the original building began in 1921 with F.O. Barden and his partner, Louis Behling. It opened in April, 1922. A year later, Barden bought out Behling and changed the name to F.O. Barden and Son. The son in the business was Russell, who was 26 at the time.

F.O. started the business at the time because he knew his job with the Boyne City Lumber Company

Mill would be ending. He was superintendent and general manager of the mill, but the great lumbering boom in the area was about to end.

But when the mill closed in October 1924, F.O. was offered a position with a similar mill in New Hampshire.

Russell took over management of the business when F.O. and his wife Mabel, son Aldwyn, and

daughter Marcia moved to New Hampshire. The family moved back to Boyne City in 1930 and Aldwyn started working at the lumber yard while he was attending high school. He graduated from BCHS in 1932. He continued his education at Michigan State where he earned a degree in applied science in 1936. After graduation he returned home and became a partner with his father and older brother.

During World War II, Russell left the business to work in a Detroit defense plant. After the war he moved to Pickford in the Upper Peninsula where he worked at a lumber company until his death in 1950.

F.O. and Mabel Barden had three other children, Isabelle, Frank Jr., and Marcia.

F.O. died in 1951 at the age of 75.

Ed joined the company in 1960, the same year Aldwyn started an 18-year tenure on the Boyne City Commission. Five of those years he served as mayor.

Like his father and grandfather before him, Paul started working for the company when he was in high school.

Aldwyn and his wife Jean, who now spend the winters in Florida, also have two daughters. Carole teaches in Harbor Springs and Barbara is head nurse in an Alzheimer's Unit for a hospital in Rochester, N.Y.

One of the greatest hurdles for Barden's over the past 75 years was the devastating fire in 1979 set by an arsonist. The business, except for two metal storage buildings, burned to the ground.

But even in the ashes, Barden's was opened for business Monday morning, less than two days after the fire. And from those ashes rose the new Barden's. The 17,000 square foot facility opened in the spring of 1980.

Now as the business celebrates its 75th anniversary, it has expanded its services and product lines and makes every effort to provide its customers "Everything to build with."

Ramblers had their chances, but it was not their night

By TED KARASZEWSKI

What happened to those Ramblers last Friday? That's been the question on everybody's mind after Boyne City lost at Rogers City 15-12.

Boyne turned the ball over seven times, four in the fourth quarter, as it blew the opportunities given by the Hurons.

For instance, with less than a minute left in the game Rogers City was faced with a 4th and 1 on their own 26-yard line, and the Hurons chose to go for the first down instead of punting. Boyne's defense stuffed them.

"I couldn't believe that call," said Rambler coach Pat Klooster. "We were set up pretty good to win the game. We were intercepted again and couldn't capitalize. We shot ourselves in the foot all night with turnovers and penalties. It will be interesting how we respond. I think I said after the first four games we could be 3-1 or 1-3."

The Hurons seemed to find a weakness in the Rambler defense in the first half as they used the pass effectively to gain yardage. Several big yardage pass plays to Isaac Strich set up Rogers City's first score

midway through the first quarter when Andy Centala went around end 14 yards for a touchdown. The extra point kick made the score 7-0.

"They were using out patterns on that drive and they were effective," said Klooster. "We made the adjustments and had two interceptions in the second quarter."

Boyne City came back on its first possession of the second quarter when quarterback Matt Johncheck found Jesse Belford for a 61-yard touchdown strike. A failed two-point conversion left the Ramblers down, 7-6.

With 1:11 left in the half, the Hurons' Strich picked off another Johncheck pass and returned it to Boyne's one yard line. The next play, Rogers City quarterback Greg Pietsch took the ball in on a keeper for a touchdown. Centala added the two-point conversion for a 15-6 lead at half-time.

The Rambler defense shut down the Hurons in the second half allowing Boyne to come within three points, 15-12, as Chuck Stanek scored on a 12-yard run early in the third quarter.

Boyne City looked like it was moving the ball in the second half but penalties and turnovers spelled

doom on this night.

"We beat ourselves tonight," said Klooster. "If we played those guys 10 times, we'd beat them nine. We had the better team, just not tonight."

Boyne was blamed for 65 yards worth of penalties to go along with seven turnovers, six interceptions and one fumble.

The Rambler defense had its share of interceptions as Bill Case grabbed two from the Huron quarterback. Belford and David Miller each snagged an interception.

Boyne's pass rush was effective also as the Ramblers recorded four sacks for the night.

"I was pleased with the way our defense played in the second half," Klooster said. "Actually they did pretty good the whole game, but especially in the second half. Our special teams did real well. We had good returns and our kicking game was good."

Boyne's total offense was 200 yards with 128 of those coming from Johncheck's 5 of 14 passing. Belford caught three of those for 84 yards while Stanek caught two for 44 yards.

The running game was led by Scott Karaszewski with 23 yards on six carries. Stanek had 15 yards on 5

"We beat ourselves tonight. If we played those guys 10 times, we'd beat them nine. We had the better team, just not tonight."

--Pat Klooster

carries, Johncheck carried five times for 13 yards. Stanek led the Ramblers with 11 1/2 tackles. Travis Garrett had 8 1/2 tackles, while Belford added 7 1/2.

"That's bad when our secondary has that many tackles. We have to improve on that," Klooster said. Boyne City (1-1) will host Benzie Central (1-1) this Friday. Game starts at 7:30 p.m. Benzie lost a close game to St. Francis the opening game of the season and easily defeated Charlevoix last Friday.

CHARLEVOIX IS HERE THURSDAY

Lady Ramblers win 2 straight

By CHRIS WINKLER

The Boyne City girls basketball team rebounded back to .500 last week with two impressive wins over Johannesburg-Lewiston on Tuesday and Lake City Thursday.

In the 65-48 win over the Cardinals, Ashley Schrader played her best game of the year, putting up 16 points and performing well along the boards. Katie Jo Dhaseeler scored 14 points, and Katie Bernthal and Heidi VanHoosier each scored eight. For Jo-burg, Kish Whitmore put in 13 points.

The Ramblers posted a big road win in Lake City, keeping control of a tight game and coming out on top, 51-45. Bernthal led the Rambler attack with 20 points. Dhaseeler had another high-scoring game with 14, and Sarah Bobowski scored 13. Lake City's points leader was Shannon Boven with 13 points.

"I'm pleased with where we're at right now," said coach Tom Neidhamer, "because even in those first two losses, good things were happening. We did finish Lake City down the stretch. That was a ques-

tion, was if we could win the close games."

That was true, after the team opened the season with two, three-point defeats. But it has shed that image after pulling out the victory over Lake City.

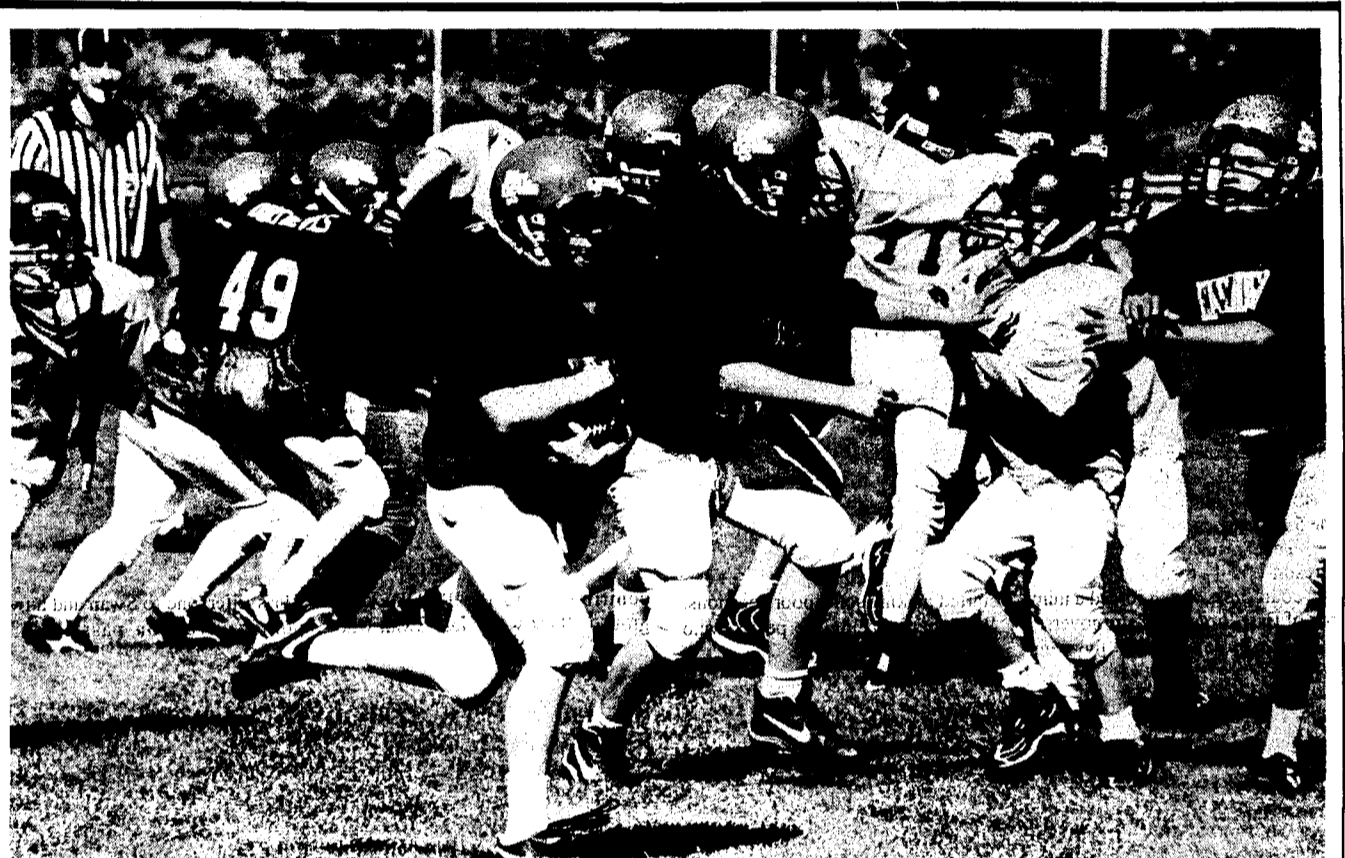

"Our challenge now is to play that way for 32 minutes," Neidhamer said. "When we do, we can play with anyone in the north."

"There's been a lot of people filling in at different roles, and they're getting the job done."

The Lady Ramblers have a tough road ahead. They open conference play Thursday with Charlevoix at home. The Rayders knocked Boyne out of the playoffs last year in the first game of districts, so the Ramblers will have that motivation behind them.

As for the rest of the season, they'll try to play the way they did in Lake City for 32 straight minutes.

The junior varsity also won its games against Jo-burg and Lake City. The freshmen completed the sweep for girl's basketball when they beat Kalkaska on Monday and won at Inland Lakes on Wednesday.

Covering the points

The East Jordan Dirt Devils' Kevin Whiteford demonstrates proper ball handling techniques as he runs around the right side of the line to score a two-point conversion in Pop Warner football action at Boswell Stadium last Saturday.

Golfers searching for depth and consistency on the links

The Boyne City golf team was quite busy last week with matches on Sept. 8, 10 and 12.

On Sept. 8, the Ramblers were in Inland Lakes along with Charlevoix and Rudyard for the Inland Lakes Tournament. Charlevoix won the match with a score of 160. The hosts scored a 175 and Boyne

City a 197. Rudyard was disqualified.

For Boyne, Tim Bouters shot a 42, and Dan Arner followed with a 49. Scott Sulak finished with a 51 and Mike Houser scored a 55.

The team then traveled on Wednesday to Kalkaska to compete with the Blazers and Mancelona. Kalkaska won by shooting a 177 and

Boyne was close to finishing second with a 204 to Mancy's 201. Derek Friske led the Ramblers with a 51. Bouters and Josh Hall finished at 52. Arner shot a 54.

At the Alpena Invitational on Friday, with a score of 441. Boyne took eighth out of the eight schools competing. Bouters played well,

earning a 90. Hall shot a 113, and rounding out the varsity scores were Sulak and Arner with 119's.

"This year's golf team is searching for a fourth, fifth, and sixth man to step up and place the team in a lower position scorewise," said coach Bob Wollenberg.

"Tim Bouters and Josh Hall have

been carrying the load, along with junior Dan Arner. Our scores have been quite good, until you get to the last three spots on the varsity," Wollenberg said after Wednesday's golf match against Kalkaska.

"Senior Derek Friske's game is starting to come together, along with Scott Sulak and Mike Houser's. We

have been scoring 39's to 42's for nine holes and then the roof has been falling in. I believe we'll change that in the next two weeks."

This week, Boyne hosts Harbor Springs at Ye Nyne Olde Holles on Wednesday. The Ramblers will then be in Elk Rapids on Sept. 23.

JV's lose to Hurons

The Rambler junior varsity lost 12-6 at home last Thursday to Rogers City in the rain.

The Hurons struck first early in the second quarter on a 2-yard run. After a failed two-point conversion attempt, the score was 6-0. Both defenses were stubborn as no more points were scored until early in the fourth quarter when Boyne's Norman Moore plunged into the end zone from the 2-yard line to tie the game.

Rogers City's halfback broke free with five minutes left in the game for a 40-yard touchdown and the final score of 12-6.

Defensive standouts were Luke Reinhardt, Moore, Anthony Wormell, Aaron Belcher and David Suttle.

The Ramblers travel to Benzie Central Thursday. Kickoff is 6:30 p.m.

The Ramblers' Norman Moore shakes loose from a Rogers City tackler during last Thursday's JV loss.

BF runners start the season off right

Boyne Falls opened its 1997 season with a victory at Vanderbilt last Wednesday, taking the dual meet, 25-31. The Loggers took 3 of the top 4 spots for a conference win.

"Vanderbilt's course is generally slow," said coach Andy Place. "Our times will improve over the season. I'm happy with the win but we have lots of room for improvement."

Winning the meet was Boyne Falls' Mike Kenny with a 19:10. Taking second was Jeremy Massey with

19:19.

Other Loggers in order of finish: 4th - Matt Britton, 20:20; 7th - Ryan Fiel, 21:0094; 11th - Paul Howard, 23:42; 13th - Ben Britton, 24:12.

Boyne City runners posted these times: Shawn Weisler, 20:00; Mik Martin, 20:33; John Gibbs, 22:18; Jordan Brandt, 22:42; Nicole Sharpe, 24:47; Beth Stackus, 26:27; Amy Place, 26:27.

The Loggers host Mackinaw City Wednesday at 5:30 p.m.

Lady Loggers split a pair

The Boyne Falls Lady Loggers split a pair of games last week, defeating Central Lake 43-37, but losing to Vanderbilt 35-30.

The Lady Loggers, now 2-3 on the season, are struggling offensively, according to coach Ken Doty.

Against Central Lake, Penny Marchinkewicz had the hot hand scoring 22 points. Andrea Kondrat also had a strong game with 14 points and some key baskets in the closing minutes.

The problem for the Loggers was the rest of the team scored only 7 points.

Against Vanderbilt on Thursday, the Lady Loggers had the lead into the fourth quarter, but then were outscored 13-6. Vanderbilt took the lead with under two minutes to play. Again it was Marchinkewicz leading the team with 15 points and 15 rebounds. Kristine Giem had 6 points and 10 rebounds.

Tuesday Boyne Falls hosted Harbor Light in a Northern Lakes Conference game, and on Thursday the Lady Loggers travel to Wolverine. Following that game, they have a week off before they travel to Ellsworth Sept. 25.

SPORTS schedule

East Jordan

Sept. 19 - Varsity Football, Charlevoix, home - 7:30 p.m.

THEY ARE 2-0 AND LOOKING FORWARD TO CHARLEVOIX

Defense the key for Red Devils

Despite several turnovers, another strong defensive showing earned the East Jordan Red Devil varsity gridgers their second win in as many games last Friday as they defeated Mancelona 18-6.

Mancelona drew first blood with 8:25 left in the first quarter when the Ironmen's Steve McCarty returned an interception 40 yards for a touchdown.

But that would be the end of the scoring for Mancelona.

On their first possession, the Red Devils put together a 12-play drive and then coughed up the ball on the Mancelona 19 yard line.

Then it was Mancelona's turn to fumble and East Jordan recovered on their own 23 yard line. Again the Red Devils mounted a scoring drive. And six plays later, they coughed it up again. This time on the Mancelona 30.

East Jordan finally tied things up

with 1:15 left in the first half when Dillon Antaya scored on a nine yard run that capped a 7 play drive.

The tide really shifted in the Red Devil direction when Mike Mazella picked up a Mancelona fumble and scampered 25 yards into the end zone as time ran out in the first half to give the Red Devils a 12-6 half-time lead.

"That really changed the momentum in our favor," said East Jordan head coach Allan Peterson.

In the second half the Red Devil defense held tough, recovering two Ironmen fumbles inside their own 15 yard line and blocking a field goal attempt with 6:26 remaining in the third quarter.

Antaya added the final tally of the night with a 28-yard run late in the third quarter.

Parke Bluhm led the Red Devil rushing game with 108 yards on 12 carries. Tony Prevo had 89 yards on 12 attempts, and Antaya gained 68

in nine rushes.

"I feel we looked better offensively. We had much better success driving and our interior blocking was better. But there is still a lot of room for improvement," Peterson said.

Although his team has been plagued with fumbles in the first two games, Peterson doesn't foresee a major problem down the road.

"I think we've nipped the problem in the bud. A lot of the problem is that Dillon likes to hit people. He'd rather run at them or through them than around them," Peterson said.

The Red Devil defense, which has yet to be scored upon, was led by Amos Skrocki with 15 tackles, Mazzella had eight, while Matt McCoy and Antaya had seven each.

Looking ahead to this week's contest against Charlevoix, Peterson is looking for a meeting of David and Goliath.

"They're big and we're small.

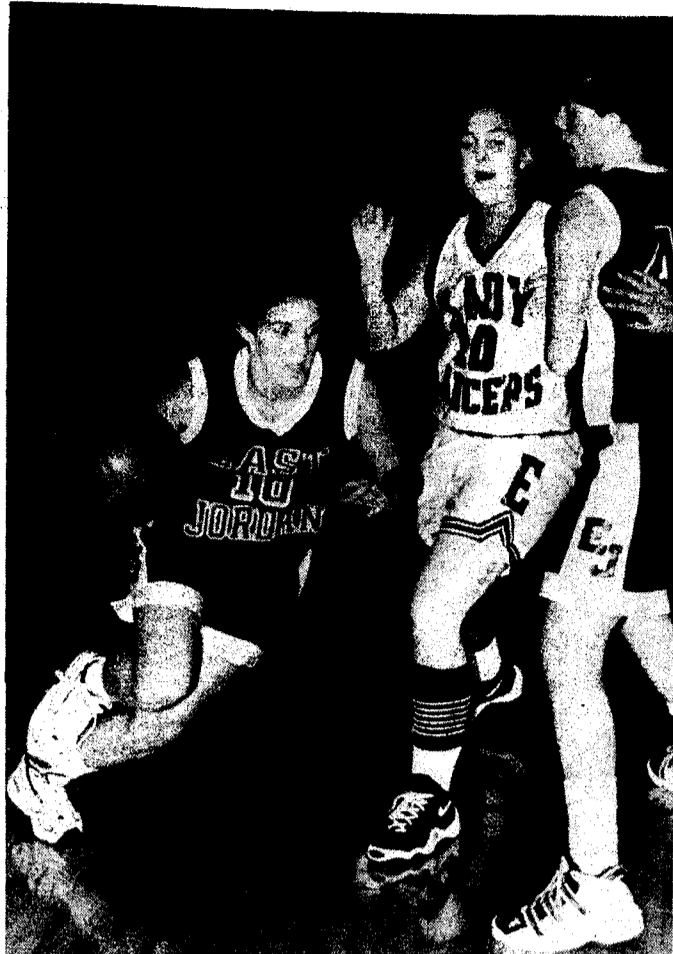

"We've got the potential to be a very good team. We're not going to let up."

--Allan Peterson

Whenever you go against someone big and run a power type offense like we do, you need to pay extra attention to some things. We need to make sure we stay low and make our blocks stick," Peterson said.

"We've got the potential to be a very good team. We're not going to let up," he added.

The Red Devils open conference play at home against Charlevoix this Friday at 7:30 p.m.

The Lady Red Devils' Suzie Malpass drives to the hoop past Ember Ransom's screen during last Tuesday's loss to Ellsworth.

Lady Red Devils will use break to work on offense

Mistakes and a full court press spelled disaster for the Lady Red Devils last Tuesday, as they fell to Ellsworth 50-21.

The Lady Lancers held East Jordan scoreless for about 12 minutes of the game, shutting the Red Devils out for the entire second quarter. East Jordan was held to six points in the first half and all six came in the first seven minutes of the first quarter. East Jordan didn't score again until the 5:03 mark in the third.

The scoring drought was largely a result of Ellsworth's a game-long full court press which forced a number of East Jordan's 38 turnovers.

East Jordan finished the game with a meager 25 percent field goal percentage, hitting only 13 of 53 shots from the floor.

Jenny Falco sunk three 3-pointers to lead the Lady Red Devils with 11 points. Raissa Schroeder and Ember Ransom had six points a piece while Rachel Boss tossed in four.

Leading East Jordan underneath was Suzi Malpass with 14 rebounds, followed by Ransom with 10 and Falco with nine.

Falco, Schroeder and Malpass had three steals each. Schroeder had

three assists while Falco added two. "Obviously we played very poor offense," said East Jordan head coach Steve Hines. "You can't commit the kind and number of mistakes that we did tonight and expect to win a ballgame."

But Hines also credited Ellsworth for its tough defense.

"Ellsworth is a tough team. They got all but one of their starters back, so we expected to have our hands full," Hines said. "Their press caused a lot of the turnovers. We were expecting it but we got frustrated and started making some poor decisions. We weren't seeing the people who were open and ended up trying to force the ball."

The Lady Red Devils, who dropped to 2-3 on the season, will now have some time to regroup and work the kinks out of their game. East Jordan won't see action again until Sept. 23 when it travels to Boyne City to take on the Ramblers.

During their hiatus Hines said that he and his team will focus on cutting down on turnovers and fine tuning their offense.

The Red Devil junior varsity won its contest last Tuesday 48-23.

Baseball coaching job open at Boyne

Boyne City High School is in the market for a new head varsity baseball coach following the recent resignation of three-year coach Steve Kehrer.

Kehrer, who was also employed by the district as a Child Advocate/At-Risk Technician tendered his resignation in August. No reason was given for the resignation.

The district is expecting to fill the child advocate position in the next several weeks but is still seeking candidates interested in the coaching position.

Anyone interested in the coaching position should contact Boyne City Schools Athletic Director Steve Beyer at 582-6765.

The East Jordan varsity cross country team traveled to Traverse City on Saturday to take part in the Traverse City Invitational Meet.

The girls team posted a fourth place finish led by Beth Purvis, followed by Emily Niewendorp, Catey Moses, Cassie Krause, Debbie Bacon, Kristina Nelson, and Tammy Hague. The girls' times and places were unavailable.

"Cassie Krause is finally begin-

ning to show her old form, while Beth Purvis had her best race this season," said coach Dennis Snarey.

The boys team finished fifth, led by senior Mark Penzien in 12th place and Chris Bearden in 13th. Both had times of 18:11. Rounding out the top finishers for East Jordan were Micah Middaugh, 18th, 18:25; Tarn Leach, 23rd, 18:50; Kevin Penzien, 29th, 19:14; Matt Shaw, 33rd, 19:34; and Brian McNeil, 36, 19:46.

"Our younger runners are improving. Although we only had one senior in the top seven, I'm certain they will continue to grow this season," Snarey said.

The Red Devils hosted the East Jordan Invitational on Tuesday and will take part in the Petoskey Invitational on Saturday beginning at 10 a.m.

On the middle school course, Jeremy Booze led the boys with an

8th place 13:06 finish, followed by Corban Shaw, 9th, 13:08; Garrett Romero, 13th, 13:15; Jeremy Penzien, 18th, 14:04; Peter Warnos, 20th, 14:14; Tyler Vogt, 30th, 15:13; Darin Bluhm, 40th, 16:14; Mark McKenny, 44th, 21:43.

Krystal Birgy led the girls with an 8th place 15:34 finish, followed by DiAnna Bearden with a 20th place 17:32 finish.

EJ runners finish in the top 5 at TC meet

Junior varsity takes care of Mancelona, 42-20

The East Jordan Red Devils junior varsity football team continued its strong start to the season by defeating Mancelona 42-20 last Thursday night.

Kyle Bjorem led the team, carrying the ball 16 times for a total of 94 yards including two touchdowns and a two-point conversion. Also contributing to the Red Devils' ground attack were Nate Swan who

rushed eight times for a total of 80 yards and one touchdown; Bryan Perreault who carried the ball 67 yards on 10 carries, and Rusty Steinhoff who notched a two-point conversion.

East Jordan quarterback Ken Slough completed 6 of 10 passes including two touchdown strikes to Chris Lifer, one to Swan and a two-point conversion pass to Mike

Wladishkin.

Bill Bavers led the Red Devils on defense with nine tackles followed by Evan Chappuies with six, and Mike Whiteford with five.

The defense also nabbed four turnovers including a Ben Johnson interception, and fumble recoveries by Nathan Diller, Chappuies, and Bavers.

J.V. head coach Todd McNitt

praised his team for its performance.

"Both the offensive and defensive lines did a great job. They played very well as a team. We are looking forward to Charlevoix," McNitt said.

The J.V. Red Devils, now 2-0, will travel to Charlevoix this Thursday to take on the Rayders. Game time is 6:30 p.m.

Hockey sign-ups continue Saturday

Registration for the Boyne Area Hockey Association's 1997-98 season is Sept. 20 from 10 a.m.-noon at the Boyne City Senior Center, located in city hall.

The program is open to all children from 4 to 15 years old. Registration fees vary from \$85 for the instructional program (first year skaters), to \$157 for bantams, ages 13 and 14. A \$22 deposit (cash or check) is required at registration to cover the USA Hockey fee. Glen's slips can be used for the remaining registration fees.

Also, \$50 of the registration fee will be refunded if volunteer hours are met and all equipment is returned at the end of the season.

SOMETIMES BEING LOW IS THE WORST.

SOMETIMES IT'S THE BEST.

THE GREAT RATE HOME EQUITY LOAN
8.99% APR
With Automatic Payment

Yearning for the perfect loan? Don't look high and low—just look low. It's our Great Rate Home Equity Loan, with a rate well within your reach. You can use the equity in your home for anything at all—home improvements, debt consolidation or college expenses, for example. There are no points, no closing costs and no application fees. The interest could even be tax deductible.

All it takes to get the Great Rate is to choose automatic payments from an NBD checking account. But it's for a limited time. So visit any branch or call 1-800-CALL-NBD toll-free to apply now for the loan you need at the rate you want. That's like having your pie and eating it too.

8.99% Annual Percentage Rate (APR) for loans of \$15,000 to \$49,999 with terms of 85 to 120 months, with automatic payment from an NBD checking account. Assuming a \$25,000 loan for 120 months, your payment would be \$316.33 per month with automatic payment or \$319.95 per month without automatic payment (9.24% APR). Owner-occupied 1-4 family property in Michigan, Indiana, Illinois and Florida only with up to 80% Loan-to-Value. You must apply by October 31, 1997 and the loan must close by December 31, 1997. Rates subject to change. Call us for our great rates available for other loan amounts, terms and lines of credit. © 1997 NBD Bank, Member FDIC.

24 Hour Relay
The CHALLENGE

S U C C E S S
Came with each step...

The 24 Hour Relay Challenge was another great success. The \$25,000. raised will help pay for the completion of Phase 1. But the success of the Challenge goes well beyond just the money raised. It was a great community event and shows what can be accomplished when we all work together.

To all of you who contributed, we appreciate your support. Without it, the Sports Complex would still just be a dream.

PUBLIC NOTICES

CITY OF BOYNE CITY COUNTY OF CHARLEVOIX

NOTICE OF ADOPTION OF AMENDMENT #A-67(1) TO CITY OF BOYNE CITY ORDINANCE A67, Garbage and Waste Collection Ordinance.

The following Amendment #A-67(1) to the City of Boyne City General Ordinances, County of Charlevoix and State of Michigan, was adopted at the City Commission meeting duly held on Sept. 9, 1997. A copy of this amending ordinance may be purchased or inspected at the City of Boyne City Hall, 319 North Lake Street, Boyne City, Mich.:

THE CITY OF BOYNE CITY ORDAINS: 35.052 Section 2. Containers.

There shall be no private dumpsters or waste containers located on public property within the City of Boyne City. On day of pickup garbage and waste contained in proper receptacles may be placed at street side. The following regulations apply according to zoning districts as they exist and as they may be amended from time to time: Only refuse containers of .5 cubic yards or less are allowed in zoning districts R-1 (low density residential), R-2 (medium density residential), or PRD (planned residential), except during the time of remodeling or construction during which a valid zoning or building permit has been issued, or City Administration has been notified that remodeling is in progress. Such Administration approval will be for a 30 day time period. In the event the project extends beyond 30 days, City Administration must be renofified.

Larger refuse containers, screened from public view and located on private property, are allowed in R-3 (multiple family), MH (mobile home), GC (general commercial), GC/I (general commercial/industrial), I (industrial), PID (planned industrial), and CBD (central business) districts. Larger refuse containers placed on public land for use by a public entity in areas zoned PL (public land) must be screened, except for temporary dumpsters placed for special events (i.e. 4th of July celebrations) which must be removed on the day following such event. City Administration is to be notified in order to coordinate dates and location of these special event temporary dumpsters. (Ord A-67(1)).

Effective Date - October 24, 1997

Sue Hobbs, City Clerk

Work in progress

Projects in Boyne City's downtown area are moving along and taking shape. A new sidewalk in the alley between Park and Lake streets was poured last Friday and much of the new curbing in the Ray Street area was done by Tuesday afternoon. Paving should be started soon. Lighting and landscaping will follow at a later date. The projects are funded through the Downtown Development Authority.

Bodem, Sen. North rep in area to meet with constituents

Charlevoix County residents will have a chance to meet with their state leaders in the next week. State Rep. Beverly Bodem, R-106th District, will be in Boyne City Sept. 19 at city hall from 11:30 a.m.-1 p.m. Earlier in the day she will be at the Charlevoix County building from 9-10:30 a.m. State Sen. Walter North, R-St. Ignace, will have his district representative, Don Weeks, visit East Jordan on Sept. 25. Weeks will meet with residents at the East Jordan City Hall from 10 a.m.-noon.

Screening clinic for pre-schoolers is October 7

There will be a Developmental Screening Clinic for all 3-year-old Charlevoix County children who will be entering kindergarten in the fall of 1999.

The clinic is sponsored by the Charlevoix-Emmet Intermediate School District and its purpose is to provide parents information regarding normal child development, an opportunity to interact with parents of other three year old children, and to have children informally screened to identify any potential learning difficulties which may arise during the school years.

The clinic is a free service with appointments made on a first-come, first-served basis. It will be held Oct. 7 at the Community Reformed Church in Charlevoix.

The child's birthdate must be between Dec. 1, 1993 and Dec. 1, 1994.

For more information, call Pat Gauthier at 547-9947.

Venita and Evon bid farewell to the last customer (Barb Prickett) to shop at The Apple Bee Coterie. The shop closed its door on Friday, September 12, 1997.

After eleven years of a dream come true we would like to say to all our wonderful customers and friends THANK YOU! You have all helped to make our business a very successful one. We hope to see all of you as you are out and about in the Boyne City area.

With much appreciation,
Venita and Evon
