TEN CENTS

Over the Back Fence

By Marshall

Several months ago we said that the first step toward getting into the publishing business was to step to the drug store and lay in a supply of aspirin tablets. This week we would like to repeat that statement.

We want to extend deep feelings of gratitude to our readers, advertisers and friends who have wished us well in our new business.

After the smoke clears and we are broken into our new office and new location the civic interest of this newspaper will be concentrated upon aiding as much as is humanly possible the securing of additional employment for our residents.

Roger Austin, John Bos and Leo Somerville belong to the hurt "digit club." Leo Somerville joined this week when he cut his hand severely during a ball game at the athletic field.

Our realtor friends in the post office building came to work the other day and found a new manager had taken over. They had quite a time explaining that they, after all, were in charge. After some very patient explaining the men were able to take over and their new found friend went his merry way.

Businessmen locally will be pleased to learn that East Jordan's new lawyer, Doug Cook, this week is attending a U of M institute at Ann Arbor to learn all about the new business gross receipts tax.

Boyer City's Mayor "Skinny" Arbuckle was in town the other day. Being an old A & P man, he couldn't walk by the store here without going in.

Fred Leslie, of Consumers Power Company, reminded Arbuckle that he had retired from A & P years ago. "I know," said the Mayor from Boyer City, "but I've got to go in and tell those slaves to go to work."

Announcement will be made next week concerning the sale of the East Jordan Cleaners.

Residents of Charlevoix County are reminded this week of the seriousness involved in the shortage of cherry pickers. If farmers have to let cherries rot on the trees the financial loss will affect a large number of people.

Sport fans will be happy to learn that the East Jordan Recreation will be open Saturday night. Under the management of Bill Kistner, open bowling will start off the season's play.

A most embarrassing situation occurred at the American Legion Hall Wednesday night at the special meeting of the Charlevoix County Civil Defense program. The Air Force Road Team from the filter center at Grand Rapids was on hand with civil defense films to show and there was supposed to be a short talk on the important subject.

Chairman of the meeting was Mrs. Edna Wilkins. The program was well advertised. Not one resident in the county showed up. Residents of East Jordan certainly cannot be proud of this, nor of their lack of interest in civil defense.

Greenman Reunion

The Greenman family reunion was held Saturday evening with a picnic supper at the Tourist Park.

Cousins and families included: Mr. and Mrs. W. H. Thompson, Lutz, Florida; Mrs. Margaret Day, Mr. and Mrs. W. Brown, Tampa, Florida; Mr. and Mrs. Fred Thompson, St. Petersburg, Fla.; Mr. and Mrs. Frank Greenman, Claud and Paul, Belleaire; Mr. and Mrs. Milan reemman and Mr. and Mrs. Lewis Brown, East Jordan; Mr. and Mrs. George Mezzison, Charlevoix; Mr. and Mrs. L. E. McGhan, Charlevoix.

Cherry Crop To Rot On Trees If Pickers Fail To Offer Help

One of the heaviest cherry crops in Charlevoix County's history may rot on the trees if pickers are not found to work in the orchards.

So alarming is the situation the News-Herald has been asked by cherry producers to help get the seriousness of the situation across to our residents.

Wide-spread failure of county crops will mean a financial loss to many people in addition to the growers themselves.

For the sake of our own economy, they say, it is highly important that every able bodied person able to spend time picking cherries should make themselves available.

Picking pay is good, excellent in fact, and work is available at once.

If any of the News-Herald readers can spend any of their time picking cherries they are urged to call their nearest cherry grower, The East Jordan Canning Company, or the county agent's office at Boyne City.

Dr. Lampe To Be Guest Preacher at Presbyterian Church

The summer preaching series in the Presbyterian Church begins this Sunday, August 2nd. Dr. William B. Lampe, pastor of the West Presbyterian Church of St. Louis, Missouri will be the first of the guest ministers to be heard in the Presbyterian Church, August 2nd.

Dr. Lampe is well known and much loved in this community, this being his 35th year as one of our summer preachers. Dr. Lampe is well known as a very gifted and forceful preacher. In 1945 he was elected the moderator of the General Assembly of the Presbyterian Church, U.S.A., the highest honor awarded in our church.

We are happy to welcome Dr. Lampe again to our church and a cordial welcome is extended to all residents and visitors in our community to come and hear him. The time is eleven o'clock.

Chief Simmons Warns Drivers About Speed

Michigan's No. 1 traffic killer too much speed, continues to be the subject of emphasis by the law enforcement agencies through out the state according to Chief Harry Simmons.

As the program enters its 6th week more and more drivers who fail to co-operate with the safety program are discovering "that there is a speed law in Michigan" and that the police are apprehending traffic violators who exceed the posted speed limits or drive too fast for conditions.

Chief Harry Simmons cautioned all motorists to watch out for the illusion which takes place when a motorist traveling at highway speed reaches the edge of a city or town. "It doesn't take very many miles at highway speed for a motorist to become 'velocitated,'" he said. "This means that a driver slows to 40 miles per hour but feels like he has slowed to 25. Thus when entering a built up area it is an especially good time to take another look at the speedometer," he added.

Check-Your-Speed, the safety tip posted on signboards is a part of the state-wide program sponsored by the Safety Commission and the Michigan Association of Chiefs of Police. "Most motorists are co-operating on the program," the Chief said. "It is only a small minority that fail to obey the law and make it necessary for our officers to check their speed or them," the Chief concluded.

Nineteen Girls Attend Camp At Charlevoix

Nineteen girls, 10 to 14 years of age, left the high school by bus at 9:00 a. m. Wednesday of this week to attend the three day summer camp for girls at the Church of God Camp near Charlevoix.

The Recreation Camp for Girls is sponsored by the East Jordan Community Chest and is under the direction of Mrs. Emory Cole. Mrs. Edward Weldy is the camp's cook.

Adult counselors who will assist in carrying out the three day program are: Mrs. Wilbur Robertson, Mrs. Ted Malpass, Mrs. Richard Malpass, Mrs. Gayle Saxton, Mrs. Keith Annear, Mrs. Howard Darbee and Mrs. William Malpass.

Junior counselors selected for this year's camp are: Judy Deedoes, Judy Malpass and Elaine Edwards.

Among the many activities provided for the girls are handicraft, movies, croquet, badminton, volleyball, softball, camp fire program, treasure hunts, story hours and swimming.

The following girls made the trip to camp on Wednesday of this week and are slated to return by bus at 5:00 p. m. tomorrow, Friday:—Terry Meyers, Nicky Meyers, Judy Shedina, Diane Taylor, Sue Boswell, Judy Taylor, Caroline McWaters, Judy Snyder, Gloria Richards, Judy Jankoviak, Jody Malpass, Linda Skop, Judy Golke, Judy Annear, Donelda Scott, Frances Hayes, Carolyn Malpass, Mary Porter and Pat Porter.

The name Judy is bound to be quite popular at this year's camp for oddly enough no less than eight girls will answer to just that. To add to this still another girl answers to the name Jody.

Handicraft — The Wednesday and Friday Handicraft classes being conducted at the Tourist Park are proving highly popular to boys and girls. Attendance at last Friday's class in the painting of plaster casts was 63, with youngsters ranging from 4 to 15 years. An estimated 225 projects have been completed to date and this activity has been under way only two weeks.

Mr. and Mrs. Martin Kadrovich returned to their home at Sanford recently after visiting her mother Mrs. Dan Kale.

Due to Monday's sale of the Charlevoix County Herald, preparation for this week's issue under the new management was greatly delayed.

Several news stories and some advertising was unavoidably omitted from this issue if it was to meet its regular deadline.

The News-Herald asks its readers, correspondents and advertisers to rest assured that anything omitted this week was done because of absolute necessity in favor of meeting the deadline.

Advertisers are informed that the rate schedule for advertising matter in the News Herald will be the same as charged by the former East Jordan News.

Readers having subscriptions to both the East Jordan News and the Charlevoix County Herald will receive the News Herald; and remaining paid subscription time to the two newspapers will be added together and extended to the News-Herald subscription list.

Any subscriber failing to receive a paper should notify the News-Herald at once.

Subscription rate to the News-Herald remains at \$2.50 per year. Any questions concerning subscriptions or advertising will be gladly answered by the new owners.

Herald Sold Mon. To E. Jordan News

It is with sincere regret that we announce the sale of the Charlevoix County Herald to the East Jordan News. The sale was consummated, Monday, July 27, and the News took immediate possession. The new paper will be known as the East Jordan News Herald.

Probably our greatest regret was the fact that the Herald has been in the same family since 1904, and it was hard to break the chain, but only one who has had occasion to run two separate businesses that were impractical to combine, not only in two towns, but two different counties, will understand the hardships encountered and the reason for selling. In the printing business today skilled labor is at a premium, and our inability to obtain same has left us with no alternative.

We sincerely hope Mr. and Mrs. Sayles, your new owners, will follow the Herald's past tradition and will ever be on the alert to give their readers a true and unbiased picture of happenings of public interest.

We plan to devote our full time to our newspaper, The Central Lake Torch, at Central Lake, and our former Herald readers are invited to drop in and say "Hello" at the Torch.

Mr. and Mrs. Paul Lisk, Your Former Publishers.

Consolidation of the Charlevoix County Herald and the East Jordan News brings to the residents of this area one newspaper strong in civic spirit.

It is the hope of the new owners of the East Jordan News-Herald that they will be worthy of the big task ahead of them, that is continuing the faith and hope of our residents for a better community as expressed by the Charlevoix County Herald for the last 57 years.

It is our sincere hope that we will receive the same support for the News-Herald as shown the Charlevoix County Herald over more than half a century.

The desire of the new owners is to produce a modern newspaper ever aware of the community's interest, with fair and accurate evaluation of the news, to present to the merchants an efficient and effective means of getting their weekly advertising message into the homes of the community.

We wish Mr. and Mrs. Paul Lisk, former owners, the very best of good luck with their newspaper, The Central Lake Torch. We thank them for the courtesy and aid they have so generously given us during this transition.

In addition we wish to extend our appreciation to the Courier Printing Company, of Charlevoix, for their efficient and faithful work while the East Jordan News was printed there.

We ask our many readers to stop in anytime. You are welcome at the News-Herald office.
Mr. and Mrs. Marshall Sayles

Looking Backward . . .

JULY 25, 1953

Last Sunday there was a family reunion at Frank Hansen in the Bohemian Settlement. About thirty seven were present. Those outside of the Settlement were Mr. and Mrs. Jos Haney of Lansing, Frank and Mamie Cermak of Cleveland, Ohio, Rev. Fr. Kroboth, Mr. and Mrs. Matt Quinn and son Francis, Mr. and Mrs. John LaLonde and family of East Jordan.

George Otis and Miss Blanche Bruce were united in marriage at Milwaukee recently. Both young people were formerly residents of East Jordan. Mr. Otis at one time being in the harness business here.

Born to Mr. and Mrs. Robert Akins a daughter, Friday.

Born to Mr. and Mrs. George Rubling a daughter, Helen, July 21st.

Born to Mr. and Mrs. Bert Lozaine, a daughter, Cathia Lucille, Sunday, July 20th.

Ray I. Fox is taking his annual vacation as R. F. D. Mail carrier and with Mrs. Fox and their daughters leave today for a 15 day outing with relatives and friends at Cadillac, Traverse City and other places.

A. L. Hammond has purchased a lot on Second St. and expects to erect a home in the near future.

Mrs. Harry Sloan and children of Deward spent Sunday with relatives here.

Nelson Crandle of Amble, Mich. is the new stenographer at the Chemical Plant.

George Bulow, who has been in Montana for the past two years arrived home this week.

Mrs. Charles E. Anderson of Hartford, Mich. arrived at her brother, H. A. Kimball and family.

Mr. and Mrs. J. H. Gaff, Mr. and Mrs. Bert Reid, Mr. and Mrs. Samuel Parsons and Mrs. George Chaddock leave for Kalkaska a Saturday to attend a family reunion at the home of Wm Lancaster.

JULY 27, 1953

Mr. and Mrs. Isaac W. Bartlett will celebrate their Golden Wedding Anniversary, Tuesday, July 31st. They will be at home to their many friends that evening from 7:00 to 9:00 o'clock standard time at their home corner of Second and Esterly Streets. All old time friends are cordially invited to be present on this happy occasion.

Strobel Bros. have sold their hardware stock and other interests in East Jordan and vicinity to Charles F. Neitzel of Detroit and the store was opened under the new management Saturday evening. Strobel Bros., Wm. A. and Carl came to East Jordan in the Loveday Hardware.

Charles F. Neitzel, is a former business man of Detroit and comes to East Jordan well equipped in knowledge of the retail business. Mr. Neitzel has secured

The services of Joe G. Hanson having served some eight years in the business in Charlevoix County. Mr. Hanson's family consists of the wife and four children. They have rented the Carl Stroebel residence and will occupy same in the near future. It is to be regretted that in the deal we will lose Carl Stroebel and his estimable family. He has purchased a Confectionery business at 2286 Linwood Ave., Detroit and they will shortly make that city their home. W. A. Stroebel and family will continue their residence here Mr. Stroebel serving this community as acting postmaster.

Observance of a Summer visitor in talking with one who is spending a few weeks in this vicinity, it may be interesting to local people to hear that he has nothing but words of praise for East Jordan, its surroundings and its people. "You can travel the country over and seldom find a town of this size in as good business condition." "The air, the water and the scenery appeal to the people from other localities. There is an opportunity with little expense to greatly improve the first impressions of a stranger, however. If the owners of some of the older store buildings would just indulge in some fresh painting of their properties, if not more than the fronts, it would greatly stimulate the good impressions of strangers during through the town. East Jordan someday should be a very popular summer town and continued boozing on the part of its citizens and former citizens will hasten it."

JULY 28, 1953

A crowd conservatively estimated upward of 5000 attended the 19th annual Barbecue sponsored by the Ellsworth Chamber of Commerce, Thursday. The roast ox was served about noon together with 210 dozen buns and 80 loaves of bread. Several stands on the grounds dispensed their stocks and a merry-go-round added a festive touch. The Central Lake Band under the direction of John Ter Wee of East Jordan furnished the music.

Kenneth Lee, three year old son of Mr. and Mrs. Ted Malpass, passed at the home of his parents on Main St., July 25 at 2:30 p.m. He is survived by his parents and three brothers, Teddy, Bruce and Phillip. Funeral services were held at the home at 2 p.m., Thursday conducted by Rev. C. W. Sidebotham. Burial at Sunset Hill.

Mr. and Mrs. H. C. Paulson and daughters, Betty and Barbara, of Saginaw are spending the week at the home of Mrs. M. B. Palmiter.

Mrs. Lee Healy and son, also mother Mrs. Miller of Los Angeles, California, are visiting at the C. Healy and C. K. Brace homes; also with other relatives.

Mr. and Mrs. Wm. Derenzny and children accompanied Mrs. Archie McArthur to Sault Ste Marie, where she will join her husband and sail for the summer months.

Mrs. Hazel Harrington drove to Flint Wednesday, where Mrs. Vernon Vance who has been at-

leading a convent in the city men will join her and she will be to Charlevoix in said County, as they will attend "A Century of Progress."

Mr. and Mrs. Alfred Woodard and children, Kathleen and Annette of Detroit are visiting at the home of her parents Mr. and Mrs. Wm Taylor. Mrs. Woodard was formerly Miss Jessie Taylor.

Mr. and Mrs. Frank Colleur and children of Marquette were guests at the homes of her brothers, Charles and Edd Strahl last week.

Maxine and Gordon Sloan returned to their home in Flint, Tuesday after several weeks visit at the homes of W. H. and J. N. Sloan.

A profession is something you study years to get into and then spend the rest of your life trying to earn enough to get out of it.

"Courtesy is every day"

writes Mrs. J. B. Dellinger
formerly of Ann Arbor, Michigan

WE WERE very pleased to receive a letter from Mrs. J. B. Dellinger shortly before she moved to Maryland. Her letter regarding her telephone service included the following comments:

"A few years ago when an employee of your company had showed us what we thought was an unusual courtesy we remarked upon it to Mr. Prakken, your manager in Ann Arbor.

"Since then, however, we have discovered on many occasions that Michigan Bell courtesy is 'every day' and not at all unusual. Your slogan of 'The Voice with a Smile' is most appropriate. We thank you for a most pleasant association."

And we thank you, Mrs. Dellinger, for putting into words sentiments which we hope are shared by Michigan Bell customers everywhere.

Front where I sit... by Joe Marsh

It's Fine To Be Fooled - Sometimes

Handy Peters entertained for the ladies of the Auxiliary the other night—and had the ladies believing for a while that he's the best marksman ever.

Handy put on a great act. He set up a whole bunch of balloons on a muslin backdrop and then took out his pea-shooter. He shot, blindfolded, standing on his head, every which way—and broke a balloon every time!

No wonder Handy impressed the ladies. What they didn't know—till the show's end—was that Buck Mulligan was hiding behind the backdrop improving on Handy's aim with a hatpin.

From where I sit, we all get things "put over" on us now and again. When it's good-natured—fine! But, some folks would like to fool the rest of us into believing it's wrong to enjoy an occasional glass of beer—just because they prefer something else. For real American tolerance and neighborliness these people are simply "off target."

Everyone is busy these days harvesting the cherry crop since the wind and rain the cherries are beginning to turn brown.

Mrs. Willard Roush who is vacationing in one of the Rustan Cabins was fishing in South Arm and caught a 24 inch Northern Pike with a cane pole which was a good catch and Monday another visitor Leon Landis caught a 28 1/2 inch Northern Pike weighing 4 1/2 lb. from the Gill Bay.

Mr. and Mrs. Leon Landis and daughter and girl friend of Grandville, Mich. are vacationing in one of the Rustan Cabins.

Mr. and Mrs. Pennycook and two sons are spending one week at one of the Rustan Cabins they are from Cleveland, Ohio.

Mrs. Erna Eisenrath and mother both from St. Louis, Mo. are spending several days at the Eisenrath Cottage on South Arm. Also doing some visiting with old friends in Charlevoix.

Richard and Shirley Gaunt the two Gaunt children of Ralph Gaunt at Bridgeport, are staying with their aunt and uncle, Mr. and Mrs. Wm. Gaunt, picking cherries.

Mrs. Francis Crowell is spending several days in Boyne City visiting her brother and sister-in-law, Mr. and Mrs. Cash Brooks. Mr. Ira Weaver returned to Detroit, Monday morning after

spending a few days with his family at their country home.

Mr. and Mrs. Howard Darbee and son, Bobbie, of East Jordan were Sunday callers at the Rustan.

Mrs. Hale of Boyne City and her mother from Joplin, Mo., were Sunday callers at the Rustan.

Eds Boats...

The Morton Neff pictures of the Jordan River—on Television brought Mr. and Mrs. Lyle Hacker and their daughter and a friend from Howell to East Jordan.

They took a float trip down the river on Monday. Mrs. Bowerman taught several years in Howell so it was fun to "check up" on some of her former students through Mrs. Hacker.

Mr. Robert Cavanaugh and grandson Jan Colby, took a fishing trip down the Jordan, Monday and were rewarded with a nice catch of trout.

At the "Birches" and "Elms" cottages for two weeks we have a regular family reunion. Mrs. M. T. Kuhlman has three sons, David, Dan and LeRoy and three daughters, Molly, Clara and Ruth, all from Chicago, vacationing together. David's wife and two children Michael and Kathy are here too.

Mr. and Mrs. David Kuhlman are close friends of Mr. and Mrs. Jack Cavanaugh.

Mr. and Mrs. Warren Packer of Howell spent the week end with her sister Mr. and Mrs. Mike Eaton and family.

Mrs. Martha Dean of Brown City is visiting at the homes of her daughters Mr. and Mrs. Glen Campau and Mr. and Mrs. A. D. Graham.

Mr. and Mrs. A. D. Graham and Hugh Graham visited their brother Bob at the Veteran's Hospital at Saginaw. They found him slowly improving.

The Dougherty family held a reunion at Whiting Park, Sunday. Sixty-five relatives all enjoyed a pot luck dinner, ice cream and watermelon.

Mr. and Mrs. Glen Campau and children, Mrs. Edna Campau and Mrs. Martha Dean were Sunday supper guests of Mr. and Mrs. Wilbur Taylor and family of Alba.

Our community was saddened by the death of Walter Moore on Friday. He will be greatly missed as he had spent most of his life in this neighborhood. Our sincere sympathy to the bereaved family.

SAND DUNE COUNTRY

Along the Lake Michigan shoreline of our State is a collection of sand dunes unique to this part of the nation. Many of them are worthy tourist attractions. Many more are shifting to such an extent that they are poor gambles for real estate development and may well remain in their completely wild state for years to come.

State Park Sand Paradise

At Grand Haven the State maintains a park with a bathing beach on Lake Michigan second to none. It's one of the most popular of all of the some 60 State Parks, mainly because of the attraction of acres and acres of glorious sand along the water's edge. In our more than 3,000 miles of shoreline on the Great Lakes the stretch along Lake Michigan has the best of sand beaches, plus the awesome magnificence of the dunes towering above the shoreline.

At Glen Arbor is the famous Sleeping Bear Sand dune—the largest shifting dune in the country. At the top of the dune towering 600 feet above the lake—two huge mounds reach into the sky. According to early Indian legend a mother bear and her cub were asleep at the top of the dune when a raging windstorm covered them with sand. Their outlines are still visible, sur-

On a portion of the same dune as it faces eastward to Glenn Lake, sand skiing is frequently attempted. So fine is the sand that it offers but little resistance to wooden skis, and the steep face of the dune offers a new thrill to summer fun-seekers in Michigan Outdoors.

Back in 1915 some 200 acres of the dune disappeared into Lake Michigan during a severe storm, but now the sands seem to have settled somewhat, and the prevailing westerly winds move the huge mountain a mere six feet per year toward the lovely green waters of Glenn Lake.

Sand Skiing

Favorite pastime of tourists is to try to throw a stone from the top into the lake far below. It looks easy, but the slope of the dune is deceptive, and the stone invariably falls far short of the water.

Hiring, firing and handling of personal is seldom a simple matter.

The task of operating of Michigan's business to the satisfaction of its taxpayers and keeping its 23,000 employees happy at the same time falls into the hands of the Civil Service Commission.

"Our first responsibility," says Arthur G. Rasch, director of Michigan's Civil Service, "is to secure and retain competent employees so that services can be efficiently administered."

Study shows the responsibility is no small one. Regulating all conditions of state employees means working with many interested groups and finding a policy acceptable to all of them.

When asked why Michigan's Civil Service Commission is considered one of the finest in the country, Director Rasch answered, "One reason we enjoyed this reputation is because of the wisdom of the law which governs us. We have broad Constitutional powers and we are guaranteed by law enough money to do a good, complete job." He then explained, "The Legislature must allocate for our operation each year a sum equal to at least one per cent of the state payroll."

How does it work? Civil Service does these things: classifies jobs, fixes salaries, devises tests to select the best qualified candidates, supervises the testing, makes personnel rules, controls working conditions and checks all payrolls.

A good example of the commission's operation is the way it is working to fill personnel needs for a new department in the Secretary of State's office. October 1 a law takes effect which calls for a central file of all traffic violators and accident reports, and for better supervision of driver licensing examinations.

Civil service was consulted and is now busy preparing tests, deciding on salaries and recruiting likely candidates.

"We have good cooperation in most cases," stated Mr. Rasch. He referred particularly to Secretary of State Owen J. Cleary and Lee C. Richardson, who will head the new licensing department. "They are so anxious to get the right people, they have worked very closely with us from the start."

"When a job opening exists, Civil Service is notified," explained Director Rasch. "After testing available candidates and on the basis of merit alone, we supply the three highest scoring applicants. The official can interview the three and must select one of them."

Do state administrators like Civil Service selecting employees for them? "Yes," says Civil Service Director Rasch backed up his opinion by pointing out that there are two unclassified (not under Civil Service) positions for each administrative office. "When the Little Hoover report recommended that elected officials have more as many as five unclassified positions under them, we did some checking," he related. "We found that many officials had never bothered to fill the present unclassified openings. Of 174 jobs, only 93 were filled."

"Race, color or creed" are not taken into consideration—we are only interested in ability," he stated.

Employees like Civil Service too, the director indicated. "The system guarantee an employee certain prescribed rights and frees him from worry about losing his job for political reasons," said Mr. Rasch. He also said that his department works with representatives of employee organizations as well as managerial groups. "We meet with people from the CIO, the AFL, United Public Workers and the Michigan State Employees Association," he stated. "And we invite them into discuss with us proposed rule changes. We feel these groups have contributions to make toward a more smoothly running administration," the director concluded.

Most common complaint against Civil Service is that workers under its protection become so independent that they lose the desire to do a good job. Civil Service disagrees with this thinking. The director points to the 1952 record which shows that 369 people were dismissed. A fired employ can appeal his case and possibly win reinstatement. But of the dismissed groups, only 22 appealed; only the concept of civil service tends to be controversial but feels much six were reinstated.

Dr. Rasch realizes that of the criticism stems from misunderstanding.

"Unfair treatment by state employees need not be tolerated by

the public," he stated. "A citizen has a Constitutional right to file complaints any time he is dissatisfied with a state employe," he continued. "We at the Commission recommended that complaints be registered with department heads—but if satisfaction is not forthcoming, we are glad to investigate."

Constant research is carried on at the commission. It covers such subjects as salary levels, test valuation and new methods of administration.

At present an effort to develop better tests for personality traits is underway. Civil Service figures show that dismissal in 75 per cent of the cases is due to inability of an employe to adjust to the personality requirements of a job rather than inability to perform. The department also maintains a large staff to study and prepare training programs.

Four commissioners, who serve without salary, head Civil Service. Two are Democrats, one is a Republican and one an independent. The Constitution provides that no more than two members from any one political party may serve at any one time. Present members are Lester S. Moll and Sarah Robinson of Detroit, Milton Mueller, Lansing; and James M. Moses, Marshall.

Boat Owners Are Warned To Pay State Tax

With nearly three-fourths of the owners of boats 16 feet or more in length having failed to pay the annual state license tax, warning has been given that beginning August 10 enforcement action will be taken against the delinquents.

At the request of the state waterways commission, the State Police will on that date start to check resort and other marine areas and issue tickets for unlicensed boats much in the same manner as they are given to those owners whose cars are without proper plates. The violation is a misdemeanor calling for appearance of the delinquent in justice court.

The yearly licenses are issued in marine areas by branch offices of the secretary of state and some dealers, but the revenue goes to the waterways commission to be used solely for the building and improvement of navigational facilities and waterways.

Up to July 17 of this year 5,057 licenses had been issued, whereas it is estimated there may be as many as 20,000 boats subject to the tax. The peak license year was in 1951, when 6,317 were sold, most owners never having paid the tax since it was first collected in 1948.

License income for the fiscal year of July 1, 1952, to June 30, 1953, amounted to \$80,000, while the minimum revenue should be about \$150,000.

The license, which was established by the marine code law enacted in 1947, applies to watercraft having an overall length of 16 feet or more and owned by a resident of Michigan or hailing from any port within the state. Exempted from the tax are commercial fishing boats licensed by the department of conservation, commercial passenger and freight vessels paying the state tonnage tax, vessels having an overall length less than 16 feet and vessels propelled solely by muscular power or detachable outboard motors.

The tax ranges from \$5 for boats from 16 to 20 feet in length up to \$1 per foot plus \$100 for each registered gross ton for vessels more than 65 feet long.

Under former legislation boats were subject to personal property taxes which varied in amount depending upon the tax rate in the locality where they were owned. These funds were used by units of local government. As a result of increasing personal property tax rates and the desire by boat owners to have their money used for boating purposes, the 1947 law was passed and a uniform license rate established.

In addition to other funds, the tax revenue is used by the waterways commission in a long range program to build a marine highway along the entire shore line of the state consisting of harbors of refuge and small boat facilities located at approximately 30 mile distances.

Issuing offices for watercraft license plates: Charlevoix County Court House, Charlevoix, Michigan.

A rotenone-pyrethrum dust is recommended for controlling the Mexican bean beetle. Michigan State College entomologists says parathion also may be used if there are adequate facilities available for applying it.

East Jordan F. F. A. Places Third

Last Thursday, July 26, at the Antrim County Pastures day the East Jordan FFA scored 619 points to place third in the Soil Judging Contest sponsored by the Antrim Soil Conservation District.

About 10 teams participated including any individual who wished to participate. The three highest scores of each team made up the team score. Jim Shepard of East Jordan scored 211 points out of a possible 300 to lead the team and his score was 5th of all the teams contestants. Steve Hayden and Lester Howard, both of East Jordan, scored 208 and 200 respectively to place 6th and 8th individually.

Dick Schroeder was outscored again by his pupils. Dick scored a 178 this making it second time the coach was outscored by his pupils.

Levering FFA scored a 654 to take 1st and Harbor Springs a score of 625 for 2nd place on the J. H. Kincaid farm.

FARM FACTS
from your
County
Agricultural Agent

By Ed Rehman, Co. Agr'l Agent

One out of every four farms in Charlevoix county is likely to be the scene of a disabling accident during the next 12 months, says Ed Rehman, County Agricultural Agent.

Rehman made this prediction in reminding rural people that Farm Safety Week is July 19-25. Although farmers in the county will be eliminating safety hazards on their farms during that week, he adds, safety must be a 365 day-a-year job in order to cut accidents down.

Not only are farm injuries bad in terms of pain and sometimes death—they're costly, declares

Rehman. David G. Steinko, farm safety specialist at Michigan State College, points out that the average cost of a farm accident involving a fall is nearly \$50. And the average fall costs the farmer 24 days lost from farm work. On the other hand, reports Steinko, the average farm machine accident costs \$60 in medical expenses and 20 days lost from work.

One of the biggest sources of farm accidents, says the safety specialist, is the farm tractor. He cautions farmers to keep shields in place—especially around the power take-off and the machine to which it is attached. Also, he advises, know the correct hookup to avoid turning over the tractor with a heavy load.

And, above all, he cautions, don't let children ride on the tractor. It's dangerous.

The Charlevoix Soil Conservation district has entered the national Soil Conservation Awards program sponsored by the Goodyear Tire and Rubber Co. of Akron, Ohio, it was announced today by District Chairman Clayton Healy, of East Jordan.

Members of the Charlevoix district will compete against other soil conservation districts in the state. Non-partisan judging committees, selected from Michigan's outstanding exponents of the soil conservation movement, will determine the state's outstanding district for the period July 1, 1953 and April 30, 1954 on a basis of total points scored in performance of regular district duties.

Grand award for one member of each winning district governing body and the top cooperating farmer or rancher named by the district will be a one-week, expense-free, vacation-trip to Goodyear Farms, Litchfield Park, Ariz., in December, 1954.

Members of the Charlevoix district governing body who will compete for the Goodyear award are: Robert Straw, Charlevoix; Clyde Warner, Charlevoix; Harold Goebble, East Jordan; Clayton Healy, East Jordan; and Robert Reidel, Boyne City.

National winners of the Goodyear Soil Conservation Awards will be announced at the Seven regular area meetings of the National Association of Soil Conser-

Pedaling Pair Reach Yellowstone Park

Parker Seiler of East Jordan and Lyn Neal of Muskegon have reached Yellowstone National Park on their bicycling journey from Tacoma, Washington to East Jordan. The two cyclists have become known as "The Pedaling Pair" because of their several extensive bicycle tours together during the past four summers.

The following is an account of their trip this far as disclosed in a letter to the Herald.

"We left Tacoma, July 7 en route to East Jordan, which we hope to reach about August 12. Our English lightweight bikes had already borne us over 14,000 miles through portions of 25 states, Canada and Mexico in three years

and we again rolled on them for this new 2000 mile adventure.

The first night brought us to Mt. Rainier National Park. We pitched our pup tent near the base of that beautiful mountain, which, we're it 90 feet taller, would be the highest peak in the United States. They had a late spring there, too, for we found 15 foot drifts in front of Paradise Lodge and snow covering the campgrounds. A 15 mile coast from paradise down the mountain proved to be the longest free ride we've ever had on bicycles.

After two nights in the park capped peak we headed for White Pass which pushed us through the Cascade Mountains at an elevation of 4,500 feet.

Eastern Washington is a great contrast to the Western portion for instead of green and cool, it is brown and hot. We never realized that Washington's fruit crop were nurtured by a great irriga-

tion system.

We rode through Yakima which calls itself the Fruitbowl of the Nation and passed miles of orchards and truck gardens. A news photographer happened to see us as we rode along and the following day the people were especially liberal with the waves and horn salutes, etc. because our picture had appeared in the Yakima Morning Herald.

We cut across a great wheat area and crossed the Columbia River into Oregon on a free ferry (free for bicycles - \$1 for cars). It was 105 in the shade that day and we stopped often to soak our caps and rest.

About the sixth day out we hit Pendleton, Oregon about 10 a.m. Eastern Oregon is also arid and it was already so hot that we spent the rest of the day there in a shady park. From talking with people we learned that the pea harvest was in its height and that Pendleton was the home of the Harris Lumber Mill, which figured in the news a few months ago because the owner gave the multimillion dollar business to his church.

We were advised to tackle Cabbage Hill and the Blue (not Blue Ridge) Mountain after sundown so we climbed the zig zag slope, one of the worst on US 30 that evening and we had to push the bikes part of the way.

The next few hot days across Oregon and Idaho we rode in the morning and evening and rested during the hottest hours of the day. We also took salt tablets, something we neglected to our regret on a previous trip.

We crossed the beautiful Snake River into Idaho and spent the next 5 days riding the long stretches across that western state. We followed the Snake much of the way and although we climbed 5000 feet from one side of the state to the other, most of it was so gradual it was nearly flat. The dominating westerly winds helped us average nearly 100 miles a day without too much effort across Idaho.

Some of the nights we have spent in motels because of lack of a campground and too much rattlesnake talk by the natives in some areas.

We arrived in Yellowstone, July 20 and are camping here a few days before leaving for the Black Hills of South Dakota. Old Faithful is still faithful and all the other geysers and points of interest in the park are still attracting tourists by the thousands.

Billy Graham Film "Mr. Texas" Scheduled Here August 8

"Mr. TEXAS", called "the world's first Christian western" will be shown here August 8 in the High School Auditorium at 8 p.m., (according to an announcement today by Churches of East Jordan, in charge of the local presentation.) The film is the first major production of Billy Graham Evangelistic Films, Inc., and features the famed young evangelistic team. Playing leading roles in the full length-color pictures are Redd Harper and Cindy Walker, both have recently made their decision to give their lives and talents to Christain service.

Produced as an experiment, "Mr. TEXAS" has amazed religious leaders and motion picture authorities alike during its first year of showings. At the film's preview in Hollywood Bowl on October 1, 1951, a record throng of 25,000 persons jammed into the huge amphitheatre for the largest attendance any motion picture has ever had in this country. During the past year of showings an estimated 3,000,000 persons have seen the film. From this

number of viewers, some 85,000 have made decisions to accept the Christian way of life, according to records on file in the Graham film organization's Washington, D. C., office. Both figures indicate new highs in evangelistic circles - 3,000,000 is the largest number ever to see a Gospel film in one year, and the 85,000 decisions represent the largest single evangelistic effort during recent years.

The story revolves around the Billy Graham Crusade in Will Rogers Coliseum in Fort Worth, Texas one year ago. To produce the film, an entire motion picture company moved from Hollywood to Texas and made all of the Texas scenes in the vicinity of Fort Worth. The rodeo scenes, some of the most beautiful color photography being seen today, were made at Hardin Simmons University, and feature the world champion Mayo Rodeo Riders, together with the famous Hardin Simmons Cowboy Band.

Original music for the picture was composed by Cindy Walker, called the "true queen of western song writers," and Redd Harper. Several of the songs from "Mr. TEXAS" have appeared recently on records, and complete albums are available.

TROUBLES!

A camper arrived at Onway state park one evening recently, with plans for a leisurely week of trailer camping.

First off, however, the chimney on his trailer was knocked apart. This happened when it struck something entering the park. Shortly after, while backing in

to a parking place, a window crunched into a number of pieces. The following morning, while taking his leisure a bit strenuously, the camper somehow sustained a gash on his arm. It required five stitches.

The next day, his wife went fishing at a nearby lake and wound up with a broken leg. The campers decided they better go home; somehow it looked like this was just not their day.

oldest of our National Parks, is truly worthy of a visit. A tip to campers — the ground is mighty hard (my aching back) and you'll wish you had an extra blanket before dawn rolls around in this high elevation (Brrrr!)

If you have lots of time and ample energy, bicycling is a great way to see the country. We have more mountains and long stretches ahead of us but we still hope to see East Jordan around the 12th of August.

Tourist Park News

Saturday afternoon and evening the reunion of the Doctor families was held in the recreation building. Those present included:—Mr. and Mrs. Lambert Doctor, Royal Oak; Mr. and Mrs. Hiram Jones and daughter, Royal Oak; Mr. and Mrs. Bernie Doctor, Hazel Park; Mr. and Mrs. Dwight Fisher and family, Fenton; Mr. and Mrs. Bernard Krootz and daughter, Traverse City; Mr. and

Mrs. Floyd Doctor and family, Farmington; Mr. and Mrs. Richard Doctor and family, Muskegon; Francilia Verchuse, Grand Rapids; Mr. and Mrs. Marion Sitzema and family; Mr. and Mrs. Silas Doctor and family; Mr. and Mrs. Paul Doctor and family; Mrs. Gertrude Doctor, all of Ellsworth.

Another lovely affair was held on Thursday evening in the dining hall when the following people gathered for a cooperative dinner to honor a former well liked East Jordan teacher, Maggie Dooley. They were Mr. and Mrs. John Foster (Lucille Boosinger), Elyria, Ohio; Miss Blanche Boosinger, Cleveland, Ohio; Mrs. James Milford (Rae Keenholz), Mrs. John O'Conner (Grace Keenholz), Mattie Boswell Palmer, Ida Ruhling Price Mexico; Pearl Crowell McHale, Kinsey, Mrs. John LaLonde Jennie Nemecsek, Mr. and Mrs. Peter Hipp (Maggie O'Neill), Boyd Hipp, Clyde Hipp, Mr. and Mrs. George Bulow (Maud Hipp Kenney), Mr. and Mrs. Albert Lenosky (Mary Wely), Mrs. Mary Lilak Kenny, Mr. and Mrs. John Jamison Porter (Eve Reynier), Mrs. Morgan F. Lewis (Flora Porter), Mr. and Mrs. Harry Simmons (Edith Ramsey), Mr. and Mrs. LeRoy Sherman (Anna May Menzies), Mrs. Jerome Smith (Rebecca Weikel) and Mr. and Mrs. Alfred Rogers (Erdine Crawford), Mrs. Frank Garrett (Margaret Kenny), Council Bluffs, Iowa; Mr. and Mrs. John M. Kelly (Addie Kenny), Minneapolis, Minn.; Mrs. George Bechtold (Gladys Kenny), Mrs. James E. Secord (Mabel Edwards), Mrs. William H. Lake (Juanita Secord), Mrs. John F. Hefferan

(Maggie Dooley) of Comstock Park, Mich.; Mrs. Daniel Sullivan (Elizabeth Dooley), Carlsbad, New Mexico.

Eleven teenage girls with two lady counselors, and a man in charge of canoes paddled their way down the Jordan River and landed at the park on Wednesday afternoon. These girls were from the 4-Way Lodge on Torch Lake. They represented several states, including Rocky River, Ohio; Cincinnati, Ohio; Dayton, Ohio; Martin's Ferry, Ohio; Lebanon, Ohio; Albion, Mich.; Milwaukee, Wis.; Grand Rapids; Cleveland, Ohio and Nevarre, Ohio.

The dance on Wednesday evening was well attended, not quit as many as last week, but maybe some were too tired to dance from picking cherries, huh? Due to the absence of the regular pianist, Mrs. Actailli who is in New York, Betty Burns of Charlevoix filled that position very nicely.

Mr. and Mrs. Andy Anderson of Lansing left the park Friday after a two weeks stay here to attend the T. C. T. (Tin Can) Tourists Convention being held in Traverse City.

Mr. and Mrs. Ivan Porter with children, Marilyn, Ronald, Joan and Bethany, of Flint, are spending from Friday to Wednesday tenting in the park and visiting the former's brother in law and sister, Mr. and Mrs. Jess Robinson.

Mr. and Mrs. W. H. Globensky with children, Marilyn, Jerry and Susan, with eum; Jan Poole, of Grand Rapids, are spending their vacation in the park.

Several out door picnics took place on Sunday as it was an ideal picnic day. One of these was a group consisting of Rev. and Mrs. L. J. Hoover and son, and the former's mother, Mrs. Nellie Hoover of Mancelona, Mrs. Ida Coomer and son, Pfc. Bob, of Shepherd (Bob is leaving this week for Japan), and Mr. & Mrs. Harold Hetherington and two daughters of Midland.

The remaining Tourist Park tent will be run next week as we are crowded for time and space.

Rites Held for R. N. Jones, Flint

Rollin N. Jones, 2609 Raskob St. age 49, died Sunday, July 19, 1953 at Thompsonville, Mich. Funeral services were held at 10 a.m. Wednesday, July 22, 1953 from Groves and Co. Memorial Chapel Garland at Third Ave.

Dr. E. H. Longman officiating. Burial in Sunset Hills cemetery. Sudden death was due to complications. He was born in East Jordan, April 17, 1904, son of Newton and Etta Jones. He graduated from East Jordan High School and later attended Ferris Institute at Big Rapids.

Mr. Jones was sales manager 23 years for Bell Baking Co. The last 6 months had been sales representative for the Brown Fisher Co. Surviving are, wife, Beatrice Jones, two sons, Kenneth and Gerald, both of Flint. Mother, Mrs. Etta Jones, East Jordan and brother, Meryl P. Jones, Hazel Park, Michigan. Several other relatives and a host of friends.

South Arm Grange

The July meeting was at the home of Mr. and Mrs. Walter Fowler.

Mrs. J. M. Ingalls reported on the County Board Meeting at Franklin Celliner's. She stated that Farm Bureau members will soon receive a questionnaire to be filled out. The purpose of the survey is to show that all F. B. members are not farming what would be called large farms.

Mrs. French told us about the June Women's Meeting, there being no July meeting. The two points stressed were the fact that many more women should plan to attend the 1954 Ladies' Camp and more definite plans about the Rural-Urban Meeting in October. At that time each F.B. woman is to invite a lady from town to the luncheon. There will be a panel discussion concerning the dairy beef, fruit, and poultry industries, with Mrs. Karker as Moderator.

Re topic for discussion: the group did not favor a county assessor taking the place of the township assessor; thought this township could keep self-government without financing local operations with local taxes; and felt that this township is not receiving more than its share of state aid.

The August Meeting will be at the Tourist Park Dining Hall on the 25th. Mrs. Helen Klooster is in charge of arrangements.

"Oh, here's the place Mother told me to stay away from—I thought we'd never find it."

The Servicemens' LETTER

Hi Fellas:

There is a change of address for A3c Forest E. Muma—61st Fighter Sqd., Ernest Harmon AFB, Stephenville, Newfound-land, and following is a change for Pfc. Robert Pearsall: 8th Army Honor Guard, 8230 A. V. APO 801, c/o PM, San Francisco, Calif. Bob is to be an Honor Guard after he has completed two weeks training in Seoul.

We have two new address this week. Pvt. Robert Saxton, US 554 03 888, Co. B, 967 AIBCCC, 3rd Armd Div., Fort Knox, Ky., and Pvt. Robert L. Huckle, US 554 03 865, Co. B, 367 AIBCCC, 3rd Armd Div., Fort Knox, Ky. Larry writes: "Dear Betty. Received one of the papers from Al Chanda yesterday and it sure was welcome. We have been here for 10 days without any mail and something from home sure seemed good. By we, I mean Bob Saxton and myself. We are in the same platoon together here at basic."

"As it looks now we will be here for eight weeks and then continue on to some sort of school for eight weeks—either truck driving, mechanics, cook school or clerk typist."

"We would sure appreciate receiving the paper and finding out where all the rest of the boys are."

I ran into Joe Pete Nichols at the receiving center the day we arrived. He was shipping out for Fort Leonardwood, Missouri, for his basic. Jerry Bell from Boyne Falls is here with us.

"Good luck to 'Jake' from all of us."

"Hi 'Jake', just thought I'd write a few lines tonight as I am on dayroom orderly and have some spare time. I'm still at the same job of taking care of athletic equipment."

"It's been hot down here recently and it doesn't cool off at night either."

"I saw Bob Saxton in the PX

yesterday and then went over with him and saw Larry Huckle and Jim McDaniel. They sure seemed lost but I guess everyone is at first."

"Today I drove Bob around the post and showed him around. It seemed good to have someone from the home town down here."

"I got Brock Peacock's address out of the paper. Sort of feel sorry for a guy that's married and in this Army, but remember, Brock, you have R. A. before your serial number. You asked for it."

"The paper comes down here every Wednesday so I keep up good on the home town news. Say, what happened to East Jordan's factory? Sort of quieted down, didn't it?"

"Well, it's time to close so will end this letter for the time being. Say 'Hello' to everyone in E. J. for me." As ever, Al Chanda.

The following release was mailed from Korea, June 29: With the 2nd Infantry Division in Korea—Cpl. Claude C. McGeorge, son of Mrs. Pauline Laisure, R. 2, East Jordan, Mich., is returning to the U. S. after serving in Korea with the 2nd Infantry Division.

McGeorge, who joined the 2nd in June 1952, was a rifleman in Company A of the 23rd Regiment. He has been awarded the Combat Infantryman Badge, Korean Service Ribbon with three campaign stars and the UN Service Ribbon.

Corporal McGeorge entered the Army in November 1951 and received basic training at Camp Breckenridge, Ky.

The 2nd Infantry Division is most noted for the capture of "Heartbreak Ridge" in October 1951 and for dislodging the Reds from "Old Baldy" last summer.

"Hello 'Jake', Guess it's about time I let you people know that I made it back to San Diego in one piece. At this time we are in Oakland getting ready to go to

Japan. We are leaving tomorrow (July 23) morning at eleven—of there about, so by the time you get this, we will be many miles to sea."

"Boy, I sure had a swell time while on leave, now I'm just waiting to be back there and stay."

"By the way, do you know if any of the guys from E. J. are stationed close to Yokosuka or Yokohama? If there are any, I would like very much for you to let me know who and where. We will probably be around there quite a bit and I would like to look them up."

"Well, 'Jake', guess I'd better sign off. I've already written two letters and as soon as I finish this I've got to go on Shore Patrol. They finally caught up with me and said tonight is your night to pound the beat for eight hours. I can see the dogs now—they'll really be aching before morning."

"How are you feeling, out of bed yet? Well, I'll be seeing you. I'll drop a few more lines when we reach Japan." A buddy, Bob Anderson.

If anyone knows of E. Jordan men stationed in and around the above mentioned places, please let either Bob or 'Jake' know! Bob's address is: Robert E. Anderson, EN3, 'A' Division, USS Bexar (APA237), c/o PPO, San Francisco, Calif.

All of you will be pleased to hear that 'Jake' is able to be up and around a little bit and that he will be taking over the letter next week. Thanks again for your fine cooperation and I wish all of you men the very best of luck.

The following release was sent from the News Release, Great Lakes, Illinois: At Sea—As part of the training program aboard the battleship USS Missouri, Midshipman first class James W. Nachazel is reporting engineering data to the engineering watch officer in the Missouri's No. 2 engine room. Midshipman Nachazel

is the son of Mr. and Mrs. Frank J. Nachazel of East Jordan, Michigan. He is a senior at Marquette University.

So Long Men, Betty Jo Strehl.
 Mr. and Mrs. Lemuel Rogers of Ida called on his parents, Mr. and Mrs. S. E. Rogers Sunday enroute to Upper Michigan.

Mr. & Mrs. Carl Kamradt and children of Lavonia are spending a weeks vacation guests of his parents, Mr and Mrs. Ed Kamradt. Mrs. Fred Fetterhoff of Muskegon is guest of her mothr Mrs. Anthony Kenny and other relatives this week.

Mr. and Mrs. Joe Dresen of Muskegon spent th first part of th week guests of her grandmother Mrs. Anthony Kenny. Their daughters Cherie and Kathy who had spent a week with their uncle and Aunt, Mr. and Mrs. Ol Hegerburg returned to their home with them, Tuesday.
