TEN CENTS

From Dream To Reality

Historic moment: Giant earth moving equipment went to work at the site of East Jordan's new industrial plant, Aug. 16. Seeing a dream become a reality were from left: Albert Sinclair, president, East Jordan Industrial Development Corp.; Mayor Chris Taylor; and M. N. McDaniel, chairman, East Jordan Businessmen's Association.

Over the Back Fence

By Marshall

Newspaper talk: The 79-year old Otsego County Herald Times Gaylord's weekly newspaper, is under new ownership. Neil Hercules a young newspaperman from southern Michigan has taken over and former editor-manager, C. O. Reed is now manager of Gaylord's radio station WATC.

Reports are circulating in Detroit that former Senator Blair Moody, who was defeated in last November's election by Senator Charles Potter, of Cheboygan, is planning a new daily newspaper for Detroit.

Moody has declined to comment upon the talk about a new daily, but he and a group of investors have acquired the Michigan Rotary Printing Company plant under a 15-year lease with option to buy. The plants publishes several Detroit area weeklies and since Moody is a veteran newspaperman himself, the newspaper world is watching him.

As far as we are concerned 3-D movies with glasses are a washout to date. We've seen one with glasses and heard dozens of reports from both the public and theater owners and for our money it stands to be improved.

The talk is that television will eventually kill the movie industry. We heard that sort of thing when radios were put on the market. Radios were supposed to kill movies and phonograph records. That was a long time ago and both industries are very much alive.

Like flying saucers, everyone is getting into the act. A newspaper in California published a 3-D issue requiring glasses to read. Sunday newspapers are publishing 3-D photos.

It appears that commercial America sets up rights racking its inventive brain to put out something new and different. Once in a while a sound idea pops up and we have a low priced, automobile that every family can afford.

PUMP, PUMP, PUMP

Ten Times To Charlevoix In One Day, Bicycle Record

Park Sells, of East Jordan, and Lyn Neal, of Muskegon, who are known as "The Pedaling Pair" because of their many adventures on bicycles set a record Monday.

Just returned from a 2,660 mile ride from Tacoma, Washington they felt a good shape to ride their annual marathon. Each year the cyclists try to set a record day. This year the goal was 250 because they rode 244 miles one day in 1952.

Starting at 12:04 a.m., the cyclists rode from East Jordan to Charlevoix and back 10 times and when their marathon was concluded at 9:57 p.m. their cyclometers registered a total of 260 miles. About 18 hours were actually spent on the bikes and the rest of the time was allotted for rest and eating stops.

"This was not a test of speed but rather of patience and endurance. We chose the Charlevoix road because of its smoothness and average terrain," Sells explained.

The Pedaling Pair would like to issue a warning to all boys who now ride lightweight bicycles or who contemplate buying one. Because of some of the precision-

Fellow said the other day. "If you have't enough room in the paper for all the news, just print a couple more sheets."

Fine idea, but when it's close to deadline and you find there isn't enough room for everything you must consider that each page has 7 columns. It requires about one hour to set up one column of type. With 2 extra pages you have to set up 14 columns of type—14 hours of work plus time running it off on the press. "Just" two extra pages could mean two more days work and a very late paper.

Everybody is talking real estate location and prices these days. "Buy now," seems to be the theory, "there's a big factory approaching." Check the real estate listings in this issue if you're interested.

built parts, especially parts of the 3-speed transmissions, these bikes will not stand abuse! They are built for speed and efficiency but not for curb jumping, etc. Our bicycles are approaching the 18,000 mile mark without ever needing major repair but they have been well cared for and sanely ridden, they say.

Retired Eveline Farmer Passes At Grandvue

Funeral services for Isaac N. Flora were held at 2:00 p.m. Saturday, August 22nd from Watson's Funeral Home. They were conducted by Rev. Robert Moore, Pastor of the East Jordan Methodist Church.

Bearers were Merle Thompson, Henry Drenth, William Malpass and Ralph Shepard. Burial was at Sunset Hill cemetery.

Born in Mason County, November 30th, 1868, he passed away at Grandvue Hospital, Wednesday, August 19, 1953. United in marriage to Bertha Currey, they settled on a farm in Eveline Township where they lived until September, 1943 when they moved into the city. They purchased a home at 405 Main Street where they have since made their home.

Surviving are his wife, Bertha, four sons, Clarence, Will and Howard of Grand Rapids and Harry of East Jordan, five daughters, Mrs. Hattie Murphy of East Jordan, Mrs. Ada Ketchum, Mrs. Cora Lammers, Mrs. Carrie James and Mrs. Blanche Neilson of Grand Rapids; 22 grand children, Sylvia Wallcotte of Coravallis, Oregon.

All of the sons and daughters with families attended the funeral.

4-H NOTICE

The regular monthly meeting of the Peninsula Community 4-H Club, A. Ecker, and Walter R. August 28, at 8:00 p.m. We urge all members to be present. Pot luck lunch will be served after the meeting.

East Jordan To Construct Sewage Disposal Plant

Police Ask Merchants To Aid Customer

Parking is an increasing problem in East Jordan. Police Chief Harry Simmons said this week that shoppers in the city are having increasing difficulty finding parking space near stores.

To help ease the problem he sent out a call to all merchants asking them to park their own cars off the main street.

"If merchants will park their cars on side streets or behind their places of business," Chief Simmons said, "there would be more room for their customers."

This request, the chief said, is as much a benefit to the merchants as to their customers.

Presbyterian Guest Speaker

Sunday, August 30, Dr. Harry Rine DeYoung, pastor of the Redford Avenue Presbyterian Church, of Detroit will again occupy the pulpit of the East Jordan Presbyterian Church.

Dr. DeYoung is pastor of one of the fastest growing Presbyterian Churches in the country and is much sought as a speaker. He has also spoken this summer in the east and in Colorado.

Church services are at 11:00 o'clock a.m.

New Cattle Loans For Local Farmers

Special livestock loans recently authorized by Congress are now available to farmers in the East Jordan area.

The purpose of new loans is to provide temporary credit to established producers and feeders of livestock who may be in financial distress because of the drop in cattle prices or for other reasons.

Established producers of cattle and sheep may borrow money through this loan for feed, rent of buildings, pasture and cropland, repair or hire of farm machinery and equipment, to build and repair fences, to repair or improve water supply, and to pay essential living expenses and cost of maintaining buildings. In fact any normal operating expense may be financed.

The emphasis of this loan is to provide emergency credit and not to establish farmers in the livestock business nor to make loans to enable them to expand their normal operations. Under the program, which expires in July of 1955, loans bear 5% interest and are repayable over periods up to three years.

The PHA office for Emmet and Charlevoix Counties is located in Room 5, Cook Electric Building, 216 1/2 E. Mitchell, Petoskey.

Students Need Driving Permit For Own Car

High School students desiring to drive cars to and from school must first secure a permit from either Supt. Wade or Keith Anear.

Since bus transportation for students is furnished throughout the district it is felt that individual transportation by private car should not be necessary except for unusual circumstances.

Evidence of such circumstances should be submitted when students apply for permits to transport themselves to and from school.

In this manner school officials hope to reduce traffic near the school building during the school day and thereby lessen possibility of accident and injury to students.

Five E. Jordan Men Report, Draft Physical

Five East Jordan men and ten others from Charlevoix County have been ordered to report to the Draft Board Office in the City Hall, Charlevoix, Michigan on the 14th day of September at 8:30 a.m., 1953, for transportation to the Induction Station, for pre-induction physical examination. Those from East Jordan are James L. Milstein, Donald J. Saganek, Orville R. Nelson, Theodore A. Ecker, and Walter R. North.

Others from the county are: James R. Duff, John S. Jarema, Sylvester J. Czerkies, Ernest L. Walton, Boyne Falls.

William F. Kerr, Charles M. Hooker, William J. Stevens, Charlevoix.

Harry B. Behling, Thomas E. Meads, Boyne City.

Don J. Bennett, Ironton.

The following named men have been ordered to report for induction on the 2nd day of Sept. 1953 at 8:45 a.m.

Robert E. Scott, of Boyne City
Francis C. Patrige of Charlevoix.

School To Open Watch Our Kids, Chief Simmons

Chief Harry Simmons today announced that the city of East Jordan is cooperating with the State Safety Commission on the annual September "WATCH OUT FOR KIDS" traffic safety program.

"Each year," the Chief said, "motorists need to be reminded that children are returning to school and that there is a special need to watch out for them—many of whom have just returned from carefree vacations have not adapted themselves to the routine of going to and from schools."

According to Chief Simmons over 3,000 children were struck down by automobiles on the streets and highways of Michigan during the last twelve months—80 of them died and many were crippled for life.

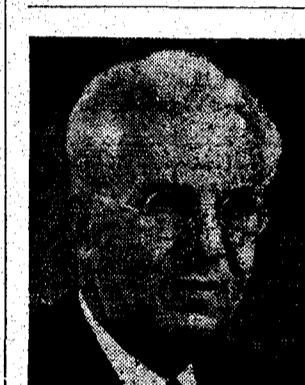

"Our department will pay particular attention to speeding near schools during the first few weeks of September as a forceful reminder to all motorists to watch their speed as they watch out for kids in school areas," the Chief continued.

A state-wide educational program using several hundred thousand leaflets and thousands of posters is underway. In every community motorists can expect to see the poster depicting a little girl running out from between parked cars with the slogan "Watch Out For Kids."

City Council Lets Contracts At Tuesday Night Session

Contracts for East Jordan's much discussed sewage disposal plant were let in special meeting by the City Council, Tuesday.

To cost approximately \$193,000, construction must start within 45 days following letting of the contracts. The contracts are subject to the issuing of bonds by the city.

Senator Homer Ferguson

Senator Homer Ferguson, new chairman of the Republican Policy Committee of the United States Senate, is making a state-wide tour of Michigan to report to the people on the accomplishments of President Eisenhower's Administration and Congress.

He will be in Boyne City on Friday to talk about what has been going on in Washington since January and to get citizen reaction to national events.

Announce Winners In Sunday Race

Boats roared down Lake Charlevoix from East Jordan to Ironton and back Sunday in the 3rd annual Matharion speed race sponsored by the Otsego Boat Club.

Prizes were awarded in the A, B, and D classes for the 32 mile run. Each boat made two laps. A large crowd around the East Jordan shore donated \$56.00 toward prize money.

Winners were as follows: A-Class: 1st, Willie Wilton, of Petoskey; 2nd, Johnny Ellenberger, Petoskey; and Lloyd Stanley.

B-Class: 1st, Basil Crawford, of East Jordan; 2nd, Bob Ross, of Detroit; 3rd, Bob Fosdick, of Gaylord. William Wood, of Alden, took first and only award in the D Class.

It was the last race sponsored by the Otsego Club. Boats were entered from all over Michigan and nearby states.

Building of the treatment plant, lift stations and installation of sewers and manholes will be done by B. H. Sargent, of West Branch.

The underwater forced main will be laid by Sears Marine, of Traverse City.

The council has authorized Engineer John C. Norton, of Traverse City, to place an order for about 10,000 feet of various piping for the project.

The \$150,000 industrial plant construction contract let to Donald Clark recently and now the sewage disposal work boasts city-wide construction to an estimated cost of more than one quarter million dollars during coming months.

Rainbow City Sports News

All 1953 Red Devil football candidates are asked to report for practice 9:00 a.m., Monday, Coach Gayle Saxton has announced.

The East Jordan Rotary Club will play a return softball match September 3rd with Boyne City Rotary Club on the local softball field, under lights.

Money collected at the game will be turned over to aid Grandvue hospital.

The Boyne City outfit seeks revenge after the local club scored a lopsided winner here recently.

The East Jordan Iron Works softball team holds championship honors in the Rainbow City Softball League as result of a pair of wins over the East Jordan Co-op. in the final week of play in loop competition.

The Iron Works, Tuesday night had things much their own way as they scored an easy 13 to 2 victory over the co-op. nine. Howard Sommerville and Louis Cihak formed the winning battery. M. Gothro and F. Peck worked for the losers.

In Thursday evening's championship game the Iron Works again proved victorious in scoring a thrilling 8 to 7 win over Carl McNutt and the Co-op. nine. Howard Sommerville and Louis Cihak again formed the winning battery; for the losers it was McNitt and F. Peck.

See Them At The Fair

In the many categories of show business, the perch act is the most hazardous of all, depending on absolute cooperation between the two or more performers. See Phil and Bonnie at the Charlevoix County Fair on September 10 and 11 with "Klein's Continental Circus".

EDITORIAL NEWS

A THOUGHT FOR LABOR DAY

High productivity—which means high unit output per manhour—has made America the real workers' Paradise, and that's a Labor Day thought. Productivity is the result of many factors. Among them are invention, capital investment, better machines, competition, good management, and of course, the skill and cooperation of the labor force. Productivity has tripled the actual buying power of a man's work since 1900. Economists say new machines, better methods and the loyal cooperation of employees will bring further increases. That means more goods and lower prices—the same as an increase in wages. If all of us do what we can to speed the march of productivity, we can all have that wage increase—in real rewards.

KIDS AND CRASHES

Figures show that kid drivers from 16 to 21 years old have twice as many accidents per mile driven as middle-aged people—those from 28 to 47. Insurance companies have realized this for some time, and rates are higher for the young drivers. Many companies would rather not write the policies at all. Why do we have a situation like this? It isn't because the kids don't know how to drive. Their reflexes, their senses are far keener than those of their dads and mothers who are considerably safer drivers. The youngsters perhaps need a huskier slap by the courts when they're arrested for offenses. Fines handed out seem rather stiff by old standards, but they don't seem to discourage the hot-rodders. Jail sentences are extreme, and we wish there might be another answer. But maybe the judges will have to experiment with this harsh punishment to curb the accident toll. (Lapeer County Press)

4-H Members Told How To 'Fit' Show-Animal For County Fair

The 4-H dairy show at the Charlevoix County Fair, September 8 - 11 is always well attended. K. C. Festerling, district 4-H club agent said. Getting the calf ready for the 4-H Club show or for other dairy shows is always one of the objectives of the 4-H Club program. The steps which are taken in preparing the animal for the show are called "fitting." The well-fitted calf at the show always has an advantage over long-haired coarse-looking, unattractive calf. It takes little extra work for the member to care properly for his calf so that he will look her best on the day of the show. Some of the advantages to be gained by showing cattle are:
 1. Working with cattle helps acquaint you with their habits and their life processes and develops a love for livestock.
 2. Heifers which have been broken to lead and which have been shown are always easy to handle the rest of their lives.
 Competition is good experience

for the beginner. Some of the experience includes losing as well as winning. 4. You will meet expert dairymen and showmen and you can learn from them. 5. You can compare your animal with others and study the faults and strong points of all the animals.
NEED SHOW HALTER
 The older the animal the more difficult it becomes to teach it to lead. The 4-H Club member should obtain a show halter which has a chain strap. Calves are frequently quite stubborn and it may take some time and patience to teach them to lead. All in all, it probably would pay to start fitting the animal at least 2 months before the show.
 Train the animal to stand squarely on her feet, with her forefeet lined up. The head should be elevated above the level of the back.
 If the calf appears thin, then heavier grain feeding is desirable to make the calf look more attractive.

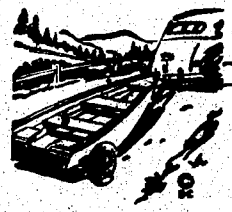

for showing. One month or more before the show, a blanket should be placed on the calf in order to smooth the hair and help remove the dead or loose hair. The calf should be brushed thoroughly each day to remove the excess hair and any dirt. Ordinarily, it is not necessary to clip the calf over the entire body, provided blanketing has been used. If it is necessary to clip the entire calf, this should be done at least 6 weeks before the show, so that the calf will not have a "raw" appearance. The entire face and head, as well as neck, are usually clipped.
 It is also common practice to clip the tail from the tail head down to an inch or so above the switch. It is always better to clip too little than to clip too much. It may be that your 4-H Club can have a demonstration on proper clipping, to help you in learning this operation. The under should not be clipped.

Soil Directors Study County Farms On Special Air Tour

It was up in the wild blue yonder for the district directors of the Charlevoix Soil Conservation District, when they climaxed their summer activities by taking an air tour Sunday afternoon. Purpose of the trip was to see the Conservation accomplishments of the district co-operators and to view their own farms.

Taking part in the air tour were: Clayton Healey, Harold Goebel, Clyde Warner, directors; and Bill Grimm, farm planner and Claude Gilkerson, Conservation aid. Ed Rehman, county agent, took a few pictures of co-operators farms and some of these will be displayed at the Char-

levoix County Fair at the District's booth.

Mrs. Clayton Healey, Mrs. Clyde Warner, and Mrs. William Grimm, also took the tour.

The tour started from the Charlevoix Airport and proceeded on around robin flight of the district taking in each district directors farm.

This air tour was made by directors to show them a different concept on the conservation problems and needs of the district, and also to view the conservation accomplishments of the co-operators.

The most picturesque of all the conservation practices were the

contour strips that district co-operators have adopted to save their soil and water — two of nature's most precious resources.

Clayton Healey, chairman of the C. S. C. D., stated after the tour that there is a good possibility of the district having an air tour next year for the co-operators so they too, can see their own accomplishments. Just seeing your own farm is worth the trip alone, but also seeing the combined effort of the district co-operators in saving their soil gives a person a great feeling, especially one of security, both for the individual and our great nation.

South Arm

Mr. and Mrs. Glen Campau and family and Mrs. Edna Campau spent Sunday afternoon with Mr. and Mrs. Wilbur Taylor and family at Alba.

Mrs. Walter Moore returned home Saturday after spending two weeks in Flint visiting her son Don Moore and family and other relatives and friends.

Robert Dow of Roanoke, Virginia called on his buddy, Harold Goebel, Wednesday.

On Wednesday, Mrs. Harold Goebel gave a birthday supper in honor of her son, Jimmy's seventh birthday with eight of his playmates as guests. Ice cream and birthday cake were served.

Mr. and Mrs. Kenneth Isaman, Sr. returned home Saturday from St. Cloud, Minnesota where they spent a week with their daughter, Mr. and Mrs. Harry Hanson and family.

Mrs. Carl Ellsworth and family were Traverse City visitors Thursday.

Valley Wins From Kalkaska

Pleasant Valley won a close ball game from Kalkaska, Sunday by a score of 4 to 3. A close game all the way, in the last of the 9th inning Kalkaska scored one run and had the bases loaded, but Armstrong ended the threat by popping up to the first baseman.

Pleasant Valley's last game of the season will be next Sunday at the Valley against Traverse City Local 946.

LETTER BOX

Urgent — To All Community Farm Bureaus

The August and September meetings are taking on a very special importance. It is very urgent that we not only hold these meetings, but also that we get out the fullest attendance possible to them. Here is why.

Secretary of Agriculture Benson has asked that Farm Bureau and other farm organizations have their say in determining what is needed in the way of a national farm program. If changes are to be made, he wants farmers to express their views as to what these changes must be. The challenge to us is direct. He has asked farmers to speak for themselves, and we must take the opportunity to do a good job of it.

He has requested that farm organizations take these matters directly to the people. Our Community Farm Bureau gives us a wonderful opportunity to do this. The result of our view point must be pooled by this fall. We must crystallize our ideas into the resolutions of our County Farm Bureau, and to do this we must thoroughly talk over the problems before our County Annual meeting, August and September meetings, therefore, become highly important.

It is important to remember at your August meeting that the topic regularly scheduled for discussion at this time has been postponed until further notice. Our discussion efforts will be concentrated around the problem posed by the Secretary of Agriculture. We are planning a survey of our attending members so that we can know to what extent our expressed views represent our Farm Bureau people. — Mrs. P. Burns.

RLDS Guest Speaker

Elder Ernest Burt will be the speaker at the R. L. D. S. Church on August 30th. Services will be followed by a pot luck dinner at the church.

Program For Petoskey Little Theater Group

Members of the Petoskey Little Theater Group have launched their 1953-54 season ticket drive. Tickets have been distributed to the members and it has been decided to limit the drive to two weeks. Mrs. R. Leo Brown, 305 Madison Street, Petoskey is general chairman of the ticket sale.

The three productions for the coming season are, "I Remember Mama", October 12-13 under the direction of Ross Starkes, Jr.; "Outward Bound" on November 20-21 with Thomas Paxton directing, and "Claudia" on March 1-2. The director for the final presentation has as yet been selected.

Season tickets are \$2.00 for adults and \$1.50 for students. General admissions will be \$1.00 for adults and 50c for students. Anyone wishing tickets may contact Mrs. Brown by mail or call Petoskey 2496.

Attend Adventist

Camp Meeting

At Grand Ledge

Dorothy McDonald and Mrs. Elmer Green of East Jordan attended the full session of the Seventh-day Adventist Camp meeting held August 6th to 15th at Grand Ledge.

More than 12,000 members and guests visited the historic site, a modern little "city" of cabins and tents, erected there each year since 1933.

The camp has all the facilities of a modern town including a cafeteria, a store, miniature hospital, shower and laundry building, and volunteer fire department.

Religious services were held in six main pavilions, the largest of which seats 7,000.

Speakers at the camp meeting were president Elder G. E. Hutches of the Michigan Conference, Pastor William Fagal and the "Faith for Today" television quartet; H. M. Tippet and D. A. Delafield, publishers from Washington, D. C.; Dr. W. H. Beaven,

secretary of the International Temperance Association, Senator Little of Lansing; C. W. Bizarth, former missionary to Africa; H. K. Halliday, director of missionary activities of the Lake Union Conference; Lawrence Maxwell, editor of the new Junior paper; Michael Halstead, former movie star; Elder W. H. Branson, world president of the Adventist; and Wayne W. White, Michigan Evangelist.

Describes Fight For Children

Starting in The American Weekly with August 30, Detroit Sunday Times, read "Our Fight For Our Captive Children," by Lygia Georgescu. She tells how her husband, like her a naturalized American, exposed a vicious Communist plot to force them to betray their adopted country in exchange for the freedom of their hostage children.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. William Bussing, Sr. of East Jordan announce the engagement of their daughter, Barbara M. of 306 Emmett St., Petoskey to James H. Matthew, son of Mrs. John Matthew, 202 Lincoln Street, Boyne City. They plan an April wedding.

Pleasant Valley . . .

Forn Petrie returned Monday by bus from Detroit where she has been helping care for a new grandson.

Leon Beals and Shirley Mur-

phy were married Saturday evening at the Methodist Church of East Jordan. The bride is the daughter of Mr. and Mrs. Ervin Murphy and the bridegroom is the son of Mr. and Mrs. LeRoy Beals.

Jim Murphy, acting as manager of the local baseball team in Doug Gilkerson's absence, looked very efficient in getting the team to Kalkaska to play ball. But he was red in the face when he found he had left all the equipment at his home. So an extra trip, and all was well.

Arlene Wilson is home from Charlevoix and working at the Central Lake pickle station.

Mrs. Edna Burns and family of Memphis, Michigan spent Thursday and Friday at the home of Mr. and Mrs. George Gibbard.

Mr. and Mrs. Ralph Ward and family of Mentone, Indiana are spending two weeks on Scott's Lake.

Pfe. Cleo Purdy, who is home on leave from the WAC's, visited the home of Mr. and Mrs. Dortan Gibbard.

Finkton News

Mr. and Mrs. Harvey Pangborn of Midland were Sunday afternoon callers at the Leonard Hite home.

Mr. and Mrs. Tom Hitchcock and sons returned to Flint, Sunday. Mrs. Hitchcock and sons had been visiting her mother, Mrs. Minnie Beal.

Mrs. Gene Emery and infant son of Ottisville are visiting Mrs. Emery's parents, Mr. and Mrs. Sam Lewis.

Misses Shirley Lavarway and Linda Lewis attended the Baptist Youth Camp at Lake Ann last week.

Mrs. Berton Bunker, Mrs. Sam Lewis and Elaine Lewis visited the youth camp at Lake Ann Wednesday.

Versal Spence is spending this week with his parents, Mr. and Mrs. George Spence.

This month is the seventh anniversary of the Finkton Bible Fellowship Church. Sunday night at 7:30 p.m. the church is holding a special service in honor of this

date. The service will be held on the lawn of the community property. Special music is being prepared by the choir members. There will also be several taking part telling what the work means to them as individuals and as a community. There will also be a brief history of the work given. The public is invited to attend the service to see the growth of the church in the past seven years

Miles District

Mr. and Mrs. Jay Boss of Corbin, Kentucky were honored guests at a family supper at the Tourist Park, Wednesday evening. Those present were Mr. and Mrs. William Boss and family Mrs. John Boss and daughter, Rheta; Mr. and Mrs. Frank Boss and family, Mr. and Mrs. Gerald Boss and family, Mr. and Mrs. Ed Boss and family.

Mr. and Mrs. Douglas Gilkerson and family attended a picnic of the Directors of the Soil Conservation with their families at the Charlevoix Park, Sunday. Afterwards they went to the airport where they had an airplane tour. Mr. Gilkerson had the pleasure of going up and viewing the farms of Charlevoix County.

The South Arm Farm Bureau will hold their annual picnic at the Tourist Park, Tuesday evening.

Mr. and Mrs. Rudolf Stofa and children of Brookfield, Illinois called on Mr. and Mrs. August Bulmann, Monday.

Mr. and Mrs. Howard Donaldson and family, Mr. and Mrs. J. D. Frost and Mr. and Mrs. O. B. Brubaker were supper guests Thursday of Mr. and Mrs. Milton Donaldson.

Mr. and Mrs. Rex Petrie, Bert-

CABBAGE, CONSIDERED BY MANY AS JUST A HUMBLE AND LOWLY VEGETABLE, WAS HELD SACRED BY THE ROMANS OF ANCIENT GREECE. THEY EVEN SHORE THEIR OATHS UPON IT.

THE CHEESE WE KNOW IN AMERICA AS SWISS WAS CALLED EMMENTALER IN SWITZERLAND AND NAMED FOR THE VALLEY WHERE IT WAS FIRST MADE IN THE 15TH CENTURY.

4-H SHOW—

(Continued from Page 2)

nor should the belly, as this will make the animal look shallow-bodied.

The horns and hooves should be filed and scraped until they are quite smooth. They can be further finished with emery paper and oiled just before showing.

When you go to the show, you should have a box in which to keep your showing equipment. It is recommended that the box have a padlock to protect your belongings. You should have a curry comb and brush, a show halter as well as a cheaper tie halter, a blanket for the animal, feed box, water pail washing pail soap, rags, pitchfork, as well as feed and bedding.

Prior to showing, the animal should be checked to be sure it is clean. It may be necessary to wash off some manure spots, and you should curry the animal and brush well. When the call comes to show your class, be prompt and do not delay the judge. Make sure that you have clean clothing and appear neat. This is good showmanship.

You should lead the animal slowly and walk backwards so that you can see the animal at all times. Be certain that you keep

ing. one eye on the judge so that you can do what he asks. When you pose the animal make certain that the front feet are as high as the hind feet, and preferably on a higher section of ground. Keep the animal alert, and do not allow it to relax.

How to be a graceful winner is often more difficult than to be a good loser. If you win your class, remember a number of others who worked fully as hard as you did were not so fortunate.

It is well to remember also that at another show, and with a different judge, one of the other calves might have been the winner. The judging of cattle is not an exact art, and judges have honest differences of opinion as to what constitutes ideal type. It is wise to recall the fact that the final proof of the pudding is not the appearance of a heifer, but what she does when she becomes a milk cow.

"If at first you don't succeed, try, try again" should be the motto of every 4-H Club member in the show ring. There can be no room for discouragement in case your calf is a long way down the line when the ribbons are tied. Courtesy toward the judge should be practiced since he is not placing you as an individual, but rather your calf.

Looking Backward —

August 23, 1913
A party of men employed at a shingle mill at Oyster Bay on Pine Lake started out on a Saturday night and in some manner Harry DuPont, one of the party, lost his balance and fell overboard. He was unable to swim and sank and did not reappear. The boat was kept in the vicinity for death was caused by heart failure rather than drowning. The lake was dragged for two days but the body was not recovered. It came to the surface Wednesday morning.

August 24, 1923
John T. Carlisle, 59, passed away August 22. Mr. and Mrs. Carlisle were in the theatrical business under the stage name of Hansen and Drew. They came to East Jordan in 1914, purchasing a home at Cherryvale near this city and has since been their home.

August 25, 1933
Mrs. John Henning passed away at the home of her daughter Mrs. Peter LaLonde, August 22. She has been confined to her bed the past year. Isabella Hastings was born at Turnberry, Ont., April 13, 1855. On October 15, 1872, she married John Henning at the place of her birth. In 1893 they came to this region and were among the first settlers of what is now Echo Township, Antrim County.

The SERVICEMAN'S LETTER

Hi Fellas:
Jack Wilson is on the lucky list this week. Here's a letter from him dated August 16th in Korea. "Well, guess it's about time I dropped you a line or two. We came off the line the 19th of last month and sure was glad to get off too.
I think Bob Cutler is up where we were at now.

Rotation has arrived for me. I leave here in a day or two. I was supposed to leave the 5th but am still here. They told us today that we leave tomorrow or the next day. Sure hope so.
Well, there isn't anything more to write so this is it for this time. See you when I get there. Jack."

Bill Streeter must be on the move again. His paper was stopped temporarily this week.
Donald Brownell has arrived in Japan and expects to go on to Korea. He said it was hotter there than it was in Alabama. They had some mighty rough days on the boat but he stood it fine. His address is now: Pvt

Donald E. Brownell, Prov Co 1456, APO 2, c/o PM, San Francisco, Calif.

Another man who is now on his way to Japan is Harry Webster. He wrote me a card just before leaving Fort Lewis. "Well we are moving out of Fort Lewis day after tomorrow, which is Wednesday the 19th of August. As far as we know we are going to old Japan for more processing and from there to Korea for assignment to different companies. Mike Brennan stopped to see me for a while the other day but he shipped out the following day for Japan. I guess I'm the only one here from E. J. now. It was the first time I saw Mike since we came in together. My address will be: Pvt Harry G. Webster, Prov Co, SE 1534, APO 2, c/o PM, San Francisco, Calif.

Clifford Schultz is moving and requested his paper held up temporarily.
A/3c Augusta C. Schultz has added Box 661 to his address in the 3754 Stud Trg Sqd at Sheppard AFB, Texas.

Not much news again this week. Let's have those letters fellas. I'm getting off too easy on this. "Jake" Snyder.

Shirley Murphy Marries Leon Beal, Saturday

In a double ring ceremony at the East Jordan Methodist Church Shirley Ann Murphy, daughter of Mr. and Mrs. Ervin Murphy became the bride of Leon Beal, son of Mr. and Mrs. LeRoy Beal of Central Lake at 8:00 p.m. Saturday. Rev. Robert Moore heard the couple speak their vows before an altar decorated with baskets of mixed gladoli. About 100 friends and relatives attended the wedding.
The bride, given in marriage

by her father, was lovely in a white nylon ballerina length strapless gown. The back and sides of the skirt were of lace and the front was tiers of net ruffles. Her fingertip veil of nylon net was held by a cap of lace and seed pearls. She carried a bouquet of red roses with white streamers.

Mrs. Ethel Wilson, sister of the bride, served as bridesmaid. Her ballerina length gown was of pale green nylon net and she carried a bouquet of yellow carnations. Malcolm James, friend of the groom, served as best man. Maurice Murphy and Versal Spence of Central Lake seated the guests.

While the guests were assembling, Margaret Blossie played traditional wedding music at the organ and accompanied Nan Drapeau as she sang "Because" and "The Lord's Prayer."

Mrs. Murphy, mother of the bride, chose for her daughter's wedding a grey dress with black accessories. The groom's mother wore a blue and white nylon crepe dress. Both wore corsages of pink carnations.

A reception was given by the brides parents at their home following the ceremony. The bride's table was centered by a three tier wedding cake topped with a miniature bride and groom. There were flowers and tall lighted tapers on each side.

The bride and groom cut the first piece of cake and then the bridesmaid cut and served the guests assisted by Shirley Rose and Barbara Woodcock. Others assisting were Jean Pinney, Evelyn Murphy and Mary Ann Pinney.

The bride graduated with the class of 1953 from East Jordan High School. The groom was a member of the class of '53 from Central Lake High School. The newlyweds left after the reception for a short wedding trip in the upper peninsula. They plan to make their future home in Lansing.

Guests from out of town were Mrs. Grayden Baker and family of Grand Rapids, Mrs. Max Sandler of Anson, Ruth Seybold of Lake Odessa, Herbert Seybold of Lake Odessa, Forrest Vandeventer of Grand Ledge, Ivan Murphy, Jr., Mr. and Mrs. Thomas Hitchcock of Flint, and Irvin Pinney of Cadillac.

Speech Contest Set For Area

The Charlevoix Soil Conservation District will hold a speaking contest, Clayton Healey, chairman of the district, announced.

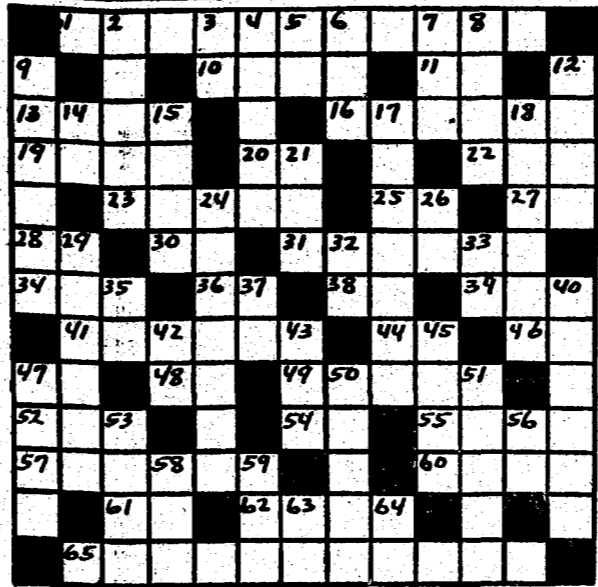

National awards total \$1,700 in cash prizes; the state awards total \$100 in cash prizes and the district awards for the Charlevoix contest, total \$50 in cash prizes.

Healey said the contest is open to all co-operators of the Charlevoix District. The speech should be not more than 20 minutes in length, covering the topic "Democracy at Work in My Soil Conservation District."

The local contest will be held some time before October 15, when a local winner will be selected to participate in the state contest.

The purpose of the speaking contest is to acquaint the local residence with the soil conservation district. Not too many people know that the district is a unit of self-government; of the people, by the people and for the people. Anyone interested in entering are urged by chairman, Healey, to get in contact with some of the officials of the Soil Conservation District.

County Fair Entertainers Best Ever

Each year the Charlevoix County Agricultural Society brings to patrons the very best in entertainment; however, this year they have outdone themselves by engaging one of the most outstanding grandstand attractions ever to be presented at the Charlevoix County Fair—the "Klein's Continental Circus."

The "Continental Circus" presents an assemblage of diversified entertainment such as a congress of four footed troupers, daredevils of the high trapeze, demons of the perch pole, artists of the treacherous unicycle and technicians of the precise and intricate feat of juggling, as well as side splitting, merry-making buffoons of comedy.

A feature of the "Continental Circus" will be the inimitable "Rick Roy", an aerial act that will thrill all with his unbelievable balancing feats, ankle drops and swinging neck hang.

The sensational "Rick Roy" is known as the "Man who hangs himself and lives to tell the tale". When you see the climax of his act you readily know that the title is well deserved.

Also included in the "Continental Circus" are many other specialty and novelty acts of outstanding quality and character, in a few words, a program of exceptional significance, long to be remembered.

"Continental Circus" takes the stage in front of the grandstand on Thursday and Friday nights, September 10 and 11, at the Charlevoix County Fair.

Darbee - Boswell Attend 2 Week Banking School

Howard Darbee and W. G. Boswell, vice president and cashier respectively, of State Bank of East Jordan left August 23rd for two weeks attendance at the School of Banking at the University of Wisconsin, Madison. This will be their 3rd year at the school, which requires two weeks resident attendance each year for three years to earn the certificate of graduation.

Throughout the year between resident sessions students are required to do extension work involving problems in all phases of banking.
The School is sponsored by the Central States Conference, composed of bankers associations in 16 mid-western states. Attendance this year will approximate 740 bankers, ranging from junior officers and department managers to presidents, vice presidents and board chairman of banks from more than 30 states.

THE OLD TIMER SAYS:

"People are like elevators. We lift or lower others—to the level we are on."

EAST JORDAN NEWS-HERALD

THE CHARLEVOIX COUNTY HERALD, founded 1896 consolidated with THE EAST JORDAN NEWS, founded 1952

Published In The Rainbow City Of The North

VOLUME 57 NUMBER 33

EAST JORDAN, MICHIGAN, THURSDAY, AUGUST 27, 1953

TEN CENTS

From Dream To Reality

Historic moment: Giant earth moving equipment went to work at the site of East Jordan's new industrial plant, Aug. 16. Seeing a dream become a reality were from left: Albert Sinclair, president, East Jordan Industrial Development Corp.; Mayor Chris Taylor; and M. N. McDaniel, chairman, East Jordan Businessmen's Association.

East Jordan To Construct Sewage Disposal Plant

Police Ask Merchants To Aid Customer

Parking is an increasing problem in East Jordan. Police Chief Harry Simmons said this week that shoppers in the city are having increasing difficulty finding parking space near stores.

To help ease the problem he sent out a call to all merchants asking them to park their own cars off the main street.

"If merchants will park their cars on side streets or behind their places of business," Chief Simmons said, "there would be more room for their customers."

This request, the chief said, is as much a benefit to the merchants as to their customers.

Presbyterian Guest Speaker

Sunday, August 30, Dr. Harry Rine DeYoung, pastor of the Redford Avenue Presbyterian Church, of Detroit will again occupy the pulpit of the East Jordan Presbyterian Church.

Dr. DeYoung is pastor of one of the fastest growing Presbyterian Churches in the country and is much sought as a speaker. He has filled engagements this summer in the east and in Colorado.

Church services are at 11:00 o'clock a.m.

New Cattle Loans For Local Farmers

Special livestock loans recently authorized by Congress are now available to farmers in the East Jordan area.

The purpose of new loans is to provide temporary credit to established producers and feeders of livestock who may be in financial distress because of the drop in cattle prices or for other reasons.

Established producers of cattle and sheep may borrow money through this loan for feed, rent of buildings, pasture and cropland, repair or hire of farm machinery and equipment, to build and repair fences, to repair or improve water supply, and to pay essential living expenses and cost of maintaining buildings. In fact any normal operating expense may be financed.

The emphasis of this loan is to provide emergency credit and not to establish farmers in the livestock business nor to make loans to enable them to expand their normal operations. Under the program, which expires in July of 1955, loans bear 5% interest and are repayable over periods up to three years.

The FHA office for Emmet and Charlevoix Counties is located in Room 5, Cook Electric Building, 316 1/2 E. Mitchell, Petoskey.

Students Need Driving Permit For Own Car

High School students desiring to drive cars to and from school must first secure a permit from either Supt. Wade or Keith Anear.

Since bus transportation for students is furnished throughout the district it is felt that individual transportation by private car should not be necessary except for unusual circumstances.

Evidence of such circumstances should be submitted when students apply for permits to transport themselves to and from school.

In this manner school officials hope to reduce traffic near the school building during the school day and thereby lessen possibility of accident and injury to students.

Five E. Jordan Men Report, Draft Physical

Five East Jordan men and two others from Charlevoix County have been ordered to report to the Draft Board Office in the City Hall, Charlevoix, Michigan on the 14th day of September at 8:30 a.m., 1953, for transportation to the Induction Station, for pre-induction physical examination. Those from East Jordan are James L. Milstein, Donald J. Saganek, Orville R. Nelson, Theodore A. Ecker, and Walter R. North.

Others from the county are:

James R. Duff, John S. Jarema, Sylvester J. Czernik, Ernest L. Walton, Boyne Falls.

William F. Kerr, Charles M. Hooker, William J. Stevens, Charlevoix.

Harry B. Behling, Thomas E. Meads, Boyne City.

Don J. Bennett, Ironton.

The following named men have been ordered to report for induction on the 2nd day of Sept. 1953 at 8:45 a.m.

Robert E. Scott, of Boyne City

Francis C. Patrige of Charlevoix.

School To Open Watch Our Kids, Chief Simmons

Chief Harry Simmons today announced that the city of East Jordan is cooperating with the State Safety Commission on the annual September "WATCH OUT FOR KIDS" traffic safety program.

"Each year," the Chief said, "motorists need to be reminded that children are returning to school and that there is a special need to watch out for them—many of whom have just returned from carefree vacations have not adapted themselves to the routine of going to and from schools."

According to Chief Simmons over 3,000 children were struck down by automobiles on the streets and highways of Michigan during the last twelve months—80 of them died and many were crippled for life.

"Our department will pay particular attention to speeding near schools during the first few weeks of September as a forceful reminder to all motorists to watch their speed as they watch out for kids in school areas," the Chief continued.

A state-wide educational program using several hundred thousand leaflets and thousands of posters is underway. In every community motorists can expect to see the poster depicting a little girl running out from between parked cars with the slogan "Watch Out For Kids."

City Council Lets Contracts At Tuesday Night Session

Contracts for East Jordan's much discussed sewage disposal plant were let in special meeting by the City Council, Tuesday.

To cost approximately \$193,000, construction must start within 45 days following letting of the contracts. The contracts are subject to the issuing of bonds by the city.

Senator Homer Ferguson

Senator Homer Ferguson, new chairman of the Republican Policy Committee of the United States Senate, is making a state-wide tour of Michigan to report to the people on the accomplishments of President Eisenhower's Administration and Congress.

He will be in Boyne City on Friday to talk about what has been going on in Washington since January and to get citizen reaction to national events.

Announce Winners In Sunday Race

Boats roared down Lake Charlevoix from East Jordan to Ironton and back Sunday in the 3rd annual Matharon speed race sponsored by the Otsego Boat Club.

Prizes were awarded in the A, B, and D classes for the 32 mile run. Each boat made two laps. A large crowd around the East Jordan shore donated \$56.00 toward prize money.

Winners were as follows: A-Class: 1st, Willie Wilton, of Petoskey; 2nd, Johnny Ellenberger, Petoskey; and Lloyd Stanley, East Jordan.

B-Class: 1st, Basil Crawford, of East Jordan; 2nd, Bob Ross, of Detroit; 3rd, Bob Fosdick, of Gaylord. William Wood, of Aiden, took first and only award in the D Class.

It was the last race sponsored by the Otsego Club. Boats were entered from all over Michigan and nearby states.

Building of the treatment plant, lift stations and installation of sewers and manholes will be done by B. H. Sargent, of West Branch.

The underwater forced main will be laid by Sears Marine, of Traverse City.

The council has authorized Engineer John C. Norton, of Traverse City, to place an order for about 10,000 feet of various piping for the project.

The \$150,000 industrial plant construction contract let to Donald Clark recently and now the sewage disposal work boasts city-wide construction to an estimated cost of more than one quarter million dollars during coming months.

Rainbow City Sports News

All 1953 Red Devil football candidates are asked to report for practice 9:00 a.m., Monday, Coach Gayle Saxton has announced.

The East Jordan Rotary Club will play a return softball match September 3rd with Boyne City Rotary Club on the local softball field, under lights.

Money collected at the game will be turned over to aid Grandvue hospital.

The Boyne City outfit seeks revenge after the local club scored a lopsided winner here recently.

The East Jordan Iron Works softball team holds champ honors in the Rainbow City Softball League as result of a pair of wins over the East Jordan Co-op in the final week of play in loop competition.

The Iron Works, Tuesday night had things much their own way as they scored an easy 18 to 2 victory over the co-op, nine. Howard Sommerville and Louis Cihak formed the winning battery. M. Gotro and F. Peck worked for the losers.

In Thursday evening's championship game the Iron Works again proved victorious in scoring a thrilling 8 to 7 win over Carl McNutt and the Co-op, nine.

Howard Sommerville and Louis Cihak again formed the winning battery; for the losers it was McNitt and F. Peck.

Over the Back Fence

By Marshall

Newspaper talk: The 79-year-old Otsego County Herald Times Gaylord's weekly newspaper, is under new ownership. Neil Hercules a young newspaperman from southern Michigan has taken over and former editor-manager, C. O. Reed is now manager of Gaylord's radio station WATC.

Reports are circulating in Detroit that former Senator Blair Moody, who was defeated in last November's election by Senator Charles Potter, of Cheboygan, is planning a new daily newspaper for Detroit.

Moody has declined to comment upon the talk about a new daily, but he and a group of investors have acquired the Michigan Rotary Printing Company plant under a 15-year lease with option to buy. The plants publishes several Detroit area weeklies and since Moody is a veteran newspaperman himself, the newspaper world is watching him.

As far as we are concerned 3-D movies with glasses are a washout to date. We've seen one with glasses and heard dozens of reports from both the public and theater owners and for our money it stands to be improved.

The talk is that television will eventually kill the movie industry. We heard that sort of thing when radios were put on the market. Radios were supposed to kill movies and phonograph records. That was a long time ago and both industries are very much alive.

Like flying saucers, everyone is getting into the act. A newspaper in California published a 3-D issue requiring glasses to read. Sunday newspapers are publishing 3-D photos.

It appears that commercial America sets up rights racking its inventive brain to put out something new and different. Once in a while a sound idea pops up and we have a low-priced automobile that every family can afford.

PUMP, PUMP, PUMP Ten Times To Charlevoix In One Day, Bicycle Record

Park Seiler, of East Jordan, and Lyn Neal, of Muskegon, who are known as "The Pedaling Pair" because of their many adventures on bicycles set a record Monday.

Just returned from a 2,660 mile ride from Tacoma, Washington they felt a good shape to ride their annual marathon. Each year the cyclists try to set a record day. This year the goal was 250 because they rode 243 miles one day in 1952.

Starting at 12:04 a.m., the cyclists rode from East Jordan to Charlevoix and back 10 times and when their marathon was concluded at 9:57 p.m. their cyclometers registered a total of 260 miles. About 18 hours were actually spent on the bikes and the rest of the time was allotted for rest and eating stops.

"This was not a test of speed but rather of patience and endurance. We chose the Charlevoix road because of its smoothness and average terrain," Seiler explained.

The Pedaling Pair would like to issue a warning to all boys who now ride lightweight bicycles or who contemplate buying one. Because of some of the precision-

Fellow said the other day. "If you haven't enough room in the paper for all the news, just print a couple more sheets."

Fine idea, but when it's close to deadline and you find there isn't enough room for everything you must consider that each page has 7 columns. It requires about one hour to set up one column of type. With 2 extra pages you have to set up 14 columns of type—14 hours of work plus time running it off on the press. "Just" two extra pages could mean two more days work and a very late paper.

Everybody is talking real estate location and prices these days. "Buy now," seems to be the theory, "there's a big factory approaching." Check the real estate listings in this issue if you're interested.

Retired Eveline Farmer Passes At Grandvue

Funeral services for Isaac N. Flora were held at 2:00 p.m. Saturday, August 22nd from Watson's Funeral Home. They were conducted by Rev. Robert Moore, Pastor of the East Jordan Methodist Church.

Bearers were Merle Thompson, Henry Dreth, William Malpass and Ralph Shepard. Burial was at Sunset Hill cemetery.

Born in Mason County, November 30th, 1868, he passed away at Grandvue Hospital, Wednesday, August 19, 1953. United in marriage to Bertha Currey, they settled on a farm in Eveline Township where they lived until September, 1943 when they moved into the city. They purchased a home at 405 Main Street where they have since made their home.

Surviving are his wife, Bertha, four sons, Clarence, Will and Howard of Grand Rapids and Harry of East Jordan, five daughters, Mrs. Hattie Murphy of East Jordan, Mrs. Ada Ketchum, Mrs. Cora Lammers, Mrs. Carrie James and Mrs. Blanche Neilson of Grand Rapids; 22 grand children sister, Sylvia Wallcotte of Corvallis, Oregon.

All of the sons and daughters with families attended the funeral.

4-H NOTICE
The regular monthly meeting of the Peninsula Community 4-H dore A. Ecker, and Walter R. August 28, at 8:00 p.m. We urge all members to be present. Pot luck lunch will be served after the meeting.

EDITORIAL NEWS

A THOUGHT FOR LABOR DAY

High productivity—which means high unit output per manhour—has made America the real workers' Paradise, and that's a Labor Day thought. Productivity is the result of many factors. Among them are invention, capital investment, better machines, competition, good management, and of course, the skill and cooperation of the labor force. Productivity has tripled the actual buying power of a man's work since 1900. Economists say new machines, better methods and the loyal cooperation of employees will bring further increases. That means more goods and lower prices—the same as an increase in wages. If all of us do what we can to speed the march of productivity, we can all have that wage increase—in real rewards.

KIDS AND CRASHES

Figures show that kid drivers from 16 to 21 years old have twice as many accidents per mile driven as middle-aged people—those from 28 to 47. Insurance companies have realized this for some time, and rates are higher for the young drivers. Many companies would rather not write the policies at all. Why do we have a situation like this? It isn't because the kids don't know how to drive. Their reflexes, their senses are far keener than those of their dads and mothers who are considerably safer drivers. The youngsters perhaps need a huskier slap by the courts when they're arrested for offenses. Fines handed out seem rather stiff by old standards, but they don't seem to discourage the hot-rodders. Jail sentences are extreme, and we wish there might be another answer. But maybe the judges will have to experiment with this harsh punishment to curb the accident toll. (Lapeer County Press)

ROMAINE PLUMBING & HEATING

4-H Members Told How To 'Fit' Show-Animal For County Fair

The 4-H dairy show at the Charlevoix County Fair, September 8-11 is always well attended. K. C. Festerling, district 4-H club agent said. Getting the calf ready for the 4-H Club show or for other dairy shows is always one of the objectives of the 4-H Club program. The steps which are taken in preparing the animal for the show are called "fitting." The well-fitted calf at the show always has an advantage over long-haired coarse-looking, unattractive calf. It takes little extra work for the member to care properly for his calf so that she will look her best on the day of the show. Some of the advantages to be gained by showing cattle are:

1. Working with cattle helps acquaint you with their habits and their life processes and develops a love for livestock.
2. Heifers which have been broken to lead and which have been shown are always easy to handle the rest of their lives.
3. Competition is good experience

for the beginner. Some of the experience includes looking as well as winning. 4. You will meet expert dairymen and showmen and you can learn from them. 5. You can compare your animal with others and study the faults and strong points of all the animals.

NEED SHOW HALTER

The older the animal the more difficult it becomes to teach it to lead. The 4-H Club member should obtain a show halter which has a chain strap. Calves are frequently quite stubborn and it may take some time and patience to teach them to lead. All in all, it probably would pay to start fitting the animal at least 2 months before the show.

Train the animal to stand squarely on her feet, with her forefeet lined up. The head should be elevated above the level of the back.

If the calf appears thin, then heavier grain feeding is desirable to make the calf look more attractive for showing.

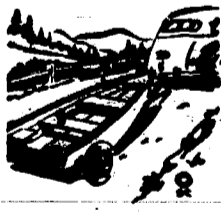

One month or more before the show, a blanket should be placed on the calf in order to smooth the hair and help remove the dirt or loose hair. The calf should be brushed thoroughly each day to remove the excess hair and any dirt. Ordinarily, it is not necessary to clip the calf over the entire body, provided blanketing has been used. If it is necessary to clip the entire calf, this should be done at least 6 weeks before the show, so that the calf will not have a "raw" appearance. The entire face and head, as well as neck, are usually clipped. It is also common practice to clip the tail from the tail head down to an inch or so above the switch. It is always better to clip too little than to clip too much. It may be that your 4-H Club can have a demonstration on proper clipping, to help you in learning this operation. The udder should not be clipped. (Continued on Page 7)

THIS SUMMER SHOP EAST JORDAN

Do, as many local families, do — shop in your home community, and save money, too. Why go to all the expense of traveling elsewhere, when you buy all you need here in this shopping area. You cannot duplicate the friendly service . . . the selection and the quality to be found, right here at home.

FOODS Stay FRESH
 With AUTOMATIC ELECTRIC REFRIGERATION

With today's sensational new electric refrigerators, it doesn't matter whether it's fruits, vegetables, milk, eggs, butter, cheese, beverages, or left-overs . . . you can be sure that they will all stay fresh and safe until you're ready to use them. And there's more than enough room for convenient once-a-week shopping plus a big freezer compartment for frozen meats and foods.

Why not plan to replace your old worn out refrigerator with an economical, smart, new electric refrigerator.

See the New ELECTRIC REFRIGERATORS at your Electric Appliance Dealers Today

Soil Directors Study County Farms On Special Air Tour

It was up in the wild blue yonder for the district directors of the Charlevoix Soil Conservation District, when they climaxed their summer activities by taking an air tour Sunday afternoon. Purpose of the trip was to see the Conservation accomplishments of the district co-operators and to view their own farms.

Taking part in the air tour were: Clayton Healey, Harold Goebel, Clyde Warner, directors; and Bill Grimm, farm planner and Claude Gilkerson, Conservation aid. Ed Rebnan, county agent, took a few pictures of co-operators farms and some of these will be displayed at the Char-

levoix County Fair at the District's booth.

Mrs. Clayton Healey, Mrs. Clyde Warner, and Mrs. William Grimm, also took the tour.

The tour started from the Charlevoix Airport and proceeded on around robin flight of the district taking in each district-directors farm.

This air tour was made by directors to show them a different concept on the conservation problems and needs of the district, and also to view the conservation accomplishments of the co-operators.

The most picturesque of all the conservation practices were the

contour strips that district co-operators have adopted to save their soil and water—two of nature's most precious resources.

Clayton Healey, chairman of the C. S. C. D., stated after the tour that there is a good possibility of the district having an air tour next year for the co-operators so they too, can see their own accomplishments. Just seeing your own farm is worth the trip alone, but also seeing the combined effort of the district co-operators in saving their soil gives a person a great feeling, especially one of security, both for the individual and our great nation.

South Arm

Mr. and Mrs. Glen Campau and family and Mrs. Edna Campau spent Sunday afternoon with Mr. and Mrs. Wilbur Taylor and family at Alba.

Mrs. Walter Moore returned home Saturday after spending two weeks in Flint visiting her son Don Moore and family and other relatives and friends.

Robert Dow of Roanoke, Virginia called on his buddy, Harold Goebel, Wednesday.

On Wednesday, Mrs. Harold Goebel gave a birthday supper in honor of her son, Jimmy's seventh birthday with eight of his playmates as guests. Ice cream and birthday cake were served.

Mr. and Mrs. Kenneth Isaman, Sr. returned home Saturday from St. Cloud, Minnesota where they spent a week with their daughter, Mr. and Mrs. Harry Hanson and family.

Mrs. Carl Ellsworth and family were Traverse City visitors Thursday.

Valley Wins From Kalkaska

Pleasant Valley won a close ball game from Kalkaska, Sunday by a score of 4 to 3. A close game all the way, in the last of the 9th inning Kalkaska scored one run and had the bases loaded, but Armstrong ended the threat by popping up to the first baseman.

Pleasant Valley's last game of the season will be next Sunday at the Valley against Traverse City Local 945.

LETTER BOX

Urgent — To All Community Farm Bureaus

The August and September meetings are taking on a very special importance. It is very urgent that we not only hold these meetings, but also that we get out the fullest attendance possible to them. Here is why.

Secretary of Agriculture Benson has asked that Farm Bureau and other farm organizations have their say in determining what is needed in the way of a national farm program. If changes are to be made, he wants farmers to express their views as to what these changes must be. The challenge to us is direct. He has asked farmers to speak for them selves, and we must take the opportunity to do a good job of it.

He has requested that farm organizations take these matters directly to the people. Our Community Farm Bureau gives us a wonderful opportunity to do this. The result of our view point must be pooled by this fall. We must crystallize our ideas into the resolutions of our County Farm Bureau, and to do this we must thoroughly talk over the problems before our County Annual meeting. August and September meetings, therefore, become highly important.

It is important to remember at your August meeting that the topic regularly scheduled for discussion at this time has been postponed until further notice. Our discussion efforts will be concentrated around the problem posed by the Secretary of Agriculture. We are planning a survey of our attending members so that we can know to what extent our expressed views represent our Farm Bureau people. — Mrs. P. Burns.

RLDS Guest Speaker

Elder Ernest Burt will be the speaker at the R. L. D. S. Church on August 30th. Services will be followed by a pot luck dinner at the church.

Program For Potoskey Little Theater Group

Members of the Potoskey Little Theater Group have launched their 1953-54 season ticket drive. Tickets have been distributed to the members and it has been decided to limit the drive to two weeks. Mrs. R. Leo Brown, 305 Madison Street, Potoskey is general chairman of the ticket sale.

The three productions for the coming season are "I Remember Mama", October 12-13 under the direction of Ross Starks, Jr.; "Outward Bound" on November 20-21 with Thomas Paxton directing, and "Claudia" on March 1-2. The director for the final presentation has as yet been selected.

Season tickets are \$2.00 for adults and \$1.50 for students. General admissions will be \$1.00 for adults and 50c for students. Anyone wishing tickets may contact Mrs. Brown by mail or call Potoskey 2496.

Attend Adventist Camp Meeting

At Grand Ledge

Dorothy McDonald and Mrs. Elmer Green of East Jordan attended the full session of the Seventh-day Adventist Camp meeting held August 6th to 15th at Grand Ledge.

More than 12,000 members and guests visited the historic site, a modern little "city" of cabins and tents, erected there each year since 1933.

The camp has all the facilities of a modern town, including a cafeteria, a store, miniature hospital, shower and laundry building, and volunteer fire department.

Religious services were held in six main pavilions, the largest of which seats 7,000.

Speakers at the camp meeting were president Elder G. E. Hutches of the Michigan Conference, Pastor William Fagal and the "Faith for Today" television quartet; H. M. Tippett and D. A. Delafield, publishers from Washington, D. C.; Dr. W. H. Beaven,

secretary of the International Temperance Association, Senator Hittle of Lansing; C. W. Bizarth, former missionary to Africa; H. K. Halliday, director of missionary activities of the Lake Union Conference; Lawrence Maxwell, editor of the new Junior paper; Michael Halstead, former movie star; Elder W. H. Branson, world president of the Adventist; and Wayne W. White, Michigan Evangelist.

Describes Fight For Children

Starting in The American Weekly with August 30, Detroit Sunday Times, read "Our Fight For Our Captive Children," by Lygia Georgescu. She tells how her husband, like her a naturalized American, exposed a vicious Communist plot to force them to betray their adopted country in exchange for the freedom of their hostage children.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. William Bussing, Sr. of East Jordan announce the engagement of their daughter, Barbara M. of 306 Emmett St., Petoskey to James H. Matthew, son of Mrs. John Matthew, 202 Lincoln Street, Boyne City. They plan an April wedding.

Pleasant Valley . . .

Fern Petrie returned Monday by bus from Detroit where she has been helping care for a new grandson. Leon Beals and Shirley Mur-

phy were married Saturday evening at the Methodist Church of East Jordan. The bride is the daughter of Mr. and Mrs. Ervin Murphy and the bridegroom is the son of Mr. and Mrs. LeRoy Beals.

Jim Murphy, acting as manager of the local baseball team in Doug Gilkerson's absence, looked very efficient in getting the team to Kalkaska to play ball. But he was red in the face when he found he had left all the equipment at his home. So an extra trip, and all was well.

Arlene Wilson is home from Charlevoix and working at the Central Lake pickle station.

Mrs. Edna Burns and family of Memphis, Michigan spent Thursday and Friday at the home of Mr. and Mrs. George Gibbard.

Mr. and Mrs. Ralph Ward and family of Mentone, Indiana are spending two weeks on Scott's Lake.

Pfc. Cleo Purdy, who is home on leave from the WAC's, visited the home of Mr. and Mrs. Dortan Gibbard.

Finkton News

Mr. and Mrs. Harvey Pangborn of Midland were Sunday afternoon callers at the Leonard Hite home.

Mr. and Mrs. Tom Hitchcock and sons returned to Flint, Sunday. Mrs. Hitchcock and sons had been visiting her mother, Mrs. Minnie Beal.

Mrs. Gene Emery and infant son of Ottisville are visiting Mrs. Emery's parents, Mr. and Mrs. Sam Lewis.

Misses Shirley Lavanway and Linda Lewis attended the Baptist Youth Camp at Lake Ann last week.

Mrs. Berton Bunker, Mrs. Sam Lewis and Elaine Lewis visited the youth camp at Lake Ann Wednesday.

Versal Spence is spending this week with his parents, Mr. and Mrs. George Spence.

This month is the seventh anniversary of the Finkton Bible Fellowship Church. Sunday night at 7:30 p.m. the church is holding a special service in honor of this

date. The service will be held on the lawn of the community property. Special music is being prepared by the choir members. There will also be several taking part telling what the work means to them as individuals and as a community. There will also be a brief history of the work given. The public is invited to attend the service to see the growth of the church in the past seven years.

Miles District

Mr. and Mrs. Jay Boss of Corbin, Kentucky were honored guests at a family supper at the Tourist Park, Wednesday evening. Those present were Mr. and Mrs. William Boss and family, Mrs. John Boss and daughter, Rheta; Mr. and Mrs. Frank Boss and family, Mr. and Mrs. Gerald Boss and family, Mr. and Mrs. Ed Boss and family.

Mr. and Mrs. Douglas Gilkerson and family attended a picnic of the Directors of the Soil Conservation with their families at the Charlevoix Park, Sunday. Afterwards they went to the airport where they had an airplane tour. Mr. Gilkerson had the pleasure of going up and viewing the farms of Charlevoix County.

The South Arm Farm Bureau will hold their annual picnic at the Tourist Park, Tuesday evening.

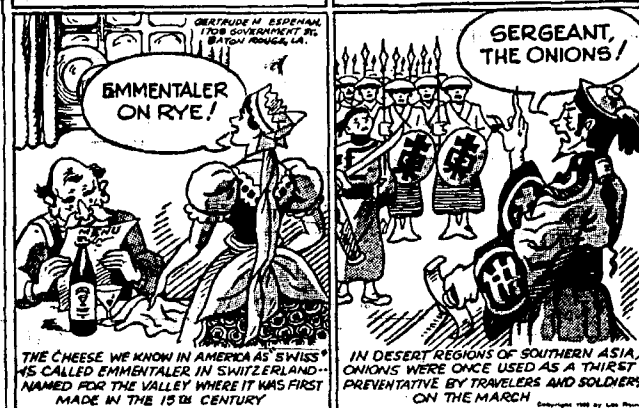

Mr. and Mrs. Rudolf Stofa and children of Brookfield, Illinois called on Mr. and Mrs. August Bulmann, Monday.

Mr. and Mrs. Howard Donaldson and family, Mr. and Mrs. J. D. Frost and Mr. and Mrs. O. B. Brubaker were supper guests Thursday of Mr. and Mrs. Milton Donaldson.

Mr. and Mrs. Rex Petrie, Bert-

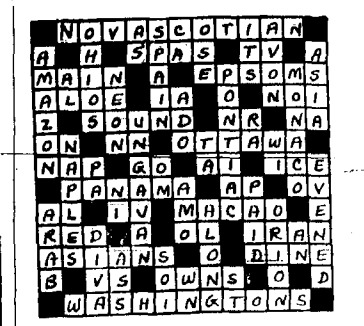

CABBAGE, CONSIDERED BY MANY AS JUST A HUMBLE AND LOWLY VEGETABLE, WAS HELD SACRED BY THE ROMANS OF ANCIENT GREECE. THEY EVEN SWORE THEIR OATHS UPON IT.

THE CHEESE WE KNOW IN AMERICA AS SWISS IS CALLED EMMENTALER IN SWITZERLAND AND NAMED FOR THE VALLEY WHERE IT WAS FIRST MADE IN THE 15TH CENTURY.

CORRECTION Relatives and friends from away who attended the funeral for Mrs. Wilhelmina Russell were from Flint, Pontiac, Grand Rapids, Traverse City, Eastport, Hildsworth, Elk Rapids, Central Lake, Holland and Kewadin.

Legal Notices
STATE OF MICHIGAN,
The Probate Court for the County of Charlevoix.
At a session of said Court, held at the Probate Court in the City of Charlevoix in said County, on the 18th day of August, 1953.

Present, HONORABLE FLOYD A. SUPP, Judge of Probate.
In the Matter of the Estate of DAVID JOHN WHITEFORD, Deceased.

Notice is Hereby Given, That the petition of Gladys McKinnon, a daughter of said deceased, praying that the administration of said estate be granted to Vern Whiteford, or to some other suitable person; and that the heirs of said deceased be determined, will be heard at the Probate Court on the 14th day of September 1953, at ten o'clock in the fore noon; —It is Ordered, that the notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing, in the East Jordan News Herald, and that the petitioner shall, at least fourteen (14) days prior to such hearing cause a copy of this notice to be mailed to each known party in interest in this estate at his last known address by registered mail, return receipt demanded.

Floyd A. Supp, Judge of Probate.

NOTICE OF TAKING OVER CERTAIN TOWNSHIP ROADS INTO COUNTY ROAD SYSTEM
At a meeting of the Board of County Road Commissioners of Charlevoix County Michigan held on the tenth (10th) day of August 1953, by a majority vote and may vote of said commission, it was determined to take over and constitute as County Roads under the provisions of Chapter IV of Act 285, Public Acts of 1909, as amended, the following roads:

4-H SHOW

(Continued from Page 2)

nor should the belly, as this will make the animal look shallow-bodied.

The horns and hooves should be filed and scraped until they are quite smooth. They can be further finished with emery paper and oiled just before show.

When you go to the show, you should have a box in which to keep your showing equipment. It is recommended that the box have a padlock to protect your belongings. You should have a curry comb and brush, a show halter, a blanket for the animal, feed box, water pail, washing pail, soap, rags, pitchfork, as well as feed and bedding.

Prior to showing, the animal should be checked to be sure it is clean. It may be necessary to wash off some manure spots, and you should curry the animal and brush well. When the call comes to show your class, be prompt and do not delay the judge. Make sure that you have clean clothing and appear neat. This is good showmanship.

You should lead the animal slowly and walk backwards so that you can see the animal at all times. Be certain that you keep

ing. one eye on the judge so that you can do what he asks. When you pose the animal make certain that the front feet are as high as the hind feet, and preferably on a higher section of ground. Keep the animal alert, and do not allow it to relax.

How to be a graceful winner is often more difficult than to be a good loser. If you win your class, remember a number of others who worked fully as hard as you did were not so fortunate.

It is well to remember also that at another show, and with a different judge, one of the other calves might have been the winner. The judging of cattle is not an exact art, and judges have honest differences of opinion as to what constitutes ideal type. It is wise to recall the fact that the final proof of the pudding is not the appearance of a heifer, but what she does when she becomes a milk cow.

"If at first you don't succeed, try, try again" should be the motto of every 4-H Club member in the show ring. There can be no room for discouragement in case your calf is a long way down the line when the ribbons are tied. Courtesy toward the judge should be practiced since he is not placing you as an individual, but rather your calf.

Looking Backward

August 23, 1913
A party of men employed at a shingle mill at Oyster Bay on Pine Lake started out on a Saturday night and in some manner Harry DuPont, one of the party, lost his balance and fell overboard. He was unable to swim and sank and did not reappear. The boat was kept in the vicinity for death was caused by heart failure rather than drowning. The lake was dragged for two days but the body was not recovered. It came to the surface Wednesday morning.

August 24, 1923
John T. Carlisle, 59, passed away August 22. Mr. and Mrs. Carlisle were in the theatrical business under the stage name of Hansen and Drew. They came to East Jordan in 1914, purchasing a home at Cherryvale near their home.

August 25, 1933
Mrs. John Henning passed away at the home of her daughter Mrs. Peter LaLonde, August 22. She has been confined to her bed the past year. Isabella Hastings was born at Turnberry, Ont., April 13, 1855. On October 15, 1872, she married John Henning at the place of her birth. In 1893 they came to this region and were among the first settlers of what is now Echo Township, Antrim County.

The SERVICEMAN'S LETTER

Hi Fellas:
 Jack Wilson is on the lucky list this week. Here's a letter from him dated August 16th in Korea, "Well, guess it's about time I dropped you a line or two. We came off the line the 19th of last month and sure was glad to get off too.
 'I think Bob Cutler is up where we were at now.
 'Rotation has arrived for me. I leave here in a day or two. I was supposed to leave the 5th but am still here. They told us today that we leave tomorrow or the next day. Sure hope so.
 'Well, there isn't anything more to write so this is it for this time. See you when I get there, Jack."
 Bill Streeter must be on the move again. His paper was stopped temporarily this week.
 Donald Brownell has arrived in Japan and expects to go on to Korea. He said it was hotter there than it was in Alabama. They had some mighty rough days on the boat but he stood it fine. His address is now: Pvt

Donald E. Brownell, Prov Co 1466, APO 2, c/o PM, San Francisco, Calif.
 Another man who is now on his way to Japan is Harry Webster. He wrote me a card just before leaving Fort Lewis. "Well we are moving out of Fort Lewis day after tomorrow, which is Wednesday the 19th of August. As far as we know we are going to old Japan for more processing and from there to Korea for assignment to different companies. Mike Brennan stopped to see me for a while the other day but he shipped out the following day for Japan. I guess I'm the only one here from E. J. now. It was the first time I saw Mike since we came in together. My address will be: Pvt Harry G. Webster, Prov Co, SE 1534, APO 2, c/o PM, San Francisco, Calif.
 Clifford Schultz is moving and requested his paper held up temporarily.
 Alce Augustus C. Schultz has added Box 661 to his address in the 3754 Stud Trg Sqd at Shepard AFB, Texas.
 Not much news again this week. Let's have those letters fellas. I'm getting off too easy on this. "Jake" Snyder.

by her father, was lovely in a white nylon ballerina length strapless gown. The back and sides of the skirt were of lace and the front was tiers of net ruffles. Her fingertip veil of nylon net was held by a cap of lace and seed pearls. She carried a bouquet of red roses with white streamers.

Mrs. Ethel Wilson, sister of the bride, served as bridesmaid. Her ballerina length gown was of pale green nylon net and she carried a bouquet of yellow carnations. Malcolm James, friend of the groom, served as best man. Maurice Murphy and Versal Spence of Central Lake seated the guests.
 While the guests were assembling, Margaret Blossie played traditional wedding music at the organ and accompanied Nan Drapeau as she sang "Because" and "The Lord's Prayer."

Mrs. Murphy, mother of the bride, chose for her daughter's wedding a grey dress with black accessories. The groom's mother wore a blue and white nylon crepe dress. Both wore corsages of pink carnations.

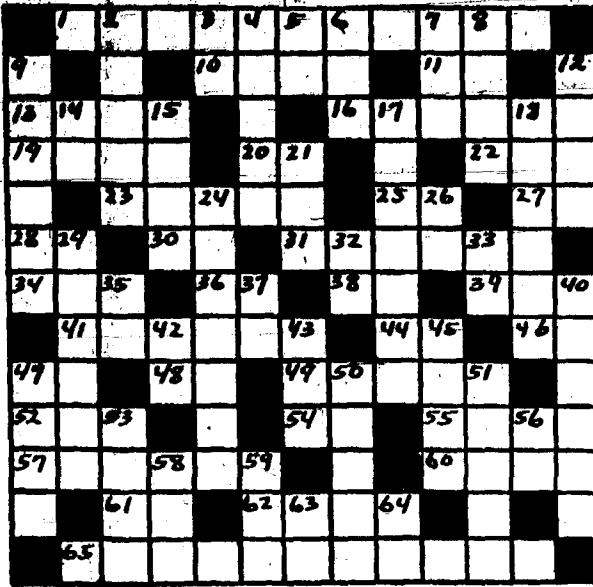

A reception was given by the bride's parents at their home following the ceremony. The bride's table was centered by a three tier wedding cake topped with a miniature bride and groom. There were flowers and tall lighted tapers on each side.

The bride and groom cut the first piece of cake and then the bridesmaid cut and served the guests assisted by Shirley Rose and Barbara Woodcock. Others assisting were Jean Pinney, Evelyn Murphy and Mary Ann Pinney.

The bride graduated with the class of 1953 from East Jordan High School. The groom was a member of the class of '53 from Central Lake High School. The newlyweds left after the reception for a short wedding trip in the upper peninsula. They plan to make their future home in Lansing.

Guests from out of town were Mrs. Grayden Baker and family of Grand Rapids, Mrs. Max Sadtler of Alanson, Ruth Seybold of Lake Odessa, Herbert Seybold of Lake Odessa, Forrest Vandeventer of Grand Ledge, Ivan Murphy, Jr., Mr. and Mrs. Thomas Hitchcock of Flint, and Irvin Pinney of Cadillac.

Answer on Page Four

County Fair Entertainers Best Ever

Each year the Charlevoix County Agricultural Society brings to patrons the very best in entertainment; however this year they have outdone themselves by engaging one of the most outstanding grandstand attractions ever to be presented at the "Charlevoix County Fair"—"Klein's Continental Circus".

The "Continental Circus" presents an assemblage of diversified entertainment such as a congress of four footed troupers, daredevils of the high trapeze, demons of the perch pole, artists of the treacherous unicycle and technicians of the precise and intricate feat-of-juggling, as well as side-splitting, merry-making buffoons of comedy.

A feature of the "Continental Circus" will be the inimitable "Rick Roy", an aerial act that will thrill all with his unbelievable balancing feats, ankle-drops and swinging neck hang.

The sensational "Rick Roy" is known as the "Man who hangs himself and lives to tell the tale". When you see the climax of his act you readily know that the title is well deserved.

Also included in the "Continental Circus" are many other specialty and novelty acts of outstanding quality and character, in a few words, a program of exceptional significance, long to be remembered.

"Continental Circus" takes the stage in front of the grandstand on Thursday and Friday nights, September 10 and 11, at the Charlevoix County Fair.

Darbee - Boswell Attend 2 Week Banking School

Howard Darbee and W. G. Boswell, vice president and cashier respectively, of State Bank of East Jordan left August 23rd for two weeks attendance at the School of Banking at the University of Wisconsin, Madison. This will be their 3rd year at the school, which requires two weeks resident attendance each year for three years to earn the certificate of graduation.

Shirley Murphy Marries Leon Beal, Saturday

In a double ring ceremony at the East Jordan Methodist Church Shirley Ann Murphy, daughter of Mr. and Mrs. Ervin Murphy became the bride of Leon Beal, son of Mr. and Mrs. LeRoy Beal of Central Lake at 8:00 p.m. Saturday. Rev. Robert Moore heard the couple speak their vows before an altar decorated with baskets of mixed gladoli. About 100 friends and relatives attended the wedding.
 The bride, given in marriage

Speech Contest Set For Area

The Charlevoix Soil Conservation District will hold a speaking contest, Clayton Healey, chairman of the district, announced.

National awards total \$1,700 in cash prizes; the state awards total \$100 in cash prizes and the district awards for the Charlevoix contest, total \$50 in cash prizes.

Healey said the contest is open to all co-operators of the Charlevoix District. The speech should be not more than 20 minutes in length, covering the topic "Democracy at Work in My Soil Conservation District."

The local contest will be held some time before October 15, when a local winner will be selected to participate in the state contest.

The purpose of the speaking contest is to acquaint the local residence with the soil conservation district. Not too many people know that the district is a unit of self-government; of the people, by the people and for the people. Anyone interested in entering are urged by chairman, Healey, to get in contact with some of the officials of the Soil Conservation District.

Throughout the year between resident sessions students are required to do extension work involving problems in all phases of banking.

The School is sponsored by the Central States Conference, composed of bankers associations in 16 mid-western states. Attendance this year will approximate 740 bankers, ranging from junior officers and department managers to presidents, vice presidents and board chairman of banks from more than 30 states.
