TEN CENTS

Over the Back Fence

By Marshall

The frost may not be on the pumpkin next Wednesday but autumn will be on hand just the same. That's when the sun will cross the equator. And if you happen to be outdoors on that day (Sept. 23 at 3:07 a.m.) you will see the full harvest moon, a breathtaking sight.

Insurance friend Lyle Johnston is in Charlevoix hospital for an operation. A local lad walked in to cheer him up the other day and lo! Friend Lyle had been lodged in the maternity ward! We are bug-eyed with hope that some doctor placed him in the wrong ward.

W W T V. What is it? Thousands will know before too long. For it is Channel 13, Cadillac, Michigan, a television service for all the north half of the state. It is expected that eventually the station will have the world's tallest tower atop the Peak of the Michigan Lower Peninsula 1703 feet above sea level. Signal coverage area is about 25,000 square miles.

The East Jordan area will be in the station's grade "B" territory which means that: "Good receiver and outdoor antenna properly directionalized will obtain snow-free picture with fair noise immunity. Perhaps slight snow in daytime reception."

Northern TV sets will be picking up WWTW sometime this winter.

Mrs. Helen Coon, formerly of East Jordan and now of B. C., celebrated part of her birthday at the fair. Working with her husband who displayed his merchandising wares at the fair, she was sung to by many friends and one lad who thought it proper to fetch flowers grabbed the first thing handy to present. It was some dill brought in by farmers. She laughed about receiving the dill instead of flowers, but warned that those who revealed her age would be in a pickle.

Don Clark set off a big charge of dynamite over at the new factory construction grounds the other day. We picked out typewriter off the floor and went back to work, happy that he is making progress.

An out of town visitor picked a newspaper from the rack outside Hite's drug store and paid for it at the News-Herald office. That's one way of making easy money.

Glad to see Jake Snyder "hanging" around the PO again. Proves he's up and at 'em.

Police Chief H. S. has fallen for the super salesmanship of friend Chris. The chief walked into the store the other day and bought a jacket which had just gotten in from the factory. Later that day the Chief met Chris on the street and said: "Say, I didn't come in your store for a jacket this morning, I was going to buy a hat."

Harold Bader turned the whole shebang over to Scotty and Spike this week and hid himself off for a much needed vacation.

John Bos and wife also took off their aprons this week for a much needed short rest following a big summer.

Andy Anderson and family are getting into the act, also. They'll be gone about a week during which time the coffee urn will be cold.

Another TV antenna is going up in E. J. Sherman Firestone will be showing folks several models before long.

Married 65 Years

Coffee and wedding cake were served 25 friends who attended open house Friday at the home of Mr. and Mrs. Christian Robertson, 306 1/2 Third street. The couple have been married 65 years. Mr. Robertson is 92 and his wife, 80.

Mr. Robertson is a native of Denmark. He married Mary Ann Gidley, September 11, 1888 at Eastport. They came to East Jordan three years ago.

Steve Hayden Heads Local F.F.A. Group

Steve Hayden has been named president of the East Jordan Chapter of the Future Farmers of America.

Other officers named at the group's first yearly meeting September 10th were: vice-president, Jack Zoulek; secretary, Bob Romback; treasurer, George Nelson; and reporter, Bob Prebble; and sentinel, Dave Graham.

Last year the local chapter gave gilts to four boys. Two of the members experienced bad luck with their sows and sold them. The chapter decided to have these boys pay for one pig. The president appointed a committee to determine what price the boys would pay.

Again this year the chapter will purchase new FFA jackets for the officers.

The members discussed a trip to Chicago, turning the work over to the Earnings, Savings and Recreation committee.

Ten O'Clock Curfew Becomes Law In City

★ ★ ★

City Council Ordinance Makes Parents Responsible

The city council Tuesday night passed an ordinance establishing a 10 p.m. curfew for the City of East Jordan.

The new law affects children under the full age of 16 years. It makes it unlawful for children in this age group to be on the city streets between 10 p.m. and 6 a.m. unless accompanied by a responsible adult person.

Exceptions to this law are: While returning from some school function, or while in the discharge of an errand under the direction of a parent or legal guardian.

The ordinance, published elsewhere in this issue of the News-Herald, says that any child that violates the law may be deemed a delinquent child.

The child may be punished as a delinquent in the Probate Court for Charlevoix county.

Parents or guardians allowing children to violate the new law will be charged with the contributing to the delinquency of a minor child.

These parents or guardians will be subject to a fine of \$25.00 or ten days in jail.

The children must not only be off city streets, but also "alleys, parks and other public grounds within the city limit."

Services Held Friday For Mrs. Omland

Funeral services were held 2 p.m. Friday from the Evangelical Lutheran Church for Mrs. Syneva Omland, of South Arm Township, who died September 8th at Charlevoix hospital.

Services were conducted by Rev. Phillip Fretheim and Rev. J. C. Johnson. Burial was at Sunset hill.

The wife of Ole B. Omland she was born Syneva Eide, June 9, 1872 in Norway where she attended school and received training in handicrafts and home making arts. She came to the United States in 1893 moving to Chicago.

There on March 22, 1902 she was married to Ole B. Omland; and in 1906 the young family moved to East Jordan which has since been their home.

Mrs. Omland was a member of the Evangelical Lutheran Church and an active member of the Aid Society and Luther League for 47 years.

She is survived by her husband and five children: Mrs. Russell Hughes, Olaf and Albert Omland, of East Jordan; Mrs. Ernest Barth of Omema, Mich., and Eddie Omland of Fond du Lac, Wisconsin; one sister; Mrs. Gjoa Eide of Odda, Norway; Sixteen grandchildren and one great grand child.

Pall bearers were: Sam Rogers, Roy Whitlow, Ludwig Larsen, Mike Gunderson, Alfred Larsen and John Rude.

Friends and relatives from out of town attending the funeral were: Mr. and Mrs. Theodore Johnson and Mr. and Mrs. Louis Christenson, of Kewadin; Mr. and Mrs. Andrew Johnson, of Ypsilanti; Mrs. Maret Raftshol, of Suttons Bay; and Mrs. Ole Sollie of Traverse City.

Others were Mr. and Mrs. Ernest Barth and family of Omema, Mich.; Mrs. Erma Moore and children and Nels Anderson, of Mancelona; Mr. and Mrs. Willis Rude and Arthur Rude, of Muskegon; Mrs. Bush and daughter, Eleanor and Mrs. Robinson of Onaway Tom Kiser of Cheboygan; Rev. and Mrs. J. C. Johnson, of Frankfort; Rev. Fretheim (father of Reverend Phillip Fretheim) of Minn.

Mr. and Mrs. Alfred Larsen served refreshments to more than 50 friends and relatives of the Omland family.

Local Youths On Probation After Arrest

Two 16-year old East Jordan boys have been placed on probation by the county Probate Court as sentence following their arrest on a breaking and entering charge.

The youths were arrested by Police Chief Harry Simmons who reported they broke into the East Jordan Auto Parts building last month.

The boys, whose names are withheld because they are minors will be on probation until July 1, 1954, Simmons said.

Hold Funeral For Auto Crash Victim Thursday

Funeral services were held September 17th at Dinton funeral home, Central Lake, for Sherman Carey, with services conducted by Rev. Thomas, Pastor of the Central Lake Methodist church. Burial was at Central Lake cemetery under direction of the Masonic Lodge, F & AM.

Surviving are his wife Mable and two daughters, Ruth and Donna at home.

Mr. Carey was injured in a 2-car accident at Ortonville, Saturday and returned to attend the funeral at Central Lake with her husband.

Red Devils Meet Traverse In First Season Contest

★ ★ ★

Non-Conference Team To Play Here Friday

With one of the smallest football turnouts in recent years the Red Devils will go into their first game of the 1953 season Friday afternoon on the local athletic field against St. Francis, of Traverse City.

The Red Devil's big mark in Northern Michigan Class C play hasn't been beaten since Charlevoix tripped them up back in 1950.

The home boys have gone thru two straight seasons winning the title without being beaten. They lost one game out of 39 in five seasons.

Although Coach Gayle Saxton lost a number of outstanding players last year he has a good backfield made up of regulars.

The locals will go into Friday's contest after much pre-season drilling, but Coach Saxton isn't making any predictions about this first season non-league session.

He regards it as a real good test of his boys, but looks to the game with Charlevoix, next week and Mancelona later, as tough going. He gives Mancelona the edge in having a strong outfit among league teams.

Saxton picked an offensive line up for Friday's game but has not yet named the defensive boys.

Offense players will be: James Petrie, left end; James Sherman, left tackle; James Zoulek, left guard; Pete Nemecek, right guard; Steve Hayden, right tackle; Jerry Brennan, right end; Jim Blaha, center; Keith Evans, quarter back; Bobby Danforth, left half; Robert Romback, full back; Dennis Wilson, right half.

At present the Red Devils experience and power is located in the backfield, but Saxton looks for much improvement in the line as the season progresses.

First league play with Charlevoix next week will set a basis for better judging of the Red Devils ability among this season's conference games.

Community Concert To Open Oct. 5th

The annual winter Community Concert Course will open at Petoskey high school, October 5th with Michael Rabin.

Remainder of the concert will be: Guard Republican Band, Nov. 25th; Lelia Gousseau, pianist, February 25th; and Tuscon Boys' chorus, March 15th.

Mrs. John Porter has announced that tickets will be mailed about October 1st.

Library Back On Regular Winter Hours

Library hours are back to regular schedule, with change as follows: Afternoons from 2 to 5; evenings from 7 to 8:30. On Tuesdays and Fridays hours are from 12 to 5.

Gifts received by the library are "Masterpieces of World Literature" in digest form from Mrs. John Porter and pocket book mysteries from Phyllis McKinnon and Mrs. Carl Elsworth.

New books include the following: "Narcotics" by Oursler and Smith; "Old Man and the Sea" by Hemingway; "Passport for Jennifer" by Ellsberg; "Guide to Good Hunting and Trapping" by Godfrey; "Switch Hitter" by Decker; "Big Space Ship to the Moon" by Coggins and Pratt; "The Panama Canal" by Considine; "Mary Poppins in the Park" by Travers; "What's Inside of Engines?" by Zim; "Heidi's Children" by Johanna Spyri's translator; "Bear Named Grumms" by White.

Harvest Supper To Be Held At High School

The annual meeting and potluck harvest supper sponsored by the East Jordan Parent-Teacher Club will be held 6:45 p.m., September 23 at the high school.

Entertainment will include movies for the children, it was announced.

Our County Fair Problem

Is the 64-year old Charlevoix County Agricultural Society living on borrowed time? Should the organization have died a quiet death many years ago? These and more questions crop up year after year when it's fair time.

If the majority of residents in this county are no longer interested in the fair then why should the Board of Supervisors pay for its losses year after year?

In the private business world you either dump a losing proposition or make drastic changes to pull it out of the red.

Talk about our county fair has been plentiful this fall. Some of it goes like this:

"Why don't they close it up for good?" "Why don't they close it down and establish a weekly cattle sale at the fair grounds?" "Why don't we consolidate with Emmet County and hold one big Northern Michigan Fair with all counties taking part?" "Why don't they turn it over to the farmers and let them have their own county farm show?"

This newspaper suggests now and will do so again just before the next annual meeting of the Charlevoix County Agricultural Society that all those who take issue with the operation of the fair attend the meeting.

Perhaps then they will learn why it is so difficult to make a county fair pay off.

Charlevoix County is not alone in this fair muddle. People around Petoskey are asking the same questions.

Last week an editorial in the Northern Michigan Review at Petoskey said:

"Has the Emmet County fair become, like the horse and buggy, a thing of the past? In recent years supervisors have haggled over whether or not to stage a fair because it has been a losing proposition financially."

Here in Charlevoix County we have many experienced "fair" men who have shown imagination and ability to stage a successful fair. Today these men, like Petoskey men, are shaking their heads over the problem and other capable men are trying their best to make the fair pay.

So Charlevoix and Emmet counties are both faced with the same problems concerning their fairs; and it is beginning to look as though our smaller county fairs are giving way to the diversified attractions of our modern times.

If the Charlevoix county fair is ever allowed to close, the action will hurt no one but the farmers. Boys and girls and men and women who gain experience and confidence in themselves through taking part in the agricultural side of the program.

And Charlevoix County should never be allowed to close its fair without first making provisions for an annual county farmers' event that would continue healthy farmer-participation in programs offering judging experience, prizes and all around education for our rural people—a thing, for which we believe, the Charlevoix County Agricultural Society was originally established 64 years ago this fall.—Marshall Sayles, editor

Unemployment Checks To Be On 2-week Basis

Most claimants for unemployment benefits are being instructed to report to their branch offices only every two weeks, rather than every week, Max M. Horton, Director of the Michigan Employment Security Commission said today.

This bi-weekly reporting comes as an economy move, directed by the Bureau of Employment Security of the U. S. Department of Labor, following recent Federal budget cuts by Congress. It will spread the claims work-load in order to permit the Commission to operate within a reduced budget, Horton said.

New claimants are now being given reporting dates two weeks after their original date of filing, and at that time, will be given single checks for two - week payments.

The regular reporting days indicated by the last digit of the workers social security card, will remain in effect. This calls for holders of cards ending in zero or one, to report on Monday; two or three on Tuesday; four or five Wednesday, etc. Horton also stressed the increased need for claimants to report on time, according to the date written on their identification card. There will be no relaxing of the requirement for claimants to be seeking, work in order to qualify for benefits.

Pellets help cut down the possibility of wet and moldy mash for turkeys on range. Some raisers feed the pellets on the ground and give the birds just as much as they will clean up in 15 to 20 minutes twice a day, according to C. C. Sheppard, MSC poultry specialist.

Farmers Warned Keep Expences On Safe Level

The next step on farms isn't expansion. It's holding past gains and keeping financially solvent.

That's the way an MSC economist E. B. Hill, puts it. He says farmers in general should be giving "real consideration" to that problem. He passes along these suggestions for consideration.

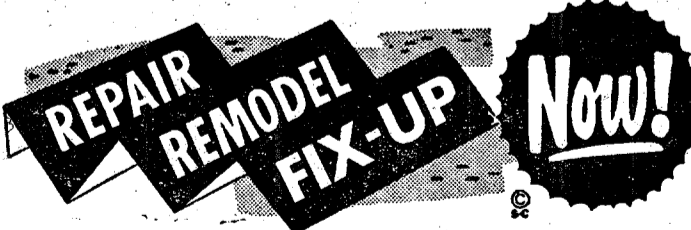

Reserves for emergencies should be available. All assets should not be pledged as collateral and it's best not to borrow up to the credit limit.

Study present debt obligations including those to merchants and other individuals. Have debts in a safe position and in the hands of lenders who will be able to extend dates if the going gets tough.

Improve the income producing capacity of your farm wherever possible. This means better farm management and close attention to details. Analyze farm records at the end of the year to see where improvements may be possible.

Keep expenditures in line with income.

Check through fire and wind insurance policies. Some areas in Michigan, it is reported, have less than one in ten farmers carrying adequate wind insurance. A good safeguard is to increase the amount of personal liability on the automobile. A serious accident can result in a judgement for damages in excess of insurance coverage. If the farmer has heavy financial obligations, adequate life insurance — either straight-life or term — is advisable for protection of the family. Personal liability insurance on a farm could be considered as another means of protecting the farmer's net worth.

Marilyn Klooster Weds Eugene Pearce, Sunday

A lovely wedding was solemnized on Sunday afternoon at three o'clock, September 13th at the First Methodist Church of East Jordan when Marilyn Klooster daughter of Mr. and Mrs. George Klooster, and Eugene Pearce, were united in marriage. A double ring ceremony was performed by Rev. Robert H. Moore before an altar banked with baskets of white gladiolas and yellow mums and candleabra. Fred Stecker provided the organ music and accompanied the soloist, Mrs. Alta Drapeau, who sang "Because" and "Oh Promise Me."

The bride wore a slipper satin floor length dress made by her mother. Her finger-tip veil of net with nylon lace was held in place by a crown of seed pearls. She carried a bouquet of red roses and baby mums, and wore a gold cross with a diamond set around her neck, a gift from the groom.

The bride was given in marriage by her father.

Kay and Carol Klooster, sisters of the bride, were bridesmaids, and chose blue and pink nylon floor length dresses with shoulder length veils and shoes to match. Each carried a colonial bouquet of pink and blue bachelor buttons.

Wayne Pearce, brother of the groom, served as best man. Donald Widen, cousin of the groom, and Arthur Katzmayer uncle of the groom, seated the guests.

Mrs. Klooster, mother of the bride, chose for the occasion a navy blue crepe street length dress trimmed with lace with black accessories. Mrs. Dorthea Graham, mother of the groom, chose a royal blue dress with black accessories. Both wore corsages of red rose buds and white baby mums. Mr. and Mrs. Richard Schroeder were master and matron of ceremonies. Mrs. Schroeder wore a lovely corsage of yellow and white mums.

A reception followed the wedding in the social room of the church. Over a hundred guests were served. Miss Luanne Trenary, cousin of the bride and Mrs. A. Katzmayer, aunt of the groom, served the four tier wedding cake that was topped by a miniature bride and groom. Ice cream with pink bells, punch, and a variety of other cakes were also served.

Out of town guests included: Mr. and Mrs. Stanley E. Pearce, Miss Gloria Partlow, Mrs. Isabelle Butler Bauer, Mr. C. Ledbetter and Mr. C. C. Pearce, all from Bowling Green, Ohio; Mr. and Mrs. Arthur Katzmayer, Elkhart, Indiana; Mr. and Mrs. Lester Trenary and daughter Luanne, and Mr. and Mrs. Loren Trenary of Walkerville, Michigan; Everett Vanderark, Rockford, Michigan; Mr. and Mrs. George Heim, Williamsburg; Mrs. L. Even a picture tells you a great deal about Pontiac's beauty, its long lines and substantial feel. But the best way to appreciate what makes Pontiac such a great value is to get behind the wheel and drive it. Then you'll know you have a real performer in hand. Pontiac always responds with eager, ready-to-go high-compression power — more than any highway will ever require. For all normal driving, the engine can loaf—one reason why Pontiac

leads such a dependably long life.

There's a great deal more to the Pontiac story: ease of handling, beautiful Dual-Streak styling, roominess, comfort and luxury. And there is Pontiac's PRICE—actually just a few dollars above the very lowest-priced field!

So come in now and drive Pontiac, price Pontiac, compare Pontiac! We're confident that you'll quickly agree that Pontiac is your best deal!

Why Pasture Production Drops In Fall

A shortage of high quality roughage is the main reason milk production drops off during the fall months, reminds Ed Rebnan, Charlevoix county agricultural agent.

Larry Johnson, extension dairyman at Michigan State College, points out that studies by the U. S. Department of Agriculture show that production of pastures drops rapidly in the fall. The figures indicate that a pasture that can supply enough feed to produce 30 to 35 pounds of milk a day in May and June without supplemental feed only has enough growth left by August and September to produce 15 pounds of milk a day.

The 1952 Dairy Herd Improvement Association records in Michigan show this drop in production by month: Average milk production per cow was 30 pounds of milk in June, 25 pounds of milk in September and 23 pounds in November—the low.

In order to be sure that cows are getting enough feed from pasture, Johnson recommends that the dairyman should check pastures regularly to be sure there is enough feed for fall grazing. And the farmer should observe milk production every day so that any slight decline in production will be noted.

Supplemental feeding should be started as soon as pastures no longer supply enough feed for full milk production, advised Johnson. Grass or legume silage is usually the best feed, notes the extension dairyman, but if it is not available, hay or corn silage can be fed with good results. Cows should be fed the amount they will clean up rapidly. Johnson says that in some cases it would pay to increase the rate of grain feeding, too.

Belt of Grand Rapids spent Labor Day weekend with her parents, Mr. and Mrs. Mike Gunderson.

If you want to sell your property, list it with Clarence Healey. Phone LE 6-7210.

From where I sit... by Joe Marsh. Cream Whips Main Street Traffic. Big traffic jam in front of the office last week. Thought everybody in the county was coming in to buy The Clarion, but they weren't. Seems a 5-gallon can fell off Whitey Fisher's truck, spilling cream all over the street. Our cop on duty, Tiny Fields, halted traffic so Whitey could pick up the can. Tiny was about to wave the cars on when a kitten ran out and started lapping up the cream. Well, traffic piled up, but Tiny paid no heed. Light changed green three times. After the kitten had enough, Tiny waved the traffic through. From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinner time, it's just each to his own taste and everything's "smooth as cream" between them. Joe Marsh. ORDINANCE NO. 84

AN ORDINANCE TO REGULATE THE TIME THAT CHILDREN MAY BE PERMITTED AND ALLOWED UPON THE PUBLIC STREETS, ALLEYS, PARKS AND OTHER PUBLIC GROUNDS WITHIN THE CITY OF EAST JORDAN.

THE CITY OF EAST JORDAN ORDAINS:

- Section 1: That it shall hereafter be unlawful for any person under the full age of 16 years to be and/or remain upon any of the Public Streets, Alleys, Parks and other Public Grounds within the City of East Jordan, between the hours of 10 p.m. in the afternoon and 6 a.m. of the following forenoon, unless accompanied by an adult person, or while returning home from some School Function, or while in the discharge of an errand under the direction of his or her parent, parents or legal guardian.
Section 2: That any child who shall violate this Ordinance may be deemed a delinquent child and be punishable as such delinquent child in the Probate Court for the County of Charlevoix, State of Michigan.
Section 3: That any person who shall wilfully or knowingly permit any child, of whom they are the parent, parents or legal guardian, to violate this Ordinance, shall be guilty of contributing to the delinquency of a minor child, and upon conviction thereof, either on confession or after trial, shall be subject to a fine of not to exceed the sum of Twenty-five (\$25.00) Dollars or imprisonment in the County Jail for not to exceed ten (10) days, or both such fine and imprisonment in the discretion of the court, together with the costs of the prosecution.
Section 4: It shall not be necessary that said child violating the provisions of this ordinance be adjudged a Delinquent Child before prosecution of said parent, parents or legal guardian be instituted and trial had, and the parent, parents or legal guardian's guilt or innocence adjudicated.
Section 5: It shall be the duty of the police officers of the City of East Jordan to enforce this ordinance.
Section 6: All ordinances or parts of ordinances conflicting herewith are hereby repealed.
Section 7: This ordinance shall be published in the East Jordan News-Herald, a newspaper printed, published and circulated in the City of East Jordan, within 10 days after its passage.
Section 8: This ordinance becomes effective 30 days after its passage.

Alberta Nowland City Clerk

Date: September 15, 1953

ORDINANCE NO. 83

AN ORDINANCE PLACING THE SEWAGE DISPOSAL SYSTEM OF THE CITY OF EAST JORDAN ON A PUBLIC UTILITY BASIS; PROVIDING FOR THE FIXING AND COLLECTION OF SEWAGE DISPOSAL RATES AND THE DISPOSITION OF REVENUES RESULTING FROM THE COLLECTION OF SUCH RATES.

WHEREAS, the City of East Jordan, by virtue of an order of the Water Resources Commission of the State of Michigan and decree of the Circuit Court for the County of Charlevoix entered on May 18, 1953, in the case of The People of the State of Michigan vs. City of East Jordan, et al, has been required to construct a sewage treatment plant and interceptors sewers to alleviate pollution of the waters of Lake Charlevoix or other waters in the State of Michigan;
AND WHEREAS, to finance the cost of said necessary public improvements the City Council, by resolution adopted Sept. 15, 1953 has authorized the issuance and sale of general obligation bonds of the City of East Jordan in the aggregate principal sum of One Hundred Ninety Three Thousand (\$193,000.00) Dollars, under the provisions of Compiled Laws of Michigan, 1948, paragraphs 123.247 and 123.248;
AND WHEREAS, in the opinion of the City Council, it is advisable and expedient to provide for a sewage disposal rate charge to be paid by all users of the sewage disposal system, the proceeds from the collection thereof to be used for the operation and maintenance of the System, and the balance to be applied to the payment of the principal and interest on said General Obligation Sewage Disposal System bonds as they mature, thus reducing the amount of the annual tax levies required for the payment of the bonds;
AND WHEREAS, the City is authorized by law to establish and operate the sewage disposal system on a public utility basis and make service charges or rates to users of the System to provide funds for its operation, maintenance and improvement, and to pay or apply on indebtedness incurred for improvements and extensions to said System;

THE CITY OF EAST JORDAN ORDAINS:

- Section 1. From and after October 1, 1953, the complete sewage disposal system of the City of East Jordan, including all main and lateral sewers, sewage treatment plant, intercepting sewers, and all works, instrumentalities or properties used or useful in the collection, treatment and disposal of sewage and industrial wastes, as now or hereafter added to, extended or improved, shall be operated and maintained on a public utility rate basis, as authorized by law, particularly Act 94, Public Acts of Michigan, 1933, as amended, and Section 123.243, Compiled Laws of Michigan, 1948 (being Act 320, Public Acts of Michigan, 1937, Section 9).
Section 2. The complete sewage disposal system of the City of East Jordan, as heretofore defined in Section 1 of this Ordinance, shall be and remain under the management, supervision and control of the City Council, who may employ or designate such person or persons, board or commission, in such capacity or capacities as it deems advisable, to carry on the efficient management and operation of the System. The City Council shall make such rules, orders and regulations as it deems advisable and necessary to assure the efficient management and operation of the System.
Section 3. Said Sewage Disposal System shall have an operating or fiscal year commencing on May 1st and ending on April 30th of each year.
Section 4. The rates to be charged for sewage disposal service furnished by the System shall be as prescribed by the City Council, and shall be charged to all buildings or premises having any connection with the System. Until otherwise provided, the initial rates shall be divided into two categories to be known as "Sewage Disposal Treatment Rate" and "Sewage Disposal Consumption Rate." Said rates shall be as follows:

Sewage Disposal Treatment Rate

Such rate shall be charged to all users connected to the System, based upon the size of the water meter therein, (except in the case of apartments), as follows:

Table with 2 columns: Size of Water Meter and Treatment Rate Per Year. Rows include 3/4 inch or less (\$20.00), 1 inch (\$30.00), 1 1/4 inch (\$40.00), 1 1/2 inch (\$60.00), 2 inch (\$80.00), and Each Apartment (\$10.00).

Sewage Disposal Consumption Rate

Such rate shall be computed on the basis of 100% of the water rate charged to the same premises and shall be computed from the water consumption figures of the water department as evidenced by water meter readings.

Additional Provisions

- 1. No free service shall be rendered by the Sewage Disposal System to any person, firm or corporation, public or private; or to any public agency or instrumentality.
2. The City shall pay for all sewage disposal service furnished to it or to any of its departments at the foregoing rates, or any revision of the same.
3. The City Council shall establish special rates for sewage disposal service furnished by the System and not covered in the above listed categories. If any land, building or premises has any sewer connection with the System, but has no water connection, a special rate or rates shall be fixed therefor by the City Council.
4. The City Council shall also establish, if necessary, rates for supplying sewage disposal service to premises located outside the corporate limits of the City, which rates shall not be less than the rates provided for service furnished to premises within the corporate limits of the City.
5. Sewage disposal rates shall be billed and collected, subject to the same terms and conditions respecting payment, as are now provided for water bills. Such rates shall be shown as separate items on each water bill except in such cases where there is no water connection, in which event a separate sewage disposal bill shall be sent. Billing shall be under the supervision and direction of the Water Department of the City.
6. The charges for sewage disposal service which are under the provisions of Section 21 of Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien, and whenever any such charge against any piece of property shall be delinquent for six months, the City officials in charge of the collection thereof shall certify to the tax-assessing officer of the City the fact of such delinquency, whereupon such charge shall be entered upon the next tax roll as a charge against such premises, and shall be collected and the lien thereof enforced in the same manner as general city taxes against such premises are collected and the lien thereof enforced: Provided, However, that where notice is given that a tenant is responsible for such charges and services as provided by said Section 21, no further service shall be rendered such premises until a cash deposit of not less than Twenty-Five (\$25.00) Dollars shall have been made as security for payment of such charges and services.
In addition to other remedies provided, the City shall have the right to shut off and discontinue the supply of water to any premises

for the non-payment of sewage disposal rates, when due.

Section 5. The sewage disposal rates heretofore established shall become effective on and after October 1, 1953, and the revenues of the Sewage Disposal System derived from the collection of such rates are hereby ordered to be set aside as collected in the State Bank of East Jordan, a Bank of East Jordan, Michigan, in a separate depository fund to be designated SEWAGE DISPOSAL SYSTEM RECEIVING FUND (hereinafter referred to as the Receiving Fund), and the revenues in said Fund are pledged for the purpose of the following funds, and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified:

(a) Out of the revenues in the Receiving Fund, there shall be first set aside, quarterly, into a separate depository fund designated OPERATION AND MAINTENANCE FUND, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the System, and such current expense for the maintenance thereof as may be necessary to preserve the same in good repair and working order.
A budget, showing in detail the estimated costs of administration, operation and maintenance of the System for the next ensuing fiscal year, shall be prepared by the Water Commissioner of the City at least thirty (30) days prior to May 1st of each year, which budget shall be approved by the City Council. The amounts transferred into the Operation and Maintenance Fund during each year shall not exceed the amount set forth in said budget, unless approved by a two-thirds (2/3) vote of the City Council.

(b) Out of the revenues remaining in the Receiving Fund after provision has been made for expenses of operation and maintenance of the System, there shall next be set aside, quarterly, into the DEBT RETIREMENT FUND of the City, all the remaining revenues of the System, the moneys so set aside into said fund to be allocated and set aside on the books and records of the City, and used and applied solely and only for the payment of the principal of and interest on the General Obligation Sewage Disposal System bonds in the aggregate principal amount of One Hundred Ninety three Thousand (\$193,000.00) Dollars referred to in the preamble hereto.
Section 6. The City Council shall cause to be maintained and kept, proper books of record and account, in which shall be made full and correct entries of all transactions relating to the System. Not later than two (2) months after the close of each fiscal year, the City Council shall cause to be prepared, a statement in reasonable detail, showing the cash income and disbursements of the System at the beginning and close of the operating year and such other information as may be necessary to enable any taxpayer of the City or user of the service furnished to be fully informed as to all matters pertaining to the financial operation of the System during such year. Such annual statement shall be filed in the office of the City Clerk, where it shall be open to public inspection. Such books of record and account shall be audited annually by a certified public accountant, to be designated by the City Council, and a certified copy of such audit shall be filed with the City Clerk.

Section 7. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.
Section 8. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.
Section 9. This Ordinance shall be published in full in the East Jordan News-Herald, a newspaper of general circulation in the City of East Jordan, qualified under State law to publish legal notices, within ten (10) days after its passage.
Section 10. This Ordinance becomes effective at the expiration of ten (10) days after publication thereof. This ordinance is hereby declared to be necessary for the public health and welfare and take care of a public emergency of the City of East Jordan and must be given immediate effect.

I HEREBY CERTIFY THAT THE ABOVE IS AN EXACT COPY OF AN ORDINANCE ADOPTED AT A MEETING OF THE CITY COUNCIL HELD SEPTEMBER 15, 1953.

Alberta Nowland City Clerk

Date: September 15, 1953.

The SERVICEMAN'S LETTER

Hi Fellas:

Here's a release from the Army Home Town News Center at Kansas City, Missouri dated September 11th. "With the 2nd Infantry Division in Korea - Pfc Elmer C. LaPlaut, 26, of East Jordan Mich., is returning to the U. S. from Korea where he served with the 2nd Inf Div. (Next of kin is listed as Mr. and Mrs. James Walker, Route 3 East Jordan, Mich.) The 2nd Division took part in two of the Korean conflict's most historic battles. It captured "Heartbreak Ridge" after weeks of bitter fighting in October 1951 and took "Old Baldy" in July 1952.

"Pfc LaPlaut, who was a truck driver in the 9th Regiment's Tank Company, entered the Army in April 1952. He joined the 2nd Division the following October and holds the Combat Infantryman Badge, Korean Service Ribbon and the UN Service Ribbon. He was a truck driver for Edward Walker in civilian life."

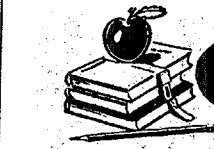

Pete Lundy has evidently reached Korea and been assigned to the 24th Inf as he expected. Here's his new address: Pvt Richard Lundy, Co C, 6th TK Bn (90 MM Gun), 24th Inf Div., APO 24, c/o PM, San Francisco Calif.

I pulled a boner on Mike Brennan's address last week. It should be: Pvt. Michael T. Brennan, Prov Co 1510, APO 2, c-o PM; San Francisco, Calif: Mike spent a few days on the boat off Camp Sasebo, Japan and when he got ashore he succeeded in contacting Harry Webster who was there awaiting shipment to Korea.
Two more men are on their way home from Korea this week. Jim Rusnell started for home on September 4th and Jim Pollitt was supposed to leave on September 9th.

From the other way - we have a notice to stop the paper for Robert Mosher, who has been in England for about a year. We presume that we will be seeing him around EJ soon.

John Bussing is on his way for a boat ride. I wasn't told which direction he is heading - just told to discontinue his paper until further notice.
Here's a letter from our friend Dale Gee up in Anchorage, Alaska. "Hi Jake - Well buddy, am glad to see you are up and around and writing the Letter once again. Bet you are too. Hope this finds you feeling OK now. We four here in Alaska are just fine.

"We had our first snow yesterday (Sep 1st) but it is on top of the mountains (so far). It rained very hard here yesterday and hailed on Monday afternoon.

SCHOOL HI-LITES

FIRST GRADE Marion Brooks

We are happy that school has begun again. It is fun to see our old friends and to find new ones too.

We have twenty-one boys and seven girls in our room. Roger Dougherty and Richard Pardee have come here from other schools.

We are already learning to read. We use "Our Big Book," and know Dick and Jane and some other words.

Mickie brought his turtle for us to see.

We have a pretty new "Happy Times With Numbers" book, and it is fun to work in it. We like our Weekly Reader too.

FIRST GRADE Marguerite Stokes

Group composition by the children. We are in first grade now. There are thirty of us.

We like our desks, we never mark or scratch them. We don't yell in school.

We don't throw stones at school We don't let paper get on the floor. We never play in the road.

We are learning to read. We like class.

We are starting to read "Our Big Book."

We like to read it.

Mrs. Drapeau comes to sing with us. We learned a new song. We like our teachers.

THIRD GRADE Adeline Bowerman

We have 29 in our room, 14 girls and 15 boys. Albert Wilbur is the only new member in our room, coming here from Grand Blanc.

Charlene Arnett is the first student teacher in our room.

Nellie Fowler brought a small turtle to our room. Clayton Gifford brought a very nice box to keep the turtle in. Chester Hughey, a sixth grader, brought a large snapping turtle for us to see. We are looking in books to find out more about turtles like the kind of food they need and how we should care for them.

Our new language books are

Alberta Nowland City Clerk.

country, Dale. You might hear from him again sometime.

Well, I'm a little late with this typing this week so guess I'd better cut this short and get it down to the News.

So Long, "Jake" Snyder.

SIXTH GRADE Frank Malone

The enrollment in our grade is forty. Harold Hart entered late because of showing his calf at the fair.

We have new English books and new penmanship books this year and we think we shall like them very much.

Sally Graham was the first president of our club and Lyndel Ingalls is the president this week. The president holds office more than once so nearly everyone gets a chance.

Chester Hughey brought a twenty pound turtle for us to see last week.

Larry Hayden and Glen Arnett are the safety patrols who help the smaller children across the street.

Hunters Warned About Carrying Firearms

The Conservation department is warning residents that firearms may not be carried or transported in any area frequented by wild birds or animals between hours of sunset and sunrise. That's during the closed season on small game, or at any time during the 15 days immediately preceding opening of the season.

An exception is for transporting into hunting camp during the five days immediately preceding opening of the season on small game; and then only by persons possessing proper license.
