TEN CENTS

From Little Dreams Big Red Devils Grow

From kindergarten to graduation—13 long and happy years—beginning students pass through the wonderful life found in the process of living, learning and growing up via the East Jordan school system. Hundreds of school beginners have seen the flash of the famous Red Devil teams, the smart cheer leaders, the fun to be had by older students. And dreaming of it all they pause sooner or later to ask that age old question: "Mama, when will I grow up?" — (composite photography by Doris and Bill Huckle for the News-Herald.)

Over the Back Fence

By Marshall

We're in love with mixed greens. Especially those five, tens and twenties.

Fellow who signs his name "Sherlock" writes in to slap our wrist for using the name Easterly Street instead of "Esterly."

The spelling appeared that way in the paper last April and our correspondent says we're way off the track.

"One of the First business buildings built in East Jordan was located just north of the bowling alley," the letter says. "... a three-story structure built by John Nicholls, of Charlevoix. Mr. Nicholls' wife was a daughter of George W. Esterly."

"Going back to 1868, Redington, Nelson and Company had a mill and other property in Charlevoix. Esterly and Company succeeded them in 1870. In 1876 John Nicholls came from Wisconsin and bought the mill and property from Mr. Esterly. Esterly Street was named for the latter and another East Jordan street bears Mr. Nicholls' name, although the street sign omits one letter."

We thank our correspondent for the letter and the information setting us straight. But "Sherlock," who he?

Overheard in a eatery: Poise is that wonderful ability to gab fluently while your friend is paying the check.

Want some beautiful flowers? The State Bank of East Jordan reports that the flowers around the front of the bank building can be had for the taking. Each year the bank offers the flowers to those who will care for them. No need to ask. Just step right up and take them.

This newspaper has broken out with an annoying case of Looking Backwarditis. Quite a few readers would have us chop the Looking Backward column out of the paper and in its place publish more current items; and on the other side many "old Timers" are shaking their finger at us to leave it in the paper.

We flipped a coin and it stood up on the edge.

Received some right nice comments about our "fair editorial" last week. One fellow called into say the whole thing should be turned over to the 4-H clubs and FFA boys.

Funny but those of us who do not pay as we go have one heck

Prize Winning Photos Shown At High School Until Oct. 9th

An exhibition of some of the finest high school photography in the nation is now on display at the East Jordan High School.

Featuring sixty prize winning photographs from the Seventh Annual (1952) National High School Photographic Awards, the exhibit will remain through Oct. 9. The photographs include the first, second, and third prize winners in each of the four classes into which the contest was divided. All Special and Merit Award winners and a selection of honorable mention winners are also included in the show.

of a time coming back.

Found: If John Gibson will stop in at the News-Herald office he may have his social security card number 371-36-0231. Someone found it and left it here.

It's good to see someone from home. That's what Larry Huckle, Al Chanda and Bob Saxton said as they were surprised to see Harold Bader at Fort Knox, Ky. Harold, traveling on vacation, stopped in and said "hello" to the boys. "They sure were glad to see someone from home," Harold told us.

The contest, sponsored by the National Scholastic Press Association with the cooperation of the Eastman Kodak Company, is an annual picture taking competition open to students from the ninth to twelfth grades inclusive. It offered this year a total of \$4,000 in cash prizes divided into 201 awards. While pictures entered in the contest could be no larger than 5 x 7 inches, the salon prints included in this exhibition are enlargements displayed in 12 by 15 inch mounts.

Featured in the exhibit is the Grand Prize—a dramatic shot of a young boy at the helm of a sailboat—made by Alvin McMillan a senior at Junction City (Kansas) High School. This photograph won for McMillan a total of \$600 in cash.

Information about the next Annual Awards may be obtained from high schools, or from National Scholastic Press Association 18 Journalism Building, University of Minnesota, Minneapolis 14, Minnesota.

State Okays Bond Sale By City

The State Finance Commission Wednesday approved the financing plan amounting to \$193,000 to construct East Jordan's sewage disposal plant system.

The city council now will advertise bonds for sale for this amount to obtain funds to finance construction of the plant.

It is expected that construction will get under way sometime this fall or winter.

Cut Draft Board

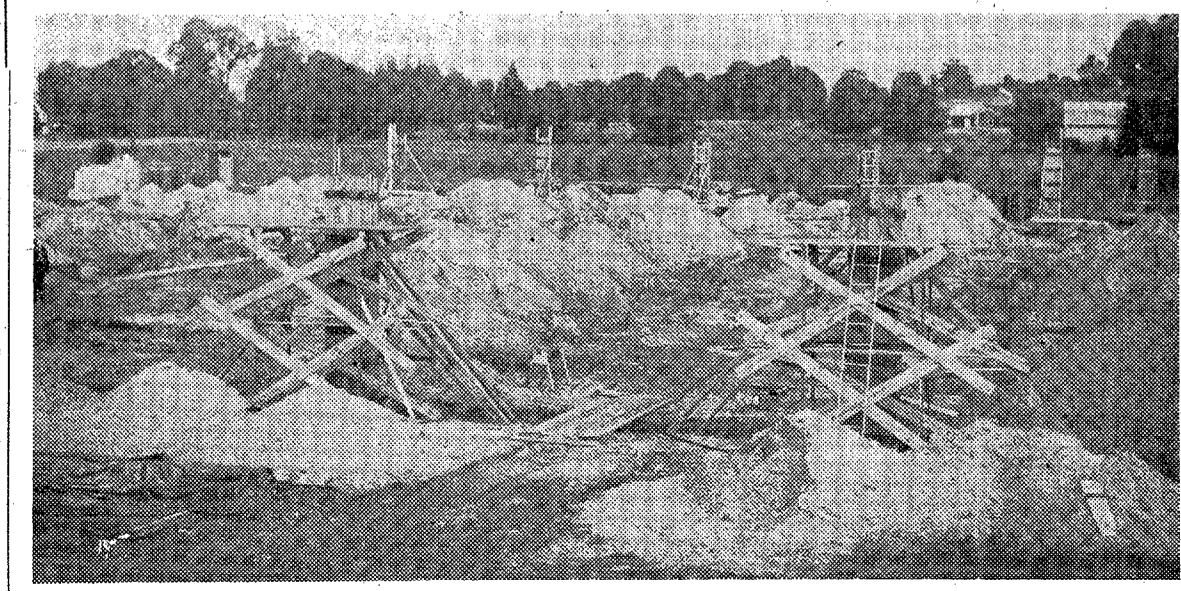

The state has reduced the Charlevoix County Draft Board to a part time operation.

Looking around for places to cut corners, the state decided to put the board on a morning schedule for an indefinite time. The office will be open 8 a.m. to 12 noon, from Monday through Friday.

Attends Convention

Dr. J. VanDellen left Tuesday night to attend the Convention of Michigan State Medical Society at Grand Rapids. He will be back in his office Saturday morning.

Progress At Local Factory Site

Construction progress on East Jordan's new factory has been rapid. When this photo was taken last week, steel was being delivered and Contractor Don Clark said it wouldn't be long until the place began to look more like a building. Work has been steady and there have been no serious "hold ups" according to Clark. (Photo by Huckle)

Local Attorney Named County Administrator

Name Downing To Aid At School Meet

John S. Downing, East Jordan high school teacher, will take active part in the Michigan Education Association Region 14 - 15 conference at Alpena, Oct. 1 and 2.

Downing has been appointed chairman of the section meeting on English which will be held Oct. 2.

More than 1,750 teachers and school administrators will attend the meetings.

Visitors will hear Robert Kazmayer, nationally known news analyst speak on "The challenge of a changing world."

MEA chairman for Regions 14 and 15 is Clifford Buckmaster, high school teacher from Petoskey. Irene Leahy, Harbor Springs high school teacher, is secretary, and Herbert W. Fox, elementary consultant in the Alpena public schools, is regional executive secretary.

The Alpena High School Band will open the sessions at Memorial Hall on the morning of October 1. Following invocation by Reverend Robert Barksdale of the First Congregational Church of Alpena, Edgar L. Grim, deputy superintendent of the state department of public instruction, will talk on the subject, "Good Teachers Make Better Communities." Kazmayer will conclude the morning program.

Commercial exhibits on display in the gymnasium of the Alpena Senior High School will provide teachers with an opportunity to examine the latest in textbooks and teaching aids. On Thursday afternoon various groups will meet, each to discuss one of a variety of topics. That evening the general session at the Ella White School will feature, after music by the Alpena High School Orchestra, Mildred Capron, photographer and world traveler, who, in her film-lecture, will take conference members on a "Solo Safari to South Africa."

Friday morning will be devoted to sectional meetings covering subject matter areas. The Rogers City High School Boys' Glee Club will provide music for the second general session at 1:30 p.m., and Reverend Gilbert Runkel, Jr. of the Alpena Trinity Episcopal Church, will give the invocation. This year's session of the regional conference will end with a symposium on "Recent Legislation and Its Influence on Salary Schedules and Teacher Welfare." Important school administrators will take part in the discussion of a subject vital to the teaching profession.

Navy Opens Program Exam December 12

The Navy announced recently that the eighth nation-wide competitive examination for its College Training Program has been scheduled for December 12, 1953 and will be open to high school seniors or graduates within the age requirements. Successful candidates will start their Naval careers in colleges and universities across the country in 1954 with substantial financial assistance. Qualified graduates will be commissioned in the Regular Navy or Marine Corps and will enter the Fleet as well-trained junior officers, taking their places alongside young officers from other outstanding colleges of the country and the United States Naval Academy.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Applications are available at high schools, colleges and Navy Recruiting Stations. Keith R. Annear, Principal of East Jordan High School.

J. Douglas Cook, an East Jordan Attorney since last July, has been named Public Administrator for Charlevoix County.

Charlevoix County Probate Judge Floyd Supp told the News-Herald Wednesday that Cook received his appointment this week from State Public Administrator Roland Remington of Lansing. Cook came to East Jordan from Bay City following his graduation from the University of Michigan Law School.

Big Fish

Eighty-nine year old William Lewis, 107 Second Street, East Jordan, hooked the largest Pike taken from local waters this summer. Fishing at night from the bridge at the mouth of the Jordan River he caught hold of a 12-pound 39" fighter. Assisted by nearby fishermen the big boy was finally landed after it sailed through two landing nets putting up a brave struggle. (Photo by Huckle)

Mother-Son Banquet

A mother-son banquet, something new in the social events of the year is being inaugurated by the Suzanna Wesley Circle of the Methodist Church. A fine dinner, an entertaining program, and prizes are being planned.

October 15th is the date set, and admission will be only by tickets sold in advance by members of the circle. Mark the date and plan to attend this new event.

Concert October 15th

The annual winter Community Concert Course will open at Petoskey high school, October 15th. First concert will feature Michael Rabin, 17 year old violinist.

Attend School

Sherman Thomas and Louis Peterson of Sperm's Pure Service, recently returned from a Pure Service School at Bay City.

The men attended the school to better enable themselves to serve their customers by becoming more acquainted with the many advancements made in petroleum products by Pure Oil Company.

F. F. A. NEWS

The farm shop boys put in a sidewalk for Roman Dubas last week. Mr. Dubas furnished the material. We cut out the sod and hauled it away with the tractor and trailer to where Mr. Dubas wanted it. After the sod was out, two boys began to lay the forms while the other mixed and poured the cement.

Rep. Knox To Speak Here Monday

East Jordan businessmen and residents will attend a dinner meeting at the Anchorage restaurant 1:30 Monday afternoon to hear U. S. Representative Victor Knox discuss affairs in Washington.

Rep. Knox was scheduled to speak in East Jordan by the Charlevoix County Republican Committee, according to Chairman Guy C. Coakle, Jr., of Boyne City.

The committee is inviting anyone interested to attend the dinner meeting and meet Rep. Knox and hear his talk.

Tickets for the dinner may be purchased from any one of the following individuals; Attorney Douglas Cook, Mayor Chris Taylor, Robert Campbell at the State Bank of East Jordan or the News Herald office.

Chest Seeks \$5,500 Fund

The 1953 campaign for the East Jordan Community Chest will get under way next month with a \$5,500 budget, it was announced today.

Opening date for the drive has not been set, but will be announced next week, according to Mrs. John Porter.

Class Officers Chosen At E. J. High

Class meetings were held last Monday, September 14, for grades 7 through 12. The purpose of the class meetings were to elect class advisors, class officers, student council representatives, and one athletic representative.

Following are the results of the class meetings:

Seventh Grade — President, Barbara Nielsen; Vice President, Anita Petrie; Secretary, John Bos; Treasurer, Donna Neuman; Athletic Representative, Jack Gee; Student Council, Alice Sumner and Jerome Chanda; Advisor, Mr. Emile Acitelli.

Eighth Grade — President, Charles Kamradt; Vice President, Georgia Dereny; Secretary, Fred Johnson; Treasurer, Beverly Braman; Athletic Representative, Ivan Pettifor; Student Council, Diane Whiteford, Neil Ostrom; Advisor, Mr. Jack Richardson.

Freshman Class — President, Dwayne Evans; Vice President, Judy Dressel; Secretary, Betty Detloff; Treasurer, Jack Ingalls; Athletic Representative, John Gibson; Student Council, Jean Ann Partee and David Nachazel; Advisor, Mr. Max Damoth.

Sophomore Class — President, Richard Johnson; Vice President, Arthur Thompson; Secretary, Joanne Hawley; Treasurer, Everett Beishlag; Athletic Representative, Richard Johnson; Student Council Deanna Lehrbass and Jerry O'Brien; Advisor, Harry Jankoviak.

Junior Class — President, Jack Zoulek; Vice President, Patricia Gilpin; Secretary, Marjorie Chanda; Treasurer, Marian Danforth; Athletic Representative, Bob Romback; Student Council, Beverly Klooster and Lyle Johnston; Advisor, Mrs. Mildred Karr.

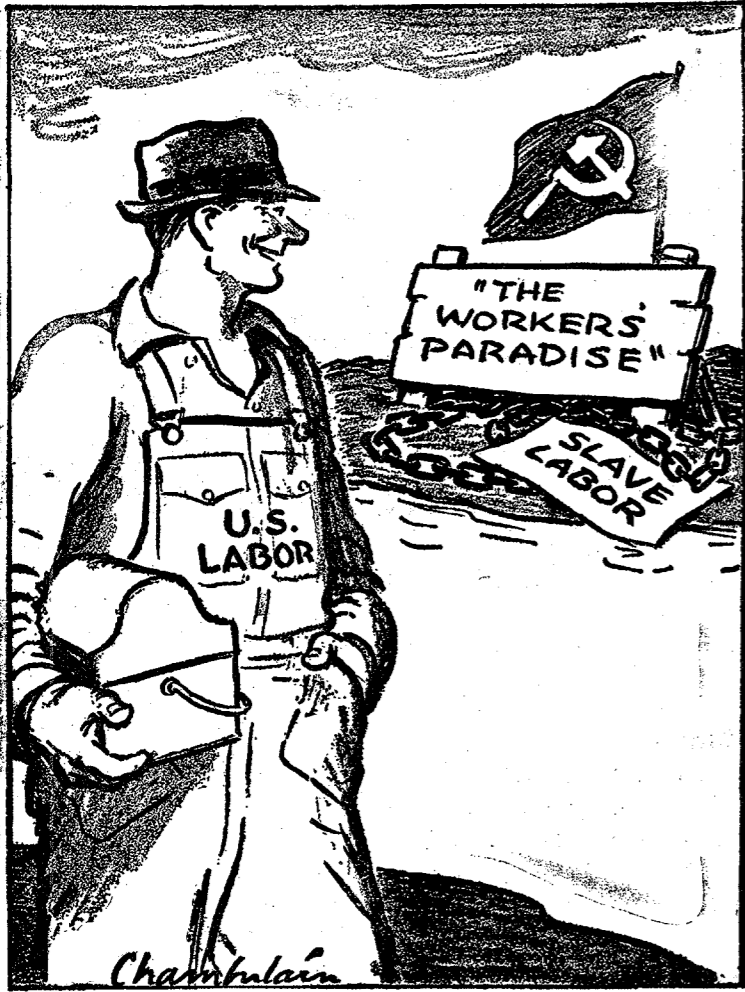

Senior Class — President, Steve Hayden; Vice President, Ray Gee; Secretary, Jean MacDonald; Treasurer, Eric Golke; Athletic Representative, Jim Weisler; Student Council, Iris Hosler and Peter Nemecek, Advisor Mrs. Leatha Larsen.

Guest Speaker

Elder Joe Enmark will be the guest speaker at the Reorganized Church of Jesus Christ of Latter Day Saints on September 27th. All are welcome.

THIS WEEK AT GRANDVUE

Mrs. Dwight Summers of Boyne City, who was admitted September 10th, gave birth to a daughter on the 10th.

Mr. Lemons of Boyne City was admitted September 15th.

Mrs. Hilda Hartlip, Supervisor at Grandvue, is now on vacation. She will be gone until about the 4th of October.

Miss Lena Holland also started her vacation September 15th.

Deer Hunters' Special
 Deer hunters around East Jordan may now obtain the long-awaited deer "dope sheet" prepared each year by the conservation department's game division. The fact-packed four-page leaflet gives a thorough presentation of the 1952 seasons, showing hunting information by counties, by types of seasons by location of kill and as an over-all state picture. The information was gathered from thousands of hunters during and shortly after the 1952 season. Game workers have openly thanked hunters for their cooperation during the post-season surveys and checks that made the 1953 dope sheet possible. About 75000 of the leaflets were printed and are now available to the public at department headquarters buildings, from the game division office in Lansing and agencies and organizations.

The light that **didn't** fail

It was 1 o'clock in the morning. To George Stevens, dial telephone switchman, the light on the panel meant that somewhere a telephone was off the hook. An improperly replaced receiver perhaps, or one dislodged by a frisky cat. On the other hand this might be a distress signal. That's what George Stevens thought as he plugged in on the line.
 There was no mistaking the weak but urgent voice he heard—a woman calling for help. Quickly Stevens traced the connection to get the telephone number. Then he called another switchman to get the woman's address. Within minutes Stevens had notified the police who sped to the

of last week. Mr. and Mrs. Moyer were former East Jordan residents Mr. Moyer at one time was director of the City Band.

Pleasant Valley . . .

About 30 people enjoyed a birthday party for Dale Petrie at the home of his sister and brother-in-law, Mr. and Mrs. H. W. Reck, Saturday night.

Mr. and Mrs. Bryce Petrie and daughters of Grand Rapids spent the weekend at home here.

Mr. and Mrs. Lewis Bearinger and son of Traverse City spent Saturday night with Mr. and Mrs. H. W. Reck.

Mrs. Clifton Willson has been on the sick list the past week.

Jack Taylor (our old Irishman) says he is having trouble sleeping late mornings now since the road machinery has moved on past his home.

Mr. and Mrs. Doug Gilkerson, Mr. and Mrs. Russell Petrie, Mr. and Mrs. Rex Petrie, Bertie and Dale Petrie, and Mr. and Mrs. H. W. Reck enjoyed a trip to Cross Village Sunday afternoon via the Lake Shore Drive from Harbor Springs. Not much color, but very pretty nevertheless.

Miss Patty Eve Willson helped her cousins, Jr. and Donnie Mae, celebrate their birthdays Saturday night.

West Peninsula

Mr. and Mrs. Robert Myers and daughter and Mr. and Mrs. William Gaunt, Sr. enjoyed a social evening Saturday at the Rustan.

Lester Howard, son of Mr. and Mrs. Henry Howard, left Friday for East Lansing for college.

Mr. and Mrs. William Gaunt, Sr. drove to Petoskey Sunday to call on Miss Viola Robinson. They also called on Mrs. Betty Harmon and new son, Phillip, at the hospital, and Mrs. James Earl at the Charlevoix hospital. Mrs. Earl is much improved and will be home in a few days.

Mr. and Mrs. Ernie Howard of Boyne Falls were callers Sunday at the Henry Howard home.

Sam Bricker drove to Muskegon Saturday to visit his uncle and family, Mr. and Mrs. Emery Sheldon.

South Arm

Callers at the Arnold Smith home Saturday afternoon were Mrs. Robert Pearsall, Mrs. Arvita Liskum and Mrs. Sandina Liskum.

Bob Graham has returned to the Veteran's Hospital at Saginaw for further treatment after spending three weeks with his family.

The Extension Club met with Helen Campau Thursday with a potluck dinner. There were 14 members and 2 visitors present. The next meeting will be with Beatrice Graham on October 15.

Patsy Murphy stayed with Mary Jane Lapeer Tuesday night.

Margaret Thompson of Pleasant Valley spent Wednesday afternoon with Georgia Murphy.

Mr. and Mrs. Elmer Lyons of Charlevoix called on Mr. and Mrs. Archie Murphy Sunday afternoon.

Allan Erno of Flint called at the Elsworth home Sunday.

Mrs. Robert Chipman of Petoskey and Robert and Donald Graham were supper guests Saturday night of Mr. and Mrs. Arnold Smith and sons, Joe and David.

Mrs. Carl Elsworth visited Mrs. Jack Bennett Sunday afternoon.

Mr. and Mrs. Don Hott spent Saturday evening with Mr. and Mrs. Harold Goebel.

Mr. and Mrs. Harold Goebel and family visited his cousins at Cheboygan Sunday.

Mr. and Mrs. Harry Pearsall and family were Sunday dinner guests of his parents, Mr. and Mrs. Claude Pearsall.

Mr. and Mrs. Mike Eaton and family were Sunday dinner guests at the home of his sister, Mrs. Anna Craft.

Mrs. Grace Wheeler of Ann Arbor is visiting her brother, Mr. and Mrs. Hugh Graham and other relatives.

Mr. and Mrs. Ralph Hiltz have purchased the former Sam Colter residence on Second Street from Mr. and Mrs. Walter Williams of Ironton and with family will occupy same in the very near future.

Indian River Inn Owner Selected for European Trip

Mrs. Jerry DeVore of Indian River Inn was selected by Cornell University as an outstanding United States hotel and restaurant owner. She will join a party of twenty three other outstanding hotel and restaurant owners for an educational and business tour of Europe. She leaves Pellston by plane today for New York.

Mrs. DeVore is the only Michigan hotel and restaurant owner to make the trip. The invitation was extended to Mr. and Mrs. DeVore by Howard Bagnall Meek, director of the School of Hotel Administration, New York State College of Home Economics at Cornell University, Ithaca, N. Y.

The 38-day tour will cover most of Western Europe with special emphasis on things of interest to hotel and restaurant owners.

Mrs. DeVore was assisted in preparations for her trip by Senator Charles E. Potter, who helped expedite her passport.

Miles District

Mrs. August Bulmann entertained the Lutheran Ladies Aid of Wilson Township, Thursday.

Mr. and Mrs. Douglas Gilkerson took a pleasure trip to Cross Village, Sunday.

David Smith spent Monday night with Allen Ingalls.

Mr. and Mrs. Bryce Petrie and children of Grand Rapids were dinner guests Sunday of Mr. and Mrs. Douglas Gilkerson.

Mr. and Mrs. William Addis and daughter of Whitehall, spent the weekend with his parents Mr. and Mrs. Lawrence Addis.

Mr. and Mrs. Claud Gilkerson, daughter and grandchildren Judy and Claud called on Mr. and Mrs. Armand Mayrand Sunday afternoon.

Mr. and Mrs. Howard Donaldson and family called on Mr. and Mrs. Milton Donaldson, Saturday evening.

Mr. and Mrs. Douglas Gilkerson gave a birthday supper for Dale Petrie, Wednesday evening. Karen Petrie was also a guest.

Youth Team To Help Cut Farm Perils

Michigan young people have joined forces to eliminate farm safety hazards.

David G. Steinicke, extension farm safety specialist at Michigan State College, says the youths represent 4-H Clubs, Future Farmers of America, Future Homemakers of America and the Grange youth. They're being led by Junior Farm Bureau members. Dick Arnold of Plainwell is chairman of the committee.

Plans call for teams of farm youths from the five organization to inspect farms with the consent of the farmer and leave reports with him of the safety hazards they found. They also will give their recommendations on how the hazards may be eliminated. A few weeks later they will return to see how many of the safety hazards have been removed.

The project is being sponsored by the Michigan Rural Safety Council and the Farm Bureau Mutual Insurance Company.

In other states where a similar project has been tried, notes Steinicke, the youth farm inspections have resulted in correcting 60 to 70 per cent of the hazards. This contrasts to only 30 to 35 per cent corrections which followed inspections by fire marshals or insurance companies.

Only nine counties of Michigan will test this plan this fall. By next spring the committee hopes to be experienced enough to boost a statewide safety hazard inspection. The counties invited to take part in the plan this fall include Cass, Hillsdale, Livingston, Ionia, Clinton, Huron, Mecosta, Gratiot and Presque Isle.

Evergreens Need Winter Protection

Protect your evergreens now so they won't die next spring or summer. That's the advice of Lester E. Bell, extension forester at Michigan State College.

He says it's important to do the protection job before the ground freezes. That means watering the plants until freezing weather and applying a good mulch of leaves, straw or peat moss to hold the

New Examinations Announced By U. S. Civil Service

The U. S. Civil Service Commission today announced examinations for Physical Therapists and Occupational Therapists for positions in hospitals, centers and regional offices of the Veterans Administration throughout the United States and in Puerto Rico. The salaries range from \$3,410 to \$5,060 a year.

Graduation from a school of physical therapy or occupational therapy is required. For positions paying \$4,205 and above, professional experience in the appropriate field is also required. No written tests will be given.

Further information and application forms may be secured at many post offices throughout the country, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications will be accepted until further notice by the Executive Secretary, Central Board of U. S. Civil Service Examiners, Veterans Administration Washington 25, D. C.

Enrollment Up Six

According to Superintendent, E. E. Wade, the enrollment of the East Jordan High School has increased six over the Initial Enrollment of last year, which was 868 as compared to 874 this year.

Following is the enrollment by grades:

- Kindergarten — Mrs. Nesman, 24 — Mrs. Sidebotham 46.
- First Grade — Mrs. Foote 29, Mrs. Stokes 30, Mrs. Brooks 28
- Second Grade — Mrs. Seiler 27, Mrs. Johnston 31
- Third Grade — Mrs. Hughes 30, Mrs. Bowerman 29
- Fourth Grade — Mrs. Nemecek 33, Mrs. Galmore 32
- Fifth Grade — Mrs. Liskum 30, Mr. McKay 30
- Sixth Grade — Mrs. Larsen 40, Mr. Malone 40
- Seventh Grade — 72
- Eighth Grade — 67

U. S. Testing Co. road tests prove

Blue Sunoco Beats 15 Premium-Priced Gasolines

Gives you up to 12.4% more miles per dollar... matches 15 premium-priced gasolines in acceleration and performance!

High-Test Blue Sunoco was tested against 15 premium-priced gasolines, with all their latest "improvements". Yet Blue Sunoco, selling at regular gas price, matched the acceleration and performance of these gasolines, costing up to 3¢ more per gallon!

Here's news of interest to everyone who drives a car. The United States Testing Company certifies final results of the 5-state, 25-car road test of gasoline mileage. Of the 16 gasolines tested, High-Test Blue Sunoco, the only regular-priced brand, gave up to 12.4% more miles per dollar and matched the acceleration and over-all performance of its 15 premium-priced competitors.

One Grade—Highest Quality

For over 25 years, Sun Oil Company has produced one—and only one—highest quality gasoline. This single-grade gasoline policy results in savings on tank ships, trucks, storage tanks, and pumps. These savings have been used to build special advanced manufacturing equipment. This, with Sun's exclusive processes, offers motorists a superior, premium-performing gasoline.

Test Blue Sunoco Yourself

Test High-Test Blue Sunoco yourself in your own car, and you'll see—it gives you premium gas performance at only regular gas price. While at the service station, ask for details, including the names of the premium-priced gasolines tested against Blue Sunoco in the road tests.

How to Make Your Own 10-Gallon Test

Wait until your tank is nearly empty, then fill with at least 10 gallons of Blue Sunoco. See for yourself the difference it makes in miles per dollar.

Ask what brands of gasolines were used in road tests. Drive in today!

U. S. Testing Company Certifies Results

Famous U. S. Testing Co. reports:

"Practically speaking, the results show no difference between Blue Sunoco and any of the 15 premium-priced gasolines tested in miles per gallon acceleration or over-all performance."

Set Speaking Contest For Boyne City

Harold Goebel, chairman of the Educational Committee of the Charlevoix Soil Conservation District announces that the District's elimination contest for the 1953 Speaking Contest, sponsored by the Spenser Chemical Company, and the National Association of Soil Conservation Districts, will be held in Boyne City, Wednesday, October 21. The winner of the District contest will be the Charlevoix Soil Conservation District contestant in the State, Regional and National level if the contestant wins consecutively.

Harry Pearsall of East Jordan and Bill Korhase of Boyne City, have entered as contestants; while Wayne Saunders of Ironton and Carlton Smith of Charlevoix said they were interested and might enter also.

Harold Goebel also states that the Charlevoix Soil Conservation District is giving \$50 in prizes in the District Contest and urged more cooperators to participate. There is a National Grand Prize of \$1,000 plus an all-expense trip to the eighth National Convention at New Orleans, Louisiana, in February. There are also \$100 prizes in the regional level.

If any cooperator would like more information please contact any of the directors: Clyde Warner, Clayton Healey, Bob Reidel, Bob Straw or myself and Ed Reisman, county agent or Bill Grimm farm planner.

The topic of the speech is "Democracy at Work in My Soil Conservation District," and the speech should not be more than 20 minutes long.

Mr. and Mrs. Roy Sherman were Sunday guests of their son Richard and family in Grand Rapids.

Mr. and Mrs. Charley Shepard took their son Kenneth to East Lansing Sunday where he has enrolled at Michigan State College.

Barney Milstein took his sons James and Sam to East Lansing Sunday, they have enrolled in MSC for the fall term.

SCHOOL HI-LITES

SECOND GRADE Agnes Johnston

After a nice long summer vacation it is nice to be back in school with all of our little friends.

We are enjoying our room in the new building. Mrs. Johnston took us on a tour so we would know where to go for our different school activities.

Our room has been decorated with pretty flowers and autumn leaves.

During our discussion periods we have been talking about the many signs of fall. We are making a collection of fruit, vegetables, leaves, nuts and other things to put on one of our library tables. They tell us fall is here.

We are learning how to write Now that we are older, it is fun to write our names and our spelling words instead of printing them.

We welcomed Barbara Hoeman as a member in our class. Barbara attended school last year in Willow Run, Michigan.

Last Friday morning we enjoyed

STATE OF MICHIGAN

The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office, in the City of Charlevoix in said County, on the 18th day of September, 1953.

Present: Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Chester Shepard, deceased. Howard Darbee having filed in said Court his first and final account as Administrator of said estate, and his petition praying for the allowance thereof, and for the assignment and distribution of the residue of said estate to the persons entitled thereto,

It is Ordered, That the 27th day of October 1953, at 2:00 o'clock in the afternoon, at said Probate Office, be and is hereby appointed for examining and allowing said account;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once in each week, for three weeks consecutively, previous to said day of hearing, in the East Jordan News-Herald a newspaper printed and circulated in said County.

Floyd A. Supp Judge of Probate. 39-3

ed a movie on "Safe Living at School." We are going to practice some of the rules it told us about. Robert Hart brought the Children's Activities magazine to school for all of us to enjoy.

FOURTH GRADE Grace Galmore

The thirty-two boys and girls in our room in this first two weeks of school have shown a willingness to work which is commendable. In Science especially much interest was shown and many pupils brought specimens to show and discuss.

New to the school this year are two boys: Darrel Somerville from St. Louis, Mo., and Roy Dougherty from Byron. We are glad to have them in our room.

To help us make a good beginning in school we worked on the topics "What Makes a Good Breakfast" and "Safety Rules for Bicycle Riding." The girls studied in groups about food and made posters. The boys looked up safety rules and the best of these were copied on a chart by Dale Gee and Roy Dougherty.

David Pienta, Roy Dougherty, Roger Clark and Darrel Somerville brought stalks of cereal grains and several different kinds of corn.

Darrel brought one of the largest sunflowers we have ever seen and made a place card for our science table with the seeds.

Suzanne Malpass brought an interesting collection of stones; Nancy Lehrbass a collection of shells found on the beach by her. Others bringing stones were Beth Galmore, Jean Combest and Darrel.

For our lending library table several people brought books to share with us. Among those were Donna Mary Clark, Beth Galmore Bernice Misner, Nancy Lehrbass and Donald Metcalf.

Tommy Graham brought mat-

Under The Lights

FRIDAY
NIGHT

Red Devils Meet Rayders In First Conference Game

Going into their first conference game of the 1953 northern Michigan football season, the East Jordan Red Devils are expected to show more battle experience when they meet Charlevoix under the lights, 8 p.m. Friday at Charlevoix.

Stinging from a thrilling 13 to 12 defeat at the hands of a more experienced outfit from Traverse City, the locals have drilled throughout the week for the first conference test.

The Red Devils' defeat Friday was in no way an upset since the locals were carrying many inexperienced men in the line. The backfield, however, was managed by experienced men whose playing came within seconds of winning from a more experienced team last Friday.

In the coming game Friday night, Charlevoix's line is expected to be the heaviest in recent years, hitting the 180 mark with Larry Burns weighing in at 250 pounds holding down the center spot.

The Charlevoix tilt will be the Rayder's first under the lights on their own field.

NEW LIGHTS!

East Jordan Red Devils will be playing Charlevoix Friday night when the Rayders have special cause for celebrating.

Just before the kickoff the John Knight Memorial Fund Committee will present the high school with new lights for night football at Kipke Field.

The money for the new lights was donated to the fund in honor of the late Mayor John Knight who died several months ago.

Loop Teams

Six of the seven teams in the Northern Michigan class C league opened their 1953 football season with four scoring wins over non-loop opponents. Gaylord emerged victor over a traditional rival, Grayling, by a 32-0 score; Mancelona romped over Northport, 52-0; Pellston won over Cheboygan Catholic Central, 20-6; Harbor Springs trounced Lake City 33-0, and Boyne City bowed to class B Cheboygan, 33-6. Traverse City St. Francis defeated East Jordan, 13-12.

At Gaylord, the visiting Grayling eleven held the Blue Devils for the first period, but in the second quarter Quarterback Mike

Freel passed to End Jerry Hinkle in the end zone. In the third period it was Freel to Hinkle again. In the last period, Halfback Bill Gocha scored from the one-yard line on a hand off from Quarterback Sam Butcher. Later in the period the pair repeated the play. At Northport, Quarterback Dick Derrer racked up 38 of his team's 52 points as Mancelona scored eight touchdowns. Derrer scored the first three touchdowns on runs from the 35, the five, and a 55-yard put return. Late in the second period, Fullback Gary Shisler scored from the 12.

Fullback Johnny Schaffler opened Pellston's scoring spree in the second period on a line play from the five. Halfback Merlyn Davenport skirted right end and ran 50 yards to score the second touchdown in the third period. The same play worked again in the last period from the seven. Cheboygan's only tally came late in the game on a fumble recovery, with Lee Smith scoring from the one.

It was an aerial game all the way at Lake City as Harbor Springs scored all five touchdowns on pass plays. End Stan Pifer opened the scoring by taking a 25-yard pass in the end zone from Quarterback Tom Clark. The next time it was a pass from the six with Clark connecting with Pifer.

At Boyne City, the Ramblers' only score came at the end of the third period, as Left Halfback Chub Rothenberger ran 22 yards to score. It was Tom McGinn all the way as the speedy left halfback scored 21 points for Cheboygan.

Locals Drop Non-Loop Thriller To Traverse, Friday

East Jordan's Red Devils coached by Gayle Saxton dropped a heart-breaker Friday that they had won until the last five seconds. Traverse City St. Francis copped the game in a last minute spurt, 13 to 12.

With the Red Devils leading 12 to 7 Weber of T. C. slipped into the end zone and took a pass from Saunders for a five yard gain and the ball game.

Traverse City's Brammer kicked the extra point that won the game after Saunders broke into scoring with a 12-yard touchdown run in the second quarter.

In the third quarter Keith Evans Quarterback put the Red Devils into the game by plunging for the first local touchdown from the six yard line. A run for the extra point was no good.

Bob Romback put the locals into a 12-7 lead when he ran for a score from the seventh in the fourth quarter.

With less than a minute to go Weber gave T. C. its winning margin on a 5-yard touchdown sprint that capped a drive from St. Francis.

The locals' outstanding work came from the backfield where well planned plays sent Romback through center for long gains.

Traverse City's aerial spurts and end runs won them most ground while the Red Devils were capable of cracking their opponent's line.

ANNUAL MEETING Charlevoix County Farm Bureau October 20 Boyne City High School Secretary, Charles Mascho, R-1 Charlevoix 38x5

STATE OF MICHIGAN

Probate Court for the County of Charlevoix. In the Matter of the Estate of David John Whiteford, deceased. At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, September 14th, 1953.

Present: Hon. Floyd A. Supp, Judge of Probate.

The above estate having been admitted to probate and Vern Whiteford, of East Jordan, Michigan, appointed Administrator thereof;

It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on November 23rd, 1953 at ten o'clock in the forenoon;

It is Further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the East Jordan News-Herald, a newspaper printed and circulated in said County.

Cold Weather Does Not Hurt Your Calf

Cold weather — even freezing temperatures — does not hurt a calf if the animal is kept dry and away from sudden drafts, says Ed Rebman, Charlevoix county agricultural agent.

He cites the experiences of dairymen at Michigan State College to stress the point. Brown Swiss and Jersey cows have been kept in pen barns for two winters and calves have been born when the temperature was below freezing. The young animals have done well.

In the most severe weather the herdsman has placed a heat lamp over the newly-born calf for a day or two.

A lot of bedding is used at the M.S.C. dairy barns, however, reports Rebman. It builds up to a mat which adds warmth and comfort. In the regular calf barn where pens have concrete floors, a steel grating holds up the bedding about four inches from the floor. But, adds Rebman, a homemade device of heavy screen on 4 by 4's is cheaper and nearly as handy.

MSC's dairy department head, Earl Weaver, believes that a calf does better in an individual pen

Bulbs Inspected Before Selling

Act 189 of the Public Acts of 1913, as amended, requires that perennial flowering bulbs such as tulips, narcissus, hyacinths and lilies must be inspected and certified prior to being offered for sale. Growers producing such bulbs for sale must also be licensed under the same act. Likewise persons or firms who buy and sell flowering bulbs are required to have a plant dealer's license.

C. A. Boyer, Chief of the Bureau of Plant Industry, cautions all growers and dealers to be sure they have the proper licenses and that all bulbs have been inspected and certified before offering them for sale. If they wish to request such inspection service or obtain the necessary licenses, they may do so by contacting the Bureau of Plant Industry, Michigan Department of Agriculture, Lansing, Michigan.

until it is about four weeks old. The pen, he adds, should be 16 to 20 square feet. Then at older ages several calves can run together. Larger calves each should have at least 30 square feet. When a pen is overcrowded it gets too wet.

Weaver also suggests that calves should be confined at feeding time to get the right amount of feed.

REBEKAHS MEET

Jessamine Rebekah Lodge Meets
With the summer recess ended, the Jessamine Rebekah Lodge met at their hall on Wednesday evening, September 16th for a birthday supper. Nineteen members sat down to a table well filled with plenty of good things to eat.

After the supper, lodge was called to order by Noble Grand Beatrice Kopkau, with 34 members and one visitor from Boyne City present.

The charter was draped in memory of our departed sister, Christine Derenzy, and lodge was closed in form.

Having decided to quit farming, I will sell at Public Auction at my farm, one mile South of East Jordan on M-32, the following described property.

CATTLE

52 head of cattle, T. B. & Bangs tested; 13 cows milking at present time; 14 bred heifers, 11 heifers under a year old; 4 steer calves; 6 heifer calves.

- Holstein bull, from artificial breeding from Si Summerville herd, 20 months old, is eligible for registration if desired.
- Holstein cow, 2 years old, freshened August 31, 1953—open.
- Holstein cow, 2 years old, freshened July 27, 1953,—open
- Holstein cow, 2 years old, bred June 15, 1953.
- Holstein Cow, 5 years old, bred June 3, 1953
- Holstein cow, 2 years old, freshened July 25, 1953—open.
- Holstein cow, 5 years old, bred May 26, 1953.
- Holstein cow, 5 years old, bred June 26, 1953
- Holstein cow, 10 years old, bred August 27, 1953.
- Durham cow, 7 years old, bred May 30, 1953
- Holstein cow, 6 years old bred June 4, 1953
- Blue Durham cow, 7 years old bred May 24, 1953
- Guernsey cow, 7 years old, fresh July 31, 1953—open.
- Holstein cow, 5 years old, bred May 31, 1953
- Holstein Heifer, 2 years old, due December 1, 1953
- Holstein Heifer, 2 years old, due December 24, 1953
- Holstein Heifer, 2 years old, due November 11, 1953.

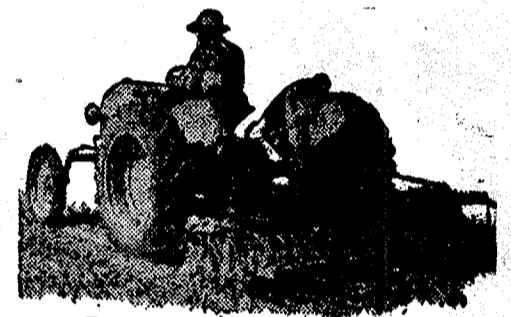

Feed and Grain 793 bushels oats and barley, mixed. Approximately 50 Tons of alfalfa and brume loose hay. 18 acres of corn, in field, will be sold in 3 sections.

Dairy Equipment Surge Milker 2 units—Like new. 10—10 gallon milk cans. 1—5 gallon milk can.

Miscellaneous Rubber tired wheelbarrow; 30 gallon iron kettle; forks, shovels, calf pails, milk pails, barn brush. And many, many other items too numerous to mention.

Farm Machinery

Ford Tractor, 1948 Model, new oversize tires, and 2 bottom Dearborn plow. Unit will be sold together.

- Dearborn double disc, 7 ft.
- Dearborn Drag, 2 section
- Dearborn 2-row cultivator
- Dearborn mowing machine, 7 ft. cut
- Dearborn buzz arbor, 30 in. saw
- McCormick field cultivator, 6 ft., one year old.
- Brillion cultipacker, 8 ft., like new
- IHC silo filler, with 50 foot tube, A-1 shape.
- Case Grain Drill, grass and fertilizer attachment A-1 shape.
- Coby manure spreader, power drive, 100 bu. cap., like new.
- Jamesway litter carrier, 50 ft. track, 25 ft. boom.
- Spike tooth drag, 2 sections.
- John Deere 2 row corn planter, fertilizer attachment.
- One-row potato planter
- IHC side delivery rake
- IHC all steel hay loader
- Dump rake
- 300 gal. gas tank, with 5 ft. standards
- Sears heavy duty farm wagon, 8 x 14 hardwood rack, good rubber
- Tractor chains, new 11-28
- 4 rope hay slings
- Small water tank, new
- Hudson barn ventilating fan, used 2 months.
- 54 sacks 0-12-12 fertilizer

Auctioneer's Comment: This is an outstanding herd of Holsteins—17 of these heifers are from artificial breeding—10 are bred back artificially. 16 heifers came from the John Wieland dairy herd of Charlevoix.

Bad News For Those Worm Fishers

Here's a bit of bad news for the angling fraternity that feels worm-fishing is the best way to angle for trout.

It is also good news for the fly-fishing clan, which will now have some actual, experimental evidence to throw around in their eternal rivalry with the worm fishermen.

Fisheries workers report that hooks used in worm fishing cause significantly greater death and injury to trout than do the hooks used in fly fishing.

This was the conclusion of Drs. L. N. Allison and David S. Shetter, who conducted a series of experiments during the last three years on a number of northern lower peninsula streams and at the Hunt Creek fisheries experiment station.

The two specialists, from the department's institute for fisheries research at Ann Arbor, presented their findings this week in a technical paper before the annual meeting of the American Fisheries Society in Milwaukee, Wisconsin.

In three experiments involving brook trout, fly hookings in each case caused death to less than four percent of all hooked fish, while three similar worm-fishing tests showed an average of more than 37 per cent mortality. More than 700 brook trout were hooked by each of the two types of lures.

Similar experiments on brown trout showed no deaths among 69 fly-hooked fish while about 20 percent of a nearly equal number of browns taken on worms died a short time later.

With rainbows, the case was about the same; 11 percent of fly-hooked fish died as against 35 percent of those taken on worms.

Trout flies generally contain the tiny No. 12 and 14 hooks, while worm fishermen generally use the larger No. 2, 4, 6 and 8 hooks. Of all hooks used the medium-sized No. 8 showed to be

Fire Danger Worse In Charlevoix Co.

Danger of life loss by fire is greater in Charlevoix county homes than in city houses, reminds Ed Rebman, Charlevoix county agricultural agent.

Rebman couples that warning with the announcement that Fire prevention Week is Oct. 4 thru 10.

On the basis of fire fatalities reported during 15 years, Rebman says at least 25 percent more lives were lost in rural dwelling fires than in similar conflagrations in cities.

For children, the percentage of difference was even greater—80 per cent more young people lost their lives in rural homes than in the city.

David G. Steinicke, extension farm safety specialist at Michigan State College, stresses that human carelessness is the underlying cause of virtually all fires. Although some of the great loss of life in rural areas can be attributed to lack of organized fire protection, much of it is due to the large number fire hazards which farmers allow to exist on their farms, notes Steinicke.

All of the principal fire hazards, he emphasizes, could be corrected. They include negligence in handling matches, careless smoking habits, defective chimneys and heating plants, sparks falling on flammable wooden roofs, lack of lightning rod protection and accumulation of rubbish in closets, attics, basements and other places.

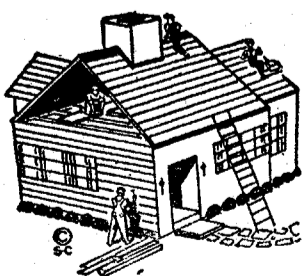

The greatest hazard of all, according to Steinicke, is the difference to fire which breeds carelessness about the causes of fires.

most physically damaging to fish. "The mortality from worm hooking," states a report of the experiments, "could be a factor in keeping trout populations at minimal levels."

A somewhat similar experiment was made in 1929, although the tests made at that time were somewhat less conclusive than those carried out by the institute workers.

The SERVICEMAN'S LETTER

Hi Fellas:
Ken Richards walked into the office the other day. He's home from the service now and working at the Iron Works. By the looks of him he is really working, too. You know how clean you keep around the foundry. Ken says England is a pretty good place to go if you must go overseas, but he says that it's a lot better here at home.

Do any of you men know Niles LaPeer? We've just learned that he's been in the service for some time and would like to receive the paper. His address is Pvt. Niles LaPeer, Hq Co, 224th Inf Regt, APO 224, c-o PM, San Francisco, Calif. How about writing us a letter, Niles, and telling us where you are located?

Another happy man, Dave Wade, is on his way home. He was supposed to leave Korea on September 12.

Jerry Olson has been promoted to Cpl over in Korea. He is now located at Camp Cassey about 20 miles from Seoul and has visited both Seoul and Panmunjon so must be somewhere between. Jerry

is with the Hq Co, 2nd Bn, 31st Inf Regt. Bob Pearsall has just recently been moved up to Panmunjon and is with the 558th MP Co. Perhaps you two can find each other. Bob was lucky enough to find both Dave Wade and Tuck Thompson when he was down near Seoul.

Harry Webster was still in Camp Sasebo the last we heard and is expecting to stay in Japan for some time. He is to be assigned to the C. B. R. School (Chemistry, Biology, Radiology). Harry had some tough luck in Sasebo. He was robbed of his watch and billfold one night after coming in off guard duty so tired that he slept real sound. He said they took it right out from under his pillow.

Bob Farmer is still at Itizuke Base near Kyushu. Bob is now in the 4th week of a 23 week radio school. Bob has been real fortunate to be selected for advanced radio training several times. He should have quite a complete radio education by the time he gets out of the service. Bob's address is: 6160th Comm Sqd, Box 91,

APO 929.

Bob Anderson has moved again. The USS Bexar is back in port near Sasebo on Japan.

Fred Holland is over in that vicinity by now too. He writes, "It sure is good to hear that you are up and around again and I'd like to congratulate Betty Jo on the wonderful job she did while you were convalescing. She did a wonderful job and deserves a lot of thanks."

I guess you can put me down on the Air Mail list again for right now we are about 800 miles West of Midway Islands and will be in Yokosuka, Japan the next 4 months I guess and starting back for the States sometime in January. But that is too far ahead to even care about, let alone think about.

We left Newport the 10th of August, arrived in Panama the 15th for 3 days, San Diego the 25th for 2 days, Pearl Harbor the 2nd of Sep for 2 days and Midway Islands the 7th for 6 hrs to refuel. So you can see that the trip has been pretty well broken up, which makes it very nice. So far we have traveled about 9,000 miles since leaving Newport a month ago and have about 1,500 more to go to Japan.

It's hard to say what we will be doing for our four months around Japan but we do know for sure that it will be pretty extensive operating and the type of operating depending mostly on the forthcoming truce talks.

I saw Jim and Gloria Meredith the day before we left Newport, also Gloria's brother, Bill. I'd like to congratulate Don Braman on his marriage and hope he and his wife are enjoying their married life.

Mail has been slow coming thru since we left Diego but I guess that is no reason for letting down on my end of the letter writing. I guess I better quit this and get started on some others. So Long, Fred Holland, RD 3, USS Cogswell (DD651) c-o FPO, San Francisco, Calif."

Thanks for the letter, Fred. In addition to Bob Anderson on the Bexar there is Delbert Folsom on the Electron out your way.

Don Braman went back to Newport on September 16th. He will send us an address later.

Just received word tonight to hold up the paper for Bernard Pearce temporarily. They're closing out the reception center at Fort Sill and Bernard is being moved to another camp.

Eugene Pearce and his new bride were in to see me this last week. Eugene has been home on an 18 day leave. Just long enough to get solidly hitched and is to be back in camp at Fort Bliss, Texas on September 26th. He's taking his new bride with him.

Don Brownell has arrived at a more or less permanent location near Pork Chop Hill in Korea. He landed at Inchon around the last of August and then went on in closer to the front. So far he has not seen anyone from EJ but is with several buddies from his old training camp in the States. His address is: Pvt Donald Brownell, Co A, 88th Inf Bn, (Hvy Mort) APO 264, c-o PM, San Francisco, Calif.

Two Grahams, Don and Bob are home together this week. They both have 28 day leaves but Bob arrived home 7 days sooner than Don. Don is on orders to report back to Camp Stoneman for shipment West. He says his whole company is leaving in that direction. Bob is due back in Fort Bragg on October 2nd.

Bob Saxton is changing camps. He will be leaving for Camp Lee, Virginia on September 26th.

Larry Streeter has a change of street address. His new one is: 427 E. Elm St., Oxnard, Calif. Larry is still working in radio out on the coast. His duty station is a small island off the coast. He is there on duty for three weeks steady and then has one week off at home.

Here's a letter from Maurice Vance. "Just a line to let you know of my new address. I'm still in Jacksonville — just a different hanger. Sure do enjoy the new paper. Hope to keep up with the football up there this fall. Maurice K. Vance, AM3, Box 36, VP-16, NAS, Jacksonville, Fla."

Well, we have a gal among our letter writers again. "Dear Jake I don't know if you remember me or not but thought I would write to you through the EJ News-Herald. I am Lawrence LaLondes daughter and sister to Nancy Healey. I joined the service in March of 1953 and so far this is my third base. I took my basic training at Lackland AFB for 12 weeks, then for further training at Keesler AFB, Mississippi. The 31st of August I was transferred here to Kirtland AFB.

I knew Charles Gothro was here also so I contacted him through the Base Locator, so now in my off-duty hours I spend some time with he and his wife, the former Anne Donaldson of Charlevoix. It sure seems good to talk with someone from "back home." I lived next door to Charles for several years. We are both the same age and we had a birthday the sixth of September. So naturally I spent the day with them. The first home cooked meal

I've had in six months and a chocolate birthday cake to top it off, simply great. I need not say how much I enjoyed it. That afternoon we took a trip up in the Jemez Mts. and back by the way of Santa Fe, which I enjoyed very much, interesting and exciting.

"While I was at the Gothros' one day I picked up the EJ News-Herald and was quite surprised to read about people I once knew, so decided to write to you.

"My experience as a WAF has been full of new things and I've seen and learned a lot in the past six months. We receive almost the same training as the men and also pull details including KP, altho discipline is more strict for a WAF. It is entirely upon you what you want to make of yourself and the way one conducts himself whether she needs the extra amount of discipline or not. All in all I will say it has been very interesting and I've enjoyed every minute of the time I have spent in the service.

"To any girl that would like to further her education and travel as well as have fun, it's a good life, even with the discipline. Not that I'm trying to recruit WAF's."

"If there is anyone that would care to write I will surely do my best to answer any letters. My address is: A-3c Clare Hamilton, 17th WAF Squadron, Kirtland AFB, Albuquerque, New Mex."

Don Trojanek wrote us on September 3rd from Munich, Germany. "Hi Jake — I guess it's about time I wrote you a line as I haven't written since coming to Germany. I have been getting the paper every week and really enjoy it a lot. The first thing I read is "The Servicemen's Letter." I see EJ is finally going to get a factory — sounds good.

"I came to Germany the last part of November and came right to Munich. You'll never guess what I'm doing. I started cooking in December and have been it ever since. I don't agree with most fellows that, "the cooks have it made" but it is a little better than a rifleman. At least there's no guard duty or details.

"One good thing about this outfit is that we don't go out in the field very much compared to some outfits. After the fall maneuvers I will have it made because I've only got four more months left over here. We're supposed to go out the 15th of this month for 13 days but I put in for a 14 day furlough starting the 15th so if I

get it all will be swell. I haven't taken any over here yet. I did have a couple of 8 day passes because that to Garmish. It sure was beautiful there.

"I've never run across anyone from home over here yet but always keep my eyes open because there are a lot of men come to Munich on furloughs. So Long, Cpl Donald L. Trojanek, Co B, 370 Armd Inf Bn, APO 46, c-o PM, New York, N. Y."

You didn't mention it, Don, but I notice that new Cpl in front of your name. Congratulations.

Jim Raymond writes from Forbes AFB, Kansas. "I guess it is about time to let you know how things are coming. I finally got back to the Old Hole, as bad as I hated to. I was going to come up and see you again before I went back but you know how the time goes when you've got so much to do and so little time to do it in."

"I supposed the weather is a little cooler up there now. It isn't too hot out here now. They've still got me driving truck hauling gas. It isn't too bad but it gets old after a while, just like any other job. I'm hoping I can get out of this state of Kansas. We are supposed to have an overseas shipment this month sometime. I sure hope so anyway."

"They are shipping all of the B-29s out of this base. This is supposed to be a B47 Base. I hope I'm not hauling gas for them. They haul quite a load."

"I'm getting the paper all right again and it sure seems good to get it. Thanks to everyone that has something to do with getting it to us. As Always, A-3c James E. Raymond, 815th Supply Sqdn Forbes AFB, Topeka, Kansas."

Sam Corwin, after being all over the Pacific and Korea and then home on furlough is now back in camp at Cherry Point. His address is: Pfc Samuel W. Corwin, SAES-2, Rifle Range, USMCAS, Cherry Point, North Carolina. If you get lonesome some time, Sam, look up Sgt Ronald Reno at SOS-2, GCA, MCAS, Cherry Point. He has folks here in EJ also.

Following is a bulletin from Army Home Town News Center: "WITH THE EIGHTH ARMY IN KOREA—Robert G. Cutler recently was promoted to sergeant while serving with the 5th Regimental Combat Team in Korea. A flexible, self-sustaining unit, the 5th RCT fought with every

division in Korea before the cease fire halted combat operations. The team has completed more than three years on the peninsula.

"Cutler, a member of Company K, entered the Army in May 1952 and arrived in Korea last January. He was last stationed at Ft. Riley, Kansas."

So Long Men, "Jake" Snyder.

F. E. A. NEWS

Three boys, two of them on the Supervised Farming Committee, went to George Nelsons', Walter Murphys and Tom Sheridans' to ear notch their little pigs. They also visited the Lyle Howard farm September 17th Mr. Schroeder, with Steve Hayden, Jack Zoulek, Bob Romback and Lester Howard,

Studying market reports and outlook information and knowing when prices are expected to be seasonally high is one way a farmer can help meet the price-cost squeeze, reminds Arthur Mauch, a Michigan State College economist.

Mr. and Mrs. Meryl Jones of Hazel Park spent the weekend with his mother, Mrs. Newton Jones.

Mr. and Mrs. L. E. Dibble of Houghton Lake and Mrs. Eva M. Dibble of Grand Blanc visited her sister, Mrs. Newton Jones, on Thursday.

gave a talk over the Gaylord radio station at 12:15, about the program of work carried on by the FFA. — Bob Prebble, reporter.
