TEN CENTS

Remember, It Happens In East Jordan

Six costly fires have hit East Jordan in recent years. It can happen again. Anytime. In the above photo at the top from left are: Rebec-Sweet Post No. 227, American Legion; East Jordan Fire Hall; Jordan Valley Cooperative Creamery. In the bottom row from left are: House fire at Chestonia where nine children were left homeless; burning of Isaman barn; and the fire at the Old Lakeside Restaurant. Real fire safeguards could have done much to reduce the amount of damage done by these costly fires.

OVER THE BACK FENCE

By Marshall

This is national newspaper week. And it offers wonderful opportunity to say that quite often an editor meets someone who does not understand the primary function of a newspaper.

Often a newspaperman is asked to publish something that should never appear in a newspaper. All readers should understand that a newspaper should never invade rights or private feelings without sure warrant of public right as distinguished from public curiosity.

By every consideration of good faith, a newspaper is constrained to be truthful. It is not to be excused for lack of thoroughness, or accuracy within its control.

The little, annoying mistakes found in name spelling, improper dates etc., have been checked time and time again only to be found that the person bringing in the news themselves made an error.

When visitors are here a few days from Detroit and the hosts bring in an item about it, spelling the names wrong and giving the wrong address, there is little the newspaper can do about it.

And we are best at tearing our hair when someone comes in to say: "Don't call him John. That's his real name but everyone knows him as 'Bub'." If you call him John no one will know who you are talking about." Every newspaperman in the country has fought this incorrect name business.

It is almost automatic in the newspaper business for the family or friends of a person in a "scrape" to say: "Don't print a thing about it, just let it go."

To which we answer: If a person gets into serious trouble and the newspaper has been given no authority to print the truth, vicious rumors crop up and spread fire-like. The rumors grow and the whispered story is all out of proportion and serious harm is often done to an otherwise mildly innocent person.

It is much better to have a truthfully printed story quoting authorities than to let whispered rumors ruin a man or woman's life in a community. All newspapermen are faced with this problem.

We promise not to let our hair down again until National Newspaper Week rolls around next year.

East Jordan Fire Department Offers Constant Protection

Firemen Improve Service With New Fighting Methods

There is no time like Fire Prevention Week to give a pat on the back to the East Jordan Volunteer Fire Department.

One of the most efficient fire departments in the north, the local firemen serve without regular salary and offer a means of protection sometimes overlooked.

The firemen are often called on emergencies other than fires. It is a quick way to assemble men when they are needed and the department never fails to respond when the need is urgent.

Holding regular meetings, the department members repair and clean the equipment, clean up the fire hall, discuss methods of fire prevention, study safety rules over the latest methods of fire fighting and control and attend fire and safety schools.

Sherman Thomas is fire chief with Tom Breakey as assistant. Roy Gokee is captain of the department. The organization has two treasurers, Marion Jackson is social treasurer and Hugh Gidley is financial treasurer. Joe Nemecek is secretary of the group keeping all records and accounts as well as acting as a fireman.

Gidley, although not an active fireman, handles the department's payroll. The men are paid only for the time they are on duty at a fire, but are not paid for emergency runs.

The department's 12 firemen are: Sherman Thomas, Merle Thompson, Gus Anderson, Leo Sommerville, Ole Hegerberg, Tom Breakey, Roy Gokee, Marion Jackson, Joe Nemecek, Louis Peterson, Ed Kamradt and Gib Sturgell.

Seldom is there a fire out of town but what Conservation Officer Julius O'Brien is on the spot with two-way radio assistance.

O'Brien told the News-Herald that up to August of this year Charlevoix county had 5 open fires outside the communities

which destroyed less than 10 acres of land. Antrim county for the same period had 10 fires which destroyed 103 acres of land.

The East Jordan fire department reported this week that its members are well pleased with the action of the general public during fires. The firemen have had little interference by autos in the path of the fire truck or curiosity seekers who might hamper work of firemen fighting a blaze.

East Jordan in the past has had several highly expensive fires. But with the constant improvement of the department's efficiency and the cooperation of the general public, the number of serious fires are growing less each year.

But during this fire prevention week the department warns all residents that a person can never be sure that he is completely immune from fire. Constant safeguards and proper fire fighting equipment are a must for our city and farm dwellers.

LETTER BOX:

Dear Editor,
Your editorial of September 17th in regards to our county fair problem, maybe you could add a few more words. Have you been out past the fair grounds lately? What a sight to see! OLD GLORY still struggling faithfully on.

What an insult to a grand old flag.

Expect Annual Fair Meeting Will Draw Fire Monday

Three Local Men To Report For October Draft

The following named men have been ordered to report to the Draft Board Office, in the City Hall, Charlevoix, on the 22nd day of October, at 8:30 a.m. 1953, for transportation to the induction station for pre-induction physical examination.

Larry D. Waggoner, Floyd A. Johncheck Jr., Frank C. Leist, of Boyne City. William J. Shaw, John D. Malpass of East Jordan. Walter H. McCauley of St. James. Elra D. Hersha of Ellsworth.

The following named men have been ordered to report for induction into the Armed Forces, on October 6th: Ronald J. Cunningham, of Charlevoix, Max D. Sommerville of East Jordan.

Legion Names Women Delegates To Fall Meet

The American Legion Auxiliary Unit 227 named delegates to the American Legion Fall Conference, at Lansing, Oct. 3rd and 4th. Bernadine Brown and Grace Premoe, will represent Unit 227.

Following a short business meeting a birthday party in honor of Gusta Hayes, was held. A cake donated by Thora Kotowich was served. Gusta received several pretty as well as useful gifts.

Now that summer has passed and most of us have recuperated from the hot weather we should begin to take interest and an active part in our Auxiliary work. Plans for our Christmas program and other important projects should soon be getting organized, but the committee chairmen and officers cannot do this work alone.

They will need the support of all the members of the Unit. Any organization is only as good as its members make it. So why not start attending meetings and show officers and chairmen that you are behind them 100 per cent.

The Auxiliary has always had the interest of the community at heart and has earnestly strived to make it a better place in which to live. If we are to continue doing good we must have every member contributing some of their time and effort toward this goal. A few can not carry on for the entire Unit.

The next meeting will be Tuesday, October 13. Let us all make a special effort to attend this meeting with everyone present expressing their views and opinions. That is what creates interest in any meeting, every member taking an active part.

Secretary Asks Public For County Fair Criticism

The financial statement will be read and new directors elected at the annual meeting of the Charlevoix County Agricultural Society Monday night.

The meeting has been called for 8 p.m. at the East Jordan high school by fair secretary Ed Rebman.

Residents Hear Rep. Knox At Local Dinner

Twenty-five local businessmen and residents Monday heard U. S. Representative Victor Knox discuss current affairs in Washington at a luncheon held at the Anchorage restaurant.

Rep. Knox was introduced by Guy C. Conkle, Jr., chairman, Charlevoix County Republican Committee.

Following his talk, Rep. Knox conducted a question and answer session during which several residents learned something of the high cost of government, methods now being used to lower the national debt. A national tax picture was also discussed.

With College Choir

Among the 52 students named to the Central Michigan college varsity choir is one from East Jordan. She is Carol Ann Gilpin.

Choral members are selected by auditions open to all college students.

The choir will be under the direction of Dr. Eugene F. Grove formerly head of the music department at Alma College.

SCHOOL NEWS

Steve Hayden, Injured Player, Ranks High In Senior Class

Steve Hayden, senior class president, is now in Charlevoix hospital with a compound fracture of the left leg which he received while playing in the Charlevoix-East Jordan football game Friday night.

Steve is president of the local chapter of the FFA. He is the son of Mr. and Mrs. Frank Hayden of East Jordan.

He is an outstanding student, ranks in the upper 10 percent of his class, is a member of the student council, FFA President, Na-

tional Honor Society, class president and an all-around good citizen of the East Jordan High School. Steve in the past few years has ranked high as an athlete, participating in football, basketball, baseball and track.

Residents and businessmen are contributing to the "Steve Hayden Fund."

The Parent Teachers Club held its annual Harvest Supper with over 200 parents, teachers and children attending. After the supper the adults held a short business meeting followed by entertainment which consisted of (Nan Drapeau, Margaret and Martha Lord) and a Movie "Skippy and his 3R's."

The children went directly to the hand room where they saw a movie "Brush Country Adventure."

Betty Roberston, local community nurse, attended the Northern Regional Public Health Conference held at the Conser-

The secretary said Wednesday: "This is a chance for anyone to present criticism of the fair."

"The past annual meetings have seen very few if any present. If you have something to say this is the time and place to say it."

The secretary said also that: "Everyone who purchased a membership ticket to the Charlevoix County Fair and all others who are interested in this fair should be present."

The financial statement will be read and the ballot boxes will be opened to elect new directors and all other business pertaining to the fair will be taken care of.

The East Jordan News-Herald suggested editorially in a recent issue that those residents of the county who feel that something can be done about the county fair, attend the annual meeting.

It is expected that this annual fair meeting will see one of the largest turnouts in recent years.

FFA Active

The East Jordan chapter of the FFA and the Soil Conservation District are building a soil runoff plot on the Hiram Brock farm. The Farm Shop boys are going to dig a hole 28 feet long and 4 feet wide and 5 feet deep. Four cement tanks will be placed in the hole and serve to catch run-off water and soil from the four respective plots of ground.

Monday, September 21, was the big day for the Juniors. The class rings finally arrived. Mrs. Palmer delivered them to the school during the noon hour.

October 10 there will be a bake sale at Sommerville's starting at 10:00 a.m., sponsored by the Seniors.

The proofs of Senior pictures came September 21 and were passed out to the Seniors who received shocks and surprises at seeing them.

Vaun Ogden was elected president of the East Jordan Teachers Club.

Other officers are: Vice-president, Mrs. Marguerite Stokes; Secretary, Mrs. Ollie Richardson; Treasurer, Mrs. Isabel Sidebotham.

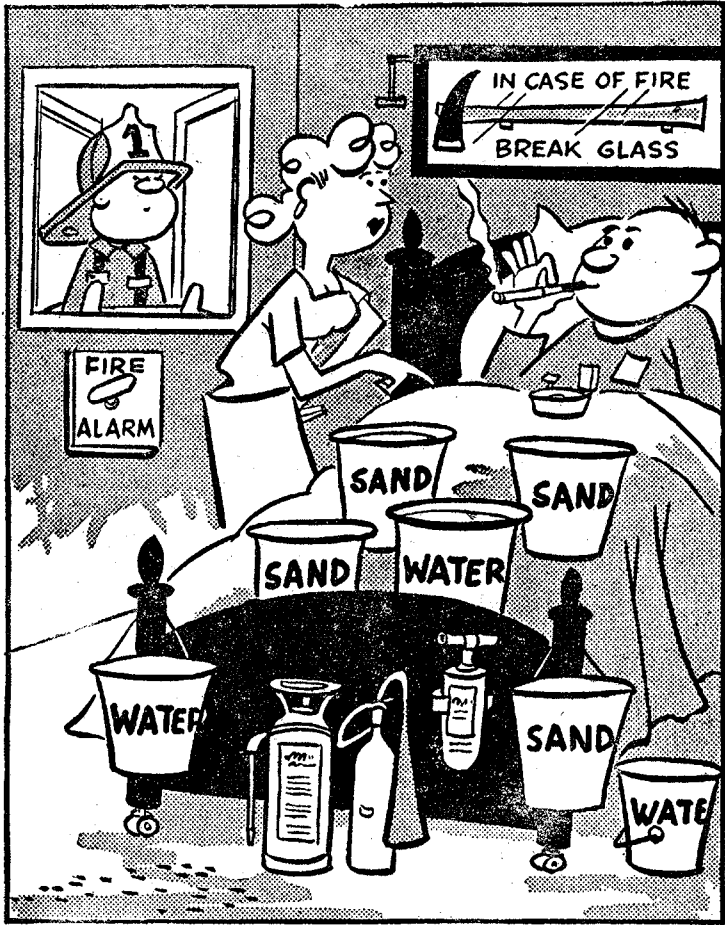

Program Committee: Marguerite Stokes, Kenneth McKay, Albert Ngsman, Cheer Committee: Betty Robertson, Cora Seiler, Clar Brown. Public Relations Committee: Leatha Larsen, Adeline Bowerman, Harry Jankoviak; Social Committee: Mildred Karr, Sadie Liskum, Max Damoth.

Sixteen girl candidates turned out for cheerleading duties. Four regulars and two substitutes were chosen. The girls chosen are: Regulars: Chonnie Sommerville, Bethany Whiteford, Margaret Lord and Marion Danforth. Substitutes are Marie Neilson and Judy Dresel. The girls were judged on their ability, personality, conduct appearance, leadership and cooperation.

Members of the Student Council served as judges. Chonnie Sommerville received the most votes and therefore was chosen captain. This is the first time in recent years that a sophomore girl has held the responsibility of being captain of the cheerleaders. This position is usually held by a junior or senior.

EDITORIAL NEWS

One Year This Week

We are happy that nation's publishers chose "An Informed Press—An Informed People" for this year's National Newspaper Week slogan, October 1 to 8.

This national recognition of the country's press comes at a time when the East Jordan News has completed its first year of operation.

July 27, 1953, the News purchased the Charlevoix County Herald with the hope of greater service to the people of East Jordan and Charlevoix County.

"An Informed Press—An Informed People." In a large sense that was the basis upon which the News was founded one year ago.

It was, and still is, the firm belief of the publisher, that the people of East Jordan and Charlevoix county have an inherit right to be completely informed on all phases of public activity.

Our residents have demonstrated clearly that they demand an informed press in order they themselves might be accurately informed.

To this extent the people of East Jordan and surrounding area have done an outstanding job of supporting their home town newspaper—news-wise, circulation-wise and advertising-wise.

The health of a newspaper is often judged by the number of hometown advertisers continuing to use space week after week. And in this respect East Jordan takes a back seat for no other community in northern Michigan.

In return the readers will continue to receive accurate reports of major news events affecting the city and area as well as intensive promotion of all civic activities affecting the welfare of our people.

The people of the city of East Jordan are to be congratulated for creating and supporting their hometown newspaper—making possible: "An Informed Press—An Informed People."

Looking Backward

Reviewing The News

September 20, 1913

Wednesday, September 10, marked the fiftieth milestone in the married life of Mr. and Mrs. Godfrey MacDonald of Ironton. Mr. and Mrs. MacDonald are among the first settlers in Charlevoix county having come to this country from Wisconsin, about forty-five years ago, when the country was practically a forest wilderness. They settled first near East Jordan. For the past thirty-two years have resided at their present home near Ironton. They have six children.

Com'r J. H. Wilford and truant officer William F. Bashaw have been busy visiting some of the schools in the county this week.

The Commercial Hotel is being raised on its foundation and other repairs made.

Work of paving North Main St. was commenced last Monday and the curbing is already under way.

A pretty wedding took place on Saturday night at the home of Mr. and Mrs. Jasper Warden when their daughter, Miss Oattie was united in marriage to William Scheffels. The ceremony was performed by Rev. T. Porter Bennett the couple were attended by her sister Miss Eunice Warden and Vern Anderson.

Announcement was made Tuesday that Mrs. Daniel Williams, keeper of the Harbor Point light-house on Little Traverse bay for 21 years, and for 15 years previous keeper of the Beaver Island 1 after which she and her husband will reside in Charlevoix. Mrs. Williams is known as the only lady light-house keeper on Lake Michigan and is the author of "The Child of the Sea." A book written about her own life among the Mormons under King Strang on Beaver Island.

Hugo J. Guerner, 33, met instant death at Battle Creek, September 17 when the auto in which

he was riding crashed into a through passenger train. Sears Silver Black Fox Ranch of the South Arm of Pine Lake, near Eveline Orchards, has been opened with 30 fine Silver Black foxes.

The residence of Neil Somerville on the West Side was badly damaged by fire, smoke and water Monday afternoon. Most of the household effects on the first floor were saved. The fire evidently originated from a heating stove, no one being at home at the time.

September 22, 1933

Miss Helen Springstead and

George Klooster were married September 16 at the M. E. Parsonage by Rev. James Leitch. They were attended by Mr. and Mrs. Lester Trenary, sister of the bride. They will make their home at the Klooster farm north of East Jordan.

Mr. and Mrs. H. P. Porter and son Bill and Bill Parks, son of Dr. and Mrs. W. H. Parks of Petoskey, left Sunday for Northfield, Minn where Bill Porter will enter his freshman year and Bill Parks his second year at Carleton College.

Miss Beverly Moore and Laurence Detlaff were married September 16. The bride was attended by her sister Meria Moore

NOTICE OF SALE \$193,000.00

CITY OF EAST JORDAN, COUNTY OF CHARLEVOIX, MICHIGAN GENERAL OBLIGATION SEWAGE DISPOSAL SYSTEM BONDS

Sealed bids for the purchase of General Obligation Sewage Disposal System Bonds of the par value of \$193,000.00 to be issued by the City of East Jordan, Charlevoix County, Michigan, will be received by the undersigned at his office in the City of East Jordan, Michigan, until 8:00 o'clock P.M., Eastern Standard Time, on Tuesday, the 13th day of October, 1953, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1953, will be coupon bonds of the denomination of \$1,000 each, numbered consecutively in the direct order of their maturities from 1 to 193, inclusive, and will bear interest from their date at a rate or rates not exceeding four and three-quarter (4 3/4%) per cent per annum, expressed in multiples of 1/4 of 1%.

Said bonds will mature serially as follows: \$ 5,000.00 September 1st of each year from 1955 to 1958, inclusive; \$ 6,000.00 September 1st of each year from 1959 to 1962, inclusive; \$ 7,000.00 September 1st of each year from 1963 to 1966, inclusive; \$ 8,000.00 September 1st of each year from 1967 to 1969, inclusive; \$ 9,000.00 September 1st of each of the years 1970 and 1971; \$ 10,000.00 September 1st of each year from 1972 to 1974, inclusive; \$ 11,000.00 September 1, 1975; \$ 12,000.00 September 1st of each of the years 1976 and 1977; \$ 14,000.00 September 1, 1978.

Both principal and interest will be payable at Detroit Trust Company, Detroit, Michigan.

Bonds numbered 1 to 10 inclusive, maturing in the years 1955 and 1956, shall not be subject to redemption prior to maturity.

Bonds numbered 11 to 193, inclusive, maturing in the years 1957 to 1978, inclusive, shall be subject to redemption prior to maturity: the option of the City in inverse numerical order on any interest payment date on or after September 1, 1957, at par and accrued interest plus premiums as follows:

\$30.00 on each bond called for redemption on or after September 1, 1957 but prior to September 1, 1962; \$20.00 on each bond called for redemption on or after September 1, 1962 but prior to September 1, 1967; \$10.00 on each bond called for redemption on or after September 1, 1967 but prior to maturity of the bond.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds so called for redemption shall accrue after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from November 1, 1953 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City.

These bonds are to be issued pursuant to the provisions of Section 7 and 8, Act 320, Public Acts of Michigan, 1927, as amended for the purpose of paying the cost of acquiring and constructing sewage treatment plant, intercepting and collecting sewers, and all works, instrumentalities and properties necessary and appurtenant thereto, in compliance with the order of the Water Resources Commission of the State of Michigan, and Decree of the Circuit Court of Charlevoix County, State of Michigan, entered on May 18, 1953, and are a general obligation of the City of East Jordan, a municipal corporation, which is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay the bonds and interest thereon without limitation as to rate or amount.

A certified or cashier's check in the amount of \$3,800.00 drawn upon an incorporated bank or trust company and payable to the order of the City Treasurer must accompany each bid as a guaranty of good faith upon the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. Executed bonds will be delivered to the purchaser without expense. Bonds will be delivered at Detroit, Michigan, or at such place as may be agreed upon with the purchaser.

No proposal for the purchase of less than all of the bonds, or at a price less than their par value will be considered.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

To the cattle feeder, getting the kind of cattle which fit the feed supply, feeding program, and proposed time of marketing will be especially important this feeding season.

It will be good business to maintain a source of cash or credit where money can be obtained quickly if necessary.

Watch the harvest price of corn. If it is as much as 25 to 30 cents below the loan rate of \$1.61-\$1.64 a bushel in Michigan, it will be wise to buy enough to carry you through the year.

A new change in the tax law has been made to encourage farmers to construct grain-storage facilities. The act provides that the cost of constructing, reconstructing, or erecting any corn crib, grain bin, grain elevator, or similar structure suitable primarily for the storage of grain produced by the taxpayer may be amortized (depreciated) over a period of 60 months, instead of over the usual 18 to 30 years.

The U. S. Department of Agriculture advanced the maturity date from April 30 to February 28, 1954, for loans on 1953 crop price-support beans in Michigan, and increased from 16 to 18 percent the maximum moisture allowance for beans eligible for support.

The farmer's share of the consumer's dollar is currently about 44 cents—compared with 47 cents a year ago, and a war-time high of 54 cents.

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?"

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all

fixed up—and there's enough money for some new books, too. From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors.

Why Milk Is Rejected At Some Milk Plants

Milk cans exposed to dust, although covered with conventional lids, may take in enough dust to cause a rejection of milk at the plant, says Ed Rebman, Charlevoix county agricultural agent.

Dairy farmers should take care he cautions, to see that both the lid and can are in good condition.

Donald L. Murray, extension dairyman at Michigan State College, suggests that both cans and lids should be checked often. If they are not in good condition they should be re-tinned or discarded.

Another offender in damaging milk quality, reports Murray, is milkstone in cans. He advises that the farmer should use milkstone remover on his cans as often as needed.

The dust problem in other areas is more acute than in Michigan, however. In some places dairymen are advising farmers that the umbrella or plug lid is not adequate. The specialists there are encouraging the use of a plastic topper or a rubber cover.

Since the conventional lids give limited protection, Murray notes, the cans should be placed out of the way of dust and dirt at all times.

Red Devils Meet Onaway In Non-Conference Breather

Coach Gayle Saxton will take his East Jordan Red Devils to Onaway Saturday where the locals will play their second non-conference game of the current season.

As a non-loop breather, the game will give Saxton an opportunity to try out some of the less experienced players and to improve the work of the line and defensive action.

Faced with a small turnout this season and now player injuries, the locals have lost no spirit or drive. There is every indication that the Red Devils will improve in all positions and become a stronger conference threat before the season closes.

Much talked about conference foes are Mancelona and Charlevoix. Mancelona whipped Harbor Springs last week, 37 to 12. The Ironmen ended the first half with a 24 to 0 score.

In the third period Mancelona's Derrer went over from the seventh. A few minutes later he sped 17 yards around end for his fourth touchdown of the day.

Coming back strong in the final quarter, Harbor Springs scored twice, but time ran out before they could begin to worry the Ironmen.

Little Pellston is another conference team to watch. They held Gaylord to a 7 score tie and proved that Hornets from the north are liable to sting some unsuspecting conference teams.

Fresh from a 25 to 6 drubbing by non-conference St. Francis, of Traverse City, Boyne City will face the men at Mancelona where an Ironmen upset is highly unlikely.

Nine Players

Officials from four high schools Monday asked Supt. of Public Instruction Clair L. Taylor to reinstate nine high school athletes barred from prep sports for accepting minor merchandise awards.

The school officials, in a surprise move, told Taylor they believed the controversial awards rule was confusing to both the youths and school officials alike and that their suspension was too "harsh" a penalty.

Taylor said he would take the testimony presented at the unprecedented hearing under study and rule on each case later. Taylor immediately went into a huddle with 11 members of the Michigan High School Athletic association's 14-member representative council and Charles Forsythe, state director of prep athletics, to review the MHSAA's original hearing on the cases.

Nine of the 10 youths ruled in-

eligible by the MHSAA's executive committee testified at the two and one-half hour rehearing. The tenth youth from Menominee did not appear but an attorney presented a letter from the boy requesting that he be reinstated.

Officials from Hastings High, Escanaba High, Escanaba St. Joseph High, and St. Clair High made formal requests to Taylor

Locals Drop Second Contest As Team Suffers Injuries

A broken leg, injured players and many penalties marked a rough and tumble football game at Charlevoix Friday night which saw the Rayders out point the Red Devils, 13 to 0.

Charlevoix picked up a touchdown in the second quarter and added another in the third quarter, but lost a third scoring opportunity when the locals stopped them short of the goal line.

Hampered by injuries and some inexperienced players the locals showed good backfield work although the line gave way to the Rayders power.

East Jordan's defensive work showed much improvement over the season's opening game with St. Francis, of Traverse City.

Loss of Tackle Steve Hayden who broke his leg during the game and Fullback Bobbie Romback who did not have full playing time

What, No Black Cats?

We refuse to believe in evil signs but they are pointing at us, anyway.

Steve Brennan received a compound arm fracture while practicing with the Red Devils and the team lost 13 to 12. Steve Hayden received a compound leg fracture and the team lost 13 to 0.

Two Steves, 2 compound fractures and two 13 scores.

due to a nose injury helped weaken the Red Devil's defense against a strong Rayder outfit.

East Jordan held the Rayders to a scoreless first period and it wasn't until the second period that Joe McDermott broke loose from the 20 to open the scoring.

Don Smith kicked the extra point. McDermott scored again in the third quarter with the Red Devils blocking the kick for extra point.

Hi Fellas:

Army Home Town News Center in Kansas City, Missouri sent us the following bulletin dated September 25th: "With the 7th Infantry Division in Korea—Raymond R. Romback recently was promoted to sergeant while serving with the 7th Inf Div in Korea. The 7th Division made the amphibious landing at Inchon in September 1950 and carried the fight to the Communists in every sector of Korea from Pusan north to the Yalu iver. Since the cease fire, the division has been constantly training to maintain peak combat efficiency."

"Set Romback, an operations clerk in the 31st Regiment's Headquarters Company, entered

the Army in February 1952 and completed basic training at Camp Breckinridge, Kentucky."

Raymond's present address is: Hq, Hq, Co, 31st Inf Regt, APO 7, c-o PM, San Francisco, Calif.

We finally have a good address for Mike Brennan which indicates that he has reached his post in Korea. Pvt M. T. Brennan, 160th Inf Regt, 40th Inf Division, APO 6, c-o PM, San Francisco, Calif. How about a letter, Mike. What are they doing to you over there?

An army post card form informs us that WOJC Murray R. Nelson is now in Company A, 22nd Infantry, APO 30, c-o PM, New York, N. Y.

Bill Streeter has reached his destination in the East. His new address is: A-2c William A. Streeter, 7th Radio Relay Sqdn, APO, 16, c-o PM, New York, N. Y. Do you suppose you could drop us a line, Bill, and let me know how much I can put in this column about you?

A letter from Gene McPherson informs us that he is now in Castle AFB, California. "Hi Jake—How's every little thing back in EJ? Out here on the coast everything is about the same. I'm at a different base now (my permanent base). It's at Castle AFB about 7 miles from Merced. I like this one better than my last 2 bases. I was hoping on being stationed nearer to home but that's the way it is in the service."

While working on the gates the other morning I ran into Stanley Antoine. I don't mind this Air Police work but the idle time does not go very fast. I was planning on going overseas but from what is being said around here I'll be lucky if I get off this base by the time I get through.

"Say by the way, how are the mosquitoes there. Out here at night they almost carry you off. I have been getting the paper right along but now have a new address. It is: A-3c Gene McPherson, 93 Air Police Sqdn, 93 Air Base Gp, Castle AFB, California."

I'm glad you ran into Stanley, Gene. Your mother sent me a note with your new address and I was going to put you on to Stanley this week, but you beat me to it. The mosquitoes are terrific here this year too. We had a couple of B-47s in our bedroom last night.

Here's a new address for Gene's brother Dean who is over in North Africa at an Air Base about 14 miles from Casablanca.

A-2c Dean McPherson, 7280 A-C Rep Sqdn, APO 30, c-o PM, New York, N. Y. Dean has been hospitalized since September 1st because of a back injury. His folks have not been notified as to the extent of the injury. He sure would be happy if some of you fellows would write to him or if anyone is in that vicinity.—be sure and get over and see him.

Hershel Young has left the states again. He was due to leave for Cuba on the 22nd or 23rd of September. He will rejoin his outfit—the Navy 214.

I'm sorry you haven't been getting your paper regular, Joe Hammond. The address we were given contained a c-o PM, New York, N. Y. in it which seems to what was wrong. Joe's real address is: B. T. 3, 2nd Division, USSLS 533, c-o Naval Ship Yards, Portsmouth, Virginia.

Here's a new man in our midst. Anyone remember Orville Nelson. He's now a private in Btry B, 54th Armd FA Bn, CCA at Fort Knox, Kentucky. If you get lonesome, Orville, you can find Al Chanda in Hq & Hq Co, 45th Armd Med Bn; Bob Stanek is in Btry C, 4th Pit of your FA Bn; Larry Huckle is in Co B, 367 AIB.

Bernard Pearce has settled down at 603 North Fifth Street, Fort Smith, Arkansas. No news as yet as to what he is or will be doing.

Jim Lewis will be home this Wednesday and is due to leave for Germany, via Camp Kilmer, next Tuesday October 6th.

Robert Graham, after a pleasant furlough at home with his family left last week for his old station with Btry B, 663rd FA Bn, Fort Bragg, North Carolina. Bobs brother Don is due to leave for Camp Stoneman this week.

Ralph Hott has moved up to Fall River, Mass. where he can be found at 144 Grove Street. How about another letter, Ralph. What are you doing up there?

Jim Arnott has evidently finished his schooling at the Philadelphia Navy Yard as we have here a new address for him on the CGC Cook Inlet, Portland, Maine. What's cooking, Jim? (I really didn't mean that for a pun—it just popped out)

Bob Bundy has arrived somewhere overseas from Camp Stoneman and his new address now is: A-3c Robert L. Bundy, 40th Fighter Interceptor Sqdn, Box 161, APO 984, c-o PM, San Francisco, Calif. Can you tell us where you are, Bob?

Here's a short letter from Miles Prevo. "It has been so long since I have written to you that I al-

most forgot how to spell your name. Well, I am still in Old Hanau, Germany and have been here almost two years now. I have one more year to go yet. I am still in the same camp here. It is nice in the day time but it is sure cold at night. They have changed me from the 304th to the 88th Ord now. It is the same company only the number is changed. Cpl. Miles A. Prevo, 88th Ord HM Co., APO 46, c-o PM, New York, N. Y." Thanks for the letter, Miles.

Lyle (Pee Wee) Peck writes from Korea—"I got the paper the other night and there was a little piece of paper in it. Cy wanted to know what I was doing over here. So guess I had better write and tell him."

"This will come as a surprise to you I know. I am cooking and I wouldn't give it up for any other job in this Army. I sure do like it. It is something I have always wanted to do. The other reason is no guard duty. Boy! I sure hated that guard. But now I just cool it at night."

I won't know the old town when I get back with all the new plants and things coming in. Now maybe I can stay home and work instead of going down below. I sure don't want to leave all those fish for someone else.

"I am going on R & R the 17th of this month. I sure will be glad to get out of this place for awhile. After this little R comes the big R. I am supposed to come home in about 5 months. That will be the day."

"This company I am in has moved all the way across Korea. That isn't very far but we have moved it. We just got through moving again. If we ever stopped moving I wouldn't know what to do."

"Guess that's about all. Tell Cy to write more next time, Pfc Lyle R. Peck, Co. C, 578th Engr Bn, 40th Inf Div, APO 6, c-o PM, San Francisco, California."

On September 15th Bob Anderson was in Nagoya, on the East coast of Japan about 24 miles from Tokyo. His ship, the USS Bexar was in port there with the cruiser Quincy. Nagoya is about 55 miles square and was one of the heavily bombed cities during the last war. Bob says, however, that the major portion of the city is about all rebuilt.

Here's a letter from Norman Beal. "Just a few lines tonight

to let you know that I have been receiving the paper regularly and sure enjoy it a lot.

"I got to see Paul Wilson the other day and it sure was good to see someone from home. His outfit moved up only about eight miles from my Battery but now I have moved and we are about thirty-five miles apart. We hope to get together again."

"If nothing happens I should leave for home in October sometime. It sure will seem good to get back in the States again. The days are hot here now but it gets pretty cold at night."

"Well, it's getting dark and we can't use any lights at night so will say So-Long and I will be in to see you when I get home. Pfc Norman Beal, C Btry, 143 FA Bn, 40th Inf Div, APO 6, c-o PM, San Francisco, California."

Guess that's enough for this week.

"Jake" Snyder.

Robert Trojanek went to East Lansing Thursday where he has enrolled for his senior year at Michigan State College.

Mr. and Mrs. Herbert Anderson of Detroit spent the week end guests of Mr. and Mrs. Theodore Malpass.

MEMORY

In loving memory of our dear husband, Floyd Lundy, who passed away October 1, 1951, two years ago today.

A precious one from us is gone, A voice we loved is still. A place is vacant in our hearts, Which never can be filled.

The years may wipe out many things,

But this they'll wipe out never; The memory of those happy days When we were all together.

WILKINS SAYS:

STOP FIRES BEFORE THEY START

HERE'S HOW...

The best time to fight fire in your home is now! Don't give fire a place to start. Most home fires start in these places: overloaded electric outlets; "junk" in cellar, attic, or closets; frayed electric cords; ordinary extension cords; on heaters, irons; smoking in bed; matches left near children; chimneys that spark; not squashing out cigarettes; flammable cleaning fluids.

Get rid of the fire hazards in your home... or the next home that burns may be your own! 9 out of 10 home fires are preventable!
