TEN CENTS

OVER THE BACK FENCE

BY MARSHALL

Pitcher Weisler of the New York Yankees you heard described over the Radio the other day when they played Detroit is a cousin of Oscar Weisler of Thrift Super Market.

Only the idle rich and the idle poor can afford leisure during these times.

Rotary club members are being asked not to forget the pot luck picnic next Tuesday night at the Tourist park. Everyone is welcome along with Rotary Anns. Visitors have been welcomed.

This may help you and again it may not do a thing for you, but there are two more million women than men in United States.

Silver dollars have vanished in any quantity in all states but two, Nevada and Montana—It isn't the silver dollars that we're worrying about. Paper dollars seem to have vanished for a lot of us.

Tonight will be the biggest night in the life of some northern Michigan girl who will be named National Cherry Festival queen at Traverse City. A large number of girls entered.

Lost: One pair of car keys. City Treasurer Fred Vogel was looking around for the keys to his car Wednesday morning.

We see where B. H. Sargent, of West Branch, was low bidder on the sewage treatment plant at Boyne City. He was also named to construct East Jordan treatment plant. At Boyne City his low bid was \$221,103.

They are working a huge centennial program to be celebrated at the Soo Locks next year.

If we were to start the "Looking Backward" column on page two with: "Ish-Kue-Iang Na Bo Win" you'd wonder if we'd gone crazy. But it would be the correct name for the column. For this is Ottawa Indian language for "Looking Backward."

A large number of East Jordan boosters will be in Traverse City tonight attending the selection of the National Cherry Queen.

Study North Roads In New Survey

Northern Michigan and Charlevoix county highway needs will come under a survey to be conducted by the State Highway Department.

The State legislative highway study committee has authorized Commissioner Charles Ziegler to let a contract for a 15-month study of road needs in the state.

The study will be conducted by the Automotive Safety Foundation of Washington.

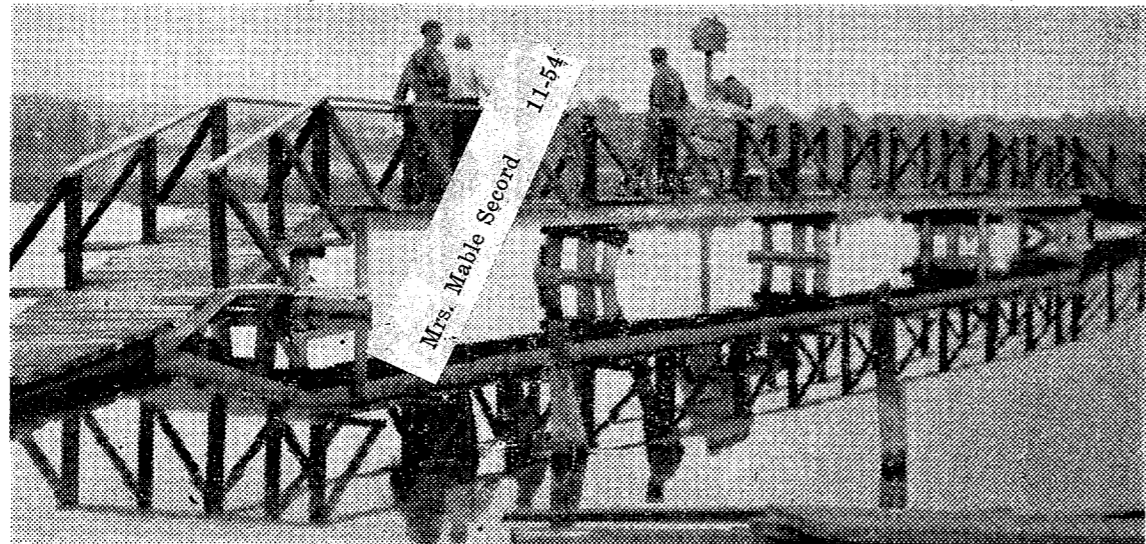

Sen. Haskell L. Nichols of Jackson, committee chairman and Rep. Emil R. Peltz, of Rogers City, vice-chairman, were authorized to sign the contract for the committee.

Rep. Peltz discussed northern Michigan highway needs at a recent north-state highway meeting at Jordan Inn.

At that time county highway officials explained what is being done to prepare a complete northern Michigan road map showing all good blacktop county roads in the area.

It is expected that the 15-month survey and the northern Michigan project will be included in the over-all picture of road needs.

Preliminary reports are hoped for in time to present to the Legislature next January.

VOLUNTEER HELP, materials and money have rebuilt the foot bridge across Jordan River at sportsman's park.

The 125 foot span is the third constructed for local fishermen and visitors. The other two were washed out due to age and continued high river water. The new span is the first in two years.

The present bridge was constructed voluntarily by Walt Hickox, Elmer Green and other sportsmen. Financial contributions were collected at the Duck Inn with 18 persons offering aid.

To date they are: Harry Simmons, Andy Anderson, Harold Miller, Vern Whiteford, Red Sheridan, Keith Annear, Chris Taylor, Harriet Malpass, Doris Huckle, Elmer Green, Walt Hickcock, John Porter, Bruce Malpass, Joe Bugai, Ed Portz, Frank Atkinson, Les Schultz and Ray Barrick.

The group needs about \$15 more to meet bills in addition to the \$74.90 spent for materials. Those wishing to contribute to repair and development work at the park may leave their contribution at the Duck Inn.

Walt Hickox obtained two deer for the park, a buck and a doe. They are housed in a pen built by the City of East Jordan.

Additional work has included the repainting of the Sportsmen's Club sign with businessmen paying for the paint.

Birds in the park and on the river, which have drawn numerous visitors to the city for many years are increasing. There now are between 35 and 40 swan in the river; 40 wild canadian geese and 200 mallards. Also two pair of the very rare wood ducks.

The sportsmen's club have been feeding the birds through the winter months. Additional funds will be needed next winter to feed the birds and deer.

The sportsmen were offered a pair of peacocks but there are no quarters for them here. High water has caused damage for several years, but present levels are about 18 inches lower than last year. The water is still about two feet above normal.

All work at the park is voluntary and the sportsmen need additional labor, materials and funds with which to continue the improvement work.

The current work has been accomplished without formal organizational help. (Photo by Huckle)

RECREATION NEWS

Softball-Camp-Sports

Handicraft classes featuring work with molding and painting of plaster casts will become a part of the East Jordan Community Chest summer recreational program beginning next week.

Classes will be held each Wednesday and Friday afternoon at the Tourist Park from 2:00 to 4:00 p.m. and will be under the direction of Mrs. Gayle B. Saxton.

Last year this activity proved to be highly successful with a large number of projects being completed by the youngsters who ranged in age from five to eighteen years. Average attendance last year was better than fifty per session.

Camp Ocqueoc
A record number of East Jordan boys attended Camp Ocqueoc this summer. In all fifty boys

Applications Available For Girl's Camp

Plans for the East Jordan Girls Camp sponsored by the Community Chest have been completed. Reservations for the Church of God Camp, (same location as 4H Camp) have been secured for the period starting Saturday, July 10, through Saturday, July 17. The girls had previously chosen the name "Wagum Quasis" for their camp which is the Indian name for "Jordan Girls."

Applications for camp may be secured from Mr. or Mrs. Gayle Saxton—phone LE 6-2308. Registration fee for the seven day period is \$10.00 Betty Robertson's office at the school will be open on Thursday, July 1 at 9:30 a.m. for physicals. Applications will be available also at that time for those who hadn't obtained one earlier—applications must be signed by a parent or guardian.

Any girl from 7 years up is eligible to attend the camp. There will be a special Brownie group for girls from 7 to 10 years.

Mrs. Gayle Saxton will be the director with Sandra Boswell, Judy Dressel, Joan Bader, Martha Lord and Judy Lilak acting as Junior counselors.

were on hand at one of the two weekly sessions just completed.

The fourcommunity camping project sponsored by the recreation departments of Petoskey, Pellston, and Boyne City and the East Jordan Community Chest was in its fifth year of operation this summer.

(Continued on Page 8)

E. J. Students To Study At Interlochen

Nan Drapeau, daughter of Mr. and Mrs. Adolphe Drapeau, and Ted Scott, son of Mr. and Mrs. Theodore K. Scott both of East Jordan have been accepted as two of the nearly 1,600 outstanding music students from throughout the country who will attend Interlochen's National Music Camp this summer.

Nan and Ted will spend 2 weeks, from August 9th to 22nd there as part of an all state chorus. They will work mostly on intensive choral work, theory and conducting. They will also have private lessons besides the advantages of camp life.

Interlochen's eight week program this year will be the twenty-seventh year the camp has operated under direction of its founder, Dr. Joseph E. Maddy of the University of Michigan.

Super Market To Aid Customers

Modernization of Thrift Super Market has included additional self-serve, cooled cases which now number six for convenience of customers.

More rapid service to customers will be aided by a better check out system which will eventually include an ultra modern cash register.

Bakers Open New Restaurant In East Jordan

East Jordan's newest restaurant has opened in the former Mason Clark building on Mill street across from Strehl's garage.

Pete and Zella Baker, who for the last 14 months operated Baker's Temple Grill in the Temple Theater building, purchased the one story building and completely remodeled it for a modern eating place. They have seating capacity for 38 customers.

The new restaurant opened June 17th, serving meals and lunches from 8 a.m. to 8 p.m. daily and from 8 a.m. to 11 p.m. on Friday and Saturday.

"Our restaurant will be open the year around," Mrs. Baker said, "It is not a summer restaurant."

They will be closed one day a week—Wednesdays.

Mr. and Mrs. Baker were former operators of the Chatterbox in Charlevoix before coming to East Jordan. Several years ago Mrs. Baker was cook for Chris Taylor's Coffee Cup in East Jordan.

Set New Date For Merchants

Because of conflicting dates, the regular meeting of the East Jordan Businessmen's Association has been postponed from Tuesday night to Thursday night.

Chairman Fred J. Vogel said Wednesday morning that the businessmen's monthly meeting will be held at the American Legion Hall 7 p.m. Thursday night, July 1st.

The regular meeting date as called for by the by-laws is the last Tuesday in every month.

The meeting has been changed due to the Rotary Club's picnic at the Tourist park next Tuesday night.

East Jordan Enters

Cherry Queen To Be Named Tonight

Boat Owners Warned About That License

Members of the State Waterway Commission are warning boat owners that immediate enforcement of the boat license law goes into effect today.

With nearly 80% of owners of boats 16 ft. or more in length having failed to pay the annual state license tax, this all out enforcement drive is expected to cause a rush on Secretary of State branch offices throughout the state.

The present enforcement program will be expanded to the entire state during the month of July. State and local police and agents of the Secretary of State's office will start checking all marine areas and issue warning notices or violation tickets for unlicensed boats in the same manner as they are given to those owners whose cars are without proper plates. The violation is a misdemeanor calling for appearance of the boat owner in court. Violators can be fined up to \$100.00.

The yearly licenses are issued in marine areas by branch offices of the Secretary of State and some marine supply dealers. The revenue goes to the State Waterways Commission to be used solely for the building and improvement of docks, harbors and other navigational facilities. Moneys received from last year's collections will be expended on new construction in East Jordan Grand Haven, Pentwater, Frankfort, Harbor Springs, Cheboygan East Tawas, Port Austin, Detroit and at Black River Harbor, Lake Superior.

Merchants Send Local Girl, Miss Marian Danforth

The East Jordan Businessmen's Association today will place Queen of the Jordan, Marian Danforth, in competition for National Cherry Queen at Traverse City.

Sponsored by the businessmen under direction of Advertising Chairman Minnie DesJardins, Miss Danforth was named National Trout Festival Queen at Kalkaska last spring.

PETER WINNICK of Charlevoix is one of Charlevoix County's eight candidates for sheriff. A life resident of Charlevoix County, he was born and raised in Hayes Township. He is a World War II veteran, married with three children.

Taxes Due

City Treasurer Fred Vogel announced today that city general and sewage disposal taxes will be due and payable after July 1st. The taxes may be paid at the treasurer's office in the city hall.

Two Children Die In Near By Lakes

Deer Lake, Ironton Scenes Of Week-End Water Deaths

Charlevoix county's vacationing weekend was marred with the drowning of two children, the first water mishaps here this summer.

Raymond Sobleski, jr., 7, son of Mr. and Mrs. Raymond Sobleski, Sr., of Boyne City, drowned Saturday afternoon when a boat in which he was fishing with his father and two other adults capsized and sank 500 yards from shore in Deer Lake.

Diane Essington, 5, daughter of Mr. and Mrs. Homer Rippey, of near Charlevoix, fell from a small dock into three feet of water and drowned near Ironton, Sunday.

AT DEER LAKE quick action of a fisherman Clarence Archer, 62, whose farm borders the lake, is credited with saving the lives of the boy's father, his brother, Lawrence, 26 of Petoskey and Louis Haddix, 36, of Boyne City.

The body was recovered by Coast Guards from Charlevoix. State Police from Gaylord also assisted.

AT IRONTON, the girl was with her parents who were fishing. She fell from the dock. The body was recovered shortly after the mishap but attempts to revive her were not successful.

The girl's father is employed by Sargeant Construction of Saginaw and the family is living in a trailer south of Charlevoix.

Local Trio To Sing At Festival

East Jordan's famous Cloverleaf Trio (Martha Lord, Pat Gilpin and Nan Drapeau, will sing at the National Cherry Festival Contest in Traverse City tonight.

The girls, through a series of competitive talent shows, won opportunity to sing at the contest.

First contest they won was broadcast over the radio at Traverse City, later they competed in and won the semi-final and final contest, both held at Traverse City.

The Cloverleaf Trio has appeared at various functions thru out the state and is well known in northern Michigan.

COMING EVENTS

EDITORIAL NEWS

Could your family use 1,400 loaves of bread with your next grocery order?

Do you need 117 cotton shirts, or 91 cotton house dresses? Will your refrigerator or deep freeze hold a six-months' supply of pork, and enough butter to last your family three months?

Before you decide that these questions are just too absurd to answer, let it be explained that your Government now owns outright or else has under loan sufficient wheat, cotton and butter to provide every family in the United States with those quantities, and enough corn to raise the pigs for your half-year's supply of pork and pork products.

Here is the Government's dilemma: Commodity Credit Corporation has about \$6.5 billion invested in farm price support operations. It costs CCC more than \$700,000 a day just to store these commodities.

And more storage space will be needed in the near future.

SUPPORTS CENTERED ON SIX COMMODITIES

Nine-tenths of this vast sum committed to price support operations is tied up in six basic commodities—wheat, cotton, corn, rice tobacco and peanuts.

The basic commodities, however, account for only 23 percent of the Nation's total farm income. An additional 56 percent of farmers' receipts comes from commodities which are not under price supports.

The present price support program encourages some farmers to raise wheat and corn for storage, rather than as feed for the production of meat, milk and eggs.

Administration recommendations, now before the Congress, are designed to correct these defects in the present program. Under these proposals, more emphasis would be placed upon production for dietary wants and requirements. Likewise, they are designed to help move more farm products into wider areas both at home and abroad, reduce the staggering surpluses, and encourage sound land use patterns.

Male Choir At Presbyterian Church, July 2

The Princeton Seminary Choir of Princeton, New Jersey will present a musical service in the First Presbyterian Church of East Jordan on Friday July 2nd at 8 p.m. On it's ninth annual summer tour, the choir will travel through eleven northeastern states and five provinces of Canada during June and July.

The seventeen members of the male chorus are all college graduates who are preparing for full time Christian service. They are representatives of the Princeton Seminary student body of 478.

The entire service will be conducted by members of the choir. The musical portion will include works of Palestrina, Lotti, Bach, Handel, Haydn and Mendelssohn as well as contemporary composers and negro spirituals.

The choir has sung in every state in the union, Alaska, the Hawaiian Island, Cuba, Mexico

Looking Backward

Reviewing The News-Herald

JUNE 27, 1914

The annual YMCA camp at Beaver Island for the Charlevoix County boys is being enjoyed.

Irvin L. Flanders of South Dakota and Miss Conntiss of Echo Township were united in marriage last Saturday afternoon.

Arrangements are being made for an engagement of the Williams Colored Singers, who will be at Bay View this summer.

At Charlevoix last Saturday, Miss Maude Carpenter and Andrew Owens of this city were united in marriage at the Methodist parsonage.

This Saturday evening at 8:30 Company X will give their grand street parade to advertise their Minstrel Show at the Temple Theater on Monday.

Kiley Bader of Boyne City and Miss Reta Carr of East Jordan were united in marriage at the home of the bride's parents. Officiating clergyman was Rev. T. Porter Bennett.

JUNE 20, 1924

Thomas G. Corneil passed away last Friday, following a long illness. Mr. Corneil was a former East Jordan resident and locomotive engineer.

The annual meeting of the Charlevoix County IOOF will be held Saturday, 8 o'clock p.m. at the IOOF Hall in Boyne City.

JUNE 22, 1934

Adult classes for the summer will begin on Monday June 25 at 1:00 p.m.

John Vrondran of Wilson Township passed away on Monday. Mr. Vrondran, born in Ohio in 1861, moved to Michigan about 32 years ago.

Over seventy employees and employers of the East Jordan Canning Company enjoyed a picnic supper at the Tourist Park Thursday evening.

Mr. and Mrs. Alfred Crowell and son Bobbie and Mr. and Mrs. Bill Gaunt, Jr., and two children had supper Sunday evening with their parents, Mr. and Mrs. William Gaunt.

and Canada. Last summer they toured Japan, Korea and the Hawaiian Islands upon invitation from the Far East Command.

School Board Meeting

Regular meeting of the board of education held at the high school offices on Monday evening June 14, 1954 at 8:30 o'clock. All members present.

Minutes of last meeting read and approved as read. Moved by Porter, supported by Shepard that the bills be allowed and paid. Carried.

BOARD MEETING JUNE 14, 1954 (May Bills)

Table with 2 columns: Name and Amount. Includes Genevieve Bartlett, Bert Brandt, Burroughs Corporation, etc.

Moved by Porter, supported by Shepard that 1948 Chevrolet bus be sold for \$400.00. Carried.

The following question is to be voted on at the annual meeting to be held July 12, 1954—Shall the school building known as the Settlement School be sold?

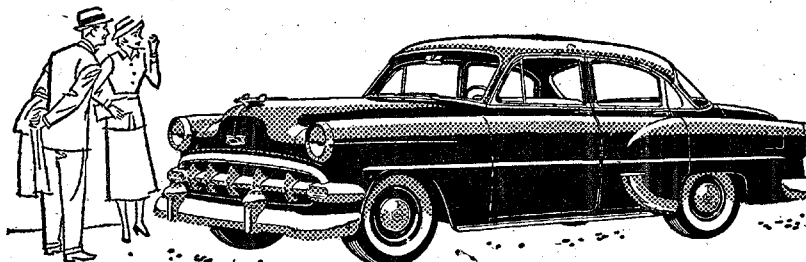

The following resolution was offered by Porter and supported by Darbee who moved its adoption, WHEREAS: the whole number of votes cast for the office of trustee for three years was 44 votes, and WHEREAS: Clayton O. Healey received 40 votes he is hereby declared elected for the ensuing three years. Motion to adjourn.

Signed: J. G. Boswell

Legion . . . Auxiliary News

The Lower 11th District of the American Legion held their Convention at Walloon Lake Sunday, June 20.

Fay Johnson, of Petoskey, was elected District President of the Auxiliary; Martha Kamradt, East Jordan, Vice President; Rose Humphrey, Cheboygan, Historian; and Bernadine Brown East Jordan, Executive Board Member. There were eight members from Rebec-Sweet Unit 227 at the meeting.

"Let's see, now — what did I come out here to worry about?"

The guest speaker was Mr. Weilman, American Legion Field Service Officer for this area. He spoke about the duties of a field services officer in the State hospital work is to help the veteran file claims for pensions and compensation if they are not already receiving it and are entitled to it, as well as other services to the veteran in these hospitals. They also help get aid for the veteran's family if needed, thus helping him get well faster. All veterans Organizations have this service and through their combined work they have saved the State seven and one half million dollars. There is at the present time 130 veterans at Traverse City hospital alone, which is an example of the percentage of veterans in the 28 sanitoriums state and county hospitals and institutions. These field officers work in Michigan. This is a very worthwhile service to both the veterans and the State.

Finkton News

Dale Lavanway who is stationed at Arlington, Virginia, is home for a ten day leave.

Mr. and Mrs. Howard Spence of Eaton Rapids, were callers at the George Spence home Wednesday.

Mr. and Mrs. Donald Lavanway and infant daughter Deborah of Flint were visiting Don't parents, Mr. and Mrs. Elgin Lavanway over the weekend.

Miss Beatrice Lewis is home for the summer from Michigan State College.

Misses Delia Heathh, Jean Thornell, Beatrice and Merilyn Lewis were Sunday dinner guests at the Earl Wilson home.

Versil Spence was home for the weekend from Lansing.

Mr. and Mrs. Robert Spence and family of Mt. Pleasant were back for the weekend with the George Spence family.

Mr. and Mrs. Asa Beal and family were Sunday callers at the Fack Gibbard home.

Special services this weekend at the Finkton Bible Fellowship Church.

Rev. and Mrs. C. J. Rediger of Morton, Illinois, who are the founders and directors of the Rural Home Missionary Association will be with us for service again Sunday at 10:30 a.m. Then again Sunday at 8:00 p.m. and the evening service at 8:00 p.m. There will be good singing and special music. Everyone is invited to these services.

The Elgin Lavanway's were glad to have all their family home over the weekend. To celebrate the occasion they had a picnic at the Bay Sunday. Those attending were the Edward Lavanway's Mrs. Ida Lavanway, Dale, Shirley, Virgil, Richard and Dennie, Mr. and Mrs. Donald Lavanway and daughter, Mr. and Mrs. Jerry Lavanway and son, Mr. and Mrs. Elgin Lavanway, Mr. and Mrs. Leonard Hite and daughter Ruth and Mrs. Martha Tobey.

The Asa Beal's were callers at the Ray Barrick home in East Jordan on Saturday.

West Peninsula

Mr. and Mrs. Joe Cain of Rockford drove to East Jordan to visit their aunt and uncle, Mr. and Mrs. William Gaunt. On their return trip they stopped at Boyne City and called on Mrs. Cain's son and family, Mr. and Mrs. Basil Moore.

Mr. and Mrs. E. H. Phillips returned home Saturday evening after spending two weeks in and around Columbus, Ohio.

Callers at the Bricker home were the Bricker's children, Della Fiel and son of Boyne City and Sam Bricker and wife.

Mr. and Mrs. Roy Howard and family of Boyne City and Mr. and Mrs. Ernie Howard of Boyne Falls spent Sunday with their brother and family, Mr. and Mrs. Henry Howard.

Services Held Saturday For Jacob Wagbo

Funeral services were held for Jacob O. Wagbo, who passed away June 18 at Little Traverse Hospital in Petoskey, from the Lutheran Church on Saturday, June 19, with Rev. E. A. Fretheim conducting. Pallbearers were Medrick Gagnon, Floyd Scott, James Ulvund and William McWatters, with interment at Sunset cemetery.

Mr. Wagbo was born May 22, 1887, in Nordmore, Norway, and came to this country as a young man and spent most of his life in East Jordan, Michigan.

He is survived by three daughters, Anne, Martha and Olga; two sisters, Mrs. Tom Amundsen of Van Couver, Canada and Mrs. M. Sollie of Norway; two brothers, Ole Wagbo of Portland, Oregon and Chris of Norway.

Friends and relatives from out of town were Mr. and Mrs. Louis Christensen of Kewadin; Mr. and Mrs. O. H. Sollie of Traverse City; Mr. and Mrs. Ed Omland of Fond DuLac, Wisconsin, and Mr. Nels Anderson of Mancelona.

Orchard Notes

By C. Fairman

Thursday, June 24, 1954 * East Jordan News-Herald * Page 7

At the present time every fruit grower is doing more or less spraying.

There are a great many fungicides and insecticides to choose from. The fungus diseases are mostly shot hole fungus on cherries, apple scab on apples and peach scab and brown rot on any stone fruits. Some of the spray materials are injurious to foliage. Some are injurious to man. Some spray materials are safeners to render harsh materials less harmful.

The most of our best materials are a bit high priced, although not as high priced according to results obtained and health to mankind. Copper-sulphur-mercury have been harmful to foliage for us here at home. Arsenate of lead has been harmful to fruit and foliage and is bad for man's health. Especially where one is doing a lot of spraying.

Parathion is very dangerous and in some cases has caused instant death. We are waiting to see more about malathion which kills all insects and is not harmful to man. Methoxychlor, trade name—Marlate—a close relative of DDT kills all of the common insects as curculio, codling moth and cherry fruit fly, aphids, leaf hoppers etc.

From where I sit... by Joe Marsh

No Sale!

Right in front of Granny White's beautiful old house on Maple Avenue there's a brand-new sign: "Antiques. Inquire Within."

Now—don't get excited. Granny explained it all the other night—after we settled down in her parlor, me with my temperate beer, Granny with her tea.

I asked her if she was really going in the antique business. "Oh, no," says Granny, "I wouldn't sell anything. I put that sign up so folks would come in and talk—and look around. If they insist on a price, I tell them some outra-

geous figure! I guess I just like people," she said.

From where I sit Granny can be excused for her little ruse. She may be in her eighties, but her mind is young—and open. She's the kind of person who's made this town so wonderful. Granny not only likes people—but she respects them and their preferences and opinions. Come to think of it, "liking" and "respecting" mean much the same thing, don't they?

It is not harmful to man and does not leave a harmful residue on fruit.

For instance we made up our own combination for spraying peaches this year. For a 300 gallon tank we used 6 pounds of marlate, 2 pounds of arsenate of lead for paint, and 3 pounds of ferimate for peach scab and vigorous foliage. Will let you know how it works.

26 Year Cherry Fruit Fly Fight Successful

Value of a 26-year-old fight to eradicate cherry fruit fly, which menaces Michigan's 3½ million bearing commercial cherry trees, is showing up, according to G. S. McIntyre, director of the Michigan Department of Agriculture.

Some 20 seasonal inspectors, most of them high school agricultural teachers, during the next few weeks will check commercial plantations and backyard orchards in all parts of the state for signs of cherry fruit fly. Within recent years finds have been few in commercial orchards, although infestation has been found among cherry trees in urban areas where frequently spraying is neglected.

There are two species of cherry fruit flies in Michigan, according to C. A. Boyer, chief of the Bureau of Plant Industry of the Michigan Department of Agriculture. One is the white-banded fly and the other is the dark

bodied fly. They are about the size of a small house fly, and appear late in May or in June depending on weather and latitude.

They first feed on the leaves and developing fruit. After mating the female cherry fruit fly lays small white eggs beneath the skin of ripening fruit by making an almost invisible puncture in the skin of the cherry. These eggs hatch into small white maggots about a quarter inch long inside the cherry.

Infested fruits are a serious hazard to the Michigan cherry canning industry, the nation's largest.

Inspectors take samples which are tested in laboratories established by the Department. Samples from southwestern Michigan trees are processed at a laboratory at Benton Harbor. Samples from other cherry regions are tested in a mobile laboratory which is operated during cherry season.

Because of this yearly inspection, infestations of cherry fruit fly are diminishing. Where infestations are found, fruit can not be sold, but must be picked and buried under a layer of hydrated lime two feet under the earth. Spray programs in commercial orchards have helped cherry growers to win the fight against the pest.

New Ways To Fight Those Garden Pests

Backyard gardeners have a couple of friends to help battle plant diseases and insects. They are "all purpose" dust and "all purpose" spray, reports Ed Reberman, Charlevoix county agricultural agent.

Extension specialists in horticulture, plant pathology and entomology at Michigan State College point out that the new mixtures contain insecticide, miticide and fungicide in varying combinations. Methoxychlor, malathion, ferbam and rotenone are some of the chemicals used.

Although operators of large acreages may find it more to their advantage to treat individually for certain troubles, the "all-purpose" sprays or dusts solve the problems of the small garden.

Spraying, perhaps for fruits, or dusting, in some cases handier for gardens, should be repeated every week or two up until two weeks before harvesting the specialists suggest. Rotenone is a good insect killer for use on beans and leafy greens where a poisonous residue might be bad for humans' eating the vegetables.

Antrim County Farm Bureau

The Antrim County Farm Bureau Women's meeting met for the month of June with the Elk Rapids group at the home Mrs. A. R. Baird. Nine groups were present and three visitors. At this meeting the delegates who attended Women's Camp at Twin Lake 4-H camp, Mrs. Peter Wieland, Mrs. William Patterson and Mrs. A. R. Baird gave interesting reports of the tenth annual meeting, held June 8-10. There was a total enrollment of 119 with 52 visitors from all parts of Michigan. There were interesting reports of the program.

NEWS-HERALD

FARM & HOME PAGE . . .

South Arm Farm Bureau

The June meeting of the South Arm Farm Bureau was held at the home of Mr. and Mrs. Harold Goebel.

Chairman Klooster announced that the Junior Farm Bureau had elected officers and had sent two members, Kay Klooster and Don Peters, to camp this year.

The various Farm Bureau services were discussed as well as the organization of the Township Board. Mrs. J. M. Ingalls gave her report of the Directors' meeting at Mark Saunderson's home.

It was the opinion of the group that there should be speed limits on rural roads and that motor vehicles should be inspected twice a year. Rules of caution should be observed on rural roads as well as on paved highways.

The July meeting will be held at the Walter Fowler home.

SHOP EAST JORDAN!

Open House At Lake City August 4th.

Farmers who missed the 25th anniversary open house last year at the Lake City Experiment Station—and visitors who were "rained out" on the tours—will have another chance August 4.

Plans are shaping up fast for the Missaukee county event, points out Ed Reberman, Charlevoix county agricultural agent. There will be nine stops on morning tours, a noon program and two longer tours in the afternoon—one for potato and crop people, one for livestock.

Quackgrass, brush and weed control; the raising of beef cattle, turkeys and fish; profitable crop rotations and soil management, and the complete story on

Mr. and Mrs. Bud Sutton and two children were callers Sunday at the Harry Howard home.

"spuds" will be just a few attractions. A food preparation and nutrition demonstration is being planned for the women visitors.

Hi Fellas:
This letter from Rod Gibbard got mixed in with some other papers last week and I didn't get it in. He writes—"High time for me to be checking in again with you and the paper. It has been coming through regularly each and every week and is greatly appreciated."

"Sounds as if East Jordan is quite a booming place these days but I'll have to wait another couple of years till the tour is up here before being able to judge for myself again."

"Big news from this way is that the family has arrived—everyone in fine shape and for some reason or other it's much more pleasant and livable around here now. I spent several months painting and doing carpenter work in the house and it's quite a decent place now and will be better yet when our own furniture arrives. Our car hasn't come in yet but should be here shortly, which will enable us to get out and see the sights that are available."

"Haven't had an opportunity yet to visit my sister Alice in Germany but hope to drive over that way within a month or two."

"We were very busy recently with a script conversion—the new stuff is quite colorful and much easier to handle. Lots of speculation as to where the pictures on the bills were obtained—my favorite estimate so far is that all the plates reflected by the Treasury Department since the Grover Cleveland Administration were put to use."

"Time to close for now. Please keep that interesting column going each week, even though there probably aren't too many of us from EJ still in the service. Sincerely, Lt. Rodney H. Gibbard, Finance Office, Toul Engineer Depot, APO 216, c-o PM, New York, N. Y."

Thanks for the letter Rod. Contrary to your idea—there are just as many if not more men in the service right now than there ever were. As of this week we have 50 men overseas and 73 men in training in the states. Quite a bunch for a small town.

eh?
Glen Persons was in Newport on Mothers Day and took the occasion to look up Jim and Gloria Meredith by inquiring at the Y. He was just in time for dinner so stayed and had a fine meal with them. It is reported that the new baby is doing fine.

Bill Streeter has moved again. He is still in France but has moved to a new location. There seems to be some secrecy about your location, Bill. Perhaps you could drop us a line and give us some small explanation of it all that would not violate security. How about it Bill? His address is A-2c William A. Streeter, 7th Radio Relay Sqdn, Det I, APO 10, c-o PM, New York, N. Y.

Earl Bowers has been assigned a ship and is leaving for Cuba today, June 21st. His new address is: Earl Bowers, FA, A-Div, USS Columbus, CA-74, c-o FPO, New York, N. Y. Let me know when you get back in the States, Earl.

Just had coffee and a little chat with Bob Anderson. He is leaving for Frisco on the 25th and expects to pull in there on the cycle right on time.

We finally have an address for Chuck Gothro. It is: A-1c Charles P. Gothro, 5010 Trans Sqdn, APO 937, c-o PM Seattle, Washington. He is stationed at Eielson AFB which is 26 miles out of Fairbanks. Let me know if you contact any of the other men up there, Chuck.

Bill Anderson has a small change of address since I last reported it. It is now A-3c Wm C. Anderson, Hq Sqdn Sec, Box 2, 3918 Air Base Gp, APO 194; c-o PM, New York, N. Y. How about a letter, Bill, to give us your location and a description of conditions there.

Joe Hammond made it back to the States this last week. He has telephoned his folks several times but has not taken up pen or pencil as yet. His change of address is: Joseph H. Hammond, BT-2, 2nd Div, USS LST 533, NOB, Norfolk, Virginia.

Don Saganek is hard at work on his new course of training

FFA Honored At Banquet

East Jordan Chapter, Future Farmers of America, for their outstanding contribution to the soil and water conservation movement in Michigan, were honored at a banquet, Friday, June 18th, sponsored by the Michigan Chapter Soil Conservation Society of America and the Kellogg Company.

The entire chapter, accompanied by its president, Steve Hayden and advisor, Richard Schroeder were taken on a bus tour of Michigan State College, the Kellogg Farm and Bird Sanctuary, and the Kellogg Factory in Battle Creek.

Presentation of the awards were made at the noon banquet in Marshall by Dale Ball, President of Michigan Chapter, Soil Conservation Society of America, L. C. Borsum, Kellogg Company and Raymond Clark Michigan State College.

Twenty-three FFA Chapters from all parts of Michigan competed for these awards. The East Jordan Chapter was one of the three Gold Award winners. The other two winning Chapters were Hastings and Caro.

Awards were based on careful examinations of Chapter scorecards and narrative reports of Chapter projects and activities in soil and water conservation. Activities consisted of conservation field trips, classroom instruction on soil conservation, land judging contests, management of school forests and nurseries conservation exhibits, planning and applying farm conservation practices, and other related activities.

Each chapter received an inscribed plaque, a Michigan Chapter SCSA membership and a subscription to the Journal of Soil and Water Conservation. Each individual member received a recognition scroll.

This conservation activity for FFA Chapters is expected to become an annual event. Plans for the 1954-55 program will be announced during the summer conference for FFA Advisors to be held at Michigan State College during the week of July 26 to 30.

down at Sheppard AFB. His new address is: A-3c Donald Saganek, 3753 Stu Sq, Bks 763, Sheppard AFB, Texas.

The Kitsons, who no longer live in EJ but have a lot of memories of our town, report that they have another son in the service. He is: A-B Ivan E. Kitson, Ft 3362, 3654 BMTS, Sampson AFB, Geneva, New York. Another flyboy for Uncle Sam, eh? He would like to hear from some of his old friends from EJ.

Guess that buttons it up for this week. Good luck and God bless all you men.
"Jake" Snyder

Form No. 991501
1954-1955 MARKETING YEAR—WHEAT MARKETING CARD
RECEIPT FOR 1954 WHEAT MARKETING CARD

Wheat Marketing Quotas

Charlevoix County wheat farmers will be issued wheat marketing cards during the latter part of June according to LeRoy Hardy, chairman of the Charlevoix County ASC Committee.

The official wheat marketing card, MQ-76, pictured here, will be needed by every wheat farmer when marketing his 1954 crop. A marketing card will be issued to every wheat producer who shares in the wheat crop on any farm where the wheat acreage is not more than 15 acres and also to producers on farms where the wheat acreage is more than 15 acres and where the acreage allotment has not been exceeded.

Final measurement work on 1954 wheat acreage has now been completed and each wheat farmer who has exceeded his wheat allotment has been notified of the acreage that he would have to dispose of as green manure, cover crop, hay or pasture in order to avoid marketing quota penalties. Mr. Hardy, advises any wheat farmer who is not sure of where he stands as far as marketing quotas are concerned on his farm to get in touch with the Charlevoix ASC Office located in the Bank Bldg., Boyne City, Michigan.

Farmers who share in the wheat crop on any farm where the wheat acreage is more than 15 acres and is in excess of the farm allotment will not receive a marketing card until the penalty on the wheat produced on the excess acres has been satisfied. Mr. Hardy stated that the penalty for excess wheat is \$1.12 per bushel and can be satisfied in one of the following three ways: (1) Payment of the penalty in cash at the ASC Office, (2) Storage of the excess wheat either in a warehouse or on the farm, (3) Delivery of the excess wheat to the Secretary of Agriculture through the local ASC Office.

Storage or delivery of excess wheat must be accomplished within 60 days after the harvest period ends, otherwise the penalty can be satisfied only through cash payment.

Farmers who store excess wheat will be permitted to underplant their 1955 wheat allotment and will then be authorized to remove all or part of their 1954 sell it on the open market.

All elevators, feed dealers, excess wheat from storage and milling companies and other wheat buyers are cooperating in the control of wheat marketing, beginning July 1. Commercial wheat buyers are required to maintain certain records and account for all wheat purchased during the marketing year July 1, 1954 through June 30, 1955. Instruction meetings for wheat buyers will be held to review the marketing quota regulations and the forms to be used.

Hardy cautions individual farmers who may buy wheat for feed or seed from other farmers that the farmer who is selling the wheat must show a marketing

Rec. News . . .

(Continued from Page 1)

Robert Woodruff Petoskey recreational leader, who has promoted the project from its beginning served as the Camp Director again this year. Counselors included Max Damoth and Gayle Saxton, East Jordan; Jay Baysinger and Thomas Weede, Boyne City; Roger Weirick, Leonard Murray, William Stein-

brecker and Stanley Garthe, Petoskey; and Richard LaPeer and Alvin Griecius, Pellston.

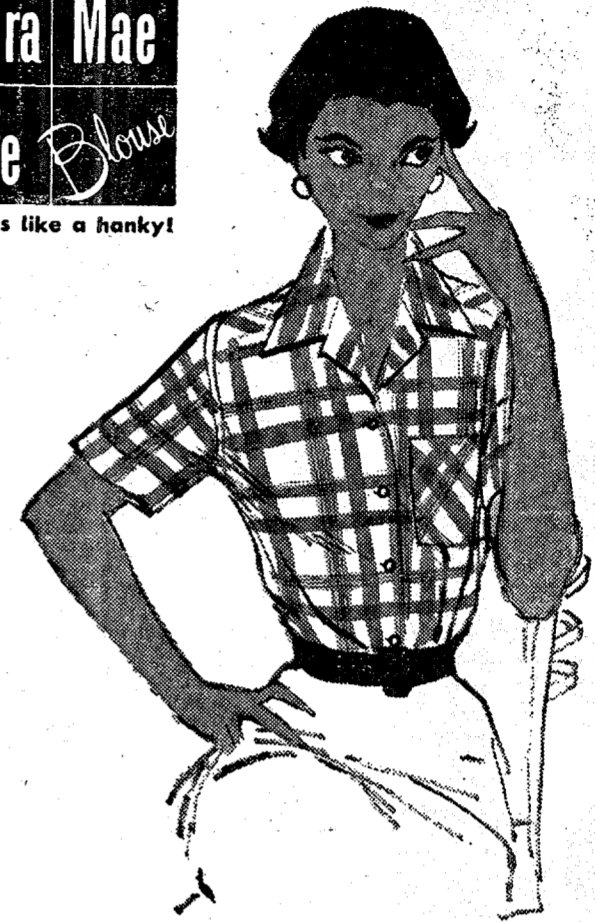

Girls Softball
All East Jordan Girls interested in playing softball should report for practice at the West Side Ball Park at 1:00 p.m. on Tuesday, June 29th. An effort is being made to organize a girls team to compete with teams from Ellsworth and Charlevoix.

Leonard L. Case

of Benzie County

Candidate for

Republican Nomination to State

House of Representatives
(Charlevoix District)

Antrim, Benzie, Charlevoix
and Leelanau Counties

Mr. Case is a life-long Congregationalist and a life-long Republican. He believes in and subscribes to the doctrines of that church and the principals of that party.

As Justice of the Peace of Benzie county Mr. Case has fulfilled the duties of that office with fairness and with a profound respect for the constitutional rights of each person brought before him. He holds that the first obligation of the courts, of whatever jurisdiction, is to protect the innocent, and secondly to punish or correct the guilty.

Although born and reared in a small town Mr. Case is not "provincial" in character of nature. He is capable of district-wide and state-wide outlook.

Mr. Case has the ability and the courage to express himself by either the written or spoken word when occasion requires. He has the cultural background of a college education and is well qualified to meet State Legislators and other public officials on an equal footing.

Mr. Case, aged 53 years, is a man young enough to assure the people of this district several years of increasingly effective public service—if they so desire

If elected, Mr. Case pledges regular attendance at the legislative sessions and frequent visits to his constituency in the several counties of the District between sessions.

He pledges an affirmative or negative vote at the roll calls. He will not seek to avoid taking a stand by refusing or neglecting to vote on controversial issues.

As much as possible Mr. Case will make himself available to individuals and organized groups within the district who wish to consult him or advise him on matters of public interest to them.

He pledges his constant study of the need and desires of the people of this district and his constant effort that these needs may be met and these desires fulfilled.
