## BIG CHEST DRIVE PLANNED

United Fund leaders from northern counties in the lower peninsula met for a one-day campaign workshop Tuesday, September 14 at Mel Brook Restaurant in Gaylord. Tracy Andrew, president of the Gaylord Chamber of Commerce, was chairman for the meeting, whose purpose was to exchange experience and information on more effective conduct of United Fund Campaigns.

Speaker for the luncheon meeting was Dale B. Hornung, public relations director for the Michigan United Fund. He urged leaders to "recapture the thinking of our founding fathers" who worked willingly and enthusiastically for the common good.

Recalling the first examples of community action in America, Mr. Hornung pointed out how our forefathers gave up certain individual liberties so common good could be served and how they based their agreements on two guiding principles, belief in God and belief in the sovereignty of the family unit. These two principles, applied today, Mr. Hornung said, will enable us not only to conduct better United Fund campaigns, but will help us make our communities and our nation better places in which to live.

William Grauel, East Jordan, served as moderator of the morning workshop on Campaign Organizations. Panel members were: Joseph Scoggin, Petoskey; Karl Vogelheim, Rogers City; Harford Field, Traverse City; and Gordon Freedman, Charlevoix.

Paul Versept, Harbor Springs; Fred Stutsman, Onaway; and Mr. Hornung led the workshop on Public Relations with Mrs. James Crowner, Lansing, as moderator.

The Labor and Industrial Solicitation workshop featured Ray Garrett, Lansing, moderator; Richard Stuart and C. Lester Johnson, Petoskey; Charles Lazure and Robert Ransom, Cadillac and Bernard Flickenger, Traverse City, as panel members.

Attending the Gaylord workshop were: Tracy Andrews, Gaylord; Karl Vogelheim, Rogers City; Fred Stutsman, Onaway; Lou Walton, H. F. Gustely, Mrs. Evelyn Schroeder, Harford Field and Don Nelson, Traverse City; Paul Versept, Harbor Springs; Lester Johnson, J. W. Scoggin, Richard A. Stewart, Robert L. Hine, Mrs. Carl Hansen and E. W. Mitten, Petoskey; R. W. Ransom, Charles Lazure, Vilas Amundson, Anson Hedgecock and Daryl Sebastian, Cadillac; Gordon L. Freedman, Charlevoix; Bill Grauel, East Jordan; Mrs. Howard Darbee and Mrs. T. E. Malpass of East Jordan.

The Gaylord Workshop was one of five regional workshops sponsored by the United Health and Welfare Fund of Michigan to provide information to campaign leaders throughout the state.

The health program at the school is partially supported in cost by your Community Chest.

During last year the number of bottles of milk used for this program was 23,209, of which the Community Chest paid for 5,686.

### TO GET FACE LIFTING

## Set City Work Program For Tourist Park, Oct. 7

### Merchants Form Work Bee To Help Develop More Room

Expansion of East Jordan's highly rated tourist park will get underway with a big send-off next Thursday afternoon (October 7th).

Members of the East Jordan Merchant's Association will take up shovels, picks and axes to form a work bee in first development of new park area for more trailers.

The work will be carried out under direction of Park Commissioner Tom St. Charles whose committee includes Leo Sommerville and Norman Bartlett.

Chris Taylor has been appointed chairman of a committee to "get workers out for the afternoon."

Women of the association offered to provide refreshments during the afternoon. The work bee developed at

the suggestion of St. Charles and merchants' chairman Fred Vogel after discussion at the merchant's regular monthly meeting Tuesday night at Bertha's Drive-In.

MERCHANTS were shown a map of the existing park and the new area completed. It was prepared by St. Charles and received high praise of those present.

Figures show that each trailer will leave about \$40 per week in East Jordan. It was shown that 40 trailers left about \$1,600 per week among local businessmen this year.

Plans are to boost trailer income to about \$40,000 per season with the new development which will take care of more than 100 trailers.

Merchants looked to the tourist park as one of the main assets to the city.

IT IS REPORTED developing into the most modern north of Grand Rapids since it offers, swimming, boating, tennis, shuffleboard, softball, and many other outdoor activities.

The park rates high with visitors since it is kept clean, and is well managed. All trailers stopping here are either new or near new and the type of visitor is one who expects modern vacationing in comfortable surroundings.

A late note comes from East Jordan Recreation which says Hank Boss bowled triplicate scores, 147 each game. This is highly unusual at the local alley.

The State Bank is issuing its annual invitation to residents who wish to take plants or slips from bank window boxes. Residents are asked to help themselves without asking permission.

There's still time to register for the free Martha Manning Dress at the Dress & Gift Shoppe. Don't miss it!

The kids are happy this week. That's because all teachers will be attending the annual MEA teacher's conference at Cadillac, Thursday and Friday, September 30 and October 1st. There will be no school.

Parents are warned to keep their kids away from the Sportsmen's Club deer park on the west side. This is the mating season and the male deer is dangerous. A child can be seriously injured.

Sears Dredging Company is pulling the old spiles which held up the former city dock, in preparation for construction a modern structure.

If you haven't voted in four years you are required to re-register before you can vote in the coming general election. See the registration notice in this issue.

Members of the South Arm Junior Farm Bureau did right well washing cars at Bader's Standard Service Saturday. They wanted to pick up some extra money so the following members chipped in and went to work: George Nelson, Tom Sheridan, Roger Stokes and Kay and Carol Klooster.

They washed 17 cars, many thanks to Harold.

Hallow'een is coming soon. The Rotary Club as well as the school and a good many children are planning parties.

### LETTER BOX

## Schroeder Flies To London Next Tuesday Afternoon

Dear Marshall: I want to thank you for your interest in our new venture and especially for the opportunity on Television. The orientation here in Washington is sure some experience. We are meeting lots of people from different offices and responsibilities.

They all are a hard working, sincere group, and they all feel that this FOA program is one of the most important the U. S. Government has undertaken.

There are 30 some people in my group going to many different countries of the world. One other man is going to Pakistan but will be about 800 miles from us.

He is with the U. S. Geological Survey and is working on water supply. Besides getting getting information about our assignment we study, health, food, customs, Washington procedure, security and political customs at our post.

I am enjoying my stay here in Washington. My room is two blocks from the White House which I walk by every day.

We will leave New York, Idlewild Airport on October 5th by Pan American at 4 p.m.

We arrive at London, October 6 at 11 a.m. We have one day in London and will leave there at 9 a.m. on the 7th. We stop at Frankfurt, Germany, Istanbul, Turkey and Beirut Libnos for an hour each then arrive at our first stop in Pakistan Friday noon the 8th of October.

The Rev. Robert H. Moore officiated at the services. Bearers were John Porter, Howard Porter, Fred Vogel, Harry Simmons, Louis Peterson and Richard Farmer. Burial was at Sunset Hill cemetery in East Jordan.

Laura E. Ruddock was born March 26th, 1874 in Cheboygan. She married Wilbur Fuller of East Jordan who preceded her in death.

Surviving are one daughter, Doris M. Dickinson of Detroit and one sister, Mrs. E. H. Fortune of Ludington, Michigan.

Those from out of town to attend the funeral were Mr. and Mrs. E. H. Fortune, Mr. and Mrs. T. C. Dickinson, Mrs. William Schrader, Mr. and Mrs. Ralph Fuller, Mr. and Mrs. Robert Kimball, Mrs. William Kimball and Mr. and Mrs. Ray Bell.

Please send the paper to: Richard Schroeder, American Embassy, APO 74, c/o Postmaster, San Francisco, Calif.

Yours truly, Dick

Elect Officers For South Arm Farm Bureau

The September meeting of the South Arm Farm Bureau was held at the home of Mr. and Mrs. Delbert Ingalls with ten members and two guests attending.

Election of officers was held with the following results: Chairman, George Klooster; vice chairman, Jean Gilkerson; Secretary and treasurer, Christine Boss; Blue Cross Secretary, Helen Klooster; Discussion Leader, Walter Fowler.

Those selected who are subject to the approval of the County Board of Directors and County Women's Committee, respectively, were Douglas Gilkerson, County Director; Nina French, representative to the County Women's Group and Eunice Coolman, alternate.

Farm Bureau policies for the coming year were discussed. The question for this group was "who should be responsible for the use and improvement of farm land?" The consensus of opinion was that each farmer should be responsible for his own land, with help from the county, state, or federal government, if he so desires.

The Peninsula Grange will hold its Booster night Friday, October 1st. Grangers are extending a cordial invitation to their friends to join them on this evening. There will be pictures shown by Mrs. Lester Fox on trips she has taken in the United States and a pot luck lunch after the meeting.

The grange has had numerous other activities recently, one being their annual grange picnic which was held at Hartwick Pines in Grayling in August. A farewell party was held for the Richard Schroeder family who are leaving for Pakistan.

Last Friday evening seven members of the Boyne River Grange were guests at the Peninsula Grange and received the 3rd and 4th degrees. On Saturday night six members of the Peninsula Grange attended the Charlevoix County Pomona Grange mystery ride which ended with a party at the Rod and Gun Club at Charlevoix.

All these activities and community services they render, help to establish its part in the community. Everyone is invited to join the Grange Friday night for an evening of enjoyment.

Small Business Loans Discussed At Manton

The Northwest Michigan Industrial Development Council will meet in Manton at the VFW Hall, Thursday September 30th at 7:30.

The principal speaker will be Jas. B. Shepard, Manager of the Detroit branch office of the Small Business Administration. He will speak to the group about the SBA loan program and will be prepared to discuss any other activities pertaining to his agency's activities which may be of interest to those attending.

Services Held Thursday For Nora Aldering

Services were held Thursday, September 23rd at 2 p.m. at the Watson Funeral Home for Nora Dean Aldering, 69, who died Tuesday at Grandvue Hospital. Rev. Moore of the East Jordan Methodist Church officiated at the services. Bearers were Earl Ruhling, Mike Gunderson, Archie Griffin and Bert Scott and burial was in Sunset Hill Cemetery.

One sister, Mrs. Merle Mero of Detroit, survives. Attending the funeral from out of town were Mrs. Merle Mero, Mrs. Patricia Hughey and Mrs. Phyllis Mueller, all of Detroit.

### Rotary, Merchants All-Out To Aid City-Wide Campaign

All East Jordan is organizing to take part in the biggest Community Chest Drive ever held in the city.

The East Jordan Rotary Club, the East Jordan Businessmen's Association and residents are joining in to make the drive a success. Dates are October 18 through the 25.

The Chest's annual kick-off meeting will be held in cooperation with the Rotary Club 7:30 p.m. at the Presbyterian church, Tuesday October 12th.

Promotional director for United Health and Welfare Fund of Michigan, Dale Hornung, will be the main speaker at the kick-off dinner meeting.

Hornung is the former "Dale McIntyre" of radio station WJR, Detroit, whose program "Know Your America" was so widely known.

Community Chest President, Mrs. John Porter, announced Tuesday that the Rotary Club voted to set their regular meeting October 12th for the evening so members and Chest workers might hear McIntyre's talk.

Members of the East Jordan Businessmen's Association voted Tuesday night to take part in the drive by decorating store windows with a Community Chest theme.

Each merchant plans to display different events sponsored by chest funds, such as handicraft, camp, softball, square dancing, etc.

CAMPAIGN Chairman Alex Sinclair announced the various team captains as follows:

Mrs. W. G. Boswell, Mrs. William Swoboda, Sr., Mrs. Earl Gee, Mrs. Thomas Galmore, Mrs. William Montroy and Mrs. Roy Gokee.

The business district and special gifts will be solicited by William Taylor, Kenneth Diller, George Sherman, Leo Sommerville, Ted Malpass and Bill Grauel.

Local clubs or groups willing to aid the directors of the campaign and chest to attain their goal may contact Mrs. Porter or Mrs. Theodore Malpass, secretary.

NEXT WEEK the chest budget committee will meet to set up the exact goal, which will be announced in next week's issue of the News-Herald.

### Increased Population

With our population increasing at the rate of 7,000 a day, the demands that the future will make upon American business are truly staggering.

It is estimated that, by 1975, at least 22 million new jobs will be required for the vastly increased labor force—and the demand for additional goods and services to take care of the needs of some 60 million new citizens will run into the billions of dollars.

It is indeed a tremendous order for U. S. business and industry to fill. But, judging from past performance, they will do it—if they are given a favorable economic climate to grow and flourish in.

## "Watch Out For Kids" Says Chief Simmons

Chief Harry Simmons today announced that the city of East Jordan is cooperating with the State Safety Commission on the annual September "WATCH OUT FOR KIDS" traffic safety program.

"Each year," the Chief said, "motorists need to be reminded that children are returning to school and that there is a special need to watch out for them—many of whom have just returned from carefree vacations have not adapted themselves to the routine of going to and from schools."

According to Chief Harry Simmons over 3,000 children (0-14 years of age) were struck down by automobiles on the streets and highways of Michigan during the last twelve months — 223 of them died and

many were crippled for life.

"Our department will pay particular attention to speeding near schools during the first few weeks of September as a forceful reminder to all motorists to watch their speed as they watch out for kids in school areas," the Chief continued.

A state-wide educational program using several hundred thousand leaflets and thousands of posters is underway. In every community motorists can expect to see the poster depicting a little girl running out from between parked cars with the slogan "Watch Out For Kids."

The leaflets give excellent advice to parents. They are urged to teach their children this sim-

ple rule by repeating it over and over again.

- STOP at the curb
- LOOK both ways
- WAIT until it's safe to cross
- WALK across the street

In conclusion the Chief said, "Hitting a little girl or a little boy with a ton and a half of steel is not a pleasant thing to do. You as a driver in such an accident, would find small comfort in the fact that the police may decide that the mishap was caused primarily by the child's own carelessness."

# East Jordan, Grayling In Second Loop Contest

## East Jordan Hits The Road To Seek Third Season Win

With two wins to their credit Saxton's Red Devils will travel to Grayling Saturday afternoon minus their big backfield man Bob Romback.

Saxton said Tuesday night Romback's dislocated shoulder received in the Charlevoix game last week will keep him from the field indefinitely.

The Red Devil coach pointed out that this is the third year in a row the locals have lost a key man just as the season got underway.

However, East Jordan should take this one from Grayling. The Vikings have lost to Gaylord, 6-0; and picked up a non-conference win from Onaway, 6-0.

**BUT EAST** Jordan's 40-0 blow over St. Ignace and 7-0 over a fighting Charlevoix outfit should give the locals the deciding edge Saturday.

**BOYNE-PELLSTON**  
Big talk in the C circuit is Boyne City and Pellston, but veteran players and observers see Charlevoix winning about all of their remaining games this season.

Boyer City took a veteran-weak Cheboygan outfit and then topped a non-conference team from Traverse City, S. F. But the tale won't be really told until they match wits with class C circuit competition.

A sting in the side of some outfits is however liable to be the Pellston Hornets who whipped Cheboygan CC, 13-0 and powered over Gaylord 20-12.

**RAYDERS SHOULD WIN**  
Charlevoix will without doubt send the Gaylord Blue Devils home rather long faced; and Pellston should have no trouble with Harbor Springs.

After this week northern C playing will be going on in earnest and final standings each weekend will have a better story to tell.

The standings this week mean

little. They are published elsewhere on this page. Underdogs this weekend are supposed to be Harbor Springs, Mancelona, Grayling and Gaylord. A win by any of them might be termed an upset.

**Ten Year Record**  
East Jordan-Charlevoix NMCCC Champs

It could be that the northern C loop will go into a spin this year with records shattered and title holders upset, if we listen to those who say Pellston, Boyne City and Gaylord are making a name for themselves after ten years without holding the crown. It has been either East Jordan or Charlevoix all the way to the top for the last ten years and with two recent contests under their belt the Red Devils are on their way again.

with plenty of beef required to win.

# Red Devils Edge Charlevoix In Annual Conference Classic, 7-0

## About To Go Down

## Romback Injured In Early Moments of Big Clash

Some called it an upset. Others felt East Jordan was lucky. But many true fans knew the Red Devils earned their 7-0 victory over the Rayders from Charlevoix on the local field Saturday.

A big sigh went up and many mentally turned the day over to Charlevoix as Bob Romback was taken from the field with a second play injury.

But with their big back on the bench and their sideline rooters feeling blue, the Red Devils uncorked a fighting spirit that carried them into the win column with one up on the visiting Rayders. A dislocated shoulder sent Romback to the sidelines on the second charge and it was a seesaw attack up and down the field until Bob Danforth broke into the clear off tackle speeding 74-yards to the all-important touchdown.

It was midway in the third period after both teams had been battling desperately for yardage and a breathing advantage.

Sommerville placed the ball and Darbee booted the extra point which completed the one and only score for the day. The Rayders biggest setback came via poor receiving after many excellent passes were executed.

Charlevoix recovered a couple of Red Devil fumbles but after making one long run and a series of bum passes, lost the ball on downs.

The Red Devils surprised the Rayders when they chopped off a visitors real opportunity. Charlevoix had held the locals, forcing them to punt. Somerville kicked about 34 yards down to the visitor's 27.

On the first play Darbee whipped through and intercepted a Charlevoix pass and wound up deep in Rayder territory. Then the final gun sealed Charlevoix's fate.

Both teams had to boot in the first and uneventful quarter. Charlevoix snagged a Red Devil pass in the second period, but a last down fumble gave the ball to the locals on the 40.

From there the Red Devils drove hard down to the 28 before being stopped.

Just as it began to look as tho Charlevoix had found the secret passage through the local's line the hole tightened and they were forced to quit trying. Then they took to the air but the tossing attack made them little head-

as many were dropped, others intercepted and some overshooting their mark.

East Jordan had the edge in backfield operation, but the afternoon developed a football game that was never won until the gun sounded.

**Chest Sports**  
Supervised summer sports, sponsored by the Community Chest will get a big play in the Chest's 1954 drive for funds. Chest officials are going into detail to explain the value and necessity for maintaining the summer program.

Next week the News-Herald will publish a round-up of outdoor activities sponsored by the chest and give readers an idea of the great value the program is to East Jordan's young citizens.

**Red Devil Pre-Game Homec'm'g**  
An East Jordan homecoming celebration is being planned for Veteran's Park next to the old city dock the night before the East Jordan Boyne City football game.

High school athletic director, Keith Annear, said the celebration will include band music, singing and school yells led by the cheer leaders.

Annear is seeking the oldest East Jordan high school graduate and hopes to have him or her attend the celebration.

Additional entertainment is being planned for the pre-game event.

### BOWLING NEWS

## Season Now Underway With 5 Leagues Signed

BY ANDY  
The Swan City's 1954-55 bowling season got underway this week with five full leagues now competing at the East Jordan Recreation.

**DAVE CLARK** and Jim Lilak are leading the Merchant's League each with a fat 185 average. Clark racked up a neat 264 and a 632 series a week ago playing with the Super Market team.

**LEADING LADIES**  
Marylou Breakey and Jannita Sommerville are leading the Ladies League.

The Charlevoix league is back again this year which should make for some very good Sunday tournaments.

**BACK AGAIN**, also is the Foundry League with a number of new and good bowlers.

**EXPERT BOWLERS**  
The inter-city league has a lot of new faces, also, and some expert bowlers who are giving old timers a race.

Starting next week we will give you a full report on all

### READY FOR THE PLUNGE

## Pomona Grange Mystery Ride

The Charlevoix County Pomona Grange No. 40 held its annual mystery ride Saturday evening September 25th. All grangers met at the ball park in Ellsworth at 7:30.

Sixteen cars decorated with flying streamers journeyed to Charlevoix, Bay Shore and on to the Charlevoix Sportsmen Club, where singing and dancing took place until 12 o'clock. Quinton White Jr. and Lynn Hare of Maple Grange were chosen as the mock Cinderella and her prince. A pot luck supper was served to 110 grangers and their families—this concluding the eventful evening.

Robert Thomas resumed his studies at University of Michigan September 20th.

Mrs. E. C. VanDeventer and sons of Bay Port spent the week end of September 20th with her parents, Mr. and Mrs. Harold Thomas while Mr. VanDeventer attended the Superintendents Conference at Mackinac Island.

If you want to sell property, list it with Clarence Healey. Ph. LE 6-7210.

## SCHOOL HI-LITES

### FIRST & THIRD GRADES

**Adeline Bowerman**  
We have 12 first graders and 20 third graders enrolled in our room this year. We are planning a "Get Acquainted" party for our mothers for this week Friday afternoon. We hope many of them will be able to come and see our room, meet our classmates and teacher.

Shirley Fowler brought a small turtle for our room. We learned the poem, "The Turtle." Because we had so much rain last week, the third graders learned the poem that tells how umbrellas were first invented, "The Elf and the Dormouse."

President Eisenhower approved a recommendation that the words "under God" be added to the Pledge of Allegiance after the words "one nation." Each morning we give the new pledge to our flag.

Roxanne Schroeder went to Traverse City last Wednesday afternoon to see her daddy leave by plane for Washington, D. C. The family will join him in Washington.

### FOURTH GRADE

**Grace Galmore**  
In our fourth grade room we now have ten third graders and twenty three fourth graders. This arrangement was necessary because of the large enrollment in the first grades.

For our first work in Science we chose insects. Several people brought some. We now have grasshoppers, squash beetles, crickets, a wasp and some caterpillars.

We have a new girl in our room who has recently moved here. She has written the following story:

"I have come from Chicago and I now live on a farm. We have ducks, cows and calves on our farm. My daddy made hay this summer for the cows and calves. We have other feed for

the ducks such as corn and wheat. We have oats in the barn too. Lady, our dog, chases the cows.

My dad took us for a long ride on Sunday. We took our lunch with us and stopped at a roadside table to eat. We went to the other side of Grayling to the oil fields. Dad showed us some wells where the oil was pumped from to the pumping stations. From there some of it went to Midland. There it is used by Dow Chemical. Some of it was for Pure Oil Company.

While we were riding thru the woods we saw quite a few wild animals. We saw five deer drinking at a puddle of water. We scared up a mother partridge and her babies. My mother saw an animal standing on his hind legs looking at us so we stopped to see what it was. It was a raccoon. It ran up a tree when it saw us coming. We saw another raccoon along the road up in a tree.

### FIRST GRADE

**Marion Brooks**  
With an enrollment of 35, we have launched out on the sea of "Learning to Read."

Nancy Steuer Nelly Fowler brought us a little turtle. We named him Tommy Turtle.

Barbara Hart celebrated her birthday by serving Dixie Cups to all in the room. Thank you, Barbara.

Stevie Joe Schroeder is celebrating his birthday a day early because he will be gone to Detroit on his birthday. He and his mother and the other children will receive shots in preparation

for the long airplane trip which they will be taking soon.

### SECOND GRADE

**Agnes Johnston**  
There are 33 children enrolled in our room this year. Rebecca Thacker and John Leatherman are new pupils in our room. We hope they will like their school in East Jordan.

We think we are going to have lots of fun in the second grade. We have new spelling workbooks to work in and we like our new reading and number workbooks.

Mrs. Johnston took us on a tour of the new building so we would know where to go for our different school activities.

Cynthia Dubas was seven years old last week. She treated her class friends to delicious cupcakes and suckers. We enjoyed making a birthday card for Cynthia.

Last Tuesday we all had our picture taken.

### FIRST & THIRD GRADE

**A. Bowerman**  
We were happy to have 22 mothers and 8 little brothers and sisters at our "Get Acquainted" party last Friday afternoon. We presented a program of songs and poems we had learned and all of the third graders were in a play, "Lunchroom Manners." Roxanne Schroeder told of the plans for their trip to Pakistan and Susan Thacker told about their anticipated trip to Morocco in North Africa. Each one introduced himself. Our host and hostesses served cupcakes and dixie cups.

We made spatter prints of leaves for the covers on our invitations. Even the first graders wrote their invitations for their writing lesson.

Our Weekly Readers are the motivation for many of our social studies, science, health and

language discussions.

Linda Bundy brought her insect collection, Donna Mae Carey brought her Peter Pan dolls, Dickie LaPeer brought several weeds showing the root systems.

Roxanne brought pictures of the Lincoln Memorial and Sharyl Galmore had pictures of Niagara Falls. All of these tied in with the articles in our Weekly Reader.

## G. I. NEWS

Here's a letter from Orville Nelson who is stationed in Korea.

Hello everybody,  
It's been along time since I've written anything and here I am in Korea and I sure do hate it! We are the farthest north of any American outfit in Korea—about 40 miles north of the 38th parallel. Those north Koreans are just over the hill from us. Speaking of hills, that is all we have here—probably more here than in the whole state of Michigan!

Sometime in the near future we are supposed to move back near Seoul.

Hi Gang,

Well, I guess it's about time I dropped you a line to let you know my new address—here I am at Thule AFB in Greenland and it is pretty cold up here now! It gets to 60 below zero in the winter and it stays dark 24 hours a day in the winter.

Say, How about the addresses of Vale Keller and Leonard McRoberts, if you have them.

I'll say goodbye for now, A-3c Dale A. Bolser
