The Swan Festival turned into a good day for ducks.

But regardless of the discour aging weather there were plenty of visitors on hand at all times.

The Jordan River Sportsmen Club picked up some money of-fering feed for sale so visitors might attract the swans, .

We guessed there'd be 10.000 visitors here during the two day celebration. Everyone laughed at Observer Corps by the Grand Rathe prediction --- even the weatherman. States Air Force. The group has worked on ev-ery scheduled alert for more

The weatherman took pity on Harold Bader. It stopped raining long enough to stage the huge parade. When the parade was over it rained again.

How come you don't see umbrellas around like when we were young?

\* \* \* Fellow slaps out at the state of Michigan for wasting money printing state highway maps. He says the state could let this work out to some big firm to have printed. Some firm who would want to use the map for advertising their products.

"Besides," he says, "Nobody sees the maps, anyway." But he hasn't visited the News-Herald office and watched how visitors grab them up.

Groups all over the U. S. are kids "go wrong." Comic books are often claimed as one reason. But one person puts it this ay: "When adults act like chilwaw:

way: "When adults act like children, they're silly; when child-ren act like adult, they're delin-quart." "They're adult, they're delin-quart." "They're adult, they're delin-quart." "They're adult, they're delin-ter adults, a fadle' shoe that a larger on the inside than on the outside."

Some folks suggested that East Jordan have boat races on the fourth of July. Ha! But did not you know? It is going to shine the day before the 4th, rain on the 4th and shine the day after the 4th.

The hearing on Frank Foote's will is slated for the court soon. That's the time when you'll learn if it is legal to burn gov. bonds. Or whether the gov. has bonds to burn.

East Jordan High School's hinclads finished 6th in the Nor-hern Michigan Class C Confer-ence track and field meet held at Charlevoix Thursday avening May 24th. Considering the fact that the Jordanites resulted track only this Spring and that the squad was small and made up chiefly of inexperienced freshmen and sophomores, the locals made a favorable showing. Charlevoix, always a power in Northern Michigan track circles, won the meet going away with amazing 71 points, Grayling had 46, Boyne City 24, Gaylord 20, Pellston 13, East Jordan 11 %, Mancelona 8½ and Harbor Springs 1.

Alan Sommerville, track captain, led the Red Devils with a tie for first in the pole vault, third in the broad jump and ran the final leg of the fourth place medley relay team. Dennis Wilson copped fifth place in the pole vault and also ran a leg of the medley relay team which also had Jack Ingalls and Gareth Thompson as members in addition to Sommerville and Wilson. Ralph Shepard, fifth in the mile run and Raymond Walker, fifth in the 880 completed the local point getting.

Immediately following the meet, Coach Saxton announced the following letter winners: Alar. Sommerville, capt.; Dennis Wilson, Jack Ingalls, Ray Wal-ker, Ralph Shepard, Gareth Thompson, Jerry Green, and Fritz Healey. Honorable mention was given Alva Noriot, Rodney Steenberg and Jack Evans.

### **Candidates**

Highlight of Saturday's parade were four northern Michi-gan queens representing three cities. They were: Gail Krahnke, of Charlevoix, National Cherry Festival; Ella Clute, of Boyne City, National Trout Festival; Marian Danforth, of East Jor-dan, Paul Bunyan Days and Patricia Gilpin, queen of the Jordan.

Donald Clark, chairman, East Jordan Businessmen's Associa-tion said all festival chairmen reported outstanding cooperation from surrounding communities and especially Boyne City and Charlevoix.

Boyne City placed several oats in Saturday's parade. Hundreds of children took

part in Saturday morning's Kiddy Kapers contests at Memorial Park. They were run off with

Gayle Saxton in charge. The Jordan River Sportsment Club reported a large number of visitors visited sportsments park to feed and sportsments and the area and the

all who aided the festival's success, since many residents offer-ed help to the various chairmen in charge. Although rain hampered Sun-

day's water events none were cancelled. In addition to the outboard boat races, local inboard boats were raced and a water skiing demonstration was held.

A visit by United State Coast Guard gave an official atmos-phere to the water events. Two booths at the lake spon-

sored by the East Jordan Rotary Club and the South Arm 4-H club served food throughout the festival. Monday's Memorial Day ser-

vices sponsored by the Rebec-Sweet post of the American Legion attracted the largest crowd in many years.
