RECREATION NEWS

Large Percentage Of Youth Attend E. J. Summer Camps

With some one hundred and forty East Jordan boys and girls back home following camping sessions at Camp Ocqueoc and Camp Charlevoix, the Community Chest summer recreational activities program gets back to normal.

Highlight of the past two weeks has been the girls' and boys' camping projects. The girls spent a week at Camp Charlevoix and the boys are this week completing the second session at Camp Ocqueoc near Rogers Ci-

Without a doubt this year's camping efforts far outdid anylieved that few cities in Michigan send a greater percentage of its youth to summer camp than does East Jordan.

With camping in the past, beginners' tennis will be resumed each week day morning Monday through Friday at the high

Boat Racers Invited To Boyne City

cers who have made a name for themselves have been invited to enter boat races at Boyne City's Annual 4th of July homecoming festival.

The contest will be run off at 12:30 on Saturday, July 2nd with several trophies for winners. Local racers may contact Jim Dilworth at Boyne City to

been invited to place an "auto" in the annual Soap Box Derby. Prizes are a \$50 bike, a baseball glove and a BB gun.

Local merchants are being encouraged to place floats in the festival parade.

The celebration will run from July 2 to 4 and include water skiing, a horse show, fireworks and many contests.

Additional information will be published next week.

Adjust Rate For Summer Water Use

East Jordan home owners will not have to pay sewage charge on water they use for sprinkling lawns and gardens or for out side use. That's during the months of July, August and September.

The city council this week passed an amendment to the city ordinance No. 83 which pertains to this. It is published elsewhere in this issue.

Residents will pay a sewage charge during the three months on an average bases of what they used for the other nine months of the year.

Additional water used during the three summer months (for sprinkling etc.,) will be paid for by the resident according to the meter reading and without a sewage charge added.

Walk-In Cooler Constructed At Bill's Duck Inn

The addition of a walk in coolhas been completed at the Duck Inn.

Owner William Rebec said the cooler, a 12 x 16 foot cinder block structure, will be used for the cool storage of meat, vegetables and other food items.

The small building is located directly behind the Duck Inn and has an outside entrance.

Rebec said the savings brought about by addition of the storage cooler will be passed on to Duck Inn customers.

He is inviting customers and friends to stop in and examine the new addition.

school tennis courts commencing To date this part of the proram has been met with a great deal of enthusiasm. Junior softball for boys will continue. Girls softball practice also is on the agenda with practice sessions being held every Wednesday afternoon at 1:30 p.m.

Handicraft classes will be held Monday, Wednesday and Friday afternoons at the Tourist Park on West Side: Due to the imense popularity of the activity in the past, it is necessary to arrange classes according to various age groups this summer.

Boys and girls 8 years old and vounger will meet on Monday afternoons, nine, ten and eleven year olds will meet Wednesday afternoons with the 12 year olds and older meeting Friday afternoons. Mrs. Gayle Saxton will conduct the handicraft groups again this summer.

Playground activities will take place at the Tourist Park each week day afternoon except Sat-

Play in the Rainbow City Softball League takes place every Tuesday and Thursday evening.

Square dancing is scheduled to get under way early in July. As in the past, these dances will be held at the Recreation Building at the Tourist Park every Wed-

Tennis Players At Grand Rapids

Seven East Jordan tennis players time week are taking part in the 7th annual Junior Center Tournament in Grand

The meet continues for a week with 200 of West Michigan's top players taking part.

East Jordan players entered include Bob and Cal Darbee, Dick Johnson, Lysle Johnston, Larry Woodcock, Wes Pemberton and Jerry Brennan.

Rev. Thompson Here For One More Year

Rev. C. W. Thompson was returned to East Jordan for one more year at the annual conference of United Missionary Churches held at Brown City on June 13th. This will be Rev. Thompson's sixth year in East Jordan.

ELECTION COMING

Plan Town-Wide Meet To Discuss Building

East Jordan **FFA Members** At Area Meet

Sixteen FFA chapters from Northwestern Michigan Region of the Michigan Association of the Future Farmers of America were represented at the 11th annual leadership training confer-nce held at the Michigan Conservation training school, Higgins Lake, June 13-15.

Each chapter was represented by five of its officers and their advisors. Delegates met in informal groups to exchange ideas on successful chapter operations.

FFA Chapters attending were: East Jordan, Benzonia, Boyne City, Buckley, Gaylord, Kaleva, Harbor Springs, Manton, Marion, McBain, Mesick, Pellston, Petoskey, Scottville, Traverse City and Lake City.

Regional officers in charge were: William Mallory, Pellston; vice president Robert Prebble. East Jordan; secretary, William Anderson, Scottville, treasurer; Robert Pike, Mesick, reporter; Larry Herweyer, McBain, sentinel; Duane Nugent, Benzonia,

ed to install a sewage disposal

system under Court order. We

had to do it. Now we have to pay

for it. This year the cost of op-

eration and upkeep of the Sewer

Department together with the

interest and debt retirement of

the bonds issued for the sewer

system is \$20,397.00. That's a

You can better realize the

size of this one item when you

lot of money.

Will Explain School Plan, **Answer Finance Questions**

one. This is bad in two ways: 1) they are continuing to pollute the lake and spoiling the great efforts we have made to improve our lake front, and 2) they are not bearing their fair share of the cost of the sewer system. We ask that you all discuss and think about a solution to this problem.

We come now to the extension of sewers to new users. We would like to see everyone on a good sewer. But we just don't have any money. You will remember that in the beginning of this letter, we said that the total revenue of the city from general taxation was \$36.204.40. We would like you to know how this

Cemetery	\$2,000.00
Streets	14,000.00
Fire Dept.	3,000.00
Parks	3,000.00
Library	3,000.00
Police Dept.	6,621.00
General	4,583.40
	000 004 40

We would like to point out a couple of things about the expenses above:

1. The amount given for streets is in addition to all state aid - this comes out of the City.

2. The amount given for general expense must cover all administrative and other expenses. It is not enough. We are able to add to it certain income that we have fro mthe cemetery and (Continued on Page 6)

A town-wide meeting to discuss the proposed construction of a \$410,000 sixteen room elementary building on the school grounds has been set for the night of July 13, according to W. G. Boswell, secretary of the board of education.

Boswell said that Mr. Ackley, the architect, will attend the meeting at the high school to answer questions concerning plans and type of construction. The architects' drawing of the

proposed building now is on display in the window at Gidley's Drug Store. Boswell said it will be neces-

sary that the school district borthe \$410,000 and issue bonds for it.

THE SCHOOL BOARD will ask that the bonds be retired over a 20 year period, but in actual practice they will be retired in 14 years. The extended time is for the

purpose of making the issue more attractive to investors, thereby lowering the rate of interest. The board will also ask that

the tax rate be increased 81/2 mills over and above the 15 mill limitation. This increase will furnish enough money to retire these bonds over the 14 year period, it was said.

Voting on increasing the millage and issuing bonds will take place Monday, July 18th in the

City Council Explains East Jordan Sewage Problem

tion with the city sewer system. The city council has asked the News-Herald to relay the following information to its readers. Information prepared by the council in the way of explanation of these problems.

We have a great many problems in connection with the operation, maintenance and extension of our sewer system. These are not just the problems of your sewer committee, or your city council—they are the problems of each and every resident of East Jordan. They can only be solved through the cooperation of all of the citizens of East Jordan.

So that you can better understand our situation, we are lay-

sident, Mrs. Gladys Taylor, flew

ing all our cards on the tableface up. As you know, we were requir-

know that the total general property tax on all real estate in East Jordan in 1955 is \$23,909 .-40. The general city tax on per sonal property yields \$12,295.00 in 1955. So the total city revenue from taxes (excluding sew-

er) is \$36,204.40. As we said before this \$20,-397.00 must be paid. It is paid out of the special sewer tax levied on the property, and the sewer charges made on your water bill. We know these sewer charges are high, and we know that people are complaining, but we have the cost staring us

It looks to us like your sewer charges can be lowered in only two ways, both of them require the cooperation of YOU, OUR FELLOW CITIZENS.

1. By reducing our cost of operation.

This_means we must be careful what goes into the sewer. Avoid dumping oil or gas, or rubbish down sewers. Such things cause increased maintenance costs.

Another way is to reduce the volume of flow into the plant. Right now we have a great deal of storm and roof water flowing into our sanitary sewers. This makes our pumps run longer and so increases our costs. We should divert such water into storm sewers. Such a move requires the cooperation and the willingness of the property owners to pay the cost of installing additional storm sewers.

2. By increasing the number of people using the sewers. We can serve many more users than we have without increasing our operating costs.

If we can add users to the sewer, each individual's share of the cost will be reduced. Right now we have some people who were on the old sewer, and have refused to connect to the new

Free Public Dance Offered In Youth Center Opening A free public dance will mark

the opening of a new East Jordan youth center tonight (Thursday) June 23, at the exhibit hall building on the former Charlevoix county fairgrounds.

The newly organized Swan City Boosters Club, with Chonnie Somerville as president, met re-cently to elect officers and lay

They plan to develop a youth center "which would benefit not only East Jordan young people, but also those from the surroun ding areas as well." SELL MEMBERSHIP

The club plans to hold weekly dances, open to the public, as means of raising funds to make the club self-supporting; and also by selling memberships to young people and associate memberships to adults interested in supporting recreational activities for area youth.

PRESIDENT Chonnie Somerville said membership to the club may be obtained from any club officer or at the dances which will be held every Thursday night at the club house The following officers have

been elected: President, Chonnie Somerville:

vice president, Shirley Cutler; secretary, Dick Vincent; treasurer, Kay Kloster: and trustee. Shirley Shaw. ADULTS HELP The president explained that to advise and assist the above of-

ficers, the following adults were

cent: treasurer Bill Lyons: trustee, Merrit Shaw. Adult advisors include: Dan Sinclair, Keith Dressel, Margaret Olson, Hugh Gidley, Bill Grauel, Mr. and Mrs. Bill Healey Jr., Jim Lilae and Mr. and Mrs.

Milton Meredith.

PUBLIC WELCOMED

President Somerville said the club is inviting the public to at tend the open house and dance Thursday night.

Eighty Nine Enjoy Girls

cil made it possible for 89 East Jordan girls to enjoy five days camping at Camp Charlevolx June 15 to 17.

Girls seven to fourteen and scouts and non-scouts attended the camp. Nine senior counselors three junior counselors, two cooks, one water front aid and a camp nurse were in charge of activities.

The girls enjoyed handicraft, nature study, archery, ceramics and swimming. Each girl read two to 10 books

while at camp. They were loaned by the East Jordan public library hich loaned 89 books in all. The sponsors are publically thanking the library for furn-

ishing the books. Each girl completed from two to seven projects which included: felt coin purses, lawn signs, wooden bracelets, clay beads, beach bags, plywood note books covers, babushkas, jewelry made ceramic, nature study note

books and table decorations. There were swimming instructions and general swimming periods. There were camp fires each night.

Mr. Smith, owner of Camp Charlevoix, said he was pleased with the program and also with the conduct of the East Jordan girls. He has extended an invitation for them to return next year. Plans are already underway for biggr and better camp sion next summer, it was said.

Gimmie, Gimmie. Gimmie!

America is the only Country in the world that has given man justice, freedom and equality. We should never neglect our duty to be good loyal America citizens and we should never rely on others to accomplish what we are aiming at. We should always give an honest day's work whether we work for ourselves or others, in order to produce. Remember a house is to be built from the bottom and not from the top! * * I personally have found that in order to get what you aim for, you have to work for it. No individual should depend on others, but should learn to depend on himself. No matter how little you may earn, you will enjoy it. At no time should an individual feel that the Government owes him a living, as the Government is sustained by the people. The only thing that a Government should promise to its Citizens is good Social and Constructive Legislation. * * * When a Citizen begins to depend on his Government for Future Security, the Nation stands still, and he becomes

NORTHERN

(Compiled by the News-Herald Staff)

Superscope, cinemascope and the like are nothing new to those people who have been studying photographic operations. If somebody had poured money into the study we could have had these wide screen movies 32 years ago. In April, 1923, there was an illustrated story in Popular Mechanics about a: "Special camera for taking two independent films, one through a red and the other through a green light filter, to produce stero-scopic moving pictures." It required 32 years to perfect the "new movies" we have today. Or was it the threat of TV that brought it on "all of a sudden."

General Motors spends more money for advertising than any other firm in the U. S. Perhaps the world. They spent way over \$37,000,000 in advertising last year. Ford was second and Chrysler was third. Rest of the top ten advertisers for the last four years were: Colgate-Palmolive, Distillers Crop, General Foods, Proctor & Gamble, Lever Bros., National Distillers and Schenley Industries.

AROUND THE NORTH — They're hopping angry on Beaver Island. The Island's civic association did not suggest the U. S. establish a jet base there. Neither did any one else on the island. It was some guy down state "who decided to take it upon himself to decide what was good for the island." . . . In a vote supervised by the NRLB, the attempt by a national union to obtain permission of Wayne Wire Company employees to organize and affiliate was turned down . . Wayne Wire is a comparatively new plant at Kalkaska . . Several Charlevoix county businessmen and residents plan to attend a Cadillac meeting Friday called by the State Department of Economic Development. Prentiss M. Brown, chairman of the Mackinac Straits Bridge Authority, will discuss the importance of the bridge to northern Michigan . . . Mrs. R. J. Bachman, of Gaylord, has an American Flag with 45 stars in it. What year was it made? . . . The City of Gaylord will start its 75th year with a diamond jubilee next year .

Charlevoix county's 13,000 people bought \$325,000 worth of food from merchants in the county during the 31 days of last March. That's about \$10,500 worth of food per day. A little better than

Sally Nesman Exchanges Vows At MSC With Van Burmeister

At an afternoon ceremony, June 17th at Alumni Memorial Chapel, Michigan State College, East Lansing, Sally Beth Nes-man and Van W. Burmeister were united in marriage. The Reverend Edward O. DeHaven of the First Presbyterian Church of East Jordan performed the ceremony before an altar decorated with white gladeli, delphin-eum, carnations and lacy huckle-

The brides parents are Mr. and Mrs. Albert Neil Nesman of East Jordan, and her husband is the son of Mr. and Mrs. John Bur-meister of Kingston, Michigan.

white organza over summer taffeta with moulded bodice trimmed with lace embroidered with seed pearls and houffant hooped skirt scattered with pearls, the bride wore an heirloom English lace crown studded also with pearls, crescent shaped cascade bouquet of Marguerite dai-

State, Gov. To Examine County Herds

the state are making plans to nove into Charlevoix county to check farmers' cattle for the dreaded bovine tuberculosis.

The disease costs Michigan farmers hundreds of thousands of dollars; and under the right conditions is transmissible to the people. It sometimes is spread to swine, poultry and other an-

The State Department of Agriculture reports that federal men will will move into six Charlevoix county townships and go o work.

The townships are: Wilson, South Arm, Eveline, Marion, Norwood and Charlevoix.

One half of the cattle in each county are tested every three Latest estimate gives Charlevoix county a cattle population of 9, 172.

TUBERCULINE testing here will be under direct supervision of Dr. Earl Fairbanks with area veterinarians who are available. When reactors to the disease are found, they are appraised on the farm. Then they must be shipped direct to a federal es-tablishment for slaughter.

Last Charlevoix county tests showed 3,082 cattle with three reactors and .097 percent infection - lower than the national average.

Farm Bureau News \dots

The Walloon Farm Bureau group held their June meeting at the home of Edgar Jensen. Reports were heard from the action committee by Hannah No-

testine, and the Women's committee by Mrs. Phillips. Discussion was on "The Problems of Our Closed School Districts," the topic of discussion for June.

Star Farm Bureau group held their June meeting at the home of Curtiss Nicloy. The business meeting was preceded by a weiner roast.

Reports were heard by minute man, William Gaunt. county director Leslie Sheridan, and by Agnes Healey reporting for the Women's committee. Discussion was led by Curtiss Nicloy.

Hayes Farm Bureau group met at Hayes Town Hall for the

June meeting.
Alice Willis gave an interesting report on the first day of the Women's Camp at Twin Lakes. Ed Shanahan reported on county activities. Ed Shanahan led the discus-

Meeting closed with a lunch

Hammond, Indiana, Lee Martin of Bancroft, and Marvin Kaski of Crystal Falls. Miss Ina Gore of Traverse

City was maid of honor. Brides-maids were Peggy O'Rae of Dearborn, Julia Ann Malpass of East Jordan, and junior bridesmaid Janet Gail Nesman of East Jordan. All wore identically sty-led gowns of yellow sheer nylo-mist over taffets and carried shirred tulle muffs decorated with yellow California daisy cor-

sies, ivy, sheer pointed lace and

Dale Harman and Freddie Walters of Cuyhoga Falls arrived at Rustan Resort last Friday where his wife, Betty and son have been visiting her parents, Mr. and Mrs. E. H. Phillips for three weeks. They left Sunday for home.

Mr. and Mrs. Alfred Crowell spent Sunday afternoon and evening with their parents, Mr. and

Lower Auto Ins. Premiums Told By Milstein

Barney Milstein, East Jordan representative for Auto-Owners Insurance Company of Lansing, has announced beginning of novel rating plan for automobile risks which with improved classification methods will mean lower auto insurance premiums for people in the following groups:

Men or women who use their car for business; farmers; married men under 25; families who have a daughter under 25 using the car; young men under 25 who have successfully completed an approved driving-training course; young men under 25 who use the family car only occasionally.

"The experience of Auto-Owners with these six groups has been favorable during the past 18 months," Milstein said, "and was felt that those who come under them should be entitled to whatever benefits accrued from this favorable experience."

As a result, the company has reclassified each from its original higher-rated classification to another. This means a substantial savings for many.

Senior Biog.

DAVID GRAHAM

David Charles Graham born in Detroit on May 24, 1937 the youngest of the five sons of Mr. and Mrs. Archie Graham. He has spent all his school years in East Jordan school. He was mos interested in shop and agriculture. During his years as an FFA member, he was sentinel for one year and treasurer during his Senior year. He also took part in the sports, baseball, football and tennis.

His future plans include be-coming a state policeman after he serves his time with the arm ed forces.

BOB MCGEORGE

Bob McGeorge was born to Mr. and Mrs. Chester McGeorge on June 1, 1937. He joined the class in 1948 when he moved here from Boyne City. During high school he participated in basketball, football, tennis and

His future plans include date with Uncle Sam. (Continued on Page 6)

W. G. Boswell Moved by Porter, supported by Darbee that the regular meetings of the board of education be held on the second Monday of each month in the offices of the superintendent in the high school build-

ing at 8:00 p.m. Carried.

The following resolution was offered by Healey and supported by Boswell who moved for its adoption.

WHEREAS: the whole number of votes cast for the office of trustee for three years was 44 votes, and WHEREAS: Howard Darbee received 42 votes and Wm. A. Por-

votes they are hereby declared elected for the ensuing three years.

the ensuing three years.

The following preamble and resolution were offered by Member Healey and supported by Member Porter:

WHEREAS: In the opinion of this Board it is necessary and expedient to erect and furnish a new elementary school house, and WHEREAS: This Board estimates the necessary cost of such project, including interest on bonds to be issued therefor accruing before the anticipated time of collection of the first taxes from which such interest can be paid, to be Four Hundred Ten Thousand Dollars, (\$410,000) and

WHEREAS: It will be necessary for the School District to borrow the said sum of Four Hundred Ten Thousand Dollars (\$410,000,00) and issue the bonds of the District therefor, and

WHEREAS: It is necessary to increase the constitutional tax rate

00) and issue the bonds of the District therefor, and WHEREAS: It is necessary to increase the constitutional tax rate limitation in the District in order to comply with the statutory requirements for the issuance of said bonds, and WHEREAS: This District is a rural agricultural school district and for elections is governed by the provisions of Chapter 7 A, Part II of the School Code, and WHEREAS: This Board has formed the District into one (1) withing receipted.

WHEREAS: This Board has formed the District into one (1) voting precinct;
THEREFORE BE IT RESOLVED THAT: A special election of the qualified electors of the School District be called and held in the City Hall, in the City of East Jordan, Michigan, on Monday, July 18, 1955; the polls of election to be open from 7:00 o'clock, a.m., until 8:00 o'clock, p.m., Eastern Standard Time.
The questions of Borrowing by issuing bonds of the District and of increasing the tax rate limitation be submitted to the vote of the electors qualified to vote thereon at said speical election. Resolution declared adopted.

declared adopted.

Motion to adjourn.

Thursday, June 23, 1955 * East Jordan News-Herald *

With the American League season aout one-third completed, the pennant race is shaping up pretty much as Ol' Diz predic-- with one notable excep-

The big surprise to me, and to a lot of other people associated with baseball as well, is the reverse in the one-two order be-

tween New York and Cleveland. Where Ol' Diz looked for the Indians to be in front and running strong, with the Yankees doggedly at their heels, the positions are reversed and then

The Yankees are enjoying a fairly comfortable lead and Cleveland is having its hands full with Chicago in a fight for second place. Of course, the season is still young, and by the time this column (written well in advance) reaches print much could have changed.

But the point is the Yankees are doing amazingly well with a club that no one seriously com-pares with the great Yankee teams of the past.
GOOD PITCHING

While they appear weaker than in other years, the Yankees still are enjoying good pitching particularly in the relief department where Jim Konstanty has preserved many victories that otherwise might have been de-

QUIET BATS Where the Indians could always count on two or three clutch hitters to drive in the runs, the bats of cluggers like Larry Doby, Al Rosen and Vic Wertz have been quiet of late. And the Indians sorely need a "stopper," a relief pitcher who can go in and effectively silence.

> East Jordan Cleaners

Chicago is playing hot and cold ball, although seemingly al-ways hot against Detroit. The White Sox still expect to take the pennant, and the home run hitting of Walt Dropo and Bob Nieman is helping considerably in that direction.

But what is aiding Chicago the most is its pitching, with Virgil Trucks, Jack Harshman and Mike Fornieles setting the pace. In addition, Billy Pierce apparently has recovered from a sore arm and adds depth to the staff.

Detroit seems firmly entrenched in fourth place and has eyes on the third spot, but the Tigers would do well to cast a few glances back at onrushing Boston, which is now finding it-self with the return of the great Ted Williams to the Hickory and Horsehide game.

Chief Simmons Says Slow Down And Live

Chief Harry Simmons today urged all motorists to sharpen up on their driving skills in terms of Safe Passing — an important part of the nation-wide SLOW DOWN AND LIVE program now underway.

According to Chief Harry Simmons getting ahead of the other fellow in traffic is modern traffic's most difficult maneuver. He suggested that all motorists give careful study to the following 20 Safety Tips on

(1) Never pass at hills, urves or intersections.

(2) Don't cut-in right after you pass a car.

(3) Have a gap ahead, to get into when passing. (4) Use left turn signal

when pulling out to pass. (5) Warn driver ahead honk or flash headlights.

(6) Go 10 to 15 mph faster than car you're passing. (7) Use care when passing

several cars at a time. (8) When passing opposite roadside business — watch!

(9) Be doubly careful of onoming traffic at night. (10) Check for righthand

assing on four lane highways. (11) Triple alertness when passing at speeds over 50.
(12) Don't blindly follow

car ahead when it's passing.
(13) Suspect driver behind impatiently trying to pass.

(14) Wave back driver be-hind you when unsafe to pass. (15) Pull to right of your

lane when being passed.
(16) Watch driver passing on right at intersections

(17) Be wary of a car pass ing an oncoming car. (18) Hesitate passing with

(19) Question passing a car opposite a parked car. (20) Think twice before passing opposite a pedestrian.

In conclusion Chief Harry Simmons emphasized the fact that mistakes in passing can be particularly disastrous because the car doing the passing is going faster than other traffic. He urged everyone to keep in mind the summer slogans KEEP IN YOUR LANE and SLOW DOWN

Get into the Fine-Car Class...

..at a cost you can easily afford!

What is a fine car? What sets a certain few apart in the world's esteem . . . wins them first place in

most people's desire? First and foremost, a fine car is a style-setter-a real advance in smart appearance.

Naturally, it's also a pace-setter-a fundamental forward step engineering-wise. At the wheel you should know that you've reached the peak of performance—experienced an all-new kind of flashing, vigorous, smoothly delivered power.

There's more, of course. It must be enviable for theer luxurious comfort, for restful roadability, for thought-quick handling ease.

And it must, above all, be wholly dependable,

for only a trustworthy car can be called "fine."

If this meets your definition of a fine car and you want it, there's nothing in your way. For this description is right off the Pontiac score sheet—a short but perfect picture of this big, powerful, future-fashioned car. And Pontiae's prices fit comfortably into anybody's new-car buying plans!

Come in for the rest of the reasons why this is the festest-selling Pontiac in history-such as the inside story of America's most modern and efficient automotive power plant, the sensational Strato-Streak V-8. And get the trade-in appraisal this great success permits We're sure we can prove that now's your time to move into the fine-car class!

Amendment to Ordinance 83 An Ordinance to Amend Section 4 of Ordinance No. 83 insofar as it pertains to sewage consumption rate charges. The City of East Jordan Or-

The existing provision reads: "Such rate shall be computed on the basis of 100% of water rate charged to the same premises and shall be computed from the water consumption figures of the water department as eviden-

ced by water meter readings." This provision shall be amended to read as follows: "Such rate shall be computed on the basis of water rate charged to the same premises and shall be computed from the water con-sumption figures of the water department as evidenced by wa-ter meter readings in the following manner,

a. For the first, second and year (January thru June and October thru December), 100% of the water rate charged shall be used as the sewer consumption rate.

b. For the third quarter of the calendar year (July thru September), the average sewer consumption rate of the three quarters shall be used, without reference to the water consumption rate for the period.

City of East Jordan Alberta Nowland, City Clk.

Sewer Problem

(Continued from Page 1) from trailer rent in the tourist park. It is still not enough. So you can see that we don't

have any money for new sewers. In the past we have shared the expense of sewers installation on 60-40 basis. A check of other towns of all sizes reveals that the property owners pay 100% of the installation costs. We can no longer share this expense. The total cost will have to be assessed against the property ow-ners. We invite anyone who wants a sewer on this basis to come in and get a petition and circulate it among his neighbors. We will be glad to help in any way that we can.

We invite full and complete discussion on any of the matters mentioned. We want your suggestions, and above all EAST JORDAN want your cooperation.
