School Millage Vote Okayed

East Jordan school district voters gave the six millage request a 26 vote majority in special election at the city hall last Thursday.

Board of education secretary Greg Boswell said there was a total of 482 votes cast.

There were 253 votes in favor of the six mills and 227 against it. Two votes were spoiled.

The six mills assessed for one year on property within the school district were asked by the board of education to raise funds for school operational purposes.

At the school's regular election in June, the millage proposal was defeated and Thursday election was the second try to obtain the necessary funds.

Loses Fingers

The fire department rescue squad was called to the home of Mrs. Harold Moore Tuesday afternoon where Mrs. Moore had become involved in a lawn mower accident in which she lost two fingers and possibly a thumb, according to the department.

It was said the mower had turned over and Mrs. Moore caught her hand in it. A doctor was called and she was taken to the Charlevoix hospital.

The Portside Art Fair held in the community building Saturday and Sunday was an unqualified success. Mr. W. W. Rogers, Sr., who registered the guests, reported over 800 signatures during the two day event. Mrs. Russell Stough and Mrs. Marshall Acker assisted her at the door. Guests came from all over Michigan, with out of state guests from Missouri, Texas, Pennsylvania, New Jersey and Massachusetts. One visitor was from Cairo, Egypt.

During the show late Sunday afternoon William Szaro, caricature artist from Detroit, joined the exhibitors and was kept busy with his delightful caricatures of those who posed for him. He hopes to be able to spend more time at the Portside Art Fair next year.

Exhibits were on display by leading Michigan artists from the Detroit Society of Arts and Crafts and many local and area artists. Members of Portside Art Class, adults and children's classes, exhibited paintings. The local art classes are a direct growth from the interest stimulated by the art fair. Instructors are Collis Cantine and Marion MacKay, who both exhibited.

Local exhibitors included Dorothy Gibbard, Helen Watson, Ruth Palmer, Connie Urban, Virginia Ferenz, Dawn Sayles, Gwennie Crowell, Juanita Kent, Alice and Janet Nesman and Carol Sligh.

Galmores Celebrate

The children of Mr. and Mrs. Tom Galmore Sr. were hosts and hostesses at a late afternoon celebration honoring their 25th wedding anniversary. About fifty guests attended from Grand Rapids, Petoskey, Boyne City, Empire, and East Jordan. The gathering was held Sunday, August 8 between 5 and 8 p.m.

Refreshments of sandwiches, molded salads, coffee and punch were served. The three tiered wedding cake decorated with a 25th wedding emblem was baked by Thelma McKinnon.

The event was held at the home of Mr. and Mrs. Galmore, who were married August 6, 1940. Hosts and hostesses were Mr. and Mrs. Ray Prebble, Mr. and Mrs. Dan Nachazel, Mr. and Mrs. Tom Galmore Jr. and Mr. and Mrs. Jim Galmore.

Hundreds of old time residents of this area will meet at the East Jordan Tourist Park 1 p.m. Sunday in celebration of the city's annual Old Timers' Picnic under chairmanship of Mrs. Grace Galmore. Mrs. Ole Hegerberg is co-chairman.

Those attending will see a large number of old photos of this area and will have opportunity to talk and eat with old friends.

Visitors will be greeted by the reception committee, Miss Ethel Crowell, Miss June Moore and Mrs. Lula Clark.

Mrs. Galmore is stressing the fact that the picnic is not only for older residents, but also for young adults, who are being urged to attend.

In recent election by the committee Mrs. Donald Stokes was named secretary-treasurer of the event.

Mrs. Galmore announces that again this year door prizes will be awarded. John Porter is chairman of the prize committee. Merchants wishing to donate prizes are being asked to call Mr. Porter.

The dinner is potluck and residents are being asked to bring a little extra food with a dish to pass, also their own silverware. Coffee is being furnished and will be handled by Mrs. Virginia Giacomelli with Mrs. Mildred Bathke helping her.

Russell Barnett and Eileen Brennan are in charge of obtaining old photos for display.

The table flower arrangements are being provided by Gwennie Crowell and Helen Watson.

Ann Moore will be in charge of a number of girls who will help with the serving.

Others helping with the annual event are Walter Thorsen, Vern Whiteford, Arthur Wells and a number of others including a table committee headed by Bud Scott.

Former residents drive many miles to attend the picnic and residents are being asked to stop over to the park and visit with them.

In the past the picnic has drawn visitors from eleven states including Michigan and it has developed into one of the city's summer highlights.

Seek Help At Football Stadium

Put on your work clothes, or keep 'em on, and come out to Boswell Field, Wednesday, August 18th at 7 p.m. Bring a wire brush, a barn broom or any kind of broom or brush. An old vacuum cleaner, or two, would be a big help.

The grandstand at Boswell Field must be readied for the paint crew. If the weather is bad, then we'll work the 19th. High school boys and girls, Pep Club members, varsity and junior varsity squad members, bandsmen, interested adult members of the sports enthusiasts of East Jordan--all are invited to help out.

We want to be ready for that first big conference game with Pellston September 24th.

RESIDENTS APPRECIATE FESTIVAL

Nearly one thousand people attended East Jordan's fourth annual Portside Arts Fair in the community building last week-end as it developed into one of northern Michigan's summer highlights.

The arts festival filled East Jordan's downtown area with tourists both Saturday and Sunday.

The project has done much over the years to increase both local and area appreciation of the arts and those folks sponsoring the event are to be highly commended. A small group of residents have given their time and effort to plan and carry out the work and there is much evidence that our residents appreciate the fine work they are doing.

A CALL FOR HELP

A call for help to ready Boswell Field Stadium for painting is being issued this week by the school and it is hoped that many residents interested in football and other sports will pitch in and help. In the past few years many residents have from time to time helped with needed work at the field and it is believed that the job now needing to be done will receive the same enthusiastic support. As development work progresses at the field it is becoming the finest in the north country.

INDUSTRY CREATES JOBS

Job creation in private industry is at a 22-year record high, and employees are earning record wages. Employment in manufacturing climbed to almost 13.1 million jobs in June, up 244 thousand from the previous month, according to figures released by the United States Department of Labor.

This is a record peace-time total of factory jobs, and comes within only 6,000 jobs of the November 1943 all-time record when the economy was at a wartime peak. These figures serve to reiterate the fact—that private industry is the prime source of job creation, and that a favorable business climate should be maintained in order to continue to open up more jobs for a working America.

In commenting on this record, Harold C. Goldstein, a labor department official, said, "We are within a whisper of the highest level that manufacturing employment has ever attained in the United States."

The rise in nonfarm payroll jobs since June, 1964 was 2,211,000, the biggest year-to-year increase since 1959 when the country was coming out of a recession.

The average factory work week in June of 41.3 hours and average overtime of 3.6 hours were the highest since 1945. Average hourly earnings in June of \$2.62 boosted weekly earnings by 68 cents to a record of \$108.21. This was 4.5% higher than the year-earlier figure.

go of 1500 tons of pig iron from the East Jordan Iron Furnace.

Stephen Bashaw, aged 68, died at his home on the West Side.

Jule Walters, theatrical director, is opening a dancing and refreshment pavillion on his resort on the east side of the lake.

TWENTY YEARS AGO

Thoughts from Outer Space

By Marshall Sayles

When I was a young fellow floundering around on the foolish side of twenty, I used to wonder why parents did as they did; and now that I'm older I often wonder why teenagers do as they do.

Like most adults I have a hazy remembrance of not doing like our kids do.

I actually believe that we parents are to blame for the way our teenagers do. Somehow we slipped miserably when we allowed them the freedom of changing with the times. Perhaps we should have held them back so they would do exactly as we are quite sure we used to.

Back in my ice age a high school boy could go steady for six months with the girl next door before she knew anything about it.

But as times changed the boys left their shyness around behind the barn, and now they think nothing of phoning up a girl fifty miles away and saying: "Yah, we met in Chicago last summer, remember?"

Heavens, I couldn't have done that after my seven enlightening years of grammar school. Nor was I hep enough to have access to an automobile or the money in my dad's pocket.

But of all the exciting things kids do today I don't believe they get a whit more out of growing up than we did. And our whit was more sane, too.

Yes, we of the depression era had good, clean fun. And of all the things I did do I'm now sorry I didn't increase the doing.

But I'm certainly happy I did what I did while I was doing it.

The Trestleboard

This is to remind all Masons that the big "Celebration Banquet", when the mortgage on the Temple will be burned, will be held in the high school gym Saturday, August 21st at 6:30 p.m. This will be a \$5.00 dinner with prime roast beef and all the fixings with a ticket charge of only \$2.00 to help cover expenses. Mr. and Mrs. Louis Manglos, who are expert chefs, will plan the menu and be in full charge of the kitchen. It is hoped and expected that every local Mason and his wife and every local Star and her husband will attend. Masons and Stars may bring as many guests as they wish. It is imperative that the management know at least seven days before the 21st how many will be in attendance. So get your tickets before then. Many northern Michigan lodges will be represented. This is a "once in a lifetime" occasion and we urge you not to miss it. It is planned to pay off several shares of stock. All stockholders stock numbers will be put in a container and the lucky winners will receive a check for their stock. William Harmon of Cheboygan, who is the Grand Senior Deacon of the Grand Lodge, will be the guest speaker.

Following the regular communication of the Lodge last Tuesday night, the trustees of the Building Association held a meeting. Plans for liquidating stock were discussed.

The Eastern Stars served a cafeteria luncheon last Sunday noon and afternoon. This was in cooperation with the Portside Arts Fair.

Thy word is a lamp unto my feet, And Light unto my path. —(Psalms 119:105)

When we start the day, place ourselves through prayer under divine direction. God is at the heart of our being as wisdom and intelligence. He is our light and our guide. His spirit goes before us and prepares the way. We are not alone. God is with us. He gives us a sense of peace and security.

A WORD TO THE WISE FROM MISTER OH

YOU SAVE WITH STABLE OIL PRICES

The economy record of oil is amazing. Right today, when other automatic fuels and everything else costs more, fuel oil prices are lower than in 1956! And they're likely to stay down for three good reasons: world supplies and reserves keep growing; refiners and your local fuel oil dealers compete for business; and as more gasoline is used more fuel oil is produced. Everything works to keep saving you money when you choose modern oil heat.

Mr. and Mrs. Albert K. Spafford

Miss Helen Marie Addis was united in marriage to A 2/c Albert K. Spafford at 11 a. m., Saturday, July 31 at St. Joseph's Catholic Church in East Jordan. Rev. Joseph J. Malinowski officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Lawrence Addis of East Jordan and parents of the groom are Mr. and Mrs. Kenneth C. Spafford of Frankfort.

The altars at the church were decorated with bouquets of pink and white gladiolus and white pom poms. Family pews were marked with a single white gladiola.

Given in marriage by her father, the bride wore a gown fashioned with a peau de soie bodice appliqued with lace and embellished with pearl heads and sequins. The scoop neckline was accented with a single strand of pearls, a gift from the groom. Her three-quarter length sleeves with split sides also were appliqued with lace and pearl heads. Her floor length skirt of Rachael lace was fashioned in a bell shape with a chapel length train. She wore a crown of pearls and crystal, which secured her elbow length veil of imported illusion. She carried a cascade arrangement of pink sweetheart roses, white carnations and ivy on a white prayer book.

The maid of honor, Miss Marciana Brzezinski, friend of the bride from Cedar, Michigan, wore a floor length gown of or-

ganza over pink taffeta. The fitted bodice had a scoop neckline and elbow length sleeves. A pink taffeta rose centered the waistline and the bell shaped skirt was finished at the bottom with schiffli embroidery laced with matching pink ribbon. Her circle veil was held in place with a pink cabbage rose of silk. She carried a bouquet of pink sweetheart roses and white carnations.

The best man was A 2/c Francis Joraskie of Kincheloe AFB. Ushers were William Addis and David Spafford, brothers of the bride and groom.

For her daughter's wedding, Mrs. Addis chose a blue and green print silk dress with white accessories. Mrs. Spafford wore a blue print whipped cream dress. Their corsages were pink and white gladiolus.

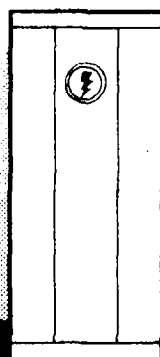

A reception was held at the Jordan Inn at 2:30 p. m. Host and hostess were Mr. and Mrs. William Addis, brother and sister-in-law of the bride. Others assisting were Mrs. Roy Stefens, Mrs. Arthur Beck, aunt of the groom, Mrs. James McKenney, Mrs. Barry Snyder and the Misses Nancy and Peggy Spafford, sisters of the groom.

The bride's going away dress was a two piece suit of red and white dotted Swiss with white accessories and a corsage of red and white carnations. After a trip to Niagara Falls and New York the couple will be at home at 1418 Young Street, Sault Ste. Marie.

TAYLOR RECEIVES "SEAL OF APPROVAL"

William Taylor has received a "Seal of Approval" award for
his new IGA store from the Alpena Wholesale Grocery Co. Shown
here are Fred Johnston, president, left and Gerald L. Nowak,
assistant manager of the grocery company as they present the
award to Taylor. Seal of approval awards are presented annually
to the IGA members whose store meets specifications as set forth
by IGA Chicago headquarters. Official identification, cleanli-
ness--inside and out of the store, official colors where paint is
used and adequate lighting are chief requisites for the award.

Mr. and Mrs. Ralph Hilts enjoy riding in a new car; and we
helped put them in it. Ralph and his wife picked out the automo-
bile. And like most of us...needed money to buy it with. It was
suggested to them that they get an auto loan from the State Bank of
East Jordan. No problem. Ralph Hilts had heard about our quick
OK's and low interest rates. He got the loan. He bought the car.
He's happy. So is Mrs. Hilts.

Drive carefully, folks.
