Services were held at 2 p. m. Saturday, December 4 at Watson's Funeral Home in East Jordan for Charles Edward Raymond, 13, who died as the result of an automobile accident on December first. Rev. Beatrice McWatters officiated and burial was in Sunset Hill cemetery.

Charles was in the eighth grade in East Jordan Public School, and was active in Little league baseball and softball.

Surviving are his parents, Mr. and Mrs. Ernest Raymond of East Jordan; six brother, James E. of Germany, Phillip G. of Detroit, Louis E. of Boyne City, Duane A. of Grand Rapids, Richard W. of East Jordan and Douglas K., at home; two sisters, Mrs. Larry (Eleanor) Chanda and Mrs. Clayton (Linda) McKay.

Relatives and friends from out of town to attend the funeral came from Detroit, Grand Rapids, Central Lake, Frankfurt, Germany, Constantine, Portland and Boyne City.

The Charlevoix county sheriff's department reported Tuesday that four persons involved in a two-car accident in which an East Jordan boy lost his life on the Behling Road, 8:40 p. m., December 1st, are still in Charlevoix hospital.

They were; Douglas Raymond, Glen McKinnon, of East Jordan and Doris Day, of Boyne City and Dewey Glem, of Boyne Falls.

Riding in the automobile owned by Maurice Kraemer at the time of the accident were; Douglas Raymond, Glen McKinnon, John Charles Kraemer, Maurice Kraemer Jr., and Charles Raymond, all East Jordan youths.

Riding in the other auto were Doris Day, of Boyne City and Dewey Glem, of Boyne Falls.

The Sheriff's department said Charles Raymond 13, lost his life because of the accident and that John Charles Kraemer, 15, was the only person without injury. It was reported that Maurice Kraemer Jr., was released from the hospital this week.

The head-on collision took place on a slippery, ice-covered hill and according to the Sheriff's department the driver of the Kraemer automobile was ticketed for violation of the basic speed law.

Full military honors were accorded Sp-4 William J. Taylor III at the East Jordan Presbyterian church 2 p. m. Sunday with Rev. Donald H. Schliecher of the Central Lake Congregational Church officiating.

Committal service was conducted at graveside in Sunset Hill Cemetery by members of the Rebec-Sweet Post 227, American Legion, with Chaplain William Drenth offering prayer.

The 23 year old serviceman was killed in action in Vietnam, November 20. He was the husband of the former Louise Hebden and the son of Mr. and Mrs. William Taylor, of East Jordan.

The young serviceman was born at Charlevoix hospital April 18, 1942 and was graduated from East Jordan high school in 1960.

SP William Taylor was well-known and well-liked in this area. He was a former East Jordan Red Devil having played basketball and he spent much of his time at the westside softball park.

The serviceman attended a meat cutters' school and worked for a time in his parent's IGA store, before joining the army on June 2, 1964.

The young couple were married in September shortly before he went overseas from Ft. Riley, Kansas as a medical corpsman with the second battalion of the 28th infantry. His wife is the daughter of Mr. and Mrs. Chris Hebden of Central Lake.

More than 300 people from throughout northern Michigan attended the funeral services at the Presbyterian Church Sunday. American Legion members from several surrounding communities met at the American Legion Hall here and marched to the Church to attend the services.

East Jordan flags were flown at half staff from the time the body arrived in the city Thursday until after the services Sunday afternoon.

The body arrived in San

Francisco, California and was escorted to Traverse City by Sgt. Terry Eggart, of the U. S. Army. At Traverse City the guard was met by Major Charles Allan, of Mt. Pleasant, US Army and escorted to East Jordan by four American Legion members, William Bennett, Sherman Thomas, Thomas Brakey and Maurice Murphy.

COUNTY HIGH IN HEART ATTACKS

Charlevoix County ranks far above the statewide average of deaths caused by Heart Attacks, Dr. James B. Blodgett, president of the Michigan Heart Association, says.

In Charlevoix County 61.5 percent of all deaths were caused by cardiovascular disease, the statewide average was 55.2 percent. Percentages are based on the State Department of Health statistics of 1964.

WILSON JOINS GAYLORD POLICE

A former East Jordan Red Devil Football star, Don Wilson, has joined the Gaylord police force, becoming a city patrolman there.

Wilson, who has worked at the East Jordan Iron Works, began his Gaylord police work November 25th.

The new policeman spearheaded one of the Red Devil's outstanding football teams and was named an All State Class C football star. He received honorable mention on the high school "All American" team.

CHRISTMAS STAR A MYSTERY

The mystery of the Christmas star brings popular interest to a peak during December, but no satisfactory astronomical explanation is at hand.

U of M Astronomer Dr. Hazel M. Losh says the narrative about this star is too incomplete, the date of its appearance too uncertain, and the early calendar too unreliable, to lead to any definite conclusions.

One reasonable explanation advanced, Dr. Losh points out, is that the "star" reported to have guided the Wise Men may have been a conjunction or close grouping of bright planets.

"Some bright planets are visible now, and they are always promising and alluring. In looking for a symbol of the reason, Venus well fills the bill."

Some twenty skiers have turned out to vie for positions as East Jordan High School resumes competitive down-hill skiing. These students are as follows: Mike Bernard, Pat Breakey, William Breakey, Brian Bulow, Bruce Bulow, Cal Diller, Claudia Dubas, Janie Fisher, Brian Green, Pauline McKay, Cathy Malpass, Julie Malpass, Tim Malpass, Tina Malpass, Ellen Pray, Jerry Schenck, Ted Sherman, Cindy Sinclair, Greg Sutherland, Sue Swoboda and Jack Yertaw.

Through the interest and efforts of Ben Schenck, local sports enthusiast, Shanty Creek Ski Lodge has graciously offered their facility to our local racers. In addition to the facility Mr. Deskin, owner of Shanty Creek Lodge, is giving the professional services of world famous racer and ski instructor, Fritz Tatzler. Our local student racers are extremely fortunate to be able to receive such instructional assistance and the most adequate facilities of Shanty Creek.

To date no schedule of meets have been set. As information concerning this program comes forth it shall be passed on to those interested readers.

It might be of interest to note that the only local monies to be used will be to transport ski students to meets. Considering the values that can be derived through this activity and the small amount of money involved, it seems the local Board of Education wisely acted in expanding the local athletic program to include down-hill racing.

Tougher Targets In '65

Michigan's second modern-day elk season, set for Dec. 8-16 in the Pigeon River area of the northern Lower Peninsula, is expected to be sportier than last year's hunt. Although the area's herd is estimated to be as big as it was a year ago -- about 3,000 - 3,500 elk -- indications are that most of its, easier-to-kill animals were picked off in 1964. Generally, that means this season's 300 licensees will have to move into the back country to find where these prized animals are. Even then, their shooting success isn't expected to approach that of last year when 269 elk were shot. Best guess of Conservation Department game men is that hunter take will be closer to 100 animals.

SP-4 WILLIAM J. TAYLOR III

We do not seem to be at war. There are no great shortages of consumer goods, no rationing, no servicemen walking the streets on furlough. There is no great wave of war feeling in our midst. Yet we are at war.

And our sons are dying half way around the world in an armed conflict while business is as usual at home.

This is the ironic part of today's fighting over seas.

We know America is right in this struggle and yet we are wondering what it is all about. And the whole thing is rather vague to us.

That is the way most of us felt two weeks ago... until...

The sharp, fire-like realization that WE ARE SERIOUSLY AT WAR struck East Jordan with a great wounding stab that shook this community to its very roots, spreading the feeling of alarm throughout all northern Michigan.

One of East Jordan's well-known native sons of well-known parents was struck down in action on the battle front. The death of William J. Taylor III shook all northern Michigan, sent hundreds of people in many communities into mourning and awoke them abruptly to the fact that United States is at war.

Specialist William J. Taylor III, son of Mr. and Mrs. William Taylor, was killed in Vietnam action November 20th by a Viet Cong ambush with the "Big Red One" in Vietnam.

He was the first northern Michigan serviceman to die in the present war with the Viet Cong. It has been more than 20 years since this community mourned so deeply for a native son.

Sympathy was extended to his wife and parents from throughout Michigan as every communications medium in the north spread the sorrowful news.

And now the burial with full military honors is over, with northern Michigan residents paying high tribute to a soldier son.

His wife and parents are left with the deep knowledge that Billy served proudly and with honor and with a sense of duty to his country and to his own home town.

William J. Taylor III was a good soldier, a real American. And he did not die in vain.

Yes, the United States IS deeply at war.

"They always tell you to shop early but they never tell you how to get the money early."

(BY RUBY DIPZINSKI)

Many unbelievable things happen in a small town such as this. You may hear them in the super market or at the post office or any one of a dozen places.

For instance who would believe how conscientious a deer could be. Just ask Cliff Mayhew!!

Last week he was hunting about 12 miles from home when he came across a buck and three does. He waited his chance, took aim and fired five times. The buck still stood where it was. Cliff went to reload and was out of shells. He went back to his car, drove home, picked up more shells and went back to the scene. Believe it or not---the buck was waiting for him not over 75 yards from where he first shot at it (the buck was even laying down). Cliff aimed, fired and brought home a beautiful nine point buck.

Pretty hard to believe, isn't it?

Another funny thing happened Friday afternoon.

As most of us know the Chamber of Commerce telephone rings on the desk of Marshall during the winter. Last Friday afternoon, Marshall closed the office, leaving the cleaning woman to do her work. She knew that the phone was for the Chamber of Commerce, so when it kept ringing after 5 o'clock she didn't answer it. The party was very insistent and kept ringing and ringing and ringing. Finally, she answered it to tell the party that he or she would have to call on Saturday or wait until Monday as the office was closed for the day.

However, as she was explaining this, the party informed her where he was calling from and that he was trying to find a place to stay to go deer hunting over the weekend. She told him that she didn't know of any place and then remembered that she was leaving for Grand Rapids for over the week end.

Well, anyway, she rented him her house for over the week end and she went to Grand Rapids. The party left her a note on Sunday when he left thanking her and telling her how the hunting was. Neither even saw each other.

Now, that's what you call a day's work for the Chamber of Commerce!

Well, this is all for this time, remember the game Friday night when the red devils take on Boyne City here and I hope that none of you missed the Garden Club's Greens Market sale.

The Trestleboard

The members of East Jordan Lodge No. 379 extend their deepest sympathy to Past Master Bill Taylor and his wife, Mary, in the tragic loss of their son. Although helpless to do anything about it-for death is so final-we want them to know that their many friends are concerned and saddened.

The annual meeting of the local Lodge will be held next Tuesday evening at the regular hour of eight o'clock. Following the monthly business meeting the annual report of the secretary and treasurer will be read and passed upon and offi-

cers for the coming year elected. It is also customary to pay dues at this time. Prior to the meeting and at about 6:45 a pot-luck supper for all Masons and their families will be served. Please make a note of these notices in your little black book.

The Senior Grand Deacon of the Grand Lodge, William Harmon, who resides in Cheboygan, informs us that he would like to hold installation ceremonies for our three Lodges in Charlevoix on Tuesday evening December 21. He performed this function in Boyne City two years ago and in East Jordan last year.

Let your light shine before men.—(Matt. 5:16)

Open up our minds and hearts to let the inner light of Christ shine through us. This light dispels the darkness of doubt and discouragement. The impossible becomes possible for the light of Spirit shines eternally to reveal the way. Rejoice that the eternal light shines through us. From this day forward let's walk in the path of light.

RATE REDUCTION AT TOP O'MICHIGAN RURAL ELECTRIC COMPANY

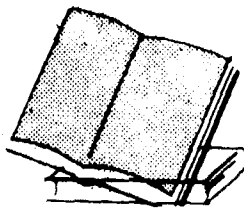

A rate reduction of \$76,000 annually by the Top O'Michigan Rural Electric Company, Boyne City, has been announced by Harlan E. Ruback, Manager of the Rural Electric Cooperative.

The Cooperative serves 16,500 members in 12 counties in north west lower Michigan. Over 3,000 miles of line and service facilities are valued at about 8-1/2 million dollars.

"Rate Studies", said Ruback, "have been under consideration for a period of two years." The savings affects all members in both residential and commercial classifications.

This is the first of two additional rate reductions planned over the next two years.

"The present reduction, effective January 1, 1966, is one more step," said manager Ruback, "towards 1 cent per kilowatt hour electricity for rural residents.

O love that will not let me go
I rest my weary soul in thee
I give thee back the life I owe
That in thine ocean depths its
flow may richer fuller be
O joy that seekest me through
pain

I cannot close my heart to thee
I trace the rainbow through the
rain

And from the ground there
blossoms red

Life that shall endless be. Amen.

**Are you paying more than
11½¢ a gallon for your residential
heating oil?**

**If you are, you're paying too much
to heat your home.**

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book.

(Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't

cost you a penny until July 1, 1966!)

So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

Devils Lose Thriller At Pellston. 71-72

The East Jordan Red Devils will play host to the Boyne City Ramblers on the local court Friday night after losing a thriller at Pellston, 72-71.

In a wild second quarter at Pellston, East Jordan received four free tosses while the Hornets had 19, which cost the Red Devils the opening conference game of the season.

Pellston moved into a first period lead 14-12 and then shot ahead 40 to 27 after a whistle blowing second period in which East Jordan hit for one out of four free tosses. Pellston hit for 10 out of 19.

After the half the Red Devils began to move ahead with the Hornets still leading 56-51 at the end of the third. Outscored on the floor, by East Jordan, 31-25, the Hornets rode to victory via the big second quarter lead, although the Red Devils were within one point at the final gun.

Big Bill Snyder, Red Devil center, dumped in 26 points, followed by Shorty Tom Drenth, forward, with 24 and Guard Jim Cihak, 12.

Although East Jordan never led the Hornets they tied the game at 70-70 with 30 seconds left.

It was probably the wildest contest the Devils will see all season. They drew 27 fouls compared to Pellston's 15.

The Devils are a big conference threat with many players having long experience. They include Tom Drenth, Steve Bell, Bill Snyder, Bill Chase, Jim Cihak and seven others who will stir the conference before the season is too far along.

Following Friday night's game here with the Ramblers, East Jordan will move to Gaylord to take on the much talked about Blue Devils next Tuesday night.

NEW CLOTHING STORE
Beverly and Dale Chambers, of East Jordan, have opened the Toggery Shop in the building on Main Street next to Whiteford's store. The new clothing business, which handles men, women and children's clothing will be open from 9 a. m. to 9 p. m.

The Francis I DuPont and Co. is the 3rd. largest Stock Brokerage and Investment Firm in the United States and has over 100 branch offices nationwide and in foreign countries.

Hubbell has been a member of the East Jordan Chamber of Commerce for the past two years and visited here on two occasions last summer. He is also here to ski in the winter time.

During his visit last week he was the guest of Mr. and Mrs. Jack Bliss.

Mr. and Mrs. Bret Riley received a rude awaking about 3:30 a. m. Sunday when an automobile crashed into the bedroom of their home along highway M-66 north of the city. The crash shifted one entire side of the house, wrecking a bedroom wall and scattering articles around the room. The Rileys were unable to get out of the room immediately since the impact had wedged the door shut. The Charlevoix County Sheriff's Department said Mrs. Ernest Brown, of East Jordan, who had been taken to Charlevoix hospital after the crash, was ticketed for violation of the basic speed law and for failure to report a personal injury accident.
