SERVING THE FASTEST GROWING AREA IN THE NORTH

VOLUME 59 NUMBER 10

EAST JORDAN, MICHIGAN, THURSDAY, MARCH 10, 1955

10 CENTS

## OVER THE BACK FENCE

BY MARSHALL

Ken Diller's huge sawdust pile caught fire in a high wind Monday morning—reminding us that we have a mountain of saw dust in East Jordan. There's another on the East Side of town at Atkins mill.

But these are small piles of saw dust compared to the one Cheboygan often brags about. Up there, dismantled sawmills have left a small sawdust mountain, 1,000 feet long, 600 feet and 100 feet deep.

They removed the Railway Express agency from East Jordan recently and now we are getting to know some of the agency's problems.

They are in an argument over parcel post taking away business from them.

They say parcel post is not communication but transportation. And that the government is subsidizing a number of large mail order firms by allowing big shipments of packages at low cost parcel post rates.

And now a bill before Congress would increase the size and weight limits of parcel post. Which, it is said, will further harm Railway Express business.

Railway claims fourth-class parcel post mail has run the government in debt one billion, two hundred million since 1926; and eight hundred, ninety million in the last nine years.

They say such unreasonable use of parcel post is taking money from private transportation firms, allowing mail order firms to ship at cheap rates and placing the cost on the taxpayers head.

A couple of East Jordan ladies learned again that it pays to use the classified ad page. Two women placed ads last week to sell rugs. One rug was sold 7:30 p.m. the day the paper came out. The other was sold the same day. Both have had constant telephone calls from News-Herald readers. This is concrete proof that you can benefit by placing low priced ads in the classified section.

Farmers may tell you that the price of farm products is going down. That may be true. But the price on land the products are raised on is going up. The rise of farmland prices around the state is surprising even real estate price specialists.

This may be due to the increased land buying of non-farmers. It is not believed that industrial buying is boosting land prices as much as non-farm buyers—the person buying for investment.

It is claimed that a true farm is a place where 100 percent of the family living is earned on the farm, where no one in the family works off the farm. And thus there are few true farms in northern Michigan, where the land produces all the food and total income for each member of the family.

# Fairground Buildings Sell For \$1,255

## BASKETBALL

## Devils Win District Contest, Enter Regionals Friday P.M.

## Long Shot Danforth Picks Up 2 Points To Cinch Crown

The East Jordan Red Devils by virtue of a two point thrilling win over a fighting Grayling team, will enter the northern Michigan Class C regional tournament at Petoskey, 8:55 Friday night. The Red Devils will match ball playing with the winner of the Atlanta, St. Francis contest which was scheduled to be run off at the same gym Wednesday night. The St. Francis club is from Traverse City.

## School Chorus Plans Spring Concert Monday

The East Jordan high school chorus will present a spring concert in the auditorium 8 p.m., Monday, March 14.

The members will wear the new choir robes for the first time in concert. The chorus will be directed by Mrs. Alta Drapeau. Accompanists will be Thurian Meredith, Nan Drapeau and Fred DeHaven. A large number of high school students will take part in the concert.

## County Welfare Spends \$40,000 In One Month

Unfortunate residents of Charlevoix county received \$41,218.25 during January, members of the East Jordan Rotary Club were told Tuesday noon.

Percy Penfold, chairman, Charlevoix county welfare board, said East Jordan's needy people called for less funds than either Boyne City or Charlevoix. Penfold broke the cases down as follows: Old Age, 484; Aid to dependent children, 100 families; Aid to the blind, 11; Disabled persons, 9; and direct relief cases, 104.

## To Organize Archery Club

Sportsmen wishing to join an East Jordan archery club have been invited to attend a meeting at the high school 7:30 p.m., March 19th.

At that time a movie on bow and arrow hunting will be shown visitors.

Archery is a growing sport interesting more and more men, women and students.

## Need Room For 100 More Students

There was an old woman who lived in a shoe; she had so many children she didn't know what to do. This old woman had nothing on the administration and board of education of the East Jordan Rural Agricultural School. They are at a loss as to how to accommodate an estimated 550 children next year in rooms meant for 450 or less.

For several years your elementary school has encroached on the high school's territory, borrowing room after room which the high school sorely needs.

That is why English classes in the High School are held in the Band Room, movies projected on the stage, driver training classes held in the lunchroom and English and Biology classes in the room agriculture students should be using.

Your school board has engaged Clark Ackley, architect from Lansing, to draw sketches and make recommendations. He does not recommend remodeling the "Old Building." The expense would be too great for the gain.

He has drawn sketches for a sixteen room elementary building to be added at the north side of the high-school building and to be heated by the present plant. What do you think about this idea? Let your Board know.

## Tim Jensen, Former Resident Dies At Detroit

Services were held Thursday, March 3rd, at Watson Funeral Home for a former East Jordan resident, Tim Jensen, who died in Detroit February 28th after several years of illness. The funeral services were conducted by Elder Ole Olson of the East Jordan LDS Church and burial was in Lakeside Cemetery.

Born at Washington Island, Wisconsin, November 1, 1893, Mr. Jensen moved with his parents, Mr. and Mrs. Gullick Jensen, to East Jordan at the age of 3. He lived here until enlistment in the 16th Engineers of Detroit during World War I May 21, 1917. He was discharged June 27, 1919 and since that time until his illness was employed at the Municipal Garage in Detroit.

Surviving are his wife, Beatrice, three sisters, Mrs. Josie Hall and Mrs. Julia Rude of East Jordan and Mrs. Gertrude Hyatt of Detroit; two brothers, Elmer and Lawrence Jensen of East Jordan, four nieces and one nephew.

## Senate Bill Seeks Speed Boat Control

Sportsmen will be interested to know that some fault is being found with a Senate bill which would give to the Director of Conservation, acting jointly with the township board of any township authority over inland waters for the control of speed boats.

It would permit them to declare a reasonable and safe speed limit thereon, and if necessary for public safety, to prohibit motor boats from being operated thereon. The complaint seems to be that it is granting these agencies too much authority, notwithstanding there have been numerous complaints relative to the operation of motor boats within the state.

## E. J. Park County Drops All Interest In Old Entertainment Area

Charlevoix county dropped all financial interest in the fairgrounds with final sale of 13 buildings to bidders who paid a combined \$1,255. Earlier the county sold the fairground property to the East Jordan board of education for \$1,000.

Thursday's sale of remaining buildings left the county with no further interest in the 40 acre tract of land, which for nearly three-quarters of a century provided annual entertainment for county residents.

## Ing Olson Buys Porter Hardware

A change of ownership of the W. A. Porter Hardware on Main Street was announced Tuesday.

Ing Olson, who has been identified with the store for the past 27 years purchased the business. The store stands where the former East Jordan Lumber Company operated for many years. The building was purchased two years ago by Dahlquist Stores, Inc.

Olson said Tuesday there would be no changes in operation and that business would continue as usual. It will be known as Olson's Hardware Store.

## Local Students Studying At Central Michigan

Among the 4,384 students enrolled at Central Michigan college are twenty-one from Charlevoix county.

They are: Sharleen Brock, Mae Evans and Carol Gilpin, East Jordan; Elizabeth Kalmbach, Bay Shore;

Joseph Charon, Maynard Mathers, Mary Melin, Floyd Moore, Hiram Myers, Jennie Orgonek, Jean Prohaska and C. Allyn Robinson, Boyne City.

Delert Glem, Boyne Falls. Dean Davenport, Gail Krahnke Betty McBride, James Mol, Carol Paul, Stuart Rice, Carlyle Roberts and Bernard Zeitler, Charlevoix.

## Tax Return Due March 31

Dare Harrington of Route 3, East Jordan will be available during the month of March for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31. Call LEnox 6-2969 for appointment.

Intangible personal property subject to the tax includes all mortgages, land contracts, bank accounts, cash, postal savings accounts, accounts and notes receivable, corporate stocks, corporate bonds and other similar types of property. However, all United States bonds, are exempt from the tax and the tax on deposits in Michigan banks and building and loan associations, as well as stocks in Michigan banks, will be paid to the Department of Revenue directly by the banks or building and loan associations.

For taxpayers on a calendar year basis the Michigan Business Activities Tax Annual Return is also due on March 31. Mr. Harrington is also available for assistance in preparing this return.

## Sheriff Rose Aids Safety Work

The Charlevoix county Sheriff Department is cooperating with the Michigan State Safety Commission under leadership of the Department of State, in a statewide public education program on driver licensing. Sheriff Glenn E. Rose has announced.

The new driver license examination for beginning drivers recently put into effect is much more comprehensive than the previous one and is a far better measure of a person's ability to drive safely.

Rose urged all new applicants for a driver's license to study harder on Michigan traffic law, safe driving practices and to practice more on their driving before taking the road test.

The Sheriff called upon all motorists to cooperate in living up to the obligation of their licenses. "Remember," he said, "last year 23,164 Michigan motorists did have their licenses suspended or revoked.

## Former Doctor Receives Praise

A former East Jordan doctor has been praised for his work as head of the Shiawassee County Health Department at Owosso.

Dr. E. J. Brenner, who practiced in East Jordan more than 20 years ago, is making great improvement in that county's health department, it was said in an article published in the Owosso Argus, daily newspaper.

## Five Townships Will Supply Tank Wagon For E. J. Fire Department

The East Jordan Fire Department will be supplied with a tank wagon and a portable 1500 gallon capacity pump as extra safety equipment for fighting township fires.

Supervisors in five surrounding townships have voted to purchase the new equipment so the East Jordan department can better serve the out-lying areas.

The tank, which will be placed on a used chassis, will be made in Mancelona.

The supervisors agreed to supply the equipment at a meeting with the local fire department recently. At that time members of the department presented the visitors with costs and protection features which would give better service to the townships.

IT IS PLANNED to keep the unit at the local fire hall where it will be maintained. The local department is already servicing the townships on contract basis, but the department will receive added benefits through use of the extra township equipment.

It is agreed that the department may use the equipment for sprinkling and street washing during summer months. This is in return for housing and maintaining the townships' tank wagon.

Firemen say the tank wagon will follow the fire truck to all township fire calls. Additional water, which is often unobtainable, will now be available for all township fires, it was said.

The firemen said the township supervisors are to be congratulated for their desire to protect township property and for their public service.

Townships involved are: Evelyn, Wilson, South Arm, all in Charlevoix county; and Echo and Jordan in Antrim county.

## Attends Meet

Dr. John Savory left yesterday to attend the meeting of the State Medical Society in Detroit. He will return to regular office hours Saturday.

## COMING EVENTS

March 10—St. Ann's Altar Society will meet at parish hall, 2:30 p.m.

March 11—Jordan River IOOF Lodge.

March 14—School Board meeting.

March 15—City Council meeting.

March 15—American Legion meeting.

March 16—Jassamie Rebekah Lodge.

March 17—The Catholic Study Club will meet for a pot luck dinner at the home of Mrs. Albert Lenosky, 6 p.m. The business meeting will follow the supper. Mrs. Anthony Kenny has charge of the program.

## City Council To Install Numbers

The city council last week agreed to furnish labor to install house numbers in East Jordan. The numbering project is a part of a current campaign sponsored by Consumers Power Company to get all dwellings numbered properly.

Upon completion of the numbering project the company will produce a street map of the county which will make it much easier to locate a particular house.

## Judy Fences

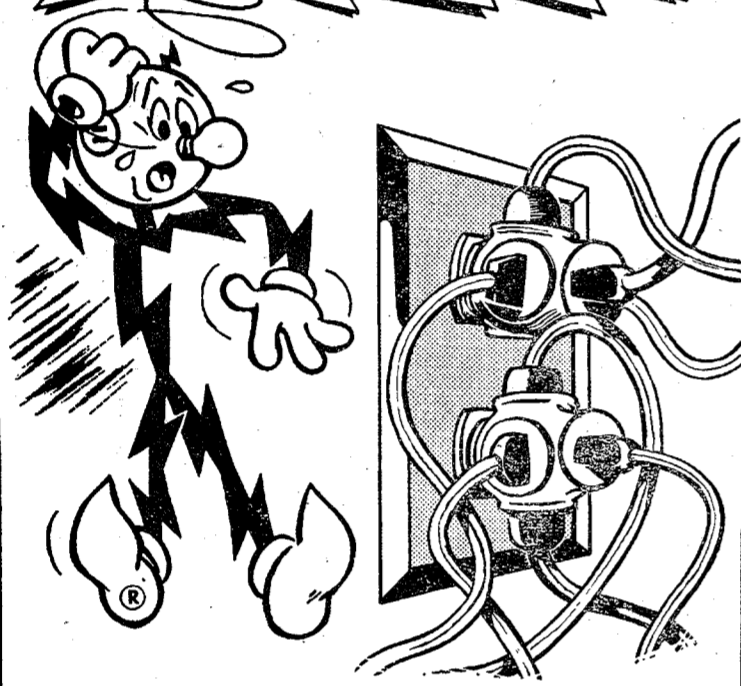

Judy Malpass was one of six girls chosen to represent Michigan State College in a Fencing Sports Day at the University of Michigan last Saturday. The event involved six Michigan colleges, with all women's sports represented. The Michigan State

fencing group won three out of three fencing pools. Miss Malpass is a pledge of the Alpha Xi Delta sorority at Michigan State College.

Mr. and Mrs. Charlie Saxton of St. Clair Shores are announcing the birth of a daughter, Jane Ellen, 6 pounds and 9 ounces.

## READ THE NEWS-HERALD CLASSIFIED

**IF YOU MUST DO THIS—**

**—IT'S A SURE SIGN THAT YOUR HOME WIRING IS OUTDATED, UNSAFE and INADEQUATE**

If you have to plug several extensions or lamp cords into one socket, it's a sure sign that your home has "outgrown" its wiring—a common ailment with homes built as late as five years ago. Fuses may blow from overloaded circuits, and appliances fail to function properly. The cure for unsightly "strangler" outlets is to have your electrical contractor bring your wiring up to Adequate Wiring Standards.

## WHAT IS ADEQUATE WIRING?

Adequate Wiring consists of enough outlets in each room, backed by large enough wires and enough branch wires to carry the current required to operate all the new and wonderful electric appliances you have or want in the future. It also includes an adequate service entrance from the power lines to your home.

Ask your WIRING CONTRACTOR or BUILDER to explain the advantages of modern ADEQUATE WIRING. Or consult Consumers Power Company—You'll be glad you did!

★ In the Adequately Wired Home there's ALWAYS Room for Your New Appliances

This Adv. Published in the interest of Adequate Wiring by Consumers Power Co.

# NORTHERN LIGHTS

(Compiled by the News-Herald Staff)

If you think it isn't possible to move the county court house to Advance, take a look at this:

Back in 1847, state legislators fought for months in Detroit to select a final resting spot for the state capitol building.

As a joke one legislator asked others to locate it in the "Township of Lansing." And Lansing at that time was a wilderness with one sawmill and one log house. To break the legislative deadlock, the worn out lawmakers agreed on Lansing.

Who knows what will happen in the future?

We ran an article a while back about Charlevoix county's 33 lakes; told where they were and something of their size. We have nothing to brag about when we learn that Oakland county down around Pontiac has 400 lakes.

WORD COMES to us that Walloon Lake boasts crystal-clear water so pure that local residents use it in their automobile batteries. (You mean the tap water we've been using will hurt our batteries?)

Petoskey Secretary of the Chamber of Commerce Jeff Bodette says there's a large number of people down Chicago way who don't know where Petoskey is or anything about it.

That could be, but we were much more surprised the other day when we got a telephone call from Detroit.

An assistant editor of a well known Michigan monthly magazine called to check on summer activities in northern Michigan. We mentioned events at East Jordan, Charlevoix, Gaylord and Petoskey.

And then he asked: "Are those towns in the upper peninsula?"

The above is a good argument for promoting "Michigan Week." For that's the time when people living in Michigan should learn something about their own state.

Reminds us of a man who lived in Boyne City years ago. He was putting a boy through high school. One day the boy came home with a poor report card.

The man said: "Showed you all I know, told you all I know and still you don't know nothing!"

Must be something brewing down in Detroit. A report says only one fifth of one percent of the metered water consumed there is used for drinking.

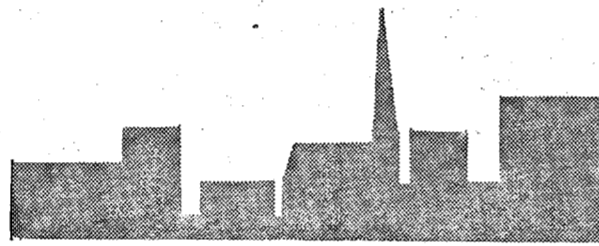

TODAY IS the anniversary of the day the world will remember until all are extinguished by the atom bomb. For it was March 10, 1876 when Alexander Graham Bell spoke the first sentence over a wire.

O Paddy dear and did ye hear

The news that's all around?

The Shamrock never greener was . . .

Oops, that's next Thursday. Forgot.

## Community Progress is important to this bank

Increased prosperity in this area brings more opportunities for service, and more business for this bank. So we have loaned liberally for the advancement of local enterprise, and we are vitally interested in every constructive step forward for this community.

## LOOKING BACKWARD

### Reviewing The News-Herald

MARCH 6, 1914

Mrs. Rachel Anderson, daughter of the Jacob Kellers, aged 51, died at her home on State Street March 1st.

Archie C. Belding of Alba was nominated for School Commissioner of Antrim County at the primaries Wednesday.

Frederick, nine year old son of the James Zitkas, died Tuesday at their home in Jordan Township of spinal meningitis.

Charles Meade, who had driven a livery team at the Anderson funeral, Thursday, had a leg broken when he was thrown from the vehicle on his way back to the stable. A broken bit let the team become unmanageable.

Mr. and Mrs. James Hart have returned here from Sioux City, Iowa. They expect to remain and live on their farm north of town.

MARCH 6, 1925

East Jordan experienced its first earthquake shock last Saturday evening at 8:25. It was felt throughout the entire east half of North America.

Other towns besides East Jordan are seeking the proposed Northern Michigan Normal school, including Petoskey, Cadillac, Manistee, Alpena, Frankfort and Traverse City.

Guidley and Mac have purchased the A. M. Lewis drugstore at Grayling and Charles J. McNamara is preparing to move his family there and take charge of the store.

Dr. W. H. Parks has gone to Rochester, Minnesota to spend a brief time in clinical study. Dr. B. J. Beuker of Ellsworth will be in charge of the office during his absence. Dr. Parks is considering moving to another northern Michigan.

MARCH 8, 1935

Phil Gothro of Detroit is now affiliated with his father, Bert Gothro, in the latter's barber shop. The son has had twelve years experience in cutting ladies hair.

Born to Mr. and Mrs. Ole Olson, a son, February 25th.

The East Jordan high school basketball team (The Crimson Wave) lost the district tournament to Boyne City with a score of 32 to 30 in an overtime period. The E. J. quintet were Arthur Quinn, Gayle Saxton, Orlando Blair, George Walton, Frank VanDenberg and Guy Russell.

Mr. and Mrs. John Lewis of Cheboygan are announcing the arrival of a son, Robert Jefferson, born at the Cheboygan hospital February 14th. Both Mr. and Mrs. Lewis are former East Jordan residents. Mrs. Lewis was Miss Betty Severance, daughter of Mrs. Al Witte.

Mrs. Tom Bussler is a surgi- cal patient at the Little Traverse Hospital.

Mr. and Mrs. Joseph Gibbard of Battle Creek were weekend guests of their parents Mr. and Mrs. Frank Woodcock.

Mr. and Mrs. Leon Beals of Lansing were weekend guests of their parents, Mr. and Mrs. Er- vin Murphy.

Three Western Electric Men of East Jordan, Marlin Sweet, Pat Brennan and Rex Gibbard have been transferred, from Grand Rapids to Traverse City.

### My Neighbors By Bill Paulson

"If they can force you to join a union, maybe we can persuade you to go to church!"

## Orchard Notes . . . . . . Claude Fairman

Regarding spray materials, it does not seem too long ago when we used Paris Green for insects on fruit trees. Then came arsenate of lead which is still used to some extent for codling moth, curculio, cherry fruit fly, etc. However doctors have told me that spray men sometimes have had lead poisoning and that the spray men would carry the material in their system for a long time. It also helps to sour and uncondition the soil. Most cherry growers have had yellow cherry leaves after harvest from arsenical injury.

It will kill a peach tree and badly injure plums and prunes. The material is hard on sweet cherries.

At Twin Lakes school much was said about poisonous spray resi- dues being left on fruit. Especially cherries used as fresh fruit and early apples sprayed for apple maggot which in most cases arsenate of lead was used. There is a stiff law pertaining to poisonous resi- dues on fruit.

Fruit sold locally has been getting by as far as the law is con- cerned. For several years here at home we have used "methoxychlor" marlate to spray our cow with and kill the flies on her and on the stable walls. Unlike DDT we could also use it on our garden vegeta- bles with safety.

As marlate also kills leaf hoppers on plums as well as curculio and other insects, it is recommended for cherry fruit fly and curculio on red tart Montmorency cherries, and any place on apples where DDT and arsenate of lead were formerly used. Marlate is harmless to man or trees, leaves no residue, and kills the insects.

### FROM OUR CORRESPONDENTS

**About People You Know**  
*West Peninsula*  
Wednesday for Milwaukee, Wis- consin for a month's business trip

General George Ely, George Ferris, Mrs. Iva Russ and Mrs. Marion Williamson spent Wed- nesday at Kemos on an educa- tional tour. They also visited the Soo Locks.

Mr. and Mrs. Henry Howard spent Sunday with Mr. and Mrs. Dan Hosler of East Jordan.

Mrs. Eleanor Gibson left Fri- day night for Cleveland, Ohio to attend the funeral of her cousin. She was accompanied from De- troit by her brother.

than of the Loeb Farm spent Sunday with Mr. and Mrs. Orlo Robinson.

Mr. and Mrs. Gerald Hawley spent Sunday with their parents, Mr. and Mrs. Tony Zoulek.

Mr. and Mrs. Robert Myers visited Saturday evening with Mr. and Mrs. Loyal Barber.

Mr. and Mrs. William Gaunt Sr. spent Friday with Mr. and Mrs. James Earl in Charlevoix.

Mrs. Eloise Crowell and son, Bobbie were callers Sunday at the Bill Gaunt, Jr. home.

### Finkton News

Mr. and Mrs. Al Rondo and children of Midland spent last week with her parents Mr. and Mrs. Leonard Hite.

Mr. and Mrs. Elgin Lavanway and family had Sunday dinner with the Edward Lavanway fam- ily.

Donald Brownell spent last week with his mother Mrs. Ralph Carroll at Buckley.

Mrs. Minnie Beal returned Sat- urday with Leland from Flint where she had been spending a week with her daughter and fam- ily Mr. and Mrs. Tom Hitch- cock. Leland returned Monday to Flint where he is working.

Misses Merilynn and Linda Lewis went with the Eastport Baptist young people to a youth retreat at Lake Ann Youth camp Friday and Saturday.

Mrs. Minnie Beal, Leland and Norman had Sunday dinner with the LeRoy Beal family. The din- ner was in honor of Leon's birth- day.

### From where I sit... by Joe Marsh

#### Uses His Head Saves His Feet

Nobody around here can re- member when Pop Turner wasn't our town's postman. He must have been toting that big, heavy mail- sack since Pony Express days.

That's why it's sometimes a shock to see him these days pull- ing his mail bag around in a "caddy cart," a sort of light wagon that golfers use so they don't have to carry their clubs.

"Folks sometimes holler 'fore' at me and ask me how my game is," Pop reports, "but I'm not ashamed to learn something new. Just wish I'd thought about these

golf gadgets years ago!"

From where I sit, it's good to see someone come up with a new wrinkle—keeps us from feeling too regimented. For instance, perhaps you've always felt that hot milk is the only thing to drink at bedtime. Then someday you meet a fellow who prefers a cold glass of beer. Well, that's his choice — and certainly he's en- titled to it. We can't expect everyone to follow our old habits to the "letter."

Joe Marsh

## List Cases For Circuit Court Date

Seven of the 22 cases listed for the docket of the March term of circuit court are divorce matters.

The court opened Monday with Judge Charles L. Brown on the bench.

The following divorce cases were listed:

Ruth Smith vs Chester L. Smith; Arthur O. P. Brasgalla vs Edith May Brasgalla; Adell Bernice Hibbard vs Frank Benjamin Hibbard; Virginia C. Jodine vs Joseph A. Jodine; Marguerite V. Wallace vs Louis W. Wallace; James W. Graham vs Willa L. Graham and Ralph C. Moore vs Barbara Ann Moore.

The following Assumpsit action was listed: Universal CIT Credit Corp vs Edison W. Fitzpatrick; Elgy W. Brintnall vs Robert Strehl; Brown Insulating & Roofing Co., vs Sam A. Tokoly;

TRESPASS cases included: Charles B. Townsend vs Ed Boss, Ed Young and Dick Lyons; William D. Crick & William G. Crick, Citizen's Mutual Auto. Ins., vs Sam Tokoly; Goldie Som-

merville and Emmoc Ins. Co. vs Claude A. Scott; Donald Pearsall vs Charles Stanek; and Neil Weigand and Ester Weigand and Service Fire Ins. Co., vs Larry Bergmann, Bud Bergmann and Francis Robinson.

Other cases were: The People vs M. R. Gilson also known as M. Roderick Gilson, soliciting collection accounts without bond. Jennie R. Newson vs Joe McNamee, appeal from Justice Court. Howard G. Pillsbury and Hazel T. Pillsbury vs Kerniss Enterprises, Inc., ejection.

Marjorie Campbell, guardian of Earl E. Hoskins vs Emma Wells, injunction.

Ever-Seal Combination Window Co., vs Anthony & Sophie Wojan, restraining injunction.

Subject to call for jury duty from the townships were:

Charles Koteskey, Bay; Mrs. Maude Thuma, Boyne Valley; Carl Clark, Chandler; Stanley Barger, Charlevoix; Elwin Gardner, Evangeline; George Smith, Hayes; Jerry Webb, Hudson; Floyd E. McCracken, Marion; Dalton Eastwood, Melrose; Sam Campbell, Norwood; Elizabeth Mooney, Peaine; Mike Cull, St. James; Albert Chanda, South Arm and Max Davis, Wilson.

Boyer City—Ed Hartnell, first ward; Ray Kerchner, second ward; Mrs. Elizabeth Lee, third ward; and Arne Hergerberg, fourth ward.

Charlevoix — Mrs. Charlotte

## SCHOOL HI-LITES

Thursday, March 10, 1955 \* East Jordan News-Herald \* Page 5

### FIRST GRADE Mrs. Brooks

Perfect attendance in our room for the past six week period: Gertrude and Betty Ciszewski, Linda Combest, Tommy Drenth, Steve Gagnon, Phillip Goebel, Bruce Murray, Phillip Shepard and Jack Snyder.

Mike Bernard was born on February 29, so he does not have a birthday very often. But we made cards for him and after recess, his grandmother, Mrs. Healey came to our room and treated us with beautiful cup cakes and dixie cups of ice cream, then she told us a wonderful giant story. We want to thank her very much.

The February Assembly was when our First Grade marched gay with flags and paper hats on the stage through formations and drills. We also sang: "Flag of our Country." We thank Mr. Wade for the new flags and Nan Drapeau for the music. Also Mrs. Bell for helping with the costumes and on the stage.

We had twelve perfect scores on the vocabulary test. Se we are now beginning "Our New Friends."

### SECOND GRADE Agnes Johnston

We enjoyed seeing the movie, "Magic Food." The movie showed the good healthful foods we

Saltonstall, first ward; Louis Hamlin, second ward; Mrs. Marjorie Coleman, third ward.

East Jordan—Cecil Blair, first ward; Joseph Kortan, second ward and Jay M. Hite, third ward.

### Library Notes . . .

(Continued from Page 2) most beautiful birds, with true stories about each.

Mrs. Williams and Mrs. Elsworth brought in still more pocketbooks, all kinds, eleven in all.

We are planning a children's Do-it-yourself table and would like to borrow some of your most successful articles for display for awhile. Come in and show us what you have and tell us how you made it children, and see what other children have made.

Don't forget about the Saturday afternoon Story Hour. Quite a few of the children are finding it a lot of fun when Miss Coon reads to them, judging by the peals of merry laughter we hear coming up from the basement room.

should eat so as to have a good balanced diet every day.

Last week we took a basic reading test. Many of us showed much improvement in our reading. We are all trying to keep up our good work.

Last Wednesday, report cards and our February folders with samples of our last six week's work, were taken home. We hope our parents have examined them to see what daily improvement we have made.

We were pleased to see so many of our parents out to see our health play. We want to thank Walter Olsen for making a recording of our play during the assembly. It was fun to hear our voices played back to us after the assembly closed.

We have a new March calendar in our room. We found out that John Eaton and Riche Dietrich have March birthdays.

Last Tuesday, we were weighed by our school nurse, Mrs. Robertson.

New room helpers were chosen last Monday.

The children who were neither absent nor tardy during the last six weeks were: Charles Boss, Toni Cole, Sharon Danforth, Robert Kenney, Glenda Knudsen, John Leatherman and Frederick Vincent.

### THIRD AND FOURTH GRADES Grace Galmore

Those pupils who were not absent during this six week period are Jerry Cihak, Nellie Fowler, Clayton Gibbard, Patricia Pearsall, Marion Pinney, Sharon Smith, Linda Somerville, Keith Bulmann, Catherine Hitchcock and John Vrondran.

Since Longfellow's birthday came in February we looked up many of his poems. We were surprised at the number which have to do with events in our Social Studies. The setting for Hiawatha is in the upper peninsula. Evangeline was written about the French in Canada. Both of these connect with our study of Michigan history.

Merry Ann Eaton brought an old American History book published in 1896 which gave us an interesting account of George Washington's life.

Linda Healey went on a trip to the southern part of Michigan. She gave us a report on it especially her visit to the Willow Run airport.

### FOURTH GRADE Emma Nemecek

We are studying Michigan History and the following statements are some facts that the boys and girls have enjoyed.

Michigan means "A good Place to Catch Fish or Big Waters in the Indian Language."

—Glenn Penney  
The French were the first white men to built forts in Michigan.

—Charlene Arnott  
Michigan has been under three flags: French, English and American.

—Jean Slough  
Michigan started to grow after Lewis Cass became the Governor of the Michigan Territory.

—Sally Gidley  
Oliver Perry was a brave sailor who helped free Michigan from England's rule.

—Margo Jarvis  
We have a new girl in our room. Her name is Margo Jarvis and she comes from Flint.

—Ella Mae  
We are learning how to solve long division problems. It takes a lot of practice.

—Betsy Bell

We enjoyed the assembly last Thursday afternoon. Thanks Mrs. Brooks, Mrs. Johnston and Mrs. Bray.

—Marilyn Peters  
There were nine boys and girls absent from our room Monday. We are sorry so many are sick.

### SIXTH GRADE Kenneth McKay

We are studying about the six countries of Central Europe, Switzerland, Germany, Poland, Austria, Czechoslovakia, and Hungary in our social studies.

The following students have the best attendance records in our room and have missed only one day of school, Donald Johnson, Ronald Sulak, David Bartholomew, Ronald Klooster and John Neumann.

Mr. Webb from the American Automobile Association visited our room and gave a talk on safety and the good work safety patrols perform.

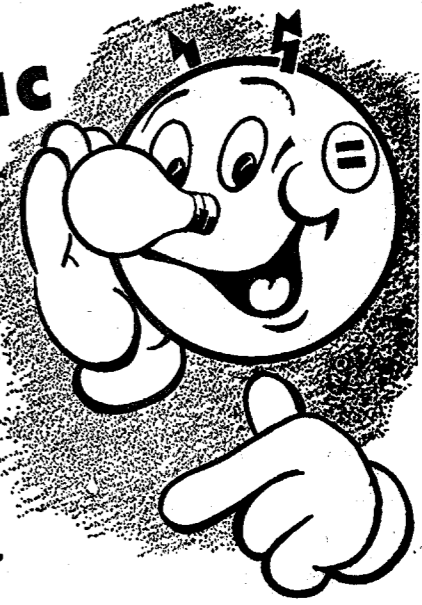

Six people in our room have birthdays this month. They are: Ronald Klooster, Harold Murray, Barbara Kortan, Larry Schumacker, Judy Gokee and Duane Raymond.

There appears to be much sickness this week as we had five people absent Monday. We seldom have this many out of school.

We are working in the multiplication of fractions for arithmetic and most of us find it fun to do it.

There was an assembly at school last Thursday which was presented by three of the elementary grades. We enjoyed it very much.

**G. I. NEWS**

Page 6 \* East Jordan News-Herald \* Thursday, March 10, 1955

We have letters from both sides of the world this week. One from Bob Saxton in Korea and one from Don Whiteford in England. And from Fort Lewis, Wash. Floyd Detloff writes to tell us of an advance in rating:

Dear Marshall, Just a line to let you know you can put a PFC in my address now instead of Pvt I made it February 23rd.

We've been having some good old Michigan winter weather out here the last few days. It's been snowing all day today, although the air isn't too cold, about 33.

I get the paper every Monday morning, which isn't too bad considering it has to come 2500 miles. It's just like getting a letter from home.

A few chinook salmon have been taken around the mouth of the Columbia so it won't be long until the spring runs are in full swing. Salmon averaging 9 to 11 pounds are consistently being taken out of Puget Sound near here. The locals call them "Black Mouths."

I have most of my fishing gear now and I'm going to start fishing regular. Might as well take advantage of the fishing because I'll probably never be out this way again.

That's all for now. Yours truly,

Floyd Detloff

Dear Marshall, Well, I guess it's high time I wrote again to let all the people back home know I'm still living even if it's on the other side of the earth. I've been here (Pusan, Korea) for 13 months now, but should be leaving the 1st part of May.

I sure would like to thank all the people that make it possible for the G. I.'s to get the paper each week. It's sure something to look forward to. I don't think I've missed a week getting it since I've been in service.

I'm still doing the same work hauling all kinds of army supplies into this Ordinance. It's one of the largest Ordinance Depots in Korea. We're in the process of turning the whole depot over to the Korean army. Right now two out of 5 units are already turned over and it should all be done about the last of May.

I've seen just one boy from home since I've been here — Roger Benson. Guess most of the E. J. boys are stationed up north. Better close for now and go to work. As Ever,

Bob Saxton

Dear Marshall, Here comes a letter which is a long ways over due. First of all, many thanks to everyone who has made it possible for me to receive the East Jordan paper. It's just like receiving a letter from everyone in town.

I arrived in England February 8th and it's going to be a long haul before I get back to northern Michigan. Guess it's all in the way you look at it though. June or July in '57 really isn't too far off.

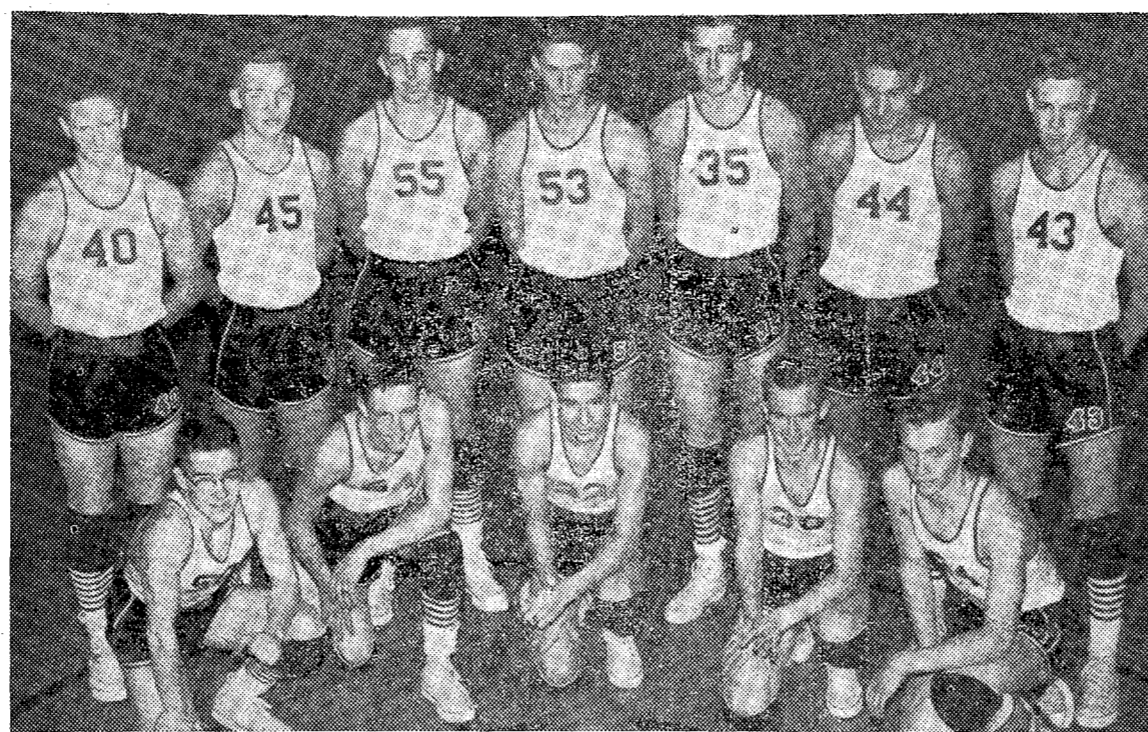

I'm on a very nice base a couple of miles outside of Sculthorpe and that's also the name of the base. If you can get used to the weather over here, you have it made. I've seen it snow, rain, sleet and sunshine all within two hours. Should have some nice weather in the summer time.

I'm pretty well settled now and like my work. It's electrical and very interesting, but can't say too much about it. I'm in a combat crew and a lot of things are classified.

I know Bill Anderson is stationed at New Heyford, but don't know of anyone else. (Bill, as soon as my wife gets here, you are welcome up for dinner anytime and we'll also try to come and see you.)

I'm looking forward to the 10th of April when my wife arrives. Will close now. Thanks again for making it possible for me to get the paper. See you in '57. Sincerely, A-2c Donald J. Whiteford AF 16 448 652, 86 TH Bomb Sqdn (L), APO 22, New York, N. Y.

New addresses:  
CM-1 Herschel Young, PO Box 296, Port Hueneme, California.  
Cpl. Gerald E. Evans, ER 16 391 078, 7th Inf. Div. Hq.-C. A., APO 7, San Francisco, Calif.  
Two papers to hold until further notice. Loren B. Wilson and Leo Danforth. Leo is home on furlough.

Gayle Saxton's Red Devils won their third District Basketball championship in four years when they nosed out Grayling in a two point victory at the

final class C district play in Gaylord Saturday night. The 48-46 win sent East Jordan into the Class C regional play at Petoskey. Regular play in the 1954-55

season saw the locals win 12 and drop two. Charlevoix and Pellston. They are runners-up to Charlevoix for the northern C conference crown.

the County Extension Chat conducted by K. C. Festerling. EAST JORDAN

Roger Stokes accompanied K. C. Festerling to appear on a 4-H television program Wednesday, March 9. Roger discussed as his part of the program the requirements of the 4-H poultry

program. Other members on the program were Betty Hopper, Roberta Fettig and John Curtis all of Petoskey. The program dealt primarily with National 4-H Club Week and a discussion of summer 4-H club projects.

COUNTY PICNICS According to word from the

County Extension Office, Charlevoix county members will participate by displaying the results of their summer projects at the annual Labor Day picnic held each year at Whiting Park. Members and leaders were well pleased with the displays this year. The club exhibits were taken

to the picnic grounds for display because of the close of the Charlevoix County Fair. The clubs are planning to expand their exhibition and expect it to be about twice as large next year.

Rainy weather kept many livestock members from bringing their cattle in last fall. The Charlevoix County's Leaders Club will draft plans to make next years show the best ever. A few 4-H leaders have requested that Charlevoix county members show at the Emmet County Fair, however no plans have been made for such showing.

**4-H LARGEST**

According to officials in the Extension Service in Washington D. C., 4-H Clubs had an enrollment in 1954 of 2,182,000 boys and girls. This organization is celebrating National 4-H Club week March 5-13. During the week members re-dedicate themselves to the club program and accept the challenge to make the best better for 1955.

4-H clubs actually had their beginnings in the year of 1900 when they were called agriculture clubs and contests in raising corn, tomatoes and poultry were held. These contests did not materialize in Michigan until 1908 in the counties of Muskegon, Mason, Oceana, Wexford, Newaygo and Manistee. Clubs known as boys and girls clubs designed to produce crops and vegetables were started in this region in 1918. The first boy and girls dairy club in Charlevoix county was started in 1921, and

the first clothing and handicraft club had its origin in Clarion at about that time.

K. C. Festerling, district 4-H Club Agent, reports that in 1954 Charlevoix county has 68 project clubs with a total of 547 project enrollments and 523 project completions. Sixty leaders who serve voluntarily keep the program rolling.

**START AT 10**

That a girl can learn to sew at the age of ten, has been proved, in every community where sewing clubs have been organized. The club program is a long range one with the girl making a head scarf and simple dress, apron, or skirt in her first year of work, and then continues to do more difficult sewing until she reaches her 21st birthday. In the latter years the member makes a whole outfit in the project known as Complete Costume. About one hundred girls are being guided by twenty leaders in the clothing project this winter.

Besides learning sewing skills, clothing members learn to select styles becoming to them and learn to work with patterns and a variety of materials. Expense of the project is borne by the member which may be as little as 50 cents for the first year member and \$20 for the advanced member. According to Emma Reinbold, district home demonstration agent, a well made garment is worth three times the cost in the garment.

In 1954 20,000 girls finished the clothing project.

**East Jordan Church News**

**THE PRESBYTERIAN CHURCH**

Rev. Edward O. DeHaven, Pastor  
The Friday Circle meets in the home of Mrs. Mae Healey Friday, March 11 at 2:30 p.m. Mrs. Helen Watson will continue the study in the book of Hebrews. Mrs. Anne Nasson and Mrs. Cora Seiler will serve refreshments.

The Young Adult group will meet in the home of Mr. and Mrs. Teddy Malpass, Monday evening, March 14th at 8:00 p.m. This will be a winter picnic.

The General meeting of the Women's Association will be held in the home of Mrs. Phyllis Malpass, Tuesday March 15th at 8:00 p.m. Mrs. Flora Lewis will give a book review.

Lenten Services continue each Wednesday evening in the Church at 8:00 p.m.

**R. L. D. S. CHURCH**

Elder Ole Olson, Pastor  
Elder Elroy Hanton, District President of the RLDS Church, will be the guest speaker Sunday, March 13th at the 11 a.m. service.

Following the morning services there will be a pot luck dinner in the dining room.

Each Sunday evening at 7:30 there will be services conducted by Elder Ernest Burt of Onaway at the Church. Everyone is welcome to attend.

**METHODIST CHURCH**

Rev. Robert H. Moore, Pastor  
The Rev. Roert Treet, formerly of Alaska, now located at Northport, will describe his former work in Alaska and show pictures of the same Sunday evening, March 13th at 8 p.m.

Next week, March 20th, the special Sunday evening speaker

will be the Honorable Donald Holbrook, who will give his popular lecture on "The Trial of Christ." Judge Holbrook is from Clare, Michigan and is the nephew of Mrs. M. B. Palmiter of East Jordan. He is also well known by many local residents. The public is most cordially invited to all of these special programs.

**EVANGELICAL LUTHERAN CHURCH**

Rev. Dale Larson, Pastor  
Lenten services are being held every Wednesday evening at 8. Everyone is cordially invited to attend.

The monthly "Family Social Dinner" will be held Sunday, March 13th, immediately following the morning service. Families are requested to bring their own table service for themselves and their friends.

**FINKTON BIBLE FELLOWSHIP CHURCH**

On March 13th the Finkton Bible Fellowship Church will have a student preacher, Gene Sickler, from the Baptist Seminary at Grand Rapids for both the morning and evening services. Mr. Sickler is from Cass City and is President of the Seminary and Bible Institute Choir. With the Choir he has been active preaching as well as singing.

**IT'S A BOY!**

A-1c and Mrs. Ziba DeForest are announcing the arrival of a son born at the Charlevoix hospital Sunday morning, March 6. A-1c DeForest is located at the Donaldson AFB in South Carolina. Mrs. DeForest was the former Ann Richards of East Jordan.

**NATIONAL CLUB WEEK**

**4-H Keeps Boys; Girls Busy**

Although the Club Agent spends a good deal of his time giving technical advice to leaders, he also recognizes that "all work and no play makes Jack a dull boy," so clubs are encouraged to have good recreational programs. The agent has taught games and dancing to every club in the county.

For nine years camping experience has been made available to club members in this county. The Church of God organization has permitted clubs to use their camp grounds each year without charge.

Contests promoted for Charlevoix county members are also participated in at District and State contests in softball, archery, project demonstrations, judging, talent and model business meeting.

Many of the clubs plan trips and tours and plan parties to which they invite other clubs of the county.

**BOYNE FALLS**

According to Mrs. Alberta Pettifor, club work in her room at the Boyne Falls school is coming along nicely. Thirty members are carrying the health and conservation project, eight are knitting, 12 are doing clothing work and 22 are doing handicraft work. Mr. Pettifor is the handicraft leader and the boys are doing their work after school (evenings and Saturdays) in his home. Much of the material the boys are using has been donated by lumber companies and business places.

Mr. and Mrs. Pettifor and two of their members told of their club experiences over the Petoskey radio station, WMBN, on

**Shurfine Young MOTHER HUBBARD SALE**
