

TO ENTER STATE FINALS

E. Jordan Tennis Team Sets Historical Mark In Regional Sweep

East Jordan's powerful tennis team put on one of the most colorful exhibitions of tennis ever seen at the Regional Tennis Championships held at Mt. Pleasant, Friday.

Coach Max Damoth's inspired Red Devils not only won the tournament for the second year in succession, but also broke all records when they won every point possible, 17 1/2 in all.

The smooth stroking Devils never lost a match to an opponent, but battled it out among themselves at the end.

Bob Darbee was crowned the singles champion when he defeated his brother Cal 9-11, 6-2, 6-1.

On his way to the title he drew a bye in the first round then dropped Joe Martin 6-2, 6-0 and Saul Bloom both of Leelanau School for boys, 6-0, 6-1, before dropping brother Cal in the finals.

Cal Darbee defeated Lurie Lamont, two-time champion of the regional of Standish 6-2, 6-4, Fisk, of Sterling, 6-0, 6-2, and Lysle Johnston, East Jordan, 6-3, 6-0 before being stopped in the finals.

Lysle Johnston defeated Bob O'Brien of Standish 7-5, 6-2, then drubbed Ross Hohn, Leelanau's No. 1 man before losing to Cal Darbee.

East Jordan picked up seven points in the singles matches.

Last years doubles champs, Bob Danforth and Alan Sommerly turned the trick again this year when they dropped Konjathy and Roush, from Leelanau, 6-4, 6-3, Lewis and Mudge, Standish, 6-3, 4-6, 6-1, and Woodcock and Pemberton, East Jordan, 6-1, 6-1 in the finals.

The team of Larry Woodcock and Wes Pemberton defeated Posture and Daniels of Standish, 6-1, 6-3 then stopped Leelanau's strongest doubles team of Stanford and Avery 6-4, 8-6. The pair then turned around to beat East Jordan's Graham and Richards 6-2, 6-3 before losing out in the finals.

The team of Dave Graham and

Gene Richards more than held up their end when they turned back Sterling's top doubles combination of Snyder and Snyder 6-3, 8-6, they moved on to down Christian and Rolfe, Standish, 6-3, 6-2 before losing to Woodcock and Pemberton.

The doubles teams picked up 10 1/2 points in their matches.

East Jordan is believed to be the only team in history to send all six men from the regional to the state finals.

The champs and their runners-up in both doubles and singles are advanced to the finals. The team will include both Darbee's in singles and Danforth, Sommerville, Woodcock and Pemberton in doubles.

The turning point in the regional came in the first round of the day when Cal Darbee turned back Lurie Lamont, the number one choice to repeat as singles champion.

The Red Devils will travel to Rogers City for a tune-up tomorrow before their trip to Kalamazoo on the third of June to bid for State honors.

Am. Legion Memorial Day Ready

"Once again we come to Memorial Day," John Kotowich, commander Rebec-Sweet Unit 227, of the East Jordan American Legion, said this week. "It is a day set aside to honor those who gave their lives to defend their country."

The American Legion urges the community to join them in their ceremonies at the local cemeteries in honor of our comrades who gave their lives in the service of their country.

The ceremonies will be held at the following places:

- Calvary Cemetery, 7:30 a.m.
- Pesek Cemetery, 8:00 a.m.
- Bohemian Cemetery, 8:15 a.m.
- Densmore Cemetery, 8:45 a.m.
- Sunset Cemetery, 10:10 a.m.
- Bridge-Naval, 10:30 a.m.

The annual Memorial Day Parade will form at the high school 12 o'clock noon and march to the Memorial Park. The parade will consist of all veterans Legionnaires and Auxiliary.

The high school band and students and all who wish to join are urged to attend.

Autos will be furnished for the Gold Star Mothers and disabled veterans unable to march.

Speaker for the ceremony at Memorial Park will be Rev. Dale Larsen.

All veterans, regardless of uniform are urged to join the American Legion in their graveside services and parade.

The American Legion will serve coffee and donuts at the hall at 6:15 a.m. and breakfast at 9:15 a.m.

The American Legion urges the Legionnaires, Auxiliary and all veterans to attend the church of their choice on Sunday, May 29th in honor of those who paid the supreme sacrifice that others might live in a free country.

Merchants To Meet Tuesday

Regular monthly meeting of the East Jordan Businessmen's Association will be held 8 p.m. next Tuesday night at the Jordan Inn.

Chairman Donald Clark said the meeting will be open to members only and that each chairman of the Swan City Festival committee will give a complete report of his activities concerning the event.

Residents who were assigned to work on the festival by the various committee chairman will also be invited to attend.

New Schedule

The library will go on summer schedule next week. Hours will be as follows: Mornings from ten to eleven-thirty on Tuesdays and Fridays, evenings from seven to eight-thirty on Wednesdays and Saturdays and every afternoon from one to five except holidays.

KIDS SCHEDULE

Saturday morning's Swan City Festival spotlight will be on the children with a 3-hour program arranged.

Starting festival activities will be the Kids Pet Parade scheduled for 9 a.m.

Kid's Kapers will follow immediately at 10 a.m. at Memorial Park by the lake. A varied program of races, stunts, and contests are in store for boys and girls of all ages.

The 2-hour program of events which begin with foot races is as follows:

10 a.m. Memorial Park
50 yard dash races for boys, 5-7 years old; 50 yard dash for girls, 5-7; 50 yard dash for boys 8-10; 50 yard dash for boys 11-13; 50 yard dash for girls 11-13; 50 yard dash for boys 14-16; 50 yard dash for girls 14-16; 50 yard dash for boys — open; and for girls — open.

Wheelbarrow races for boys and one for girls; three legged race for boys and one for girls.

Sack race for boys and one for girls. At about 11 a.m. the always entertaining pie eating contest is set to get underway as boys and girls vie for the championship, also in Memorial Park.

A fishing contest off the city dock will end morning fun for the children.

The contest is open to boys and girls alike and ribbons will be awarded the person catching the largest fish and the greatest number of fish.

Members of the Jordan River Sportsmen's Club will conduct the event. Children are asked to report with their own fishing equipment including bait.

First and second place ribbons will be awarded in all dashes, pie eating contest and fishing contests. Novelty awards will be presented winners of the wheelbarrow, three legged and sack races.

Improvements Under Way At Post Office

A general improvement program is underway at the East Jordan post office, Postmaster Tom St. Charles said this week.

The lobby is being painted a new fresh green color and the work area behind the boxes is also being repainted.

St. Charles said the wall containing the boxes will be moved back and additional boxes will be added, due to the heavy demand by more patrons.

City Problem? First See Your Councilman

Do you have a problem involving the city of East Jordan? From time to time residents do. Many residents take their problems direct to the city council without speaking to any councilman in advance.

It was pointed out this week by Mayor Vern Whiteford that residents having city problems should first acquaint their own ward councilman with the problem before bringing it up at a council meeting.

In that way the council will have had time to discuss it and better judge the problem before the resident appears at the meeting.

This will save both councilmen and the resident time during a council meeting, it was said.

Several thousand visitors are expected to attend East Jordan's first annual two-day Swan City festival, Saturday and Sunday.

A kids' program Saturday morning with a northern Michigan parade in the afternoon and Sunday afternoon's boat races are festival highlights.

Parade Chairman Harold Bader said he was receiving cooperation from many northern communities and expects a 50-unit parade including high school bands, floats and organizational units.

East Jordan To Entertain U.S. Editors

Travel editors of approximately 30 midwestern metropolitan newspapers and magazines will visit East Jordan and Charlevoix county June 24 during an eight-day tour of west Michigan vacation centers under sponsorship of the West Michigan Tourist and Resort Association.

The editors will arrive at East Jordan shortly after 9 a.m. Friday, June 24, and will be greeted at the city's tourist park along Lake Charlevoix by City officials and resort operators of the region.

On the afternoon of June 22 the writers will enter this region on their arrival at Charlevoix for dinner, after which they will travel to Petoskey and on June 23 they will go to Mackinac City where the builders of the bridge over the straits of Mackinac will give them a close-

Bader announced that \$50 will be awarded for the first prize float with the second and third receiving \$25 and \$15.

It was also reported that first prizes in the pet and bicycle parades will be \$5.00 with the second and third places receiving \$3.00 and \$2.00.

All events will receive either prize money or ribbons with \$200 in all going for award winners.

The big parade will start at 2 p.m. Saturday at the high school and pass through the business district ending back at the school building.

Saturday afternoon's program will also include free boat rides from the new city dock starting at 3 p.m.

Sunday's events will get underway at 1:30 p.m. with the starting of outboard motor boat races sponsored by the Top O' Michigan Outboard Motor Boat Racing Club. There will be 40 entries from throughout northern Michigan.

ALSO SUNDAY there will be a local inboard boat race and a water skiing demonstration.

Four northern Michigan queens will lead off Saturday's parade of bands, floats, Boy and Girl Scouts, 4-H club members, servicemen and others.

Queens are: National Cherry festival, Miss Gail Krahnke, of Charlevoix; National Trout festival, Miss Ella Clute of Boyne City; Paul Bunyan Days, Miss Marian Danforth, of East Jordan, and Miss Patricia Gilpin, queen of the Jordan.

Minnie DesJardins and Mary Lou Breakey are co-chairmen in charge of the queen's floats.

Visits will be made to East Jordan's tourist park and to the river where visitors may feed the beautiful white swan.

Sponsored by the East Jordan Businessmen's Association, it was said there is no other community-sponsored event in northern Michigan this weekend.

EFFORTS were being made this week to have the United States Coast Guard and the United States Air Force take part in the activities.

All events are being coordinated by William Downs who will operate a public address system to keep visitors informed according to the schedule.

The seniors marched to processional and recessional music played by Mr. Malpass on an organ installed in the school's new organ loft.

Mrs. L. B. Karr has been the senior's class advisor guiding the students in their activities.

OVER THE BACK FENCE

BY MARSHALL

The Festival of the Swans starts Saturday and continues through Sunday; and with good weather East Jordan should see one of the largest crowds ever assembled in the city.

Information received in this office indicates that people from all over Michigan will be on hand to see the big parade and stay for Sunday's boat races.

They are talking about us on the radio, over TV and in the newspapers throughout Michigan. They are telling thousands that East Jordan's Swan City Festival starts Saturday a.m.

A surprise to us is the wide interest taken in our coming boat races. The small boat industry is advancing by leaps and bounds all over United States and this summer the interest has struck East Jordan.

A large number of residents have purchased big and small boats. You'll get a chance to see most of them over the weekend. The new city dock has become a big attraction to water lovers and certainly an attraction to boat owners.

Continued interest in summer water events can be kept up more easily now the city has the new city dock.

Visitors will see the most modern tourist park north of Grand Rapids — one that can hold 60 trailers and offer occupants a first class stay on the lake.

Reports about East Jordan's festival will be flashed throughout Michigan since daily newspaper and press association reporters have reported they will be on hand from southern Michigan.

The entire festival, built around the 30 beautiful white swan on the Jordan River, will give visitors a real look at the many things East Jordan has to offer in the way of living, playing and working.

The 2-day festival is an amateur photographer's dream what with a colorfully decorated city, parades, contests, boat races, water skiing and wildlife along the river front. Several home movie enthusiasts will be on hand to capture the fun for their private showing later.

Anyone wanting to know about the festival schedule may contact Bill Downs who is in charge of keeping the events in a scheduled order.

Poppy Day

Friday and Saturday, May 27 and 28 all of us will be asked to wear a little red poppy on our coats or dresses.

The day will be poppy Day, when, once each year, we of America pay tribute, by wearing their memorial flower, the poppy, to those who gave their lives in America's service during world wars.

The disabled veterans who make the poppies derive double benefit from the work. First, it gives them employment — their only chance to help support themselves and families.

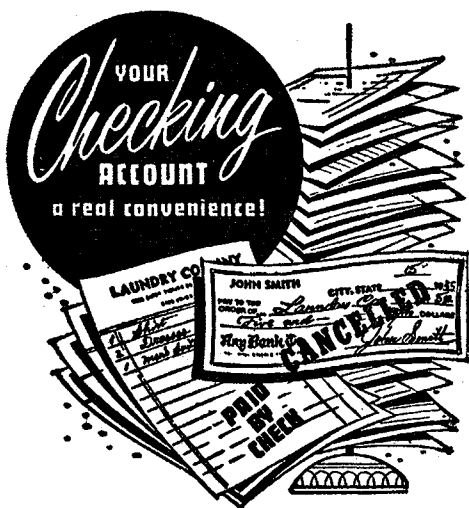

With strength and health gone they cannot do regular work, but they can make poppies.

Even in their hospital beds they can do this work, earning money for each flower they make. The work is of real value in aiding their recovery, occupying hands and minds, breaking the tedium of long idleness, and restoring spirits crushed by hopelessness.

Buy a poppy this weekend!

NORTHERN LIGHTS

(Compiled by the News-Herald Staff)

Some interesting figures were brought to light following last week's issue for Michigan Week.

The paper contained 24 pages and was distributed to 4,000 homes in Charlevoix county. There were four six page sections in the issue which required the printing of 96,000 pages — 48,000 impressions on the newspaper press.

The six page sections were handled 16,000 times in assembly work. The issue required more than 50 hours of running time on the newspaper press.

The completed paper contained 1,195.00 inches of news, features and editorial copy. Setting of news stories required more than 30 hours of linotype operation.

Sixty four business and industrial firms from Grayling across to Traverse City and north to Petoskey cooperated in making the issue possible. Firms in 10 cities used display space in the issue.

After the issue went to press 1,200 pounds of paper went into the mails and on news stands. Each copy weighed slightly under one half pound.

Sherm's Pure Service loaned the News-Herald the use of a new one half ton GMC truck which was filled to capacity when the paper was transported to the post office.

Do you suffer from dishpan hands, or housemaid knee? Or even possibly hypertrichosis?

That last one isn't as serious as it spells out to be. It merely means excessing and annoyingly superfluous hair, according to U of M experts.

Did you know East Jordan is becoming quite a small boat center? A good number of residents and summer visitors are beginning to place small outboard and inboard boats in Lake Charlevoix around East Jordan. Since the new city dock was constructed, a number of local people have purchased inboards and the trend is growing this spring and summer.

You'll be able to see them this week during the Swan City Festival.

Sheriff Rose Warns: Slow Down And Live

The Charlevoix county Sheriff Department is joining the State Safety Commission and the Michigan State Police in a 101-day traffic accident prevention program called "Slow Down and Live," Sheriff Glenn E. Rose announced today.

It will run from Memorial Day weekend through Labor Day, a period when last year 585 people lost their lives in traffic accidents in the state.

The program is aimed at those driver behavior faults associated with "in a hurry" complex and the "me first" attitude on the highway, according to Sheriff Rose. They include the motorist who is speeding, excessive speed, or too fast for conditions; the driver who passes dangerously, the fellow who steals the right-of-way, and the person who follows too closely. National figures show that these were responsible for 90 per cent of the deaths.

Sheriff Rose pointed out that the Slow Down and Live program purposely begins with the three-day Memorial Day weekend. Last year the Memorial Day weekend cost the lives of 20 people in Michigan traffic accidents. He urged all motorists to cooperate with the nation-wide Slow Down and live campaign by getting off to a good start in being extra careful during the forthcoming weekend.

Rebman Says How To Kill Trees, Shrubs

Don't watch those fence-rows and drainage ditches grow up all summer with scrubby trees and undesirable bushes, urges Charlevoix county agricultural agent Ed Rebman.

And you don't have to go out chopping every little while to keep the trees and shrubs down. Chemical control of woody plants is the easiest method of keeping vegetation down, he insists.

There are several ways of killing undesirable trees and shrubs: Spraying the leaves, spraying chemicals on the base, and spraying stumps to prevent regrowth.

Now is the best time to use foliage sprays — especially on low brush and trees less than five feet tall. A combination containing both 2, 4-D and 2, 4, 5-T — sold by a number of chemical companies as "brushkiller" — is recommended. This product is used as a water spray for foliage. When basal sprays and stump treatments are to be applied, the "brushkiller" should be mixed in diesel oil or kerosene.

Frank Blaha Services At St. John's

Services were held at St. Johns Catholic Church in the Bohemian Settlement, Saturday, May 14 at 9 a.m., for Frank J. Blaha. Rev. Ceslaus Klimowicz officiated at the ceremony and burial was at St. Johns Calvary Cemetery in Jordan Township.

Mr. Blaha who was 81 years old and lived alone, suffered a stroke while hunting mushrooms in the Jordan Valley. His body was found Wednesday, May 11th, by a party headed by Sheriff Howard Tanner of Antrim County who were searching for him. He had been reported missing since Sunday.

Born in 1874 in Moravia, Mr. Blaha came as a young man to Jordan Township and has lived there for over 60 years. He never married.

He is survived by one sister, Fannie Blaha of Vista, California; 3 nieces, Myrtle Blaha and Mary Kraemer of East Jordan and Frances Clary of Vista, California; 3 nephews, Charles of East Jordan, William of Muskegon and Frank of Ypsilanti.

RLDS CHURCH
Elder Ole Olson, Pastor
Elder Charles A. May, a missionary for the RLDS Church for the past fifty years, will be in East Jordan Friday. He will show pictures of his work in the South Sea Islands Friday night at 8 p.m. at the church. Everyone is welcome to attend.

ASSEMBLY OF GOD CHURCH

Pastor Rev. T. H. Moody
Due to the number of people who wanted to see the pictures taken by Rev. Moody while in Germany, and the date conflicting with that of Bacalaureate, it has been postponed until next Sunday night at 8:00 p.m., May 29. There will be an interesting group of pictures. They are in color, showing farming, industry, bombed ruins, how the German people dress and many many other interesting features. Questions will be answered like "What is the Iron Curtain", "Are there any Nazi's in Germany yet." The public is cordially invited.

To Improve Four Corners On Westside

The closing of a short street on East Jordan's west side is the beginning of a state highway program to improve the four corner approaches at M-66 and M-32.

The right turn-off from M-32 going north, a short span of blacktop has been broken up and the road closed.

Motorists now must go on to the corner and turn right to get on north M-66.

The short road area will be cleaned up and become property to be used by the city.

The state highway department will widen all four approaches to the corner and set up a four corner stop area.

Mrs. Charles Deyo of Williamson and Mr. and Mrs. Robert Mansfield and son of Lansing came Monday to visit the former's son and daughter-in-law Mr. and Mrs. Ernest Kopkau.

Legion . . . Auxiliary News

The Legion Auxiliary met Wednesday evening May 18th for their monthly business meeting.

A report was given by Mrs. Eva Peterson on the recent dinners put on by the Auxiliary. A motion was made and carried to purchase a used refrigerator and a new coffee urn for the Legion Home.

At this time delegates were appointed to attend the district convention to be held in Alpena June 19th. Marie Woodcock, Marie Rebec, and Floy Taylor will represent the unit. The Auxiliary will sponsor Edna Wilkins for president of the Lower 11th District and the election will be at the convention.

Chairman Peggy Kidder discussed her plans for Poppy Day and appointed girls to help her in the work. President Edna Wilkins read a letter from Fay Johnson — President of the Lower 11th district on Poppy Day and current affairs. Committee's were appointed to work on the Memorial Day breakfast and parade.

The revised by-laws and recommendations were read by Mrs. Martha Kamradt and approved by the members.

A special ceremony to present awards to the girls who have worked for the Ground Observer Corps was made by Joe Wilkins, County Chairman. Pins were given to the following: Edna Wilkins, Chief Observer; Marie Woodcock, Ass't Chief Observer; Bernadine Brown, Ass't Chief Observer and Floy Taylor.

Air Corps Reserve Regional Commander Judge Charles L. Brown gave an interesting speech on the need for ground observers and their part in National defense. He also told about some of his experiences in the past few weeks while he was on active duty in the air corps reserve.

A nominating committee was chosen to select members for election of officers to be held at next meeting June 14th. After unit 227 had closed the business meeting a lunch was served by Peg Thomas and Mrs. Tom St. Charles.

New Motel Opens Near East Jordan

East Jordan's second all modern motel has been opened to the public on M-66 over looking Lake Charlevoix.

The Shore Line Motel owned by Mr. and Mrs. Herman Wiltjer and accommodating 12 persons, was completed this spring and now is open for business.

The motel contains four units with complete furnishing including beds, baths, stoves, refrigerators etc. There are tile showers and tubs.

Large windows overlook the wide expanse of Lake Charlevoix and visitors have a full length porch high above the water.

Basement apartment also overlooks the lake. It is completely furnished, also with a porch.

Boats may be drawn up from the docks upon a cement ramp which leads into the basement for storage.

The front of the Motel off M-66 has a sun porch and a wide cement drive.

A large electric sign calling attention to the "Shore Line Motel" is being erected.

In addition the Wiltjers have four all modern cottages facing the lake next to the motel. Each cottage is completely equipped for modern living.

Both the motel and cottages are constructed for year around use.

Mr. and Mrs. Edgar Bowerman constructed Ed's Swan Motel last year, also on M-66, which has enjoyed a successful season.

Use Oat For Cow

In case you run short on pasture this late spring or summer, Ed Rebman, Charlevoix county agricultural agent, asks, why not use your oat field—or even your excess wheat?

June grass pasture probably won't furnish your cows with much more than exercise around June 1. But an oat field could give them plenty to eat for two or four weeks after that.

Carter M. Harrison, a farm crops specialist at Michigan State, advises turning the cows into oats when the grain is in the early milk stage to get the best results.

Lots of people, he admits, do not like the idea pasturing grain. But he asserts that when pasture is short, pasturing the grain crop may pay off more in terms of milk than it would to harvest the grain.

Then there is the good, reliable sudan grass. Piper is the best variety to use, Harrison advises. Next best is commercial sudan. Sweet sudan is about equal to commercial but it's liable to make slower growth if there's some cold, wet weather after planting.

Sudan grass should go in the ground at corn planting time on the same kind of land you'd expect to produce a good corn crop. An old sod field, heavily top-dressed with manure before or after plowing, would make a good place for sudan.

If you don't have manure, drill on 300 to 500 pounds of a high nitrogen fertilizer per acre — 10-6-4, 12-6-4 or 10-10-10. Sudan grows best where the nitrogen supply is plentiful.

The seed at 20 to 25 pounds per acre and you'll have sudan ready for pasturing about the first week in July. And you can figure that half acre will take care of a cow through July, August and part of September — if you get a good stand.

Girls To Camp At Charlevoix

This year's girl's camp will be sponsored by the Girl Scout organization and the East Jordan Community Chest. All girls of the community who are seven years old and older are invited to register for the camp.

The camp will be held from June 13th to 17th at Camp Charlevoix between Charlevoix and Boyne City on Lake Charlevoix. The group will leave at 9 a.m. June 13th and return on Friday after lunch.

The camp program will center around Girl Scout activities including recreation, swimming, nature study, handicraft, campfires, etc. A trained nurse and

Remember, though, to let the sudan get to a height of 12 to 18 inches before you turn in the livestock and don't let them graze where the grass is short. Use an electric fence to divide the field and let the grazed portions recover before turning in the stock again.

Harrison claims that sudan is by far the best emergency pasture crop because it grows well in hot weather, cows like it even when it grows to advanced stages of maturity and it recovers well after grazing if there's enough moisture.

life saving director, will be among the counselors. All details on food costs, insurance, etc. have not been worked out, but the cost will be under \$10.00.

Thursday, May 26, 1955 * East Jordan News-Herald * Page 7

An exceedingly important item in every major league club's budget is travel expense. It costs each club approximately \$35,000 a year to transport players, manager, coaches, trainers and others from city to city.

Where minor leaguers must be content with long and often tedious bus rides, the big leaguers enjoy the fruits of success and travel in style. They are accustomed to all three major modes of transportation, train, plane and bus, depending upon the destination.

The Tigers, for example, charter an airliner for any series in Kansas City that does not allow a one day break for traveling time. Some 22 hours by rail, the trek to the American League's newest representative is only two and a half hours by air.

On the other hand, for a series in Cleveland, buses are utilized. It is a relatively short jaunt to the Indians' wigwam and back.

VETERAN TRAVELERS
Most of the time, however, rail transportation is employed. Major leaguers spend an awful lot of time in pullman cars, much of it playing penny ante card games to while away the monotonous hours.

Teams require two or three special cars, two if they're the modern type with plenty of roomettes, three if they're the old fashioned sleepers.

On sleepers, the regulars are assigned car one, the utility players car two and the coaches and press car three.

But all this scheduling of transportation is not done at the last moment. It begins the first of the year, when baseball schedules are drawn up. Representatives of bus, railroad and air lines meet with the traveling secretaries of the 16 major league clubs to map out transportation for the entire season.

Baseball players are charged the same for their travel as other individuals. The only consideration they receive is in charter

service, such as the special railroad cars.

GREAT EXPENSE
How the traveling secretaries save money is in judicious purchasing of tickets. By buying tickets, say, from Chicago to New York, stop-over privileges are allowed in Washington and Baltimore.

Despite such economy measures, the expense of playing on the road is terrific. The cost comes to about a thousand dollars per man per season, not including feeding.

On the Tigers' recent 13-day swing through the East, hotel accommodations ran to \$2,900, with food (at about \$8 per man per day) another \$4,000.

Chartering a bus to the ball park and back to the hotel, so that the whole team arrives on time, costs another \$22 a day.

It becomes apparent that playing the Hickory and Horsehide game away from home is an expensive proposition.

Orchard Notes

At the present time growers are thinking of shot hole fungus on cherries. Science has found out the fungus has a 30 day period for starting from the ground. No one knows its starting date.

Sometimes cherries are in bloom for a long time. Young trees will often leaf out ahead of older trees. There was a lot of shot hole in many orchards last year mainly due to delayed bloom and a late start with the first application.

Copper was the first material used on cherries for shot hole. The next material was liquid lime sulphur because the grower got much larger cherries with sulphur until bad shot hole years appeared. Unsprayed trees also did well on the same years that the trees sprayed with sulphur did. So today the test is for that uncommon year. Sometimes we can go along five or six years with very little trouble with any spray material or any date for starting.

It's better to omit poison until all the petals have fallen on account of bees. There's no doubt but that it is the first two sprays that count the most. It would be my guess that when the first leaves were half grown would be nearly the right time for the first application and the second about one week later.

I don't believe that it pays to experiment on how few sprays to apply. Although if the first two are early and often possibly two more will do the trick. Use a rainy wet spring for a guide.

FARM BUREAU COMMUNITY GROUP NEWS

Star Farm Bureau Community group met at the home of Charles Healey, May 14. Reports by the county director Leslie Sheridan and by minute-man William Gaunt were heard. Discussion on the new A. S. C. program was led by Curtiss Nicely discussion leader.

It was voted to change our meeting night to a Friday night. The next meeting to be held at the home of Curtiss Nicely in June with a weiner roast for recreation.

Plan Land Judging Day

An event of interest to all Charlevoix county farmers will be held near East Jordan on Friday, June 10, according to Ed Rebman, County Agricultural Agent.

The Antrim Pastures and Land Judging Day will include programs for everyone. The event will be held at the Vernon and Bryce Vance farm five miles southwest of East Jordan.

The pastures event will show the results of various seedbed preparations, the length of time of seedbed preparation, various seeding mixtures different fertilizer analysis and rates of application, the value of lime where needed, rejuvenation of native grasses, weed control and white dutch and ladino development of low ground.

The land judging event will start in the morning at 9:30 a.m. It will feature separate classes for 4-H, FFA and adult men and women. Anyone who has not seen a land judging contest would enjoy this event.

Dr. L. M. Turk, director of the Michigan Agricultural Experiment Station, will be the featured speaker for the day. His talk is entitled, Farm in the Future, and will be delivered at 1:00 p.m.

MANY OUTDOOR PROGRAMS

Community Chest, Summer Activities Under Way

Boys And Girls Camps, Other Events Planned For Summer

East Jordan's summer recreation program, sponsored by the local Community Chest, will begin officially Monday, June 6th and continue for ten consecutive weeks, according to Bill Swoboda, president of the chest organization.

Gayle Saxton, high school coach, will serve as recreational director as the Community Chest undertakes its summer program for the sixth consecutive year.

A recreation calendar will appear weekly in the News-Herald to keep local as well as out of town people posted on coming events.

As in the past, the program will be highlighted by camping projects for both boys and girls. Two weeks will be devoted to Camp Ocqueoc, summer recreation camp for boys near Rogers City.

East Jordan, Boyne City, Petoskey and Pellston have worked together for the past five years in providing camping experiences for boys 8 to 14 years of age. This year's camp dates are: June 13 to 18 and June 20 to 25.

The Chest is not sponsoring a girl's camp of its own this year as it did in 1953 and 1954, but is backing to some extent the Girl's Scout Camp at Camp Charlevoix, where any girl from

East Jordan may attend whether she is a scout or not.

This camp is being held at Camp Charlevoix June 13-17. For additional information persons may contact Mrs. Wilbur Robertson, school nurse, or Mrs. Ed Bowerman, Girl's Scout Leader.

East Jordan is one of the leaders in this area in the field of camping for both boys and girls.

East Jordan's summer softball program is underway with initial games in the Rainbow City Softball League having been played.

The league is made up of four local teams: The Iron Works, Huckle's Auto

Sales, Lutheran Church and Mt. Clemens Metal Products.

League games take place every Tuesday and Thursday evenings under the lights at the West Side ball park.

A junior softball program, which last year occupied much of the leisure time of some 90 youngsters ranging in age from 5 to 14 years, will get underway during the first week and continue throughout the summer months.

Girls, too, have a hand in softball with a girl's team scheduled to be organized again this year.

Wednesday night square dancing, always popular with young and old, will begin soon after the 4th of July and continue to be a weekly attraction at the Recreation Bldg. at the tourist park on the west side.

Playground activities at the tourist park will take on an added interest this summer with several new games and equipment being purchased.

Among activities available to the youngsters in the afternoons at the tourist park are: volleyball, badminton, horse shoe, croquet, shuffleboard, tennis, bat tennis, tether ball, shuttle-cock, pitikari, dodge ball and playground ball.

Handicraft, which last year averaged some 65 youngsters per afternoon session, is expected to be popular pastime again this summer. This activity in the past has been carried on two afternoons a week and it, too, is held at the tourist park, a mecca of summer recreational activities.

Classes for boys and girls will be divided into age groups to take care of the ever increasing numbers. Most of the handicraft is confined to working with plaster casts.

The Community Chest is expected to operate a bus again this summer which will afford transportation for many of the youngsters both to and from the various activities as well as furnish the means of transportation for excursions, ball games, play days, picnics, etc.

Among the other activities that will come up in the program are: tennis, hiking, movies, baseball and golf.

Beginning next week, be sure and follow the recreation calendar in your News-Herald.

Camp Daggett Plans Completed

Camp Daggett on Walloon Lake will open on June 20 with Willard Splan of Petoskey, as Camp Director, and Mrs. Fletcher Johnson of Petoskey, as Girls' Camp Director.

All of the assisting counselors will be young men and women from Central Michigan College at Mt. Pleasant, who are majoring in physical education and who have had special preparation for camp teaching. They will be accompanied by Dr. Lawrence Sweeney, head of the camping program at Central Michigan College, who will supervise their work. Instruction will be offered campers in swimming, handicraft, woodsmanship, archery, boating, fly casting and many other camp activities.

Camp Daggett is sponsored by public-spirited citizens and service clubs of Petoskey, Michigan. It is run as a non-profit organization and open to boys and girls ages 9 to 16 inclusive. The boys' session run from June 20 to July 2 and from July 4 to July 16. The remaining session open for girls is from August 1 to August 13.

Application blanks can be secured from the Public Letter Shop, Petoskey, Michigan.

East Jordan To Entertain U. S. Editors

(Continued from Page 1) up view of the construction operations.

During the afternoon of June 23, the editors will visit Harbor Springs, Boyne Mountain Ski club for a ride on the chair lift. Walloon Lake and Boyne City, where they will have dinner and remain overnight.

Leaving Boyne City after breakfast on June 24, the group will make its first stop of the day at East Jordan.

Included in the group will be writers for publications at Detroit, Chicago, Cleveland, Columbus, Cincinnati, Indianapolis, St. Louis, Kansas City, Des Moines, Milwaukee and other midwestern cities.

Former Red Devil Coaches Top Track Team In Michigan

Reed City High School, coached by Dale Clark, former East Jordan High School athlete is the 1955 State Class C Track Champion by virtue of its 17 1/4 points picked up at East Lansing Saturday.

Alan Sommerville, East Jordan's only qualifier out of the Traverse City Regional a week ago, vaulted 10' 6" in the East Lansing meet Saturday and tied with five others for third place. It marked only the second time in the past five years that a Red Devil placed in the state meet.

Don Whiteford took third in the shot put three years ago at Ann Arbor. All in all it marked a big week end for the slender all around athlete, who only the day before teamed up with Bob Danforth to win the tennis doubles championship at Regional Tennis Meet at Mt. Pleasant.

Track competition comes to an end for the local thirlands Tuesday evening of this week when they take part in the northern Michigan Class C Conference Meet at Charlevoix.

Coach Saxton will lose only Sommerville from this year's track squad through graduation, but the loss will be a heavy one for he has been a consistent high scorer for the "Red Devils" this spring taking part in the pole vault, high jump, broad jump, and 220 yd. dash.

Other boys who have made up this year's track squad are; Dennis Wilson, a junior, Ralph Shepard, Alva Noirott, Gareth Thompson, Ray Walker, Jack Ingalls and Fritz Healey sophomores and freshmen Rod Steenberg, Joel Evans and Jerry Green.
