ANDY BARGER IS 'ON THE RUN' WITH HIS MUSIC

By GINA SOLTIS KENDELL

With a little guitar, snare drums, cymbals, a mixing board from Radio Shack, and a dream of buying a \$10 microphone, fifth-grader Andy Barger assembled his first recording studio in his bedroom.

Today, at age 37, Barger — an audio engineer and music instructor — is still running a studio, this one out of his transformed one-car-garage in Boyne City. And after eight years of mixing tunes at the end of his driveway, he'll soon realize a much bigger dream of building an even larger studio with his primary focus on teaching kids.

The \$40,000 music and theater production facility will be housed at the teen center in Charlevoix and be built under guidance from D. Scott Kelly, executive director of BASES (Bay Area Substance Education Services).

Andy Barger will soon realize a dream of building a larger music studio.

I've been building this studio in my head for eight years," Andy said. That may come as a surprise to those who know him only as "Big Daddy," which is also the name of his DJ and light and sound business.

Andy does cut an interesting figure with his thick shock of longish hair, bushy beard, black outfits and 20-year-old black bus — formerly "Petoskey school bus 21" — which he drives to his gigs at weddings, car shows, festivals, motorcycle rallies, beauty pageants, and night clubs.

Then there's his musical production business, On the Run, which includes the recording studio as well as a music school where he teaches bass, drums, guitar and audio engineering. Many of his students are at-risk children sent to him through the Antrim County Juvenile Court. And this work is what has led him to create the studio at the teen center in Charlevoix.

"I try to get them focused on music," Andy said of his students. His hope is that by teaching them a broad spectrum of the business, they end up buying guitars and guitar strings instead of drugs or alcohol.

What the kids mostly do, is learn to play music. But they also build speaker cabinets, work as stage technicians, and assist with studio and bus maintenance.

"I have to keep the bus running," Andy said of the vehicle which he customized to carry his light and sound equipment, a stove, water, electricity and his old army cot for overnight jobs. Publicity photos of

Boyne police looking for information on woman who approached child

The Boyne City Police Department is requesting help in locating or identifying a woman involved in a suspicious incident in Boyne City.

The police department reported that on Saturday, Oct. 17, at approximately 10 a.m., the woman drove up next to an 8-year-old girl walking beside the road near the Boyne City schools' bus garage and asked the girl to come and pick flowers with her and then asked the girl to get into the

car. The girl told her she had things to do and ran off to her brothers.

The woman is described as being white, having dark brown hair, in her 30s, approximately 5' 8" tall, and having a light build. A sketch was provided by a trooper from the Michigan State Police Cheboygan post.

The vehicle she drove is described as all white, being at least a 1990s model, and probably an Oldsmobile.

Anyone with information is asked to call 582-6611.

This Sunday is the time to turn back the clocks

Don't forget to "fall back" from daylight savings time this weekend and savor a little extra sleep while you're at it.

Officially, the time on clocks should be turned back one hour on Sunday, Oct. 25.

The Michigan State Fire Marshal's Office, together with the International Association of Fire Chiefs and Energizer brand batteries, is also encouraging folks to make it a habit to change smoke detector batteries each year when the clocks are changed back through its "Change Your Clock, Change Your Battery" program.

"We need to remind Michigan residents of the importance of installing fresh batteries in their smoke detectors to ensure they are working in case of a fire," State Fire Marshal, Capt. Wade Schaefer said. "According to fire incident statistics for 1997, smoke detectors operated in only 21 percent of the 13,534 residential fires reported in Michigan."

It's all about feeling good

AEROBIC INSTRUCTORS CHRIS KEMPTON AND DEBBIE EDWARDS SHOW THE WAY

By GINA SOLTIS KENDELL

Outfitted in a microphone-headset and seemingly endless amounts of energy, Chris Kempton pushes the 6:45 p.m. muscle madness body toning class through another exerting session.

At 46-years-old, Kempton is physically, cardiovascularly and mentally fit. "I've never felt better," she said.

She's been a fitness instructor for 15 years — nearly as long as she's been exercising — taking to the gym after her children were born. "I wasn't extremely physical before that," she said.

"I'd rather do this (teaching) than take it," she admits. But not so for her students who fill up the water aerobics, muscle madness and step aerobics classes she and two other instructors teach all week

long next door to the East Jordan City Hall and at the city pool.

Kempton's friend and peer, 43-year-old Debbie Edwards, teaches aerobics classes in Boyne City above Ray's Guitar on Water Street. "Because we didn't have an instructor," Edwards said, "I decided to teach it."

Both women are certified instructors and both mention that, yes, as they get older, it gets a little harder. "You're sorer, longer," Edwards said. But it doesn't deter either from choreographing and learning routines, leading classes and encouraging students to exercise for life.

"The people in my class are so fun," Edwards said. "They motivate me as much as I do them."

"The atmosphere is really relaxing. There's no competition. Students wear whatever

they want. We don't care if you make a mistake.

"For a lot of them, it's a fun time to get away from home. It's just a really cool group, they're kind of depend on each other," said Edwards, who by day works in a dental office and as a

dental assistant. She knows it's the stress relief, camaraderie — and endorphins — that bring the students back.

Neither instructor talks much about physical appearances. "There are so many shapes and sizes," Kempton said. It's self-esteem and a healthy mental attitude that's important. "They're all in there for a good time."

"They love to socialize."

EJ Schools in good financial shape

The East Jordan Board of Education reviewed the district's 1997-98 fiscal year audit at its regular meeting held on Monday.

Lori Bamberg, the chief auditor from Hill & Schroderus, P.C., in Petoskey, provided the board with an overview of the audit's results and commented positively on the financial operations and financial health of the district.

The audit report listed 1997-98 revenues at \$7,310,754 and expenses at \$7,610,782. The difference of \$8,972 was added to the district's fund balance, which, at the end of the year, was \$912,790, which represents approximately six weeks of operating revenues, consistent with audit recommendations.

The board also reviewed with the elementary school's Report Card

Revision Committee, recommendations on modifying the school's report cards.

The committee has worked for the past year to design cards for each grade level that provide parents with more information relative to the progress their children are making, while at the same time strengthening the connection that the cards have to the curriculum that is being delivered

at each grade level.

The board applauded the committee's work and also offered suggestions for its consideration, including that they continue to revise the card to ensure that they are written in terms familiar to parents and to consider revising the marking code terminology to provide more information for parents.

Aerobics

Continued from page 1

Kempton said of her water aerobics class. And it's her favorite class to teach too. Students talk and joke. After class some will head out for a cup of coffee. They discuss problems or successes, or whatever the topic of the day is. A handful of them have been taking the class since it started nearly seven years ago.

Their average age is in the mid-50's, although she has had 16-year-olds all the way to 90-year-olds plunge in. "People think of it as being a geriatric class, but it's not."

"When they don't come for a week, or I take a week off, they're like 'oh my gosh, I can never quit this. I can't stand the way I feel,'" Kempton said. "It's just feeling good and keeping the weight down."

One class even meets at 5:45 in the morning. "My a.m. people

are just dedicated," Kempton said.

Some of Kempton's students, like one man who broke a vertebra, was instructed to attend water aerobics by his doctor. He spent two months in the school, and said he never felt better in his life. Kempton said.

Kempton said she's hardly been sick since she's begun exercising and her mental attitude has improved. "I think it's the answer to a lot of things," she said.

Edwards agrees. "When I don't move, I feel so awful." She said you don't experience that feeling right away when you first start exercising — it kicks in after about six months. "Now if I don't have an aerobics class for a week, I hate it."

After a woman approached Kempton about just wanting to breathe better — not to lose weight — Kempton led a walking class at the East Jordan High School track. "She lost 90 pounds," Kempton said. "It took her a year." Now

she's body-building and toning.

"Her mom said, 'if she can do it, I can do it.' That's the fun stuff, the inspirational stuff."

Edwards' Boyne City step class includes half an hour of aerobics. She also does a half hour of weights, "because it's so important to preventing bone-loss," she said. It keeps the calcium built up, it's good for the posture and for the quality of life.

Edwards emphasizes being safe and said the step-class can be low or high impact. "I just try to make it so everybody can do it."

"It's so important to get that exercise in," Edwards said. "Just walk for half an hour. You don't need a destination."

Kempton encourages her students to walk, bike, snowshoe and cross-country ski to keep their cardiovascular system fit.

Before Edwards became certified, she actually took

Kempton's class. "She kind of encouraged me and was a mentor," Edward's said. Now they call each other with routines or sub for each other.

Surprisingly, Kempton said she used to be so shy, she couldn't look anyone in the eye. "I love sharing this with others." Now she tells her students to quit looking at the retouched photos of models in magazines.

With regular exercise your body acceptance goes up, Kempton said. "You feel good about how you look and it's the best you can be."

Kempton's water aerobics, muscle madness and step aerobics classes are held in East Jordan at various times throughout the week. For more information, call Kempton at 536-7830. Debbie Edwards holds step aerobics classes three nights per week in downtown Boyne City. She can be reached at 582-6790 in the evenings.

bands and singers — many not so famous — are taped to the curve between wall and bus ceiling. "I consider automotive and electrical wiring very much a part of my job."

"Those kids really help me out," Andy said. But they don't do anything he doesn't do — and Andy's done plenty.

He spent 12 years in the military — 10 of them commanding M-1 Abrams battle tanks along the East-West Germany border. He played gigs the whole time he was there. He toured three months with the military production of Joseph and the Amazing Technicolor Dreamcoat. He toured another three months in a rock band and attended as many other concerts as he could. His last two years in the service were spent working in a \$40 million recording studio.

"I decided after the Gulf War to get out and do it for a living," Andy said.

His work takes him away from home nearly every weekend in the summer, traveling northwest Michigan from Mackinaw to Traverse City. "That roadwork is really heavy. A lot of gigs I do by myself for economical purposes. But I'm used to it. It's a fun job. But a job it is," Andy said.

"I complain a lot about going on the road, but I love it," he added. The local jobs are what he likes most — Boyne City's harvest festival and car shows and so forth.

He is also a house technician at Jordan Valley Express in East Jordan where he does everything from unloading busses and setting up buffets to aiming lights and running sound for bands like Cinderella, RATT, REO Speedwagon, Rick Derringer, Rare Earth, Mitch Ryder and so on. "All the glam and glitz that goes on — you really don't have much time to pay attention. But you'd be surprised who you sit down and have lunch with," Andy said.

His home-based recording studio is used mostly for teaching and recording for music students, but he does do public recordings as well.

The studio's decor is "grown-up bedroom studio." There are mixing boards, tape machines, a multi-track recording, plenty of microphones and the "red" recording light.

The walls are dotted with rock-band photos and a photo collage of the garage-band he played in as a teen. There is framed memorabilia from his military days, patchwork carpet on the floors and walls, and stacks of music and recording books. He collects books and has

accumulated boxes of them. His self-study includes rock to opera. "I'm always reading something," he said, and always has an eye out for another book, "anything you can use to teach kids." Someday he'll set up a library.

He said it's not an exaggeration that he works 18 hours a day during the summer.

It's no wonder he was unable to keep his drum corp going this year.

"People just love it. I mean we were good, we were tight," he said of the drummers. The corp's first job two years ago was leading the tour of the newly installed historical plaques in Boyne City. They did a 15 minute gig at the 67th annual Venetian Festival. This year Andy loaned the drum equipment to Concord Academy Boyne since he wasn't using it. Next summer he hopes to march throughout Charlevoix County. He's searching for some old uniforms — maybe from the Coast Guard.

"Don't get me started, because I'll tell you it's all fun," Andy said. And since work has picked up in the past few years, it may be time to bring on a few others to help ease the load a bit. "I've got to think about retirement," he said.

But there's this recording studio in Charlevoix now. It will be a much larger version of his home-based business. "I've got enough equipment to build three studios," he said.

He will hold music classes and hopes to be teaching more drum, guitar and percussion seminars and clinics. The studio will include a sound stage — although it won't be elevated — and he hopes to incorporate drama as well with kids performing plays, skits and comedy acts. They will also help run the recording studio, with Andy by their side, and everything will revolve around an anti-drug and alcohol theme.

"I've seen a lot of kids come through and do good things," Andy said. "I've had a lot of good music recorded in here by these kids."

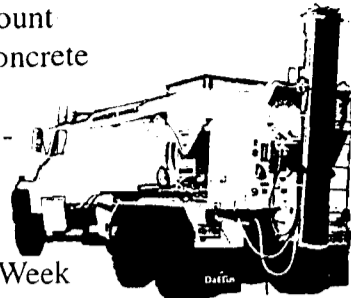

Andy plays a tape of a modern-rock song cover. It's a mix of instruments and singing. It sounds good. It's Andy playing and singing. He's modest and mumbles something about never giving voice lessons. He would join a band again, he said, but only if it was the right situation. He's through with those smoky bars.

"Teaching the music to kids. Yep, that's the best part," Andy said.

And perhaps the name Big Daddy — conferred upon Andy long ago by the lead singer of a band who dubbed him "the big daddy from Cincinnati" because of his size and mistaken hometown — is more appropriate now than ever.

Driver dies in one-car accident

The Charlevoix County Sheriff's Department is investigating an Oct. 12 one-car crash in Bay Township which killed the driver.

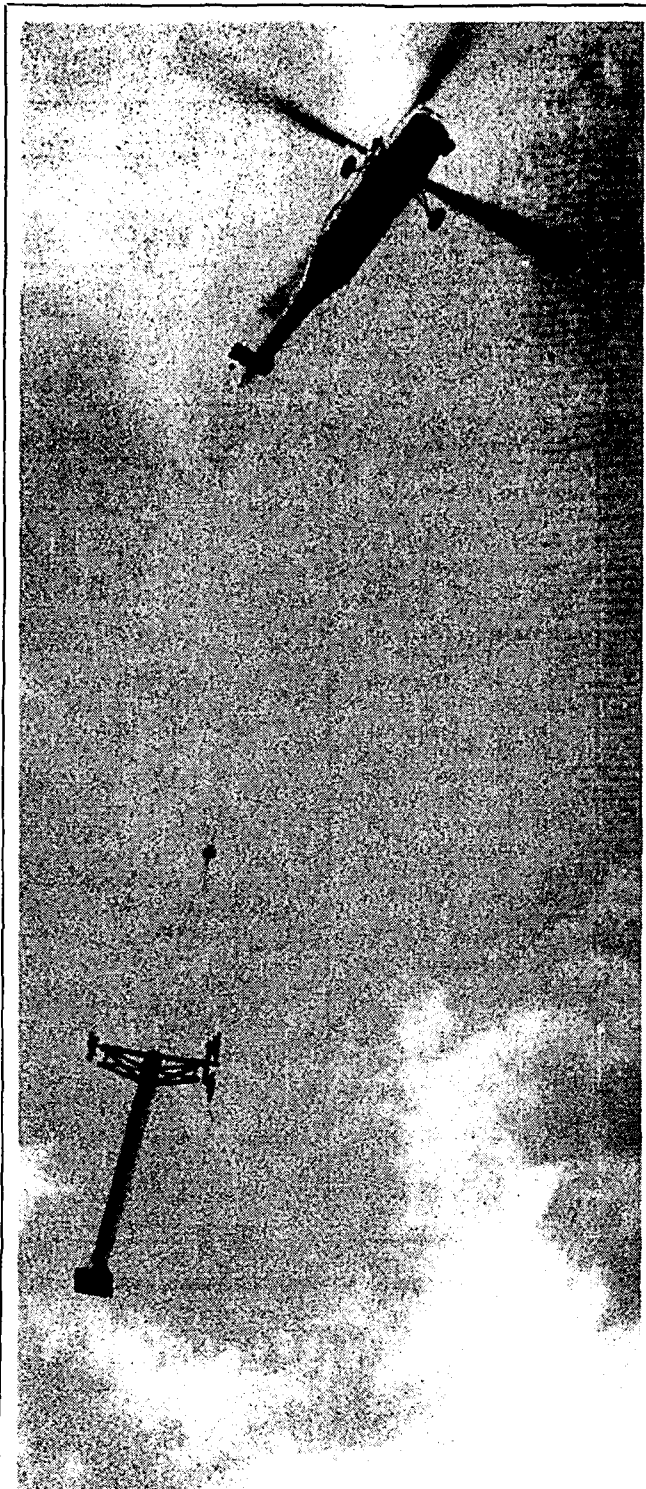

Homer Pharis, 80, of Charlevoix was traveling southbound on Horton Bay Road around 6:50 p.m., when he failed to negotiate a curve. His 1999 Mercury Cougar left the roadway and struck a tree head on. Pharis was the only occupant of the vehicle.

The Boyne City Jaws of Life, used to extricate Pharis, were assisted by the Melrose Township Jaws of Life. The Boyne City Ambulance transported Pharis to Northern Michigan Hospital where he was pronounced dead.

Coalition tackles insurance dispute

With growing concern about the impasse resulting from the recent dispute between Blue Cross/Blue Shield of Michigan and Burns Clinic, eight Northern Michigan employers met last week to form a Coalition of Insured Healthcare Consumers.

Senior managers representing Continental Structural Plastics, Charlevoix Manufacturing, Hoskins Manufacturing, Industrial Magnetics, LexaLite International, Petoskey Electric Motor, Southdown, Thomas D. Pointner P.C., and a majority of directors of the Northern Michigan Industrial Association, met to discuss options that are available to protect the interests of the more than 5,600 employees and family members represented by the companies attending.

Members of the coalition discussed the need to invite any employer in the combined Blue Cross/Burns Clinic service area to join the organization. Any employer insured by Blue Cross/Blue Shield and utilizing the Burns Clinic Service, who

is interested in joining the organization is invited to attend a meeting at the Charlevoix Country Club on Wednesday, Oct. 21, at 4 p.m. to discuss the objectives of the group.

Employers interested in joining the coalition, but who are unable to attend, can contact the Human Resources Department at any of the following companies: Hoskins Manufacturing, 547-3321; Industrial Magnetics, 582-3100; LexaLite International, 547-6584; or Southdown, 547-9921.

Coalition members discussed plans to invite senior representatives from both Blue Cross/Blue Shield and Burns Clinic to address the membership in an open forum at a time and place to be determined. In addition, the group agreed to explore alternative options by contacting other insurers and other health care organizations about the possibility of bringing new services into the northern Michigan area.

Motorists encounter bear and horse on area roads

Deer have become a more common site on the local roadways lately, but in two separate instances recently, a bear and a horse caught two motorists off guard.

Derby Hayden III of East Jordan reported to the Charlevoix County Sheriff Department that on his way to work on Oct. 7 he hit a black bear weighing between 150 and 200 pounds as it crossed in front of his 1995 Ford Taurus on Ferry Road between Advance and Boyne City.

Hayden told officials that the bear tumbled into a ditch after the impact and that he and his son, Christopher, looked for the bear in the

nearby woods but were unable to locate it.

The sheriff's department reported it observed a large amount of mud and long black fur on the front of Hayden's car.

In another unusual accident last Wednesday morning, a horse was killed from injuries it sustained in a car crash. The vehicle's driver, Barbara Mazzella, 21, of East Jordan was unable to avoid a collision with the horse as she crested a hill on Deer Lake Road, according to the sheriff's department. She was taken to Northern Michigan Hospital by Boyne City Ambulance with multiple injuries.

'Dedicated and hard working'

A.J. Brong is putting his leadership skills into practice

By GINA SOLTIS KENDELL

A.J. Brong has spent more than half his life as a Boy Scout in Boyne City, and at 18 years old has achieved the rank of Eagle Scout — the highest advancement in scouting.

"He's a real great young man," Northwest Council district executive Ben Evans said. "He's really deserving of this award. He's worked hard."

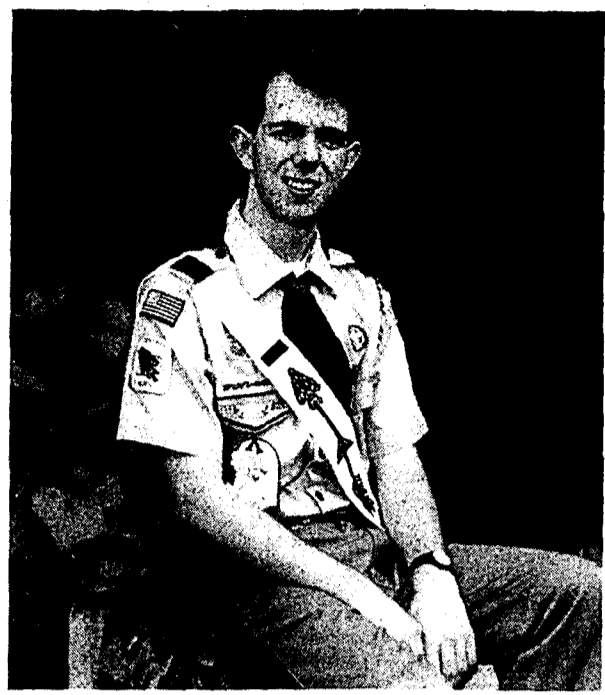

Brong is the third scout in the Boyne City-East Jordan area to become an Eagle since September. Tony Dowson of Boyne Falls will earn the honor by December and probably three to four more young men will become Eagles next spring.

When looking at figures which show less than two percent of the 875,000 scouts nationally achieve the award, the number of scouts becoming Eagles in this area seems a bit unusual. But, because the program is so solid here, it really isn't that out of the ordinary, Evans said. Also, 18 is the age-limit for attaining Eagle status, and there are quite a few local scouts hitting that mark at the same time.

"There's a strong scouting program in northern Michigan," Evans said. He credits the dedicated volunteer leaders who learn the program, bring the boys in, and keep them interested and involved.

"There has to be a solid commitment from the leader and the boy to go through this process," Evans said.

Brong joined the Cub Scouts as a second grader and 11 years later his final Eagle project — a major undertaking which is required to become

An Eagle Court of Honor for A.J. Brong is 7 p.m. Saturday at the United Methodist Church in Boyne City.

an Eagle — was landscaping at the Challenge Mountain Ski Area in which he led a group of scouts in digging a trench and laying gravel around the edge of the ski lodge to help prevent erosion caused by rain-water running off the roof.

He said it was the camping and the Order of the Arrow — also

known as the National Honor Society of Boy Scouting — which kept him in scouting.

Brong was nominated by his peers, and selected by committee, to be bestowed the Vigil Honor of the Order of the Arrow which is the highest honor the Order can give to another member.

The Order offers plenty of opportunities for leadership training, Brong said, and he's heading downstate next month for national leadership training.

He already began honing those skills through his attendance at two national Order of the Arrow conferences over the last two summers, a large part of which were dedicated to promoting camping to other scouts. Brong spent time this summer as a senior patrol leader organizing youth staff for a week-long training program for nearly 50 scouts.

Last year, he also attended the National Jamboree at Fort AP Hill, Va., as part of a division of the staff who re-enacted the first boy scout encampment in England in 1907.

"Especially looking at the news right now, our country needs stronger leaders in the future," Brong said. "The more I can learn and the more I can teach the younger boys coming up behind me, the better off we'll be."

His schedule is kept even busier as he puts in time with the Boyne City High School drama department, as president of the student council and as the National Honor Society president. He cut back his participation in the high school band this year to concentrate more on his college prep coursework.

"He's dedicated and he's hard working," Evans said. "And that's why I think he's where he's at right now."

An Eagle Court of Honor will be held for Brong on Saturday, Oct. 24, at 7 p.m. at the United Methodist Church in Boyne City.

Three Men and a Tenor

Quartet will perform harmonies for students

The Jordan River Arts Council will host a performance of Lansing-based quartet Three Men and a Tenor for East Jordan junior high and high school students on Oct. 23 at 1:30 p.m.

The high-energy, comedy-based a cappella quartet, which performs four-part harmonies, vocal instrumentation and an extensive repertoire ranging from Sweet Heart of Sigma Chi to Stairway to Heaven, have taken their show to schools throughout Michigan.

The visual, comedy portion of the act is based on the group's own physical appearance with the bass, Paul Felch, and the harmony, Mark Stiles and Chuck Colby, standing over six feet tall, and comical tenor, Glenn Williams, at five feet tall.

The four first met in the Men's Glee Club at Michigan State University — Felch and Stiles to fill help insure financial aid and Colby and Williams for musical reasons. Love of music (and lack of money) brought these guys into the Glee Club but they each believe that fate helped them find each other out of an 80-member men's chorus to form their own quartet — after being inspired by a guest quartet. No musical audition ever took place and Glenn was the only music major of the group.

In 1995 they decided to make show business their careers and since then have opened for The Beach Boys, Peter Cetera, Bob Newhart, Pat Boone, The Chenille Sisters, Verve Pipe and nationally touring comedian Tim Wilson. They have released two self-produced albums — "Untucked" in 1994 and "Look Ma... No Band!!!" in 1996.

Auditions set for children's choir

The Crooked Tree Arts Council is hosting auditions for children to be part of a Traverse Symphony Orchestra holiday concert on Dec. 13.

The children's choir will be accompanied by the symphony and coloratura mezzo soprano Hilerie Klein. The performance is the second in the Arts Council's concert series.

Katharine Trumble will conduct the auditions and direct the choir.

Children in grades three through seven are encouraged to audition. There is no charge to be part of the choir.

Auditions are set for Thursday, Oct. 22, from 4-5:30 p.m. and Saturday, Oct. 24, from 9-11 a.m. They will be held at the McCune Arts Center, 461 East Mitchell St., in Petoskey.

To schedule an audition, call the McCune Arts Center at 347-4337.

RSVP honors its volunteers

The Retired and Senior Volunteer Program (RSVP) of Charlevoix and Emmet counties recently held its 14th annual Recognition Dinner at the Argonne Supper Club. More than 140 RSVP members and guests attended.

During the past fiscal year for RSVP, 230 volunteers provided 48,578 hours of service to 70 non-profit and public organizations in the two county area, an increase of 8,000 hours of service over last year.

"RSVP has very dedicated individuals who help the people of their communities and we congratulate them all for sharing their time and talents with their communities," said RSVP director Carla Bufe.

Honored for their commitment to volunteering were members who received five- and 10-year pins. Among those receiving their 10-year pins were Boyne City and East Jordan residents Juanita Burrows, Alice Cooper, Clara Davis, Margery Elzinga, Eileen Renwick, and Virginia Stokes. Five-year recipients were Mona Ferris, Don May, and Barbara and John Polinski.

"All volunteers, whether they contribute a few hours or many, are very important to those they help. Some RSVP members stand out each year for contributing over 1,000 hours," Bufe said.

From Boyne City, the following individuals were recognized: Sally

Day, Teddy Fultz and Richard Mellon. They all volunteer at the Challenge Mountain Resale Shop or ski facility.

"Each year many organizations, who benefit from RSVP volunteer help, support our dinner," Bufe said. Contributing this year were: Boyne City Housing Commission, Boyne City Public Schools, Charlevoix County Conservation District, Charlevoix County Hospice, East Jordan Family Health Center and East Jordan Public Schools.

RSVP is sponsored by the Friendship Centers of Emmet County and funded by a grant from the State of Michigan, Char-Em United Way and donations.

Ministerial Association conducting 'religious census' of East Jordan

Residents of the East Jordan area may hear a knock on their door on Saturday, Oct. 31, between 9 a.m. and 12:30 p.m.

Representatives from churches of the East Jordan Ministerial Association will be going from block-to-block and door-to-door contacting residents and asking them to take part in a "religious census" of the community.

Residents will be asked if they

attend a church or religious organization and if they do, which church or religious organization they attend. Those who are not currently part of a church or religious organization will be asked if they would like to be contacted by someone from one of the congregations in the community.

A training session for census takers was held at the Evangelical Lutheran Church in East Jordan on Oct. 15. Twenty-one people repre-

senting three of six East Jordan Ministerial Association churches that plan to participate in the survey were present.

It has been 30 years since anyone has conducted a religious survey in East Jordan, according to David Downton of the Ministerial Association. "We hope that this survey will be a way of inviting the community to be a part of a church or faith community in our area," he said.

Coats for Kids begins its collection drive

With cold weather just around the corner, the Charlevoix and Emmet County Family Independence Agency is now accepting donations for its Coats for Kids collection drive.

Clean children's coats can be dropped off in designated boxes at the Glen's stores in East Jordan, Boyne City, Charlevoix and Petoskey.

A certified volunteer from the

agency will deliver the coats weekly to East Jordan Care and Share.

Care and Share will distribute the coats, and other clothing items, from its offices in the basement of the East Jordan Health Center at 601 Bridge St. in East Jordan on Monday, Nov. 16 from 11 a.m.-4 p.m.

All Charlevoix and Emmet county residents are welcome.

Chris Bearden, Micah Middaugh and Penzien took fourth through sixth places, respectively for the boys.

Holly Petkewicz was the lead runner for the Red Devils with a 10th place finish.

The girls middle school team took first place and the boys took fourth. "The middle school has done an outstanding job all season. Haley (Shaw) and Garrett (Romero) have been particularly so," Peterson said.

CELEBRATING

COACH PAUL PFAHLER AND THE 1968 BOYNE CITY RAMBLERS REUNITE TO CELEBRATE THEIR UNDEFEATED SEASON

PERFECTION

Thirty years have passed, but the love and respect Coach Paul Pfahler has for his 1968 undefeated Boyne City football team remains strong.

"That was probably one of the most talented ball clubs I ever had," said Pfahler, who in his 22-year career coached five undefeated teams.

"Not only were they good athletes, they were good academically," he said. "They were just a super group of young men."

That group, now middle-aged men, will gather Friday at Boyne City's Earl Brotherston field to celebrate their perfect 1968 season.

And joining them will be their coach, Paul Pfahler. He and his wife Dorothy are planning a three-day visit to Boyne City for the reunion.

They now live near Lakeland, Fla. Paul, who said his health is very good, "still golfs every day. I'm still very active. That's not bad for an old guy."

The team will be honored at the Boyne City-Charlevoix game and a reception will be held after the game in the high school cafeteria. Everyone is invited to attend.

Frank Shaler has organized the reunion. He expects most of the members of the team to attend.

Following is a recap of Pfahler's career and the glorious 1968 season. It is reprinted from "The History of Boyne City Football & Track," a book published in 1996 by the Boyne City School Boosters and the Foundation for Educational Excellence. It was researched by former Boyne City teacher Robert Morgridge and his 1996 U.S. History classes.

FANS, PLAYERS, STUDENTS, community members, and especially opponents came to respect Paul Pfahler in his 22 years as Boyne City's head football coach. Carl Charon, Boyne City's all-state running back in the 1950's remembers him as "a fair and genuine person, coach, and teacher who had respect for everyone no matter who it was." Many have remarked that sportsmanship and fair play were his trademarks through the ups and downs of nearly 175 games as the Ramblers' coach. Doug Grubbe, a record setting back on the '61 championship team calls him "by far the most important influence in my life. He was the most strict but fairest person I have ever been associated with."

Coach Pfahler grew up in Mansfield, Ohio, where he was born on Feb. 16, 1926 to Rita O'Brien and John Lloyd Pfahler. Growing up with two brothers, John and Jim, and two sisters, JoAnn and Maxine, Paul Pfahler enjoyed hunting, fishing, and other sports while being raised in the northern Ohio town. He attended Mansfield Senior High School where he excelled on the football field and baseball diamond.

After graduating from high school, Coach Pfahler

served with the United States Marine Corps, spending time in the south Pacific during World War II. On June 12, 1948, he was married to his wife, Dorothy. Shortly after, he entered Bowling Green University in Ohio, where he played on the football team as a halfback. In 1952, Coach Pfahler graduated from college with a Bachelor of Science degree in education, with a major in physical education and a minor in history and science. Straight out of college, he began his teaching and coaching careers at Elkton, located in Michigan's thumb area.

After three successful years of coaching at Elkton, including a 23-1 record as the head football coach, the northern Michigan wilderness lured the Pfahlers to Boyne City. Pfahler not only coached football, but also spent various years as the golf, track, baseball, ski team, and basketball coach. His favorite thing about coaching was "seeing young men gain the skills of the sport and the responsibility of being a team member."

Over the years, Pfahler taught history, biology, physical education, natural sciences, geography, and even drivers education. He said his favorite thing about teaching was, "working with young people; seeing their excitement when they grasped the subject." Both Coach Pfahler and his wife Dorothy ended 27 years of teaching at Boyne City Schools in 1982. Both were respected throughout the school district and known for their caring attitude toward their students.

Coach Pfahler was elected to the Michigan High School Football Coaches Hall of Fame in 1985. Throughout his coaching years he served on the National High School Football Rules Committee, as well as many other coaching committees.

The Pfahlers have spent a well deserved retirement in Yellowstone National Park and Florida, among other places. Mr. Pfahler worked as a seasonal park ranger in the back country offices of Yellowstone for many years, including 1988, the year of the Yellowstone fires. The Pfahlers currently reside on the third fairway of the Adult Golf and Country Club Community, located 10 miles north of Lakeland, Fla.

When Coach Pfahler replaced Tom Weede and moved to Boyne City to become the head football coach in 1955, he wasted no time in establishing a northern Michigan football program that would be feared by opponents for the years to come. Pfahler won 21 of the first 22 games that he coached at Boyne, including an 18 game winning streak that lasted two and a half years. An amazing 14 of those 21 victories came by way of shutout, and no more than 13 points were ever given up in that span. Pfahler's teams outscored their opponents 742-50 in his first 21 wins.

Overall, Pfahler would lead his Rambler teams to 100 victories, most of them coming in his first 14 years, when he compiled an impressive record of 80-26-1 through the undefeated '68 season. Besides 1968, other unbeaten seasons were in 1956, 1957, and 1961 when Rambler

football teams were voted State Champions (by at least one media source). Certainly it can be said that the Paul Pfahler years were some of the most successful and memorable years in the history of Boyne City Football.

....THE FOURTH AND FINAL undefeated season of Coach Paul Pfahler came in 1968, when his Ramblers finished 8-0. Running a double-winged offensive set to take advantage of their team speed, the Ramblers compiled 299 points while giving up 88. The '68 offense proved to be one of the tops in the north, averaging over 37 points per game. The offense usually sent a man in motion and was designed to run off-tackle and outside. Quarterback Brad Price joined Holzschu and Braun in the backfield. Holzschu praises Price, saying he did not get enough credit for his play at quarterback, noting that he handled all of the plays and made limited mistakes. Holzschu also credits Dave Bricker with excellent blocking from his back position. Bricker, upon graduating from college returned to Boyne and has been a long time assistant coach in the Rambler football program. He began his coaching career under his own coach, Paul Pfahler, and has currently served more 20 years through the different coaching eras of Rambler football.

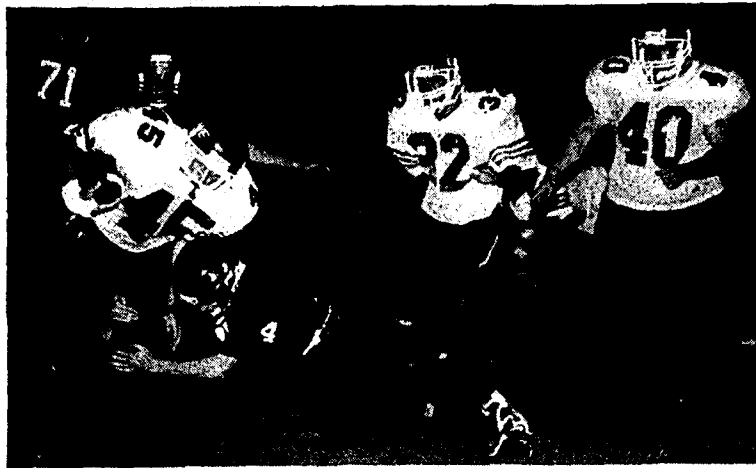

Besides the lead blocking of Bricker, the '68 backs ran behind great linemen who included Ken Nelson, Craig and Bill Korthase, Mike Mueller, Carl Lockman, Jeff Belford, Bob Anzell, Tom Roberts, and Dan Leamon. Holzschu, who was 5'9" and had excellent speed (he could run 100 yards in just over 10 seconds and was conference track champ twice in the 100), believes the success of his team was a result of: "First, playing in Coach Pfahler's system and, as a team, everyone fit in well and contributed."

He also noted the overall team speed and the very few mental errors that were made. He believes it was a great accomplishment that all of his teammates interacted, got along, and played so well together. Holzschu ended up leading the conference in scoring with 17 touchdowns, and was a first team All-State Class C selection by the Detroit Free Press.

The '68 Ramblers opened up their season with a 28-0 shutout over Charlevoix. Playing their first year in the Michigan Huron Shores Conference, Boyne defeated such conference teams as Traverse City St. Francis (33-12), Gaylord (35-12), Rogers City (39-7), and Cheboygan (39-13). The Ramblers later won an emotional 26-19 victory over the #1 team in the state, the St. Ignace Saints. Boyne clinched the conference title outright one week later with a 46-12 defeat of Alpena Catholic Central.

Pfahler remembers his four undefeated teams as having "young men willing to sacrifice, accept responsibility, and had a burning desire to win." Pfahler said, "I really enjoyed coaching, especially in Boyne City. And I'm not talking about just the real big winning years. I'm talking about all of the years."

Ramblers suffer a major disappointment

Nick Riehl got pushed out of bounds on this play, but he did his share of running over people on his way to a 118 yard rushing game.

They hope to rebound and earn Charlevoix County bragging rights

Points and victories have been few for the Boyne City Ramblers this season, while disappointment has come in big doses.

The biggest disappointment so far came last Friday at Harbor Springs where the Ramblers lost 25-6.

After winning their last two games, the Ramblers went to Harbor full of confidence. They left dejected.

"We were looking at the game as one we had to have (for a winning season). We didn't get it," said coach Dave Bricker.

"We matched up real well with them. That's why it hurt so much. We were ready for win three, but it was not in the cards for us.

"I feel bad for the kids, particularly the seniors. They worked hard in the off season. You hate to have them experience something less than the best. They were taking it hard. I was taking it hard."

But all is not lost for the Ramblers. This Friday they host Charlevoix in a game for the Lake Charlevoix championship. Both Boyne and Charlevoix have beaten East Jordan and the winner of Friday's game will have bragging rights within the county.

"We have more than a great shot with Charlevoix," Bricker said. "We are a team that can beat them. We will give it our best shot. Everything being what it is, it should be a great game."

For the Ramblers, who are now 2-5, it will be only their third home game of the season. And it will be a special night. The 1968 unbeaten Ramblers, a team Bricker played on, will be honored.

"It will be great to see everyone," Bricker said, "but this game is for this year's players." He told his team that there will be great football players watching Friday, but that great football players watch them every week.

Following the Charlevoix game, the Ramblers close out their season at home Oct. 29 against St. Francis.

ONE BRIGHT SPOT for the Ramblers at Harbor Springs, was the running of Nick Riehl. He gained 118 yards on 19 carries.

"It was his best game of the season," Bricker said. "He is one of those kids who can play any position we need him in the backfield."

Sean Ku scored the Ramblers only touchdown on a three-yard run. For the evening Ku gained 34 yards on seven carries. Quarterback Josh Bush, who had "people flying at him all night," Bricker said, connected on 3 of 13 passes for 45 yards.

Defensively, David Suttle, Andy Fowler and Bush were the Ramblers' leading tacklers. Josh Hall had an interception and Joe Hellebuyck had a fumble recovery.

Boyne dominates Charlevoix in every way

If the Boyne City Lady Ramblers were discouraged after their 69-40 loss to Petoskey last Thursday, they didn't show it Saturday when they defeated Charlevoix 64-35.

The key to the victory was the first quarter. The Ramblers outscored Charlevoix 18-1.

"We talked about the importance of getting a good start," said head coach Tom Neidhamer. "The girls really responded."

And how.

The only place the game was close was in the number of fouls. Boyne had 24, Charlevoix 26. Other than that, it was all Boyne City. The Ramblers were 20 of 40 from the free throw line, Charlevoix 11 of 26. The Ramblers won the battle of the boards 61-41.

"We dominated the boards and got balanced scoring," Neidhamer said. "Everyone got playing time and we played with enthusiasm."

Nicole Kurtz led Boyne City with 14 points and nine rebounds. Katie Bernthal had 12 points and nine rebounds. April Roberts had 11

points. Against Petoskey, just the opposite was true for the Ramblers. They started slow, trailing 12-5 after the first quarter and 36-16 at the half, and never got back into the game.

"We struggled against a pretty good team," Neidhamer said. "We got behind early and never got on track."

Kurtz led the team with nine points, followed by Katie Jo Dhaseleer with 7.

THE RAMBLERS overcame a nine-point deficit after the first quarter and then took the lead in the third period on their way to a 49-46 win over Rogers City Oct. 13.

Katie Bernthal led the Ramblers with 15 points and Katie Jo Dhaseleer was hot from the outside, hitting four 3-pointers. She finished with 14 points.

The Ramblers, who hosted East Jordan Tuesday night, are now 8-5 overall and 5-2 in conference.

"We won two out of three last

No matter how tight the defense, Petoskey still managed to find a way to score against the Ramblers last Thursday.

week and will continue to fine tune our performance to be ready for our second round games," Neidhamer said.

EJ cheerleaders win home meet

East Jordan's varsity cheerleaders took a couple of first place finishes at the fifth annual Northern Michigan Fall Cheerleading Championship held at East Jordan High School over the weekend.

"They did really well," coach Phyllis Olszewski said. "I was very pleased." The team took first in the varsity C-D division, outscoring even the A-B teams by 100 points. It also took first place in the varsity fight song division, competing against A-D schools.

The squad includes Sarah Bennett, Regina Brown, Teena Clark, Michelle Derenzy, Katie Goebel and Pam Schroeder.

Clare won the middle school competition with Cheboygan taking first place in the junior varsity division.

Every high school and middle school from Clare through the Upper Peninsula were invited to the competition and 19 teams participated.

The East Jordan squad will head to the MCCA State Championship in Fenton on Halloween.

Shooting still off the mark for Red Devils

The East Jordan varsity basketball team defeated Manclona last week, 53-42.

A good first half had the Red Devils up by 10 points at halftime, but Manclona stayed close in the second half.

"We are still in a shooting slump," Hines said. They shot 27 percent from the floor and 31 percent from the freethrow line. "But other facets of our game are improving."

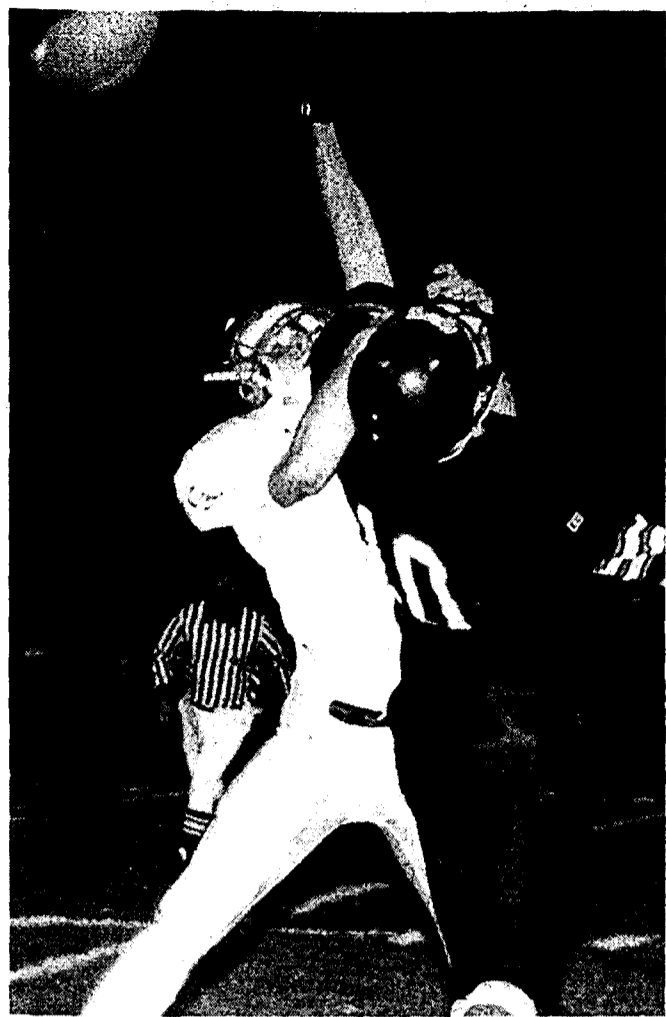

Cheltzi Thorman was lead scorer with 14 points. Rachel Boss had 9 points and nine rebounds. Suzi Malpass and Renee Roberts had six rebounds each.

The team took a loss against Cheboygan, with a final score of 51-23.

"We rebounded better, we handled the press better, we held them to less points than the first time we played them, but we shot poorly which was the big difference in the game," Hines said. The shooting percentage dropped to 20 percent, although freethrows were up to 44 percent.

Boss scored 9 points and had six rebounds. Jennifer Doebel had 4 points and Malpass had five rebounds.

The team is 5-8 for the season and 1-6 in the conference.

Mat Whiteford's attempt to catch a pass is thwarted by St. Francis' defense. Whiteford himself had nine tackles in the game.

St. Francis flexed its muscle

The glow from the East Jordan football team's homecoming victory over Harbor Springs the week before faded fast Friday night as Traverse City St. Francis held East Jordan scoreless at 48-0 on the Red Devil's home turf.

"They have a real exceptional football team," coach Allan Peterson said.

The Red Devils gained only 61 yards total, which was no match for a faster and stronger St. Francis' who were already ahead 29-0 by the half.

"They totally dominated us," Peterson said, "and we have a real nice team. This was just — wow."

St. Francis was coming off its first loss of the season against Muskegon Catholic Central the week before. "How good can Catholic Central be?" Peterson questioned.

For East Jordan, Dillon Antaya gained 26 yards on eight carries and Tony Prevo had 16 yards in six carries.

Mat Whiteford had nine tackles. Antaya had six tackles and Ben

Johnson, Kyle Bjorem, Glen Lord, Chris Olson and Chad Mumá had five tackles each.

"I don't think we let down. We were just out-manned," Peterson said.

"Hopefully we can come back against Kalkaska," Peterson said. "The kids are in good spirits. They realize they were beaten by a pretty exceptional team."

East Jordan is 1-3 overall and 4-3 in the conference.

Stieber leads the pack at Wolverine

The Lady Rambler cross country team, led by freshman Jane Stieber, took fourth place at the Wolverine Invitational on Saturday.

Stieber ran away from the competition to win the race by more than 50 yards. Her time of 21:19 placed her well ahead of second place runner Stephanie Carpenter from Mio.

Emily Bricker ran an impressive race finishing eighth and Charlotte Brandt also earned a medal by finishing 16th. "Emily Bricker ran a strong race," said coach Andy Place. "There were several tough hills and she handled them like she had been racing for years."

"I'm very happy with the girl's team finish."

The team finished seven points from second place Mio. Also finishing for the team were Emily Roland, 27th, and Laura Cassidy 32nd.

Roland's return from an ankle injury brought the team back to full strength.

Competing in the race were Class D girls powerhouse teams from Atlanta 69 points, Mio 77 points, and Wolverine 78 points. All three teams are expected to qualify for the Class D state finals.

In the boys race, the running Ramblers did not compete with a full team, but looked good as individuals. Shawn Weisler finished fourth against some tough competition. Jeremy Hamilton of Onaway won the race in 17:29. John Gibbs also earned a medal with his 14th place finish in a time of 19:04. Mik Martin finished 27th in 20:54 and Ben VanDam finished 37th in 22:14.

Also in the boys race, the Boyne Falls Loggers finished fourth as a team. Top finisher for the running

Loggers was Ryan Fiel who completed the 3.1 mile course in 22:13 for 36th place. Freshmen Chris Crego and Adam Utley finished 39th and 40th, respectively. They ran together with Jason Giem who finished 41st. Mike Dunlop finished 44th and Paul Howard 47th.

"This was the first time Chris has finished as our second man. The freshmen seem to take turns beating each other," Place said. "It's good to see competition within the team."

Boyne City hosted the Lake Michigan Conference Championship on Tuesday at Boyne Mountain. Boyne Falls hosts Mackinaw City on Wednesday at Boyne Mountain at 5 p.m. for the final Conference dual meet. Mackinaw City hosts the Northern Lakes Conference Championship next week.

East Jordan freshmen win two

The East Jordan freshmen basketball team scored two points in the final seconds of their game last week to beat Inland Lakes 44-42.

With 20 seconds left in the fourth quarter, Anna Olson hit two foul shots to tie the score 42-42. Then Renee Nowka stepped up to secure the win, making a basket with only

eight seconds to go.

Stefanie Skop had 16 points and eight rebounds. Andrea Palmrose had 8 points and 15 rebounds, and Erica Carey had seven rebounds.

The freshmen also beat Kalkaska last week 39-29. The key to the win, said coaches, was the defensive work by Jackie Haley, Nowka

and Carey.

Skop had 12 points and Nowka and Carey had 6 each. Palmrose had nine rebounds, Olson had five rebounds, and Janelle Doebel had five assists.

The team is 3-10 for the season. They will face Harbor Springs on Oct. 27.

Petoskey used its height advantage to win the battle of the boards and eventually the game when it defeated Boyne City's seventh grade basketball team 37-25 on Oct. 12.

Katie Martin led Boyne with eight points, followed by Hannah Decker with four and Susie Wellert with 3.

"We played pretty well, but we didn't play a great defensive game," said coach Sandy Clausen. "They had a lot of height and we weren't get-

ting the rebounds we have been getting."

The seventh graders' next game is Thursday at Gaylord. Tip off is 5 p.m.

Boyne's eighth grade girls team defeated East Jordan 39-17 on Oct. 19.

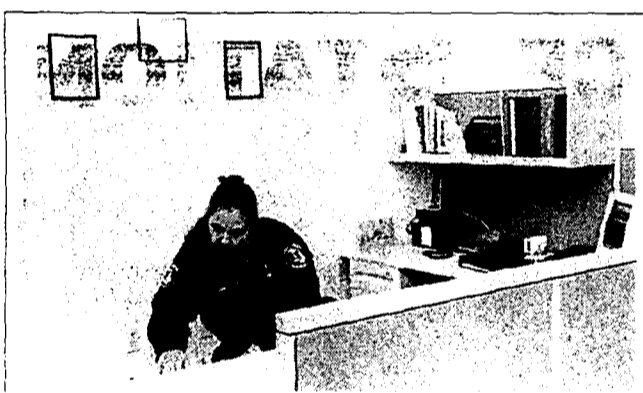

"We played a great game," said coach Tysh Crozier. "We finally started boxing out and getting rebounds."

Wendy Hardy had 9 points, followed by Jenna Roland with 8, and Samantha Bricker and Mallory O'Brien with 6 each.

The Boyne seventh/eighth grade B team beat East Jordan 28-12 on Oct. 19.

For Boyne City, Kate Cramer scored 8 points and Jessica Clark had 6. Samantha Calloway scored 5 points for East Jordan. Trish Talboys was the defensive player of the game.

Volunteers spruce-up New Beginnings

Pastors and congregation members from Assembly of God churches throughout northern Michigan descended on fellow Boyne City church, New Beginnings Assembly of God, this weekend to install new double-pane windows, insulation, vinyl siding and interior trim.

"What's exciting is this is an inaugural project," Pastor Russ Hager said.

The idea for the volunteer spruce-up came out of a coffee break discussion about the work Habitat for Humanity volunteers do building housing.

"We thought it would be nice if we could do something along those lines with small northern churches," said Pastor Dave Fisher of the Full Gospel Church in Atlanta, who strapped on a tool-belt as well this weekend. "Rather than tackling a whole church building project, we thought a re-work would be a good place to start. The congregation here in Boyne showed great potential."

Fisher said they are considering developing the program to cross de-

Work on the church included installing new windows, siding and insulation.

nominal lines as well. "It's not just Assemblies in the north that are facing the struggle, there are a lot of churches who could use a boost. So we thought we'd swing a hammer while we're thinking about the idea."

The \$10,000 project was funded

by other northern Assembly churches as well as by backing from an independent church in Beaver Lake.

Even neighbor Tom Garnsey, who is not a member of the church, came out to help. "I'm retired," Garnsey said. "I got bored sitting

around watching them work."

Hager anticipates a 30-40 percent cut in heating bills this winter for the formerly un-insulated cinder-block building. "The Lord has really been providing for us in a neat way," he said.

An open letter to the community from Burns Clinic:

We care about you and want to answer your questions.

As you may have heard, Burns Clinic is changing its participation status with Blue Cross/ Blue Shield of Michigan insurance plans.

We regret that this change has caused concern for many of our patients.

It is an action we believe is absolutely necessary in order for Burns Clinic to provide patients with the same top-quality medical care people in our community have enjoyed since 1931.

About visits to your family practice physician

Nothing will change until January 2000 for family physician visits at our Burns Clinic branches in Bellaire, Gaylord, Rogers City, St. Ignace, Sault Ste. Marie or at Petoskey Family Medicine, Petoskey Urgent Care and Bay View Family Medicine in Petoskey.

And even after January 2000, you will be welcome as patients at our branch offices.

In the meantime, your Blue Cross/Blue Shield coverage will work as it always has for visits to your family practice physician.

About Burns Clinic specialty care

You will see differences for all Burns Clinic specialty care, laboratory and X-ray services beginning January 1999. Internal medicine, obstetrics/gynecology and pediatrics are all considered specialties.

We do want to emphasize that you are still welcome as patients for specialty care no matter what your insurance coverage.

Burns Clinic will continue to file insurance claims for patients just as we do today.

However, payment will be expected at the time of service. Patients are welcome to use VISA, MasterCard, Discover, cash or check.

Special financial arrangements can be made for patients who are unable to pay at the time of service.

Blue Cross/Blue Shield will send any reimbursement directly to you. There may be a difference between what Blue Cross/ Blue Shield pays and the actual charges for the medical services.

In the case of an office visit, this is a minimal additional out-of-pocket cost. For other procedures, the amount may be larger.

Medicare benefits will not be affected by this change.

We made this decision reluctantly and only after cost reductions in our own operations, and after repeated discussions with Blue Cross/Blue Shield of Michigan.

If we are to preserve the quality of health care in the northern Michigan area, we must continue to attract highly qualified doctors and keep them in the community.

Our goal is to continue the Burns Clinic mission to deliver excellent and cost-effective medical care.

Please don't hesitate to call if we can help you during this transition.

We care about you and want to answer your questions.

If you have questions about how this will affect you, please call us

at 487-2080 or 1-800-555-9728.

AGATHA LACROSS of Boyne City was honored with a BIG family celebration for her 90th birthday of Oct. 3. They gathered for that weekend in Gladwin, and they nearly filled the Left Arrow Lodge. There were 60 around the tables for a beautiful luncheon. Agatha, the oldest of her family, was very pleased to see her brothers and sisters: Charles Konsdorf and wife Gin, Harry Konsdorf and wife Trudy, and Evelyn Mulhenbeck, and Harriet Pretzer and Hilda Bodries, all of Saginaw, and Gladys Fritz of Atlanta, Mich. Also there were her children, Paul and Camille LaCross of Palm Harbor, Fla., Elmer (A1) and Jill LaCross of Atlanta, Ga., Alice and George Patricko of Pittsburgh, Pa., Lora and Larry Crowley of Gladwin, and Norma and Lawrence (Larry) Bean of Boyne City. Agatha has 27 grandchildren, 12 great-grandchildren, and four great-great-grandchildren.

COUSINS GARY Hegerberg of Jackson and Bob Hegerberg and wife Susan of Battle Creek, were in Boyne City visiting their aunt Virginia Hegerberg over dinner at One Water Street. They also enjoyed the color of the area and visiting East Jordan, the home of their dads, Emil and Peter Hegerberg.

THORNETA ROWE, her son, Pat Rowe of Trenton, and daughter Susan Rhodes of Troy, enjoyed an eight-day visit in Virginia with her son and their brother, Michael Rowe and his wife Joanne. While there, they took in the sights of the Smithsonian Institute, Annapolis, and Alexandria. Thorneta returned to enjoy the visit this past weekend of her granddaughters Carrie Cowell of Troy and her sister Kelley of Madison Heights.

KEN AND LENA MAY of Kentucky were here for a couple of days visiting his dad, Dick May and wife Edna. Mike and

In the southwestern area of Ireland, they took in the sights of the Ring of Kerry, the Blarney Stone, the Blarney Castle, Dublin and many other cities, enjoying a great time and perfect weather.

RUTH ZAKER of Millington, regional coordinator of the Foreign Exchange Student programs, and several students spent this past weekend in Boyne City, visiting her brother, David Willfong. THE REV. MILTON (BUZZ) and Diana Walls returned to Boyne City this past week after a 15-day trip to Tucson, Ariz. While there, they visited their son David, and did the final clearing out of the estate of the Rev. Walls' sister, Peg Walls. Peg, who had lived in Boyne City in 1984, died this past May.

DUANE AND MARGARET GREICAR of Manitowac, Wis., were weekend house guests of their cousin, Delcie Phillips. Delcie accompanied them on a trip to the Soo to visit her nephew and his wife, William and Jan Robinson. While there, they also stopped at the Chippewa Casino.

MARY AND MERLE CARSON have returned from a 17-day vacation. It was a three-day visit at Yellowstone National Park, and then to Reno, Nevada to visit a niece, Tamyra Rison. They enjoyed a four-day visit with her daughter, Connie, in Colorado Springs and also with her daughter Karen and family. It was there they got acquainted with their new granddaughter, Katie Vobach, who was born this past July, as well as enjoyed her three-year-old brother, Cameron. They visited the Colorado Springs Zoo, went straight up a mountain to visit Will Rogers' Shrine, and then took the Cog Train to Pike's Peak. Arriving home, just missing the storm, Mary said, "It's beautiful out west, but there's just no place like Michigan."

Loggers clear way for fields at Rotary Park

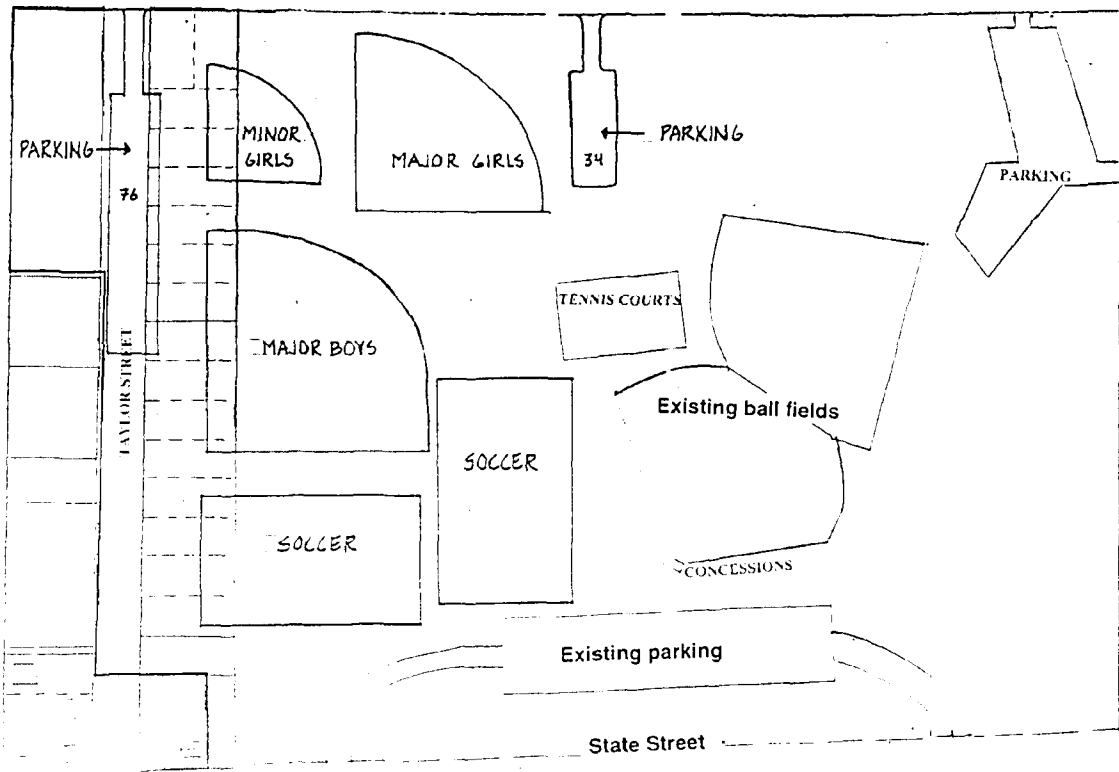

Beishlag Custom Forestry of East Jordan has begun cutting down trees at Rotary Park in Boyne City to make way for softball and baseball diamonds, and soccer fields.

According to city manager Eric Strahl, the city expects \$5,000 from the logging, and anticipates the money earned will be used to remove stumps and make further improvements to the fields.

"We need to tie down a figure on how much the fields will cost as a whole, and anything we can put toward the removal we will," Strahl said.

Other sources of funding could come from the 4-H Youth Soccer program, which received a \$10,000 grant earlier this year from AlliedSignal and a \$7,500 grant from the Charlevoix County Community Foundation to be used toward soccer field development. Strahl said Boyne City schools have also shown an interest in assisting the city to develop the fields.

"Between those groups and the city, we'll see what we can work out as far as the actual funding of the construction of the fields," Strahl said. The completion date for the logging has not yet been determined.

This site plan shows where the new fields will be built at Rotary Park. The plan has been approved by the Boyne City Parks and Recreation Commission and the city commission. The only areas of the park to be cleared will be those where the fields are located.

Wood products industry honors Hardwood Day

Paris Sawmills, Inc. and Burt Moeke Hardwoods Forest Products on Oct. 23 will join the rest of the country in celebration of National Hardwood Day.

The day recognizes the many hardwood products that come from the country's forests and the forestry professionals who keep one of America's most important natural resources available for future generations to enjoy.

Celebrating its 100th anniversary in 1998, the National Hardwood Lumber Association (NHLA) is especially proud to be promoting National Hardwood Day and wise stewardship of our nation's forests.

"The hardwood industry takes pride in providing high-quality wood products for everyday use, while ensuring that forests continue to produce healthy trees for future needs," said Burt Moeke.

Trees are a renewable resource. In addition to natural regeneration of forests, every year six trees are planted to replace each one harvested. According to the USDA Forest Service, there are twice as many hardwoods today growing in this country than there were 45 years ago. Every year, each person in the United States uses paper, lumber and other wood products equal to one tree over 100 feet tall and 16 inches in diameter.
