Serving East Jordan, Boyne City and surrounding areas

## At A GLANCE

### Ramblers are the hottest ticket in town

The 10-0 Boyne City Ramblers will host Benzie Central on Friday, Nov. 2, in a play-off match-up to begin at 7:30 p.m. Tickets will be available both by pre-sale and also at the gate.

Pre-game sale times for tickets are Thursday, Nov. 1, from 8-9 a.m., 12-1 p.m. and 3-4 p.m., and on Friday, Nov. 2, from 8 a.m.-4 p.m., at the Boyne City High School front office.

Tickets will also be available at the gate, beginning at 6 p.m. According to Boyne City athletic director Steve Beyer, there will be no sell-out, as unlimited seating will be available.

### JRAC to present dinner and dessert theatre

The Jordan River Arts Council will once again present a weekend of adult dinner and dessert theatre, with three one-act comedies to be performed Nov. 16-17.

On Friday, Nov. 16, and Saturday, Nov. 17, the theatre events and dinner will be held beginning at 7 p.m., with dinner music to be provided by pianist Carol McCarus. Sunday, Nov. 18, will be a matinee performance at 2 p.m., featuring the same three plays, with a gourmet dessert served at intermission. All performances will be held at the East Jordan High School Auditorium.

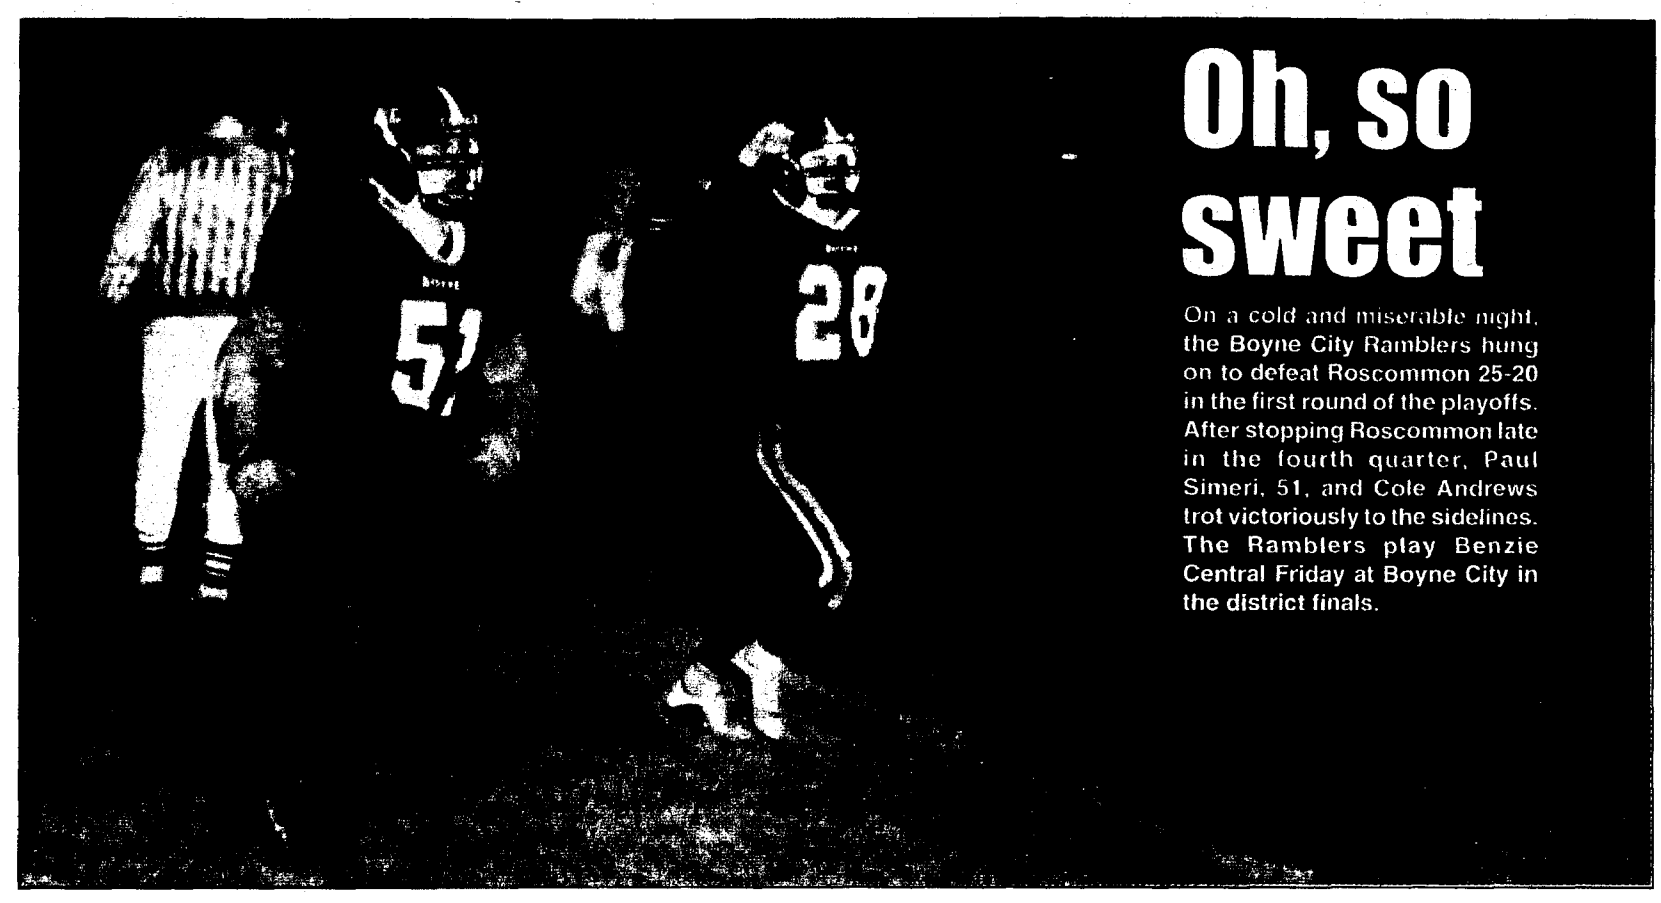

Local actors starring in the productions include Suzanne Dalto, John Anselmo, Connie Nowka, Howard Ellis, Beth Ann Leonard, Ken Frashier, Michelle Frashier, and Jimmy Nowka. Plays are directed by Terri Wamos.

Limited seating is available, with advance ticket sales only. Tickets are available in East Jordan at Busy Bridge Gifts and Antiques, in Boyne City at Boyne Country Books, in Charlevoix at Bridge Street Book Shop, or by calling Wamos at 536-0417.

### Boyne Falls School plans second annual Harvest Potluck

In a tradition begun in the fall of 2000 with the opening of the new school, the Boyne Falls Board of Education and PTO are hosting a Harvest Potluck dinner at the Boyne Falls Public School on Sunday, Nov. 11.

The event will begin at 4 p.m. Beverages and a main dish will be provided; those attending are asked to bring a side dish or dessert to pass. For more information, call 536-0417.

## Oh, so sweet

On a cold and miserable night, the Boyne City Ramblers hung on to defeat Roscommon 25-20 in the first round of the playoffs. After stopping Roscommon late in the fourth quarter, Paul Simeri, 51, and Cole Andrews trot victoriously to the sidelines. The Ramblers play Benzie Central Friday at Boyne City in the district finals.

### BEHIND SCHEDULE BUT ON TRACK

## Grandvue expansion moving forward

With bids opened and bonds awarded, work on the expansion and renovation project at Grandvue Medical Care Facility in East Jordan is moving forward.

After a long planning phase, the building and renovations committee of the Charlevoix County Commission met on Oct. 17 to open construction bids for the project, and again on Oct. 24 to award a bid for the sale of bonds.

While a decision has yet to be made on the construction bid award, the bond sale was awarded to U.S. Bancorp Piper Jaffray, with a rate of 4.3 percent.

Commission committee members were assisted in evaluating the bids

by Bendzinski, municipal financial advisors.

Grandvue administrator Penny Drury said that project architect Jordan London is currently reviewing bids along with county commissioners, and she expects the construction bid award to be announced at the next regular meeting of the Charlevoix County Board of Commissioners.

Bids received include base bids of \$6,863,955 from Comstock Construction; \$6,697,000 from Devere Construction; \$7,168,000 from J.R. Heineman LaSalle Inc.; \$7,032,600 from Petrie Construction; and \$7,997,000 from Spence Brothers.

Plans for the addition and renovation were unveiled about a year ago,

after a year of strategic planning, which included a market analysis and reassessment of long- and short-term goals.

Three specific areas of need targeted include the conversion of some four-bed wards to two-bed or private rooms; the incorporation of hospice and respite suites; and the possibility of outpatient therapy services.

The expansion and renovation project has been designed to address each of these areas, to the tune of about \$7.5 million.

In November of 2000, voters in the county approved a millage proposal to support the construction project.

By Drury's estimate, the project is "several months behind" schedule, a

fact that she said the facility's administration and staff are not uncomfortable with. The long design process, she said, has turned out to be a good thing, "because so many staff and families and residents have had the opportunity to review the plans all along."

"We had a couple of meetings for the community, and had the opportunity to really go over the plans with a fine-tooth comb," Drury said.

Having that comfort level, she added, is really a plus in the long run. "The last thing we wanted to do was to be into building and say, 'oh, I didn't know that's where that closet was going to be.' We've had a chance to think through all of that now."

Once the bid for construction is awarded by the county commission, Drury expects that construction will begin immediately.

"The plan is to start right away," she said, adding that the renovation and expansion has been estimated to be "about a two-year project."

While a ground-breaking event is being planned for the near future, the date and time are to be announced.

Grandvue Medical Care Facility is a county-owned, skilled nursing facility, and is paid for predominantly by Medicaid, along with Medicare and private funding.

The care facility is located at 1728 S. Peninsula Rd. in East Jordan, and can be reached at 536-2286.

### Pumpkin time

As part of a longtime tradition, students from Boyne City High School paid a visit to Boyne City Preschool last week, to help carve pumpkins in preparation for Halloween celebrations to come. Youngsters working with the high school students included Lacey Kotalk, above, and Zoey Haley and Sidney McLeod, at right.

## Authorities looking into bomb threat at BC High School

Authorities are still investigating a bomb threat received at Boyne City High School last week. At the end of the school day on Thursday, Oct. 25, student success coordinator Steve Beyer discovered a written threat.

According to Boyne City schools superintendent Jim Cooper, after contacting local law enforcement, staff members, along with Boyne City Police officers, Michigan State Police, and a bomb-sniffing canine, sealed off portions of the school and made a physical search of the premises.

The building was given the all-clear by that evening, and school activities were held as planned, though an increased security presence was on hand Thursday evening, and again Friday during regularly scheduled classes.

"We're working with local law enforcement to see what we need to do from here," Cooper said Friday. He noted that the building was "covered" by law enforcement personnel overnight on Thursday.

"Our big concern is making sure we're now on top of it, limiting access to the building and beefing up security."

While, Cooper added, "at no time did we feel any student was in dan-

ger," the threat was one that the school still needed to treat seriously. "The staff responded extremely well," Cooper said.

"Everyone pitched in [Friday]. We had folks and community volunteers come in to help, monitoring doors all day." Anyone entering the building was required to check in and wear a name tag.

Local law enforcement has been extremely helpful," Cooper said. "Based on conversations with them and assurances from them, we've done everything we can to assure the safety of the students."

On Friday, students were informed of the situation, with the presence of law enforcement helpful in impressing upon them that "their safety is of the utmost importance," said Cooper.

"We also talked to them, and indicated to them that [making a bomb threat] is not a joke, it's a very serious matter, and asked for their help in eliminating things like this. We also shared with them that there are consequences, not only for the person who makes these threats, but [in the form of others] stripped of their freedoms." No further measures are anticipated in response to the incident, and the investigation is ongoing.

### Airline travel has changed

By TOM MITSOFF

Note to self: It is no longer all right to pack my toenail clipper kit in my carry-on airline luggage.

If you haven't been an airline passenger since Sept. 11, things are much, much different than you remember. And, thankfully, the passage of time since the attack on America has diminished neither the resolve nor the attention to detail of security personnel.

After waiting in line for an hour to pass through the security checkpoint at the Columbus, Ohio airport last week, I placed my carry-on bag on the X-ray conveyor and asked a security person what I should do with my cell phone.

"Put it on the conveyor, sir," he said with disdain in his voice. And then he raised his voice so as many people in the several hundred-deep line as possible could hear him.

"Please be ready when you get to the checkpoint to put all of your items on the conveyor," he bellowed. "If you aren't ready, it just delays things for everyone."

It used to be that I would put my cell phone in a little basket, walk through the metal detector, and head to the gate. But that was then and this is now. As I went to retrieve my carry-on bag from the X-ray inspection, a security guard approached.

"Is this your bag, sir?" he asked. I answered in the affirmative.

"Would you mind if I search it?" he asked in what I perceived was a courtesy question only. Whether I objected or not probably wasn't truly a consideration. I figured it must be a random and-or routine part of post-attack procedures.

The gentleman started to go through the things in my carry-on bag. He opened my travel toiletry case and started taking out my shaving cream, deodorant and my little travel toenail clipper kit.

And as he opened it, it hit me. I was bringing sharp scissors and a metal toenail file into the passenger cabin. Six weeks ago they would have been categorized as personal hygiene items. Now they were potential weapons of terror.

At that split second, it crossed my mind that in this highly charged setting, this might be viewed as a serious offense.

I just hoped that the security folks would see the combination of embarrassment and stark realization of what I had done.

Another man approached, looked at the sharp scissors and pointed metal file, and asked, "Are these your items, sir?"

"Uh-oh," I thought, but I confirmed that they were.

"You can't take these on board," he said, and confiscated all of the items.

As the day progressed, I was randomly searched on two other occasions, both times by friendly but thorough airline employees.

While it was inconvenient and even a little embarrassing, I walked away from each search feeling good about the fact that the airlines and airports are now being so thorough.

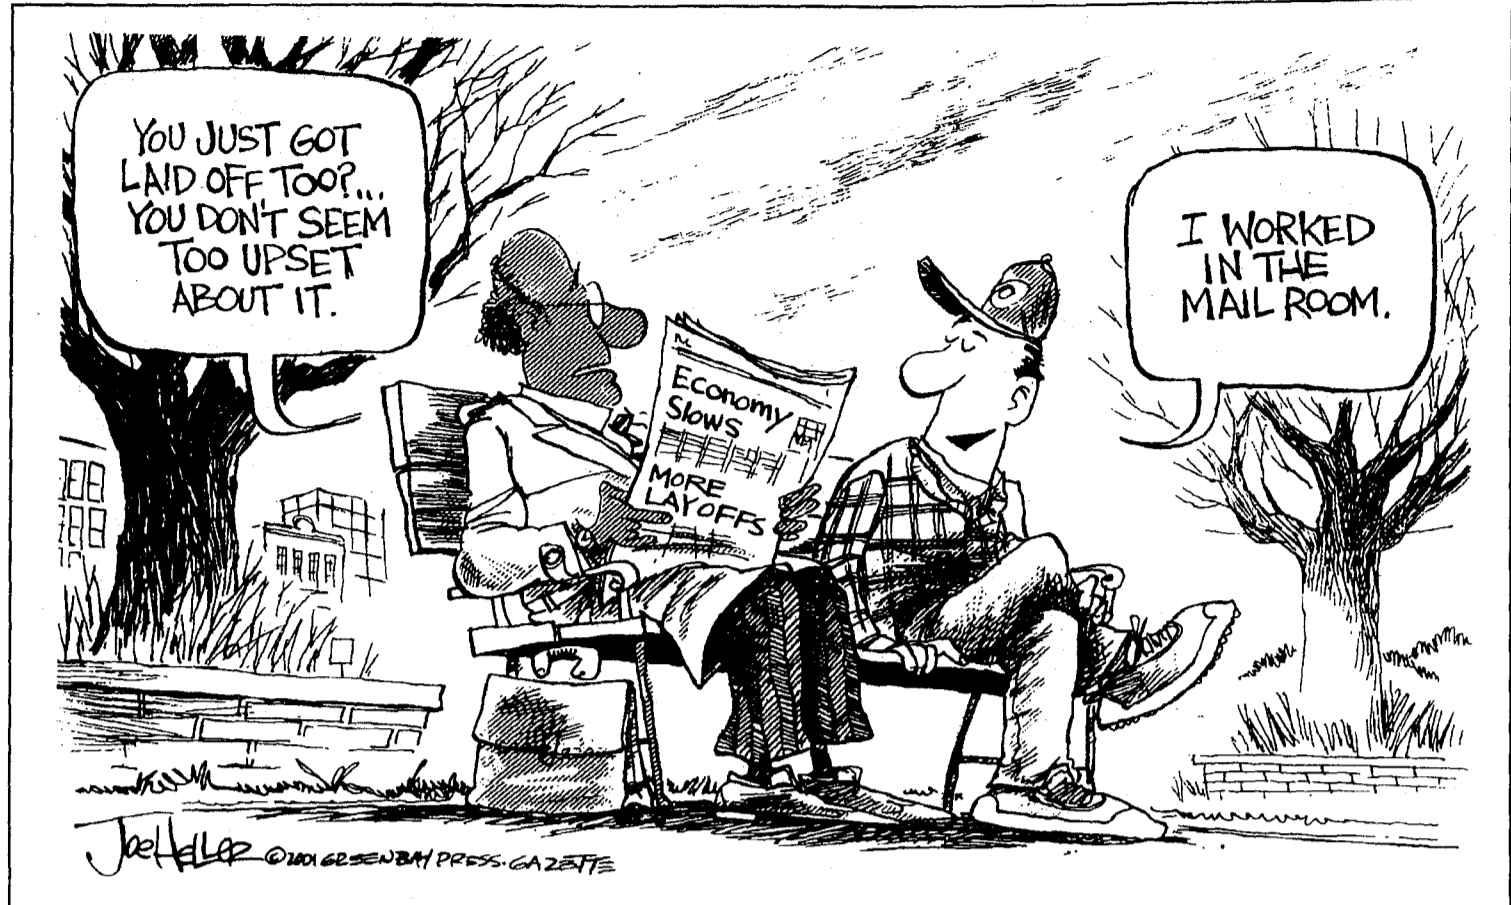

I was glad that security found the potential weapons in my carry-on bag. It showed me that whether by innocent mistake or conscious act, it is now much more difficult to get items that could cause personal harm to others into the passenger cabin.

Bottom line: Don't expect to whiz through security any more. And that's a good thing for passengers, pilots and flight attendants.

As a security person re-packed my carry-on bag following the search, I said to him, "It never even occurred to me (that there would be a problem with the toenail clippers)."

"Things are different now," he said. Indeed.

### Boyer City should move on new sidewalk project

TO THE EDITOR:

First I would like to thank the Boyer City Commissioners that have supported the sidewalk issue along M-75 from McDonalds to Boyer Summit Drive in Boyer City. Please do not give up your mission and the values you hold regarding this major safety issue. You are the people that are making Boyer City great!

However, Boyer City Commissioners wake up and look at reality. It was 14 months ago that I attended two City Council meetings and presented a petition with over 30 signatures from the residents of Boyer Hills subdivision and the business along the south side of the road on M-75 from McDonalds to Boyer Summit Dr. to support a sidewalk along M-75. I called the Boyer City offices and was told how to follow the procedures and protocol. In the fall of 2000, you were going to take a good look at the situation and now it is over 14 months later and we are tabling it and sitting on it still. How is this effective and

efficient city government and planning? I know there is over \$850,000 in reserves for something like a much needed sidewalk, and no, it does not need to cost \$58,000 or even \$34,000 like the estimates came in. Those are probably for a nice cement sidewalk. Let's look at some alternatives; H&D is in the area weekly, why not have them pave the rest of it as a continuation of the Avalanche trail/walk along the south side of Division street. Don't you think that would be the most reasonable, and cost effective way to accomplish this task while adding to the safety of the city for walkers, bikers and others that are forced to walk in the road right-of-way along M-75?

Here is a true story from 28 years ago, at the time I was only 12 years old. My friend Mike had a paper route in a small town the size of Boyer City downstate. On Halloween of 1973, Mike was delivering evening papers after school, and was riding along the same type of road as M-75 in the city with no sidewalk present. He was hit behind from a sober driver and killed instantly. As I stood

at his funeral three days later, I asked myself, why at such a young age would God take Mike? No answers ever came to my mind as his family, our family, neighbors, friends and myself grieved his death in the months that followed. He attended church and catechism along with me. He was a classmate, friend and good, hard-working person. For the last 27 years, there has been a sidewalk in that area, only a year late.

Death is too final. What a simple sidewalk would have done in this situation. Isn't one human life more valuable than \$30 to \$50 thousand dollars? Boyer City Commissioners, it is not too late to fix this problem before the death of a human is on your hands. I walk this daily and see several others on bikes and on foot battling the traffic on M-75 in both lanes. Please reconsider the issue that has been brought to your attention, and let's fix it before it is too late.

### Applying for a library card is easy

By NANNETTE MILLER

It is gratifying how much people like the new and improved library, and how many new patrons we add each day. We can serve almost everyone in the area, in one way or another. There are a few rules about obtaining, and using, a library card, so today's topic is "How to Apply for a Library Card at the Boyer District Library."

To obtain a library card, you must be a resident or property owner in our service area, fill out an application card, and show proof of address, such as a Michigan driver's license, or other documentation of local address.

Boyer District Library serves the residents of the City of Boyer City, all of Bay, Evangeline, and Hayes Townships, and the portions of Eveline and Wilson Townships that are in the Boyer City School District. Those

living out of our service area have two options: 1) They may purchase a nonresident card for \$36 per year for an individual or family; also available quarterly. Purchasing a non-resident card entitles the borrower to all library services, including interlibrary loan; or 2) Inquire whether your hometown library is a participant in the MichiCard program. Petoskey, Charlevoix, Otsego County, Walloon Lake, Boyer Falls, and East Jordan participate, as well as over 300 libraries around the state. Register for a card at the library that serves your legal address, then bring your MichiCard to receive Boyer District Library borrowing privileges at no charge. MichiCard patrons are entitled to all library services except interlibrary loan.

Unfortunately there is a small pocket of residents in Jordan Township who have no library that serves them. The residents of Jordan Township who are in the East Jordan School District are served by Jordan Valley District Library.

Those residents who are in the Boyer City School District are not part of either library district. This is the result of the different ways library districts were formed. Several years ago Jordan Township put a question on the ballot asking if those "library-less" voters wanted to join the Boyer District Library District, but the question failed. As a result, those Jordan Township/Boyer City Schools folks have no choice but to purchase a non-resident card to use this library.

The library board decided that it was not fair to provide service to some at no charge when the rest of the library district residents pay for library service with their tax dollars.

If you have any questions or would like more information about our services or policies, please stop in, or call the library at 582-7861.

(Nannette Miller is the director of the Boyer District Library.)

## CORRECTION

In the Oct. 24 issue of The Citizen-Jordan Journal, a business brief listed the name of the hair salon located in East Jordan's Vanity Faire incorrectly. The business name should have read Tinea's Hair Connection.

# Boyer City Commission Candidates

## Dan Adkison

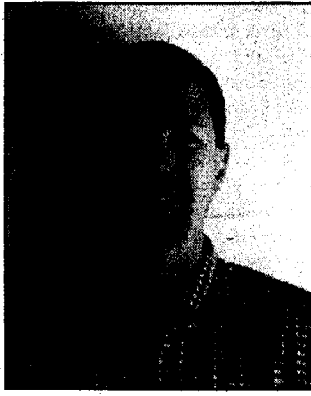

### What is your background?

"I moved to Boyne City in 1981, I then worked at United Technologies as a Supervisor.

In 1987 I accepted a position at RBE Mechanical and started the Sheet Metal Worker's Apprenticeship Program. During this four-year course in Flint, I annually competed in a competition that tested my manual skills and my knowledge of the Sheet Metal trade. I placed first in this competition for all four years locally, first for three years at a state level, and brought home a first, third and fourth place nationally.

In January of 2000, a business partner and myself purchased RBE Mechanical, making me a small business owner in our community.

I have been married for 21 years and have four children who are involved in many area activities, some of which I am also involved in."

they may have. Being involved with different activities with my children gives me the insight of what makes our community 'family friendly.' This is a major asset for our community and I'd like us to keep on that track."

### What are the strengths and weaknesses of city government?

**Strengths:** Having a hand in taking action on something you feel strongly about; having resources to research issues. Hearing the community's opinions and ideas.

**Weaknesses:** Over time, you could become biased; frustration can sometimes lead to "quick fixes" without proper research."

### What are the major issues facing the city, and what ideas do you have to address them?

"Housing costs. I'd like to research why they are so high. What can we do to make housing more affordable in our community?"

Continuation of current park upgrades. Talking with the community and making sure we stay on the track the people want."

### If elected, what else do you hope to accomplish as a city commissioner?

"To represent the people. I am an easily accessible person and will listen with an open mind. Communication with citizens, all citizens, is the key to Boyne City's future and to preserving its history."

## Steve Czerkes

### What is your background?

"Registered pharmacist. Boyne City resident since April 1999. Age 48."

### Why are you running for city commission?

"I am very interested in our local government. I don't have an agenda or an ax to grind, I just would like to give my services to our city government."

### What skills do you bring to the commission?

"Past school board member for Charlevoix Public Schools for four years, two years of these were as board president. Presently on East Jordan Health Center Board of Directors for the past three years. Presently president of the Northern Michigan Pharmacists Association for the past five years. Have 30 years of business management or organizational skills.

All of these past and present experiences have given me a good basis of problem-solving skills, good communication skills, and good listening skills."

### What are the strengths and weaknesses of city government?

"I believe that the citizens need a good cross-section of city commissioners from diverse backgrounds to work together on city issues. This allows for good roundtable discussions on issues and topics faced by city government. As far as weaknesses and strengths, I believe that it depends on an individual's definitions and beliefs of what positive or negative means to them.

I believe that if all factions of city government can work together, we will have a win-win outcome."

### What are the major issues facing the city, and what ideas do you have to address them?

I believe that the city needs to look at present growth and future growth to make sure that we stay focused on serving the needs of citizens. We need to keep our city appealing to those that want to make this their home, and for all citizens that already reside here, to keep jobs and affordable housing and lifestyles for all citizens.

I think that we should be that we have a city that people want to be part of. There are many cities that are having a hard time attracting and keeping homeowners and businesses. All of the growth and improvement that businesses and homeowners do adds to tax dollars to local government and schools.

What we have to keep in mind is that we need affordable housing for our citizens. Our city cannot survive by just being a resort town, we need a good solid base of the year-round residences to provide all the services that a community needs to remain healthy."

### If elected, what else do you hope to accomplish as a city commissioner?

"If elected, I hope to be part of the problem-solving team of city leaders that represent the citizens of Boyne."

## Shirley Howie

### What is your background?

"My name is Shirley Howie. I have been married to Carlton Howie for 46 years. We have two sons, Joe and Bill. Both Carlton and I are third generation native of Boyne City. Both our sons live here in Boyne City with their families. I worked for the Boyne City Public Schools for twenty-eight and a half years as a school bus driver and bus coordinator before I retired. Although I retired from my job, I am still very much involved with the schools. I sell/take tickets at every home high school game. I am also an All School Booster member and a Boyne City Foundation For Educational Excellence member. I am also a member of the American Legion Auxiliary and I am vice-president of the Friends of the Boyne River. I am also a member of the Boyne City Mushroom Festival."

would be very hard to fill any of their shoes. What are our weakness? I sometimes don't think they listen to what the people want. Boyne City is growing and we need to listen to the people to help us grow. Sometimes it looks as if money talks more in this town than what most of the people want. We need to preserve of what some of Boyne City was."

### Why are you running for city commission?

"I believe that if you really care about your town, then you should get involved in it. I believe in growth but not at the expense of the people of Boyne City. I would hope that I could work toward helping Boyne City to accomplish growing but to keep our small town atmosphere and friendliness. I also believe that a city commissioner should listen to the citizens of Boyne City and see what they want. The city commissioners are voted in by the people and they should be the people's voice."

### What skills do you bring to the commission?

"I wouldn't call it a skill, but in working with the public through the schools and the other organizations for so many years I know most of the people in Boyne City and I think it is important that you listen to the public. Although I don't work for the city now, by me being in the public so much, I have heard them voice their opinion on many different subjects. I also believe that if you get involved in something, then you better plan on working very hard at doing a good job for everyone."

### What are the strengths and weaknesses of city government?

"The people are our greatest strength! We have a board of commissioners, mayor and city administration staff who have did a great job. It

### What are the major issues facing the city, and what ideas do you have to address them?

"We the people of Boyne City are losing more and more of our view of our beautiful lake and the use of it and the land around it. We have to save some of our lake frontage for the citizens of Boyne City. Also our lake is what draws the tourist to Boyne City and Boyne City depends a lot on the tourist and we need to save some of the lake frontage for them as well as the citizens. No tourist is going to want to come to a place where they can look at a back of a bunch of buildings that are on a lake that they can't even see much less get the use of it. I already have over 500 signatures of people in Boyne City who would like to see Boyne City buy the old United Technologies building and land and make a park for the public to use."

### If elected, what else do you hope to accomplish as a city commissioner?

"I would hope more of our local people of Boyne City getting more involved in our city and our government and letting City Hall know what they want. The time to speak out is now, not after something is already done. I also would like the City Hall to keep the citizens more informed."

## Ron Grunch

### What is your background?

"Retired Boyne City businessman."

### Why are you running for city commission?

"I love Boyne City, it's my way of saying, I care!"

### What skills do you bring to the commission?

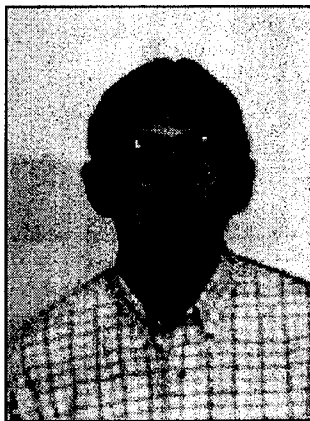

"Thirty years of volunteerism for St. Matthews Church, Chamber of Commerce, Boyne Valley Lions Club, Commission on Aging, and free computer classes for seniors."

### What are the strengths and weaknesses of city government?

"Our strengths come from the people who care enough to get involved with community affairs, community planning, and good old-fashioned volunteerism."

### What are the major issues facing the city, and what ideas do you have to address them?

"The most major issue is to complete a master plan for the waterfront that is in harmony with our new zoning ordinance. Funds have been budgeted for the master plan, this plan will be coordinated with the DDA demographic plan that will be completed first. Item two on my list of

most important issues is a sidewalk on the south side of M-75 from the Boyne Hills Subdivision to Boyne City High School. Item three is to create a heightened awareness that it is everyone's job to be vigilant in safeguarding our public resources."

### If elected, what else do you hope to accomplish as a city commissioner?

"If re-elected I will continue to be an advocate for senior services, coordinate Housing Commission activities with City business for development of the Litzenburger Campus and the construction of the new Boyne City Senior Center."

## About the election

Six candidates will appear on the ballot at the Tuesday, Nov. 6, regular election, vying for three, four-year terms open on the Boyne City City Commission. Current mayor Eleanor Stackus and city commissioner Ron Grunch are running for re-election; long-time commissioner Vic Ruggles, who has served on the board for 12 years, has chosen not to seek re-election.

Polls will be open from 7 a.m.-8 p.m. at City Hall, located at 319 N. Lake St. in Boyne City.

Absentee ballots for the general election will be available at City Hall, and voters will have until the polls close at 8 p.m. to return their ballots.

For more information, call City Hall at 582-6597.

## Eleanor Stackus

### What is your background?

"Born and raised in Boyne City. Married and raised six children, and with husband, have owned and operated Stackus Funeral Home for over 30 years."

### Why are you running for city commission?

"I would like to be able to continue to serve the community and still be part of things that we have started in the past."

### What skills do you bring to the commission?

"Have been a commissioner since 1993 and Mayor the past two years. I enjoy what I am doing and most of all working with people and giving back to our community."

### What are the strengths and weaknesses of city government?

"Ability to do things collectively, that we are not able to do alone."

### What are the major issues facing the city, and what ideas do you have

to address them?

"Best use of community property to reach the consensus of all in concern."

### If elected, what else do you hope to accomplish as a city commissioner?

"To be able to complete past projects that we have started and to be able to continue to serve our citizens of Boyne City."

## Nan Carpenter

### What is your background?

"I have lived in northern Michigan all my life. I graduated from Inland Lakes in Indian River in 1966. We moved to Boyne City in 1970. I have been married to Jack for 34 years, and we have one daughter Jill."

### Why are you running for city commission?

"I am running for city commission because I love where I live and would like to play a part in its exciting future. Boyne City is a beautiful town and I feel privileged to live here and I would like to give something back."

### What skills do you bring to the commission?

"I have good communicator skills and would always listen to the people because when they elect you your job is to be there voice in city government."

### What are the strengths and weaknesses of city government?

"I don't know about the weaknesses but I do know that our commission now is made up of good people that are doing there best to keep our community growing in the right direction."

### What are the major issues facing the city, and what ideas do you have to address them?

"One major issue is we need more young people to move here and raise their families and send them to our beautiful new school. I think one solution would be to have more affordable housing."

### If elected, what else do you hope to accomplish as a city commissioner?

"I have no agenda. I only want what is best for our town and would work very hard for the people."

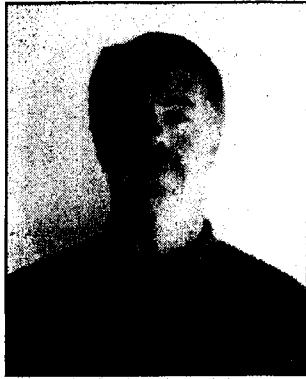

**Polls will be open on Tuesday, Nov. 6,  
from 7 a.m. to 8 p.m. at City Hall.**

# East Jordan City Commission Candidates

## Lee Symonds

### What is your background?

"I have lived and been a business owner in East Jordan for seven years. I have been a member of the East Jordan Chamber of Commerce Board of Directors, board member and past president of the Jordan Valley Trails Council (formerly the Charlevoix County Snowmobile Council), currently a member of the East Jordan Zoning Board of Appeals. Prior to moving here I was employed by a steel service center in the Detroit area."

### Why are you running for city commission?

"I'm a candidate for the City Commission because I would like to contribute to the momentum of progress that has been established."

### What skills do you bring to the commission?

"I bring to the Commission previous board experience and training acquired through my service with the East Jordan Chamber of Commerce, my ability to work with people, identify common objectives, compromise, and my commitment to preparedness."

### What are the strengths and weaknesses of city government?

"Willingness to solicit the desires and needs of residents, and endeavor to provide courses of action."

I don't see a weakness as such, but I think our government needs to examine, and improve the mechanics of providing service."

### What are the major issues facing the city, and what ideas do you have to address them?

"The major issues are the Fire Department issues. I personally feel we need to get to the bottom of it as soon

"Economic development and an evaluation of operational procedures in providing City services."

### If elected, what else do you hope to accomplish as a city commissioner?

"I would like to see recreational opportunity development, and preservation (recreation-based tourism) included in our overall economic development plan - equal in importance with retail and industrial development. An area's desirability is determined by the quality of life offered."

While many factors contribute to that quality of life, two prominent and directly-related aspects are recreational opportunity, and a thriving business climate. We here in East Jordan have had the luxury of access to our community via recreational trails for many years. To date, this access has been provided through the generosity of landowners. This is tenuous at best. We need to implement a plan to assure access permanently. Failure to act will result in lost access, substantial economic stimulus, and a reduced quality of life. I would like to contribute to a plan for our future."

## Stewart Warrington

### What is your background?

"I have lived in East Jordan most of my adult life."

### Why are you running for city commission?

"To try to make city government run smoother and to help lead the city in the coming years."

### What skills do you bring to the commission?

"Good communication skills with outstanding sense of community pride."

### What are the strengths and weaknesses of city government?

"Weakness - it lacks guidance; strength - the strengths are unity."

### What are the major issues facing the city, and what ideas do you have to address them?

"The major issues are the Fire Department issues. I personally feel we need to get to the bottom of it as soon

as possible."

### If elected, what else do you hope to accomplish as a city commissioner?

"I hope to help lead the city into the future, by encouraging the children of the community to become involved in more community activities."

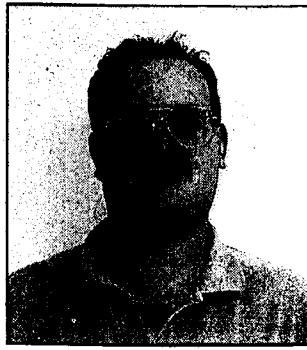

## Mark Postma

### What is your background?

"My wife and I have had a business here for over thirteen years. We live here with our two school age daughters."

I was pleased to serve for five years on the board of directors of the East Jordan Area Chamber of Commerce, with one year each as treasurer, vice-president and president."

For the past six years I have had the honor of serving on the Strategic Planning Committee for the East Jordan Public Schools."

### Why are you running for city commission?

"I would like to see our town continue to improve, and hope that I could work with the commissioners, administrator, and citizens to bring about more positive change for East Jordan. Much has been accomplished in the past few years and I would like to see us continue with the work that has been started."

It would be an honor to be permitted to represent the people that live in East Jordan."

### What skills do you bring to the commission?

"I have the skills that come of running a small business for more than a decade, along with the many lessons learned in committee work, and board service."

### What are the strengths and weaknesses of the city government?

"The strengths: We have so many people that are part of our city that feel very strongly about our city's direction and future. Our willingness to disagree publicly is itself one of our greatest strengths."

Committed people that genuinely care about our city and the people in it staff the DPW, ambulance department, city hall, police department, and fire department."

We have a city administrator that has worked hard to bring improve-

ments, and the grant money to make them possible."

### The weaknesses:

While our willingness to voice disagreement on issues is one of our biggest strengths, our tendency to do so with less grace than might be possible is probably our biggest weakness. Many of us care so strongly about the issues that we seem to be unable to reach workable solutions without raising tempers. This results in undesirable publicity which focuses on our differences and draws attention away from the many good things which are being accomplished."

### What are the major issues facing the city, and what ideas do you have to address them?

"I would be pleased to see our city commission, administrator and staff all working together to continue the many great projects and improvements that are underway while at the same time we work proactively to anticipate and prepare for future changes."

### If elected, what else do you hope to accomplish as a city commissioner?

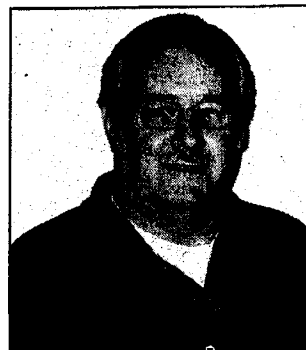

"If the commission would work together to set policies that would give our city administrator and his staff the tools they need to better serve residents, businesses, and visitors in East Jordan the possibilities for our town would be limitless."

## Ron Klooster

### What is your background?

"I was born one mile north of East Jordan, farmed the first part of my life, sold the farm in the early 70s and moved into East Jordan, early 80s. Worked at the East Jordan Co-op, where I am presently employed since the early 70s."

In 1994 I became involved with the city council, which is now called city commission. The past two years, I served as mayor of East Jordan."

### Why are you running for city commission?

"With my past experiences and background I can offer depth to the commission. There are projects started in the City of East Jordan that I would like to see completed."

### What skills do you bring to the commission?

"My ability to listen attentively and objectively to the voice of the public and bring it to the city commission for thoughts and discussion."

### What are the strengths and weaknesses of city government?

"I worked on both forms of government and the strength of our present form of government is, the city manager, who is over the departments and is able to make decisions concerning the city and keep things on track."

### What are the major issues facing the city, and what ideas do you have to address them?

"With our new well system and its higher and more constant water pressure, we have old mains that are giving out and losing water."

I don't have any immediate ideas, just to continue with repairs, as needed, to curtail water loss."

### If elected, what else do you hope to accomplish as a city commissioner?

"If I'm re-elected, I hope to accomplish projects started, to completion, continue with the sidewalk network and repairs. I want to continue the road project reconstruction and repairs, and also give attention to the Air Industrial Park and the East Jordan Community Park."

H. Michael Burr and Gilbert Fox declined to return their questionnaires.

## About the election

In East Jordan, six candidates are vying for three, four-year seats on the city commission. Current mayor Ron Klooster is the sole incumbent, with commissioners Ruth Gee and Jeanette Norton choosing not to run for re-election.

Polls will be open on Tuesday, Nov. 6, from 7 a.m. until 8 p.m. at the East Jordan Civic Center. For more information, call City Hall at 536-3381.

## Walking to work

Students at East Jordan Elementary recently took part in a walking tour of area businesses, learning more about what various professions do. Pictured here at the East Jordan Chamber of Commerce are, from left, Carole Galmore, students Kristina Liss, MariBeth Poindexter, Wren Bennett, Maelissa Morris, Brittney Sumner, Samantha Reiland, and parent volunteer Shannon Sumner.

**BARBARA (DYER)** Caserta of California attended the Corey and Wendy Earnst wedding on Oct. 6 in Harbor Springs. While here, she was also able to be part of a surprise party for her dad, Ken Dyer, on his 80th birthday, celebrated at the East Jordan home of Bev and Bob Walker. Bev Dyer and daughters Brenda Streufert, Barb Caserta, and Sherry Earnst all helped with the planning.

**AND OH**, by the way, this came from Ruth Christy, in reference to last week's triple birthday party. She said, my granddaughter Bethany has the cutest mom, Lori, as well as dad, Bob Christy.

**HEARTFELT SYMPATHIES** go out to the families, friends and neighbors of Sandra Yahr Neville, Leta Erber, and Helen Baumgartner of Boyne City, who all passed away this past weekend.

**CHRISTY REINHARDT** of Boyne City spent Thursday overnight in Alpena with her daughter and husband, Jamie and Chris Dobrowski and their new baby, Jaelyn. Visiting the new family on Saturday were Michelle Seelye and Connie Shaler.

**ABOUT 50** gathered at the Free Methodist Fellowship Hall on Saturday to honor an early wedding anniversary celebration of Nyle and

Marvel Gould and Fred and Wilma Bellville. Both couples were married on Oct. 31, and it marked 55 years for the Goulds and 35 for Fred and Wilma. George Gould and family of Colorado are here to share in their celebration at home.

**THERE WAS** a good turnout on Sunday night for the North Michigan Holiness Campground Hymn Sing, held in Mancelona.

**KATHRYN OLLILA** and friend Debby of Midland were here over the weekend visiting her Aunt, Adell Hibbard. Adell's daughter, Nancy Rennie of Big Rapids, had spent several days the previous week here with Mom.

**YOU'LL NEVER** guess who I saw yesterday, said my favorite Floridian, my daughter Cammy. Surprised she was, working at her part time job at Palms, in Palm Harbor, to hear the name Shay. Both were surprised, as Rick Shay was our Lakeview Village neighbor many years ago and it's neat to meet someone from your hometown once in awhile!

**JEREMY MOREY** and friend Andy Denema of the Iona-Grand Rapids area, were here for a long weekend with his grandmother, Anne Jenkins, and to dismantle the Jenkins campground, as they usually do, this time of year. Different it was this time, due to the recent fierce winds and rains. Initially well-secured tents were blown hither and yonder and thoroughly drenched. Also here helping out were John

Klepoch and friend John of Ohio, who took them all out for a fish dinner.

**THE REV. ROBERT** Bradley and wife Virginia are here visiting relatives. Formerly a native of the Boyne-Horton Bay area, he is retired from 45 years of ministry in Detroit. This past Sunday, he was the guest speaker, with a very inspiring message at the Boyne City United Methodist Church. He and his wife also sang a beautiful duet.

**RON AND GAIL** VanHorn of Petoskey and Bert and Emily Braun of Charlevoix were recent dinner guests and enjoyed the evening of cards at the home Walt and Olive Bernier in Boyne City.

**DONNA K. FISHER**, former East Jordan resident, has accepted a position as assistant professor with the College of Business Administration, Bureau of Business Research and Economic Development, at Georgia Southern University in Statesboro, Ga. After spending some time in Brazil as a Rotary exchange student, Donna graduated from EHS, then received her Bachelor's degree from Michigan State University, and later earned a Master's and Doctorate in Agricultural Economics from the University of Illinois. She has also spent time in the Peace Corps. Donna is the daughter of longtime East Jordan residents, the late Melva and Raymond Fisher, Sr.

**Boyne City All School Boosters**

The Boyne City All School Boosters have moved their regular Wednesday, Nov. 7, meeting to Tuesday, Nov. 13.  
 The meeting will be held at Boyne City High School at 7 p.m. For more information, call Pat O'Brien at 582-2400.

**OBITUARIES**

**Elizabeth Calven**

Elizabeth Calven, 86, of Boyne City, died Friday, Oct. 19, 2001 at Meadow Brook Medical Care Facility in Bellaire.

No services are planned. Burial will be in Boyne City.

Elizabeth was born in Trenton, N.J. on Jan. 1, 1915 to Joseph and Mary Zurza. The family, which included brothers John, Joseph, Jr. and sister Irene, moved to Detroit where her father worked for Ford Motor Co. She met and married Charles Calven in Detroit in 1937.

When her father retired from Ford, he moved to Central Lake where he and Mary farmed and Elizabeth and

Charles owned and operated Calven's Cottages on Intermediate Lake until the late 60s.

With her parents passing, she and Charles moved to Boyne City. They had no children of their own but lavished love and care on their nephews and nieces. Elizabeth was a very caring person to whom family came first and the rest of the world a close second.

During her stay at Meadow Brook, she helped her fellow patients as much as her frail condition would allow and lamented she could not do more. She will be missed by all whom she touched.

She is survived by nephews Thomas P. Sheldon of Bellaire, and Terrance R. Sheldon of Moundsville, West Virginia; grandnieces Kristen L. (Sheldon) Lensch, and Nicole M. (Sheldon) Meginty, both of Denver, Colo., and five great-great-grand-

nephews. She was preceded in death by her husband Charles, her parents, brothers John and Joseph, Jr. and sister Irene.

The Bellaire Chapel of Mortensen Funeral Homes was in charge of arrangements.

**DEATH NOTICE**

**Byron E. (Bud) Wyatt**

Byron E. (Bud) Wyatt, 73, of Boyne City, died on Monday, Oct. 29, at his home. A funeral service will be held on Saturday, Nov. 3, at 2 p.m. at

the First Congregational Church in Charlevoix. Arrangements are being handled by Winchester Funeral Home in Charlevoix.

**EJHS class of 1966**

The East Jordan High School class of 1966 recently held their 35th class reunion at the VFW Hall in East Jordan. Pictured are, back row, from left: Darrel Schumacher, Bud Carey, Ron McWatters, Evelyn Bolser Hull, Steve Bell, Phyllis Shepherd

Sumner, Phil Goebel, Butch Breakey, Gerry Donaldson, Bill Chase, Bert Nyland, Jim Cihak, Paul Nemeck, Jim McKinnon, Tom Brown. Front row, from left: Susan Olstrom Vronclan, Rita Ernst Barnett, Ginny Moore Carey, Linda Chanda Poole, James Legato. Not pictured are Brad Jones and Lola Josifek Stratton. Classmates attended the EJHS homecoming football game, and celebrated with a theme of "Singing in the Rain." Special guests at the reunion were Lois Snyder and Martha Annear.

FKB is conducted in conjunction with Huntington National Bank.

**Evangelical Lutheran Church hosting series of noontime prayer services**

The Evangelical Lutheran Church of East Jordan will host a series of special noontime prayer services, the first to be held on Wednesday, Oct. 31, at 7855 Rogers Road in East Jordan. Services are open to all in the community and will last only 20 minutes. Focus will be on the concerns and prayer needs of those present.

The service will begin at 12:10 p.m. and end at 12:30 p.m., to be followed by a lunch of soup or sandwich. There is no charge for the meal, but a free-

will may be given to cover the cost of the meal. To accommodate lunch breaks with varying time lengths and times, the church will repeat its prayer service at 1 p.m., ending at 1:20 p.m.

Those wishing to attend may choose to bring their own lunch, or enjoy soup and sandwich being provided by members of the Faith Practices Committee of the Evangelical Lutheran Church of East Jordan. Guests may attend either prayer service or attend only the luncheon fel-

lowship and discussion of concerns and current prayer needs.

Those unable to attend may call specific prayer concerns to the pastor, Robert Carter, at 536-7566. Concerns will be included in the prayer services. The next prayer service is scheduled for Wednesday, Nov. 28. Other dates to be announced. The services are open to everyone regardless of faith.

For additional information call 536-7566.

The evening's festivities will be held at Ansted's by the Lake, 115 Main St., East Jordan, and will feature the following "local celebrities:" Karen Walker, Alice Matteson, Luanne Reed, Carol Galmore, John

Stevens, Jane Diller, Ron Warnos, Terri Warnos, Steve Wisniewski, Cal Prins, Gina Oliver, Sara Schroeder, Ron Klooster, and Dave White.

Host and hostess for the evening are Ray and Jo Ann Dalto, with dinner music provided by Don Neidert.

Entree choices for the evening will include pork tenderloin, southwest chicken, and a fish and shrimp combo, for \$8.95 each.

A kid's meal of chicken tenders with fries and a beverage will also be available for \$3.95.

Cherry cheesecake will be offered

to top off the evening, at \$2.50 per serving.

Three dollars from each adult entree, \$1.50 from each kid's meal, and \$1 from each dessert, along with all tips and gratuities, will be donated to the chamber.

For more information, call the chamber at 536-7351.

### Reading fun

Boyne City Elementary students enjoyed a Reading is Fundamental day at the school library. Above, teacher Jackie Wollenberg went undercover looking for a good book, while students Quinn Ameal, Noah Lounsbury, Kyle Cassidy, Todd Gillespie, and Eric Patrick check out the selections.

## Food and supply drive will assist WRC's Safe Home

The Women's Resource Center is holding its annual Harvest Food and Supply Drive this fall, as an appeal to the northern Michigan community to assist Safe Home in providing food, household goods, and personal items to the families who reside there.

Safe Home, which is part of the Resource Center's emergency services for domestic abuse and sexual assault victims, has housed over 80 women and 103 children in the past years, providing 3,299 nights of housing, averaging nine people per day, 365 days a year. During the past year, food and supply costs exceeded

\$20,000, of which over \$15,000 was donated by groups and individual supporters.

For this drive, non-perishable foods such as canned goods, boxed meals, and soups are in major need. Cash donations are also needed, as the Safe Home is also faced with raising more than \$100,000 each year to physically maintain the facility, to staff and operate the home 24 hours per day, and to provide its special services. To drop off a donation, receive a copy of the Safe Home needs list, or for more information, call the Women's Resource Center at 347-1572.

### COLLEGE NEWS

REBECCA KUEBLER, CANDICE MATUSZAK, and JULIE ROOKS, all of Boyne City, have been included in the 24th annual edition of The National Dean's List 2000-01. Students are selected for the honor by their college deans, registrars or honor society advisors, and

must be in the upper 10 percent of their class, on their schools Dean's List, or have earned a comparable honor.

Kuebler and Rooks are students at North Central Michigan College and Matuszak is a student at Kirtland Community College.

### NEWS BRIEFS

#### EJ students featured on Crooked Tree CD

The Crooked Tree Arts Center is inviting the public to join the students from East Jordan, Pellston, Beaver Island, Charlevoix and Petoskey as they sing together on stage debuting their very own musical creations.

Singer/songwriter Dan Hall visited these schools in March 2001 and helped the students compose songs. Hall returned to the schools in June to record the songs with the children to create the CD, "Children from the Land of the Crooked Tree." The original songs on the CD include "Mark the Alien" written by East Jordan Elementary School. The lyrics for each song, along with the names of all the students that participated are listed in the CD liner notes.

Hall, with accompaniment by local

musicians, will back up the young voices. The concert and CD release party is Sunday, Nov. 4, at 4 p.m. at the Petoskey Middle School. Admission is \$3 for adults, and children are admitted for no charge. The CD, Children from the Land of the Crooked Tree, will be released that day and available for purchase for the first time at a special price. Tickets for the concert are on sale now at the Crooked Tree Arts Center.

#### Playground organizers to be featured on PACE

Scott MacKenzie and Tim O'Leary of Boyne City will appear on PACE TV's Community Forum program. MacKenzie and O'Leary will discuss the new Boyne Area Creative Playground, recently constructed in Veteran's Memorial Park in Boyne

City. The program will air from 8-8:30 p.m. On Friday, Nov. 2, and will be replayed on Saturday, Nov. 3, from 5-5:30 p.m. and again on Sunday, Nov. 4, from 11-11:30 a.m.

PACE TV is an educational television network sponsored by the Charlevoix-Emmet Intermediate School District, and can be viewed in Boyne City, East Jordan, and Boyne Falls on Charter Cable's channel 2.

#### Harry Potter book-reading scheduled in BC

A free book-reading event of "Harry Potter and the Sorcerer's Stone" with Deb Michails of Hits 106 KHQ/Lite 96 FM will be held at Boyne Country Books in Boyne City on Sunday, Nov. 11, at 1 p.m.

The reading will cover the first few

chapters of this popular novel, and the event will include the opportunity to win free movie passes to the upcoming "Harry Potter and the Sorcerer's Stone," opening at Boyne Cinema on Friday, Nov. 16.

For more information, call Kathy at Boyne Country Books, 582-3180.

#### EJES hosting Scholastic Book Fair this weekend

The Scholastic Book Fair is coming to East Jordan Elementary School on Wednesday and Thursday, Nov. 7 and 8, bringing books and educational learning products from more than 150 publishers to readers of all ages.

The fair, open each day from 3:30-7:30 p.m., will feature traditional children's favorites and new works by popular authors and illustrators, as well as items of interest to parents and

teachers.

The event is open to the community. Some of the proceeds will benefit East Jordan Elementary School projects. For more information, call the school at 536-7564.

#### Boyne schools participating in Spartan 'Extra Credit' program

Boyne City Public Schools recently announced that they have become part of the new "Extra Credit for Education" program with Spartan Stores, including Glen's Market in Boyne City.

Participation will help the schools earn free educational equipment, such as computers, printers, sporting goods, band equipment, software, and books.

Shoppers can participate by applying for a "Serving You More Every Day" card at the store, and filling in the code of the building that they'd like to support — 10029 for the elementary school, 10028 for the middle school, or 10027 for the high school. Through March 23, 2002, the schools chosen will then earn credit every time the cards are used.

The Boyne City Ramblers received a warm and enthusiastic greeting on a cold, wet, snowy and windy Brotherston Field Friday night.

The Boyne City sideline celebrates after Roscommon failed to convert on a fourth down pass with less than a minute remaining in the game.

WITH A VICTORY ON FRIDAY, THE 2001 RAMBLERS WILL BECOME THE WINNINGEST TEAM IN SCHOOL HISTORY

## Tested, but still

# UNBEATEN

Brotherston Field was not a place for the meek on Friday night. First there was the weather. Simply put, the conditions were miserable, particularly in the first half. Wind, rain, snow, and sleet pelted the players, spectators and field.

At half time of the game there was little talk about strategy in the locker room. Much of the time was spent changing clothes. "One of the things we told the kids was to bring extra clothes," said Boyne City head coach David Hills.

By the end of the game, rather than worrying about bumps and bruises, coaches and players were more worried about hypothermia.

Then there was the game. The final minutes were tense. After leading throughout, Boyne City had to reign in a Roscommon offense that had momentum on its side in the final stages of the game.

The Rambler defense answered the challenge and Boyne City earned a 25-20 victory in the first round of the high school playoffs.

"It was a miserable cold and wet night," Hills said. "I was happy we got out of it."

"I thought we played pretty well given the conditions. I thought it would affect our passing game, but we passed the ball well. Our running game at times was not where it should be, but all in all I'm pleased with how our kids played."

A sign of the conditions at Brotherston Field Friday night was the mud stuck to Tim Wellert's helmet.

The win put the 2001 Ramblers on the brink of moving into territory no other Boyne City team has travelled. They now have 10 wins, the third team in school history to reach that feat. The other two were the 1971 team and the 1996 team. A win Friday will put this year's team in the record books.

To reach that lofty plateau, the Ramblers must beat Benzie Central. Boyne and Benzie met the third game of the season, an impressive 35-6 Boyne City win. That was many weeks ago and Benzie has not lost since. It defeated Standish-Sterling last Friday 28-12 to earn a berth in the district finals with the Ramblers.

"They are a young team and have improved tremendously," Hills said of Benzie Central. The coaches "have a better handle on what their kids can and can't do. They are playing at a high level. This is going to be a real good test for both teams."

No one played at a higher level Friday night than Ryan Amesbury, who was celebrating his 18th birthday. He scored the Ramblers' first touchdown on a four-yard run with 5:15 remaining in the first quarter. Less than a minute later, he intercepted a Roscommon pass and ran 46 yards into the end zone for the Ramblers' second touchdown.

Late in the first half he connected with Cole Andrews on a 39-yard touchdown pass and in the third quarter he hooked up again with Andrews. This time it was a 49-yard touchdown pass.

For the night, Amesbury connected on 6 of 8 passes for 122 yards. He also led the team with nine tackles.

"Ryan did everything," Hills said. "He was everywhere."

The Ramblers led 13-0 after the first quarter, 19-6 at the half, then midway through the third period scored again to take a 25-6 lead and seemed to be in position to take control of the game.

Roscommon was not to be denied. It cut the lead to 25-20 and had the ball with just less than five minutes remaining in the game. Thanks to a perfect Dustin Moore punt, Roscommon had to go 98 yards for a score.

The visitors wouldn't make it. They turned the ball over on downs with less than a minute remaining.

Two snaps later and the Ramblers had the victory.

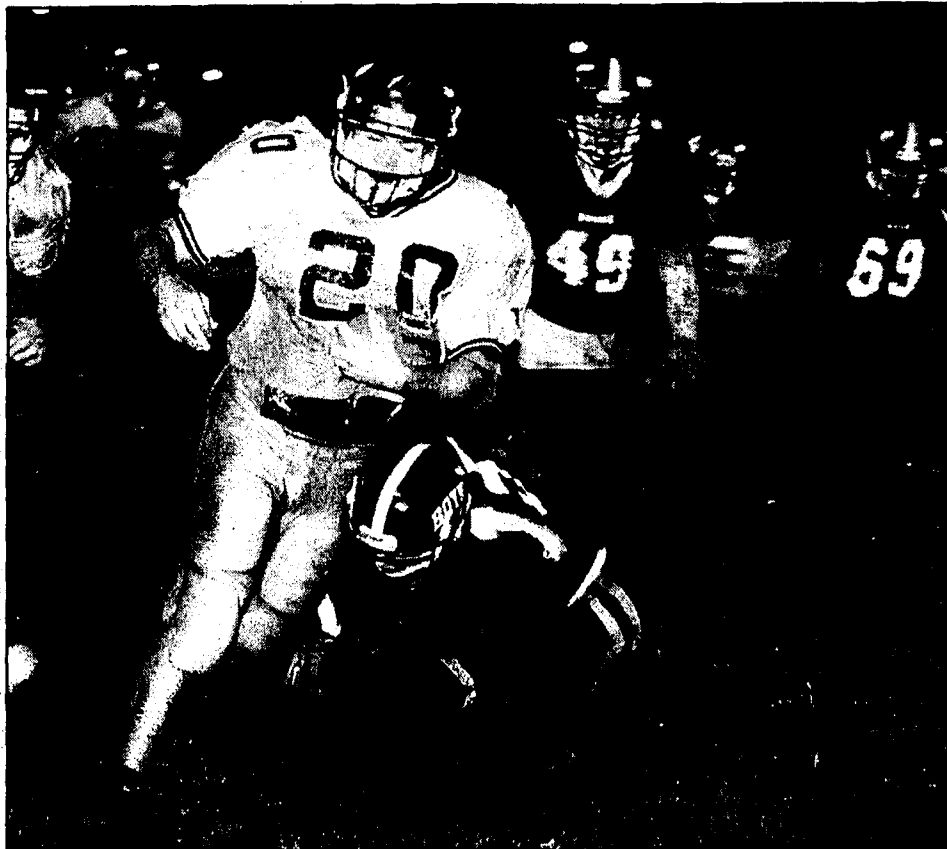

In addition to his punting and kickoff duties, Moore had his 10th interception of the season and had six tackles. Tim Wellert contributed six.

Ben Hausler ran the ball 12 times for 55 yards. To go along with his two touchdown receptions, Andrews ran for 55 yards on six carries.

Kickoff for Friday's game is 7:30 p.m. Tickets are \$4.

Kyle Gibbons was all over Roscommon's Paul Kelly as he breaks up a pass late in Friday's game.

Ben Hausler puts a shoulder to Roscommon running back Jake Lamón. The Rambler defense was tested but rose to the challenge in the Ramblers' 25-20 victory.

"I THOUGHT WE PLAYED PRETTY WELL GIVEN THE CONDITIONS. I THOUGHT IT WOULD AFFECT OUR PASSING GAME, BUT WE PASSED THE BALL WELL."  
--HEAD COACH DAVID HILLS

# A heck of a game

## Red Devils take Charlevoix to the limit

In a girls basketball nail-biter last week, East Jordan scored 29 points in the final quarter to force Charlevoix into overtime, where the Red Devils came up just short, losing 86-78. The loss brings East Jordan's record to 4-12 overall, 3-7 in league play.

Halftime saw East Jordan down by one point, but Courtney Hammond went to the bench with three fouls early on and Charlevoix took advantage, building up an 11-point lead. The Red Devils came back from a 13-point deficit in the final quarter to tie the game but ran out of steam in the overtime period, making only one field goal and shooting 1/5 at the free-throw line. Charlevoix also only made one field goal, but went 8/10 from the line.

"It was a heck of a game," said East Jordan coach Dan Pepin. "Fast paced and fan-friendly. The girls played their hearts out; unfortunately we couldn't convert in overtime and Charlevoix did. Having lost Hammond to fouls late in the 4th quarter, we lost some scoring punch in overtime." Fouls played an important role in the game, as each team lost three players due to foul trouble.

East Jordan dominated the boards, out-rebounding Charlevoix 63-33. Hammond and Anna Olson led the way, with 16 and 15 rebounds respectively. Amy Schroeder pulled down nine boards, while Jackie Haley grabbed eight and Niewendorp grabbed seven.

Hammond led the Red Devils in scoring with 24 points, followed by Lisa Talboys with 15. Schroeder with

13, and Haley with 12. Anna Olson contributed eight points.

"Although a victory would have been nice, I am extremely proud of the team," said Pepin. "We look forward to meeting Charlevoix in the districts. Having lost to them in overtime two of the last three games makes the team more motivated. I'd also like to thank the fans for their support. The gym was going nuts; you could hardly hear yourself think. It was a fun game to be a part of."

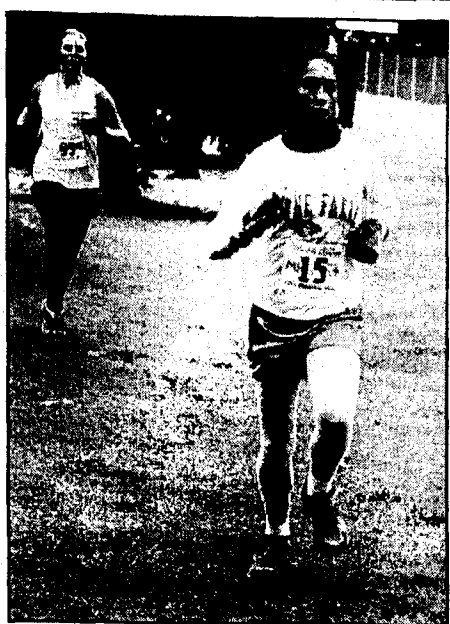

**EARLIER IN THE WEEK**, East Jordan steamrolled Elk Rapids, winning 59-35. "This was definitely one of our better outings of the year," said Pepin. "The girls came out determined to play tougher defense and that they did."

Elk Rapids went without a field goal in the first quarter, tallying only five points to East Jordan's 24. Full court pressure from the Red Devils translated into turnovers, with East Jordan taking a lead of 34-16 by halftime.

Though Elk Rapids gained momentum in the second half, they were unable to match East Jordan. "Hopefully, the players are beginning to buy into the concept that defense wins games," said Pepin of his team.

Hammond led the team in points with 26, followed by Talboys with 16 and Niewendorp with 6. Hammond also led the team in rebounds with eight, followed by Olson who contributed seven.

East Jordan hosts Ellsworth on Nov. 2.

Jenny Kuhn of Boyne Falls qualified for the state meet with a sixth place finish.

On a snow-covered course at Boyne Mountain, Boyne City's girls team is off and running.

Members of the East Jordan boys cross country team, with coach Dennis Snarey, were all smiles as they posed with the regional trophy.

# REGIONAL RUN

## East Jordan boys win fifth title, Boyne City girls take third

For the fifth year running, the East Jordan boys will be taking a trip to the state cross country meet, after garnering the regional title at the Division IV competition at Boyne Mountain over the weekend.

The team will travel to Michigan International Speedway in Brooklyn on Saturday, Nov. 3, along with the Red Devil girls, who also qualified.

Top runners for East Jordan boys at the regional meet were Garrett Romero in second place with a time of 17:02; Jeremy Penzien in seventh with 17:26 and Nick Hanson in 11th with a time of 17:57.

Other runners for the Red Devil boys were Corban Shaw, 17th, 18:24; Peter Wamos, 19th, 18:30; Chris Duff, 28th, 19:01; and Brian Kirby, 37th, 19:21.

The East Jordan girls were led by Heather Hammond, who took fourth place overall with a time of 21:21. Other girls placing for the Red Devils were Ruth Elliott in eighth with a time of 21:43; Haley Shaw, 13th, 22:19; Tiffanie Bearden, 15th, 22:44; Krystal Birgy, 23rd, 24:25; Amanda McMichael, 25th, 24:28; Carolyn Elliott, 32nd, 26:17.

**THE BOYNE CITY** girls will likewise take a trip to the state meet in Brooklyn on Nov. 3, after finishing third overall at the Division III regional competition. It will be their second trip in the same number of years.

Top runners for the Lady Ramblers were Jane Stieber, placing fourth overall with a time of 20:23; Mindy McCutcheon in 11th with a time of 20:59; and

Garrett Romero led the East Jordan boys with his second place finish.

Emma Dunne in 15th with a time of 21:16.

Other finishers were Bric VanDam, 23rd, 22:00; Hannah Decker-Hargis, 28th, 22:15; Kelsi Brewer, 33rd, 22:29; and Carly Stieber, 35th, 22:33.

The Boyne City boys placed tenth overall out of 12 teams at the regional competition.

Runners placing for the Rambler boys included Brian Miller, 41st, 18:56; Randall Sutton, 49th, 19:06; Brad Winkler, 51st, 19:13; Geoff Martin, 59th, 19:43; Justin Weisler, 61st, 19:58; Justin Conklin, 68th, 20:32; and Ian Smith, 81st, 21:38.

Jane Stieber set the pace for the Boyne City girls with her third place finish.

Haley Shaw, left, and the rest of the East Jordan girls team will compete Saturday in the state meet in Brooklyn.

## Two losses make it a tough week for Lady Ramblers

It was a tough week for Boyne City as it lost to Kalkaska and Benzie Central, two of the better teams in north-west Michigan.

Against Kalkaska, Boyne City played a strong first half holding down Kalkaska's potent scoring attack with a 2-3 zone.

In the second half, however, Kalkaska's shooters warmed up and connected on nine three-pointers on their way to a 62-37 victory.

Kalkaska has such a balanced scoring attack, said Boyne City head coach Michele Deming, that any one of their starters is capable of scoring 20 points.

Kriste Gaither with 13 points led

the Ramblers, while Lindsay Helsley had eight and Amber Lehto had six.

Against Benzie, the Ramblers fell behind early and had trouble getting back into the game. They trailed by 12 at the half and were down 44-23 at the end of the third quarter, before they mounted a fourth quarter comeback.

The Ramblers cut the margin to nine with two minutes to go, but that was as close as they could come.

Gaither led the team with 13 points. Ashley Hadix contributed seven, while Sam Bricker had six and Lehto five.

This week the Ramblers play conference foes Harbor Springs and St.

Francis as they tune up for districts, which Boyne City hosts the week of Nov. 12.

**THE BOYNE CITY** junior varsity defeated Benzie Central 57-37, but lost a heartbreaker to Kalkaska 42-40. Against Benzie, Whitney Spaay had nine points and Karlene Gaither eight to lead Boyne City.

Against Kalkaska, Gaither led the team with 12 points and Kim Foster had eight rebounds.

The junior varsity is 4-4 in the conference and 8-7 overall.

**THE BOYNE CITY** freshmen won their 13th game of the season

with a 43-35 win over Kalkaska. Amanda Westrick scored 14 points and Emily McLane nine to lead Boyne City.

**BAY TOWNSHIP NOTICE OF PUBLIC HEARING AMENDMENT TO ZONING ORDINANCE**

The Bay Township Planning Commission will hold a public hearing at 7 p.m. Tuesday, Nov. 6, 2001 at the Bay Township Hall, 05045 Boyne City Road in the Village of Horton Bay.

The purpose of the public hearing is to hear comments from the public on a proposed text amendment to the Bay Township Zoning Ordinance to provide for and regulate B & B's (Bed and Breakfast Facilities) as a special use in all zoning districts. The text provides that a B & B: be a single family dwelling; have no more than ten (10) sleeping rooms; have laundry and bathing facilities available to all guest rooms; have the appearance of a single-family residence; have only one (1) sign of twelve (12) square feet or less; serve meals to overnight guests only; create no excessive noise, traffic or other nuisance; provide parking on site; cover no more than 50 percent of the parcel with structures and parking areas; screen refuse and garbage collection areas; prohibit snowmobiles, all-terrain vehicles, boats, etc. being used on site; provide a site plan showing the total property and also the relationship to adjacent property.

A definition of "B & B" will appear in the Ordinance. The provision allowing a B & B as a matter of right in the Village Overlay District will be deleted and it will become a special use as in other districts.

Persons may comment in person or, send written comments for presentation at the public hearing, by mail to Bay Township Planning Commission, 05045 Boyne City Road, Boyne City, MI 49712 or by facsimile transmission to (231) 582-3594. In addition, written comments may be e-mailed to wildwind@voyager.net. Written comments must be received not later than 5 p.m. on Tuesday, Nov. 6, 2001. A copy of the proposed amendment may be viewed by calling the Bay Township Clerk at the Bay Township Hall (231) 582-3594, or visiting the Boyne District Public Library or the Horton Bay General Store.

**BUSINESS BRIEFS**

**Bayside Gifts in Advance targets local folks with unique gifts and collectibles**

Walking into Bayside Gifts in Advance, it's obvious that this is more than your run of the mill north gift shop. Housing an eclectic collection of handmade crafts, gift items, antiques, and collectables, Bayside Gifts appears to have a little bit of something for everyone.

Targeting local residents, owners Mike and Lynn Cummings have created a business that boasts both locally-created items and resident-friendly prices. Business from tourists to the area, said Lynn, is "a bonus to us." The goal, added Mike, is to "service people who make \$6-10 an hour." Open since June 1 of this

year, Bayside Gifts has been low-key in self-promotion, but still has been found by numerous residents and visitors alike, brought in by the lure of word-of-mouth. According to the Cummings, their customer base extends to Charlevoix, Petoskey, East Jordan, Gaylord, and Ellsworth.

Bayside Gifts is open year-round in, as Mike puts it, "beautiful downtown Advance, with plenty of free parking, alongside the luxurious Porter Creek." It's with that tongue-in-cheek attitude that Mike brings a little humor to the business, looking for ways to promote the small and often-overlooked town of Advance, of which, he claims, Boyne City is a fine suburb. He's revived the local "yacht club," originally called the Advance Point Yacht Club at its inception 25 years ago, and now redubbed the "Advance Sail and Yacht Club," complete with t-shirts and rules and regulations, including a requirement that all flotation devices be at least 32 inches in diameter (the width of a car tire tube).

So far, the approach has worked; their sidewalk sale in September brought in so many folks that, Lynn said, one old-timer commented that it was the most cars he'd ever seen in Advance — parked, that is.

Part of the secret in bringing folks back, said the Cummings, is the variety they offer, with stock turnover

**Mike Cummings highlights "local relics," collectibles, antiques, and craft items at Bayside Gifts in Advance.**

averaging about every two to three weeks. Also, the store offers work by local craftspeople, featuring, at the moment, several pieces of locally-created wood shelving and cabinets. "We wanted to involve local people in the community," said Lynn. Many of the items they offer have been acquired at auctions and estate sales, and if they don't have something you're looking for, said the Cummings, they'll be happy to try and find it. "We've built up a reputation for seek-

ing out requests," said Lynn. "We've been pretty successful." That type of service, figures Lynn, is something folks appreciate and return for.

Bayside Gifts in Advance is open year-round, 11 a.m.-6 p.m., seven days a week, with shortened hours likely after Christmas. The hours, though, are not set in stone; "If people call, we'll stay later or be here earlier," said Mike.

**HEALTH TIPS FROM MEDICAP PHARMACY**

**LOW-FAT = LOW CALORIE?**

In the past two decades, the U.S. population has reduced fat intake, but dramatically gained weight. It is beneficial to reduce fat consumption: It helps your heart and arteries. On the other hand, many low-fat foods contain more sugar and total calories per serving than their "high-fat" alternatives. If you are watching your waistline, keep in mind that total calories are what you are trying to burn. The more calories you put in your mouth, the more you have to use, independent of the total fat.
