GLANCE

Public can give input on dock proposal in **Boyne City**

The US Army Corps of Engineers is seeking comments from the public, agencies and officials, and other interested parties on the proposed dock construction on Lake Charlevoix at 1 Water St. in Boyne City.

The project, proposed by property owner One Water Street Investments, LLC, includes a 424-foot seasonal floating pier, comprised of 180-foot-long sections of nine. 10x20 foot trestle docks; one, 10×24 foot ramp; one, 20×20 10 foot floating section; and four, 10 x 50 foot floating dock sections.

The waterward 200-foot section of the pier will provide broadside dockage on both sides for a total of 400 feet, allowing for approximately seven boats on each side, for a total of 14 boats.

One Water Street Investments LLC has applied for a Department of the Army permit under Section 10 of the Rivers and Harbors Act of 1899.

The public is invited to submit written comments by mail or e-mail by July 15, 2004. Comments can be filed with Thomas E. Allenson, Acting Chief, Permit Evaluation Branch A, Regulatory Office, Detroit District, Corps of Engineers, P.O. Box 1027, Detroit, Michigan 48231. Comments may be e-mailed to Patricia, A. Borden @usace. army.mil, but must include a name and mailing address.

Correspondence must refer to Corps File No. 03-041-003-0, MEDQ File No. 03-15-2.

The proposed dock was the subject of a Department of Environmental Quality public hearing in Boyne City last month. The DEQ is currently considering a construction permit request.

Christmas in July dinner will benefit senior center, church

All are invited to a Christmas Dinner in July, set for Friday, July 16, at the First Presbyterian Church in Boyne City.

Dinner will be served from 4-7 p.m., and is free of charge; donations may be given if desired. Any proceeds will benefit the Boyne City Senior Center construction project and upgrades to the church kitchen equipment.

The menu will include a traditional holiday feast, featuring ham, turkey, and all the trimmings. Those planning to attend are asked to call ahead with the number in their party for meal planning purposes.

Donations are also needed prior to the event, including turkeys, according to organizer Al Lawson. For more information or to make a donation. call 582-7983

The church is located at 401 S. Park St., Boyne City.

A thunderous weekend ahead

The first-ever Boyne Thunder fund-raiser combines old favorites with some new flavor in Boyne

The rumble, and buzz, of Boyne boat regatta, a cham-Thunder is getting closer, as organizers prepare for the big event, set for Friday and Saturday, July 16 and 17.

The event is a new and improved version of the traditional Camp Quality fund-raising weekend, originated by Re/Max of Boyne, Camp Quality, and the Boyne City Yacht Club, and marks the first major activity coordinated by the year-old Boyne City Main Street Program.

"One of the things that is very cool," said Main Street economic development committee chair Kurt Wietzke, "is that it reaches across a lot of organizations." The event, which features an offshore powerboat poker run, a jet-ski poker run, a sail-

pagne cruise, and much more, this year incorporates some of the best features of previous years' events with some new elements, with the offshore power boat poker run as a focal point.

"The truly fascinating part of this project," Wietzke said, "is that it

takes a lot of modules known to work in the past, and is putting them all together with some new modules. We truly don't know what the impact of this is going to be all together.

"It's really exciting."

Part of it is the desire to raise money for an important charity and Main Street. The other part is to increase the size of the pie."

-- Boyne Thunder committee member Kurt Wietzke

The excitement should be palpable, as the event kicks off on Friday, with the boats heading into town and Poker

Run registrations beginning at 10 a.m. At 5 p.m, the ThunderBash begins, with dinner at Garrett's on Water

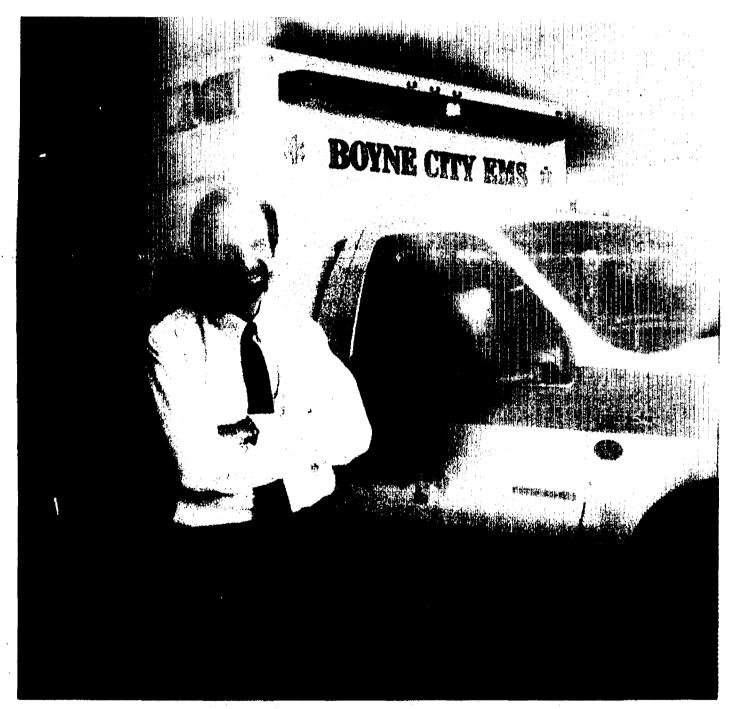

Street. The event will feature food stations, featuring main entrees such as prime beef, turkey, pasta, seafood, and more. Entertainment will be provided by Dave Cisco and the Northwest Academy Jazz Band, A

"walkabout" auction will also be taking place, with participants placing bids from an auction book by walkietalkie with on-hand volunteers. The cost is \$50 per ticket, plus a cash bar.

Also kicking off on Friday is the Pub Crawl, which will take place on Friday and Saturday nights, with special Boyne Thunder drinks available at the Dilworth Hotel, Boyne River Inn, Red Mesa, Boyne River Brewery, The Tannery, Garrett's on Water Street, and the Eagles Club. To participate, T-shirts are available for \$20.

Saturday will be a day on both land and water. On the lake, Thunder boats, which range from 30-50 feet in length

Boyne City's new ambulance director, John Lamont, is spending a lot of time at the Ambulance garage these days. Hired in June, Lamont has been busy working on increasing the number of volunteers in the service while pursuing the long-in-theprocess upgrade to Advanced Life Support.

photo by Angela Shultis

A NEW DIRECTION FOR BOYNE CITY EMS

With new director John Lamont at the helm, the focus is on volunteer recruitment and a service upgrade

It's been an interesting two weeks for John Lamont, Boyne City's new full time ambulance director. Hired two weeks ago to take over from interim director Barb Kerridge, Lamont found himself with a service of eight staff members, and an immediate need to delve into the in-limbo Advanced Life Support service upgrade process.

"it's been a challenge," Lamont said good-naturedly. Certainly, the challenges aren't anything he hasn't seen before. With more than 30 years in the business. Lamont's past credits include coordinating EMS services through the health department, the establishment and directorship of LifeLink ambulance service in Petoskey, and a stint as executive director of Allied ambulance service, also in Petoskey.

"I like to build systems," Lamont said of his particular interest in the Boyne City department. "I've had the opportunity over most of northern Michigan to do that." The Boyne City director's post was, he said, "just an opportunity that presented itself at the right time."

A resident of the area for 20 years, after relocating in 1984 from Marquette, Lamont calls Boyne City "a jewel of a community." It's a community, he adds, that "really, really needs ALS." The service is currently designated as Basic Life Support, meaning that its staff members are limited in the care they can give to patients on the scene and in transit. Advanced Life Support would allow volunteers to give a higher level of medical care, including potentially life-saving measures, to patients.

As an isolated, rural community, Boyne City's geographic location means that it's a long ride, in any situation, to the hospital. "That's a long time in the back of an ambulance with a patient," Lamont said. "There's

New city clerk coming on board in Boyne City

Boyne City city manager Michael Cain has recommended the hiring of Rebecca Haynes as city clerk, a move that was set for approval at the City Commission's regular Tuesday meeting.

Haynes brings more than 20 years of local government experience in both Michigan and California, including previous experience as a deputy city clerk.

According to Cain, Haynes was selected from a pool of 19 applicants, which was later narrowed down to four candidates who underwent the interview process. "Although there were several good candidates to

choose from I felt that Ms. Haynes' combination of technical skills and personality would best serve our organization and community," Cain said in his recommendation to the commission.

Rebecca Haynes

Haynes is currently the police executive assistant for the Town of Truckee Police Department in Truckee, Calif., where she has assisted in the creation of a new police department with a staff of 30 employees and a start-up budget of \$4,300,000.

Her previous experience also includes stints as assistant to the city manager in the City of Port Huron; senior secretary for the Algonac Community School District: administrative assistant to the city manager for the City of Harper Woods; and secretary to the city manager/ deputy city clerk for the City of

Haynes will earn a wage of \$42,500, plus benefits, during her first year of employment with the city. She is currently relocating from California, and is expected to begin work at city hall by Monday, Aug. 16.

Murder/suicide claims two lives

died over the weekend in what Charlevoix County Sheriff George T. Lasater is calling a homicide/suicide in Wilson Township.

The bodies of Melissa Lynn Kamyszek, 32, and Ryan Buellerdick, 30, were found outside a home on East Jordan/Boyne City Road near Deer Lake following a 911 call from the home.

According to Lasater, sheriff's deputies responded to the call at 7:13 a.m. on Sunday, July 11, in which the caller said that his sister had been shot outside the residence and he needed help.

Two deputy sheriffs, Chuck Vondra and George R. Lasater, were in the area and arrived approximately two minutes later; in checking the area, they found the two bodies in the yard.

Further investigation revealed that Buellerdick, a Hayes Township resident, shot Kamyszek of Wilson Township and then took his own life.

Two Charlevoix County residents Kamyszek was a manager at Red Mesa in Boyne City; Buellerdick owned RB Construction Company in Boyne City.

The couple had, Lasater said, been in a relationship for five to six years; the relationship had recently been terminated by Kamyszek,

Sheriff Lasater commended the first two deputies on the scene, Vondra and Lasater, who were, he said "confronted with an unknown shooting situation and used good judgement in securing the scene."

The sheriff's office was assisted at the scene by Michigan State Police Post 78 Unit, Boyne City Police Department Unit, the Michigan State Police Crime Lab out of Grayling. Boyne City EMS, and the Department of Natural Resources Conservation

Officer. A MEMORIAL SERVICE for Kamyszek is set for Sunday, July 18, from 1-4 p.m. at the Boyne Mountain Civic Center. The public is welcome.

After 35 years, Art Tebo retires from Boyne USA

Tebo served as chief operating officer of Boyne USA Inc. from 1984-2003

ment affairs of Boyne USA Resorts, announced that after careful consideration, he has decided to retire, effective July 9.

The announcement follows nearly 35 years of dedi-

Mr. Tebo, 59, is a significant force in the Michigan resort and tourism industry and is widely recognized by the many organizations working to promote these industries in and around the state.

He began his career with Boyne in December of 1966 and gained knowledge of the company's ski, golf, resort lodging and real estate operations by working in various capacities over his tenure.

OBITUARIES

June Hammond

Mrs. June Hammond, 77, passed away Saturday, July 10, 2004.

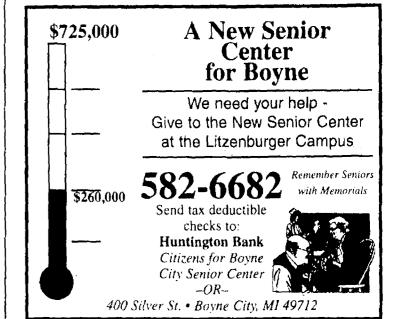

Services were held at the Church of God United in Muskegon. Pastor Lynette Gillett officiated. Interment was held in Sunrise Memorial Gardens.

Daughter of William Blanshan and Emma Scheffel, she is preceded in death by Lester V., her husband of over fifty years.

Most important to her were her family (especially her grandchildren) and her church. She was a longtime active member of Church of God United.

She is survived by her children, Ronald G. and Claire Hammond of Milford, Lester E. and Mari Hammond of Whitehall; grandchildren Ron Jr., Scott, James and Melinda Hammond; great-grandchildren, Austin, Tyler, Zachary and Alison Hammond; her brother and sister-inlaw, Lyle and Bonnie Blanshan of Boyne City and several nieces and nephews.

You may read June's life story, leave a memory or sign her guest book by visiting www.lifestorynet.com. Heritage Life Story Funeral Homes.

RE-ELECT Prosecutor Mary Beth

Group's report finds fault with BC sewer plan

Though the Boyne City City Commission has approved a river discharge for wastewater effluent in the upcoming wastewater system upgrade, the Friends of the Boyne River aren't ready to say that the issue is'

Late last month, the The Coalition to Save the Boyne River received the results of a review of the City's upcoming wastewater system upgrade conducted by James Braithwaite of Vector Resolutions. Braithwaite, who claims more than 35 years of experience in municipal and industrial wastewater treatment planning, design, construction and operation, has strong opinions on the state of the Boyne City project. "Based on my review of the Boyne City SRF Project Plan, and over 4,000 pages of related file documents, it is my opinion that the alternative analysis and environmental assessments contained in the State Revolving Fund (SRF) Project Plan are incomplete, subjective, and biased toward a predetermined judgment to implement a 'more of the same' alternative." Braithwaite states in his written evaluation. He further asserts that the project plan and Finding of No Significant Impact (FONSI) assessment "largely ignore the legitimate concerns raised by area citizens."

Braithwaite further concludes that the proposed alternative "will, or is likely to, pollute, impair, or degrade the Boyne River and/or Lake Charlevoix."

The river discharge was approved by commissioners in March of this year, by a vote of 3-2; the second alternative presented at that time was to continue an improved deepwater discharge directly into Lake Charlevoix. The discharge location was the final piece of a \$7.3 million dollar wastewater system upgrade planned for the City, which includes the reutilization of the existing aerated lagoon system with construction of a new secondary/tertiary treatment process at the lagoon site.

Statements made in recent months by representatives of various groups such as the Friends of the Boyne River and the Tip of the Mitt Watershed Council maintain, however, that such a discharge is a threat to the health and wellbeing of the Boyne River, and other local waters, including Lake Charlevoix. The approval prompted the formation of The Coalition to Save the Boyne River, to fight the river discharge option; the recent report from Braithwaite is just another step in the fight, according to coalition representative Larry Maltby. "[The report] is like getting a second opinion if you go to the doctor," he said. "We have the welfare of Boyne City at heart."

According to Boyne City city manager Mike Cain, the report doesn't change anything for the City. "We definitely continue to feel we're on the right course," he said. "We're taking the best long-term solution with regards to proven technology out there, that makes sense for all the watershed in this area." The position, Cain adds, is supported

by the Michigan Department of Environmental Quality. According to a letter dated July 1 from the Chip Heckathorn of the DEQ to Cain, though a "voluminous" public comment packet was received regarding the project, "none of the comments received were substantive to cause withdrawal of the FNSI.

"We're still on course, still very confident and comfortable with what we're recommending," Cain concluded.

As for alternatives, earlier this year, the City of Boyne City commissioned a study by Capital Consultants on the possibility of a land application method of wastewater disposal as opposed to a water discharge; the study results indicated such an application was not feasible, due primarily to geographical considerations.

For Maltby, and the coalition, that answer doesn't equal closing the door to looking at other options. "We're looking 50-75 years in the future," Maltby said, "and how to dispose of sewer wastewater 50 years from now. If we do this right, we could have great development in this area and at the same time do a very great job conserving resources in this area."

Barring a change of course by the City, Maltby said, legal action is likely to be taken by the coalition in an effort to stop the river discharge. It's not the road, according to Maltby, that the group had initially envisioned taking. "That's regrettable," he said.

Hosts still needed for visiting musicians

Host families are still needed for some of the Austrian Brass Ensemble musicians set to perform in Boyne City on Wednesday, July 28, as part of the Evenings at the Gazebo concert series.

The musicians, who range in age from 13 to 56, are visiting the area as part of the Blue Lake Fine Arts Camp International Exchange Program. Host homes are needed to lodge the guests for the three days of their visit, July 27, 28, and 29.

For more information, or to be a host family, call the Boyne Area Chamber of Commerce at 582-6222.

OPINION

MANY THANKS

Thanks go to many for 4th of July success

Wow, what a celebration!

Boyne City's 4th of July Festival committee would like to give a heartfelt thanks to all those who have made this year's festival so spectacular.

First of all, to Boyne City's fire and ambulance crews, city workers, police department and Charlevoix County Sheriff Department, and their families who graciously give up their 4th of July together, because these devoted people work from 6 a.m. to midnight so that everyone is assured a safe and fun festival.

A thank you to all those who donated to the various fun-raisers...those that adopted their favorite fireworks," the Fireman's Auxiliary Canister, and to the sponsors: Great Lakes Energy for their Gold Sponsorship of the Grand Parade, to ETA NU Sorority for being a Silver Sponsor, and to Boyne City's Rotary Club, The Harborage Condominium Association, the Carroll Family, the O'Brien Family, Bank One, and Boyne Falls Polish Festival for their gracious Bronze Sponsorships.

A kind appreciation to businesses that have donated various acts of kindness, supplies, and services: Boyne Area Chamber of Commerce, Frank's Towing, Boyne USA, Great Lakes Motor Works, Top Rank, Glens, Litzenburger Place, Ralph Gillett, Tim Arner, Mary Johnson of Johnson Graphics, Thick N' Juicy, Mathers Ford and Dairy Queen. A special thank you to Boyne Valley Lions who very successfully manned and sponsored the Fireworks Safety Area, and to Clinton River Ski Club who volunteers year after year where help is needed.

For the cute playhouse that was built by Tom Neidhamer's Boyne City High School Building Trades Class and F.O. Barden for donating all the material. The raffle was a great success. Congratulations to Richard Adent from Baroda Michigan for winning this special prize.

To all of the participants in the Grand Parade, the Independence Day race, the decorated bike contest, the soap box derby, and the Boyne City Yacht Club Parade of Boats, a special thank you because without your participation and hard work, our festival would be very dull.

Finally, but most important, THANK YOU TO EVERY SINGLE VOLUNTEER. There are about 10 unselfish funseekers that meet five months a year, to plan and execute the best festival that northern Michigan can be very proud of. There's an additional 50 other people that fill in where needed.

We do desperately need volunteers, so for those that feel that they can help, or want to know all the facts as they happen, or want to complain, please join us. For this festival to continue it is essential to recruit new volunteers for 2005, so step up, and be involved in a fun committee that brings so much pleasure to people of all ages.

It's been estimated that close to 15,000 people come to Boyne City to see what can be done by a small community of 3,500 full time residents. All the volunteers deserve every "oohh and aahh" that is heartfelt by all the spectators of Boyne City's 4th of July Festival! You are the ones that make our job so very easy and so much fun.

If you enjoyed yourself and would like to help to pay for that fun, then please send a check to P.O. Box 407, Boyne City, MI 49712. Help us start 2005 off with a BANG!

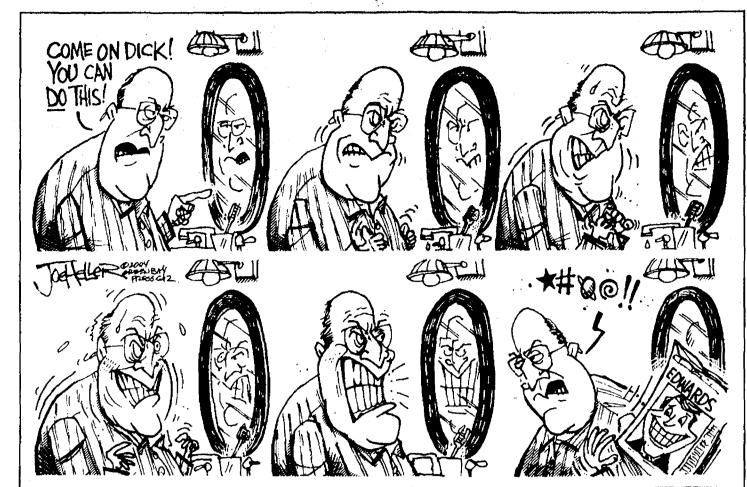

Ann Parks and Liz Kroondyk Co-chairs of Boyne City's 4th of July Festival

Contributions made running race a winner

Thanks to the generous contributions from the following merchants, the 2004 Boyne City Independence Day race was a great success.

Sunburst Marina, Boyne Country Books, Country Now and Then, North Country Cycle Sport, Boyne Co-op, Radio Shack, Thick N' Juicy, Tannery, Studio One, Blockbuster, Bread Box Bakery, Ace Hardware, Kilwin's of Boyne City, Sportsman, Red Mesa Grill, Carter's, Glen's, Outside Edge, Red Brick Salon, DanCin Thread Embroidery, Boyne River Brewery, Garrett's On Water Street, Boyne Falls Polish Festival and Boyne US.A

LETTERS

(Editor's Note: The following letters were written in response to a letter published in last week's Citizen-Journal that opposed an idea presented by local residents to locate a Wal Mart in East Jordan. There has been no proposal from Wal Mart to do so.)

A Wal Mart in East Jordan would provide jobs and reasonable prices

TO THE EDITOR:

I just read the editorial [letter to the editor, July 7] that the lady from East Jordan wrote [in opposition to Wal Mart]. Is she one of the lower-income people who can't find work locally and have to drive 30 miles to Petoskey or Gaylord to find employment? Does she have any idea how few jobs there are in this area? Not just East Jordan, but Charlevoix, Ellsworth, Central Lake and Bellaire? Does she even realize how expensive it is to keep up two cars when two people have to work to try to make a living? These people also have to shop in Petoskey or Gaylord because they can't afford the local prices of food, small appliances, clothes, etc. So, their money is spent in other towns -- not in East Jordan. A business located in East Jordan would, not only provide jobs and reasonable prices, it would also pay taxes here to help our schools, help pay for our county roads, our city expenses, and more.

Dura pulled out of East Jordan and went to Mexico

where labor is cheap (sweat shops?) By the way, have you looked at your labels lately and read where your clothes, appliances, car parts, everything is made? Not in the United States. Even the clothes from the "better stores" are made over in those (sweat shops).

As for fair treatment of women, before this civil suite is over, you will find that most of it has no basis and a lot of women have jumped on the bandwagon, to see what they can get for free. All class action suites are that way.

My daughter has an accounting degree from the University of Minnesota. In order to get paid like the men, she had to get her CPA degree. That is the way it is in a lot of companies. Wal Mart has a much better system in helping women. I have a neice who works for Wal Mart. They help put her through college and she is now a personal manager. We talked to about 500 people in front of the post office in East Jordan and the majority of those people already shop at Wal Mart in Gaylord or Petoskey.

Billie Jo Duff

East Jordan resident would support a Wal Mart in her community

TO THE EDITOR:

I was quite dismayed to read the letter on Wal Mart coming to East Jordan. I for one think it is an excellent idea. For those of us who can't always afford the wonderful shopping experience offered from our downtown area, I usually travel to Wal Mart in Gaylord or Petoskey. Unfortunately, I cannot always afford to go to Wal Mart, due to the increase in gas prices. If there was a Wal-Mart in East Jordan, I would not have to spend so much time and money traveling 30 miles each way, which in fact would save me money. The fact that it would save me money would create more of a chance of me shopping in downtown East Jordan if WalMart DID come, not if it stayed away.

And the fact that the author of the Wal-Mart letter reported sweat shop work, obviously did not do her homework. There was an allegation of Kathie Lee Gifford using sweat shops to make her clothing line for Wal Mart, which was dropped, due to the fact that it was not true. As well as the fact that if you look on a tag of Wal Mart, it states, Made in America. So my question would be,

how could "Wal Mart maintains its 'always low prices' because it buys the largest percentage of its products from sweat shops overseas," when in fact, Wal-Mart would then be advertising false products, which in fact is illegal.

Our economy as we know it is going down the drain. It is happening all over the place, and the fact that people are trying to stop Wal Mart from coming into our great city of East Jordan, may concern people that it would shut down our family businesses. But in the opposite direction, if we do not bring more business into our great city, family businesses may very well, still need to shut down, due to lack in visiting tourists.

The fact that we have both M-32 and M-66 running through our city, makes it a great target for passerby's. So, if there was a Wal Mart sitting on either M-66 or M-32, it would create a great amount of business for East Jordan as a whole.

I for one would vote for Wal Mart to come into East Jordan. I would vote as a citizen of East Jordan, and as a mother of two who must travel too far for clothing and necessary household items.

Danielle Russell

MANY THANKS

'Angels' support packages to soldiers

Thanks to the angel(s) who leave paperback books and cosmetic products in the drop box in the Advance Store. Packages have been mailed to Kelli and Jennifer, our women soldiers, enclosing those books and products, plus other "goodies." The postage for both packages was most generously and graciously paid by Ron Crozier. Thanks, also, to Carter's for displaying pictures of our troops in-

side their main entrance, left hand side. Please notice picture of Sgt. Kelli Howard, top right. The outpouring of support for the six local men and women who are members of our American Legion Post serving in Iraq is heartwarming to those of us who are veterans and who have also served our country overseas and stateside.

American Legion Post #228.

GUEST COLUMN

There's more to be done on BC wastewater issue

By LARRY MALTBY

Did you know that for the last 30 years Boyne City has discharged sewer wastewater into Lake Charlevoix? Keep that in mind as you read on!

As hard as it may be to believe, Boyne City has narrowed the gap toward the discharge of sewer wastewater into the Boyne River. Or so it would seem. In reality there are many problems that have not been attended to.

Some time ago when the City applied to the Michigan Department of Environmental Quality for a permit to discharge to the river, so many shortcuts in procedure were taken that the DEQ ruled that the application was "administratively incomplete" and denied approval. In its haste, the City did not provide the environmental impact statement that is required for a discharge to a Michigan river. They must attempt to prove that no damage to fish, aquatic insects, or people will occur if the partially treated wastewater is discharged into the river.

The river in question happens to be a high quality Michigan trout stream that has large, naturally reproducing salmon and steelhead runs. It is the place where the kids of Boyne City kayak almost daily during summer and often come back drenched by spills into the river. It is the place where the kids of some property owners swim. It is the place where the kids of tourists play along the banks in the old city park. This summer, watch the river to see how it is used.

The application has been put on hold by the City until calendar year 2005 but they are busy trying to prove that it will be OK to run the partially treated sewer wastewater with its contaminates through the middle of town.

Another Problem

This leads to another problem. The City applied for a permit to begin construction of the sewage treatment plant separate and apart from the determination of the discharge location. In response to the City's request for funding, the DEQ sent a "Finding of no Significant Impact" (FONSI), to the Friends of the Boyne River and the Coalition to Save the Boyne River.

In this document they state that they believe that an environmental study is not required for the construction of the plant. They state that a supplemental environmental study will be done later in 2005 to address the issue of the discharge location. Alternative locations include discharge to Lake Charlevoix, discharge to the Boyne River or discharge to land. But, if the construction of the plant is started prior to the determination of the discharge location, the city and the DEQ could say that construction has progressed to the point that it is now too late and the only option left is to discharge to the river.

Still Another Problem

We were given 30 days to respond to the FONSI. The letter from the DEQ states, "We will not take any action on this project plan for 30 calendar days from the date of this notice in order to receive and consider any comments." The date on the notice was May 25. The deadline for response was June 24. We responded with a strong objection to the separation of the permit to construct the plant away from the selection and design of a discharge location. This would result in an incomplete project and an incomplete cost analysis. How could it possibly be properly funded? We mailed our response on June 17. Allowing time for the mail on the 18th and the weekend 19 and 20, our letter was likely reviewed by the DEQ on Monday the 21st. The DEQ granted Boyne City a permit to construct the plant on June 22, two days before the 30 day deadline with no response whatsoever to our letter. This leaves us little alternative but to appeal.

Why all the Fuss?

The Boyne River is a high value asset to the State of Michigan. It flows with high quality water and provides spawning grounds for steelhead, salmon and brown trout. It abounds with wildlife including eagles and otters. It is a favorite destination of fishermen. Between 50 to 100 cars can be seen at Dam Road during the salmon run in October. It is used extensively by kayakers. It is an attraction that brings many visitors to our area from April to November. It adds significant economic value to local businesses. Most importantly, the high quality water in the Boyne with its included fish and wildlife belongs to every citizen in the state of Michigan. It is unlawful for that water quality to be degraded unless there are no alternatives. In this

NEIGHBORS

By NANCY NORTHUP

"PRECIOUS MOMENTS" of the Anderson Road gathering of Northups were the performances of some of the five Witer girls, ages 10 on down, daughters of Tony and Jenny. They did a great job, as they lined up, danced and sang in unison, to meaningful CD music and routines they'd learned in Bible School! The gathering was the annual 4th of July, birthday and graduation congratulations and, a "Welcome Home" to visiting Jim from Germany, as well as a farewell to Teri and son Andrew, soon to be relocating in Arizona. Attending were many from Midland, Sterling from New York, Ohio, Boyne Falls and Boyne City.

GENE AND BARBARA HANCOCK are just back from meeting their new grandson Zachary Stephen Hancock. Zack was born June 19, 2004 in the Chicago area and weighed 8 lbs 10 oz. Zack's parents are Jeff and Julie Hancock. Zack is the great-greatgrandson of the late Jenny and Clare Brooks of Boyne City.

RAY AND IRENE SPELTZ had a busy Fourth of July weekend despite the rain. Family from Rockford were up and helping with the haying. Lucy, Jeff, Katie and Nick Sawinski and David and Mary Sawinski and nephew Steven Arsenault were here. Also, Chris, Merri (Speltz) and Anthony Emery of Gaylord spent the weekend camping on the

Annual hospice auction set for Friday, July 30

Friday, July 30, is the date for this year's Hospice of Northwest Michigan auction.

As is the case every year, a wide selection of items will be on hand for both the silent and live auctions. Linda Haderer, a wellknown artist of the area, has given several of her fabric angels as well as a collection of 40 beanie babies; other items include: availability of condos in various parts of the country, a handcrafted wood table by Lee

Ekstrom, a kayak from Sunburst Marine, and much more.

The evening's activities start at 5:30 p.m. with the silent auction and a live auction starting later. Scott MacKenzie and Rip Hayes are two lively auctioneers who will ensure an entertaining evening. Margaret Thomson, a local pianist, will be providing background music.

Ticket prices will be \$30, \$60 and \$90 per seat. All ticket prices include

complementary beverages, the excellent variety of hors d'oeuvres as well as the chance to win the \$300 and \$200 door prizes that will be drawn at intervals during the program.

Tickets are available at Boyne Country Books in Boyne City, Busy Bridge Antiques in East Jordan; The Clothing Company in Charlevoix; Orchard Hills LTD in Bellaire; and at the door. For more information, call the hospice office at 536-2842.

Local sports teams recognized for sportsmanship by MHSAA

Three local high school sports teams have been rewarded by the Michigan High School Athletic Association for their outstanding

sportsmanship shown on and off of the field during the 2004 spring sports season.

Two Boyne City teams, the boys varsity baseball team and the girls varsity softball team, received Division III district tournament awards, while the Boyne Falls boys varsity baseball team made the Division IV tournament list.

At the district, regional and quarterfinal levels of MHSAA tournaments, all

schools which meet a set of sportsmanlike standards are recognized. Those schools will be presented framed certificates from MEEMIC Insurance.

In all, 771 teams in baseball, softball and soccer were recognized for their sportsmanship at the spring tournaments. All of the teams will be recognized in the MHSAA Bulletin, the MHSAA finals program series and on the MHSAA Web site.

New direction

continued from page one

the back of an ambulance with a patient," Lamont said. "There's time to make an impact on the patient's outcome."

The community, he added, is "primed right now to have a quality EMS they can count on. That's my goal."

That's not to say, he said, that the service given by EMS volunteers hasn't been quality. "There's been a core group of people here that have given a lot of hours," Lamont said. "They should be thanked. They've done a lot.'

The goal, though, is to prevent burn-out. The answer is to have more staff members on board to fill "time, with the remainder of

the schedule, a solution Lamont immediately began working to execute. In just two weeks time, the ranks have swelled from eight to 25. "It's a been a good week," he laughs. "I'm really excited."

The number is a healthy one, he notes, and will make a difference as the service progresses towards that long-elusive ALS designation. In the past, dwindling volunteer numbers had presented a major obstacle in the implementation of an ALS service in Boyne City. Boyne City had indicated the possibility of going ALS under the Bennett Bill which meant, essentially, that the ALS service would only run part

the time covered as a BLS service. With more staff on board, Lamont said, that will no longer be consid-

"You don't want to go ALS on the backs of one or two people," he said. "You need to know for sure you have depth of cover-

With that coverage in place, Lamont said, the process is again moving forward. A meeting with Medical Control head Dr. Mitch Carey is set for this week; subsequent steps include presenting a 60-day coverage schedule and notification to the state of the service's current status. The state, Lamont notes, has already inspected the he said. "I think that, service's equipment, and

the service is in the process of securing a vehicle, "It really was the staffing issue that's prevented the system from going forward," Lamont said.

In the coming months,

Lamont said, the service and its staff will work hard to fulfill its goal of solid, dependable service, "What we'll strive to do is highlight the services we provide," he said, adding that an internal Medical First Responders Class is being undertaken, and community services, such as CPR classes and educational school visits, are in the off-

"I've got just great people working with me," working together with the

agencies around us, we have great support from the East Jordan service, the Charlevoix service, we have gotten great support out of Boyne Falls, it won't take us long to get us back into our stride."

And after a busy first two weeks on the job, the question is, is Lamont having a good time? He answers the question earnestly, and with a laugh. "This is really fun," he said.

Guest column

continued from page one

case there are clearly alter-

natives.

There are many ways that a sewer wastewater discharge will degrade a pristine waterway, but one of the most insidious, results from the pharmaceuticals that pass through human bodies, into the sewer and through the treatment plant. They are not removed by the treatment process. The synthetic estrogen that is contained in oral contraceptives and other hormone therapies is one of these. Many laboratories in Europe and the United States have proven that when male fish ingest this chemical due to the discharge of wastewater into their habitat they undergo physical changes. The male fish become feminized! The male fish produce female proteins that reduce their fertility and in some cases have caused them to become sterile. In

extreme cases, male fish have been found that have developed eggs in their testes. Studies also indicate that the changes to male fish occur at very low levels of exposure; as low as 1 part per billion. The slow loss of fertility of the male fish in waters contaminated by the discharge of sewer wastewater should be concern of all the people of Michigan. One can only guess at what damage may have already occurred in Lake Charlevoix as a result of years of exposure.

Human health along the river is also a significant issue. Boyne City will be permitted by the DEO to release 40 times more coliform bacteria into the river than they were allowed to release into Lake Charlevoix. If there was a health concern about the release of wastewater near the public beach in Lake Charlevoix then why wouldn't there be 40 times

more concern about the discharge to the river. The swimming beach in the lake is monitored twice a week to assure that it is safe for swimming. But there are no plans to monitor the river. We will never know from one day to the next if the river is safe for full body contact. Are parents going to have to stop their kids from kayaking the river out of fear that they may fall in?

What can we do? Oppose the planed discharge into the Boyne River. If the discharge goes into the river now, there could be many years of degradation before the opportunity to remove it will come again. We will have effectively transferred our responsibility and obligation to the next generation.

Support a plan to remove all wastewater effluent from Lake Charlevoix within five years or sooner by developing a land based discharge system. Research has indi-

cated that the water retention time in Lake Charlevoix is only three years. That means that within three years from the time that we stop the flow of effluent into Lake Charlevoix the restoration of the lake will be well underway.

The opportunity is now.

During the next 30 to 40 years there will be much more wastewater and contaminants flowing down the Boyne River into Lake Charlevoix and the cost to restore the lake and the river will be many times more that it is now. If all the stakeholders living around Lake Charlevoix, in Boyne City, at Boyne USA and in the townships would work together, we can do this!

More on the plan will follow next week.

(Larry Maltby is a member of the Friends of the Boyne River and the Coalition to save the Boyne River.)

POLICE REPORT

Boyne City Police Department

MORTGAGE SALE - Default has been made in the conditions of a mortgage made by Mark R. Zumbaugh and Tara J. Zumbaugh, husband and wife, to Ameriquest Mortgage Company, mortgagee, dated December 19, 2002 and recorded January 6. 2003 in Liber 508, Page 900, Charlevoix County Records. Said mortgage is now held by DEUTSCHE BANK NATIONAL TRUST COMPANY, AS TRUSTEE, OF AMERIQUEST MORT-GAGE SECURITIES, INC., ASSET-BACKED PASS THROUGH CERTIFICATES, SERIES 2003-1, UNDER THE POOLING AND SER-VICING AGREEMENT DATED AS OF FEBRUARY 1, 2003, WITHOUT RE-COURSE, by assignment submitted to and recorded by the Charlevoix County Register of Deeds. There is claimed to be due on such mortgage the sum of One Hundred Forty-Two Thousand Eight Hundred Seventy-Six and 79/100 Dollars (\$142,876,79) including interest at the rate of 8.25% per annum

Under the power of sale contained in the mortgage and the statutes of the State of Michigan, notice is hereby given that the mortgage will be foreclosed by a sale of the

ACROSS

1 Unoriginal

mortgaged premises, or some part of them, at public venue at the main lobby of Charlevoix County Courthouse in Charlevoix in Charlevoix County, Michigan at 11:00 a.m. on August 13,

The premises are located in the Township of Wilson, Charlevoix County, Michigan, and are described as:

The North 1/2 of the Southwest 1/4 of the Southwest 1/4 of Section 23, Town 32 North, Range 6 West. Together with 1992 Carrollton Manufactured home, Serial No. 42420874F, which is permanently affixed to the real estate. The redemption period

shall be 12 months from the date of such sale, unless the property is determined abandoned in accordance with MCLA §600.3241a, in which case the redemption period shall be 30 days from the date of the sale.

TO ALL PURCHASERS: The foreclosing mortgagee can rescind the sale in the event a 3rd party buys the property and there is a simultaneous resolution with the

borrower. In that event, your damages, if any, are limited solely to the return of the bid amount tendered at sale.

Dated: July 14, 2004 **ORLANS ASSOCIATES PC** Attorneys for DEUTSCHE BANK NATIONAL TRUST COMPANY, AS TRUSTEE, OF AMERIQUEST MORT-GAGE SECURITIES, INC., ASSET-BACKED PASS THROUGH CERTIFICATES, SERIES 2003 1, UNDER THE POOLING AND SER-VICING AGREEMENT DATED AS OF FEBRUARY 1, 2003, WITHOUT RE-COURSE., As Assignee P.O. Box 5041 Troy, MI 48007-5041

Deadline: Noon Monday

We accept Visa or MasterCard

To place your ad, call (231)582-6761

Deadline for advertising in the classifieds is noon Monday. All classified ads must be paid for in advance, except for businesses that have established accounts.

Advertisers should check their ad the first week it appears. The Citizen-Journal is not responsible for failure to print an ad or for a typographic error, except to the extent of the first insertion. Adjustment for an error is limited to the cost of the part of the ad where the error occurred. The publisher reserves the right to accept, reject and/or edit any and all advertising submitted for publication.

Advertising rates are 15 words for \$4 per insertion, and 25 cents per word over the minimum. If you run an ad for two weeks, the third week is free. Ads billed are \$1 more per insertion. Blind ads are the cost of the ad plus \$5 for the first week and \$1 for each consecutive week.

Boyne Thunder

continued from page one

and travel at speeds from 60-165 miles per hour, will start their engines and parade in Lake Charlevoix at 9:30 a.m.; they will then begin their poker run, traveling to Northport, Beaver Island, Bay Harbor, Round Lake, and Horton Bay. The boats are scheduled to return to Boyne City by 3:30 p.m.

Vendors, food, and a classic boat show in Veteran's Park will run from 11 a.m.-4 p.m. Kayak rides will also be given on the Boyne River. The jet ski poker run, which will take participants on a course of approximately 30 miles from Boyne City to East Jordan and back, will begin at 11:30 a.m., followed by the start of the Sailboat Regatta at noon and the beginning of the Champagne Cruise at 1 p.m.

A cocktail awards party for the jet ski and sailboat events will be held at 4 p.m., followed by the ThunderFeast at Veteran's Park at 6 p.m., featuring the Poker Run awards banquet, and an "upscale northern barbecue" with food by Norm Schroeder. The menu for the event will include prime rib and grilled whitefish, with all the extras. Tickets are \$25, which includes a drink ticket.

Tickets for all events are now on sale at the Boyne Area Chamber of Commerce, Boyne Country Books, Boyne City City Hall, ReMax Resort Properties, and Garrett's on Water Street.

Proceeds from the event will benefit both Camp Quality, which provides yearround support for kids whose lives have been touched by cancer, including a

weeklong summer camping experience in northern Michigan, and the Boyne City Main Street Program.

Though fund-raising is the main focus of the weekend, the event, Wietzke said, also provides an opportunity to "raise awareness of our community to people outside of the community."

So many festivals, he said, draw local participants. "With this one, we're specifically reaching out."

Volunteers sent a five-piece mailing to 3,800 owners of poker run boats in Indiana, Illinois, Ohio, and Michigan to promote the event, and sent press releases to 45 different locations, both in and out of the area. "Part of it is the desire to raise money for an important charity and Main Street," Wietzke said. "The other part is to increase the size of the pie.

"Part of the whole effort of Main Street is to increase vitalization . . . and get Boyne City's message out to a much wider audience." It's also about fun. "It's going to be very fascinating," Wietzke said, "with elements of the Nascar group, but with big boats and breezy attitudes.'

For a full schedule of the weekend's events, visit www.boynecity.com/thunder or call 582-0344.

ALL INTERESTED in participating in the jet ski poker run must register before 10 a.m. on Saturday. The entrance fee is \$100 for the driver, and \$50 for each additional rider. The drivers' meeting is at 10 a.m. on Saturday in Veterans Park. There will be no dockage at the city marina until after 9:45 a.m. on Saturday. For information, visit www. boynecity.com/thunder.

Flag support

The Boyne Valley Garden Club and the Fraternal Order of Eagles, Boyne City Aerie, were among the first to donate in support of a new program to purchase flags for downtown Boyne City. Pictured here with one of the first flags are, from left, Jim Magill of the Hagles; Boyne City city manager Wike Cain, and garden club representative Betty Shaver. Any individual, business, or organization that would like to donate to the effort is asked to call city hall at 582-6597.

EXTRA HEALTH TIP: **FOOD POISONING PREVENTION**

Careful food preparation can reduce your risk of food poisening Thaw eneats in the refrigerator or microwave and not on the counter. When preparing food, start with clean hands. Wash cutting utensils in between preparing meats and other foods, use separate cutting boards when possible. To ensure cooking meats to safe temperatures use a meat thermometer. On picnics, wrap raw meats separately so juices don't contaminate other foods. Avoid leavng foods out too long that contain dairy ingredients, eggs or meat because they spoil quickly.

Going to a ball game? "Hot dog!"

By Ernie Harwell

Hot dogs are as American as baseball. The National Hot Dog and Sausage Council estimates fans ate 25.9 million hot dogs in major league ballparks in 2003. That's down from the 26.3 million eaten in 2002 - but still enough to stretch from Dodgers' Stadium in Los Angeles to Yan-

kee Stadium in New York City.

Now, I'm not about to knock an American institution, but I do want to get a plug in for moderation. After all, the average regular beef hot dog contains 150 calories and 13 grams of fat. Wrapping it in a plain white bread bun adds 100 calories and 1.5 more grams of fat. A tablespoon each of ketchup, mustard, onions and relish adds at least another 50 calories. Throwing on an ounce of cheddar cheese adds another 120 calories and 10 grams of fat. So a hot dog with all the fixings can add up to more than 420 calories and 24 grams of fat - and a day's total allowance of sodium!

For the average person who eats plenty of fruits and veggies and watches fat and sodium intake, rooting for the home team is more fun with a hot dog, maybe even some peanuts and Kracker Jacks - in modera-

And please remember to take care of your health before it's lonngggg gone!

Ernie Harwell, "the voice of the Detroit Tigers" for more than four decades, retired after 55 years behind a major league microphone. Today, at age 86, Ernie's days are filled with serving as a health and fitness advocate for Blue Cross Blue Shield of Michigan, public appearances, writing, traveling and taking long walks with "Miss Lulu," his wife of more than 60 years. His latest book, a collection of his baseball columns entitled "Life After Baseball," is available at local bookstores or by calling 1-800-245-5082.
