Ramblers will host Red Devils for BCHS Homecoming

Boyer City will be the place to be on Friday night, as the Boyne City Ramblers host the East Jordan Red Devils for the school's Homecoming football game at Brotherston Field.

Kick-off is at 7 p.m. Half-time festivities will include the crowning of the Homecoming queen and the announcement of this year's Boyne City High School Hall of Fame honoree.

For a look at the school's Homecoming Court, please see page 12.

Boyer chamber to host seminar on branding

The Boyne Area Chamber of Commerce is hosting a seminar on Monday, Oct. 18, for area businesspeople focusing on tools for successful branding in the marketplace.

"Branding Your Business — How to Become a Household Name in Your Hometown" is a two-hour seminar, presented by Deanne M. Bourgoine, director of the Allison Fishwick Group, Inc., which will offer tips and step-by-step tools for local businesses who want to know more about branding, defined as "creating a perception in the minds of your target that you are the only person in their market that can fulfill their needs."

The seminar, to be held at the Wolverine Dilworth Inn in downtown Boyne City, will run from 8-10 a.m., with a continental breakfast provided.

The cost is \$15 for chamber members and \$20 for non-members.

For more information or to register, call Kathy Hodgkiss at 582-6222.

Public invited to Raven Hill open house event

Raven Hill Discovery Center is hosting an open house on Sunday, Sept. 26, featuring its new outdoor exhibit, "Exploring Beyond Jurassic Park," a visual and hands-on timeline of the natural history of Michigan.

The exhibit has been funded in part by the Michigan Council for Arts and Cultural Affairs.

The open house will run from 2-4 p.m. Raven Hill Discovery Center is located between East Jordan and Boyne City, just off of C-48 at Pearsall Road.

For more information, call 536-3369 or visit ravenhill.discoverycenter.org.

Boyer City Ambulance makes ALS upgrade

Completing what became a lengthy process for the City of Boyne City, the Boyne City Ambulance Service officially achieved Advanced Life Support status as of Sept. 11, bringing the community's level of care up to "as high a level of care as any service in the state," said ambulance director John Lamont.

"This deals with our desire to improve the quality of care for the people we respond to," said city manager Michael Cain of the upgrade. "Right now, because of the change in status," added Lamont, "we're able

to cross that threshold and provide definitive care."

The upgrade means, among other things, that the service can now provide some basic medical care for patients that, until now, were out of reach. According to Lamont, that includes measures like providing an analgesic for chest pain, medication to calm a heart arrhythmia, and utilize equipment such as a heart monitor and defibrillator.

"We can provide the full gamut of emergency medication, which allows us to, through interaction with medi-

cal control which is out of Charlevoix Hospital, be able to treat that patient," Lamont said. "In a community 20 miles from the hospital [it's impor-

tant] to be able to provide stability, without an intercept [from another service with Advanced Life Support]."

The upgrade also means the addition of non-transport vehicle to expedite care, in the form of a 1998 GMC Yukon, outfitted per State of Michigan standards as an "echo car." The vehicle has everything an ambulance has on board except a stretcher," Lamont said, which allows a paramedic to respond quickly to a call without having to wait for a transport crew and rig to be ready to roll.

Manning the service won't be a problem as, in the last 90 days, the

A harvest celebration

Boyer City's annual Fall Harvest Festival is set for Oct. 2 and 3

A change of venues is in store for Boyne City's annual Fall Harvest Festival, set this year for Saturday and Sunday, Oct. 2 and 3, at the Early Childhood Education Center (the old middle school) on the corner of Park and Main streets.

The move from the traditional waterfront location at Veterans Memorial Park comes, said Boyne Care Chamber event coordinator Kathy Hodgkiss, after several consecutive years of inclement weather on the weekend of the festival. "Moving in-

side will guarantee a perfect weekend," Hodgkiss said.

The farmer's market and assorted vendors will be set up on Main Street between East and Park, while the arts and crafts show will take place in the education center's cafeteria area, from 10 a.m.-4 p.m. on Saturday and noon-4 p.m. on Sunday.

Color tours will also be featured, at 10 a.m. and 2 p.m. on Saturday, with a trolley leaving from Boyne

Industrial Park lot reconfiguration ok'd

The Boyne City City Commission gave the green light to city manager Michael Cain to move forward with the sale of lot 2 in phase II of the Boyne City Air Industrial Park to Points North Printing.

The transaction includes a lot reconfiguration, taking lot 2 from 2.6 acres to 1.8 acres, expanding adjacent lot 1 from 2.04 acres to 2.84 acres.

The reconfiguration came, according to Cain, after a request from Points North, that it didn't need the amount of space originally included in the lot. The business, which currently leases a building at 100 Industrial Park Drive (lot 1 in Phase I of

the Industrial Park), is looking to build a larger facility and add stop-in copying services.

The Boyne City Economic Development Commission had considered the request earlier this month, and approved the lot reconfiguration. The city will reserve a 30-foot utility easement at the back of the lot, and will move forward to complete the transaction at the normal price of \$20,000 an acre, or a total of \$36,000.

The EDC determined that the term, Cain said, "was in the best long term interests of the Industrial Park

Boyer City Rotary unveils plans for park pavilion

Service project will mark the Rotary's 100th anniversary

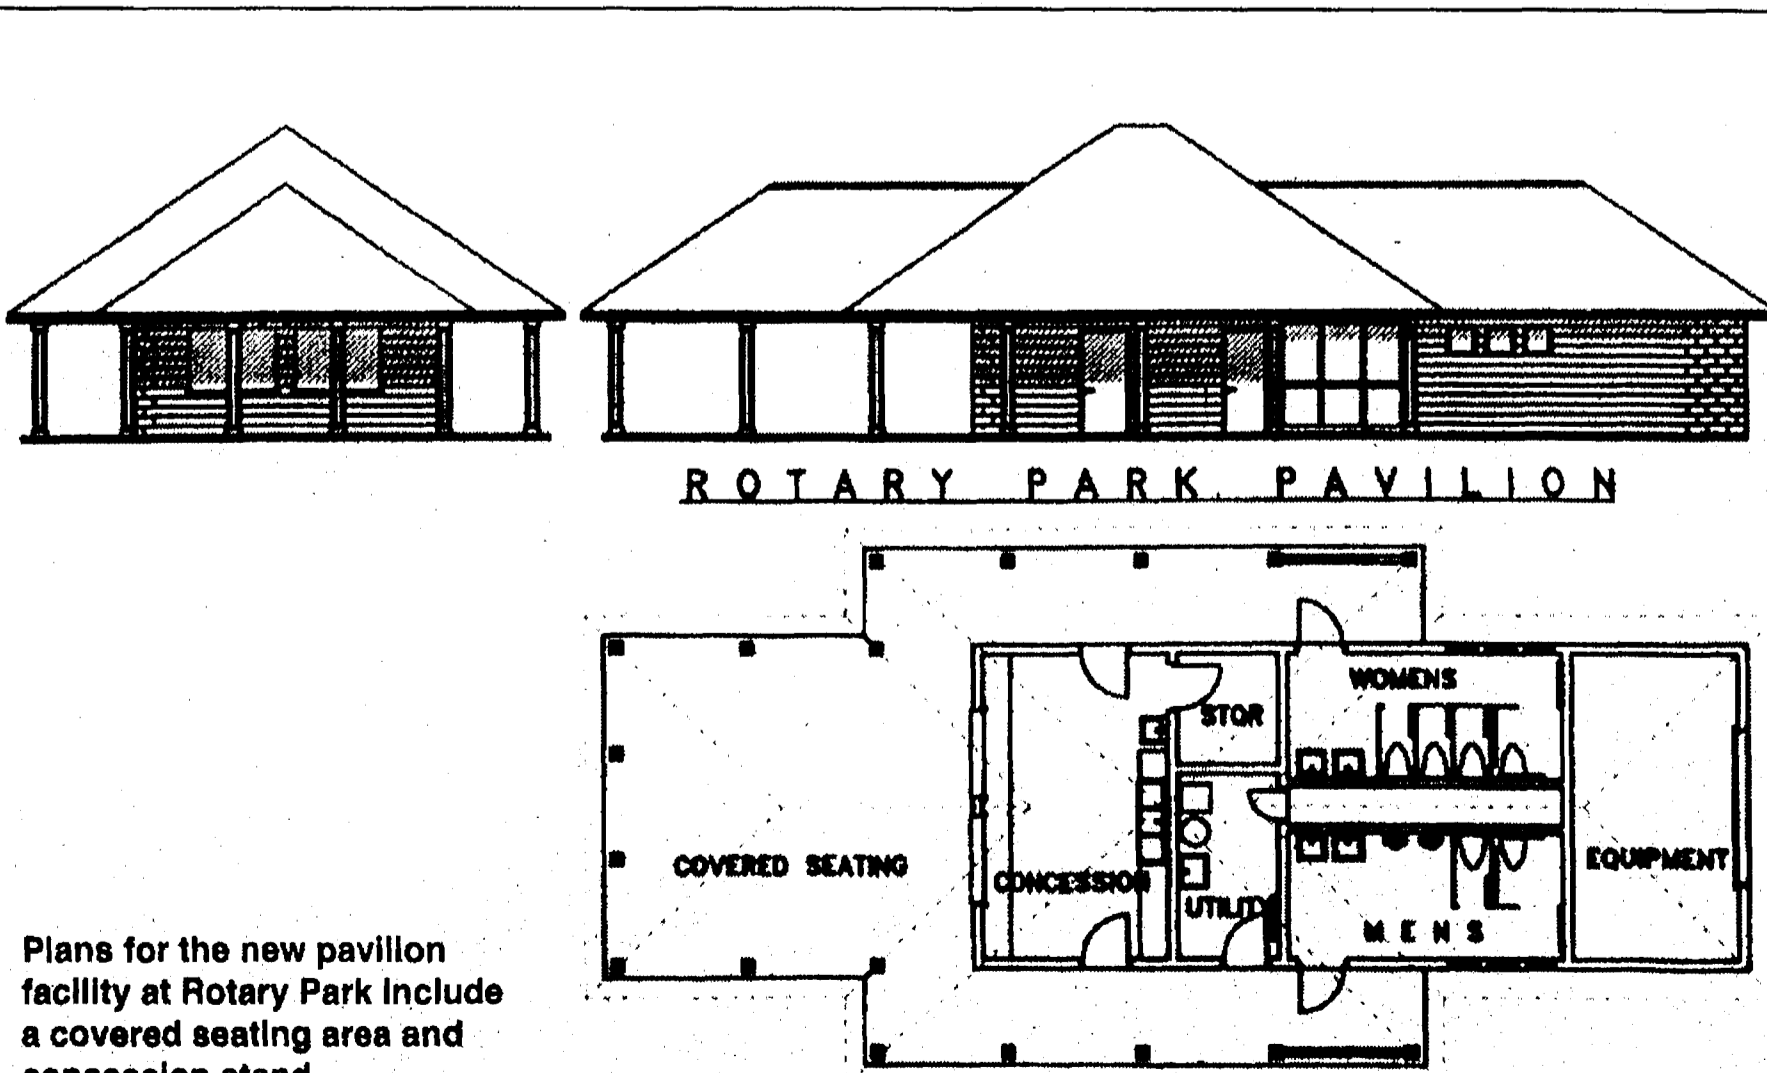

The Boyne City Rotary Club is moving forward with plans to mark Rotary International's 100th anniversary with a major service project, taking the form of a new pavilion building to serve the sports complex at Boyne City's Rotary Park.

The club, which has existed in Boyne City for 83 years, recently completed preliminary plans for the facility, which will include covered seating, a concession stand, restrooms, and equipment storage.

With a projected budget of \$110,000, according to organizers, there is ample opportunity for individual as well as corporate participation to make the facility a reality. Benefactors will be honored on a bronze plaque to be displayed prominently at the pavilion upon completion.

The project is expected to be completed in 2005.

For more information or to support the project, call Rotarian Jack Henricks at 582-7925 or Boyne City Public Works director Dennis Jason at 582-0339.

Plans for the new pavilion facility at Rotary Park include a covered seating area and concession stand.

Four teachers join Concord staff

Each school year, *The Citizen-Journal* publishes profiles of new teachers in area school districts. Recently, we featured new teaching staff at Boyne City and Boyne Falls Public Schools (no new teachers were added in the East Jordan School District). This week, we profile new teaching staff at Concord Academy Boyne.

CYNTHIA KAUTZ is teaching high school language arts at Concord Academy Boyne this year. She brings 15 years of teaching experience in Florida, including language arts, TV production, broadcast journalism, and drama.

Kautz holds a bachelor of arts degree from Indiana University and has completed media specialist coursework at the University of South Florida. She is married to Brian, and has three children, Amy, 23, Will, 17 and Matt, 15.

Asked what she is most looking forward to at Concord this year, she said, "working in a small class setting with an arts-based curriculum."

AMY PECK is a Boyne City native who has been hired to teach third grade at Concord this year. "I am really excited about teaching in my hometown," Peck said. "I was born and raised in Boyne City, and am a 1996 graduate of Boyne City High School."

Peck holds a bachelor of arts in English and language arts, with a minor in elementary education, from Grand Valley State University. She has spent time as a long-term substitute kindergarten teacher at Boyne City Elementary School, and has taught at Camp Read and at The Children's Learning Center. She is married to Travis Peck.

Peck is excited about her new role at Concord. "I love the support of such a wonderful staff and community," she said.

ADRIANNE SIDELL brings two years of experience as a special education teacher at Perry High School to her new position as high school science teacher at Concord Academy Boyne. "I'm looking forward to the students and staff at Concord Academy Boyne in that we share very similar goals and values in education," Sidell said prior to starting her new job.

Sidell holds a bachelor of science degree and a master of arts degree from Michigan State University. She is married to Doug Sidell.

BARBARA SHIMMONS is the new special education teacher for grades k-12 at Concord Academy Boyne. To her new position, she brings experience as a resource room teacher in the Jackson area as well as a year of teaching science and social studies for grades 3-6 in the Big Rapids area.

In addition to getting to know staff, Shimmons is enthusiastic about meeting her new students and their parents. "Teaching has been a wonderful adventure for me, where learning can be a positive experience for all of us," she said.

Shimmons holds a bachelor of arts degree from Michigan State University with a major in elementary education and minors in language arts and science. She has also completed 48 hours of a master's program for special education at Grand Valley State University, with certification in learning disabilities and emotional impairment.

She is married to Ramon Shimmons.

ANOTHER REASON TO EAT FIBER

Nutrition experts have long recommended diets high in fiber to reduce the risk of colorectal cancer and heart disease. A recent study now suggests that those who eat a fiber-rich diet are less likely to become insulin resistant, a factor in the onset of type 2 diabetes. Diabetes is the leading cause of heart disease, blindness, kidney failure and amputations and is considered an epidemic. Researchers say Americans need to maintain a healthy weight, eat more fruits, vegetables and whole grains and get regular exercise in order to reduce their risk.

Familiar face takes seat on school board

■ Jerry Kelts appointed to fill position vacated by Scott Hausler

Filling a vacancy created by the resignation of Boyne City School Board member Scott Hausler last month, former board member Jerry Kelts was appointed to fill the trustee seat until the regular June 2005 election, when Hausler's term was set to expire.

Hausler resigned in order to avoid a conflict of interest after taking on a coaching position in the district.

Kelts, a Boyne City na-

tive who returned to the area 11 years ago after a move out west, spent five years on the board prior to resigning in 2001.

His decision to return to the board came after he was contacted by some current board members, who encouraged him to apply for the spot left vacant by Hausler in August.

"I thought, well, I can help out," Kelts said. "I really enjoyed it when I was

on the board before."

One other candidate, Ross McLean, applied for consideration for the position. Both candidates were

Downstate man arrested in Walloon break-ins

A Dearborn man has been arrested in connection with break-ins at two Melrose Township businesses.

Matthew Wade Webster, 46, was arrested on Saturday, Sept. 18, on charges of safe breaking and two counts of breaking and entering of a building.

On Friday, Sept. 17, at 11:59 p.m., deputies responded to a report of the front door of the Walloon Village Store being smashed; at 8:20 a.m. on Saturday, Sept. 18, deputies investigated a breaking and entering and safe larceny

report at the Junction Inn Bar. At the bar, according to Sheriff George T. Lasater, the perpetrator had broken out a rear window then smashed several coin machines and the cash register, and stole a safe, which had been bolted down.

The break-in at the Village Store had been accomplished in a similar fashion, with the suspect having apparently thrown a large rock through the front door, breaking the safety glass.

At both locations, money, cigarettes and liquor were stolen.

According to Lasater, after responding to the Junction Inn break-in, deputies spent several hours processing the scene and following up on citizen information.

At approximately 2 p.m. on Saturday, deputies located Webster at a residence in Melrose Township,

where he was staying with relatives. Stolen items including liquor, cigarettes, money and the safe, which had been burned open with cutting torches, were recovered. Webster, who has a lengthy record including armed robbery, breaking and entering, and prison es-

cape, has also been charged as a habitual felon — fourth, which carries a life sentence.

Webster has appeared in front of a 90th District Court Magistrate and bond has been set at \$50,000 cash or surety. He remains lodged in the Charlevoix County Jail.

OPINION

BETWEEN THE LINES

Kids, rocks, and water: an irresistible combination

By ANGELA SHULTIS

What is it about kids and throwing rocks? I don't mean malicious rock-throwing, which, of course, is generally discouraged in my household. I mean the carefree, in a safe and open setting, scooping up a stone and just letting it fly.

I ask this because, as the mom of two elementary school aged children, I've found over the years that you can take your kids to the park, to the movies, to Disney World for that matter, and little else exceeds the giddy pleasure for youngsters than that of throwing rocks. If there's a body of water to throw them into, well, then, you've just reached the pinnacle of childhood bliss.

Case in point: recently on a trip away from my children for a couple of days, I phoned the kids, who were on a camping excursion with their grandparents. My son, age 7, couldn't get the words out fast enough. It took a few moments but eventually I was able to discern that the source of his great excitement was that he and his sister and cousins were throwing rocks into the lake.

Now, mind you, he's essentially grown up on lakes, both here on Lake Charlevoix and on the many family getaways we've taken, most of which revolve around camping or hiking on or near some form of water. On most all of those occasions that I can recall, at some point the activity has made its way to include standing at the water's edge, selecting just the right stones, and hurling them into said body of water. So this development, this singular incident of tossing rocks into the water, wouldn't be expected to elicit such sheer, unadulterated delight.

But, of course, it did. This from a child who tires of his Happy Meal Hot Wheel toy on the four minute ride home from lunch, only to abandon it for all eternity between the back seats of our Jeep Cherokee. Yet rock throwing for the 50 millionth time is a cause for celebration.

There are, I suppose, a multitude of ways to approach such an activity, including competing with yourself or others for distance and style, utilizing the largest or smallest rock, or multiple rocks, and various methods of the toss itself, including overhand, underhand, behind the back, etc. With endless variations, perhaps it's the versatility that keeps them going back for more.

Then there's mastering the intricacies of *skipping* rocks, taking things to a whole new level, which, in my experience, typically involves a scenario in which the adults present decide that this is the perfect way to prove their superiority over each other, with the kids serving as a cheering section, the focus of which depends on which grown-up they need something from the most at that given moment in time.

Interestingly, I've found that rock-throwing is, despite my best attempts to resist, a mindless activity that is somehow at the same time wholly irresistible. There's something strangely satisfying about selecting a rock and (making sure the coast is clear of course) hauling off and letting it sail over the water's surface, only to end its journey with a definitive "plunk" or noisy "splash." It's a chance to commune with nature (hopefully not doing too much damage) and your kids (again, doing as little damage as possible) on the most basic level, leaving your minds and mouths free to think and talk, and just be together. And all at the low, low cost of free.

And that brings me to my next point. Just because rocks are free doesn't mean you have to take all the extra ones home with you — if someone has a hint on how to explain this to my son, I'm open to suggestions.

BOOSTER UPDATE

BC Boosters will have cider and donuts at game

The Boyne City Schools Boosters will welcome fans with cider and donuts at Friday night's Homecoming football game. The new Savings Certificates, offering great deals at local establishments, will also be available. Make sure to stop by the Boosters table to say hello and get a cup of cider and donuts.

At the first official Boosters meeting of the new school year on Sept. 8, elections were held for officers and general board members.

Nominations were made and votes cast with the following results: Officers: Pat O'Brien, president; Jeff Gaither, vice president; Colleen Calo, treasurer; and Beth Anzell, secretary. General board of directors are Lynda Christensen, Todd Derenzy, Pete Friedrich, Helen Hautz, Mark Juday, Bill Noblett, Deb Noblett, Steve Persons, Jack Petroelje, Betty Shaver, and Billie Stanley. It was a great first meeting with two dozen people in attendance. We hope to see more and more members of our community at these meetings, providing input and sharing ideas.

The next Boosters meeting is Wednesday Oct. 6, at 7 p.m. in the high school media center. Everyone is encouraged and welcome to attend.

Main Street grateful for successful "Stroll the Streets"

TO THE EDITOR:

The Boyne City Main Street Program hosted the first year of Stroll the Streets every Friday evening this past summer. We had many wonderful comments about the event but what most people do not realize is the vast amount of hard work and support from volunteers. The entertainment was by volunteers, the coordination was by volunteers, and the night-of work (setting-up chairs, twisting free balloons for kids, putting away equipment) was by volunteers.

Special thanks go to Marilea Grom, Promotions Committee Chair, who was there in the thick of things every Friday evening from the 4th of July weekend to Labor Day weekend. Her team included Karen Guzniczak, Linn Williams and Kelly Larson, program manager for Boyne City Main Street. Drop-in volunteers were Patrick Rogers, Shirley Howie, Glenn Williams, Zack Shultz, Bethany Shultz, and Ray Guzniczak.

Business entities that helped out with power cords and outlets, allowed entertainers to set up in front, and supported Stroll the Streets in other ways include the Boyne City Chamber of Commerce, Fifth Third Bank, Bali & Beyond / Bali Living Designs, Boyne Country Provisions, Boyne Country Books, Red Mesa, Outside Edge, North Country Cycle Sport, Country Now & Then, Harbor House, and Sunburst Marine.

Thanks also go to the City of Boyne City for helping with closing the street and providing chairs and barriers.

TO THE EDITOR:

Some of the groups providing entertainment for free included the Boyne Area Gymnastics Club, the Boyne City High School Jazz Band, Boyne City Junior High Drama Club, Divine 13 from Brighton, Bruder Band from Onaway, Dr. Harmelin's Band from Boyne City, the band at Outside Edge, the band at North Country Cycle Sport, Amanda Taylor & Friends, Alpine Kitchen Band from Gaylord, Carol Book and Spinners, MSU Marching Band, Trailley Band, Brian VanDeCar, Victoria Westrick, John Warstler and Band, June Storm and Watercolor Show, Jenna Raber for face-painting, and Crazy Richard.

If you're interested in making things dance in Boyne

City during next summer's Stroll the Streets, please call me at 582-3206, or Kelly Larson, 582-9009. We welcome entertainers willing to perform for tips, volunteers to coordinate one or more evenings in the summer, and drop-in volunteers handy with chairs, signs, and balloons (on-the-job-training provided—learn to twist a dog, a crown, a butterfly, a bat, and a sword in one evening).

Many thanks yet again to Marilea, Karen, and Linn. Their dedication and determination to do as much as possible with few resources made Stroll the Streets' first summer unforgettable for all who participated.

Tailgate fund-raising dinner a success in Boyne City

TO THE EDITOR:

Boyne City girls basketball would like to thank everyone who supported our tailgate dinner on Sept. 3. It was great to see so many come out to support our program. Proceeds from the dinner will be used for the purchase of an automated shooting machine for the middle school programs. Your support and generosity are greatly appreciated.

Conservation class makes a difference during waterfront cleanup

TO THE EDITOR:

Thanks to the students in Donald Lockman's conservation class, our shoreline and beaches were cleaned of trash.

Their efforts were coordinated with the annual worldwide clean up of coastal waters. The Lake Michigan Fed-

eration collects the data and the results are tabulated and the information is shared with the Federation and the Ocean Conservancy.

I look forward to many of you volunteering next September!

"HEY EVERYBODY!" — Support Boyne City High School by attending the Homecoming Parade! were the very enthusiastic words of my caller. On Friday, Sept. 24, at 2:45 p.m., the parade begins on Brockway, near the high school, and proceeds down Water Street, making a left on Lake Street and ending on the corner of Lake and Main streets.

THE UNITED METHODIST Church Women (UMW) had a great turnout this past Monday as 52 people attended their delicious "Salad Supper," followed by a program of devotions, given by Flo Davis, and the entertaining musical selections of pastor Carl Litchfield, singing, and also Brad Winkler on the banjo, and Jim Pickrel on the guitar.

"UNTIL WE meet again" usually means in the distant future, but not so for Kimmo Kelela of Helsinki, Finland and Eve (Battiste) Wilke of Wisconsin, both former graduates of the Boyne City High School class of 1959, who just shared their 45th reunion at Garrett's this past August. Word has it that Kimmo and Eve and two of her sisters got together again, in Finland, just this past week! The "Battiste" girls were there, looking into ancestry details of their grandmother.

A REMINDER goes out about the

Friday, Sept. 24, Wheelchair Clinic from 10 a.m. - 2 p.m., at Boyne City's Litzenger Place, 829 S. Park St. Easter Seals and the area loan closet are, "Calling All Area Wheelchair Users" to participate in this free clean-up and repair of your wheelchairs. For more information please call Lynda at 582-9555 or Gen at 582-7138.

A DELICIOUS dinner, including salads, spaghetti, garlic toast, beverages and dessert, was most kindly served to and greatly appreciated by the residents of Litzenger Place on Wednesday night. Therefore, much thanks goes out to the Trinity Fellowship Youth Ministry and their leaders, the Andrew Hardys. Good to see you all again!

HEATHER MACNAUGHTON was honored at the Lighthouse Missionary Church Saturday afternoon with a bridal shower. Many friends and relatives were there to share in this special time and enjoyed lovely gift giving, refreshments, and many "words of wisdom" on a good marriage. Heather will become the bride of Shannon Gee on Nov. 6, 2004, in a ceremony there, in the Lighthouse Missionary Church. Parents of the newlyweds-to-be are Janet and Carl Massey, and Don MacNaughton and Bill and Lennie Gee, all of East Jordan. Her maid of honor and bridesmaids hosted the afternoon.

JIM AND MARILYN MARSHALL

of Niles, Mich. spent a few days here this past week at the Marshall Road home of his brother and sister in law, Bob and Alice Marshall. Enjoying our colorful beautiful September, the brothers golfed and the sisters-in-law do what most women do—lots of shopping.

SHIRLEY (CUNNINGHAM) Mathers was happily among one of the 22 former Charlevoix High School classmates attending their 55th reunion on Saturday, Sept. 11, at The Argonne Supper Club in Charlevoix. Shirley's sister and husband, Sandy and Ron Sniegowski of Ludington were also here visiting Shirley and husband Bob Mathers for a few days this past week.

CAROL BANFIELD, an area RNC plus, presented an educational program in partnership with Clear Health Communications to a large group of Litzenger Place residents in the community room on Thursday afternoon. Her topic, "Ask Me 3" along with an easy to see, read, and understand brochure—provided good questions to ask your doctor, nurse, or pharmacist. To better understand your health, ask: What is my main problem? What do I need to do? Why is it important for me to do this? Hanging on to every word of her talk, all attending enjoyed lots of discussion and refreshments.

Local church will present 'Heaven's Gates, Hell's Flames'

"Heaven's Gates, Hell's Flames" is coming to Walloon Lake Community Church Sept. 26, 27 and 28, featuring a cast of 50 from the church performing the high-impact drama.

This year, the production adds new sound and lighting effects to the presentation, which depicts "how today's choices affect an individual's place in eternity." Not for the faint of heart or the very young, the drama is geared primarily towards ages 8 and up. The church will provide child care for ages 7 and under.

Performance times are Sunday, Sept. 26, at 6 p.m.; Monday, Sept. 27, at 7 p.m.; and Tuesday, Sept. 28, at 7 p.m. Admission is free and the public is invited to attend.

The church is located at 04320 M-75 North, Walloon Lake. For more information, visit www.WalloonChurch.com or call (231) 535-2288.

Start your day in a healthy way

By Ernie Harwell

Read anything about nutrition and one main point you'll see over and over again is the importance of a healthy breakfast, especially for children. Now I have to admit that during my time in the Marines, I wasn't

big on breakfast. I hated to get in line for chow, so I'd get me a cup of coffee and a cigarette, and that was breakfast. Certainly not what you'd call nutritious.

I've learned, though, that a well-balanced breakfast is a way of starting the day right by giving our bodies and our minds the fuel they need. And breakfast doesn't have to be elaborate or expensive. Foods like oatmeal, some fruit and skim milk can provide a healthy start to the day without a lot of time and effort. A good breakfast will boost your metabolism. You'll find that you're more alert and energetic, and you won't need a sugary "pick-me-up" from a vending machine.

And remember, take care of your health before it's lonnnggg gone!

Ernie Harwell, "the voice of the Detroit Tigers" for more than four decades, retired after 55 years behind a major league microphone. Today, at age 86, Ernie's days are filled with serving as a health and fitness advocate for Blue Cross Blue Shield of Michigan and Blue Care Network, public appearances, writing, traveling and taking long walks with "Miss Lulu," his wife of more than 60 years. His latest book, a collection of his baseball columns entitled "Life After Baseball," is available at local bookstores or by calling 1-800-245-5082.

Man injured in accident on US 131

A Petoskey man was transported to Northern Michigan Hospital after suffering a head injury in an auto accident near Walloon Lake. On Wednesday, Sept. 15, officers responded to a three-car accident on US-131 at the intersection of Springvale Road. According to Charlevoix County Sheriff's Deputy David B. Hague, a 1994 Plymouth van driven by Andrew Westphal, 17, of Petoskey was southbound on US-131 when a 1991 Chevrolet pickup, driven by Donald Eric Morey, 52, also of Petoskey, pulled onto 131 from Springvale and struck the van. Morey's vehicle spun around in the roadway and struck the rear driver's side of another van driven by Alexander D'Angelo, 75, of Sudbury, Ontario.

When emergency personnel arrived, Hague said, it was determined that Morey had suffered a head injury. He was transported by Boyne City Ambulance to Northern Michigan Hospital, where he was treated and released.

No citations were issued at the time of the accident. The accident is still under investigation.

In addition to Charlevoix County Sheriff's Department and Boyne City Ambulance, Melrose Township Fire Department also assisted at the scene.

Public invited to human services information summit

The Human Services coordinating Body (HSCB) of Charlevoix and Emmet counties is hosting the 10th annual Human Services Information Summit from 8:30 a.m.-noon on Sept. 24, at the First Presbyterian Church of Harbor Springs. All are welcome.

"We've learned that these summits are an efficient way for both community members and professionals to learn about the many services offered by local health and human services providers," said Patricia Fralick, who represents the Northwest Michigan Community Health Agency, the health department that represents Antrim, Charlevoix, Emmet, and Osego counties on the HSCB.

Joanne Rackow will present the keynote address at the Information Summit. Rackow, a consumer relations specialist from the Michigan Department of Community Health, advocates for persons with disabilities and supports recovery

initiatives within the mental health community. Her talk will combine this work with her own personal mental health experiences.

Following the Keynote Address, 36 health and human service providers will share information about their services and programs in breakout sessions. Throughout the morning, a resource fair will take place with community groups and organizations hosting tables with information regarding their local services.

Also, members of the HSCB will present two awards at the Information Summit. The "Community Partner" award recognizes an individual who has excelled in providing outstanding service. The "Community Champion" award celebrates an organization that has enhanced quality of life by dedication and hard work.

For more information, call Fralick at Northwest Michigan Community Health Agency at 347-6014.

Dear Folks at the Michigan Spine and Pain:
I'll have to admit I was a bit skeptical about what I could expect from coming to the clinic. I have had back problems for some time and at my age, I felt there probably wasn't much that could be done. My family doctor referred me to a neurosurgeon who thought surgery might help, but that was only a 30% success rate, so that wasn't an option.
My first visit to the Clinic was encouraging by the way I was treated by the staff and the thorough evaluation of my case. I was scheduled to start my therapy with Amy and she was excellent. I think I expected to have some discomfort following the therapy but there wasn't any.
My back hasn't felt this good in years!!! Thank you all SO much.

Sincerely,
Gay Ayth

FAMILY REUNION

Braun-Lorentz

A reunion of the descendants of Anthony and Mary Braun Lorentz was held in Boyne City Sept. 10-12. Those in attendance were all descendants of this German and Canadian-born couple and represented, in many cases, the sixth generation of several early Charlevoix, Antrim, Emmet, Cheboygan, Otsego, Grand Traverse and Mackinaw county pioneer families.

The weekend began on Friday morning when the group met at the Boyne District Library for a day of family research and exchange, followed by a dinner gathering at Pippins Restaurant in Boyne City. Saturday's day-long gathering was held in the Whiting County Park log building.

Money was raised to fund future reunions and an impressive sum was also collected for a tombstone project, which has been pro-

posed by the group. Ticket sales were also used for a 50/50 drawing and door prize giveaways. The winner of the 50/50 drawing was Nancy Niver Peck. A family crossword puzzle contest was also held and won by Kim Tripp and Edie Guise Tripp.

Group and individual photographs were taken to commemorate the event, after a luncheon had been served Saturday afternoon.

A number of family heirlooms and informational items were also on display on both days of the reunion.

Saturday the group enjoyed an afternoon of mingling and meeting family members with an old-fashioned cookout later in the day. Awards were presented to the oldest attending relative (Lawrence Richey) and youngest attending relatives (Taylor and Madison Lorentz.) The award for

greatest distance traveled was divided among three families (Larry and Marie Knapp, Bob and Janet Knapp Emerson, Sharla Gregg and Betty Kelley), and for least distance traveled (Caroline McCleary). The newest great-grandmother award went to Agnes Tornblom, and a "picture perfect" award was presented to reunion photographer, Bob Emerson. Many additional awards and notes of recognition were also given, including a handmade quilt, signed by reunion attendees and presented to organizer, Patrick McCleary. Sunday morning the group gathered for breakfast at the Boyne River Brewery in Boyne City.

Those attending this year's event were: Margaret Kelley Brabant, Sault Ste. Marie; Leola Scott Carter, Charlevoix; Steven Detzler, Utica; Bob and

Janet Knapp Emerson, Renton, Wa.; Sharla Knapp Gregg, Quemado, N.M.; Mary Basler Hoffer, Kentwood, Mich.; Betty Kelley, Gallup, N.M.; Nancy Kelley, St. Louis, Mo.; Lawrence and Marie Schambron Knapp, Gleneden Beach, Oreg.; Dan and Erin Lorentz and children, Taylor and Madison, Six Lakes, Mich.; Irene Smolarz Lorentz, Gaylord; Caroline Lemons McCleary, Boyne City; Patrick McCleary, Alanson; Donald and Saipin Moses, Louise Lemons Moses, Carol Moses Rowell, Ron and Terri Moses Sluis, all of Spring Lake, Mich.; Ray Niver, Gladwin, Mich.; Nancy Niver Peck, Gladwin; Kay Doane Richey and Lawrence Richey, Traverse City; Jim and Eva Goldner Sneathen, Grand Rapids; Rex and Maxine Stark-Behling and

Margaret Howard Behling, Boyne City; Sue Hedden Seymour and Dave Hedden, Petoskey; Agnes Nelson Tornblom, Big Rapids.; Kim Carter Tripp, Matt Tripp and Thomas and Edie Guise Tripp, all of Rockford, Mich.

The next Lorentz Family Reunion is scheduled to be held on the weekend of Sept. 9-11, 2005.

Any descendants of the following early northern Michigan families are encouraged to contact the re-

union coordinator and are invited to attend: William and Mary Burns Fitzpatrick; Charles and Anna Burns Lucas; Edgar and Zoa Knapp Taylor; Ray and Sadie Knapp Niver; Ralph and Flossie Welch Nelson; John and Maude Knapp Noble; Albert and Eva Knapp Schluttenhoffer; Horace and Ruth Knapp Broyles; Vaullency and Barbara Knapp Mitchell; Allison and Georgie Meyer Knapp; Roy and Hazel Smith Knapp; Stephen and

Mary Lorentz Lemons; Roscoe and Hattie Cook Lorentz; Earl and Flossie Lorentz Willoughby; Guy and Reda Lorentz Scott; Margaret Kennedy and Guy Lorentz Sneathen; Wilbur and Maxine Lynch Nelson; Carl and Lorraine Lorentz Gerard; Clarence and Beatrice Lorentz Williams; Stanley and Clarice Lorentz Helmka; Cecil and Iris Lawson Murray; Lawrence and Helen Millhouse Richey; Lloyd and Florence Whitman Lorentz; Stanley

and Hazel Lorentz Wolfgang; Clifford and IdaMae Lorentz Roberts; Wilbur and Patricia Cline Lorentz; and William and Leda Lorentz Rentschler.

Anyone wishing to inquire on their connections to these families, contribute information for the family trees, histories or photograph albums, get on the reunion mailing list, or into the private family web site, contact Patrick McCleary at (231) 348-8255 or Patrick@northlink.net.

Red Devils shut-out Elks

The East Jordan varsity football team is back on the winning track following a 28-0 shutout victory at home over Elk Rapids on Friday.

Quarterback Tom Krause spearheaded the team's first Lake Michigan Conference win of the season, completing 11 of 21 passes for 180 yards, while also rushing for 137 yards in nine carries.

Receiver Andrew Streufert scored three of the four Red Devil touchdowns, hauling in three scoring strikes of 14, nine and 16 yards. In all Streufert had six catches for 46 yards. Adding to the Red Devil offensive attack were Kyle Peters (16 rushes, 78 yards), Chad Kramer (three receptions, 74 yards) and Mitch Bartlett (two receptions, 60 yards).

"For the first time all year we came out with a lot of intensity and a lot of emotion," said East Jordan coach Kris Ernst. "They bounced back well from the Charlevoix game."

Krause opened the scoring with a 74-yard touchdown run that gave the Red Devils a 6-0 lead with 1:29 remaining in the first quarter. The Red Devils made it a 14-0 margin as the first quarter ended when Krause connected with Streufert for a 14-yard completion to the end zone.

Krause ran in the two point conversion. A 45-yard pass from Krause to Kramer set up Streufert's second touchdown, a nine-yard catch, and Caleb Blatt kicked the extra point for a 21-0 lead. Krause and Streufert then

hooked up from 16 yards out with 5:51 left in the contest and Blatt kicked his second PAT to close out the scoring.

The defense also had a lot of standouts in the shutout effort with Nate Page and Kramer leading the way with seven tackles each. Chipping in with five takedowns apiece were Josh Cooper, Kyle Daneff, Chad Hoppe, Eric Patton and Nate Richter. Ryan Peterson contributed with a 21-yard interception return, while Bartlett picked up his fifth fumble recovery in four games. With a conference win under their belt the Red Devils (2-2 overall, 1-1 LMC) must travel to Boyne City this Friday to battle the always-tough Ramblers, who are also 1-1 in league play. "As usual everybody is chasing St. Francis, but we are making great strides," Ernst said. "We're excited for the rest of the season."

JV falls 32-22

In junior varsity action Elk Rapids defeated East Jordan by a 32-22 score on Thursday, Sep. 16. For East Jordan, David Marr ran for 202 yards on 27 carries, while scoring three touchdowns and two PAT's. Tom Pentecost chipped in with 132 yards total offense and Scott Hansen ran for 48 yards. Defensively Anthony Castle lead the Red Devils with 11 tackles, Paul Schnieder had nine tackles and Zack Scott and Hansen each had seven tackles.

Ramblers struggling on offense

While there are several lingering questions about the Boyne City Rambler football team this season, there is one certainty: there will be no lack of motivation when they take the field Friday evening.

It's homecoming, the opponent is East Jordan and the Ramblers, stung by a disappointing 18-12 loss to Charlevoix last Friday night, will be doing everything they can to end a two-game losing skid.

The big problem for the Ramblers has been their offense. For the second week in a row it struggled, although it did show signs of life in the fourth quarter against Charlevoix.

"We are just not executing very well," said Boyne City head coach David Hills. "We have to get that corrected if we want to win. We are not blocking as well as we should and we still have some technique breakdowns which are affecting our ability to block."

"We are starting a lot of young kids up front and they are getting better."

In a way, Friday's game against East Jordan will be a replay of what the Ramblers faced at Charlevoix - an aerial attack led by a talented quarterback.

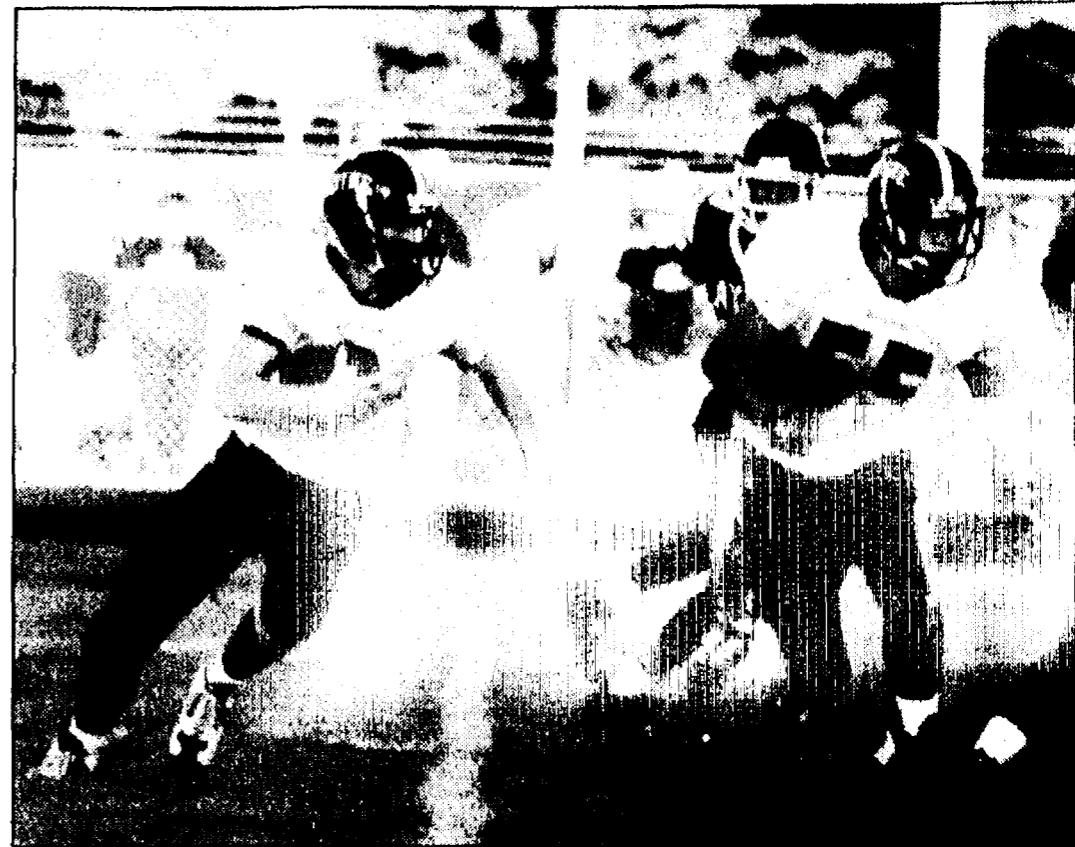

"(East Jordan quarterback) Tom Krause is one of the best athletes in the conference," Hills said. "He runs and throws the ball very well. We will try to contain him and keep him from getting the breakdown plays where he seems to really excel."

Even though the Boyne City offense struggled against Charlevoix, the Ramblers were in a position to win the game. The Ramblers were trailing Charlevoix 12-6 late in the fourth quarter when quarterback Grant Ameal connected with Jordan Sweet on a 35-yard scoring pass to tie the game with just over two minutes remaining. The Ramblers' joy was dampened, however, when the extra point sailed wide to keep the game tied at 12.

Now it was the defense's turn to take control. Throughout the evening Charlevoix found success through the air, but while it often bent, the Rambler defense did an admirable job of keeping the Rayders' talented quarterback and receivers under control.

Not this time, however. Charlevoix quarterback Cody Crain spotted Ben Bergman cutting across the middle and he threw a strike to Ben Bergmann who raced into the end zone for a 57-yard touchdown, with just over one minute remaining, to give Charlevoix the victory.

"Our defense played pretty well," Hills said. "We had a couple of breakdowns, but by and large they played well."

Number 55 Trevor Mapes blocks as Rambler Grant Ameal looks for an opening against Charlevoix Friday night.

The Rayders didn't waste any time putting the ball in the end zone as they scored on their opening drive. The Ramblers tied it up early in the second quarter when they took advantage of a fumble recovery inside the Rayders 10-yard line. William Brown scored from the six. Charlevoix regained the lead with two minutes remaining in the first half when Crain hit Bergmann with a 30-yard scoring strike. That's the way the scored stayed until the final minutes of the game.

Offensively for the Ramblers, Ameal was 8 of 20 passing for 129 yards, one touchdown and three interceptions. Tyler Krusel caught four passes for 46 yards. Sweet caught two passes for 48 yards and rushed eight times for 17 yards. Brown carried the ball 19 times for 54 yards.

Defensively, Trevor Mapes had eight tackles, three of them sacks. Caleb Helsley also had eight tackles and David Austin six.

The Ramblers are now 2-2 overall and 0-2 in the Lake Michigan Conference. Friday's kick-off is 7 p.m.

A wide field of participants was off and running at last week's Boyne Valley Invitational, hosted by Boyne City and held at Boyne Valley Lodge.

Local runners take to the woods for Boyne Valley Invitational

By PHIL TROMBLEY
Sports Writer

Three pairs of Harbor Springs runners dominated the field of co-ed teams representing 10 schools that took to the Boyne Valley course on Wednesday, Sept. 15, for the Boyne City Cross Country Invitational.

Harbor Springs came in at 1-2-3 to post a perfect score of six to win the event followed by Mancelona (35), Bellaire (46) and Inland Lakes (52). The competition features teams of one boy and one girl who alternately run two laps each on the one and one half mile circuit for a single six mile total time.

"We've run this race for a lot of years. It's a lot of fun - the runners have fun and the coaches have fun," said Boyne City coach Andy Place.

The Harbor Springs team of Cassie Niersel and Josh Hofbauer placed first overall with their time of 36 minutes and 17 seconds. Three local teams finished in the top 15 to earn medals as Andrew Crumbaugh and Chelsey Poindexter (41:30) of East Jordan placed 8th, Dustin Hill and Alicia Oliver (44:41) of East Jordan placed 12th and A.J. Hawkins and Terra Wasylewski (45:39) of Boyne Falls placed 13th. Nathan Wasylewski and Carissa Reynolds (48:02) of Boyne Falls placed 16th.

In addition to the relay race, an open race was run with medals going to the top ten runners.

Top local finishers in the boys open race were Adam Raphael (BF, 2nd, 18:26), Shawn Kilmer (BF, 8th, 20:00), Bruce King (EJ, 9th, 20:02), Josh Pung (EJ, 10th, 20:08), Mac Brennan (EJ, 12th, 20:28), Matt Mathew (BF, 14th, 21:24), Paul Brusse (EJ, 21st, 21:56), Chris Duff (EJ, 23rd, 22:09), Darryl Kowalske (BF, 30th, 22:56), Aaron Harbaugh (BC, 31st, 23:02), Kevin Knight (BF, 33rd, 23:42), Bill Kurtz (BC, 40th, 25:45), Trevor Matelski (BF, 42nd, 29:03) and Nick Zell (EJ, 44th, 25:05).

Boyne Falls coach Dan Kuhn complimented his runners saying, "They did a great job. It was the first big race for us to see how we stack up against some competition and they did a pretty good job."

East Jordan coach James Conlan also praised the efforts of the Red Devil runners noting that "Chelsey Poindexter and Andrew Crumbaugh, and Alicia Oliver and Dustin Hill had outstanding races on a tough hilly course. Bruce King, Josh Pung and Mac Brennan also had great races for our boys team finishing near the front of the pack."

Top finishers in the girls open race were Carly Steiber (BC, 1st, 21:57), Amy Anderson (BC, 2nd, 22:56) and Lindsey Mansfield (BC, 3rd, 23:35). In the one-lap middle school race, Boyne City's Cristina Roland finished 9th with her time of 13:18, while teammate Jesse Place placed 18th with a time of 11:33.

ON SATURDAY, Boyne City runner Carly Steiber made a trip to the Nike Holly Invitational and she came home with a

10th place medal for her time of 21:16 in the girls Division IV race. Jackie Rivard of Ubyly posted the top time in the 116 runner field with a clocking of 19:28.

In all more than 2,000 runners from over 50 schools competed in 19 different races that began 20 minutes apart on a single course.

"To be in the top ten in an event like this - It was quite a weekend for her," said coach Place.

BC takes three-way golf match

By PHIL TROMBLEY
Sports Writer

The Boyne City varsity golf team came out on top at the three-team match held at the Mallard Golf Club on Thursday, Sept. 16.

The Ramblers captured the match with a team score of 178, followed by Mancelona (187) and East Jordan (193).

Drew Mittig led the Ramblers with a round of 41 followed by Ryan Hennessy (43), Collin Babb (46) and Josh Awon (48). Chris Munk (48) and Matt Vandecar (53) filled out the score card for Boyne City.

East Jordan's Kaleb Brown was the overall medalist with his round of 39. Other East Jordan scores included Ryan Gettle (48), Jamesen Both (50), Nick Sweet (56) and Neil Brewer (57).

St. Francis Takes Lake Michigan Match

Four Traverse City St. Francis golfers turned in sub-50 rounds to power the Gladiators to victory at the Lake Michigan Conference match held at the Charlevoix Country Club on Wednesday, Sept. 15.

St. Francis's Chris Dendrinis was the overall medalist with a round of 44, while fellow Gladiators Mike Dendrinis (45), Ben Asam (46) and Bobby Barnes (48) all broke the 50 mark.

St. Francis posted a 183 winning score, followed by Charlevoix (193), Elk Rapids (211), Boyne City (212), Kalkaska (225) and East Jordan (254). The Boyne City scores included Jacob Fair (49), Tyler Price (53), Nick Schroeder (54), Nick Ferce (56), Isaac Krey (61) and Bill Whitley (68).

Scoring for East Jordan were Sweet (60), Brewer (61), Gettel (63), Sean Brennen (70) and Christine Vincent (74).

Boyne City JV 198, East Jordan JV 256

The Boyne City JV squad downed East Jordan 198-256 at the Mallard on Thursday, Sept. 16. Scores for Boyne City were Ferce (47), Fair (48), Krey (49), Price (54), Schroeder (56) and Whitley (62). Shooting for East Jordan were Brennen (60), Ben Archer (62), Vincent (66) and Sarah Lorne (68).

Ramblers split week

A 25 percent shooting performance from the field along with a 60 percent showing at the free throw line hurt the Boyne City varsity basketball team on Thursday, Sep. 16, when Suttons Bay captured a 51-41 non conference victory at home.

"In the first half we weren't patient enough to find the best shot available," said Rambler coach Maurie Tomkins. "We were a little better in the second half getting the ball inside to Holly Stanek and the girls cut the lead to six, but we could not get all the way back."

Suttons Bay doubled up on Boyne City in the opening period taking a 16-8 advantage and then added 14 more points in the second quarter to make it a 30-17 game at the half.

The Lady Ramblers out scored the Lady Norsemen 24-21 in the second half, but they were unable to pull out the victory in the end.

Stanek led the team with a double-double that included 12 points and ten rebounds, while Melanie Higgins and Whitney Spaay added eight points each. Spaay chipped in with seven boards and Higgins also had four boards and three steals.

Boyne City 43, Grayling 38

The Lady Ramblers were down by eight points in the third period on Tuesday, Sep. 14, but the team rallied to earn a 43-38 conference win on the road over Grayling.

"The girls turned up the defensive pressure to take the lead with around three minutes to play. Melanie

Higgins and Whitney Spaay made some clutch free throws in the last minute to seal the victory," said Tomkins.

The Ramblers took a 12-11 lead after one quarter and held a 22-20 margin at the intermission, but the Lady Vikings entered the fourth quarter with a 31-28 advantage.

Boyne City out pointed Grayling 15-7 in the final stanza to pull out the win in the end.

Spaay led the Boyne City stats with 14 points, seven rebounds and four steals, while Stanek added six points and eight boards. Amanda Westrick had five points, seven rebounds and three steals, Kathleen Adkison chipped in with seven rebounds and Emily McLane had six rebounds.

Loggers take first conference loss

with six points, nine boards, six steals and three assists.

Mackinaw City used a balanced scoring attack that put together four double digit quarters to deal the Boyne Falls varsity basketball team its first Northern Lakes Conference defeat 57-44 on Thursday, Sept. 16.

The Lady Loggers trailed by a 16-8 score after one quarter of play and cut the margin to just 30-27 at the intermission, but Mackinaw City outscored Boyne Falls 27-17 after the break to earn the 13 point win at home.

Virginia Alexander led the winners with 12 points and Laura Martin added nine points, while Katie Smydia and Erin Sullivan had eight points each.

The Lady Loggers were led by Ashley Mauchmar with 12 points, four rebounds, four steals and two assists. Kelli Grubaugh had 11 points, six rebounds and three steals; Katie Kondrat had eight points, 17 rebounds and three steals and Tiffany Burke chipped in

Pickford 95, Boyne Falls 62
Four Pickford players scored in double figures on Tuesday, Sept. 14, to power Pickford to a high-scoring 95-62 nonconference win over Boyne Falls on Tuesday, Sept. 14.

Pickford held leads of 23-12, 51-32 and 74-48 at the end of the first three quarters before out pointing the Lady Loggers 21-14 in the fourth to take the win.

For the Lady Loggers three players scored in double figures with Kondrat (19 points, six rebounds, four steals), Clarissa Sevenski (15 points, six rebounds, one steal) and Annie Pernicano (14 points, three rebounds, one assist, one steal) leading the way. Grubaugh contributed with nine points, seven rebounds, one assist and one steal.

Boyne Falls will be at home against Vanderbilt tomorrow and travel to Jo-burg next Tuesday.

Two wins for EJ soccer

East Jordan tallied a non-conference win last week, defeating Northwest Academy at home, 8-1.

Red Devil Brandon LaCount scored twice, including the opening goal, and made two assists. Jeff Keyser also contributed two points, and made two assists. Eric Hansen, Jim Gee, Alan Timme, and Md. Arifur Rahman each scored once.

Mike Meads, starting in goal, held Northwest scoreless in the first half, then moved to midfield for the second half, where he assisted on Timme's goal. Peter Sladick made the assist on Jim Gee's goal.

"The East Jordan players gave the crowd a lot to cheer for in this game and worked hard to possess the ball," said East Jordan

head coach Peter Elliott, expressing thanks to the crowd that came out to support the team.

EARLIER IN the week, East Jordan topped Boyne City, scoring one goal in the first half and another four in the second.

LaCount scored three goals and made two assists, while Keyser scored the other two goals and had two assists. Gee also made an assist. Elliott cited Peter Sladick with a good game at fullback. Goalkeeper Meads picked up the shutout, making 16 saves.

The Red Devils were scheduled to host Harbor Springs on Monday, then travel to Charlevoix on Wednesday, Sept. 23. Game time is 5 p.m.

Tough week for Rambler soccer

It was a week of tough losses for the Boyne City Rambler soccer team, scoreless in their first two games of the week and tallying one lone goal in the last.

On Saturday, Boyne City controlled the ball much of the game against Chippewa Hills, with a solid defense, but, according to Boyne City head coach Nick Baic, it was a four-minute "defensive lapse" that allowed their opponent to score three successive goals.

Tightening up, the Ramblers didn't allow a shot for the rest of the half. Eli Barys scored for Boyne with 10 minutes left in the half, on a nice cross from Wil Rock.

Unfortunately, that was the end for Boyne's scoring. Chippewa Hills added one more late goal to win the game 4-1.

Boyne City had 12 shots on goal for the game, to Chippewa Hill's 18. The game was sponsored by attorney Tom Schraw of Boyne City.

Earlier in the week, Boyne City took a shutout loss to Bellaire, 8-0.

"Bellaire is the best passing team we have faced all year," Baic said. "We scored their first two goals for them on attempted clears. We got to the ball first but the mis-hits put us behind in the first minute of the game."

Boyne City managed only two shots on goal in the match-up. The game was sponsored by Lake Street Veterinary Clinic of Boyne City.

The loss to Bellaire came on the heels of an early-week loss to East Jordan, 5-0. "Both teams played hard, although the

play was quite sloppy at times," Baic said. Ryan Clubine had seven saves in goal for Boyne City.

The game was the first for newcomer JP Fiedorek, who played in Charlevoix as a freshman and sophomore.

"His experience is a big help to the team," Baic

said. "It will take a few games for his aggressive style of play to mesh with the other players."

Next, the Ramblers travel to Northwest Academy in Charlevoix on Wednesday, Sept. 22, followed on Thursday, Sept. 23, with a home game against Grayling.

service has been brought back up to full staff, with 32 volunteers, 13 of which are paramedics, after a lengthy period with less-than-ideal volunteer numbers. "We have been able to bring back into the community three individuals who live in Boyne City who are paramedics," said Lamont, who came on board as ambulance director earlier this year. "We're actually doing well in staffing, being able to meet the demands and meet the needs of the community."

It's been a swift wrap-up in the last few months to a process that's gone on, by most accounts, longer than it probably should have. "It's been a 3-5 year timeframe," said Cain, who's served as city manager since December of

2002.

As for the reasons behind the stalled progress, Cain said, "My gut feeling is we didn't have the management expertise or level of staffing necessary to move this process along. In the last year we've made great strides with this. We had [interim ambulance director] Barb Kerridge moving progress forward, and John [Lamont] has done an excellent job bringing the loose ends together."

"We've always had a very good ambulance department, but it's taken us awhile to get to that next step."

Advanced Life Support status achieved, the service is still, according to Lamont, looking to the future and ways to continually

improve the services it provides. "Our goal at the moment is to make sure that, as a public safety component, we're integrated with other departments in meeting community needs," he said. Public education and outreach, too, will be a major focus for the department in the months and years to come. "Part of an EMS service is that the community knows what they need to do," Lamont said, "community education, CPR, the steps they should take to help have a positive outcome in a call."

It's also about assuring folks that their service, when needed, is just a phone call away.

"We'll be here everyday," Lamont said. "People don't have to worry."

CITY OF BOYNE CITY COUNTY OF CHARLEVOIX ENACTMENT OF AMENDED BOYNE CITY ZONING ORDINANCE (A-80) ARTICLE XXIV - PARKING, LOADING, AND ACCESS MANAGEMENT REQUIREMENTS

At a regular meeting of the City Commissioners of the City of Boyne City, County of Charlevoix, Michigan held on September 14, 2004, at 7:00 p.m., an amendment to City of Boyne City Ordinance A-80, Zoning Ordinance, was enacted. The following is a synopsis of that amended ordinance:

- THE CITY OF BOYNE CITY HEREBY ORDAINS:**
- Section 1. Purpose. The purpose of this ordinance is to amend the Parking, Loading, and Access Management Standards to require a hard surface driveway in Residential Districts.
 - Section 2. Amendment of Section 24.80 Parking in Residential Districts. Subsection A is hereby amended and shall read in full as: For any Development in the Residential Districts, the parking surface on the property and access driveways shall be covered with Pavement or Hard Surface material (plant-mixed bituminous material, concrete, and brick or masonry pavers). The portion of the driveway within the Right-of-Way shall meet the then current City specifications.
 - Section 3. Conflicting Standards. If any of the standards set forth in this amendment conflict with any other standards of previous or future ordinances or amendments, the stricter standards shall apply.
 - Section 4. Repeal; Savings Clause. All ordinances, resolutions, or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, repealed.
 - Section 5. Severability. The various parts, sections and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.
 - Section 6. Effective Date. This Ordinance shall become effective fifteen (15) days from its enactment. First Reading: July 13, 2004 Second reading: Sept. 14, 2004 Enacted: Sept. 14, 2004 Effective: Sept. 29, 2004
- A true copy of the ordinance can be inspected or obtained at the City Clerk's office at Boyne City Hall, 319 North Lake Street, Boyne City, Michigan, during normal business hours.
