Over the Back Fence

By Marshall

Hey, you deer-stalking peoples, Chris Taylor is launching his 8th annual deer hunting contest in which some lucky guys will wind up with some pretty nice coats. Before you can put your name on contest line, however, you must have purchased your deer license at his clothing store. In addition to that, George, you must have your buck weighed in at the Food Locker. Rules! Rules! Rules! But what the heck. You didn't expect to cop something for nothing, did you?

We're running an ad in this issue which says in plain language that you'd better get out and vote November 4th. Some people say, "What the heck, my one vote doesn't do any good." Keep running off like that and we'll soon be like Russia where nobody's vote does any good.

One of these days ye old city will be all spanning new when our honorable and genial mayor presses the magic button that will send current into our new street-lighting system for the first glow. Fellow on the street said that when we get the new lights we won't be able to tell when the sun goes down.

One of these days our merchants ought to roll up our sleeves and organize a merchants' group designed and dedicated to attracting more customers into our fair city. Let's toss petty odd shaped personalities and age-old memories into the ash can and start from the beginning and work forward. If takes an atom bomb to get us together on a clean - cut cooperative basis, then let's dispatch a runner to the war department and get the loan of one of them these missils.

A pessimistic fellow said the other day that winter was setting in and before long it would really be dead around these parts. Shucks, 'tain't so, Bud. All we got to do is blow our collective horns with enough vigor and other winter-sleepy cities will force open a reluctant eye and gasp: "What the heck is wrong with East Jordan? Don't they know things are supposed to be dead around here this time of year?"

Fifteen hundred receivers of the E. J. News have not as yet purchased a sub from the lady at the desk. Watch out there, kids, we're keeping our subscription eye upon you.

We see more dog-gone interesting things going on around Rainbow flats. Last was a fellow walking down Main street leading a goat. That's one thing about Mr. and Mrs. yours truly. We don't have any goat for anybody to git.

We latched on to a couple of live wires up at the high school to turn an odds and ends column for the News. Their first effort appears in this issue.

We'll never forget our first issue. At press time we didn't have enough news to wad a shotgun. But now that we have had opportunity to snoop around a bit the news is pouring in rapidly. It would take a double barreled gun now and there'd be some left over for an ought three.

CONGRATULATIONS!
Mr. and Mrs. Bernard Brennan 401 Main Street will hold open house for all their friends 7:30 Saturday evening, November 1st when they celebrate their 25th wedding anniversary.

Mr. and Mrs. Brennan were married October 31, 1927 and have lived in East Jordan ever since. They have seven children, 1 girl and 6 boys. Mr. Brennan is employed at Benson's Hi-Speed service station.

ANNOUNCEMENT!
The Full Gospel Truth Church is holding revival meetings starting Sunday, November 2nd. The meetings will be held every night at 8 p.m. Everyone is welcome to attend.

Terry Murphy Dies In Accident

East Jordan Entertains John B. Martin (Auditor General)

A number of East Jordan merchants lunched at Anchorage restaurant and heard State Auditor General John B. Martin, Jr. of Grand Rapids speak in behalf of Presidential Candidate General Eisenhower and Republican Candidate for Governor, Fred Alger. Stopping in East Jordan on his campaign for re-election, Martin's tour of the city was arranged by Howard P. Porter and Guy Conkle, Jr.

In the above photo (top) Howard Porter, left and Guy Conkle, right hear Martin put across a point for General Eisenhower.

Seated from right to left around the table: Robert A. Campbell, executive vice president, State Bank of East Jordan; Marvin Benson, of Benson Hi-Speed service; Lyle Johnston, of United Teachers Agency; Keith Annear, principal, East Jordan High School; B. G. Braman, auditor, East Jordan Cannery; Obert Burull, manager, Campbell Insurance agency; Percy Penfold, manager, Jordan Valley Cooperative Creamery; Al Thorsen, Thorsen Lumber Company; Mr. Porter, Mr. Martin; and Guy Conkle, chairman, Charlevoix County Republican Committee. Red Devils Meet Gaylord After Battling Mancelona, 6 to 6

The East Jordan Red Devils face one of northern Michigan's strongest teams Friday night after the local squad played a close 6 to 6 tie with Mancelona on the latter's field.

Except for the two scores at Mancelona nearly the entire game was played between the 30-yard lines. Mancelona broke through in the first period and scored on a 25-yard pass by Quarterback Johnny Holstad to End Andy Patrick in the end zone. The extra point failed.

The Red Devils came back fast, working the ball back to the 15 yard line with Bob Danforth making long gains along with Gordon Danforth and Sam Milstein. Time ran out before East Jordan could score.

In the third period the Red Devils kicked off, holding Mancelona until they had to kick. Heading for pay dirt via long gains by Danforth, East Jordan drew one of their many penalties for holding. East Jordan kicked to the 12 and Mancelona returned the kick at the end of the third quarter.

East Jordan's lone score came at the beginning of the final period. The locals took the kick on the 28 and Left End James Weisler spun around and on the first play gaining 15 yards. Keith Evans shot a perfect lateral to Sam Milstein who raked up the tally. Danforth missed the extra point by inches.

Final figures showed the Red Devils had made far more yardage than Mancelona during the game and local fans pointed to the amount of yardage lost thru penalties when the opposing team failed to draw even one penalty. Coach Gayle Saxton said the Red Devils played one of their best games of the season.

Bank Seniors To Present Annual Home Talent

Ellsworth — You have a date next week! Remember? It's the Senior Class Play "The Ghost Chaser" to be given Wednesday and Thursday evenings, Nov. 5 and 6 in Ellsworth Community hall at 8 p.m.

As the name implies, the play promises a spooky evening full of mystery interspersed with plenty of fun. Slim McGee (who is he?) provides the thread of mystery that keeps the Maggie Saunders, (Mary Lou DeVries) posing as a maid constantly frightened with moans and groans; and the others on edge to solve the mystery: Wilson (Ted Spoelman) pretending to be a butler who is not anxious to be found out; Estelle Colfax (Joan Edson) owner of the estate anxious to clear up the case; Beverly Wright (Sue Kaley) close friend who thinks the detective Samuel Higgenbottom (Jim Smith) is quite a guy; her brother, Jimmie Wright (Henry Klooster) who kinda likes the estate owner but not the mystery.

We're not telling anymore! You come over, you'll need a relaxing evening of fun after the election!

LEGION... Auxiliary News

The Community Service Room in the basement of the City Building, which is maintained by the American Legion Auxiliary Unit 227, will be open every Wednesday and Friday afternoon 1:00 till 4:30 starting next week. The room has been closed, only opened on request, since early in the summer. There is a great need for children and baby clothes, so if you have anything your child has out grown but is still serviceable please bring it to the room or get in touch with Marie Woodcock, Sewing Chairman, who is in charge of the room, or Peggy Thomas, Community Service, and she will arrange to have them called for. All clothes should be cleaned and repaired if possible.

Civil Defense Chairman for the Auxiliary, Edna Wilkins, has plans for every member of the Auxiliary to be registered as to what each one can be called on to do in case of an emergency. This program has not been set up yet but you will be hearing about it later, and when the time does come be sure and register whether you attend meetings or not. This is a very important part of the civil defense program.

Some of the girls were busy last week washing and stretching curtains for the Grandvue Hospital, and in spite of pricked fingers it was pleasant working in the nice fall sunshine. The girls also enjoyed the hot coffee and chit chat while the curtains (Continued from page 5)

City Chest Drive Set To Open Here

If it were not for the East Jordan Community Chest, you would be solicited many times during the year by very important drives, President Mrs. John Porter said with the 1952-53 opening drive a week away.

"The American Heart Association drive nationally," Mrs. Porter said, "takes place in February. Your share for that is in our budget as well as many other important agencies; such as research for rheumatism, arthritis, creeping paralysis, etc."

Mrs. Porter went on to say that "you are asked to make a pledge for the entire year in order to support the many health, welfare and recreation activities included in our budget, a large part of which will be spent in East Jordan. We would like the first payment in cash if it is convenient."

The kick-off breakfast for the coming Chest Drive will be held 9 a.m. next Thursday and the house to house drive will start immediately afterward.

Mrs. Ted Malpass is in charge of the breakfast and is soliciting food for it instead of the pot luck method used last year.

The men working with the drive will hold a dinner November 5th and lay plans for soliciting the local business district.

Mrs. John Porter, East Jordan Community Chest Dear Mrs. Porter:

I have your kind letter of the 30th of October and note what you say.

With regard to our participation in the Chest campaign, we always like to participate in a Chest Drive wherever it is possible, however, in making an analysis of the amount that you have suggested \$50.00, this would be less than 3c per capita for your city. The formula that we have attempted to use is 20c per capita, which as you see would amount to \$340.00.

With this in mind we would like to thank you for the invitation to participate, but believe it would be well to put on our own success in your Chest Drive, I am Sincerely yours, Clyde Cox, S/Major Divisional Secretary Salvation Army

Gary Gee Suffers Back Injuries; Others Hurt

East Jordan residents this week joined Mr. and Mrs. Raymond (Jim) Murphy in the mourning of their 15-year old son, Terry, who died Saturday night as the result of injuries received in an automobile accident on M-28 west of Central Lake.

Funeral services for Terry were held Wednesday at Watson's Funeral home. Burial was at Sunset cemetery.

Driver Hits Tree, Lands In Jail

The Charlevoix County sheriff's department released William Antoine 21, of East Jordan, from the county jail Monday after he had paid a \$75 fine and \$9.96 costs for driving under the influence of an intoxicating beverage.

Antoine was picked up by Chief Harry Simmons after his automobile crashed into a tree near the Ranney school in South Arm township. Brought before Justice Murphy the following day, Antoine was transferred to the county jail until the fine was paid.

Judge Murphy Sets Court For Today

Justice Chas. Murphy set today as a temporary date for a justice court trail following a bond-fire complaint against Carl Vinton, of the Vinton Construction firm doing road work on the Deer Lake road. The complaint was signed by Ed Hartnell, of the Conservation department, for "kindling or caused to be kindled a fire dangerously near a forest and left unquenched." Vinton pleaded not guilty.

Another East Jordan youth, Gary Gee, 14, son of Mr. and Mrs. Earl Gee was hospitalized at Charlevoix as the result of the accident. The automobile driven by Terry, went out of control on a curve and struck another driven by Vernold Carpenter, of Central Lake, sending both Mr. and Mrs. Carpenter to Charlevoix hospital.

The Charlevoix hospital reported Tuesday night that Gary was in "fair" condition. He is reported to be suffering with back injuries.

Mr. and Mrs. Carpenter suffered shoulder and knee injuries. They were not in serious condition.

In addition to Terry's parents, survivors include a brother, Maurice, who has been employed at the East Jordan Post Office, a Purple Heart veteran of the Korean War.

Both students at East Jordan high school, Gary and Terry were cousins. Terry was a substitute player on the Red Devil football squad. He played reserve basketball last year.

Thank You

The staff and patients at Grandvue hospital have asked the East Jordan News to extend their thanks and appreciation to the ladies of the East Jordan American Legion Auxiliary for bringing their community service program to the hospital. "We want them to know," they said, "that their work and kind deeds here at the hospital are deeply appreciated."

Cole Named President Of Fair At Annual Board Meeting Here

William Cole, of Boyne City, was elected president of the Charlevoix County Agricultural Society, at the East Jordan city hall when 17 members of the board of directors met Thursday night for their annual session.

Former president Claude Pearsall, of East Jordan, was named first vice-president; and Dan Bennett, of East Jordan, second vice-president.

Charlevoix County Agricultural Agent Ed Rehman, of Boyne City, was returned to the office of secretary-treasurer for another year. The board authorized the secretary to borrow \$1,000 to meet the deficit of the 1952 county fair. The money will be returned when the board receives funds from the county.

The board passed a motion to hold the 1953 fair the week following the Traverse City fair.

The board instructed the secretary to contact both the World of Pleasure Shows and the Lee Shows in regards to playing the Charlevoix County Fair next year. The board will select one show at a later date.

A proper fair date was discussed at length by the board members. Many were in favor of holding the fair earlier, but former president Claude Pearsall said too many fairs are held earlier

and it is difficult to get shows to play the fair before labor day. However, it was felt by some that the people go to fairs at Petoskey and Traverse City and are "all done out" when Charlevoix County holds its fair.

In discussing the fair's 1952 loss, Howard Stephens, of Charlevoix, said that if the fence near the grand stand had been boarded up, those who saw the night show free would have had to pay. He said that about 300 people saw the show free each night; and if they had paid to sit in the grand stand the fair would have had no deficit in 1952.

New Mail Time!

A change in time of mail leaving East Jordan was announced today by Postmaster Thoma St. Charles. The regular 2:30 p.m. mail service leaving the city has been changed to 2:00 p.m., one half hour earlier. Mail for the 2:00-dispatch now must reach the postoffice by 1:30 p.m., St. Charles said.

Editorial

A northern Michigan chamber of commerce functioning under one head and operation for the benefit of all north country cities was suggested to your editor by the manager of a firm which services this section of the state. "Individually," he said, "the cities cannot raise enough money to do an adequate job of advertising their own home town. However, if all the cities were to put money into a common fund for advertising northern Michigan, each city would receive greater results from the amount they spend."

Under one chamber, it was suggested, each community could then operate its own business men's association to promote activities not usually handled by a chamber. The suggestion, although not new, is one to think about. Naturally, each community would have to get their fair share of advertising; and that is where local chambers might rightly raise a point of issue. However, if each community were to contribute the same amount of money to the parent chamber, then there should be no question about each getting its fair share of publicity.

Down state newspaper, television and radio advertising might be sponsored by a group of cities up here for far less money to the individual city.

Nothing is impossible within reason. The suggestion should challenge our imagination. Any plan that would draw more attention to our area for the same amount of money, or less, than we have been spending, would be welcomed.

If not this idea, then perhaps something else could be worked out. The thought is, to make a definite step in one direction for more north state advertising, individually or collectively.—Marshall Sayles, Editor.

Michigan Bell Asks That Hunters Avoid Hitting Phone Wires

The Michigan Bell Telephone Company is again asking hunters to take cognizance of its overhead wires and cables.

With the 1952 bird season, now underway Michigan again sounds the warning note that serious disruptions in telephone communication can result from carelessness with gunfire, and

especially deliberate pot-shots at telephone wire insulators, can cut off communication on which a life may depend, or can seriously disrupt vital calls which number high in the normal amount of traffic our wires and cables carry," a company spokesman said.

Hunters are also reminded that it is against the law to willfully damage telephone facilities by gunfire, an offense which carries a felony charge if the damage exceeds \$50.

LETTER BOX

Marshall Sayles, Editor
East Jordan News
Dear Marshall:

It has been a lot of years since we have had any correspondence. When I learned that you had started the East Jordan News I was pleased to know that you were back in that section of Michigan.

I sincerely hope that the new venture proves successful.

With kindest regards and best wishes, we remain,
Cordially yours,
Aurey Strophaul,
Publicity Director,
West Michigan Tourist & Resort Association,
Grand Rapids, Michigan

Death Takes Milan Chapin

Milan A. Chapin, 84, of Lansing, passed away with a heart attack Sunday noon, October 26th at his summer home at Eveline Orchards. Before retiring Mr. Chapin was secretary of the Capitol Savings and Loan Association. They have been summer residents at Eveline Orchards for forty years.

Surviving are his widow and one daughter, Margaret. Funeral services were held in Lansing on Tuesday, October 28th.

Call Farm News to LE-6-7118

HERE AND THERE AROUND RAINBOW CITY

The Wednesday Evening Circle of the Presbyterian Ladies Aid will meet with Mrs. Winifred Parks, November 5th at 8 p. m. Mrs. Bowden Ogden and Mrs. Clare Brown will be assistant hostesses.

Miss Mary Green was released from the Little Traverse Hospital in Petoskey Tuesday where she had been a patient suffering with a broken wrist. She was taken to the home of her sister at Central Lake.

The Jassamine Rebekah Lodge will meet in their hall Wednesday evening, November 5th at 8 p. m. They will hold first-nomination of officers. Members are urged to attend.

Miss Janet Flora was the guest of honor at a miscellaneous shower Friday evening at the home of Mrs. Donald Bowers, assisted by Luanne Fales. Appropriate games were played, after which Miss Flora opened her many gifts. Refreshments were served.

Mrs. James Kortanek was released Sunday from the Little Traverse Hospital at Petoskey where she was a patient for four weeks. Mr. and Mrs. Kortanek have gone to Mesick where he is employed.

A potluck surprise birthday dinner was held at the home of Mr. and Mrs. Darius Shaw Sunday. The guest of honor was Mrs. Shaw. Mr. and Mrs. Ray Olson and daughter Wava Rae, Mrs. Alberta Nowland, Mr. and Mrs. John Laisure, Mr. and Mrs. Milton Meredith, Mr. and Mrs. Merritt Shaw, Mrs. Viola Shaw were present. Mrs. Shaw received gifts from the group.

Miss Jean Trojanek and friend, Marie Hasenfratz of Bay City and Robert Trojanek of East Lansing were week end guests at the home of their parents, Mr. and Mrs. Albert Trojanek.

Janet Flora left for Lansing Sunday. She will be married in Lansing on November 1st to Richard Premo.

Mr. and Mrs. Anthony Burney of Detroit were week end guests of their sister, Mrs. Ann LaVallley.

Al Freeman is a patient at the Charlevoix Hospital being treated for a broken hip received from a fall.

Mr. and Mrs. Richard Saxton and Mr. and Mrs. James Webber of Little Rock, Arkansas were guests last week of their parents Mr. and Mrs. Harry Saxton.

Jeanne Olstrom of M4. Pleasant was a week end guest of her parents, Mr. and Mrs. Elmer Olstrom.

Mr. and Mrs. Marvin Benson attended the Michigan-Minnesota football game at Ann Arbor Saturday.

Mrs. George Ramsey of Cadillac was a guest of Mr. and Mrs. Harry Simmons over the week end.

William Sloan of Ludington was in town over the week end calling on old friends.

Week end guests of Mr. and Mrs. Al Frieberg were Mr. and Mrs. Harold Waldo and Mrs. Martha Overholt of Detroit.

Mr. and Mrs. George Gregory of Flint spent the week end with their father, Roy Gregory.

John Miles and daughter, Mrs. Russell Somes, of Flint were guests last week of Mr. Miles' sister, Mrs. Elva Barrie.

Mr. Claude Hart of Lansing spent the week end with his wife

at their home here.

Mr. and Mrs. Darwin Penfold and children of Atwood were Sunday evening guests of their parents, Mr. and Mrs. Percy Penfold.

Mrs. Perry Snooks and children of Flint spent the week end with their mother, Mrs. Walter Hunsberger and brother and sister-in-law, Mr. and Mrs. Guy Hunsberger.

Mr. and Mrs. Arthur Laird, Mr. and Mrs. Lambert and their three sons of Traverse City were Sunday guests of Mr. and Mrs. Charles Dennis, Sr.

Mrs. Charles Scales and baby, Charles, returned to Berkley Sunday after spending the past week with her parents, Mr. and Mrs. Percy Penfold.

Mr. Detwilder, a bookkeeper at the Jordan Valley Creamery, spent the week end with his wife at Lansing.

Nancy Kidder of Highland Park spent the week end with her grand parents.

Mrs. Grace Dail and son, Max Mills of Farmington and Mr. and Mrs. Cecil Mills and two children, Teddy and Richard, of Pontiac were week end guests of Mr. and Mrs. Albert Blossie.

Mr. and Mrs. Vernon LaFountain and son are visiting their parents, Mr. and Mrs. Ernest Sommerville. Mr. LaFountain was recently discharged from the army.

Mr. and Mrs. Albert Blossie returned Thursday after visiting relatives at Walled Lake, Detroit and Farmington for a week. Their daughter Margaret of Midland met them there and spent the week end with them.

Mrs. Frank Neumann is recovering from her recent serious illness.

Mr. and Mrs. K. Braman of Angola, Indiana and Mr. and Mrs. Leonard Roost of Reading, Michigan were week end guests of their brother and sister-in-law, Mr. and Mrs. Burl Braman.

Mr. and Mrs. Kenneth Gagnan and children have returned to Phoenix, Arizona after visiting relatives here for several months.

Mr. and Mrs. Albert Blossie are making plans to leave in the near future for Melbourne, Florida, to spend the winter months.

Mrs. Hazel Lane of Roseville and son, Mr. and Mrs. James Fuller and two children of Detroit spent the week end with Mrs. Lane's sister and brother-in-law, Mr. and Mrs. David Godfrey.

Mr. and Mrs. Jack Sommerville and daughter Lois Jane of Saginaw were week end guests of relatives here and at Harbor Springs.

Mrs. Cora Palmatier has returned to the home of her daughter and son-in-law, Mr. and Mrs. Ernest Koppau. She had spent two weeks in Petoskey with relatives.

Mr. and Mrs. Loren Bow of Detroit spent the week end at their cottage on Lake Charlevoix. They closed it for the winter months.

Miss Betty Strehl and a friend of Detroit were week end guests at the home of her parents, Mr. and Mrs. Charles Strehl.

We will continue to give tickets for prizes until November 7th. Many prizes of groceries, lamps, blanket, pressure cooker, 5 electric clocks, tumblers, etc. etc. to be given away on Saturday, November 8th. It pays to trade at the Thrift Super Market. 4-5-6c

Charlevoix to Get Dial Phones In December

East Jordan telephone users will soon be dialing "Liberty" to place a call to Charlevoix, C. L. Johnson, manager for the Michigan Bell Telephone Company said in East Jordan this week.

"Barring a setback," Johnson said, "Charlevoix's new dial telephone system will be ready to be placed in service in December.

Built at a cost of \$337,000, the new system will allow users at Charlevoix to dial directly through to all telephone users in East Jordan, Boyne City and Petoskey without charge.

At the time the new system is cut into service, all Charlevoix telephone numbers will be changed. The new numbers will carry the prefix "Liberty," followed by a five digit number.

The new numbering plan is part of Michigan Bell's ultimate program which will eventually permit customers to dial their own long-distance calls to points all over the country.

A new directory listing the new numbers for all Charlevoix users will be issued prior to the change over to dial operation. All East Jordan, Boyne City and Petoskey customers will receive a special directory reflecting the new Charlevoix numbers, Johnson said.

JORDAN VALLEY TALK

'Bout Hunting & Fishing

By Doris

When night fell on the opening day of pheasant season several local hunters had their limit—Chris Taylor, Carl Skop, Jay Hite and Pete Hammond were among them. Taylor said the large birds seemed to loom like box cars in the fields in comparison to our elusive partridge.

Al Doherty and Ed Nemecek, hunting rabbits along the Jordan River during the past week, did alright too. They bagged four of the furry creatures in a short time and said their dogs had several more "running."

Pete Hammond, on a weeks vacation of hunting, got something for "the pot" all right. He bagged his limit on both ducks and partridges in one day. Pete also reports seeing a school of brook trout on their way to spawn. "There were maybe fifty trout in the bunch" said Pete. "Some of them would weigh four pounds." In spite of what some

of we more unlucky anglers think, Pete's observations are proof there are still some large brooks in our Jordan Valley streams.

Smelt are still hungry at Boyne City says Andy Anderson. He recommends late evening fishing when you can see smelt in swarms of thousands. Boyne's city dock light make the sight possible.

It was at the Duck Inn (where Andy ducks out whenever he can to go fishin') that we learned a helpful hint on how to cut tough nylon leader, when you have no knife handy, IF and PROVIDING you're a smoker: just touch a lighted cigarette to the spot you want cut and the leader is neatly severed.

Here's a Suggestion:
Don't hesitate to support our local Sportsman's Club. You need their help—and they need yours!

New Director Is Named For Child Guidance Clinic

Benny F. Zimmerman has been named director of the Child Guidance Clinic in Petoskey to succeed John Sibillo who left the clinic last July. F. I. McDowell, chairman of the Clinic board has announced.

He is presently serving as psychologist at the Kalamazoo Child Guidance Clinic and will come here from southern Michigan Nov. 1.

Robert Gillispie, who has served as acting director since July 1, will continue as psychiatric social worker for the clinic.

Mr. Zimmerman attended Michigan State College and received his B. A. and M. A. degrees in clinical psychology from the University of Michigan. He is a veteran of 4 1/2 years army service, is married and has two sons.

JORDAN RIVER

Sportsmen's Club News

Another week of the small game season has gone and the hunters still take a beating nearly as bad as the game. The tragic part of it is so many of those involved are in their teens. A Conservation field man giving some statistics at Boyne City recently said, "In more than 40% of hunting accidents teen agers are involved." Not that it is any worse for a teen ager to be involved than older guy but it's a lot easier for them to be taught the right way to hunt than it is to teach us old bucks the proper way. Brothers, it's a good thing the game can't shoot back at us.

We are trying to get films to show the right and wrong way to hunt and how to take precautions to prevent starting forest fires to be shown at the meeting of the American Legion Hall November 6th at 8:00 p.m. However we will have some films anyway.

Probably most of you know that good catches of smelt have

been made nights for the past two weeks at Boyne City and some have been caught off the East Jordan dock.

The Conservation Department is planning to ask the State Legislature to raise all hunting and fishing license fees. It seems, in order to carry out their planned program, they will go into the red more than one and one half million dollars. If you don't like it, talk to some of these birds who are running for the State Legislature.

Read a clipping on the Sportsmen's board in the post office lobby showing the fox bounty for the past four years amounts to \$426,970.00

Write and ask the Conservation Department how many millions they have spent on State Parks in the past four years for the benefit of the tourist, most of whom are just sight seeing. Ask them for a comparison of the amount of money spent by the "sight seers" and that of a hunter or fisherman in the same period of time. Don't think though, that the park money comes from license money. But neither does it come from the tourists.

Am starting to stick out my neck so I better quit before some one notices it.

See you next week.
Manclona not only put on a

swell Homecoming program last Friday night, but also played a good game of football and, I understand, had a "swell" dance afterward. But I do think they should bake a cake and send it to East Jordan, for after all we furnished 40% of the customers and let them tie us in the football game.

Life of Uranium
Electrical scientists report that uranium, key element in the development of atomic energy, led a dull life a decade ago in such odds and ends jobs as coloring of glass and china. They point out that it was discarded as a useless by-product of radium in World War I.

Lack of potash hurts soybean yields and makes soybean mature late.

Loretta Freeman Weds Wayne Flora Saturday

Loretta Mae Freeman, daughter of Mr. and Mrs. Alvin Freeman, became the bride of Wayne R. Flora, son of Mr. and Mrs. Harry Flora at eight o'clock Saturday evening, October 25th, in the Methodist Church with Rev. Robert Moore officiating at the double ring service. Guests were

members of the immediate family and close friends. Fred Stecker played the traditional wedding music and accompanied Mrs. Alta Drapeau who sang, "Oh Promise Me" and "I Love You Truly." Escorted to the altar by her brother, the bride wore a white satin gown with the bedice of

lace over satin with long sleeves and a full skirt which extended into a train. Her veil of pleated net was of finger tip length held in place by a sweetheart halo. She carried a bouquet of white carnations and white roses. Myrtle Blaha, a friend of the bride, assisted the bride as maid of honor. She wore a blue taffeta gown and carried a bouquet of white carnations and yellow roses.

Jerry McKenney attended the groom as best man. Richard Freeman served as usher. Mrs. Flora wore a dark blue dress. Her corsage was of white carnations and red roses.

A reception followed the ceremony at the home of the groom's parents. The bride's parents were unable to attend the ceremony because of illness.

East Jordan Business Notes

Information received this week indicates that two outside businessmen are checking the city in view of establishing two new places of business here.

West Side Service has purchased a new spark plug cleaner and tester with all the necessary attachments for cleaning and testing spark plugs.

Vogel's Standard Service has installed a new Barrett Drum-Dokter for brake drum reconditioning work. They also have new equipment for cementing the lining on shoes without use of rivets. It's a new process now used by most new car companies.

A new Stewart Warner electronic wheel balancer is in use at Bader's Standard Service. The new equipment takes the "hump" out of tires.

Miss Simmons Weds

Miss Patricia Ann Simmons, daughter of Mr. and Mrs. Harry Simmons exchanged wedding vows with Robert Stanek, son of Mr. and Mrs. George Stanek, in a double ring service by Rev. Jerome Szylowski at 2:30 Saturday afternoon.

The bride was attired in a navy blue gabardine suit and accessories. She wore a corsage of white roses.

Mr. and Mrs. Ed Ciszewski, sister and brother-in-law of the groom, attended the couple.

In the evening a reception was held at the home of the bride's parents. Mrs. Robert Strehl, sister of the bride, served the wedding cake. Miss Ethel Crowell and Mrs. George Ramsey, aunt of the bride, presided at the silver service.

The couple left on a wedding trip to the southern part of Michigan.

Previous to her marriage, the bride was a guest of honor at a miscellaneous shower given by Mrs. Eileen Brennan assisted by Miss Ethel Crowell.

Rainbow School Review

We've heard that old saying "all brown and no brains," but the first fifteen members of the football squad have a B average. This means a 3.25 average out of a possible 4. Pretty good, hey?

LPI Stinker, the Skunk, the Senior Mascot, is now recuperating in the dry cleaners after a rough magazine campaign.

The Sadie Hawkins dance is going to be held on Friday Nov. 14. There will be a preacher there to "marry the couples." Also a "Marry'n Sam" race for a husband. All couples married here will receive a marriage license. We will have a start on the kick-a-poo-joy juice. Everyone, who comes is asked to bring something to add to this delicious drink, such as an old shoe, a rotten apple, etc. The admission is 2c for every inch around the boys waist. Remember the girl pays! There will be a prize for the best outfit, and a fine for anyone not in costume. Everyone is cordially invited to attend. It will start at 8 o'clock.

The Juniors have set the date for the Penny Fair as Friday Nov. 21. Put this date on your calendar, and plan to come. It promises to be a bigger and better one than ever before.

The Tenth Grade has now started plans for a scrap drive. It will be in full swing soon, so if anyone has any old iron laying around, just call LE 6-7176 and they will gladly pick it up.

The Class Officers, Student Council, and their advisors had a party last Thursday, October 21, at 7:30 in the high school gym. They played games and had refreshments of chili and ice cream.

The Student Council has now started a project which will provide for the painting of the goal posts at the football field.

The Senior magazine sale drew to a close Monday. Our quota of \$500 was reached, with the boys' team, headed by Tom Dressell getting about \$275, and the girls team, headed by Judy Malpass, getting about \$225. This means the girls give the boys a party. More fun!

This business of a class having a cupcake sale each week at noon is turning out rather well. It brings in about \$12.00 a sale, and everyone likes it.

There are 18 Seniors out of a class of 35 on the Honor Roll, and 21 eighth graders out of a class of 75. What is this, anyway. Our school is going brainy!

The pep meeting of this last week was cancelled because the student attitude toward pep meetings was just a means of getting out of class. There wasn't enough cooperation or enthusiasm in cheering. Let's make this next one a good one. Show the football squad that the whole student body is solidly behind them as they draw to a close an almost perfect season.

The 7th grade class party Oct. 23, was a big success. The party began at 6:00 with the girls teaching the boys how to dance. At 8:00 a potluck supper was held.

in the lunchroom. Then everyone went back to the gym for a game of volley ball. When the game was over, the rest of the evening was spent dancing. A contest was held to see which couple could polka best. Two boys won!

The Freshman class is sponsoring an amateur program Tuesday, Nov. 11, in the high school auditorium. Prices are 35c and 25c. Come and spend an enjoyable evening.

Monday for his physical and will enter the service on November 4th.

Mr. and Mrs. Lyle Peters and boys and Mrs. Leah Peters visited Mr. and Mrs. R. Hewitt at Five Lake Sunday. Mrs. Hewitt was formerly Myrtle Persons Looze.

South Arm

Farm Bureau

The October meeting of the South Arm Farm Bureau was held at the home of Mr. and Mrs. Walter Fowler. There were fourteen members and one guest present.

Mrs. George Klooster gave her report from the County Women's Meeting at Mrs. McGhan's in September and the one with Mrs. Schoals in October. At those meetings the resolutions of former years were checked for duplication. Plans were also made for a trip to the State Convention at M. S. C. on November 12th. It was hoped that there would be a bus load from Charlevoix and Antrim Counties. Mrs. Klooster invited the women of the South Arm group to meet with the County Women's Group at her home November 14th.

Mr. Warren Frank reported on the District Meeting at Gaylord. The purpose of the meeting was to work up enthusiasm for the membership drive for 1953. He stated that all membership dues for 1953 must be in by December 10th.

The resignation of Mrs. Ivan Cooman as Secretary was accepted and Mrs. Walter Fowler was elected in her place. Mrs. G. M. Ingalls was chosen as representative to the County Board of Directors. Mrs. Floyd-French moved that our recently elected officers continue in office until January, 1954. Motion was carried.

Because of Mr. Fowler's absence, Chairman George Klooster led the discussion of the evening. The emphasis was on getting as many people out to vote at the November election as possible. They are to be urged to vote "No" on Proposal 2 and "Yes" on Proposal 3.

Auxiliary News . . .

(Continued from Page 1)
were drying. Several hours have already been spent on this work for the hospital and there is still plenty to do. If anyone would like to help on this program let Peggy Thomas know and she will find some job for you. Our unit is working hard to pick up the hours on Community Service in hopes of winning the Department Award this year. We have come very close to it in past years, but your chairman needs lots of help if we are to succeed. So roll up your sleeves girls and lets show what the East Jordan Unit can do. We do not have the opportunity to serve in a Veterans Hospital as many of the units in the Department do, but we are building up credit for service. We are helping to make our community a better place in which to live.

Don't forget the Legion and Auxiliary Halloween Party and Box Social—Sat. Nov. 1, at the Legion Club. Come and bring a guest. Proceeds from the boxes to go to the Christmas Fund.

Vote Nov. 4

OR FOR 4 YEARS HOLD YOUR PEACE

In plain language:

Vote up or shut up...

Honestly, don't you agree that anyone who doesn't vote shouldn't open up his lips too much about how the country will be run during the next four years?

Big day coming! Election Day! November 4.

Miss it and you've missed the freest show on earth: the people of the United States voting how they want freedom to operate for another quartette of years.

Brother and sister, doesn't it run the thrills and chills up and down your spine to figure you're one of the folks who can dictate, just by private crosses on paper, whom you want to represent you?

Get set for November 4—and make your mark.
"See you at the polls!"

FARM GOSSIP COLUMN

(Compiled and Edited by the News Staff)

MEETING FOR THEIR ANNUAL election of officers at the East Jordan city hall Thursday night, directors of the Charlevoix County Agricultural Society voted 13 to 4 against holding a county fair on Sunday, Charlie Murphy, East Jordan's justice of the peace, and a member of the board for many years, said, "If you run a fair on Sunday, you can count me out."

Out of the seventeen board members present, the secretary had to receive five nominations before a member was found who agreed to act as president if he were elected.

WANT TO BUY SOME WOOD? The conservation department has placed on sale 1,500 cords of pulpwood and 315,000 board feet of hardwood sawlogs in standing timber in three state forests. Sealed bids are being accepted in the Iron Mountain forestry division office for 240 acres of cuttings in the Sturgeon-river state forest. Bids will be opened November 7. Auctions will be held at Manistique for timber rights on 80 acres of Manistique river state forest November 13 and at Newberry for cutting rights on 120 acres of Lake Superior state forest.

THE MICHIGAN ELEVATOR exchange is saying Michigan's white pea bean crop may turn out to be larger than the 3,000,000 bags expected. The bigger crop will be the result of the safe harvest of late beans which are yielding very heavily in many cases.

ABERDEEN ANGUS BEEF cattle breeders in Michigan registered a record 1,602 purebred calves in the American Herd book this year. That's a gain of 141 head over last year.

INTERESTED IN FURS? The conservation department has reported sale of five lots of confiscated furs through sealed bids to be opened November 7 at Gaylord. Separate bids must be made for each type of pelt desired, and each lot of furs shall go to the bidder offering the highest unit price for the entire lot. Bidders may inspect the furs at the central repair shop in Gaylord, November 5-7. Furs for sale include: 746 muskrat pelts, 44 beaver, 10 mink, 3 raccoon and 5 otter.

WHO EVENTUALLY will become the largest users of electricity in the United States? The American Farmer, General Electric Company farm experts make the claim. They predict that by 1970 agriculture will use 70 billion kilowatt-hours of electric power, nearly five times as much as the industry consumed in 1951.

It was claimed that by 1975 each farmer will have to produce enough food to supply 25 of his urban neighbors. In 1900 the combined output of three farmers was needed to feed one person in the city. Last year, each farmer fed 15 people living in town.

DRY YOUR OLD COWS up early, and break your heifers into the milking herd gently, before calving time for the best dairy herd results, MSC farm experts say.

Michigan farmers generally feed the same ration to dry cows that milking cows receive. If the roughage is at least 50 per cent legumes, no high protein supplement is necessary, they say. High protein feed supplement like soy bean oil meal is necessary with grass roughage.

Broiler Raisers Urged to Watch For Air-soc Disease

Charlevoix county broiler raisers should keep their eyes open for air-soc disease, a new poultry menace that is moving into the Midwest from the East, warns Ed Rebman, county agricultural agent.

Losses in the East were so heavy among broiler growers that five state agricultural experiment stations in the East have joined with the U. S. Department of Agriculture to conduct research. Rebman understands that work is being concentrated now where losses were heaviest.

So far there has not been any

With Your COUNTY FARM AGENT

By Ed Rebman

Northern Michigan farmers will have a chance next week to see and take part in the reorganized Northern Michigan Potato, Apple and Seed Show. The event will be Tuesday, November 4 through Friday November 7, at the 4-H Clubhouse, Emmet County Fairgrounds, Petoskey.

Seed cleaning will be demonstrated Wednesday, November 5, for the seed cleaning trade and Thursday, November 6, for farmers. Equipment is being set up by the Michigan State College agricultural engineering department under direction of Robert L. Maddex.

Tablestock growers—and other interested persons—can see grading of 1,000-pound lots of field run potatoes produced by certified seed growers, invites Henry C. Moore, MSC specialist in charge of seed potato certifying. The potatoes, sealed in bags at harvest by county agricultural agents, will be graded for type, injuries and blemishes. Then they will be sorted by size and packaged for use. Those from 1 1/4 to 2 1/4 inches will be selected for seed sales and the bigger ones headed to table use, according to Moore. There is a big demand for small seed potatoes, he notes, while the housewife will pay more for the big seed-stock potatoes than for other U. S. No. 1 grade.

Varieties to be covered in demonstrations include those most marketable and best adapted to Lower Peninsula growth, according to Moore. These include Russet Rural, Sebago, Katahdin, Pontiac, Chippewa and Irish Cobbler and the new ones like Kennebec, Ontario, Cherokee and Sequoia. Chipping, boiling, frying and baking qualities will be tested.

The show will close Friday noon with a banquet and Friday afternoon with an auction of entries. The banquet speaker will be President Charles Anspaach of Central Michigan College at Mt. Pleasant.

Home gardeners and farmers who want better gardens next spring can act on it now. Take soil samples—and have them tested this fall. That will give them time to obtain valuable advice and order fertilizer, or lime, as needed in plenty of time.

Amounts of phosphorus, potassium and acidity in soil affect the vegetables grown on the plot notes Rebman. Only a soil test will give the correct answers on what to do.

Advice on soil test procedure is passed along by the county agent from Robert E. Lucas, in charge of soil testing at Michigan State College.

Dig seven-inch-deep holes in about eight locations in the garden, advises Lucas and remove a thin slice of soil from one side of each hole. Dry the soil at room temperatures, he continues. Then crush the soil and mix it thor-

Achievement Is A Real Word With 4-H's

About 60,000 of the happiest, busiest young people in Michigan are pausing November 8 to take a look at their past year's achievements. They are the 4-H Club members of the state who have wound up an estimated 95,000 projects and are well into winter activities.

Reaching 100,000 farm families annually, the Michigan Cooperative Extension Service sponsors the 4-H Club program. More than 11,000 adults and older boys and girls acted as volunteer leaders for almost 5,000 local clubs throughout the state.

Michigan ranked highest in number of completed projects in the Midwest last year. Michigan 4-H's completed more than 89 percent of their projects.

The Achievement Day observance will include programs emphasizing the 4-H operations. Under the theme "Serving as loyal citizens through 4-H," the boys and girls in this area will spotlight their projects. Projects range from simple needlework to building houses, from turning out a cherry pie to fattening up a champion steer.

In recent years a new interest in talent has been displayed among the members. They participate in talent shows in their counties and later take part in state competition at the annual State 4-H Club Show on the Michigan State College campus, East Lansing.

Scholarships, expense-paid trips to national meetings and prizes are earned by members who take part in state-wide competition. Many commercial firms provide awards for the youngsters who excel in their project work.

A dairy cow is the most efficient food-producer on any farm.

oughly. From the mixture, take about a pint of soil for the sample. Pack the soil in a paper sack and then in a box or can, suggests Lucas. Finally, label it with your name and address and mark "Vegetable Garden."

Samples should be taken to my office at Boyne City.

Charlevoix county broiler raisers should keep their eyes open for air-soc disease, a new poultry menace that is moving into the Midwest from the East.

Losses in the East were so heavy among broiler growers that five state agricultural experiment stations in the East have joined with the U. S. Department of Agriculture to conduct research. Work is being concentrated now where losses were heaviest.

So far there has not been any serious trouble in Michigan, advises Henrik J. Stafseth, head of the Michigan State College bacteriology department. First an Eastern problem in 1950, air-soc disease may rival Newcastle disease, a big threat about five

years ago.

Good general sanitary practices are recommended by Stafseth against the disease, about which little is known so far. Strict flock isolation, keeping visitors out and separating hens and pullets all help. Symptoms are watery eyes, nasal discharge and gasping. Losses come from deaths but more from reduced gains in weight and poor carcasses, broiler raisers report.

Broiler men must be careful in their marketing to prevent

spread of the disease by crates, trucks and workers.

Less Cows, More Gain
Fourteen dairy cows averaging 500 pounds of butterfat during 1951 would have given a Michigan farmer the same return over feed costs as 55 cows producing an average of 200 pounds of butterfat. Records pay off, stresses Lawrence A. Johnson, Michigan State College dairy specialist in charge of Dairy Herd Improvement work.

To The People Of Charlevoix County

You stand at a "critical crossroad" when you go to the polls Nov. 4th. If you fail to vote---you may lose your inalienable right to be governed by the government of your choice.

DON'T BE DISFRANCHISED

While the incumbent governor has professed to be a friend of the residents of rural areas and while he has enjoyed the hospitality of the people of "out-state" Michigan, he and his political supporters have concocted a Proposal which would rob us of our voice in state government and deprive us of our voice in the state legislature.

Vote No on Proposal No. 2

If you don't defeat the above Proposal, you will be represented in the state legislature by one Representative for the counties of Charlevoix, Emmet, Cheboygan, Presque Isle, Alger, Luce, Schoolcraft, Mackinac, and Chippewa counties.

Vote Yes on Proposal No. 3

and you will have one Representative for Charlevoix, Antrim, and Leelanau counties and . . .

Vote Straight Republican

Because, under the leadership of Fred Alger, the Republican party is taking a determined stand to pass Proposal No. 3 to insure all the people of Michigan a voice in the state legislature.

This advertisement sponsored by your elected county officials in your interest.

ORCHARD NOTES

By C. Fairman

I have been asked to throw some light on the Cherry Association.

This is hard to do. Many proposals have been brought up but so far practically nothing has been accomplished.

Now, and in the past, the cherry grower became a member when he paid his advertising fee. This fee is taken out by the canner. The grower was known to the secretary by the fact that the canner had sent his name in with his fee.

So far the grower has been only a tag number having nothing to say regarding any new laws coming up or any other phase of his business.

The grower or growers were not consulted at the time the new grading law came up. After this year's unfair low price, the storm, the hardship and worry the

growers of cherries have had, groups have sprung up in Antrim County, Grand Traverse County and adjoining counties. So far they have been getting the cart before the horse.

It is possible that eventually the growers may lay the ground work for an association by and for the grower (the majority ruling; based on right and wrong) without any other influence other than the common grower.

The apple growers down east have been successful with their associations in cooperation with the processors. Their one drawback is that if they try to do something for themselves, the government pinches them. If the government can do it themselves for votes then it is O.K. Neither the apple growers, nor the cherry growers wants to have the government have a finger in the pie.

READIN' WRITIN' and 'RITHMATIC

KINDERGARTEN

Helen White

Judy Mockerman brought us a jack o'lantern. We lighted both our jack o'lanterns and sang out Hallowe'en songs.

We made pictures for Open House and put them on the wall.

We saw our first movie this last week. We liked it very much.

Lillie Hughey brought some oats. We planted them and are watching to see if they will grow.

KINDERGARTEN

Isabel Sidebotham

Billy Dougherty, Janice Evans and Sherrel Persall each brought a Jack O'Lantern made out of pumpkins. We like to look at them. They are happy looking and make us laugh. Last Friday we saw two good movies over in

the gym. One showed us about fishing on the deep sea. We liked it. The other one showed us how important it is not to put things in our mouth unless it's food or our tooth brush.

Harold Holley brought us a pollywog. It swims in a big glass jar.

Reta Shepard has her five year old birthday on Thursday and the next day is Hallowe'en. We are going to have a good time that day.

FIRST GRADE

Mrs. Brooks

We were happy to see so many of our fathers and mothers in our room at Open House. Hope you will all come again.

Luella Thompson has moved to Boyne City where her father

works in a gas station. Her little sister, Ida Rose, visited our room Friday.

Today, October 27, is Jolie's birthday. His mother and little sister, Ann, visited us, bringing a treat of cupcakes and candy suckers. Thank you, Mrs. Kortan.

FIRST GRADE

M. Stokes

We celebrated four birthdays last week. Mary Jane Hart, in kindergarten, brought cupcakes to celebrate being five years old on Monday. Her brother, Bobby, in first grade brought cupcakes to celebrate being six years old, although his birthday had gone by a little way. We all had cupcakes and sang Happy Birthday together. Kindergarten were very nice guests.

On Wednesday we had another double birthday celebration when Karen and Sharon Clark, our twins, brought cupcakes to celebrate being six that day.

When we went home Wednesday we left workbooks, a drawing, a work paper, and a note on each of our desks for our parents to see. Eighteen of us had at least one parent or grandparent who came. We were glad so many came. Next time we hope more can come.

Twenty of us had perfect attendance first marking period. Rickey Ingalls had perfect attendance the first period and then left us. We hope he does as well in Coopersville. Otto Hughey was absent most of the first period with a broken arm.

We are looking forward to our Hallowe'en party on Friday.

SECOND GRADE

Cora Seiler

We have our room decorated with cut-out jack o'lanterns, black cats and owls for Hallowe'en. We are looking forward to a nice party on Friday afternoon.

Many parents visited our room last Wednesday night at our P. T. C. Open House.

In our social studies we have been talking about our homes and how they are heated and what fuel is used.

We visited Mr. Conway in the boiler room and he showed us the stoker filled with coal and large boiler.

He explained about the fire heating the water which makes steam and how the pressure pushes the steam into the pipes. The children felt of the big steam pipes and saw that they go through the tunnel to our building.

We thanked Mr. Conway and went back to our room to talk about what we had learned.

Mrs. Seiler read about the coal miners who must go down in the ground to mine the coal to heat our homes.

Judy Cihak brought us a painted terrapin for our room. Richard Chanda found a frog and brought it for us to study.

Jimmy North moved to Oklahoma. We hope he will like his new home and school.

Mrs. Williams visited our room one day. Her niece, Regina Cone, who lives with her is in our room.

SECOND GRADE

Agnes Johnston

We were glad to see many of our parents for our "Open House" last Wednesday evening.

Most of us have enrolled in the American Junior Red Cross. We collected \$2.35.

Peter Zoulek had a birthday last Monday. Peter's mother came to school in the afternoon with delicious cup cakes and grape juice for us. We sang the birthday song to Peter and then we all made him a birthday card.

Last Friday morning we enjoyed the movies, "Fishing for Mackeral" and "Mr. T. B."

We are all going to try and enter the poster contest for "Book Fair" November 19.

THIRD GRADE

Adeline Bowerman

We were happy to find so many Jack O'Lanterns on the fence Thursday morning showing that many visitors had come to our room on Open House night.

In our study of Pioneer Life we worked last week on a study of their home life. We learned that even the small children had their jobs to do to help. We had a discussion on the things we can do to help at home. Each one made a hand-dipped candle. After seeing how long it took, we decided it was much more convenient to turn the switch and have better lights.

THIRD GRADE

Marie Hughes

We are looking forward to Hal-

lowe'en. The children plan to dress up and mask to march in the parade. We are planning a little party too.

Last Thursday we celebrated Tommy Graham's birthday. He served us a treat. We sang to him and drew him some very nice birthday cards.

Yvonne brought us a piece of petrified wood that her mother had brought back from California when they had visited there on their vacation a few years back.

Yvonne shared one of her choice books with us last week.

Ruel Dewaters brought in some books for the "Book Fair."

We liked our first movie of the year.

We were happy to see and talk with so many parents at Open House.

FOURTH GRADE

Joan Strehl

The boys and girls were happy to read the notes their parents wrote to them when they visited school. We are hoping they can come again.

This was American Red Cross week in our room. We divided in-

to teams with Mary Porter Captain for the girls and Ronnie Klooster Captain for the boys. Ronnie's team won. Our room collected \$3.34.

Friday, October 24 was United Nations Day. We discussed what the United Nations means to us. We studied the flags of other nations.

Last week the boys and girls in our room were given the tuberculin test for tuberculosis. The children were happy to make another visit to Mrs. Betty Robertson's office, our school nurse.

Election Facts You Should Know:

Three proposals to amend our Michigan Constitution will be on the November 4 ballot:

- No. 1—Would permit use of new evidence in narcotics prosecutions.
- No. 2—Would give control of BOTH Houses of Michigan Legislature to a 4-county area, based on population only.
- No. 3—Would give a BALANCED distribution of seats in Michigan Legislature to all 83 counties:
 - House on population
 - Senate on area and population

Do YOU believe Michigan should be governed by four counties?

If not, vote "NO on No. 2—"Yes" on No. 3

Mad about

high cost of living high taxes corruption?

-so are we!

If ever there was a time to call a halt to wasteful, heedless government spending, that time is now. Every dollar wasted in Washington or Lansing means higher taxes for you; higher costs of food and clothing, less "buying-power" in your pay envelope.

Here is why we are mad—and why you should be too. In just five short years the cost of food . . . clothing . . . all the things you buy have gone up over 47%! The dollars you earn have dropped in value to where they buy only what 53c would buy in 1939. AND THE DEMOCRATS KEEP RIGHT ON RAISING YOUR TAXES AND SPENDING YOUR TAX MONEY ON MANY FOOLISH WASTEFUL SCHEMES TO "BUY" YOUR VOTES.

You can't afford to lose much more in this fantastic, socialistic game of cheap donkey-dollars. YOU CAN STOP IT . . . NOW . . .

Vote IKE all the way!

NOV. 4

Vote Republican

REPUBLICAN STATE CENTRAL COMMITTEE: OWEN J. CLEARY, Chairman; MRS. MARY STREHL, Vice Chairman; HARRY F. SMITH, Secretary; ROBERT C. C. NEANEY, Treasurer.
