# Lutheran Church to get new sanctuary

**A SPECIAL SERVICE** on March 14, at 6 p.m. will mark the last time the Evangelical Lutherans of East Jordan will worship in this church on Nichols Street.

The Evangelical Lutheran Church of East Jordan, an affiliate of The Evangelical Lutheran Church of America, will soon have a new home.

The congregation that has been worshipping in the sanctuary on Nichols Street since 1910, will hold their first service in the new church on Sun. March 21. The new facility is on Rogers Road just south of East Jordan and East of M-66.

The last service in the old sanctuary will be on Sunday March 14 at 6 p.m. following a potluck dinner at 4:30 p.m. It will be a candlelight service with special music and a passing of the Light to the new congregation. The Harvest Barn Church has purchased the old church and will begin holding services immediately.

The candlelight service will be jointly officiated by recently retired pastor Robert Herndon and new pastor Richard Vonesh.

The first service in the new church will be Sunday March 21 at 11 a.m. Special music is being planned, with church members, guests, youth and adult choirs singing *Lift High the Cross* during the procession.

Choir director Bonnie Deschamps, promises to raise the roof with joint choirs, trumpets and soloists joining together for the song *Let There be Praise*.

Formerly known as the Norwegian Lutheran Church, it was established in 1905 and became the Evangelical Lutheran Church in 1952. They are now widely known as the Singing Congregation.

# Murriel Derenzy (Grandma) celebrates 97 years

BY BOB CULLEN and EVELYN DERENZY

On Sat. Feb. 27, 121 members of the Derenzy clan had a wonderful gathering at the East Jordan VFW Hall to honor Murriel Alice (Spence) Derenzy on her 97th birthday.

Murriel was born Feb. 29, 1886, one of nine children of Alice Amelia (Marsh) and William Spence in Echo Township. Murriel's brothers and sisters were; Decima (Wilson), Hannah (Parker), Lelota, George, Otto, Howard, Robert and Clifford.

Her maternal grandparents, Noble and Mary (Sweet) Marsh settled five miles east of Central Lake in 1871. Her paternal grandparents, Robert and Hannah (Willson) Spence lived in Ridgetown, Canada. Her father settled in Echo Township about 1875.

# Runner sets sights for "down-under" journey

BY DEB SAYGERS HOBBS  
 Contributing writer

East Jordan cross country star Neil Booze will need more than a bus ride to get to his next "away" meet. Australia will be his destination as a member of the U.S. Sports for Understanding International Exchange team. The team will compete in three cities on the faraway continent.

"I always wanted to go to Australia," says the East Jordan High School junior. He couldn't believe his good luck in being chosen for the twelve member team. On top of that, he gets to compete in his "dream" country.

In addition to qualifying as an all-state Class C runner, Neil had the good fortune to have applied early. SFU participants are chosen on a "first-come" basis. The program is part of the Youth for Understanding International Exchange, a non-profit international

educational organization established in 1951. Neil's team consists of members from across the United States.

Coincidentally, the U.S. coach is also from the Lake Country area. He is Ron Clone, the cross country coach at Elk Rapids High School. According to Dennis Snarey, Neil's coach, Clone is a

# EJ city budget proposed

BY DEB SAYGERS HOBBS  
Contributing writer

Juggling budget considerations has been the prime work of the East Jordan City Council and department committees for the past weeks. The completed 1993-94 proposed budget was presented at the March 2 council meeting by treasurer Glendora Gettel.

Each city department had to revise their original budget proposals because of a \$32,000 projected shortfall.

Police chief John Imeson reported that the police department is able to reduce costs in several areas. The purchase of a new patrol car will be handled over two years. The new cruiser will help reduce vehicle maintenance costs for the year. If needed, part-time labor payroll will be reduced.

Council gave permission for the new vehicle to be ordered immediately, rather than waiting for the full city budget approval. Delivery is expected to take eight to ten weeks.

Other department committees generally agreed that there should be no reduction of present services. Raising tax mills is not considered to be an option. Therefore all departments will need to assess employment costs. Provisions for maintaining adequate services must be considered before eliminating any positions.

A three-and-a-half percent salary increase to all department heads was included in the new budget. Full-time hourly non-union employees of the city

also receive the same wage increase.

The proposed budget will be reviewed by council members. A hearing for public review is set for March 16, 6:45 at the city building.

In other business, superintendent Bob Johnson reported some changes to the zoning code. Currently in areas zoned residential, single family homes, including mobile homes, are allowed to be 20'x20'. New rules will require a 24'x24' minimum width. All residential dwellings will also be required to have a perimeter foundation. No specifications on the materials or type of foundation are being made.

The council approved use of safety department personnel for the regional basketball tournament at East Jordan High School. The event March 16, 17 and 19, will require police and ambulance service. There will be no charge by the police department, while East Jordan schools will pay fees incurred by the city ambulance service.

A discussion about city involvement in the county 911 project ended with councilman Lyle Etcher volunteering to represent East Jordan. Etcher has attended most of the organizational meetings and hopes to give East Jordan a stronger voice in the proceedings.

The county has approached East Jordan to sponsor a full-time animal control employee. While the council agrees that this is a high priority need, the city is not interested in financing the venture further. Members of the council cited lack of city input over animal control activities and a strained budget as the reasons.

## TO THE EDITOR

### Board doesn't show responsibility

DO YOU REMEMBER that old song, *Oh Boy, That's Where My Money Goes*? Maybe it's time the residents of Central Lake Township learned the words and music.

Let's start with the so-called "Central Lake Township Monthly Newsletter" of February 1993. "So-called" because it rarely, if ever, seems to have any input from other board members besides Mr. Vernon. It is also an unbudgeted item, as stated in the newsletter itself.

Wonder how much it costs to have it printed and mailed? The postage per month runs between \$107 to \$120 per month, depending on whether the "snowbirds" have returned. The cost of printing the November issue was \$122.93 at Kwik Print on 8th Street in Traverse City. You'll notice that no local firm was used although they "contribute" to township funds. Using \$107 as the postal rate, it comes to \$2,759.16 per year. This is after the township purchased a copy machine for this purpose, among others.

Notice that nothing was said about the increases in our assessments. Now, that is something about which I would like to have seen something written!

Mr. Vernon reported in the February issue that four board meetings had been held since the last newsletter. That comes to \$440. Trustees are paid \$55 per meeting - any meeting. That means another \$55 for every meeting of the budget review committee that Mr. Gadwau attended.

Check the budget approved by the board last April for this year's operating expenses. Prior to that time, the trustees were paid \$150 per month. As a comparison, Kearney Township trustees are paid \$50 per month. Figuring a minimum of four meetings per month, that means or trustees will have been paid \$5,280 by March 31 as compared to \$1,200 for Kearney Township. A newsletter item was about a special session at which attendance of the Michigan Township Association (MTA) "Educational Conference" in Detroit was discussed. Mr. Vernon estimated that with all board members attending, as he wished, the cost would be \$1,850. Since the board only had \$1,500 allocated for education in its budget, the balance would have to be transferred (taken) from another fund.

The Lake Access Sites item was a re-enactment of

the executive session of the Nov. 5 special meeting. If the Open Meetings Act law had been followed, this meeting would not have been necessary. That's another \$110.

The Citizens' Budget Review Committee was supposed to have been an all-volunteer group, but now the board has approved paying two members of that committee \$25 per hour each for an estimated 72 hours to complete that review of the current budget. That comes to \$1,800, who knows from which pocket of the township.

The board also voted at this meeting to again hire the same auditor used last year at \$85 per hour (approx. \$4,500-\$5,000). He will be doing the same job as the Budget Review Committee. The final cost might be more if he also has to correct the work done by this committee.

Four members of the board refused a request from clerk Marilyn Lucas in October for a mid-term audit because of "lack of funds." She was instructed to find out and report to the board the cost of having the computer programming updated. At the November meeting she reported that the cost would be \$700. Her request was refused for "lack of funds."

The latest meeting I attended was on February 25. It was a special meeting so unless you saw the notice on the township hall door, you were probably not aware of it. (There doesn't seem to be anywhere else in town that the board considers appropriate for posting such notices.)

At this meeting Mr. Vernon wanted all the computer codes listed in numerical order and codes assigned to other or new funds. This was a job the clerk or treasurer could have done in a matter of minutes, if requested. It cost you at least another \$110.

All the facts and figures quoted herein are a matter of public record and available at the township offices under the Freedom of Information Act of the State of Michigan.

My taxes go to help pay township expenses for essential services. If this is any indication of the fiscal responsibility of the township board, I don't want you anywhere near my checkbook!

## Bridge Tournament lead changes

After six months of play the lead in the East Jordan Bridge Tournament has changed. The new first place team of Evelyn Gidley and Mary Glenna Malpass is ahead of second place Jean Peters and Betty Rison by 5,510 points - 34,220 to 28,710.

The rest of the top ten include: Ruth Bell and Phoebe Watson, Muriel Ahlborn and Jan Bultrud, Cyg Riley and Marge Smith, Martha Matthews and Katie Sowers, Ann Hite and Jean Muha, Shirley Olsen and Esther Porter and Linda Poole and Pat Ruhlman.

At the conclusion of

the tournament in April the majority of the money from player fees will be distributed to local non-profit and civic organizations. For information call Jean Pardee at 536-2616.

Anyone wishing to join the tournament next year should contact Hope Tyrell at 536-2417.

America's Bit o' Ireland will sponsor their 12th annual get together a wee bit late this year on March 21.

Time again to meet, greet, and eat and shuffle feet in Antrim County where the quack grass grows and the Chain O' Lakes flows.

This year's gathering will again be held at Kresge Lodge, Camp Hayo-Went-Ha, on East Torch Lake Drive. The fabled pot at the end of

the rainbow will be a stew pot (corned beef and cabbage) and should please the palates of every lad and lassie.

Singing-along and/or dancing with the home-grown musical entertainment will be encouraged.

## Important program for tree growers

The MSU Extension Service will sponsor its annual educational program for northern Michigan Christmas tree growers on Tues., March 16. The intent of this year's program is to help growers better cope with the changing tree industry by addressing both production and marketing issues.

The meeting will be held at the Holiday Inn in Grayling, which is located on the south end of the I-75 Business Loop. Registration begins at 8:30 a.m. and the program will run from 9:30 a.m. to about 3:30 p.m. The cost to attend (for lunch, coffee, rolls and facility use) will be \$12.50 per person, payable at the door.

This year's program will address such topics as: the 1992 market season in review; the changing American consumer market; an update on federal wage and labor laws; an introduction to the new worker safety and pesticide applicator protection law; and an overview of the pine shoot beetle and other insect pests and their impact on growers.

In addition to the educational program, several equipment and chemical supply dealers have been invited to be on-hand to exhibit their products to growers in attendance.

To register for this meeting or for more information, contact the MSU Extension Service office in Antrim County at 533-8818. Preregistration is required.

#### Fasting For Our Souls

"Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. And he fasted forty days and forty nights..."

— Matthew 4: 1-2

It is traditional for many people to forego some pleasures they normally enjoy during the Lenten season. Most begin with good intentions, but often the temptation to return to the forsaken becomes too strong, and they backslide. We are fortunate that Jesus had the strength to resist the blandishments of the devil during His forty days' fast on the mountain, for He was fighting not only for His own soul and mission on earth, but for the souls of all who would follow in His faith and in His example. Ours are minor temptations compared to the contest of will Jesus fought on that mount.

## Trojans end streak, then reach finals

BY S.F. PUCKETT  
Sports Writer

The Lady Trojan volleyball team saw its long winning streak end in the regular season.

Monday, East Jordan came to town, celebrating the Trojans final home game. Misty Boatwright, Melanie Murray, Jennifer Majcher and Allison Greenman all bid adieu as seniors for the Trojans by winning with strength, 15-3, in game one.

Both squads battled through game two, the Devils winning 15-12, and all was even.

Game three was tied at 2-2 when Allison Greenman won at the net, Melanie Murray served a couple, and the Trojans led 8-2.

Lisa Goebel then served up two to start the Red Devils to a rally within 12-11, but the Trojans finished with Melanie Murray serving out to win, 15-11.

East Jordan volleyed to a 3-0 lead in game four, but Jen Majcher whipped over five points for the Trojan lead, and from there the Trojans rolled to the win and the match, 15-6.

Melanie Murray finished with 13 points, Misty Boatwright seven, while Julie Aenis served the match point.

Julie Mickey contributed to the East Jordan work effort, Christine Glatfeld with nine points served.

East Jordan won the jayvee contest 15-3, 17-15, 15-0, powered by Kori Danforth with eight consecutive points in game one alone, including six aces, Amelia Fleming and Callie Ransom pacing the Devils in game two and JoDee Cam and Danforth rising to the occasion in game three. The Trojans got seven points from Kim Scott in game three, Shelly Duff with four.

Central Lake went to Mancelona Thursday, where the host Ironwomen worked the nets hard, blunting some of the Trojan attack and taking all three matches.

Leading the hustling effort for the Trojan talent base this outing was Melanie Murray serving 14 points, Elissa Wagner chipping in with six more.

In district action Saturday in Glen Lake, Central Lake defeated Leland in three games, defeated Bellaire in two games and lost to Glen Lake, 15-5, 15-7.

"We played six tough games," noted Trojan coach Mike Velding. "We played Glen Lake six minutes after Bellaire. They are tough and cover the floor well. We were ecstatic to make the finals, we made it farther than most expected."

## Trojans win on way to districts

BY S.F. PUCKETT  
Sports Writer

The Trojans basketball players took on a win from the visiting East Jordan Red Devils Friday and built some momentum heading into this week's districts, being held at the Trojan home court.

The week did not start that happy, as Mancelona took a win from the Trojans 79-60. The Ironmen led 15-4 before Central Lake came back to within three before a three at the buzzer put them down 17-11.

Working hard, the Trojans inched up into a tie at 26-all, but a 9-0 run got Mancelona into the lead for good, pulling away to win 79-60.

Jamie Evans led the squad with 15 points, Chad Pletcher scoring 13, Damien Smith with nine, Chris Eldrington had eight and David Henry seven.

The jayvee Trojans fell 63-49 as Josh Weaver shot for 15 points, Brian Sunnett with seven, Ryan Newton, Damian Lockhart and John Trojanek with six apiece.

Friday, East Jordan visited the Trojans and got the low end of a 79-68 score.

Central Lake led just 33-31 at the half, but they pushed that up to 52-45 at the third quarter's end, then free throws won the way to the end.

Jamie Evans contributed 19 points, Chris Eldrington 16, Paul Bunker 13, Todd Ager 10 and Chad Pletcher eight for the Trojans.

Yaro Middaugh led East Jordan with 11 and Steve Wiltfong had 10.

East Jordan won the jayvee game.

Central Lake played in the districts against Mancelona Monday, the winner playing Bellaire Wednesday evening.

## Lancers win champions battle; DeYoung hits 1,000 points

BY S.F. PUCKETT  
Sports Writer

**ELLSWORTH** - Ellsworth came up with a pair of Ski Valley basketball wins last week, including a defeat of the Ski Valley champions Bellaire on Friday.

Alanson provided the competition on Tuesday, until they fell behind 20-11 after a quarter and 56-40 after three. From there, Ellsworth put it in cruise control and won 66-56.

Jeremy DeYoung achieved his 1,000th career point with 27 on the night, Scott Essenberg

adding 18, Tim Heneveld seven and Jeremy Peterson six.

Alanson won the jayvee contest by four, 44-40, Eric Seese with 15 for the Lancers, Pat Zietler 11 and Mike Warner six.

Friday, the best in two leagues met, and the Lancers proved to be mean hosts to the Eagles of Bellaire.

Both squads stared slow, Bellaire's Scott Goodwin hitting a free throw and short jumper for a 3-2 lead, finished by John McKaig and Ryan

## Obituaries & Death Notices

### Clifford Hudson Morse

Clifford Hudson Morse, 94, died Sat., Feb. 27, 1993 at his home on East Torch Lake Drive.

Born Oct. 2, 1898 in Central Lake, he was a life time resident. He was the son of Guy A. Morse and Charlotte (Bush) Morse whose parents moved here and homesteaded land in the Bay View area. His father owned the livery stable in town. He worked there as a young boy, developing a life-long love of horses.

He attended Bay View Country School, Central Lake, Ferris Institute, and graduated from Michigan State University, then called Michigan Agricultural College, where he played trombone in the marching band and was a member of Lamda Chi Alpha fraternity.

He and his father owned and operated a radish seed business. He was a farmer and taught adult veterans agriculture classes at Central Lake School.

He founded and owned Brownwood Acres. He had one of the first sailboats on Torch Lake, thus his nickname "Skip" or "Skipper."

He was preceded in death by his wife, Mary Louise in 1990, and by a brother, Arthur who died at age 5 of diphtheria.

He has three children, Charles Barnett of Vassar, MaryLou DeTar of Central Lake and Gary Morse of Lady Lake, Fla.

He has 11 grandchildren, Ann Zwerk, Chuck Barnett and Tom Barnett of Vassar, Tracy Matthews, Mark Morse, and Jennifer Parr of Lady Lake, Stephen DeTar and Mary Waller of Central Lake, John DeTar of San Diego, Calif., and David DeTar of Southfield. He has 17 great-grandchildren.

Graveside services will be held in the spring at the Morse plot in Southern Cemetery. Funeral arrangements were made by the Central Lake Chapel of Mortensen Funeral Home.

# Jeremy DeYoung scores 1,000th career point

continued from page 5

Fischer hitting jumpers to build a 17-11 first quarter lead.

In quarter two, Eagle shots did not fall and the rebounds all seemed to find Lancer hands. Ellsworth tied the game, McKaigh hit a shot to put Bellaire back up 19-17, the Lancers hit the next two, and Nate McColly scored on his own miss and rebound to tie the game at 21-all.

Two more Lancer scores got them into halftime up 25-21. The teams danced back and forth a bit, Bellaire cut-

ting the gap to 31-29 before an 8-2 run ended the third quarter favoring Ellsworth 39-31.

Bellaire cut that down to 41-38 before Jeremy DeYoung hit a baseline shot, then to 43-40 on Brandon Smith's long two pointer, but from there it was all Lancers as

they took the 50-43 win.

Jeremy DeYoung scored 19, with Scott Essenberg and Tim Heneveld each adding 12 and Scott Heeres five.

John McKaigh led Bellaire with 13 points, Scott Goodwin with nine and Brandon

Smith with eight. Goodwin had 17 rebounds, but Bellaire got outboarded 40-27 and forced Ellsworth into just seven turnovers on the game.

Bellaire won the jayvee contest 54-44, Shane Stead shooting 15 points, Neil Vajda with 14, Tim Flanagan

with six and Jason Sprik adding five.

In district play, Bellaire drew a bye and will play the Central Lake-Mancelona winner Wednesday even-

ing in Central Lake at 7 p.m. The winner

Wednesday makes the

## CENTRAL LAKE TOWNSHIP BOARD RESOLUTION NO. 93-2

Title: OFFICIAL SALARIES FOR 1993-94 FISCAL YEAR

**WHEREAS**, state law requires the publication of salaries of all elected township officials prior to adoption of a new fiscal year budget, and

**WHEREAS**, the duties and responsibilities of the Supervisor, Treasurer, Clerk and Trustees are prescribed by state statute, and

**WHEREAS**, those statutory duties have become more complex and time consuming as the result of state intervention in local government, and

**WHEREAS**, the time required to perform those statutory duties and other duties necessary for effective management of the affairs of the township has increased substantially, and

**WHEREAS**, the Board has determined that these elected officials are deserving of salary increases to compensate for those growing demands, and

**WHEREAS**, the financial condition of the township will not accommodate any merit increases at this time.

**NOW, THEREFORE, BE IT RESOLVED** that the salaries of the Treasurer and Clerk be adjusted to include only the cost of living increase (Consumer Price Index) which was approximately 3% for the 1992 calendar year and that the Supervisor's salary be increased to a level equal to the Treasurer and Clerk with the salaries of the Trustees remaining unchanged, and

**BE IT FURTHER RESOLVED**, that effective April 1, 1993 the salary schedule for the elected officials of Central Lake Township be as follows:

Supervisor \$7,000 annually  
Treasurer \$7,000 annually  
Clerk \$7,000 annually  
Trustees \$55.00 for each Board meeting attended.

**BE IT FURTHER RESOLVED**, that the Treasurer be paid an additional \$3,200 annually for summer tax collection through a contractual agreement with the Central Lake and Ellsworth School Districts.

AYES: GADWAU, LUCAS, MURRAY, SHOOKS, VERNON

NAYS: NONE

ABSENT: NONE

RESOLUTION DECLARED ADOPTED

I, Marilyn Lucas, duly elected Central Lake Township Clerk do hereby certify that the above resolution was adopted by the Central Lake Township Board at a special meeting on March 4, 1993.

S/Marilyn Lucas, Clerk of Central Lake Township

very knowledgeable leader and a wonderful person. Snarey calls Clone one of the most respected coaches in the area.

Neil was encouraged to apply to SFU by Coach Snarey.

"Neil was our team leader this year. He's always very helpful and encouraging to the younger athletes. He was also a big help to me when I really needed it," says Snarey. "He is really starting to come together as a total person."

Snarey has observed Neil's progress, especially for the past year and a half. He calls Neil's improvements amazing. Through hard work and determination, Neil changed an awkward running style into a winning one, placing 14th in the state.

Neil has also worked at improving his academics, making the honor roll last grading period. Snarey gives Neil the ultimate compliment, calling him coachable, and believes he has an excit-

ing future in store.

Neil has been on the run since sixth grade. He is also on the track team running the one and two-mile events. In his cross country 5K races, he ran his best time at 17 minutes and a few seconds.

Neil keeps in shape by swimming as well as running. He is a lifeguard at the East Jordan pool. Currently, he is working 21 plus hours a week there, in order to help finance his trip.

He was attracted to the SFU program for educational as well as competitive reasons. Neil looks forward to getting to know his host family and seeing as much of Australia as possible. Many hours will be spent in training and he will participate in at least four races during his four weeks down under. SFU does make sure there is plenty of time for family activities, though, and time for the team to be tourists.

Neil's tour begins at the end of June. His effort began back in November when he was notified of his acceptance.

Neil needs to raise \$4000 for his trip. His parents, Vicki and Neil Booze, and his nine-year-old brother Jeremy have been working hard on his behalf. Besides selling candy and soliciting East Jordan businesses, they have been using their persuasive powers on family and friends for donations.

The deadline for the program fee is April 30. Presently Neil and his family and friends have raised over \$1000, but with only two months to go, any further financial support would be greatly appreciated.

Anyone who would like to sponsor Neil, or who knows of an individual or organization that would, can contact Neil at 536-7093. Checks may be made to SFU with a designation to the personal account of Neil Booze. They can be sent to 05547 M-32, East Jordan, MI 49727.

With the support of the community, Neil Booze will proudly represent East Jordan as he sprints with the kangaroos in faraway Australia.

# Murriel Derenzy celebrates 97th birthday

*continued from front*

As a little girl Murriel lived with her family south of County Road 624 about a quarter-mile on South Beal Creek Road. With her brothers and sisters, she attended the Echo School in Pleasant Valley.

Murriel was married to William Derenzy in Traverse City July 3, 1914. They were blessed with nine children; Ann (Jeffery), Dora (Edson), Greta (Whiteford), Glenda (Sweet), Garold, Clifford, William, Archie, and Orville. They have 33 grandchildren, 79 great-grandchildren and three great-great-grandchildren.

Murriel and Bill's first home was at logging camp 21 where son Garold was born. They then moved to Kearney Township on County Road 620, where Ann was born. Murriel tells about carrying water every day from Stafford Crossing up a large hill. When the children were toddlers they almost lost them to a fire that destroyed the home and everything else.

Following the fire, they lived in a log cabin on 160 acres at the top of Hogs-Back Hill in Echo Township. Bill worked in the logging camps and farmed, while Murriel was the mainstay of the family,

growing a garden, making soap, churning butter, baking bread, washing clothes over a washboard. She also worked hard to harvest food and store it for a year and tended the livestock.

The children were bathed in a wash tub in front of the wood cook stove, using rain water that was collected for that and washing clothes. Drinking water had to be carried from the creek for several years before a well was drilled.

The family traveled by foot, horse and sleigh in the winter and horse and buggy or wagon in the summer until they bought their first automobile in 1925. The prized vehicle was a 1916 Model T Ford. Bill taught himself to drive in the barnyard scaring

himself and the kids in the process.

Murriel recalls winters when snow would blow through the chinking and she would stuff pieces of cloth in the cracks to keep out

the snow and cold. She had to keep the breakfast plates warm on the stove or the food would freeze before it was served. In 1928, the family moved across the road into a fine farmhouse.

This great lady, Murriel Derenzy, lost her mate of 62 years on Oct. 22, 1976. Since then she has lost sons, William, Archie and Orville.

Following his death, she lived for 14 years with daughter Greta Whiteford while suffering from severe

arthritis. She now resides at the Grandvue Medical Care Facility, where she is Grandma to everyone.

The Derenzy family are very thankful for having such a lovely Mother and Grandmother.
