OUR WEATHER

Another week of cool spring weather - some sun Wednesday and Saturday, but mostly cloudy and breezy. The Memorial Day weekend saw overcast highs in the 50s. Trillium is fading fast; lilacs just past their peak; honeysuckle and bridal wreath starting to bloom.

East Jordan top graduates announced

East Jordan High School has announced its top ten seniors for the class of 1993. Leading the pack are Valedictorian Jason Gaunt and Salutatorian Jennifer Lynn Cook.

Gaunt is the son of David and Sheryl Gaunt of East Jordan. He earned a 3.97 grade point average.

He has been involved in marching band and concert band for four years, and is a two-year member of the East Jordan Jazz Ensemble. He has performed in the District Solo and Ensemble for three years and has been to the State Solo and Ensemble. Jason is the recipient of the John Phillip Sousa Award for outstanding senior band member.

Also involved in other school related organizations, he is a member of the Student Council and has been for the past three years. Jason has been a member of the National Honor Society for two years and is president this year of NHS.

Jason plans on attending Western Michigan University in the Fall to pursue a career in Business Administration.

Jennifer Cook is the daughter of Michael and Helen Cook of East Jordan. She finishes with a 3.91 G.P.A.

Cook has been involved in marching band and concert band throughout her four years in high school. Included in her performances were many duets and solos in the Solo and Ensemble competitions.

Cook has also been involved in SADD for three years and the National Honor Society for two years. She is currently the vice president of NHS.

Cook is also involved in the city bowling league and is a member of St. Joseph's Catholic Church where she is part of the youth group. She

Malpass Foundation brings theater to students

THE PLAY'S THE THING at East Jordan Elementary School. These talented actors gave three stunning May 27 performances of *The Princess Who Never Laughed*. The play, directed by Paula Vollbach, included Jesse Tison, Luke Meredith, Tina Downton, Tarn Leach, Lucy Cornell, Paul Teske, Laura Warren, Nathan Swan, Katie Goebel, Linsey Malpass, Tony Cutler, Joseph Niewendorp, Spencer Tonkin, Curt Derenzy, Tom Hart, Casey Tonkin, Charity McKay, Claire Niewendorp, Riki Ford, Patti Murray, Naomia Lawson, and Caroline Goebel. The production was made possible by a grant from the Malpass Foundation.

WITHOUT WORDS pantomime Lee-Perry Belleau works with EJES students (from left) Mackenzie Boatman, Richard Hull and Kattie Brooks. The performance was part of a Malpass Foundation grant awarded to art teacher and theatre director Paula Vollbach. "It's all about exposing kids to things they otherwise wouldn't get to see."

KNOCKING OUT King Tyrone (Luke Meredith) is not necessarily a good way to get the the princess but Randall (Nathan Swan) gives it his best shot.

NORTH OF TOWN

■ Carol James Gadney is here from Fairbanks, Alaska visiting John and Eloise Litwaitis for a week.

■ Lila Carpenter was an overnight guest of Avabelle Carpenter, Tuesday. They enjoyed the Spring Pops Concert given by the Central Lake Band.

EJ Chamber thanks sponsors

ON BEHALF OF the East Jordan Chamber of Commerce Board of Directors, staff, and membership, I would like to extend a special thank you to our recent Business After Hours sponsors - Jordan View Apartments and Swan Valley Marina. Also, thank you to the staff at Sam's on the South Arm for their wonderful hospitality.

The combination of great hors d'oeuvres, excellent attendance and friendly atmosphere made for a most successful opportunity for Chamber members and their guests to meet with members of our business community.

Most sincerely,

Mary H. Faculak,

SERVICE WITH A SMILE is what you'll get from Gayle Murray and Dan Walquist at the Sub Station.

Sub Station opens

BY JENNIFER VANCONANT
Summer Editor

After being out of work due to a disability, Dan Walquist decided to create his own job. He and his fiance Gayle Murray opened the Sub Station in Eastport May 24.

"I bought myself a job," Walquist said. "I figured it was the only way I was going to get back to work. Because of restrictions I didn't work for five-and-a-half years. I got tired of it."

Walquist said he got the idea of a sub station from Murray's sister-in-law who operated one downstate. He thought about franchises but decided to venture out on his own.

Walquist has kept the menu simple.

"I didn't want to overwhelm people," he explained.

The station offers a variety of eight-inch subs including the popular Italian and meatball sub and a selection of hotdogs like the kraut dog, coney dog, and smoked polish sausage. He also sells meats and cheeses from his deli case.

His goal is to put out a good product at a low price. He also wants to cater to local residents.

"I'm a local and I understand prices," Walquist said. "It's not easy."

He is confident customers will be satisfied with his business.

"I think once people try our products and our prices, we could go anywhere," he added.

Walquist hopes to eventually stay open year-around, but for now he'll concentrate on summer business.

"We have a captive audience," he said. "We're within walking distance of Barnes Park."

He said a billboard on US-31 will also draw travelers, but his main concern is serving area residents.

The shop, located on Barnes Park Road just off of US-31, shares space with an ice cream store. Walquist thinks the two businesses are a good combination.

"Between their ice cream, and our subs I think we'll do fine," he said. "There is always something for someone."

Concentrated patrol program promoted by Charlevoix sheriff

The Charlevoix County Sheriff's Office is promoting a traffic safety concept of concentrated patrol to reduce accidents in Charlevoix County.

Any county citizen who has a concern over traffic safety for any specific road can contact Sheriff George Lasater for concen-

trated patrol consideration. The traffic safety concern may be speeders, careless or reckless drivers, drunk drivers, etc.

One or more deputies in marked and unmarked patrol units will be assigned to the concentrated patrol for designated periods of time. Those requesting the

service will be supplied a written report after the patrol efforts as to the number of citations issued, traffic stops made, arrests and number of patrol hours spent on the problem area.

When requesting this service from the Sheriff's office, please be able to supply the following required information: specific roadway requested for

concentrated patrol; nearest cross road; types of violations the citizen has observed; suspects if any (type of car, etc.); time of day and day of week violations take place.

This program will be in addition to regular Sheriff's Department patrol activities.

Request for this service may be made to Sheriff George Lasater at 547-4461.

Friends of the Jordan sponsor clean-up day

The Friends of the Jordan River Watershed are sponsoring a spring clean-up on June 5, beginning at 9 a.m.

"Friends are looking for willing helpers to pitch in," said Rick Baetsen who is coordinating the Saturday project.

"This would be an excellent opportunity for a community service project for groups

such as Boy Scouts, Girl Scouts, 4-H clubs, conservation clubs and the like," he added.

The clean-up project will concentrate on litter and trash along the roads in the valley - not the river itself.

Baetsen is arranging for bags, hauling, landfilling and, hopefully, a sponsor for beverages; however, donations of these items would be gladly accepted. Interested individuals or groups are asked to call Baetsen at 535-2123, Boyne Falls.

Two retire from Republic Bank board

Two longtime directors on the board for Republic Bank-North are retiring this year, according to Kelly E. Miller, chairman of the board.

Richard H. (Herb) Reiley has been a director of the bank for 24 years. A life-long resident of Bellaire, Reiley is a retired Christmas tree grower.

Harry E. Watson of East Jordan is a retired funeral director and general contractor. He has served as a director for 12 years.

Miller stated that the combined service and experience of 36 years was a valuable resource for the bank and expressed his appreciation at a retirement luncheon honoring the retirees.

CALENDAR

This summer make a splash . . . read at home!

A Summer Library Program for area kids at the Central Lake Township Library includes a reading program that rewards them for reading at home. It is scheduled throughout June, July, and August.

When the kids register at the library, Director Christine Bachmann will give each one a book bag, a pencil, and a Reading Record Folder, all three imprinted with the 1993 Michigan Summer Reading program logo, Make a Splash READ! She will also place their name on a segment of the growing sea monster on the library wall.

For reporting their reading time to Bachmann, participants will receive stickers, lollipops, and bookmarks. And after independent readers accumulate five hours reading time, and the younger kids who are read to accumulate three hours reading time, they can select a book from a collection of 120 new books, to take home and to

keep.

All kids who complete the program will get a Certificate of Achievement at the end of the summer.

Area youngsters are invited to come in and register now, and help make that sea monster grow! The library is open Tuesday, Wednesday, and Friday 11 a.m.-6 p.m. and Saturday 10 a.m.-3 p.m. For more information, phone 544-2517.

Good Samaritan reopens, ready for business

The Good Samaritan Shop has moved from the old fire hall on Center Street in Ellsworth to its new location on White Street, in the old "Meat Block" building.

Although the new site is a bit out of the way, the actual building is bigger and brighter. Volunteers have been busy for weeks unpack-

ing and sorting racks full of good, clean, gently used clothing. There are clothes for everyone from infants-adults.

Also for sale is a wide variety of household goods, shoes, purses, toys, books and many odds and ends! Everything is priced to sell - much like an on-going

garage sale - with new goodies added daily. All proceeds go into operating the food pantry. The pantry helps families in need by providing food, and some other necessities. Although we've heard that the "recession is over," the request for assistance is on an up-swing. Currently the

pantry is servicing between 50-60 families each month.

Want to help? The Good Samaritan can always use more volunteers! If you have any amount of time you can volunteer, we can use you! Donations of good, clean, re-usable items are always appre-

ciated. However, please, don't bring in soiled, stained, broken, cracked, ripped or torn items. We have no use for these items and have the added expense and work of disposing of them.

The Good Samaritan

Food Pantry/Resale Shop is open Mondays 9 a.m. to noon, Wednesdays 1-4 p.m., and Saturdays from 9-noon.

Questions? Call Mary Peterson at 588-6041 or Gari Rains at 544-6236.

Dunson displays designs

Jennifer Dunson of Central Lake was one of eight Ferris State University visual communication seniors who recently displayed class projects in the old Masonic Lodge in downtown Big Rapids.

The students showed their work produced for an assignment to design an identity program for a specialty shop. Students were required to develop a

name, a concept, and a communications plan. They then were to design pieces to promote and market the plan.

According to Barb Loveland, assistant professor of visual communication, students drew their specialty shop assignments out of a hat, in an effort to create the realistic situation of clients telling the designer what they needed for their own business.

Hospital adds new boiler room

Construction on a new boiler plant building has begun at Charlevoix Area Hospital. This addition will house three boilers and electrical equipment for the old hospital building as well as the new addition.

The addition will mean the closing of the drive between the hospital near the ambulance entrance and the physicians' office building opposite the hospital. It is a 1,975-square-foot building that will be attached to the present building's mechanical rooms.

This is a change in

the original building plans. Boilers were to be added to accommodate the new building addition, however it was decided the old boilers were showing signs of age and their replacement was imminent, so it became cost effective to replace them at this time.

"The boilers are 40 years old and major repair or replacement could happen at any time," president Richard Krueger stated. "In addition, there will be some return on our investment because the new boilers will be much more efficient."

A new electrical power generator for emergency power will be in a separate area outside the boiler room. The addition is slated for completion by October.

The major new addition will house a new surgical suite, kitchen, and cafeteria. Other areas are being remodeled for a new obstetrical unit that will be built to accommodate the single-room concept of childbirth.

The main lobby, admitting, and waiting areas are currently undergoing reconstruction which is planned for completion early in the summer.

The construction program is being financed in part by over \$1.6 million raised in a campaign in 1991. The Frey Foundation of Grand Rapids awarded a grant of \$150,000 for the project.

Hearns earns BA degree

Deanna Joy Hearns of Central Lake was the recipient of a Bachelor of Arts degree from Sarah Lawrence College in Bronxville, NY

on Friday, May 21.

The graduation address was given by Donna E. Shalala, U.S. Secretary of Health and Human Services.

Graduation guests included sister, Dawn Cary; niece, Morgan Cary; friend, Jill Cary, all of Central Lake; and parents, Joe and LaVerne Hearns of Lady Lake, Florida. Deanna is pursuing a career in Seattle, Washington.

Julia Sage recognized

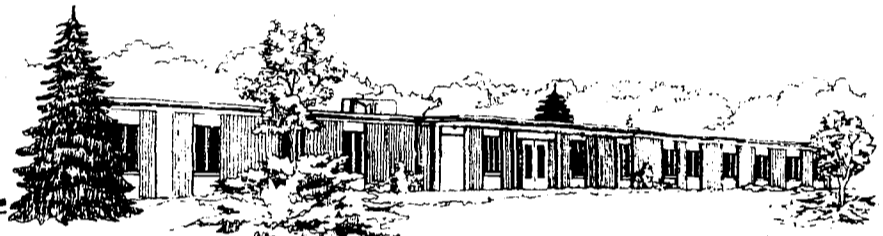

The 58th Annual convention of the Telephone Association of Michigan was held May 17-19 at the Grand Traverse Resort. Julia Sage of Central Lake, who joined the organization in 1945, received honorable mention for attending 46 out of 48 conventions since that time.

She and her late husband Ken have always been active in the association. He served on the Board of Directors for many years and was president in 1961 and '62.

Jordan River clean-up set

The Friends of the Jordan River Watershed are sponsoring a spring clean-up on June 5, beginning at 9 a.m. The clean-up project will concentrate on litter and trash along the roads in the valley - not the river itself.

Baetsen is arranging for bags, hauling, land-filling and, hopefully, a sponsor for beverages; however, donations of these items would be accepted. Interested individuals or groups are asked to call Baetsen at 535-2123, Boyne Falls.

CMU buys area radio station

Central Michigan University has purchased radio station WLTO-FM, 103.9, in Harbor Springs, expanding the university's public radio network to five stations.

The new station will broadcast programming originating from WCMU-FM in Mount Pleasant. National Public Radio's "Morning Edition" and "All Things Considered" and classical, jazz and blues music are among the programs aired regularly by the CMU station.

CMU Public Radio currently is not able to reach communities along Lake Michigan because of high hills and dunes that block radio signals.

"With the acquisition of WLTO, our programming will reach all or parts of Emmet, Charlevoix, Leelanau, Grand Traverse, Antrim and Kalkaska

counties," said Randall Kapenga, director of public broadcasting technical services. "Presently, we reach into the eastern parts of some of these counties, but that's not where most of the people live. Soon we'll have the potential of reaching another 200,000 listeners."

Hunt said the purchase will help the university fulfill its mission to serve the public.

"Public radio can help educate beyond the classroom by providing information and a forum for new ideas," said Hunt. "The new station also will provide a stronger university presence in northwestern Michigan increasing alumni support and student recruitment."

CMU public radio could begin broadcasting in the area by the end of the year he said. New call letters will be selected.

Surprise birthday party thrown

A surprise birthday party honoring Violet Thier was given by her children at the home of Phyllis Armould.

Present for the festivities were Karen and Bill Scadin, Gene and Judy Thier of Central Lake, Alan and Mary Thier and on Sunday, Tracy Penfold and her three daughters all of Charlevoix and sister Marie Kring of Petoskey.

After receiving many gifts, Violet cut the beautiful birthday cake made by her daughter Karen.

Let Us Wear God's Seal

"Do not labor for the food that perishes, but for the food which endures to eternal life, which the Son of man will give to you: for on him has God the Father set his seal."

— John 6:27

After Jesus had miraculously fed the multitudes who came to hear Him from the five barley loaves and two fish, they sought Him out again, and He chided them for not seeking the true meaning of His ministry but because they had filled their bellies. We all need the daily sustenance that sustains our physical being, yet there is a greater nourishment that will enrich us. That "food which endures to eternal life" is rest for our spiritual needs. God's law and Christ's teachings are the main ingredients — the only intake necessary to maintain our hungering faith. While no one may hope to attain that special stamp that God the Father placed on His Son, we may in small measure hope to merit through the feeding of our souls that special seal reserved for those who keep God's faith and His commandments.

Spring tune-up: a good idea for pets

Pets get cabin fever just like people. When spring arrives, pets will spend more time outside enjoying sunshine and warmer temperatures. Unfortunately, that also means they will be closer to other animals which may be ill, rabid wildlife, and other dangers that can cause disaster if precautions are not taken by owners.

Springtime is the perfect time to give a pet the gift of health, a "tune-up" at a veterinarian's office. For dogs, that should include an annual heartworm examination.

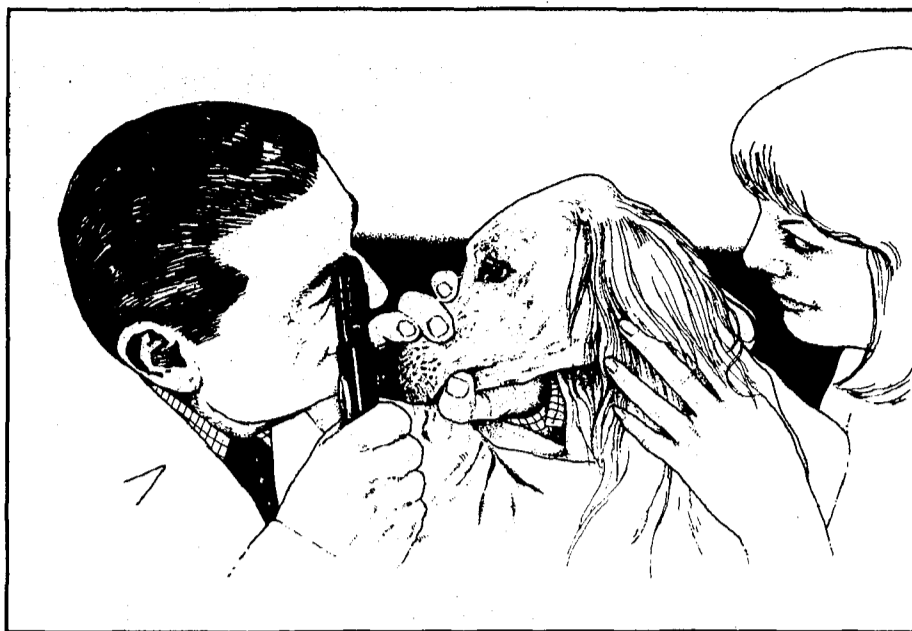

A heartworm examination consists of a blood test performed by a veterinarian. Dogs should be placed on heartworm preventative medicine on a schedule prescribed by your veterinarian. This medication comes in liquid, chewable or tablet forms, and should not be given until the dog has been tested.

According to Dr. Nancy Frank, a veterinarian with the Animal Industry Division of the Michigan Department of agriculture, heartworm is a widespread and serious canine disease in Michigan. "The disease is so easy to prevent but difficult to treat if it is advanced," said Dr. Frank. "Undiagnosed and untreated, it can be fatal to dogs."

Frank said signs of serious infection include: lethargy, coughing - sometimes with blood, and a history of not receiving heartworm preventative medicine. Most cases are detected early in a routine exam and can be treated successfully.

Other canine and feline precautions and concerns include:

- Checking for internal parasites which can be done by giving the veterinarian the animal's stool sample.

Springtime is the perfect time to give a pet the gift of health, a "tune-up" at a veterinarian's office.

- Fleas increase during the spring and reach their peak in late summer. If your dog or cat starts scratching, check for fleas. There are several effective remedies available through your veterinarian.

- Be sure vaccinations are up-to-date, particularly if you take your pet to public places such as beaches, parks or dog or cat shows.

- Adult dogs should be vaccinated annually for distemper, hepatitis, leptospirosis, parvo virus, para influenza, and for rabies every three years.

- Adult cats should be vaccinated annually for distemper and respiratory disease, and for rabies every three years. A vaccination for feline leukemia is also available.

During warmer weather, more cats and dogs are outside and the incidence of fighting and accidents, such as being hit by a car, increases. It is a good idea to know where your pet is at all

times; keeping your pet in sight and under control is healthy for your pet and helpful to your neighbors, too!

Long neglected as a health concern for animals, dental care is now accepted as an important part of routine examinations. Pet toothpaste can be purchased by owners to be used at home.

In addition to the vaccinations and general health care measures described above, older pets need extra love and attention. Consult with your veterinarian about a good health program which includes a physical exam every six months. Blood tests are routinely done on older pets to check the function of the animal's organs.

For more information about pet care, contact your veterinarian or the Animal Industry Division, Michigan Department of Agriculture, P.O. Box 30017, Lansing, Michigan, 48909 or call (517) 373-1077.

Open burning: consequences are something to think about

It has become apparent in recent years that smoke from outdoor open burning can have serious health consequences. Small particles and pollutants in smoke can cause several health problems, especially in children and those individuals with chronic respiratory problems. Smoke can cause eye, nose, and throat irritation; lung irritation and congestion; and headaches or memory loss.

Open burning of yard wastes is also the single most common cause of wildfires in Michigan, responsible for over one-quarter of all wildfires.

"Most wildfires occur on warm spring days when people are burning yard wastes from backyard clean-up chores," said Bruce Chellis, Banks Township Fire Department Chief. "Composting or mulching yard wastes is a safe, nuisance-free alternative to open burning which also eliminates the risk of wildfire. Mulching simply refers to any technique where organic matter (such as grass clippings, leaves, small brush, etc.) is spread in thin layers on the surface of the ground and left to decompose naturally. Grass clippings, leaves and compost can be placed around garden vegetables and flowers to keep down weeds and retain moisture.

In about as much time as it takes to burn yard wastes, these same materials can be prepared for composting. Composting can be done in a variety of ways, ranging from passive methods where the yard wastes are left in a pile to decompose over

time to active methods where the decomposition process is carefully controlled. Yard wastes can also be plowed or roto-tilled into a garden area.

For additional information, contact the local Cooperative Extension Service office, 533-8818, or the Department of Natural Resources - Waste Management Division.

Instead of burning yard wastes this year, protect your health and consider the alternatives. It's something to think about!

Lancers complete season sweep

BY S.F. PUCKETT
Sports Writer

They did it all, except sell the popcorn, and we won't take bets on that, either. Ellsworth completed a perfect year by sweeping a doubleheader in baseball May 26, winning the Northern Lakes baseball crown to go with the softball crown claimed at the same time. Add to those the Division's girls and boys basketball titles, and you have all four of the Leagues titles in one nice, little schoolhouse-Ellsworth.

The baseball team did the trick by following the amiable antics of Tim Koivisto on the mound for game one, finishing it with the 12-5 win. Mike Warner had three timely hits, while Eric Seese made the most of his single and double, driving in five runs.

Jared Lucas wrapped up the package in the nightcap, winning 12-2 as Scott Essenberg had two hits along with Mike Alfred.

Central Lake trips Charlevoix, twice

The Central Lake Trojans and Charlevoix Red Rayders squared off in a typical Central Lake/Charlevoix softball game May 21 with Central Lake coming out on top 2-1.

Central Lake drew first blood in the third inning when Laura Murray reached base on a walk and scored on a single by Julie Aenis. The Trojans pushed another run across in the fourth inning. Dhana Lockhart singled and scampered home on a fielder's choice by Elissa Wagner.

Charlevoix kept the game close when they scored in the top of the fifth but were stalled when the Trojans shut them down in order in the sixth and seventh innings.

Game two was the opposite of the first, as both teams struggled in the field each, committing six errors. Central Lake scored three in the first inning, but Charlevoix countered with five in the second and four in the third to take a 9-3 lead. Central Lake refused to settle for the deficit as they scored five in the bottom of the third, one in the fourth and seven in the fifth to win 16-9. Amy Dawson led the Trojans with four hits and four RBIs.

Central Lake is conference champion!

A May 27 game between Central Lake and Bellaire for first place in the Ski Valley Conference proved to be everything it was billed

to be. Central Lake took the game 2-1 for the outright conference champions, but not without a struggle.

Solid defense by

Central Lake and a strong offense by Bellaire kept both teams in the game right up to the last out. Bellaire pounded out

seven hits but only managed one run. Central Lake had only three hits but scored twice.

Sara Roach was in on two games saving de-

fensive plays as Julie Aenis took a relay from Amy Dawson and fired a strike to Roach at the plate to cut down Cindy Watrous trying to stretch a triple into a home run in the fourth inning.

Central Lake the conference championship with a perfect 12-0 record, and raised their overall record to 20-3.

Both Central Lake and Bellaire will now prepare for district action that will take place Sat., June 5 at Central Lake. Bellaire will take on Mancelona at 10 a.m. and Central Lake will play Ellsworth at noon, with the two winners playing for the district championship at approximately 2 p.m. The district winner will play in the June 12 regionals at Inland Lakes.

District action hot this weekend

BY S.F. PUCKETT
Sports Writer

By consensus, June 5 should see one of the best district competitions in the region.

The Lady Lancers of Ellsworth, unbeaten for the year at 16-0, will take on the nearly unbeatable and host Central Lake Trojans Saturday morning to open up the district playoffs in Central Lake. Game time is 12:30 p.m.

The Lancers are led by Jennifer VanderArk, the cool chucker with four no-hitters this season. The Trojans get

performance from Dhana Lockhart, a dazzling senior with an exceptional defense and power pitching performance to depend on.

The winner of the early game will be either Mancelona or Bellaire. Mancelona has been testing itself on the Class C schools that inhabit the Lake Michigan Division, led by the exploits of Barbie Anderson on the mound. Bellaire follows ace Cindy Farmer, and the hard-hitting talents of Yolanda McPherson and Chandra LaPointe.

Game time is 10 a.m.

Of the four teams only Bellaire and Central Lake have officially faced off, with the Trojans taking the Ski Valley crown last week with a 2-1 win over the Eagles.

Other local teams in district play include Alba's Wildcats, who venture into the Johannesburg district to meet the host Cardinals Saturday morning, and Forest Area, which goes to the southwest to meet Mesick.

The baseball teams match the pairings and times of the ladies

games, with Bellaire and its twin aces Ryan Fischer and Scott Goodwin, trying for the win against Mancelona's Lanning League, Bryan and David. Ellsworth will then follow Tim Koivisto to the mound with Jared Lucas ready in the wings as they take on the host Central Lake Trojans and their heat-throwing Mike Aenis and crafty Shawn VanVolkenberg.

The winners of the district advance to Inland Lakes the next weekend for regional action.

Trojan, Eagle girls tie at meet

BY S.F. PUCKETT
Sports Writer

Overall, Central Lake earned more firsts (five to two) than Bellaire, but the overall total favored the host Eagles just slightly in the May 26 Ski Valley Conference Track meet in Bellaire.

Inland Lakes ran away with the boys title while Johannesburg continued to dominate the ladies side. The Trojan and Eagle girls tied for fourth with 64 points each, while Bellaire edged the Trojans 60-56 on the boys' side for third place. Forest Area girls were sixth; seven in boys.

Forest Area ladies picked up all six of their points in relays, taking fifth in the 4x200 (2:21.07), 4x100 (1:05.07) and 4x800 (13:42.89).

Allison Greenman led the Lady Trojans with wins in the shot put (37'7") and discus (93'5.75"), Sarah Shay was second in the 1600

(6:00.86) with Jennifer Terpstra claiming a second in the 3200 (13:46.19) and a fourth in the 1600 at 6:28.94. Amie Shay added a fourth in the long jump (14'5"), while the Trojan relay teams finished second in the 4x800 (11:15.74), fifth in the 4x400 (5:05.53) and sixth in the 4x100 (1:11.37) and 4x200 (2:33.30).

Bellaire's best came from Sue Sheppard's first in the 400 dash (1:05), and her third-place tie in the high jump (4'4"). Jessica Poel picked up third in the 200 dash in 28.46 and fourth in the 110 hurdles in 17.78. Amy Czajkowski was fourth in the 300 hurdles at 53.69, with Jennifer Murton adding a fifth in the 100 dash (13.74) and a sixth in the 200 dash (29.69).

Eagle relay teams were second in the 4x200 (1:59.08), 4x100 (55.76), and 4x400 (4:41:64) with a fourth in the 4x800

(12:35.59).

Bellaire picked off a first in the 300 hurdles by Jeremy VanSice in 43.71. Seconds came from Chris Thompson in the pole vault (11'6") and Johnathon Harris in the 3200 (11:35.48), with Nate Harris joining the ranks with a third in the 400 dash (55.72) and 200 dash (24.67). Eagle relay racers were second in the 4x200 (1:42.15) and 4x100 (48.49), with thirds in the 4x400 (3:48.83) and a fourth in the 4x800 (9:40.21).

Central Lake saw Jeremy Meir take a first in the pole vault (11'6") with less misses. Casey Shay won his daily double in the 1600 (4:44.78) and the 3200 (10:41.60), with a third in the high jump (5'5"). Paul Bunker was second in the 300 hurdles (44.35) and fourth in the 100 dash (11.80). Rick Powers took fourth in the 1600 (5:22.07), while Adam Caldwell was sixth in

the discus (95'1.25"). Josh Smith took sixth in the long jump (16'11 1/2") and the 400 dash (58.18), with an unidentified Trojan taking sixth in the 800 in 2:28.09.

Trojan relay squads took third in the 4x800 (9:29.96), and sixths in the 4x200 (2:09.51) and the 4x400 (4:06.34).

Central Lake and Bellaire tracksters competed in the June 1 Traverse City Record-Eagle Honor Roll run. They head for State this Saturday if they were lucky enough to qualify.

Men's softball team sought

The Ellsworth Men's Softball League is looking for another team for its summer league. Games will start June 8 with teams playing twice a week. League play will be completed by Aug. 1. If interested, teams are to contact Hugh Campbell at 588-2544 (business) or 588-7605 (home).

LEARNING ABOUT HEALTH care was the topic of the day when nurse Lavonne Jansen visited kindergarten, first- and second-graders at Ebenezer Christian School in Ellsworth. Students had fun and learned what to expect when they become sick or injured. Using dolls and stuffed animals, the children learned about procedures they might experience at the hospital. Jansen diagnosed and treated their toys.

Motorcycle training offered in EJ

Central Michigan University is offering motorcycle rider education courses June 11-13 and Aug. 6-8 at East Jordan High School.

State law requires successful completion of the course by all 16- and 17-year-old motorcycle operators before they apply for an original motorcycle endorsement on their operator's license.

Cost is \$25. For registration in-

formation, call Paula Russell, CMU College of Extended Learning, (517) 774-7141.

CMU is offering the courses on riding and street skills throughout central and northern Michigan for the eighth consecutive summer. The courses are partially funded by a Michigan Department of Education grant.

MESSAGE TO CENTRAL LAKE AREA SCHOOL TAXPAYERS

If voters approve Proposal A on June 2, 1993, the Truth in Taxation hearing will not take place.

The "official notice" listed below is a technical requirement under the statutes of the State of Michigan. It should be clearly understood that the publishing of this "officially required notice" in no way alters the tax amounts previously voted by the taxpayers.

NOTICE OF A PUBLIC HEARING ON INCREASING PROPERTY TAXES AND ON PROPOSED 1993-1994 BUDGET
PLEASE TAKE NOTICE that on Monday, June 14, 1993, at 7:30 o'clock p.m. at 8190 W. State Street, Central Lake, Michigan (the Superintendent's office), the Board of Education of Central Lake Public Schools will hold a joint public hearing to consider the district's proposed 1993-1994 budget and to consider the levying in 1993 of an additional proposed millage rate of 1.7155 mills for operating purposes pursuant to Act 5, Public Acts of Michigan, 1982.

The Board may not adopt its proposed 1993-1994 budget until after the public hearing. A copy of the proposed 1993-1994 budget is available for public inspection during normal business hours at 8190 W. State Street, Central Lake, Michigan.

The Board of Education has the complete authority to establish that 25.6401 mills be levied in 1993 from within its present authorized millage rate.

The maximum additional proposed millage rate would increase revenues for operating purposes from ad valorem property tax levies in 1993 otherwise permitted by Act 5, Public Acts of Michigan, 1982, by 6.7 percent (6.7%).

If the additional proposed millage rate is not approved, the school district's revenue for the 1993-1994 fiscal year will be two and thirty-eight hundredths percent (2.38%) higher than the school district's revenue for the immediately preceding fiscal year, excluding Building and Site fund revenues.

The figure for increase in revenue for operating purposes is based on the latest estimate of state equalized valuation of property located within the school district. State equalized valuation will not be finalized until after the fourth Monday in May. In the event that state equalized valuation as finalized is for any reason higher than the estimate used for this hearing, the Board of Education must hold another public hearing before levying millage on any higher valuation.

The hearing is a part of the procedure required by law to enable the school district to levy millage which has previously been approved by the voters. No millage will be levied that has not been approved by the voters.

The purpose of the hearing is to receive testimony and discuss both the district's proposed 1993-1994 budget and the levy of an additional millage rate. Following the public hearing, the Board of Education may adopt its 1993-1994 budget. Not more than ten (10) days following the public hearing, the Board of Education may approve all or any portion of the proposed additional millage rate.

The date and location that the Board of Education plans to take action on the resolution approving the additional proposed millage rate will be announced at the public hearing.

This notice is given by order of the Board of Education.

Child seat recall

In mid-April, the National Highway Traffic Safety Administration announced a safety recall of some Century model 2000 STE child seats due to a faulty latch mechanism. This discovery was the result of a repeated crash-testing on the seats done by NHTSA.

If you are the owner of a Century model 2000 STE seat manufactured from December 1991 through April 1992 model numbers 4253, 4261, 4263, 4265, or 4266, contact Century Products toll free at 1-800-255-2220. They have designed a repair kit to fix the latch free of charge.

The model number and manufacturing year can be found on the side of the seat.

NHTSA also offers a safety hotline to answer any questions you may have regarding this or other safety recalls. The number is 1-800-424-9393.

TORCH LAKE TOWNSHIP NOTICE OF PUBLIC HEARING

The Torch Lake Township Planning Commission will hold a Public Hearing on June 15, 1993 at 7:30 p.m. in the Township Hall in Eastport. The object of the meeting is the request for a Special Use Permit by Mr. Russell Brown and Mr. C. Eugene Ostling of 1025 May Street and 203 Bridge Street, Charlevoix.

The Special Use Permit is to construct a number of pole buildings of various sizes to be offered for sale or rent. Such buildings are intended for, but not limited to, boat storage. Each building will have individual electric and telephone service. There will be no water or sewer facilities in any building unless subsequently applied for. The property for the Special Use Permit is described as 1309 N. US 31, Torch Lake Village, property tax I.D. number 05 14 325 021 10. This property is located in Section 25 and lies west of US 31 and east of Torchport Airport.

The regular meeting of the Planning Commission will be held immediately thereafter.

ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE ELECTORS OF ELLSWORTH PUBLIC SCHOOL,
ANTRIM AND CHARLEVOIX COUNTIES, MICHIGAN
TO BE HELD JUNE 14, 1993

TO THE ELECTORS OF THE SCHOOL DISTRICT: Please Take Notice that the annual election of the school district will be held on Monday, June 14, 1993.

THE POLLS OF ELECTION WILL OPEN AT 7 O'CLOCK IN THE MORNING AND CLOSE AT 8 O'CLOCK IN THE EVENING.

TAKE FURTHER NOTICE THAT the following propositions will be submitted to the vote of the electors at the Annual School Election:

MILLAGE RENEWAL/RESTORATION PROPOSITION I

Shall the limitation on the amount of taxes which may be assessed against all property in Ellsworth Community School, Antrim and Charlevoix Counties, Michigan be increased by 26.1 mills (\$26.10 on each \$1,000.00) on state equalized valuation for the year 1993, to provide additional funds for operating purposes, (this being a renewal of 26.1 mills for operating purposes which expired with the 1992 tax levy)?

MILLAGE RENEWAL PROPOSITION II

Shall the limitation on the amount of taxes which may be assessed against all property in Ellsworth Community School, Antrim and Charlevoix Counties, Michigan, be increased by 1.5 mills (\$1.50 on each \$1,000.00) on state equalized valuation for the year 1993, for the purpose of providing additional funds for the purchase of textbooks and computers or technology related hardware and software (this being a renewal of 1.5 mills previously earmarked for replacement of buses, two-way radio equipment, computers or technology related hardware and software which expired with the 1992 tax levy)?

ON JUNE 2, 1993, THE ELECTORS OF THE STATE OF MICHIGAN WILL VOTE ON AN AMENDMENT TO THE MICHIGAN CONSTITUTION OF 1963 WHICH WILL MATERIALLY CHANGE THE METHOD OF FINANCING SCHOOLS. IF THIS AMENDMENT IS APPROVED, IT WILL NOT BE NECESSARY FOR THE ELECTORS OF THIS SCHOOL DISTRICT TO VOTE ON PROPOSITIONS I AND II SET FORTH ABOVE. IF THE CONSTITUTIONAL AMENDMENT IS APPROVED BY THE ELECTORS, PROPOSITIONS I AND II SET FORTH ABOVE WILL NOT BE SUBMITTED AT THE ANNUAL SCHOOL ELECTION. HOWEVER IT WILL, IN THAT EVENT, BE NECESSARY TO REQUEST APPROVAL OF THE ELECTORS OF ADDITIONAL OPERATING MILLAGE FOR THE SCHOOL DISTRICT'S 1993 OPERATING TAX LEVY AND PROPOSITION "A" SET FORTH BELOW WILL THEN BE PRESENTED TO THE ELECTORS OF THE SCHOOL DISTRICT AT THE JUNE 14, 1993, ANNUAL SCHOOL ELECTION.

OPERATING MILLAGE PROPOSITION

(TO BE VOTED UPON IF PROPOSITION "A" IS APPROVED BY THE ELECTORS OF THE STATE OF MICHIGAN ON JUNE 2, 1993)

This operating millage, if approved, together with the 18 operating mills authorized for levy in 1993, pursuant to the amendment to the Michigan Constitution of 1963 approved by the electors of the State of Michigan on June 2, 1993, shall be the authorized operating millage for the school district's 1993 operating tax levy. The combined operating millage, if approved shall be 21.47 mills.

PROPOSITION A

Shall the limitation on the amount of taxes which may be assessed against all property in Ellsworth Community School, Antrim and Charlevoix Counties, Michigan, be increased by 3.471 mills (3.471 on each \$1,000.00) on state equalized valuation for the year 1993, to provide additional funds for operating purposes?

CAPTURED IN MID-AIR, this leap earned East Jordan's Callie Ransom a first place in the GNC long jump. See page 9 for more photos.

Hard work pays off at GNC

East Jordan High School women's track team finished a strong second in the May 26 Great Northern Conference.

The event had a special significance, as first or second-placers qualified for All Conference honors.

Splitting the six first-place finishes in individual events were Callie Ransom and Tina Richards.

Ransom's aces came in the 100 m. dash (13.02), the long jump (15 ft., 8 1/4 inches) and the 200 m. dash (27.57).

Richards claimed her wins in the 1600 m. run (5:34.70), the 800 m. run (2:27.86) and the 3200 run (12:21.45).

The 800 m. relay team of Anna Salinas, Melissa Spence, Angie Inman and Ransom also ran down a first-place finish.

Earning seconds were Kristina Ruhling (shot put, discus) and Spence (400 m.) The 3200 relay

team of Erica Olafsson, Inman, Spence and Richards also snagged a second place spot.

Coach Dennis Snarey congratulated his team on their super effort at the Wednesday meet, and the hard work all season that made it happen.

"I really have to thank this team for giving so much to me, beyond just running the race," he said. "I love them all."
