OUR WEATHER

A cooler week, with occasional showers and highs in the 70s, warmed to a bright Wednesday and a warm and humid Thursday. Falling temperatures and overcast skies Friday preceded the traditional Labor Day farewell-to-summer weekend. Forecasters were predicting a partly cloudy holiday, with highs in the low 70s and some rain.

EAST JORDAN
EDITION

Saying goodbye to summer

Photos by Deb Saygers Hobbs

The September days that signal the start of a new school year were still "next month" as these youngsters savored the freedom of an August afternoon on an East Jordan breakwall.

Pictured are (left) Brent Rake and Mike Lewin, (right) Toby Breakey and Joe Garnett.

East Jordan schools now at financial risk

BY DEB SAYGERS HOBBS
Contributing Writer

As a new school year begins this week in East Jordan, a dark cloud hangs over the district.

The specter is Headlee and the recent tax assessment increases that have put East Jordan out-of-formula for the first time. This means the district loses \$600,000 in state aid.

"From our perspective, we can place the blame in Lansing," said district superintendent Chip Hansen.

According to Hansen, several factors have led to the disaster.

State aid based on student enrollment was frozen at 1991 levels, causing high-growth districts to lose — for East Jordan, it cost nearly \$200,000.

Secondly, the 1992 tax freeze and subsequent jump in assessments caused a 22.9 percent SEV increase in the district. This average figure was due to the large amount of lakefront property where assessments increased as much as 40 percent.

The Headlee Amendment was designed to limit revenue increases to the rate of inflation, approximately three percent per year. Headlee forces East Jordan's millage, which has remained at 37.5 mills for several years, to be rolled back to 32.2191 mills, more than a five-mill reduction.

As a result of the rollback, East Jordan loses \$500 in state guarantees per student.

"We epitomize the Engler platform and we're the ones getting the shaft."

Superintendent Chip Hansen

Therefore "local millage effort" is less than the established criteria to keep the district in-formula. This Catch-22 results in the \$600,000 loss of state aid.

The state also will penalize out-of-formula districts' "prosperity" by expecting the school system to absorb employee social security payments this year.

An override of the Headlee Amendment will be East Jordan's only chance to prevent fiscal collapse. The proposal to waive Headlee will be on the ballot Sept. 13 in a special election.

The intimidating language of the proposal can be confusing and misleading. The legislature requires that the Headlee waiver read as an additional 5+ millage, even though this is not the actual case. This is millage already supported and voted for by the community.

The Headlee override will simply reinstate last year's 37.5 millage with the new assessments.

"We have to get the Headlee override," emphasized Hansen.

He is particularly frustrated by the lack of state support for East Jordan.

"We epitomize the Engler platform and we're the ones getting the shaft," said Hansen. East Jordan Schools recently received accreditation by the North Central Association.

The district follows state directives at every turn, embracing outcomes-based education, keeping costs down with teacher salaries significantly below state average, meeting all quality standards and making the effort to cut \$90,000 from this year's budget already.

What will happen to the district if the Headlee override is not approved by voters?

"The board is committed to running the first nine weeks at full steam," said Hansen, in either case. With no override, the district will be forced to approach voters for increased millage in late October.

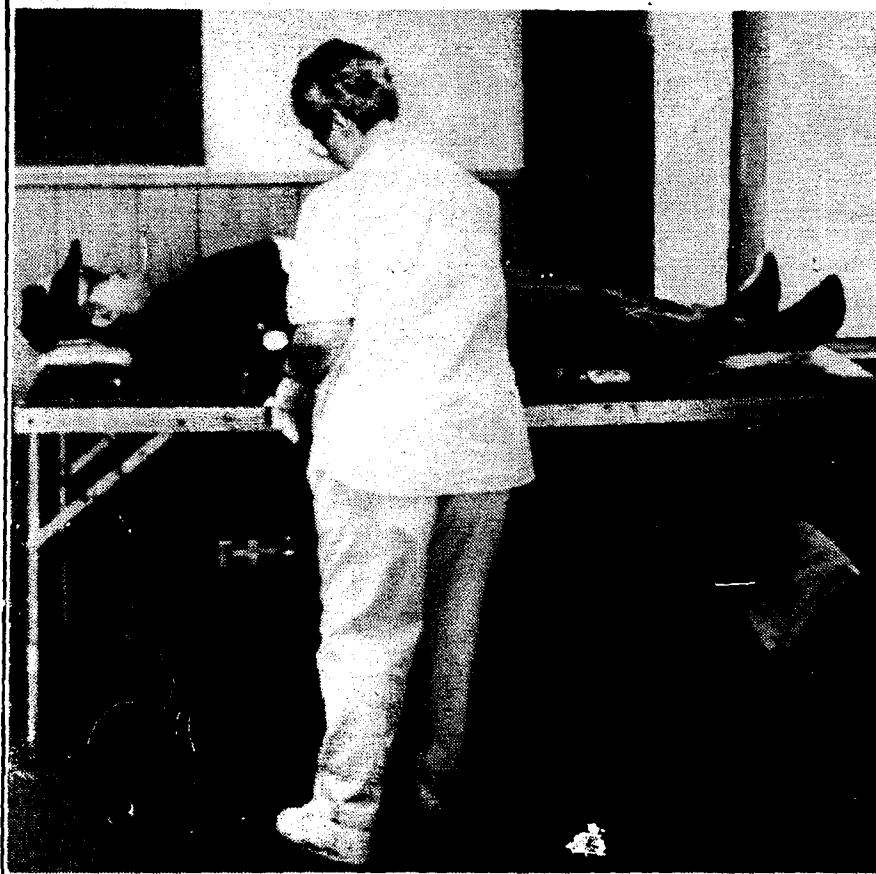

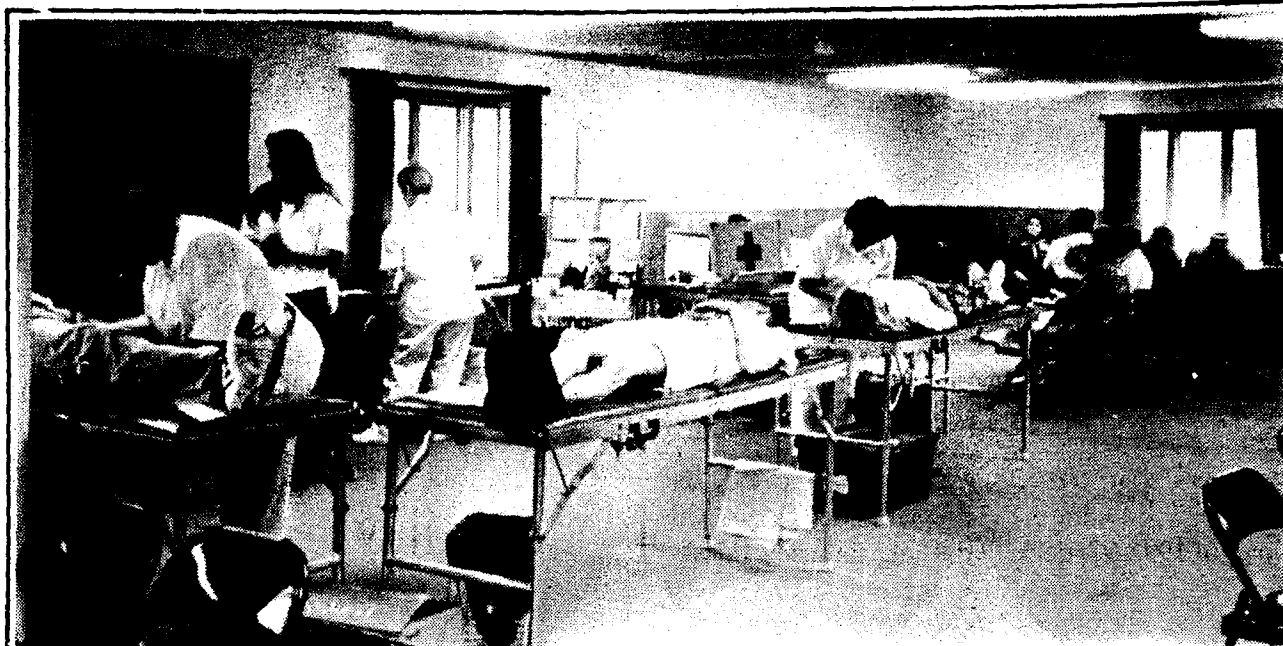

If that attempt to increase revenues fails, radical cutbacks will begin.

"The list is devastating," said Hansen, "transportation, athletics and much more would have to be considered. The program would be unrecognizable after the cutbacks."

On the positive side, Hansen noted, the crisis will only last for this year. School districts throughout the state are hoping the legislature will come through with a positive change.

In the meantime, Hansen is confident East Jordan voters will support another year of quality education.

"A no vote on election day isn't going to hurt the state, it's going to hurt the kids," Hansen concluded.

69 donors make EJ blood drive a success!

DONORS FILLED the tables at the Aug. 31 Red Cross Blood Drive, despite a press release that gave newspapers the wrong day and date for the life-saving event.

BEATING THE CROWD to make his 70th blood donation was Al Kapanowski of East Jordan, here putting donor tech Sharon Kirkey to work. The crowd soon arrived, though, sending everybody into action with the pre-donation screening and techs busy with donors on every table.

Blood drives consolidated

Ellsworth and Central Lake blood drives have been consolidated so all donors will be eligible for all drives occurring in north Antrim County for 1992-1993.

Blood donors from the May 14 drive at Central Lake will be eligible for the North Antrim County Blood Drive Sept. 14 at the Ellsworth Community Building.

Use of blood to save lives increases dramatically during the summer due to the increased summer population. There's too little blood being donated to meet northern Michigan's medical needs to maintain an adequate supply of blood for the community.

The American Red Cross is asking both new and experienced blood donors to volunteer to help others by donating blood at the Ellsworth Community Building on Tuesday from 2 to 6:45 p.m.

Those who are at least 17 years of age, weigh 110 pounds or more and are in good general health may donate every 56 days. Seniors may continue to donate beyond 70 years of age.

Recent changes in the American Red Cross health criteria may make it possible for those formerly rejected to donate. If any questions please contact the American Red Cross Nursing Department at 1-800-432-0083.

Register now for high school, community education classes

Registration for adult high school completion classes is underway in communities served by Antrim-Kalkaska Community Education.

The fall semester begins Sept. 13 and runs for 16 weeks.

Any adult wishing to earn a high school diploma may take classes free of charge.

Classes are tailored for adults and instructors teach according to individual need.

To find out how many credits you need to earn your diploma, or to get further information on classes, contact the coordinator in your area:

- Alba and Mancelona - call Denise Plakmeyer

at 587-0340.

- Bellaire, Central Lake and Ellsworth - call Jennifer Bradford-Vernon at 533-6469. Central Lake residents may also call Ruthann Hebden at 544-8091. Ellsworth residents may call Irene Shooks at 588-6315.

- Kalkaska - call Lavioris Runyon at 258-4994.

- South Boardman and Fife Lake - call Mary Guy at 258-5140 or Mary McPherson at 879-4149.

If you did not receive a full listing of adult education classes in your mailbox, call 258-5140 and one will be mailed to you.

Business After Hours scheduled

The East Jordan Area Chamber of Commerce will begin the fall series of "Business After Hours" Sept. 13 from 5 to 7 p.m. at Elm Pointe.

FMB-Northwestern bank is the proud sponsor of the popular Chamber event. Four \$25 gift certificates to be used at any Chamber member business will be drawn during the evening, courtesy of FMB. Registration will be held at the door and you must be present to win. Refreshments and hors d'oeuvres will be served. There is a \$3 donation asked at the door.

Chamber members and guests are urged to attend this special function. Business After Hours is a great way to meet the business people, community leaders and friends in a social setting. "Come celebrate "Operation Face-Lift" and meet the many new chamber members and new business owners!"

Please R.S.V.P. by Sept. 10 at 536-7351.

Get involved with Operation Facelift!

Be a part of a community-wide project to improve the downtown district "Operation Facelift" that is being sponsored proudly by the East Jordan area Chamber of Commerce.

Volunteers are needed for the initial "Paint-In Phase" of the extensive renovation project that was kicked off in May of this year.

The "Paint In" will be held Sat., Sept. 11, at 8:30 a.m. Meeting place will be at the East Jordan Senior Center, and painting is scheduled for 9 a.m. Volunteers are being asked to bring paintbrushes, ladders and wear paint clothes. Rain date has been scheduled for Sat., Sept. 18.

For further information on this exciting project, contact Jane Meade at 536-7470 or 536-2800.

SIDEROADS

THE FACES OF FORMER East Jordan school teacher D'Ann Rothenberger and her 1992-93 fifth-grade class will be broadcast on Public TV Channel 6 this Friday at 7:30 p.m.

Filed in May when Rothenberger and students visited Charlevoix County's one-room Star School in period costume, the clip will be shown on the Sept. 10 *Michigan Magazine*.

If you miss it, don't despair. According to that nice Joe Hammond, who gave us this exciting tip, reruns of the program are broadcast each Saturday at 9 a.m.

IT'S ALMOST unheard of, and we hope

you weren't inconvenienced by it. But long-time *Torch* printer Terry Donaldson gets sick so seldom, operations at our Central Lake office simply went topsy-turvy when the flu bug bit him - hard - last week. While busy Jackie Thier doubled her usual whirlwind pace to cover all the bases, new *Torch* editor Lynn Geiger did her level best to keep up with a constant stream of visitors and phone calls. Although he's still housebound as this is written up for an early Labor Day deadline, it's expected that Donaldson will be back to his old self by the time you read this (in which case, maybe you should send

flowers to his plucky co-workers, instead!)

OLDEDITORS never die - they just coach high school sports. Well, at least Bob Cullen, *Torch* and *EJ* editor during the winter of 1992-93, does. The literary jock was spotted at a recent Central Lake JV girls basketball practice, inspiring his young athletes with blackboard messages like, "Good defense is a continuum," during his pre-play pep talk. (Hey Bob, does this mean you might take an occasional sports photo for us?)

ACTUALLY, THAT'S a question we'd like to pose to the world at large. With sports teams from three great towns - Central Lake, Ellsworth and East Jordan - to cover, and a busy young editor who goes to a second job after she leaves this one, we need all the help we can get to provide area athletes with the coverage they deserve.

Bottom line? If you're handy with a camera and attend local games on a regular basis, you could be a hero in your own hometown, and get a by-line to boot! Just bring in your developed color shots as soon after the action as possible, iden-

tify players from left to right, and include a daytime phone in case of questions. We'll do the rest.

DID YOU CATCH the piece titled "Try Central Lake for scenic rides" in the Aug. 27 *Traverse City Record Eagle*? We did - thanks to that nice Carol Juracko who dropped off a copy for our benefit.

Recommended by columnist Mike Terrell: Three local rides, from 14 to 22 miles in length. The 18-mile trip around Intermediate Lake was recommended as the easiest - "mostly flat with undulations along the way ... no hills."

The scenic 14-mile run from the village to Ellsworth along C-65 also came in for praise. But it was the trip to Pleasant Valley along CR-624 (east out of Central Lake) that generated the most riveting prose. "This 22-mile ride will take you over the "Mother of Hills," Terrell wrote. "As you fly down the other side, be prepared to turn at the bottom onto Skinkle Road. I've reached coasting speeds of 45 mph on this down-

hill run."

Also getting the nod in the B-section front page

piece: The Lamplight Inn, Tapawingo and Rowe Inn.

STUDENT NEWS

Area grads receive honors

Central Michigan University has announced area grads who made the spring semester honors list. From Central Lake were Kirk M. Beebe, Matthew D. Perkins, Erica L. Powers, Kara E. Powers, Scott J. Youmans, and Megan P. Young. From Ellsworth were Marc

A. Heneveld and Jennifer K. Veenstra and from East Jordan, Timothy E. Russell.

These students completed 12 or more letter-graded hours of class credit and earned semester averages placing them in the top 10 percent of their classes.

CMU announces graduates

Local students who earned degrees during Central Michigan University's May commencement exercises were Marc A. Heneveld, Bachelor of Science; Melissa G. McPherson, Bachelor of Applied Arts; and Laura L. Reid, Bachelor of Science in Education, all from Ellsworth. From East Jordan were Lauren K. Shank, Bachelor of Science in Business Administration; and Marcia P. Straubel, Bachelor of Science.

Volunteers needed for third annual Great Lakes Beach Sweep

The Inland Seas Education Association will again act as the Northwest Michigan coordinator for the 1993 Beach Sweep; the third annual event will be held Sat., Sept. 18, 9 a.m. to noon.

Volunteers are needed in Manistee, Benzie, Leelanau, Grand Traverse, Antrim, Wexford and Charlevoix counties. Scouts, environmental groups, school children, senior citizens, families and others interested in participating are encouraged to pick a beach and help make it more beautiful.

The goal of Beach Sweep is to remove and document debris from the shores of the Great Lakes and determine the type and source of beach litter. The event will take place throughout the entire Great Lakes region.

ISEA will provide data cards (which compile and analyzes data from all beach sweep cleanup areas) for participants interested in helping with the project. Anyone interested in volunteering as a group or as an individual should call the ISEA office at 271-3077.

Local doctor retains AAFP membership

Dr. Thomas F. Curtin of East Jordan has completed continuing medical education requirements to retain Active membership in the American Academy of Family Physicians (AAFP), the national association of family doctors.

AAFP members are required to complete a minimum of 150 hours of accredited continuing

medical study every three years. AAFP was the first national medical group to require members to keep up with medical advancements through regular continuing medical education.

Dr. Thomas F. Curtin has been an Active AAFP member since 1985. As a family physician, Dr. Curtin is qualified to work in all major areas of health care and trained to treat patients of all ages for the vast majority of health problems.

North of Town

— by Frances Young 544-6209

Vesta Campbell and niece Tina Smith of Ann Arbor were weekend visitors of Vesta's parents Miller and Frances Young, and sister Josie Young. Sunday, the ladies were in Interlochen to enjoy a musical program put on by the choirs and bands from Ann Arbor, Huron and Pioneer High School. Troy Symphony Band also presented a few numbers. Granddaughter Sarah Smith took part in the Ann Arbor High School Band.

Jack Sage and Joe Forrest of Grand Haven are camping in Thurston Park. They are also visiting Eileen and Kay Sage. Jack Sage Jr. was a visitor over the weekend.

LifeLink PLUS TAKES AWAY THE WORRY ABOUT AMBULANCE BILLS!

LifeLink Emergency Medical Service Technicians Jay Neff and Kathy Thompson of Bellaire transport a patient to the ambulance.

LifeLink is proud to announce that Advanced Life Support is now available to Bellaire area residents. Advanced Life Support offers many advantages:

1. Advanced Life Support allows LifeLink trained Emergency Medical Technicians to provide advanced treatment at the scene of an emergency. When time can mean the difference between life and death, LifeLink Paramedics now are able to start IVs administer drugs, and begin cardiac monitoring.
2. Advanced Life Support means you'll receive life-saving care quicker and before you arrive at a hospital. Advance Life Support is vitally important to area residents who have to travel 35 miles or more to a hospital.
3. Advanced Life Support will save you money. Patients will no longer receive two ambulance statements, one from LifeLink and a second from an "intercept" ambulance. You'll receive one easy-to-understand statement.

To further your savings, LifeLink is offering special membership in its LifeLink Plus Program. Did you know Medicare and many other insurances will not cover the entire cost of an ambulance bill? Many companies only pay half the cost of emergency medical services, leaving you the balance. LifeLink Plus membership qualifies a household for unlimited emergency ambulance service and transportation for all doctor-approved transfers within a 75-mile range that are medically necessary to and from hospitals and nursing homes.

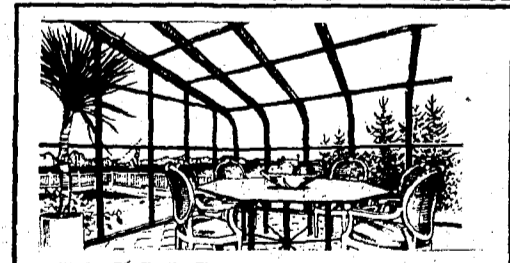

Now the residents of Bellaire area can protect their family from these unexpected bills by joining LifeLink Plus. LifeLink Plus membership is being extended until September 15, 1993, to allow Bellaire area residents to take advantage of this special \$39 annual fee program. Join the more than 4,000 residents from throughout northern Michigan who have taken advantage of this offer, as explained in a recent membership application you've received in the mail!

To learn more about LifeLink and the LifeLink Plus Program for Bellaire area residents, call our toll-free number, 1-800-533-7178!

JO'S NEWS

by Jo Somerville
- 544-6347

Our village seems much quieter and we must say we miss some of their smiling faces at times in restaurants and other jobs as many of the young graduates have left for college. We wish them well.

Mr. and Mrs. Charles Arnold of DeWitt spent the past weekend here visiting their mothers Mrs. Hattie Arnold in Eastport and Decima

Wilson and brother Truman and Wilma Wilson. After spending a month vacation out West.

Howard Dunlop and friend of Illinois spent the past weekend as guests of his mother Beatrice Kaeser helping her with some chores and enjoying dinner out.

Roy Landis and son of Peck spent vacation time here at their

property on Beal Lake enjoying some fishing and visiting neighbors and friends.

Mr. and Mrs. Scott Faas of Livermore, Calif. are here as guests of their parents Jack and Barb Faas. Visiting their grandmother Jean Ruttan and school friends.

Brian and Kathy Patton and son Byron of Rushton Rd. made a weekend trip to Lin-

coln, Neb. to visit their parents John and Joanne Best at a motel. To bring their daughter Shawnsy home after visiting a month with her grandparents in New Mexico.

Bill Scadin enjoyed the past week visiting his son Mr. and Mrs. Douglas Scadin in Omaha, Neb. and other friends.

Donna Lokker of Grand Rapids is here

spending the week with her mother Theo Farrell, brother Richard. Taking her mother to have eye surgery and doing some chores for her.

Trip

A wonderful trip was enjoyed by 15 Senior Citizens Tues., Aug. 30 leaving the Governmental Center at 7:30 a.m. on school bus driven by Norm Perkins (a last minute job) and Lena

Snodgrass as hostess. We enjoyed a tour of "Shrine of Pines" about 2 mile south of Baldwin. It's on Pere Marquette River and a fabulous place made all of white pine stumps and roots and polished up to 7th degree. One table weighs 200 lbs. A beautiful log cabin houses all the prized possessions. Also visited a pottery shop and alot of pretty articles for sale.

Lopers honored on anniversary

Many friends and relatives of Bernard (Pode) and Mary Loper attended the Sun., Aug. 15, open house in celebration of their 50th

wedding anniversary. They gathered in the Fellowship Hall of Grace Community Church where the couple received many

cards and gifts for the occasion.

"We especially appreciate the time and effort of our children

and grandchildren in making this such a special day," the Lopers said afterwards.

Festival of trees seeks sponsors

The Seventh Annual Festival of Trees project will open Nov. 25-28, and volunteers seek additional area businesses and individuals to participate as sponsors. The event takes place at the Dennon Museum Cen-

ter; all proceeds will be directed this year to the Traverse City Community Hospital Radiology Department.

In addition, the Decorator Committee seeks volunteers to decorate trees for this year's

event. Those interested should contact the Grand Traverse Health Care Foundation at 922-8424 for further information.

Remember When...

The Central Lake Post office was located on the corner of State and Main, where Ager Heating is now? There was excitement in the air at "mail time," coming from the south and later in the day from the north by train. In the spring, the building was filled with peeping of chicks, and people gathered for the sorting time. It was a slower paced, happy time.

OBITUARY & DEATH NOTICE

Lucy Genevieve (Sanford) Engelhard

Lucy Genevieve Sanford was born June 16, 1899 the oldest of four children, to Eugene and Rachel Sanford of Alanson, Mich., she being the last survivor of her immediate family. She grew up on a large, general farm in the Alanson area. She attended Alanson High School into the 10th grade, when she quit school to go to St. Louis, Missouri for three years' treatment of a birth defect.

On Dec. 21, 1925, Lucy was married to Louis Fredrick Engelhard of HiWood, Minn. Three children were born to this union: Mrs. Raymond T. Jackel, a registered nurse, of San Antonio, Texas; Elder James H. Engelhard of Battle Creek; and Elsie Coit of Rochester, N.Y.

In 1935, the Engelhard family moved to an 80-acre farm near Ellsworth. The couple retired from the farm in 1966 and moved to Boyne City, where Louis died in 1971 at the age of 79. Lucy lived alone for 10 years, under the watchful and loving eyes of her brothers and sisters of the Reorganized Church of Jesus Christ of Latter Day Saints, of which she had been a member since her early 20s.

In 1981, after recovering from a fractured leg due to a fall, Lucy Engelhard traveled by plane to San Antonio to live with her daughter Doris and family. She passed on, a "Graduation to Glory," on Friday afternoon, July 30, 1993, at the age of 94 years. Survivors include her three children, seven grandchildren, 10 great-grandchildren and a host of friends.

She willed her body to medical Science, the remains of which will be interred beside her husband at Alanson. A Aug. 1 Memorial Service was held at The Reorganized Church of Jesus Christ of Latter Day Saints in San Antonio.

Memorial gifts may be made to The R.L.D.S. Temple Independence, Missouri 64051.

Arthur R. Shumaker

Arthur R. Shumaker, 79, of Bellaire, died unexpectedly Tues., Aug. 31, 1993, at home.

Funeral services were held Fri., Sept. 3, at the Bellaire Chapel of Mortensen Funeral Homes. Services were presided over by Arthur's son-in-law Charles Harlan. Interment was in Lakeview Cemetery, Bellaire.

Watch for animals while driving

Those hazy summer evenings, when there's just a hint of fog in the air, making the road a little tough to see - these are the nights the deer like to roam the highway. This doesn't help Michigan drivers - deer can be as dangerous as another car; they blend into backgrounds, and leap out quickly from the roadside. In Michigan in 1991, there was a total of 48,233 deer-related automobile crashes.

Being alert in fog or darkness, especially on rural roads, is one way to prevent another animal crash, but buckling up prevents you from becoming a casualty in a wildlife accident. Be aware of animals on the roads - and remember to buckle up.

Central Lake's beginner T-ball team thanks Northern Screen Printing and Kross Talent for donating our hats! Pictured are: (Back row) Smantha Oliver, Brittany Waller, Connor Dawson, Mike Boni, Jerime Monroe, (Front) Kristin Plaggemars, Merrra Christian, Hunter Detar, Tylor Morris, Luke LaPointe, (Not Pictured) Michelle Schmidt, Michelle Halladay, Coach Wendy Dawson.

THE ILLUSTRATED BIBLE

We All Reap God's Harvest

"While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease." - Genesis 8:22

It is good at this time of year, harvest time in many areas, that the mercy of God has provided a regularity to nature. The rhythms of the days and seasons offer not only man but the earth itself a period for change, for the replenishment of spirit and soil and an opportunity for the blossoming and fruitfulness of our souls and the bounties of the earth. At this time of harvest, we should all ponder on the genius of the Lord and His creation, and give special thanks for His thoughtfulness in letting us reap the harvest of His beneficence.

Field Day benefits firemen and ambulance

Torch Lake Township Firemen's Field Day chairman Reg Bird

recently presented a new inflatable rescue boat with a 15 h.p. mo-

tor and trailer to Stan Dawson, chief of the township's fire depart-

ment and a check for \$1,000 to Ken Milne, president of the Torch

Bay Ambulance.

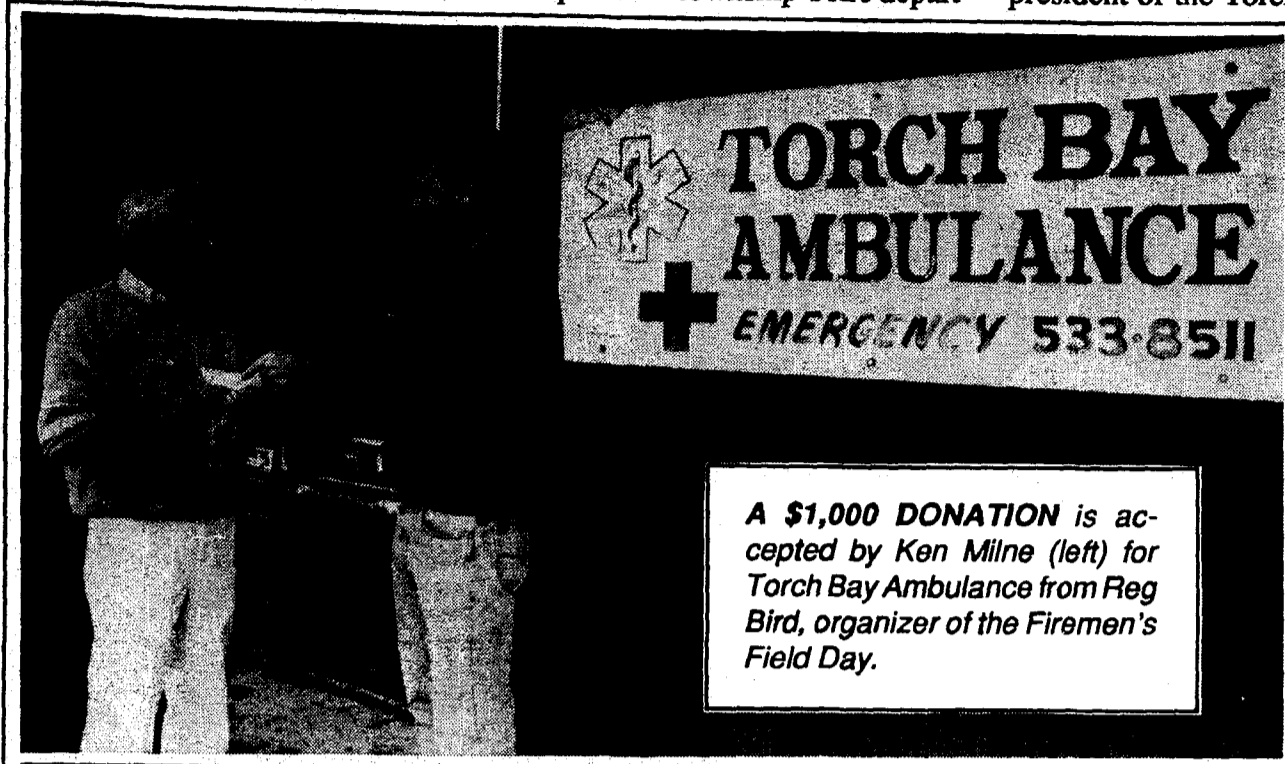

The gifts represented the profits of the very successful Firemen's Field Day held at Barnes Park Aug. 7.

"This generous gift from the Firemen's Field Day Committee and the community as a whole enables our Fire Department to respond quickly and effectively to emergencies on the water for the first time," Dawson said.

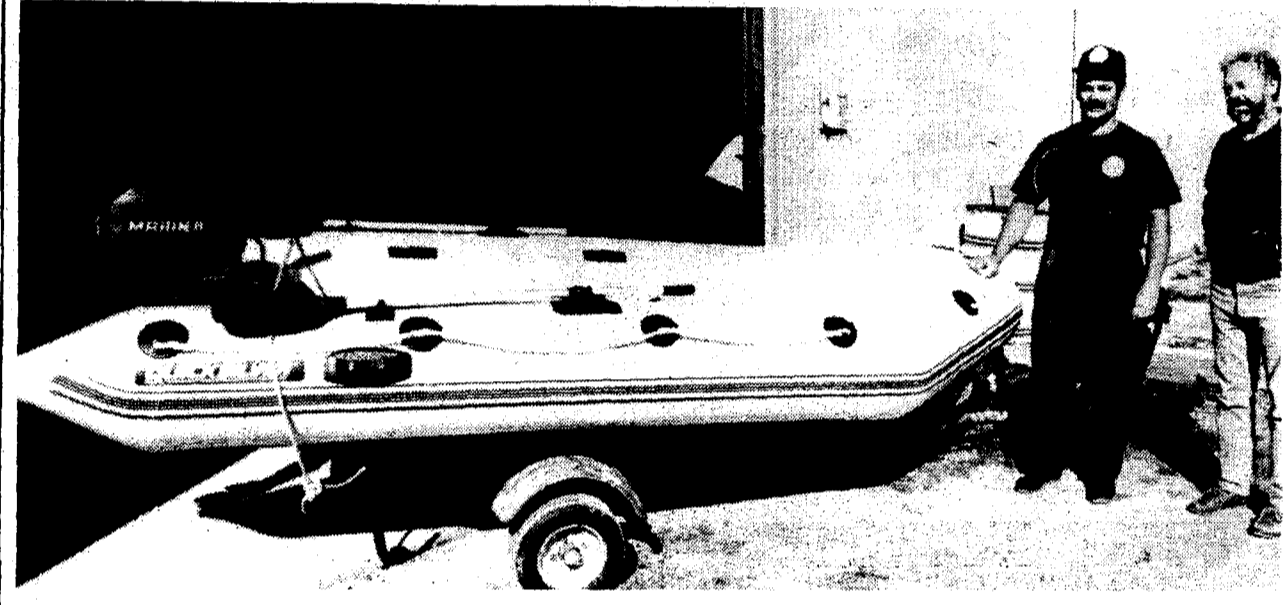

"While it is relatively easy for us to borrow a

boat quickly in the summer, it is very difficult to find an appropriate boat in the fall, early winter and the spring when everyone has them put away. This inflatable is easy to get into the water fast, and it can handle Torch Lake and Lake Michigan waters effectively and quickly. We have training sessions scheduled to make sure all our firemen are up to speed," he explained.

Milne was somewhat *continued on page 9*

A \$1,000 DONATION is accepted by Ken Milne (left) for Torch Bay Ambulance from Reg Bird, organizer of the Firemen's Field Day.

ADMIRING THE NEW rescue boat for the Upper Torch Lake fire department are chief Stan Dawson (right) and Reg Bird.

Freedom from smoking classes set

Successfully quitting smoking and having fun in the process is the goal of the Freedom from Smoking program which is sponsored by Charlevoix Area Hospital and the American Lung Association.

Weekly sessions held at 7 p.m. in the mobile unit meeting room will run from Tues., Sept. 21 through Nov. 2 with two sessions during "quit week" on Oct. 12 and 14.

Cheryl Jacobs, respiratory therapist and

program leader, said, "The program really works because we don't quit 'cold turkey' the first night, and people find the support they need in the group to make breaking the habit permanent."

The first session is an orientation meeting when the program outline will be explained. "Quit night" will be Oct. 12. In addition, nicotine patches will be made available free of charge at the class, if desired, through the

Health Department.

Pre-registration is required. A minimum of 12 registrations must be received in order to hold the class. Cost for the program is \$65.

For further information or registration call Charlevoix Area Hospital at 547-4024.

Local hunter chosen for elk hunt

The Department of Natural Resources announced that 165 Michigan residents have been randomly selected to participate in the state's September elk hunts. Fifty-five licenses will be issued for each of the three elk hunts: Sept. 8-12; Sept. 15-20; and Sept. 23-

29. Selected from this area was Steven Sloop of East Jordan. His permit allows Sloop to target only antlerless elk.

The successful applicants were computer drawn from 25,128 persons who applied for the September licenses. Cer-

tified letters have been mailed to all successful applicants.

Of the 165 hunters, 123 will be allowed to take only antlerless elk, while 42 will have the choice of taking an antlered or antlerless elk.

This year's elk hunting area includes parts of Emmet, Charlevoix, Cheboygan, Otsego, Montmorency, and Presque Isle counties. The September elk hunts will be held in areas with mostly private land where hunting access has traditionally been difficult to secure during December.

The September elk hunts will be followed by a Dec. 7-14 elk hunt, for

which 195 additional licenses will be issued. (This will bring the total number of elk hunting permits to 360—the most ever issued in Michigan in one year!) Separate applications for the December hunt must be submitted and postmarked by Sept. 15. The names of unsuccessful applicants from the September drawings will be entered in the drawing for licenses for the December hunt.

Unsuccessful applicants for '93 elk hunts will not be notified.

The 1993 Elk Status Report is available by contacting the DNR's Wildlife Division at 517-373-1263.

I LOVED THIS BOOK . . .

Streets of Laredo

By Larry McMurty

Although a sequel to the Pulitzer prize winning *Lonesome Dove*, the reading of that novel is by no means a prerequisite to the enjoyment of this book.

Capt. Woodrow Call is now a bounty hunter, his reputation and success intact. But Woodrow is an old man and many of his compatriots of the Hat Creek trail drive from Texas to Montana are dead ... Augustus, Newt, Deets, Jake. Call has been hired by the railroad to track and kill a youthful, but cruel and clever Mexican bandit, Joey Garza, who has robbed and murdered dozens of passengers. At the same time, psychopathic, inhuman Mox Mox, whose repugnant trademark is burning his victims alive, is spreading terror into the vast and lonely territory of the Texas Panhandle and northern Mexico.

Call takes with him an incompetent but likable eastern railway accountant and his old corporal from the Texas Rangers, Pea Eye Parker. Pea Eye is now happily married to Lorena, ex-whore of *Lonesome Dove*, now a school teacher and mother of five.

In Mexico, Call meets Maria, Joey's widowed mother, who is living in a poor village, struggling to care for and protect her retarded son and small, blind daughter. She cannot understand how Joey has become the acme of evil, nor why he had come to detest her and his siblings, but she must try to save him from Call and from himself.

Real life characters such as the killer John Wesley Hardin, Judge Roy Bean and the famous cattleman, Charles Goodnight, are introduced along the journey. This story represents not only the battle between Call and Joey, but between decency and barbarism. Lorena goes into the barren lands in midwinter to bring her husband back to his family. Maria rides along into Crow Town, a filthy village populated by casual killers, to warn her son. Brave and gallant women, indeed.

The final conflict is full of both irony and hope for the triumph of civilized values. This book is available in your Central Lake Township Library.

By Marcia Pepke

Field Day benefits firemen and ambulance

continued from page 7
surprised by the \$1,000 donation.

"We didn't expect this, but we can sure put it to good use. We are most appreciative, and we know this will benefit the whole community. It is wonderful to have Firemen's Field Day back after eight years, not only for the financial contribution to good works like this but mostly because it has been a tradition

around here and everybody lives it," he commented.

Torch Lake Township's Firemen's Field Day was the most successful in the history of the event, according to long-time participants like Betty Edwards who chaired the bake sale this year.

"We were almost sold out of baked goods before noon. I've never seen such a thing," she

said. Edwards has attended and worked at some 40 Field Days in Barnes Park in Eastport.

Field Day officials estimated 1500 people enjoyed this year's event which started with a children's dress-up parade, midway games (including a "tattoo parlor" with fancy press-on/wash off tattoos) and a golf pitch.

The dunk tank was a

big hit, with township supervisor Kim Schmidt, clerk Elva Cowell, board members Rochelle Smedley and Jerry Hubbell as dunkees along with Sharon Schultz and Harold Kruse of the Torch Bay Ambulance group.

"The success of the Field Day is due to its long history here and because there is something for everybody all day long," Chairman

Reg Bird said.

"Kids and would-be kids loved the field events like the sack races and the egg toss, and the greased pole was a big hit. Adults loved watching the kids' talent show and browsing at the craft stands. And everybody liked the old fashioned chicken dinner with all the trimmings including Mrs. Lundy's famous cole slaw. The raffle was a lot of fun

and we sold out of tickets because we had over 70 prizes donated from local merchants and individuals. It was a great day!" he concluded.

Because the day was such a success, the Torch Lake Township Firemen's Field Day Committee has reserved Aug. 6, 1994, for next year's event, and plans are already underway.

East Jordan cheerleaders triumph twice

The 1993 East Jordan High School varsity fall cheerleaders competed at the Aug. 28 "Show Your Spirit" competition sponsored and held by the Cherryland Mall in Traverse City.

The girls returned home double winners. They were second in the competitive cheer division and first in the optional dance competition.

The spirited squad will be starting off the year with two new trophies and lots of contagious spirit and enthusiasm.

The final awards in each

division went to first-place Boyne City, second-place East Jordan, and third-place to Manistee Catholic Central High School.

Only first place is awarded in the dance division and that was brought home by our own East Jordan Red Devils. Other schools competing in the class C-D division were Bellaire, Brethern, Traverse City St. Francis, Suttons Bay and Charlevoix.

In the class A-B division, Gaylord was the first-place team, followed by Roscommon and Petoskey respectively. Other com-

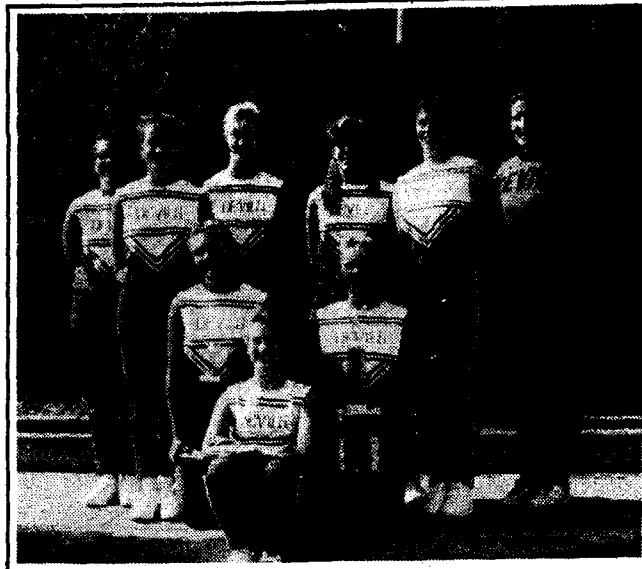

petitors in the A-B division were Kalkaska, Oscoda, and Traverse City. Kalkaska was first in the dance competition.

In the junior varsity division, Suttons Bay placed first, Brethern second, and Manistee Catholic Central won the dance division in class C-D. In class A-B, Oscoda was first and Kalkaska second. Oscoda also won the dance division. Members of the East Jordan Junior Varsity Cheerleading team who competed were Mary Alice Brooks, Miki Ford, Amy Frank, and Becki

Whiteford. East Jordan will be hosting an area cheerleading

clinic Sat., Oct. 23, which will feature the teams competing at the end of the

day. The public is urged to come out and support the cheerleaders.

TAKING TWO TOP honors at the recent "Show Your Spirit" competition were 1993 Fall Varsity Red Devil cheerleaders (back, from left) Belinda Moore, Alicia McCoy, Jenni Dunson, Sarah Mogan, Traci Barnett, Mascot Barb Mazzella, (kneeling) Kim Goebel, Carrie Brown, (front) Rheanna Zitka.

**NOTICE OF
PUBLIC HEARING**

The Antrim County Road Commission will hold a public hearing on September 20, 1993 at 7:30 p.m. in the commissioners room at the Antrim County Court House in Bellaire, Michigan. The purpose of the hearing is to receive public comment prior to final adoption of a system of seasonal county roads in accordance with state law (Act 51, Public Acts of 1951, as amended). This proposed action involves no substantive change in existing commission policy or operations. The action will, however, serve to identify seasonal roads and allow appropriate signing to inform the public of their status.

It is proposed the following roads become the Seasonal County Road System in Antrim County and may not be open to public travel during the months of November through April:

**MANCELONA TOWNSHIP
T29N, R5W**

Caution needed around school buses

"It's vital that motorists be aware of the law concerning school buses because children are not always looking out for themselves," announced Betty J. Mercer, executive director of the Michigan State Police, Office of Highway Safety Planning.

■ Do not cross the road until signaled to do so by the bus driver.

■ Make sure the bus comes to a full stop before entering or exiting.

■ Don't go after anything that rolls under or in front of the bus, instead tell the driver about it.

■ Never walk right in front of the bus, behind the bus or close to the sides or wheels.

■ Know where the emergency doors and windows are.

■ Arrive at the bus stop about five minutes early.

■ Line up when the bus approaches.

■ Stand back at least six feet to give the driver room to pull over.

The Pupil Transportation Act of 1990 requires all vehicles to come to a complete stop at least 20 feet from a school bus with overhead red lights flashing. Vehicles may proceed only when the overhead red flashing lights have been turned off.

Upon approaching a school bus with overhead yellow flashing lights, use caution and prepare to stop.

Drivers do not need to stop when a school bus has its overhead red lights flashing on the opposite side of a street divided into two separate roadways.

When only yellow hazard lights are flashing, vehicles may proceed with caution past the bus.

Parents should also be sure their children take extra caution near school buses. At special risk are younger children. In 1990, national statistics showed that 36 percent of bus fatalities involved children aged 5-9.

Safety points for student bus riders to remember include:

Area grad completes basic training

Airman 1st Class Denise A. Shea has completed Air Force basic training at Lackland Air Force Base in San Antonio, Texas. During the six-week period, Shea studied the Air Force mission, organization and customs and received special training in human relations. The daughter of Dennis C. and Mabel M. Shea of East Jordan, Shea is a 1991 East Jordan High School graduate.
