**OUR WEATHER**

The clouds chased the sun all week, with the final result being pretty evenly divided between them. Rain followed the overcast skies, falling about every other day. Sept. 30 saw the first hard frost; summer flowers and tomatoes were hard-hit all over the county. Gusty winds over the weekend took the first fall leaves from the trees. Highs most days near 60; lows in the upper 30s to mid-40s. Warming temperatures predicted early in the week. Colors are expected to peak in the next 7-10 days.

# Snowmobile Club celebrates 25 years

BY DEB SAYGERS HOBBS  
 Contributing Writer

A crackling fire, an inviting buffet of homemade treats and congenial company all came together for the East Jordan Snowmobile Club as they celebrated their 25th anniversary Sept. 26.

The snowmobile enthusiasts marked the establishment of their organization in 1968 with an open house at their clubhouse on Mt. Bliss Road. Coincidentally, September is also the anniversary of the clubhouse itself, whose foundation was laid Sept. 3, 1968.

A chronicle of the events and activities over the 25 years has been assembled by the members. The scrapbooks show that the group's first organized meeting was on Oct. 12, 1967. The first president was Jim Meredith, assisted by vice-president Bob Forsman and secretary-treasurer Myra Crawford.

Dues were established at \$3 per family, or \$2 for an individual. The fledgling club sponsored their first race in March the next year, out on the South Arm.

As the group grew, it became evident there was a need for permanent facilities. After considering several properties, the club bought 27 acres from Bill Zoulek for \$3,000 and the clubhouse soon became a reality.

Lack of funds forced members to scrounge for materials and furnishings for the new building. Many donations were made by area businesses and individuals.

Looking back, both charter member Tom Galmore, Sr., and current president Clarence LaCross spoke of how very active and involved members were in the beginnings of snowmobiling as a sport in northern Michigan. While the East Jordan Snowmobilers no longer sponsor races like in the old days, they continue to be extremely active in promoting the modern version of the sport.

As part of the Charlevoix County Snowmobile Council, many of the club members volunteer to groom or brush trails. Four years ago, club funds were

**SNOWMOBILES THROUGH** the years were displayed by club members for the celebration. The assorted collection includes (from foreground) a 1966 Ski-doo, 1972 Arctic Cat, 1968 Ski-doo, 1968 Rupp, and a 1972 Rupp.

combined with a DNR grant to purchase a grooming machine.

Grooming and brushing trails and maintaining signs can be a full-time job, noted LaCross, who has been the principal groomer for several years.

He said covering the 33 miles of the Jordan Valley trail takes seven to eight hours. The job must be done during late-night hours.

To help finance grooming operations, the club sponsors Sunday morning breakfasts throughout the snow months. The clubhouse has become a popular

stopping place on the trail, where for \$3.50, snowmobilers can enjoy a hearty breakfast and great company from 7 a.m. to noon.

The busy breakfast crew has served close to 400 on several occasions. The club also began a Saturday lunch last winter.

"We like to have the clubhouse open for a place to go on snowmobiles," said LaCross. "We've met folks from Ohio, Wisconsin, Indiana, Canada, all over. It's pretty interesting."

Today the club has about 50 family and individual memberships. The price has gone up some - \$10 per year with a one-time initiation fee of \$25.

Finding its role in this transitional period of the sport is one of the issues the club deals with today. Although snowmobiling has gone in and out of popularity over the last 25 years, recent changes are more radical.

"It's become big business," said LaCross.

While meeting visitors and developing friendships is a positive in northern snowmobilers' lives, the influx of riders is a mixed blessing.

"I enjoy the trail when the week-enders aren't here," said member Jim Hartsell, "but on weekends I prefer the fields and backwoods."

He said he's afraid someone going 70 or 80 mph will plow into him operating at a modest 35-40 mph.

## It's our birthday!

The East Jordan Journal was launched one year - 52 exciting issues - ago.

Taking front page headlines in that Oct. 7, 1992, landmark publication were opening ceremonies of the city's newest facility - a state of the art sports complex. Nearly 2,000 people attended the dedication of the Boswell Stadium at East Jordan High School to celebrate the occasion. An accompanying photograph showed Amy and Julie Mickey singing the National Anthem.

Since that auspicious beginning, the Journal has had the privilege of recording many important moments in the lives of East Jordan area readers. It is our hope that, with your support, we will continue that new tradition as we approach the dawn of a new millennium - and beyond.

# "Trail makers" have come a long way

BY DEB SAYGERS HOBBS  
Contributing Writer

"Trail makers is what they were first called," said Tom Galmore Sr.

Known as "Mr. Snowmobile" in some circles, Galmore is probably East Jordan's most informed authority on the history of the machine that opened up winter in the north.

Retired for six years now from his family business, Galmore's, Inc., the hardy snowmobile enthusiast began selling Ski-doo machines in 1965.

"The first snowmobiles were designed as work contraptions," Galmore explained.

Early prototypes were not sleek and glamorous like today's vehicles. Galmore evoked the image of a Model-T Ford on skis to demonstrate how long the idea has been around.

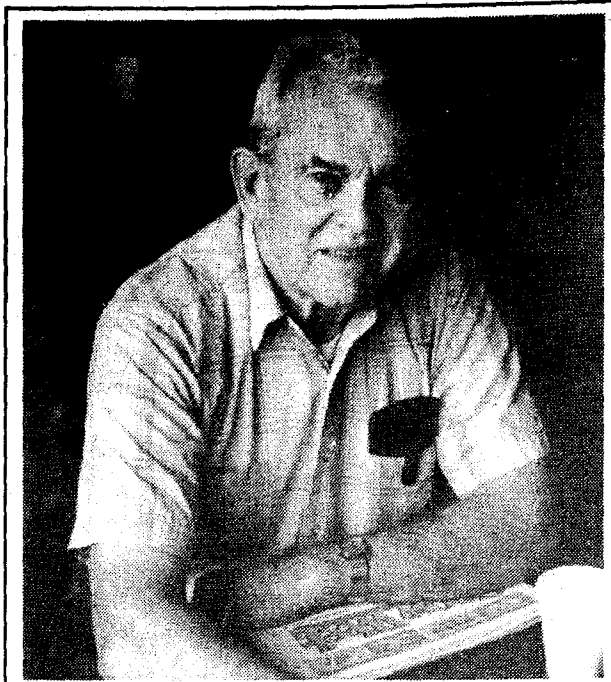

The first sled-type snowmobile was produced in Quebec in 1958 by Joseph-Armand Bombadier. In 1973, according to Galmore, Ski-doo sold their one millionth machine.

Galmore's sold 200 snowmobiles in 1969, and although most were Ski-doo's, as many as 110 companies were manufacturing the machines.

Then, in the early 1970s, the sport suddenly caught on.

Retail sales in East Jordan boomed. Galmore recalled that as many as 20 different dealers and some fly-by-night outlets flourished.

Today snowmobiles are enjoying greater popularity than ever after a slump in the late '70s and early '80s. Galmore's is still one of several East Jordan

"MR. SNOWMOBILE," Tom Galmore Sr., reflects on the history of the "trail-maker contraptions."

snowmobile dealers.

But the manufacturing field has diminished considerably. Presently only four companies produce the machines: Polaris and Arctic Cat in the United States and Ski-doo and Yamaha abroad.

Big changes in suspension, handling and looks have improved speed and comfort. Machines can now be modified for driving on grass or even water. Winter and summer races have become very popular.

Festivals featuring snowmobiles have sprung up

across the snow belt and a multitude of newsletters and magazines (including one published in East Jordan!) keep enthusiasts apprised of activities and industry advances.

As might be expected, prices have changed considerably since Galmore sold that first Ski-doo, when snowmobiles sold in the \$900 to \$1,200 range.

Today, family models cost from \$3,500 to \$4,000, while the 1994 performance vehicles can run from \$5,000 up to \$10,000 and more.

Whatever the year or model, Galmore sees it through affectionate eyes. At 70-plus years, he is still active as a rider and member of the East Jordan Snowmobile Club.

Wherever Galmore is, chances are it's not far from a snowmobile.

## Smoke? Please don't, board says

BY DEB SAYGERS HOBBS  
Contributing Writer

East Jordan school property will be off-limits for tobacco use by this time next year. In the meantime, the school board is trying to politely convey that such activity is already unwelcome.

The state prohibits smoking on school property all weekdays before 6 p.m. But the board is going a step further by urging the public and staff to voluntarily refrain from smoking at school functions.

Announcements are now made at sporting events asking smokers not to light up, even in Boswell Field.

Although there is some disagreement among board members about when to proceed with enacting the prohibition, the board is unified in supporting the Drug-Free Schools Policy it adopted in June.

With or without smokers' cooperation, the smoke-free resolution will probably be enacted by August 1994. The school board also resolved to deal with the issue of blood-borne pathogens by training district employees on universal precautions.

The state requires the training, which demonstrates procedures in the handling of bodily fluids. Hepatitis B vaccinations may also be part of the program.

The board will retain the Institute for Environmental Assessment to develop the district's disease exposure control plan.

## Fire Prevention Week pointers

OCT. 3-9, 1993 is National Fire Prevention Week. The Banks Township Fire Department and the Michigan State Police, Fire Marshal Division, would like you to take part in fire prevention and safety.

We encourage all members in the home to sit down together and develop a home escape plan. Walk through your home and locate two accessible escape routes from each room. Make sure windows open freely, there's no furniture blocking doors, etc. In an emergency you will not have time to struggle with obstacles.

Make sure you have a working smoke detector on each floor and test them at least every month. Practice your escape plan. Know how to call for help, and most important, once outside, stay out!!! Resist any temptation to go back inside a burning building. If someone is trapped, tell the Fire Fighters.

The Fire Fighters are trained and equipped to perform rescues safely. If you have very old or very young occupants, try to locate their bedroom on a ground floor and have someone designated to help

them with their escape.

As part of your escape plan, establish a meeting place outside where all members can wait for the Fire Department. Practice your escape throughout the year and include all members regardless of age.

A few key points to remember:

If you encounter flames, turn around and use your alternate exit.

If you must go through smoke, stay low and crawl where the air is cooler and cleaner.

If your clothes catch fire-STOP, DROP, and ROLL. Get out, and stay out of a burning building.

Check your smoke detectors every month and replace batteries as needed.

Make sure you have your 911 house numbers where they can be easily seen.

For more information or if you would like help developing a fire pre-plan, please contact the Banks Twp. Fire Dept.

## "Memories" inspires reader update

EDITOR'S NOTE: Although her letter was addressed to "Memories" author Pam Kirts, Carolyn Wolgamott consented to share it with our readers.

UPON READING THE Torch/Journal Wednesday, Sept. 22, 1993, edition, under Memories, I had a nice warm smile as I read about my husband Verl Wolgamott and our son Milan Wolgamott.

Thought there ought to be an update. Verl M. Wolgamott (father) just celebrated birthday 66 and Milan too celebrated but he was "off shore" in New Jersey. That log cabin (original foundation still underneath) is the remodeled home 8989 West State Street on the Dean Hill outside of Central Lake.

Milan was born, raised and graduated out of Central Lake. With Mr. Graves advise and family and friends

persuasion, he graduated N.W.M.C. in Traverse City through the Maritime Academy. He is now a Chief Engineer for N.A.T. Company and works on a hopper dredge from the East Coast to the Gulf and recently worked "off shore" in Mexico.

Verlyn Gank, Holly; Kathleen London, Lowell, Mich.; Milan, Central Lake; Verl W. (Bud) Central Lake; Lisa Welsie, Carmichael, Calif; Karen Schaub, Traverse City; Diane DeYoung, Bellaire; and Kevin, Fruitland Park, Fla., all grew up in that "log cabin." Thank you so much for the brief reverie!

## Charlevoix banks combine forces

Charlevoix County State Bank and First State Bank of Charlevoix have announced their merger, effective Oct. 1, 1993. The new institution will be called CB North and will be an affiliate of CB Financial, the bank's holding company based in Jackson, Michigan.

An official "unveiling" of the new bank signs was held Oct. 4, according to Lou Hollow, President of

CB North. "Staring now," Hollow said, "our two banks will be pulling together, combining expertise and resources. That can only spell an advantage for our customers throughout the area. Cooperation, we believe, can take us far. We view this merger as an extremely positive step for the area."

Francis Flanders, the bank's Chairman, also

voiced his enthusiasm about the merger, citing the increased resources of the new bank and the expanded services it will provide.

"With CB North, our customers will have greater facility in their banking, all in all better service. Add to that the expanded resources - both financial depth and capabilities - that CB Fi-

ancial brings to the table, plus the very close fit between our philosophies and goals, and I think you'll be seeing a much enhanced bank."

The new CB North will have offices in Beaver Island, Boyne City, East Jordan, Eastport, and Ellsworth, as well as Charlevoix.

## Bands will march in exposition

The combined Central Lake and Ellsworth marching bands will participate in the Michigan School Band and Orchestra Association District II Marching Band Exposition on Mon, Oct. 11, at Traverse City's Thirby Field.

The exposition is unique because it is a non-competitive, non-rated event that allows students from the district's marching bands to see what the other bands are doing.

"The bands really sup-

port and cheer for each other at the expo," said band director Jim Schoensee. "This is a really great opportunity for band members to perform for their peers in a non-threatening atmosphere - students supporting students."

The expo is set to begin at 6 p.m. Some of the bands included in the field

of participating schools are Johannesburg-Lewiston, Forest Area, Mancelona, East Jordan, Gaylord, Elk Rapids, Bellaire, Onaway, Central Lake/Ellsworth, Petoskey, Cadillac, and Traverse City.

At press time, the times of the bands' performances were not announced. The Central

Lake/Ellsworth Marching Band will perform probably after 7 p.m., but parents and friends are encouraged to come before 6:30 p.m. in case of no-shows, schedule changes due to shorter presentations, and to see the other band performances. Usually a \$1 donation is asked for at the gate.

### THE ILLUSTRATED BIBLE

True Faith Needs No Signs

"Why does this generation seek a sign?" — Mark 8:12

Ours is a most practical age. We accept nothing as true unless we can experience it through one of our senses. Such values as truth, honesty and decency run poor competition against more materialistic articles that can be treasured for their monetary worth. The Pharisees whom Jesus queried about seeking signs would have felt right at home in today's society. Now, as then, they would believe nothing without seeing some concrete evidence of what Jesus was preaching. Yet true faith comes not through touch or sight. Faith is the belief that overcomes all doubts, an inner certainty that transcends visual or other sensory proofs. Such faith has no need of signs.

### ANNOUNCING THE MERGER OF CHARLEVOIX COUNTY STATE BANK AND FIRST STATE BANK OF CHARLEVOIX

Sure, competition can take you far. But cooperation can take you farther.

Take Charlevoix County State Bank and First State Bank of Charlevoix.

They have joined forces to become a great new bank, CB North. Good for them.

Good for the whole Charlevoix area.

Because they're combining resources, knowledge, and experience, and they're supported by CB Financial, one of Michigan's premier bank holding companies.

Because all the time and energy and expense that used to go into competition will now be going into service, better service and more of it, for all of us.

Don't look for sweeping changes at the new CB North, just more of the same. Only better.

Because, competition's great, but friendship's greater.

# Trojans victorious, sting Hornets 42-37

BY S.F. PUCKETT  
Sports Writer

The Central Lake basketball team went to the land of Hornets Tuesday and won, then came home and got a faceful of Johannesburg Thursday.

Tuesday, Central Lake was in the face of the Hornets from the get-go, forcing turnovers and outscoring their hosts 18-7. Central Lake led by 10 at the break, 28-18, then had to weather a third quarter where Sara Roach injured an ankle and Pellston pulled close at 30-27. With a hobbling Roach in command, the

Trojans held off the Hornets, thanks to late free throws by Elissa Wagner, and won 42-37.

Sara Roach finished with 16 points, Laura Murray had 10 and Elissa Wagner seven for the Trojans.

The JV squad slipped behind early and fell to the JV Hornets 30-17, Val Volkenburg scoring eight and Erin Glynn five for Central Lake.

Thursday with Johannesburg Lewiston, Central Lake stayed within two until late in the first quarter, when Joburg snuck in three quick ones for an 18-10 lead. A quick start in the second period boosted the Cardinals lead to 35-20 at the half.

The third quarter was all the visiting team, 19-3, and from there the end came quickly, 79-39.

Amy Dawson led the Trojan effort with 11 points, while Sara Roach was limited to six, as were Kim Scott, Brooke Oliver and Laura Murray.

The JV Trojans held Joburg's Candy Ryckman scoreless, but the remainder did pretty well, winning 61-22. Erin Glynn had eight and Lynette Sommer four for the Trojan JV squad.

Central Lake continues its seasonal quest by going to Inland Lakes Tuesday and entertaining Mancelona on Thursday.

# Lancers lose one, but top Wolverine

BY S.F. PUCKETT  
Sports Writer

Very early in the year, coach Ike Boss suspected if he could get past the Charlevoix Red Rayders in girls basketball, his Lancer squad had a chance to go undefeated; his premonitions were quite astute.

Charlevoix, led by Liz Grunch's rare triple-double, pulled off the upset by edging the Lancers Tues., Sept. 28, 58-52, to drop a one in the loss column for Ellsworth.

Ellsworth snuck up a point after one, 14-13, but the pressing defense of the Rayders forced an uncharacteristically high number of turnovers (34) from the experienced Lancers who trailed 28-22 at the half.

Charlevoix continued to harass the Lancers into errors, eventually building a lead of a dozen points, only to be assaulted at the end with a flurry of late Lancer points, cutting the gap to 58-52 at game's end.

Ellsworth suffered a major loss when Tricia Drenth went down with an ankle injury late in the game.

Angie Peterson continued her march to the division scoring title with 22 more points and 10 rebounds, Lisa Essenberg scored eight, Kara Alward eight and Tricia Drenth six.

Thursday, Ellsworth came back to the Northern Lakes conference and met the resurgent Wolverine Wildcats at the Lancer headquarters. The Lancers burst out after a close 15-12 first quarter with a 19-3 second period.

Rallying behind their star foreign exchange student, Mary Minaricoua, Wolverine pulled within eight late in the game. Angie Peterson converted a three-point play, then scored on a give and go excellently executed with Lisa Essenberg to rebuild the margin and increase it near the end to 64-41.

Angie Peterson scored 33 for the Lady Lancers, while Wildcats Minaricoua had 24 in front of at least one collegiate scout. Jennifer McPherson added 10, Jodee Alfred and Kara Alward six for the Lancers.

On the JV side, Ellsworth won easily, with all players scoring: Megan Boss with 20, Stephanie Reid

12, Renee Cebulski eight, Dawn Brookins seven, Amanda Warner six, Andrea Strange five, Jennifer Strange and Faith Drenth two.

Ellsworth played out of conference Tuesday hosting the Bellaire Eagles, then back into Northern Lakes with a trip to Mackinaw City Thursday.

## EJ x-country runs hard

East Jordan's cross-country teams were in Petoskey on Sat., Sept. 25 for the Petoskey Invitational.

Tina Richards was East Jordan's sole runner in the women's race. Tina's time of 20:05 was good for second place, behind Traci Knudsen of Suttons Bay at 19:53.

In the 11th/12th grade, Class C/D race Neil Booze ran a 17:28. This time was good for fifth place.

The 9th/10th grade class C/D, race was dominated by East Jordan.

Josiah Middough's seventh place led the team to the championship. Josiah was closely followed by Nate Gagnon in eighth place, as both were timed at 18:20. Jim Malpass was 10th at 18:40, Andrea Otis was 13th at 18:54 and Ed Hettig was 25th at 19:47. Hettig ran most of the race with back spasm and showed much determination to even finish.

The final score was Rudyard 128, McBain 75 and East Jordan 63.

# Ryan Shay takes another first

BY S.F. PUCKETT  
Sports Writer

The Central Lake Trojan cross country team continues its tradition of great runners, with Ryan Shay taking another first, this time at the Pine River Invitational Saturday.

The three male Trojan runners do well, but it takes five to place as a team. Shay finished on top in 17:13, Rick Powers was 21st in 19:26, with Bill Glynn 54th at 24:51.

Central Lake's women runners took sixth overall, led by Sarah Shay at third in 22:13 and Amie Shay ninth in 23:46.

Tracy Zelenak was 34th in 28:13, while sisters Amy Potter and Molly Potter were 39th (29:30) and 47th (33:05) overall. Molly took two minutes off her best time.

On the junior high circuit, Nathan Shay was 5th in 12:51, Matt Stennick 30th in 14:48, Shaun Roggenbeck 24th in 14:13, and Casey Barnes 40th in 16:13.

Junior high girls were Tara John, 58th in 20:14, and Rachel Powers, 59th in 20:16.

Central Lake will run at the Charlevoix Invitational Saturday morning at 10 a.m. at the Belvedere Golf Club.

CASEY UPDATE: At the Notre Dame Invitational, Hillsdale's freshman phenom Casey Shay took fifth overall in the five-mile event, timed at 26:05.

# Red Devils shut out at TC

BY S.F. PUCKETT  
Sports Writer

What could have been a great football beginning turned into the first of many setbacks, all of which added up to Traverse City St. Francis avoiding another loss in a big way by scorching the East Jordan Red Devils.

Yaro Middaugh got the Red Devils off to a ram-bunctious beginning, spotting a hole in the Gladiator defense and exploiting it for an 80-yard touchdown to start the game, only to have the play nullified on an apparent clipping. The Red Devils never recovered.

## SERVICE NEWS

### Area grad in Asia

Navy Airman Recruit Brent A. Jones, son of Bradley Jones of East Jordan and Helen Hoffman of Old Mission, recently participated in exercise Ulchi Focus Lens aboard the amphibious command ship USS

Blue Ridge, flagship for the U.S. Seventh Fleet, forward deployed to Yokosuka, Japan, while off the coast of South Korea.

USS Blue Ridge, the flagship for the U.S. Seventh Fleet, and its crew of 720 trained with more than 12,000 U.S. armed forces in this, the largest computersimulated mili-

tary exercise in the world. The objective of the simulation was to allow military units to evaluate and improve the coordination, procedures, plans and communication systems necessary for combined and joint contingency operations in defense of the Republic of Korea.

Ulchi Focus Lens gave Jones the opportunity to visit Chinhae, South Korea.

The Navy and Marine Corps operate from the sea to project a positive American image, build foundations for international partnerships, strengthen diplomacy, reassure friends and demonstrate U.S. power and resolve. Naval forces are prepared to fight promptly and effectively, but they serve in an

equally valuable way by operating day-to-day as peacekeepers. They are unique in offering this form of international cooperation.

The 1992 graduate of East Jordan High School of East Jordan, joined the Navy in December, 1992.

### Son of area resident awarded

Navy Petty Officer 1st Class Mitchell R. Ashley, son of William and Carolyn Ashley of East Jordan, recently received the Navy and Marine

Corps Medal for heroism.

Ashley was traveling on Interstate 95 near Emporia, Va., when he heard a radio report that a tractor trailer had plummeted into the Meherrin River. He volunteered to assist the rescue squad on scene and at great risk to his own life, he entered 30 feet of frigid water in search of the driver.

While being treated for possible hypothermia after three attempts, he was asked to make yet another try wearing a face mask and wet suit. On his final dive, Ashley was able to enter the cab of the truck,

confirm the driver was not within, and recover identifying documents. By his courageous and prompt actions, he was undoubtedly instrumental in the rescue attempt.

The award, presented during formal ceremonies, is official recognition for Ashley's accomplishments, prompt actions and devotion to duty.

Ashley is currently assigned at Naval Submarine School, Groton, Conn.

The 1982 graduate of Dearborn Public High School joined the Navy in October, 1984.

## McClellan's 32 doesn't save Wildcats

BY S.F. PUCKETT  
Sports Writer

Sammie McClellan did her thing again Tuesday as Alba hosted East Jordan in non-conference action, but her best wasn't enough to offset the multiple performances of the East Jordan Red Devils.

The Devils darted out of the locker room and ran off a 20-6 first quarter lead, boosted the gap to 37-17 after a half, and never trailed at a quarters end, winning 65-45.

Sammie McClellan scored 32 points, Mandy Hopp and Jennifer Brooks adding a significant four each for Alba.

East Jordan got scoring from various sources, including 13 by Kristina Ruhling, with 15 rebounds. Katie Malpass added 12 points, nine rebounds, Julie Mickey scored 11 with eight rebounds, Mandy Reid scored 10 with 10 boards.

Alba continues into Northern Lakes play with a Tuesday hosting of Harbor Light, then a visit to Vanderbilt on Thursday.

East Jordan is at Boyne City in Lake Michigan play Tuesday before hosting Traverse City St. Francis on Thursday.

St. Francis let 19-0 at the half and doubled that margin at the end. 38-0. The loss was the second in a row for the Red Devils, both by shutout.

The Devils have another tough game Friday evening, visiting Mancelona for Homecoming in a non-conference game. Both squads will go into the contest with 3-2 records.

This issue marks the one-year anniversary of the newest member of Up North Publications, Inc. - the *East Jordan Journal*. While many communities larger than Central Lake and East Jordan have lost their hometown newspapers, the "marriage" of the *Torch* and *Journal* have allowed us to continue a 100-year tradition in Central Lake while starting a new one in East Jordan.

As in any marriage, there have been plenty of challenges to preserving their separate personalities in a unified whole, but we believe the final result has been to expand the horizons of readers in both communities. In other words, everybody benefits. (This is especially true for coming events and garage sales, and for advertisers of everything from automobiles to well drilling, since they reach a far larger audience in the same publication.)

So join us in blowing out the single candle on our newest journalistic cake, and in making this wish: That the *East Jordan Journal* grows up to become as cherished a local treasure as its "big brother" *The Torch*.

Did you read the nice letter from Carolyn Wolgamott in our Letters to the Editor section this week? We sure wish more readers would follow her example - not necessarily to praise us (although we surely wouldn't complain!) but to update readers on their lives in recent years. "Memories" (the weekly Pam Kirts column that inspired Carolyn's letter) could be a good catalyst, but don't feel you have to be mentioned there to share your story

with us here. Remember - the letters page is one of the best-read in any paper. Your contributions could only make ours better!

We thought that might need some clarification - and since Torch Printing is part of our publishing family, we're more than qualified to do so! So let the record show that the inimitable Terry Donaldson is still working the Central Lake presses for all he's worth (and in our book, that's a whole lot).

In fact, Terry has been so busy with producing an ever-expanding assortment of menus, posters, tickets, brochures and other job work, that the task of printing this newspaper was shifted to an

outside printing plant to take some pressure off his increasingly crowded schedule.

The bottom line is this: While printing *The Torch* elsewhere may be a first in 100 years, the final product is still planned, written, assembled and produced right here in good old Antrim County.

A benefit dinner was held at Jan's Place for Central Lake resident

Bob Barrow. Bob had to have heart surgery so friends and family got together to try to defer some of the medical costs. Anyone who would like to send a card wishing Bob well may address that to Jan's Place in Central Lake.

We have a new happy face around the *Torch* office, co-op student Terri Ernst, a senior at

Halloween is just around the corner and the people at Chatterbox Video in Central Lake are sure showcasing their decorating talents. Stop and take

a look at their window. Scarecrows, pumpkins, and scary spiders abound!

Well, you can thank the

county road crew for keeping that fresh tar on the road where it belongs. Last week, the county decided to give Main

Street a little facelift following a busy summer season. After filling in the cracks with tar, they

spread sawdust over the road to keep it from sticking to the cars themselves. Wonder what's going to

come of the piles of sawdust that have collected along the edge of the road, though?

**I LOVED THIS BOOK . . .**

*Daisy Fay and the Miracle Man*  
By Fanny Flagg

This entertaining volume can be found on the fiction shelf of the Central Lake Township Library. Daisy Fay can also be found in the memories of anyone who danced to *Blue Velvet*, had a Red Ryder BB Gun or watched *Pals of the Golden West* with Roy Rogers and Dale Evans.

Daisy Fay tells us everything - from what made her Daddy and Momma split up to what is really stashed in the freezer of her family's malt shop. Today Daisy Fay would be described as a disadvantaged child from a dysfunctional family. Daisy Fay would just say that between age 11 and 18 are some tough years but also some good times so laugh at the absurdities of life. If you read this book, be ready to laugh a lot!

# Snowmobilers celebrate 25th anniversary

*continued from front*

The numbers of snowmobiling visitors have increased steadily in the 90s. The problems they bring are accentuated by the newer machines that easily travel at speeds of 100 mph or more.

Insurance costs for the East Jordan club have skyrocketed, often because of accidents that occur with drivers under the influence of alcohol operating on the Jordan Valley trail.

As snowmobiling fatalities have increased, the industry itself sees the need to be involved in sanctioning stricter controls. Efforts are now underway with snowmobile groups throughout the snowbelt to educate operators on the dangers of mixing alcohol and snowmobiles.

The Charlevoix County Snowmobile Council is presently working with area law enforcement to

step up action against inebriated and reckless riders.

With heavier usage of the trail, grooming must be done more often. Volunteer groomers are finding they are not able to

afford the many hours required to keep the trail at peak condition.

Efforts to incorporate funds from a \$10 trail use fee for grooming costs are presently at a stalemate, as the Michigan

State Legislature decides what to do on the issue.

But the problems seem diminished as the snowmobilers gather together to celebrate 25 years of accomplishments. As they enjoy the

good food inside, or stand outside dreaming of ownership of one of the new machines on display, club members continue to

share their love of the sport.

Twenty-five years entitles them to proudly claim status as pioneers.
