OUR WEATHER

The fall of '93 continued its cool and cloudy passage into mid-October, with temperatures averaging a good 10 degrees below normal. Highs were in the low 50s most days, with nighttime temperatures falling into the 30s. Long-range forecasts are calling for more of the same, with little sunshine and more precipitation expected. Although past their peak, fall colors are still dazzling, especially when the occasional ray of sunshine breaks through.

Salmon run?

We don't know how many were successful, but something definitely prompted these anglers to line the docks of the East Jordan Marina in search of salmon last week.

Crop walk a success

BY DEB SAYGERS HOBBS
Contributing Writer

Despite unseasonably cool weather, 43 walkers from East Jordan joined those walking from Boyne City and Charlevoix to celebrate completing this year's CROP Walk for Hunger, Oct. 2.

Hungry walkers enjoyed a picnic at the Ironton Congregational Church, provided by Glens of East Jordan, Careys Market and apples from Rosenthals Orchard.

All the walkers converged at Ironton after starting in their respective towns.

East Jordan walkers began at Elm Pointe.

Mary Glenna Malpass, the East Jordan chairperson for the walk, said walkers were sponsored with pledges they gathered.

The goal this year was to raise \$7,000 county-wide. Although the final tally has not yet been released, Malpass thought the goal would probably be achieved.

One walker from East Jordan, Nancy LaCroix, accomplished the six-mile walk on board a wheelchair. And with \$700 worth of sponsorships, Malpass guessed that LaCroix would be the top fund-raiser this year.

"Nancy went into training for this," said Malpass.

Hunters' delight

Sizing up the possibilities of a bow displayed at the Oct. 9-10 Jordan River Sportsmens Club Gun Show is Jesse Harrold of Petoskey. The two-day annual event attracts sport lovers of all ages with displays of everything for the well-equipped hunter.

Hunters report: No ducks today!

Three experienced duck hunters from Ellsworth nearly met with disaster Oct. 9, on Toad Lake.

The men were thrown into the icy water when their boat capsized in the brisk north wind. They had to remove boots and waders underwater. Clinging to the partially submerged boat for dear life, they managed to kick their way to shore. Soaking wet and barefoot, two walked and one crawled to a nearby camp seeking warmth.

Other than bruised feet, bruised egos and red faces from embarrassment they came through the ordeal in fair condition. But if you see three men coughing and sneezing, it's a fair guess that is the trio. When asked if they got any ducks, one replied "We never got a chance to shoot our guns. We're lucky to be alive." They also advise against swimming in October.

Cheer up guys, we all have our bad days. Better luck next time.

Drug arrest in East Jordan

On Oct. 14, officers from the Antrim County Sheriff Department, the Michigan State Police (Gaylord post) TNT (the Traverse City Narcotics Team), and the Straits Area Narcotics Team arrested an East Jordan man and confiscated various controlled substances at a trailer on Skinkle Road in Echo Township.

Arrested without incident was Nick Potter, 30. The officers confiscated about one pound of marijuana, seven grams of cocaine, approximately \$1,000 in cash, two long guns and drug paraphernalia.

Potter is being held at the Antrim County Jail with a bond of \$50,000 at 10 percent cash or surety.

In an update on an Oct. 6 drug bust, the Antrim County Sheriff Department released the name of a Roseville man arrested in Elmira for delivery of three pounds of marijuana to an undercover officer. Dennis Glenn Cooper, 43, has been arraigned with bond set at \$50,000 cash or surety.

Nancy LaCroix journeys six miles for CROP

BY DEB SAYGERS HOBBS
Contributing Writer

With the strength of her upper body and her considerable determination, Nancy LaCroix recently traveled the six challenging miles from Elm Pointe to Ironton to help raise funds for CROP.

But unlike the 42 other walkers who took part in the Oct. 2 event, LaCroix made the trip via wheelchair.

Born with spina bifida, LaCroix has spent her 35 years confined to the wheelchair. But that doesn't stop her from pursuing a daily walk.

When LaCroix first heard about the CROP For Hunger walk, she had worked up to about four miles per day, propelling herself around her Lakeview Manor neighborhood.

Though she went into immediate extra training, she was still concerned about making it the full six miles, which included several intimidating hills.

She contacted Mary Glenna Malpass, local chair of the event. It was arranged for LaCroix to do the miles on a course set out in her neighborhood. It was decided she could even do the course over a period of several days, if she chose.

But what she finally chose, with a bit of encouragement from friend Jean Pardee, was to join the walk. Pardee promised to help LaCroix over the hills.

In the end, though, LaCroix did most of the hills herself. Pardee only gave her a little push over the summit of a few of the worst hills.

"I wish I would have let her help more," laughed

WITH A LITTLE HELP from friend Jean Pardee (right) East Jordan's Nancy LaCroix played an important part in a local fundraiser to fight hunger earlier this month.

LaCroix, recalling the muscle aches and pains the following day. "I did enjoy it, though. It was alot of fun." The camaraderie of the walkers and the encouragement she received was much nicer than a lone jaunt through the neighborhood would have been, she added.

This is not the first "marathon" LaCroix has participated in. She was involved in a bikathon in Petoskey where she attended Northern Michigan College about nine years ago.

But after some physical setbacks in the past few years, this has been the first summer LaCroix has been able to get out for regular walks again.

According to Malpass, LaCroix is probably the top money-maker of this year's walk. She gathered about \$700 worth of pledges to sponsor her walk.

Malpass believes the final tally of East Jordan walkers will be close to the goal of surpassing last year's collection of \$1,900.

If so, LaCroix will have provided about 27 percent of the total single-handedly.

LaCroix spends time as a volunteer at East Jordan Elementary School. She reads to the children or helps present craft projects. She also sometimes helps with preparation.

LaCroix also teaches CCD at St. Joseph. She grew up in the East Jordan area, youngest in a family of 10 children.

Will she return to walk for CROP again next year?

"I'll have to wait and see," she mused, but Pardee, her friend and champion said with a wink, "I'll bet she does!"

Central Lake band's annual cheese and sausage sale set

It's that time of year again when you'll be able to order your favorite cheese and sausage from any Central Lake Junior or Senior High School Band member.

The annual Century Pride cheese and sausage sale will begin on Wed., Oct. 27, and continue through Wed., Nov. 3.

Monies raised from the sale will be used for several

projects to benefit the instrumental music department of the Central Lake Public Schools: the continuing of the fund for new concert band uniforms for the high school band, new music for both bands, and medals and plaques earned at the band festivals.

So when the band members come and ask for your help, please order some Century Pride cheese and sausage. Your help will be greatly appreciated.

Top qualifier takes Bass Tourney with four fish

On Oct. 1 and 2, Michigan's top bass fishermen converged on Intermediate Lake to vie for the status of champion in the B.A.S.S. classic. The 25 fishermen who competed were the winners in semi-finals hosted by separate B.A.S.S. Chapters throughout Michigan.

On Friday, only nine of the anglers brought in 16 bass (small mouth) and on Saturday 10 catches by seven fishermen were weighed in. After weigh-in, all bass were released.

Jim Rice, Jr., who was this year's top qualifier, won the 1993 Angler of the Year Award and the 1993 B.A.S.S. Classic championship. He caught four fish

with a total weight of 8.14 pounds.

Jim Koleszar took second place with his total weigh-in of 7.56 pounds.

A. Doyle Cox won the honor for the largest bass which weighed, 5.82 pounds.

Gary Hoyt, tournament director, compared Cox's fish with other catches and his bass caught in Intermediate Lake was the biggest bass caught all year in the semi finals throughout Michigan.

Individual postings of the participants can be seen on the Chambers bulletin board in front of the G.T.E. office.

An open letter to all deer hunters

WE ARE NOT writing this letter because we are ungrateful. Just the opposite, in fact, as we love the apples and carrots you so generously haul out to the woods and fields for our nourishment.

We also know these tasty tidbits are expensive and we feel bad if they don't all get eaten. You put them there so we can eat them, but please, consider the general make up of our mouths. We cannot handle

large carrots or apples. Notice how we nibble and only eat the small end of the carrot?

We need your help! Could you please quarter the carrots, apples and sugar beets? Then even our little ones can enjoy the treats you bring us.

Signed:

STAN AND CHARLOTTE standing in front of the Blue Bird Restaurant, in Crystal, Michigan, June, 1927 (Horses became part of Stan's Riding school in that town).

A canoe trip to remember

Their first date was easy for Charlotte and Stan Smith of Eastport to recall and they agreed on most of the details. That might not seem like such an accomplishment except for the fact that it took place way back in 1927. June 18, 1927, to be exact. But we don't often have a canoe ride like that, particularly on the first date!

They were both 18 and the lake was a small lake in Crystal, Michigan. They found themselves summering in the same little Montcalm County town, Stan with his dad and Charlotte with a girlfriend taking on the summer operation of a popular social spot, the Blue Bird Restaurant. It was the place everyone gathered and it didn't take them long to spot each other.

After an ice cream cone they set out on their canoe ride. Fortunately, it was a good flat bottomed one because a fog suddenly rolled in and no matter which

way they looked, they couldn't see land. Night came and Stan continued to paddle what probably was in circles and by the time they saw land they could hear the clanging of the milkman making his five o'clock a.m. delivery.

It's now sixty-five years later and memories of that date are as vivid as their trip down to the Ohio State-Michigan football game in Columbus when they only got as far as Toledo where they decided to stop and get married.

It must have been a wise detour as they both agree that life has been good to them. So good that they didn't think they should even have any fuss made over their sixty-fifth wedding anniversary, which will be celebrated on October 20. But their four children, eight grandchildren and four great-grandchildren along with several old friends will help make the day a very special one to remember. *By Priscilla Arcure*

Board endorses university center

The creation of a University Center at Northwestern Michigan college was given enthusiastic endorsement by the board of trustees at a special meeting on Mon., Oct. 11. Fulfilling the original mission of NMC to meet the higher education needs of the area, the University Center will offer four-year and advanced degrees through a partnership among the Michigan universities, NMC, the public schools, and the citizens of the five-county region.

"The university center concept was envisioned by NMC founder Les Biederman," James Beckett, NMC board chair, said. "He called for NMC to create an 'association of colleges' and this is what our Founders 21 Committee has recommended. We will preserve

NMC's open-door philosophy as a community college and still make baccalaureate and graduate education accessible."

"Study after study has substantiated this need," Shirley Okerstrom, board vice chair, said. "Our work with the Founders 21 Committee confirmed this was a high priority in the five-county region."

"A university center is important for the economic development of our region," Elaine Wood, board secretary, said. "Both the 1988 Battelle study and the 1992 Service Sector study cited a lack of higher education opportunities as a weakness in attracting and retaining business in our area."

Charlevoix Area Hospital plans "Holly Daze"

Christmas wreaths and trees, gingerbread houses, and poinsettias will fill the Charlevoix Middle School gym on Nov. 26, 27, and 28 for the Charlevoix Area Hospital "Holly Daze."

The fund-raising event is being planned by friends of Charlevoix Area Hospital and will include Christmas items for auction and for sale that have been donated by area businesses, organizations, and individuals.

The hospital Guild will hold a bake sale and a food booth with goodies for shoppers will be available. Entertainment and a "teddy bear" tea for children will provide Christmas fun to kick-off the Christmas season.

Joy Halverson is committee chairman. Members of the committee include: Kaye Beatty, Ginny Carey, Dianne Dreyer, Barb Godwin, Sulane Hamilton, Anne Kelly, Pat Miller, Kathy Johnson, Hal Johnson and Pati Moore.

Anyone wishing to donate decorated wreaths or gingerbread houses may call Joy Halverson at 547-4813 or Kathy B. Johnson at 547-4813, ext. 204.

Breast cancer survivors unite

Breast cancer survivors and support group leaders are invited to a tea sponsored by Charlevoix Area Hospital and District Health Department No. 3 at Charlevoix Area Hospital on Oct. 28 from 2-4 p.m.

The event is planned as a part of "Breast Cancer Awareness Month." Diane Liverance, head of the Womancare project at the Health Department, said, "If we join together we can have considerable political impact as women who know the problems associated with breast cancer detection and treatment."

Information will be available to enable women to address problems with their legislators such as new treatment methods, financial aid for public detection programs, and insurance coverage for individual detection and treatment.

The women will also be able to lend support to one another as they learn to deal with life following breast cancer.

All interested persons are invited to attend. Refreshments will be served in the hospital cafeteria.

Non-traditional ballet comes to Charlevoix High School

Ballet may well be re-defined in northern Michigan minds when the Ohio Ballet performs 7 p.m. Oct. 26.

The Ohio Ballet, described as "one of America's most appealing companies," will use their classical training to present a broad spectrum of dance pieces, with a heavy emphasis on broad audience appeal at the

Tuesday evening event.

"We want to blow the minds of people who think they know what ballet is all about," said Suzi Reis, spokesperson for the Charlevoix Council for the arts, which is underwriting the ballet in Charlevoix.

"When the stage is up and the lighting is set, no one will recognize the high school gym. And

when these dancers come on stage, no one is going to move from their seats. They are incredible."

Bringing the Ohio Ballet to Charlevoix is part of the Charlevoix Council for the Art's on-going program to bring fine arts programs to northern Michigan during the school year.

All profits from ticket sales will be donated by

the Council for the Arts to the Charlevoix High School Performing Arts Team to help underwrite their year-long rounds of competition in debate, drama, and speech events.

Adults (\$4) and senior citizen (\$2) tickets may be purchased through Charlevoix High School and members of the Performing Arts Team.

Remember When...

"Smiths 'Garage' was where 'Juracko's' is now? I remember when a new car would be on display in the 'show room,' and looking through that big window at the shining chrome and gleaming metal, I'm not sure but it seems like they were Chrysler products and many people in the area bought autos from Mr. Smith or had repairs done by Mr. Drogat at 'Smiths Garage.'"

Six Mile Lake natural area acquisition succeeds

"Thanks to the tireless energy and enthusiasm of the Lake St. Clair-Six Mile Lake Natural Area Committee, a 17-acre sensitive wetland has been preserved," announced Land Protection Specialist Heidi Dexter of the Little Traverse Conservancy.

Title to the property was conveyed to the Little Traverse Conservancy of Harbor Springs Sept. 16, 1 1/2 years after interest in the wetland was initi-

ated. "If not for the committed involvement on the part of the Lake St. Clair-Six Mile Lake Natural Area Committee, this project would not have experienced the public support it did," Dexter commented.

From the committee's fund-raising efforts, which included the sale of T-shirts, organized walk-a-thons, and direct requests, over \$15,000 was raised for the wet-

land purchase.

Jo Anne Beemon, chair of the committee, took the lead on most of the project's fund raising and educational initiatives. She described the success of this acquisition project "as representative of the environmental awareness local citizens have come to realize is imperative to protect regionally significant resources."

The property has been named the Lee Alan

Lawmaster Preserve after the late son of a Napinee, Ind., couple, Walter and Mary Lawmaster, who donated a substantial gift to the project. The acquisition was a collaborative effort of the Little Traverse Conservancy of Harbor Springs and the Grand Traverse Regional Land Conservancy of Traverse City.

The preserve is located near the headwaters of the Elk River Watershed

which is a system of large, deep, and glacially carved lakes interconnected with miles of trout streams. This project marks the Little Traverse Conservancy's and the Grand Traverse Regional Conservancy's first attempt to protect land within the Elk River Watershed and in particular within the sensitive and vulnerable wetlands that line the narrow, winding, and interconnecting streams that create the links within the Chain of Lakes.

along the stream.

The preserve is open to the public and may be viewed from both Ellsworth and Six Mile Lake Roads. The Little Traverse Conservancy and the Grand Traverse Regional Conservancy intend to use this project as a platform for additional land protection efforts along the channel and within the Elk River Watershed. The Grand Traverse Regional Conservancy has initiated an Elk River Watershed Project and has targeted other critical wetlands within the watershed for protection. The Little Traverse Conservancy will continue to work in the northwest portion of the watershed, Charlevoix County, in its aim to preserve open space and scenic lands for future generations.

The 17-acre Lawmaster Preserve contains approximately 2,000 feet of frontage on the stream that connects Six Mile Lake of Charlevoix County to Lake St. Clair of Antrim County and is one of the largest remaining undeveloped parcels

CRADLE ROLL

■ Quinn and Kelly Barry of Central Lake are pleased to announce the birth of a daughter, Colleen Morgan, born Oct. 10, 1993, at Charlevoix Area Hospital.

■ Raymond and Catherine Russell of Central Lake announce the birth of a girl, Elsie Kaye, on Oct., 5, 1993 at Northern Michigan Hospital in Petoskey. Elsie joins brother Paul at home.

Proud grandparents are Clifford and Dian Boatwright of Central Lake and Garland Russell and the late Elsie Russell of East Jordan.

Nabbing a deer with a bow and arrow is a big deal for anyone but for Casey Wilson, a 14-year old from Central Lake, it was extra special. Casey struck down his very first deer, an eight-point buck, on Oct., 9. Bet he will never forget that 190-pound prize!

An update from out West. Rod Thier and buddies will all be bringing home antelope to Central Lake and are now hunting down mule deer.

Heard also that they ran into some pretty nasty weather on the way out, just hope that snow and ice doesn't follow them back.

Happy Belated Birthday, Terry Donaldson! You are supposed to tell people when your birthday is so we can have a reason to throw a party. Here we work closely with the guy in our little Torch office and he sneaks that one by on us.

Harvest a good time to think about '94

Harvest is an excellent time for farmers to begin thinking about plans for next year. In addition to crop rotation and production issues such as fertility and weed control though, farmers should also think about areas in their fields where waterways or other erosion control measures would help reduce soil loss and control runoff.

The Antrim Soil Conservation Service (ASCS) has several cost-share programs that can help farmers install these structures, and winter is a good time to visit the ASCS office to talk about

these programs.

Farmers can construct waterways, filter strips and other erosion control structures with ASCS cost-share money, with the objectives of reducing soil erosion and improving water quality.

For more details on these and other ASCS Conservation programs, visit or call your ASCS county office at 533-8542.

A word fitly spoken: Doors

"Behold I stand at the door, and knock; if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with Me." KJV Rev. 03:20.

Our minds conjure a myriad of doors but we must remember the most important door. In the King James Version of the Holy Bible Jesus says: "I am the door: by Me if any man enter in, he shall be saved, and shall go in and out and find pasture."

I find solace in so many scripture verses and I like it when Jesus refers to Himself as the Good Shepherd and us as His flock.

Now, I have been obsessed with the scripture verse Rev. 03:20, practically all my life and the meaning always eluded me until my neighbor in St. Anne, Illinois, witnessed to me - meaning she told me about Jesus Christ and the plan of salvation. Praise the Lord!

After accepting Jesus as my Personal Savior and Redeemer, all things became new and even as a "Babe In Christ" I began to discern His Word and I couldn't stop reading, searching, praying and attending Church and Sunday School. I tell you, I just couldn't get enough of Jesus. It is literally "catching." Finally, as we grew In Grace; we slowed down: "Be still and know I am God." Ps. 46:10.

At our church we sing a song and adhere to the words, "Little is much when God is in it."

Can you tell how God changes us into a new Creature in Christ? It is incredible and The Gift of Salvation is free.

Now, I understood Rev. 03:20 and have written about it before. It is Jesus knocking at the door to our hearts.

Have you seen the painting where the artist depicts Jesus standing at the door? It is a real treasure and the artist said he refrained from painting a latch or door knob. Omission of the latch or door knob depicts Jesus outside the door (to our hearts) and shows that only He is able to open the door and come in! What a dramatic painting and so true.

It occurs to me our life is a progression of doors from birth through childhood to adulthood with education, careers and jobs, marriage, children, parenting, becoming grandparents, and retiring. The last door is the door to the everlasting, where we graduate to Heaven, but only if we accepted The Word - even at this late date: even at death's door, reader. The Bible says Today Is The Day of Salvation - meaning the day you accept Jesus as your Personal Savior is The Day of Salvation.

I used to console myself through the many years before I accepted Jesus by believing God never shuts one door without opening another and during crises I would just say and believe; this too shall pass, but I didn't pray with faith and conviction. Sorta had my own religion, which was not true Christianity.

Are you floundering or unsure of "things"? Answer Jesus' knock and partake of His blessings and you too, when the time comes, will graduate to Heaven and be a part of the reunion

THANK YOU

We would like to express a heartfelt Thank-you to the many friends and relatives for their prayers, cards, visits, flowers and support during Bob's recent heart surgery. We are touched by all of the concern that has been shown these past few weeks. It has helped make a very difficult time a little easier.

THE ILLUSTRATED BIBLE

God Leads, Men Follow

"He uncovers the deeps out of darkness, and brings deep darkness to light."

— Job 12:22

One must always wonder what impels some individuals to transcend the bounds of their normal lives to seek out something that lies beyond. Christopher Columbus, whose epochal discovery we celebrate this month, was just such a man. Though there is evidence that men earlier had sailed unknowingly where he reached, the common belief of his time was that there was nothing but void beyond a certain distance from shore. The real impulse behind Columbus and others like him who break barriers of distance or ignorance, is faith - a faith that can only have its origins in God. For it is the all-knowing God who chooses those who follow where he would lead.

Trojans pluck Homecoming win from the air

BY S.F. PUCKETT
Sports Writer

The Central Lake Trojans made the football Homecoming crowd very happy with a rousing win over Gaylord Saturday, 14-13.

The game started with the visiting Snowbirds of Gaylord St. Mary's doing what they wanted, scoring twice and kicking an extra point to lead, 13-0. Central Lake countered with a late score before the half, Josh Weaver bolting in from eight yards out to make it a 13-6 ballgame.

The second half featured a stonewall Trojan defense, but little progress from the offense. The defense stopped St. Mary's on downs to begin the half, Mike Warner covered a fumble the next round, and

Rick Graham covered yet another fumble for the Trojans.

In the fourth Chris Eldrington intercepted a pass for Central Lake; the offense was stopped. Chad Pletcher then intercepted a pass, setting up Central Lake for the final time at the Snowbird 37.

With two minutes to go, Central Lake faced fourth and eight. Pletcher's last gasp pass launched skyward, and David Henry came down with the ball, a great,

twisting grab at the Snowbird seven.

Three plays later, it's fourth and goal at the five, with 29 seconds to go. This time, Henry grabbed the ball for a five-yard touchdown with 21 seconds to go.

Down 13-12, Central Lake elected to go for it all-win or lose. Pletcher rolled to the left on the conversion try, passed - and the ball is tipped. But the spinning ball hits not the lawn, but the friendly arms of Jason Snarey, one of the many happy Trojans who screamed with joy on the reception and the win, 14-13.

Chad Pletcher finished with 79 passing yards for Central Lake, Chris Eldrington led the defense with 12 tackles, while Eldrington and Weaver gained the main yardage on the ground for the Trojans.

Central Lake plays at Pellston Friday night.

Trojans take Forest Area in overtime play

BY S.F. PUCKETT
Sports Writer

CENTRAL LAKE - The Lady Trojan basketball team recovered from a Tuesday trampling in Gaylord to take the up-and-coming Forest Area Warriors into an extra three minutes before a shooting cold spell did then wrong.

Tuesday in Gaylord, St. Mary's defeated Central Lake 62-35 with a 39-12 run through the middle two quarters that provided the Snowbirds with the cushion they required for the win.

Sara Roach scored 18 hard-fought points, Amy Dawson with seven and Brooke Oliver with five.

The JV Trojans fell to the Snowbirds 81-18. Erin Glynn shot a 12 point game, Val Volkenburg added four and Marie Palazzolo and Stephanie Tschirhart each chipped in a score.

Thursday with Forest Area was close time after time, Sara Roach scoring Central Lake's first two buckets for a 4-2 lead before leaving to have an ankle looked after. The rest of the Lady Trojans fended off the charges of the Warriors as best they could, Forest Area slipping up 7-6 at quarter's end.

Laura Murray boosted Central Lake back on top as Roach came back into the ballgame and scored Central Lake's remaining four points of the period, while

Forest Area used the triple-pointer to take a 20-12 lead into the break.

Murray and Roach continued to lead the Trojan chase efforts in the third quarter, but the Warriors maintained their edge after three, 31-23.

Sara Roach took away three passes early in the fourth period to cut the score to 31-29 and Amy Dawson's jumper tied the game. The Warriors took a 42-33 lead with just over three minutes to go, boosted it to 44-41, before Sara Roach hit a three-pointer for a 44-44 tie at the buzzer.

Overtime proved unfriendly for the Lady Trojans as Forest Area hit a triple, four free throws and a bank shot for a solid 53-44 win.

Sara Roach completed the game with 31 points, while Laura Murray provided a vast amount of hustle and 8 points.

Central Lake fell in JV action 29-19, Erin Glynn with 11 points, Bridgett McAvoy with four points.

The Lady Trojans had a game at Bellaire Tuesday, then host the surging Alanson Vikings in more Ski Valley action Thursday.

East Jordan's x-country shines in Charlevoix Invitational

East Jordan's varsity men's cross-country team won their fifth trophy of the season by taking the runner-up award in the class C/D run at Charlevoix's Claire Martin Invitational Sat., Oct. 9. The race was held at the Belvedere Golf Course.

Team captain Neil Booze's fifth place was East Jordan's top finish at 17:27. Mike Newirk's seventh place was only three seconds behind Booze. Josiah Middaugh was 14th at 18:25, Andrea Otis was 17th (18:37), Nate Gagnon 18th (18:42), Jim Malpass 23rd (18:59) and Ed Hettig 29th (20:06).

Tina Richards was the number two class C runner and third over-all. Petoskey's All-American Kelly Smith was first and Suttons Bay All-State Traci Knudsen second. Traci and Tina have each won twice

in their four races together, the deciding match will occur at Benzie Central for Regionals.

Winning medals for the boy's middle school team were Nathan Sothard first (14:00), Gary Brooks third (14:25), Joel Bigler 12th (15:09), Erick Brooks 13th (15:12) and Dustin Tinney 14th (15:25). The girls team had two medal winners in Holly Cole fourth (17:17) and Emily Neiwendorp ninth (18:26).

Coach Dennis Snarey was pleased with the teams as most runners continued to show improvement. Snarey was elated that his co-coach Matt Peterson won the Open Race in a time not far behind the boys varsity runners. Snarey adds, "Even though Matt will never regain his old form, there are occasional reflections of post stardom."

Ellsworth has week off

BY S.F. PUCKETT
Sports Writer

They finally figured out an easy way to stop the Ellsworth Lancer girls basketball team: don't let them play.

Ellsworth, after a Tuesday off, had their game with Vanderbilt postponed until Nov. 4, meaning that, for the first time all season, Ellsworth did not post at least one win in the current week.

The Lancers went to Boyne Falls Tuesday and will visit Harbor Light on Thursday.

Devils rack up homecoming win over Elks

BY S.F. PUCKETT
Sports Writer

WHAT'S A PARADE without the stirring sights and sounds of a marching band? Those lined up to enjoy this portion of the Homecoming Day festivities didn't have to answer that question, thanks to a smartly uniformed contingent of East Jordan band students.

THE EMOTION OF the moment is evident on the face of just-crowned 1993 East Jordan Homecoming Queen Kim Goebel, as friends look on in obvious delight.

OLD AND NEW royalty pause at a pivotal moment in the Oct. 16 celebration. 1992 Queen Danielle Looze stands in foreground, while new Homecoming King Jerry Neumann (#25) is visible to the left behind her.

East Jordan delivered their fifth win in seven tries by defeating Lake Michigan foe Elk Rapids 20-6 Friday night in a rainy mess that let up in time for halftime festivities, then returned with a vengeance for the second half.

The Red Devils wasted little time in giving the Homecoming crowd a reason to cheer, Yaro Middaugh romping 61 yards through the Elks for a touchdown on the East Jordan third play from scrimmage. Carl Redmer showed his deft touch, gliding the ball to Steve Wiltfong for the conversion and an 8-0 lead.

Next time around, Redmer used the pass first, dropping a 35 yard touchdown into the eagerly awaiting hands of Wiltfong for a 14-0 lead in quarter one.

Elk Rapids added a long series to their offense, driving down and scoring prior to the halftime to make it a 14-6 game, Adam Burd going in for the Elks from a yard out.

The second half was a tradeoff of plays, until the final eight minutes of the fourth quarter, when East Jordan capped an eight-play drive by giving Yaro a handoff that would be destined to arrive 40 yards later in the end zone. The 20-6 led would stand to games end.

Yaro Middaugh finished with 157 yards, Josh Pepin with 87 yards. Carl Redmer completed three passes for 45 yards, plus two passes to the Elks. Defensively, Nate McWatters and Matt Sherman had nine tackles each, Aaron Otis elevating his game to eight tackles and Kevin Rebec with seven.

The Red devils have a road game at Harbor Springs Friday night, then the final regular season game at home with Charlevoix Fri., Oct. 29.

Have a safe Happy Halloween

Safe Halloweens Are Fun!!

Keep costumes simple. Long and fancy ones could cause children to trip. Costumes should also be fireproof (see formula below).

Costumes should be made of white or light-colored material, to be easily seen at night. Reflectorized patches or strips can also be added to the costume.

Regular street shoes should be worn, as opposed to fancy "clown," or "pirate" shoes.

Props, such as guns or swords, should be made of styrofoam or cardboard.

If jack-o-lanterns are carried, a flashlight should be inside, instead of a candle.

At least one person in each group should carry a flashlight.

Instead of wearing masks, paint face with make-up.

Apply a thin coat of cold cream before applying the make-up (make-up will come off easier).

Never eat anything until after you are home, and the treats have been examined.

Cut and wash fruit before eating.

Throw away anything unwrapped.

Check the wrappers of commercial treats for signs of tampering.

Notify the police if harmful items are found.

Older children should attend parties instead of going trick-or-treating.

Younger children may enjoy attending a party organized by concerned parents in the area, instead of going trick-or-treating.

FIREPROOFING RECIPE
 MIX: 9 oz. Boric Acid
 4 oz. Borax
 1 qt. Hot Water

Saturate fabric and allow to dry. Washing will remove fireproofing, but process may be repeated after washing.

Please drive carefully and watch for children!

TAKEN FROM THE TORCH

By Pam Kirts

Oct. 20, 1955

■ Don't forget the 3rd Annual Carnival that will be held in the Central Lake High School gymnasium, Oct. 21.

Be sure to come early and enjoy the Carnival supper.

Come and try your luck in the many booths. There will be a free Amateur contest at the closing.

■ Mr. and Mrs. Paul Burnett announce the marriage of their daughter, Paula Patricia Lacy,

to Thomas E. Gilpin, son of Mrs. Ellen T. Gilpin, Traverse City.

■ Mr. and Mrs. Arthur DeVries announce the engagement of their daughter Mary Lou to Erwin Holecheck, son of Mr. and Mrs. Robert Holecheck of Norwood.

■ Oct. 27 will be the only day to get your driver's license between Oct. 20 and Nov. 1, announced H.E. Tanner, sheriff.

■ Don Aardema,

Eastport, went to Durand Friday to take over the chores for the Martin Aardema family so they could enjoy a little vacation visiting relatives and doing a little fishing.

■ Mrs. and Mrs. Bert Lewis took Mrs. Rollo Johnson to Petoskey Thursday where she took the bus to part of Wisconsin and will perhaps continue on to Florida.

■ James F. Frye, personnel man second class, USN, son of Mr. and Mrs.

James W. Frye of Eastport, recently received a commendation while serving at the Naval Air Station at Key West, Fla. He was cited for his performance of duty as the supervisor of the personnel office and as the division petty officer of the administration department at the Naval Air Station.

■ Mr. and Mrs. Clifford Gardner took her sister Mr. and Mrs. Arlie Bunker for a sight-seeing tour Sunday. They reported seeing three deer. The unusual thing about this is the deer were beside the road and remained there for several minutes. One was half Albino, the entire hind quarters being snow

white.

■ A fire of undetermined origin caused excitement at the George Finch house Saturday morning. The Eastport Fire Department helped put out the fire and dam-

age was estimated at about \$100.

■ Mr. and Mrs. Charles Edson left Wednesday for Grand Rapids to visit relatives. Charley says he is going to do some pheasant hunting.

Bow and arrow ace!

Opening day was the lucky day for Sue Losee of Central Lake as she brought down this 10-point buck with her 50-pound bow. Dressed, the buck weighed in at 180 lbs.

Ship under construction

After two years of planning and fund raising, the Inland Seas Education Association has started construction of a new sailing ship designed expressly to teach young people about the ecology and history of the Great Lakes. The new vessel, to be called *Inland Seas*, will be a 77 foot long steel schooner with a displacement (weight) of 74,000 pounds.

Inland Seas will have the appearance of a working schooner from the age of sail, but she will be outfitted with the latest scientific equipment to study the Great Lakes ecosystem. Students will operate nets, dredges, coring tubes and electronic sensors as part of their studies. A classroom and laboratory

are below decks, as is a complete galley and berths for twelve students. The pilot house will accommodate student navigators as they plot the ship's course.

The fund raising goal for the ship project is \$560,000. Of this amount, over 83% has been donated or pledged by more than 315 individuals, foundations and businesses. The largest single donor is the

Dow Chemical Company, of Midland, with a matching grant of \$215,5000 over three years. Rotary Charities of Traverse City has pledged \$50,000 toward the project. An additional \$97,000 is needed to complete the project.

Those interested in classes aboard *Inland Seas* should contact the Inland Seas Education Association at (616) 271-3077.

JO'S NEWS

By Jo Somerville 544-6347

☞ Bob Giddings and sister MaryAnn Hood of the Washington area spent the past weekend here visiting their parents George and Marian Giddings. They enjoyed dinner at Embers on Sunday and they left for home on Monday.

☞ Penny Burns of Grand Rapids enjoyed the weekend here with her parents Lloyd and Ella Burns and other relatives and friends and enjoying the colors.

☞ Iva Nicola enjoyed three to four days here at her summer home visiting neighbors and friends, and went with the senior group to the Travelogue Thursday evening at Petoskey Middle School auditorium.

☞ Lloyd Burns was among the other fiddlers and back up musicians throughout the state taking part in

Fiddler's Jamboree at the Knights of Columbus Hall in Cheboygan last Saturday afternoon and evening with a standing room crowd in attendance.

☞ Lodema Springstead and Jo Somerville called on Frances and Miller Young Wednesday and had a nice visit also with a sister Barbara Mikus.

☞ Mr. and Mrs. Don Moore of Grand Rapids visited Dick and Virginia Wilson the first of the week, also a CCC Camp buddy of Dick's. Mr. and Mrs. Steve Mulder also of Grand Rapids came and had a nice visit.

☞ Donna Lokker of Grand Rapids is here visiting her mother Theo Farrell and brother Richard and enjoying the colors and visiting other relatives.

☞ Our sympathy is extended to families of Mrs. Sid Patton. Funeral services were held Saturday at the

Grace Community Church at 1 p.m. with a luncheon following.

Trip

31 senior citizens left at 4:30 p.m. Thursday from the Governmental Center for the 1st Travelogue of the new season - held in Petoskey Middle School auditorium. It was a "Peak Experience" on Switzerland by Joe and Mary Adair. It was really interesting and pretty with alot of skiing and farming. With beautiful homes tucked in the mountains, lots of fishing. Jerry LaBeau was our bus driver, with his brother-in-law who was here visiting rode along.

Deadline for Family News is Friday at 5.

OBITUARY AND DEATH NOTICE

Martha Lovena Patton

Martha Lovena Patton, 85, of Central Lake died Thursday morning, Oct. 14, 1993, at Charlevoix Area Hospital.

She was a life long resident of the Central Lake area. She was born June 1, 1908 in Central Lake Township, the daughter of Ziba and Lucinda (DeLong) DeForest.

On June 6, 1926, in East Jordan she married Clarence "Sid" Patton who preceded her in death in 1989. Also preceding her in death were seven brothers and six sisters.

Surviving are three sons, Richard and Jack

(Jean) of Echo Township and David (Maureen) of Central Lake; seven daughters, Mable (Hugh) Watkins, Vera (Gaylend) Gordon, Wanda (Lawrence) Wolgamott, all of Central Lake, Mary (Joseph) Lort of Phoenix, Ariz., Wanetta (Ronald) Wilks of Bellaire, Shirley (Robert) Blodgett of Elk Rapids and Agnes (James) Asquith of Forest Lake, Minn; 30 grandchildren, 52 great-grandchildren, many nieces and nephews.

Funeral services were held Sat., Oct. 16, at the Grace Community Church in Central Lake, the Rev. Estel Clark officiated. Interment was in Southern Cemetery, Central Lake. Arrangements were made by the Central Lake Chapel of Mortensen funeral homes.

Thomas E. Shawl

Thomas E. Shawl, 75, of Bellaire died Fri., Oct. 15, 1993 at home following a lengthy illness.

A memorial service will be held at 1 p.m., Sat., Oct. 23, at the Church in the Hills on Del Mason Road. Officiating will be Rev. Enoch Olson from Spring Hill Camp in Evart.

CENTRAL LAKE VILLAGE

COUNCIL PROCEEDINGS

The regular meeting of the Council, Monday, October 11, 1993 was called to order at 7:00 p.m. by Pres. Seifried at the Governmental Center. Present: Seifried, Guild, Young, Kemnitzer, Don Smith, Tharp, Lessard, Donaldson. Absent: H. Pletcher and H. Smith. Also present, Jeff Hallberg from Antrim Co. News.

Minutes from the September 13th meeting were read and approved as printed in the Torch.

Pres. Seifried reviewed the Village Tax Summary report submitted by the Treasurer, and recommended amending the Major Street and Local Street budgets by transferring \$30,000.00 to major Streets and \$10,000.00 to Local Streets. A Motion made by Mike Kemnitzer, supported by Don Smith to make the transfers. Motion carried.

He also told the Council he had received a letter from C-Tec Cable regarding a meeting to be held October 27, 1993 to renew their franchise, and that two building permits had been issued in the Village, one for a Garage and the other for an addition. He also discussed with the Council a form received from Antrim County program Coordinator, on the Gypsy Moth Suppression Program.

Mr. Donaldson briefed the Council on various projects in the village, and he inquired about a location for gravel storage for the village. The Parks & Public Property Committee was asked to check and make a report at the November meeting. Also discussed was the replacement of the 1978 International Truck. A motion made by Guild, supported by Don Smith to request bids for replacement. Motion carried.

A motion made by Don Smith, supported by Young to pay the bills in the amount of \$28,106.55. Motion carried.

The Council discussed the addition of a Word Processor from Nu-Way Computer in Gaylord. Motion made by Kemnitzer, supported by Don Smith to make the addition. Motion Carried.

The Council asked Mr. Donaldson to set up the same type Halloween program as in previous years, to be held in front of Bachmann's Variety Store from 6:00 to 8:00 p.m.

Motion made by Don Smith, supported by Guild to adjourn the meeting at 8:15 p.m. Motion carried. The next meeting will be held November 8, 1993 at 7:00 p.m. in the Governmental Center.

Ann Lessard, Village Clerk

NOTICE OF INTENTION OF ENTERING INTO TAX-SUPPORTED CONTRACT OF LEASE AND OF RIGHT TO PETITION FOR REFERENDUM THEREON

TO THE TAXPAYERS AND ELECTORS
OF THE COUNTY OF ANTRIM, MICHIGAN:

PLEASE TAKE NOTICE that the County of Antrim has approved and executed a Full Faith and Credit General Obligation Contract of Lease with the Antrim County Building Authority pursuant to Act No. 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. Such Contract provides, among other things, that said Building Authority will acquire and construct law enforcement facilities and appurtenances for the County and WILL ISSUE ITS BONDS TO FINANCE THE COST OF THE SAME IN THE PRESENTLY ESTIMATED PRINCIPAL AMOUNT OF \$575,000. It is presently anticipated that said bonds will mature serially from 1995 to 2003, inclusive, and will bear interest not exceeding 8% per annum on the outstanding principal balance.

The Contract further provides that the County will ease said improvements from said Building Authority and WILL PAY AS RENTAL TO SAID BUILDING AUTHORITY ALL SUMS NECESSARY TO RETIRE THE PRINCIPAL OF AND INTEREST ON SAID BONDS, TOGETHER WITH ALL COSTS OF OPERATING AND MAINTAINING SAID IMPROVEMENTS AND ALL COSTS of said Building Authority in connection therewith, regardless of whether the improvements are completed or are tenantable. The principal amount to be borrowed by the Building Authority will be indebtedness of the County for purposes of County debt limitations, and said principal amount, together with the County's rental obligation for payment thereof, may be increased to cover increased costs of the improvements.

COUNTY'S CONTRACT OBLIGATION

BY VIRTUE OF SAID CONTRACT AND ACT, ALL OF THE COUNTY'S REQUIRED PAYMENTS TO THE BUILDING AUTHORITY WILL BE FULL FAITH AND CREDIT GENERAL OBLIGATIONS OF THE COUNTY PAYABLE FROM ANY AVAILABLE FUNDS OF THE COUNTY, AND THE COUNTY WILL BE REQUIRED TO LEVY AD VALOREM TAXES ON ALL TAXABLE PROPERTY WITHIN ITS BOUNDARIES TO THE EXTENT NECESSARY TO MAKE THE PAYMENTS REQUIRED TO RETIRE THE BONDS AND INTEREST THEREON, IF OTHER FUNDS FOR THAT PURPOSE ARE NOT AVAILABLE. SUCH LEVY, HOWEVER, MUST BE WITHIN EXISTING STATUTORY AND CONSTITUTIONAL LIMITATIONS, UNLESS THE CONTRACT IS APPROVED BY VOTE OF THE COUNTY ELECTORS.

REFERENDUM RIGHTS

SAID CONTRACT SHALL BECOME EFFECTIVE WITHOUT VOTE OF THE ELECTORS OF THE COUNTY UPON THE EXPIRATION OF 45 DAYS FOLLOWING THE DATE OF PUBLICATION OF THIS NOTICE, UNLESS A PETITION REQUESTING AN ELECTION ON THE QUESTION OF WHETHER SUCH CONTRACT SHOULD BE EFFECTIVE, SIGNED BY NOT LESS THAN 10% OF THE REGISTERED ELECTORS OF THE COUNTY, IS FILED WITH THE COUNTY CLERK WITHIN SAID 45 DAY PERIOD.

If such petition is so filed, said Contract shall not be effective without an approving vote by a majority of electors of the County voting on the question. Upon such approving vote, however, any taxes levied to pay bond obligations shall be without limitation as to rate or amount.

This Notice is given pursuant to the requirements of Section 8(b) of the aforesaid Act 31, as amended. Further information concerning the details of said Contract, the improvements being financed and the matters set out in this Notice may be secured from the County Clerk's office. A copy of said Contract is on file in the office of the County Clerk for public inspection.

Churchill's Corner - "Whistling Will Harris"

In the Glory days of Echo Township, Antrim County, in northwest lower Michigan, there lived a character named Will Harris.

Several years ago I saw in the "Looking Backward" section of *The Torch* where one of his children had a birthday party in Central Lake. That happened in 1898 and one of the children present was a Ramsey.

I can remember a Dr. Ramsey in the teens. Maude Harris later married my dad's older brother, Elmer, hence my knowledge of Whistling Will. The Harris family must have moved to the Valley in later years.

Will was a great bear of a man, over six feet and as hard as nails. As he came over the Densmore Hill, you might hear an echo of a bird call from the Wilson-

Gibbard-Beal side of the Valley.

As he drove his beautiful ponies and light wagon into the Valley, he would segue the bird calls into songs of the day or light opera or whatever. He could handle anything in the music line.

Whistling Will used his little fingers to produce his music and could attain tremendous volume and tone with little effort. People came to their doors to listen to Whistling Will.

As he turned south at old Churchill Corners, and went along the old corduroy road by Sutton's lumber mill, then the Senior Petrie farm on his left, and on past the Will Spence place on his right, his whistling

was absorbed by the virgin trees section 33 and 34.

I believe Will came from the Imlay City area and rumor has it that he had spent time in show business down East. I sure wish I had asked more questions in my youth but don't think the elders would have stood for it, as I believe I came close to driving them wacky with questions, as it was.

Devils drop Ironwomen, felled by Blazers

BY S.F. PUCKETT
Sports Writer

East Jordan enjoyed an exhilarating Tuesday showdown with Mancelona, then fell on hard times against a tough Kalkaska team Thursday in Lake Michigan division play.

Tuesday with Mancelona, the Red Devils started by staying with the Ironwomen for a quarter, 15-15, then blasting

open a lead into the half, 29-21. Mancelona inched its way back, mostly with free throws, to 40-36 with a period to go, then rallied to take a two-point lead.

East Jordan went to the always reliable Jennifer Burr and Katie Malpass to spark a rally, and the dynamic duo did the job, Malpass providing the foundation and Burr the construction of the final

Red Devil lead, one they would hold to the end, 51-49.

Katie Malpass finished with a strong 25 points, 12 rebounds and strong defense. Kristie Ruhling added 15 points and 14 rebounds, while Julie Mickey and Cathy King kicked in 6 and 5 assists respectively for the Red Devils.

East Jordan's JVs, led by Kristie Loviska with 17 and Amanda Pepin

with nine, won the JV game 40-6.

Thursday with Kalkaska, the Blazers rallied behind Cheri Golden for a 12-7, then a 29-16 lead into the half. A 20-12 spell in the third completed the necessary ingredients for a 61-40 Kalkaska win.

Katie Malpass did the deed again, leading with 12 points, Mandy Reid with nine, Kristie Hurling with six and Julie Mickey with five.

Kalkaska won the JV event 54-37, Mandy McKenzie, Lisa Spaulding and Dawn Meads performing their duties with gracious tenacity.

The Red Devils visited

Elk Rapids Tuesday, then Cheboygan in non-league hosts the Chiefs of action Thursday.

Local volunteers sought for exchange program

World heritage, a not-for-profit student exchange organization dedicated to fostering cultural enrichment and intercultural understanding, is seeking enthusiastic volunteers to be area representatives for its program in your community. Area representatives serve as liaisons for high schools, host families, students, and World Heritage offices as well as recruit qualified North American teenagers to go abroad. Volunteers are reimbursed for their expenses.

Crop walk a success

continued from front

"She pushed herself, except at the top of a few hills. It's quite an accomplishment."

Malpass has been the chairperson for eight years. At one time, she served as co-chair for the county, but now the job has been divided so each of the three towns has its own chairperson.

Last year, East Jordan walkers raised \$1,900 for the cause. Malpass believes this year, with more walkers, the funds raised will probably be at least that much again.

Especially with the help of volunteers like Nancy LaCroix.
