OUR WEATHER

Temperatures remained in the high 40s and low 50s most days, with a mid-week wind storm stripping the autumn colors from many trees, as well as breaking branches and power lines with gusts over 40 mph. All was forgiven in the course of a glorious weekend, with highs climbing to the low 60s and fair skies both days. Antrim County residents were out in force, as forecasters called for the warm spell to break by Tuesday.

Alward named as new chief of police

BY DEB SAYGERS HOBBS
 Contributing Writer

East Jordan's new chief of police, Jerry Alward, is looking forward to starting his job at the end of October.

But he feels uncomfortable in the shadow of the controversy that came with his appointment.

"I'm thrilled to be the police chief, but I don't like that it happened this way," said Alward.

In a move that ended with an angry resignation by Mayor Russ Peck, the city council voted 4-3 to hire Alward Oct. 19.

Alward, who did not attend the meeting, said the mayor phoned to assure he had nothing against Alward personally.

The mayor was apparently upset with the method the council used to hire the new chief.

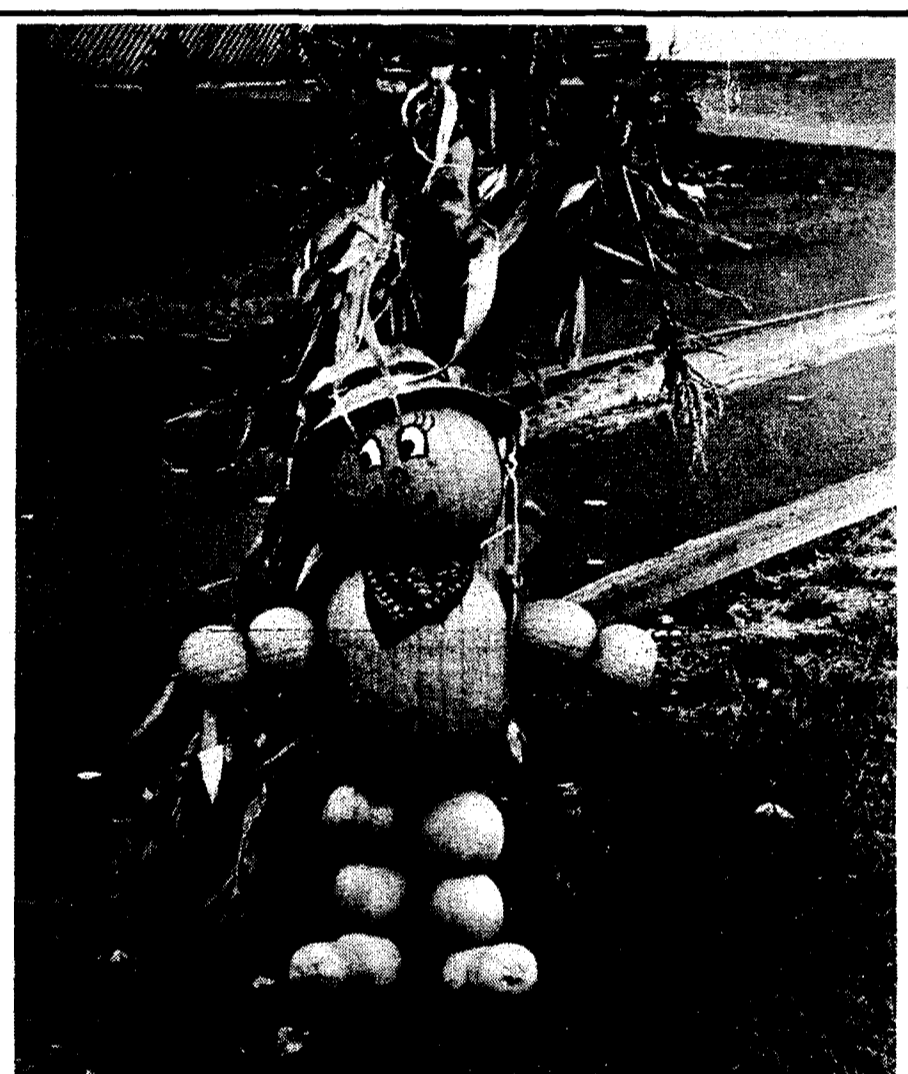

Alward hopes to stay out of politics and stick with police work.

"East Jordan is lucky to have really great cops," he said. Alward noted he worked often with two of EJ's present full-time officers while serving Antrim County.

Alward, 45, has a lifetime of law enforcement experience. Born and raised in Antrim County, he served as chief of police in Ellsworth and fire chief in Banks Township.

Alward was with the Antrim County Sheriff's Department for 11 years, first as a deputy, then as a detective.

East Jordan mayor unexpectedly resigns

RUSS PECK

BY DEB SAYGERS HOBBS
 Contributing Writer

In a shocking finale to the Oct. 19 meeting of the East Jordan City Council, Mayor Russ Peck resigned his office, effective immediately.

"I can no longer tolerate the incompetency of this council," Peck said emphatically as he closed the meeting

within seconds of his announcement.

Peck voiced his resignation after the city council decided to hire a new police chief in a 4-3 vote.

The mayor said he wanted to see the council interview candidates from the police department and consider other applicants before making the decision.

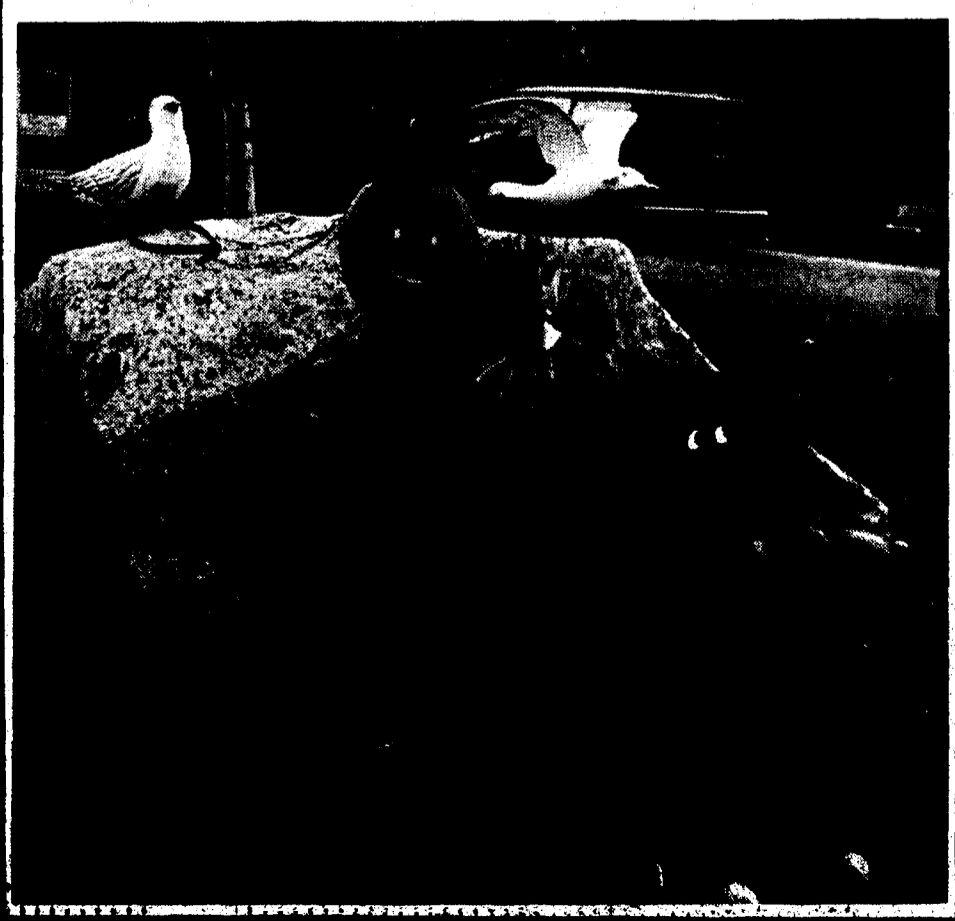

The mayor, along with council members Greg Chappuies and Jerry Cihak, voted against hiring Jerry Alward for the position.

Although Alward had been interviewed by several council members individually, he was not interviewed by the full council.

In discussion after discussion, Alward's name had been recommended to council members. City attorney Scott Beatty suggested Alward almost immediately after hearing of Police Chief John Imeson's resignation.

Many other area law enforcement leaders were eager to give Alward a good recommendation.

EJ school board sends a resolution to the state

BY DEB SAYGERS HOBBS
Contributing Writer

In response to the recent legislative efforts to construct a new form of school financing, the East Jordan school board released a resolution endorsing specific measures for the new "Blueprint for Education."

The board is urging that the new funding package includes:

- Adequate per-student foundation grant of at least \$5,200.
- Fulfillment of state obligations in FICA and retirement.

• A blend of revenue sources that eliminates excessive reliance on one source, along with guaranteed future growth in revenues.

• An option to permit all school districts to seek limited increased local support.

In the area of cost containment, the board is recommending:

- Incentives for cooperative cost containment measures between consortiums of local and intermediate school districts.
- Elimination of rules of mandated programs that are not fully funded by the state, or that prevent quality teaching and learning from being the primary

mission of schools.

The board also endorsed several ideas in school reorganization efforts:

- Consolidation of local districts on a voluntary basis only, with maintenance of local control over policy issues.
- Utilization of district consortiums to maximum effect for providing services.
- Integration of technology as an instructional tool.
- On-going training for teachers and administrative staff in effective methods of instruction, curriculum, technology and implementation of change.

Christmas Box donors help needy children

SINCE 1985, SCORES of families in Central Lake have prepared Christmas Boxes for needy children in Latin America and sent them to us at Friends of the Americas. For most of the children, this wonderful box from America was the only present they received at Christmas.

Each box is designed by an American family for a Latin boy or girl of a particular age and sex. It contains 30 new items, such as a dress or shirt and pants, socks, underwear, toothpaste, school supplies, toys, an American flag and most important, a photo and letter from the person who prepared the box.

Over the past eight years, Friends has delivered more than 300,000 Christmas Boxes to the neediest children in 20 counties of Latin America: children who survived recent natural disasters, children in refugee camps, orphans, street children and children

in the "marginal areas" of the big cities of Latin America. Friends has established an intricate distribution system for delivering the Christmas Boxes to needy children.

We ship the boxes to each country where they are stored until distribution day. By then, the country chairman has selected the boys and girls to receive the boxes. We have one strict rule: The box must be personally handed to the needy child by an American. This is how we make sure every box gets where it should.

This year, Christmas Boxes will be distributed in many countries of Latin America, jungles, the highlands of Guatemala, the slums of Quito, Ecuador, and Bogota, Columbia, the Miskito Indians of Nicaragua, the San Blas Cuna Indians of Panama as well as the poor areas of Panama and the poor areas of the Dominican Republic.

The U.S. ambassador or his wife often serves as Friends' country chairman for the project. It is an opportunity for our diplomats and other Americans to go where the poor children are and provide them with direct assistance. But most important, it is a chance for American families to express their love for the children of Latin America by spending family time together to prepare these boxes. At Friends of the Americas, we are hard at work right now processing boxes as they arrive every day.

We want to take this opportunity to invite the people of the Central Lake area to participate in this project and prepare Christmas Boxes this year. Thousands of children are praying that we in the United States will remember them this Christmas. If you would like to prepare a box, please write for our "Christmas Box Action Kit" at Friends of the Ameri-

cas, 1024 N. Foster Drive, Baton Rouge, LA 70806 or call (504) 926-5707. Please mention that you read about it in the Torch.

Deer note "triggers" hunter response

WE'RE SO GLAD you pointed out to us the problem you're having with the apples, carrots, and sugar beets we hunters place in the woods for you this time of year. We read your letter in the Oct. 20 issue of *The Torch* with genuine interest and surprise. With our minds focused on the idea of merely attracting you into reasonable shooting range, it never occurred to us that you might be leaving some parts of these edibles uneaten. Since we wouldn't want you to go away hungry—or go away too quickly—we'll be sure to quarter these "treats" for you from now on. And please take your time—enjoy!

Have a happy Halloween in Antrim County

The big day is almost here. Costumes are ready, and the children of Antrim County will be haunting the streets for Halloween fun this weekend.

The Michigan Sheriff's Association and Antrim County Sheriff Dale Roggenbeck would like to take this opportunity to remind parents and children that fun can turn to tragedy if proper precautions are not used.

"It's really a matter of common sense," said

Sheriff Roggenbeck "There are things you

ally need to watch out for when allowing your kids to go trick or treating."

The Sheriff offers these tips to make your child's Halloween a safe and fun one:

- Young children should be escorted by an adult, and should go out before dark.
- Costumes should not be too restrictive; masks that cover the entire face and restrict vision should not be used.
- When designing or purchasing a costume, use reflective or light col-

ored materials.

• Older children should still be supervised by an adult, but if that is not possible, a time limit should be set and stuck to.

• Never let children go into a neighborhood that they and you are unfamiliar with.

• Encourage children not to eat their treats while trick or treating, wait until they bring them home so it can be inspected.

• Discard any unwrapped candy or anything that looks as if it may have been tampered with.

According to the Michigan Sheriff's Association Executive Director Rick Boyd, every year tragedies occur that could have been avoided by simply following the rules of common sense.

"We hear of reports throughout the state of children either finding foreign objects in their candy, or of kids being approached by strang-

ers," said Boyd. "Although not great in number, these types of incidents can be reduced even further by using the precautionary methods outlined by Sheriff Roggenbeck," continued

Boyd.

"The children of Antrim County deserve to have a safe, fun Halloween," said Sheriff Roggenbeck, "we'll do our part, but you need to do yours, too."

Remember When...

... There was a horse stable behind Smiths Grocery? As a boy, I remember Leslie Sweeney and Frank Smith were just two who had a team. Also the Buhland kids came to school by cutter which was left at the stable with the horse during the day and returned home at night. I am sure that before my time the stable was an active place, and I remember the odor of the horse, which differs from cattle.

CALENDAR

Busy season for Banks Township Historical Society

The 1993 season for Banks Township Historical Society was busy and productive. The parade committee put together another award-winning float in the Pig Roast Parade, winning the 1st place prize of \$50. The booth sold various items including the first edition of the history calendar for 1994. The calendar committee is already working on the 1995 edition. A slide show, open to the public, was enjoyed by 56 individuals.

In June, it was decided to collect information and pictures of our three ghost towns for the purpose of getting the towns on the Michigan Historic Register and provide historical markers.

Funding such a program is difficult. However,

Betty Beeby permitted BTHS to participate in the sale of *Pioneer Notes* by Grace Hooper. It was voted to place this book money into the marker project, BTHS receives \$10 for each book members sell. Beeby also sent a check (from the sales) in amount of \$200. To thank Betty and the family of Grace Hooper, members voted to place Grace on our memorial plaque and give Betty an honorary membership. Further news of the marker will be upcoming in the paper.

Officers elected for 1994 were: Natalie Postmus, president; Jim Kinner, vice-president; Linda Record, secretary; Mike Postmus, treasurer; elected to serve on the Board of Directors were Jake Vandenburg

and Dick Wieland. Since our secretary got so bogged down with work, several members have volunteered to assist. As the books close on Oct. 31, members are working on the current financial statement. The historical society ended the year with 57 members.

BTHS expects an even busier 1994 season. It starts with a booth at the Nov. 20 Christmas Bazaar. At the May 1994 meeting our "volunteers of the year" will be receiving their awards.

Thanks to all who support the society's efforts of preserving history.

Safety tips for tourists

The rash of killings of foreign tourists in Florida has led Alamo Rent a Car and Travel Agent magazine to offer this travel advice:

Nine tips for safety

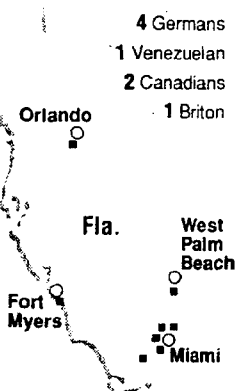

-  Ask for specific directions to your destination.
-  If you get lost, drive to a well-lighted place such as a service station or restaurant.
-  If you suspect you are being followed, drive to a well-lighted public area and call police.
-  Lock luggage, purses, wallets and other valuables in trunk.
-  Keep doors locked and windows up when driving and parked.
-  Familiarize yourself with the car's safety equipment before leaving rental yard.
-  Always park in well-lighted areas.
-  Do not pick up hitchhikers.
-  Drive to a well-lighted public place and call police if anyone yells, honks and points at your car as if something is wrong, motions and asks you to stop, flashes headlights at you or bumps your vehicle from behind.

According to the folks at JMA Sporting Goods, salmon out at the East Jordan pier are "running large" and here's proof. Jimmy Cesaro of East Jordan reeled in this 31-pound salmon (with a little helper) a few weeks ago. Sources say that males have been averaging 30 pounds and females 40.

THE ILLUSTRATED BIBLE

Jesus Speaks with Authority

"And they were astonished at his teaching, for he taught them as one who had authority."

— Mark 1: 22

It was only natural that when Jesus began His ministry, many would be astonished at the power and authority of His words. What they were not aware of was that He was the Son of God invested with the mission of bringing His Father's grace and love to all believers. Thus, Jesus spoke with the blessing of God and with His words, and the assurance that what He said was the truth. In the two millennia since Jesus walked the earth, there have been many who would deny Him and His message, but the majesty of His sacrifice and the authority of His words have carried through time with the promise to all men of faith that God cares for His followers. One would be foolhardy in the sight of such authority to risk denial of His commandments.

HUSTLING FOR THE ball, Bellaire's Katie Goodwin (front) mixes it up with Central Lake's Laura Murray (40) as another Lady Trojan moves in from the right. Bellaire won the Tuesday game, their second win over Central Lake this season.

Oliver, Murray help Trojans split

BY S.F. PUCKETT
Sports Writer

Brooke Oliver and Laura Murray continued to develop their capabilities, putting more and more pressure on the opposition as the Central Lake Lady Trojan basketball team moves toward the inevitable upset they've been saving up for someone.

Bellaire had the answers to the Trojan mystery Tuesday, bouncing ahead 17-6 and leading 35-17 at the half. Sara Roach led the Trojans by scoring all 17 points, with Oliver, Murray, and Wagner foraging out the ball and getting it to their hot handed guard.

Central Lake made a late run, getting the lead down to 10, but free throws sealed the win for Bellaire, 53-43.

Sara Roach led all scorers with 25 points, Amie Shay sneaking in eight and Brooke Oliver six.

The JV Trojans fell 53-17 despite Erin Glynn's

nine, Bridget McAvooy with four and Val VanVolkenburg with four.

Thursday, Alanson came to town and was greeted by a ready and willing Trojan squad, although the Vikings did manage to sneak out to a 17-14 lead after one. Central Lake followed Roach to a 27-25 halftime lead, let the Vikings tie the game with a quarter to go 37-37, then ran away with a 10 point advantage in the end to win 54-44.

Sara Roach scored 24, dishing out eight passes for scores in the process. Brooke Oliver scored 10, Laura Murray anchored the rebounding effort and tallied seven, with Elissa Wagner scoring six and Amy Dawson five.

Alanson won the JV game 36-23, Erin Glynn accounting for 19 of the Little Trojan points.

Central Lake traveled to Ellsworth Tuesday before coming back Thursday to meet Ski Valley foe Pellston.

Sports report

Shay runs ahead of them all

BY S.F. PUCKETT
Sports Writer

Ryan Shay had the best time of all participants in the Edwardson Memorial run Saturday in Elk Rapids, topping A, B and C class runners.

Shay was first in 15:47, two seconds ahead of a Charlevoix runner and four ahead of Class A Cadillac's best.

Central Lake's Bill Glynn was 63rd in 20:58, his best ever, according to Coach Shay. Rick Powers missed out with an ankle injury.

On the girls side, Amie Shay was 14th in 22:23, Tracy Zelenak 44th in 25:38, Amy Porter 46th in 26:00, and Molly Porter 59th in 29:16.

Other local top finishers included Mike Newkirk and Neil Booze of East Jordan, 4th and 5th in 16:25

and 16:26; Kevin Vaillancourt was 22nd for Mancelona in 17:30.

East Jordan was second overall to Suttons Bay, while Mancelona finished fifth in the C-D portion of the race for boys.

Kalkaska was ninth for the A-B-C race, led by Aaron Brower at 37th, clocked at 17:39.

Leading ladies in the C-D included Jennifer Wilson 27th for Mancelona in 23:44. Kalkaska girls were ninth in the A-B-C race.

East Jordan won the junior high race, while Central Lake junior high runners did well. Nathan Shay was 13th in 11:26, Matt Steneke 98th, Casey Barnes 122nd and Steve McChanowicz 123rd.

Central Lake ran at Gaylord Tuesday, then goes to regionals on Saturday.

Trojans even record with late victory

BY S.F. PUCKETT
Sports Writer

The Trojans took their fourth football game of the year, using the last-minute heroics that favored them well last game, this game, and hopefully, won't be needed next game.

Pellston proved an able foe, scoring four touchdowns by pass and run, only to be matched by the resurgent efforts of Central Lake. Two touchdowns each by Chad Pletcher and Chris Eldrington and crucial conversions by Tom Ernst and Jason "King" Snarey allowed the Trojans to edge past the host Homets 30-28. That evened the Trojan record at 4-4 and sends the Trojans into their final game at home with a two-game win string.

Eldrington went for 10 yards; Pletcher for six and one, with Ernst adding a conversion. By the fourth quarter, the Homets were leading 28-22 and just two minutes remained.

But Central Lake reached the five-yard line, and let Eldrington bull his way in for the touchdown. The Pletcher-to-Snarey combination that stunned St. Mary's a week earlier worked again, the pass nestling in Snarey's arms like a prom date and staying there for the winning moment.

John Kingma, Josh Weaver, Jeremy Peterson and Mike Warner did the deeds that had to be done on offense, while Rick Graham, Mike Srange, Ernst and Snarey directed the defense.

Central Lake may not be able to earn its fourth straight Ski Valley title, but they can take away a piece of it Saturday with a Oct. 30 defeat of the Bellaire Eagles. Bellaire needs the win to ensure a Ski Valley co-championship and a place in the play-offs.

Mayor resigns unexpectedly

continued from front

Both Imeson and Antrim County Sheriff Dale Roggenbeck told individual members of council that Alward was highly qualified, experienced and decent in character.

"I think he's an excellent police officer," said Imeson a few days after the meeting. Imeson has already met with Alward and predicts a very smooth transition of office.

"I'm sure he'll do a fine job for East Jordan," Roggenbeck said, also stating that he had no problem giving Alward a good recommendation.

Roggenbeck reported that he was interviewed about Alward by two council members and the former East Jordan chief of police.

In an unusual move, but according to Beatty acceptable within the city charter, council member Russ Gee made a motion that Alward be hired.

Lyle Etcher supported the motion.

"It's very sudden," said Chappuies in the discussion that followed. "Prudence dictates we should interview all applicants before choosing one."

Chappuies said he did not know Alward.

Council members Ruth Gee and Guy Vallance were the other two that supported hiring Alward.

Ruth Gee called Russ Gee's motion unorthodox, but in this case appropriate.

"We could have had a costly, time consuming search and probably still ended up with Jerry Alward," said Ruth Gee.

"It was not a quick or frivolous decision," she emphasized.

In a television interview, Peck said he resigned to send a message that something is wrong at City Hall. He could not be reached by press time to comment

further.

Peck also left himself room to return to office, saying the following day he would become mayor in November if he was re-elected. He is running unopposed.

Ruth Gee agrees with the mayor in having concerns about the council. She said some of hers are the same, but some differ. One of her main concerns is how fragmented council seems to be.

"But I'm sure everyone believes themselves to be doing their best for East Jordan. We all need to work to give a positive image of our community - the mayor, all council members and department heads."

Alward named chief of police

continued from front

His extensive training includes Michigan Law Enforcement Training School and Advanced Police Officer Certification.

Alward and his wife Jean have been residents of East Jordan for about six years, as owners of the Westbrook Motel. They had to do extensive repairs and renovations on the motel, so Alward took a few years off police work to handle the job.

Alward has also been involved in community business leadership as a member of the board of directors of the Chamber of Commerce. Because of his new duties, though, he has decided to resign the position.

Now that the motel is finished and running well, Alward is excited to be back at his lifelong career.

"I didn't realize I would miss it so much. I guess it really does get in the blood, like they say."

EJ x-country conference champs!

East Jordan's men's cross-country team pulled a major upset by beating Charlevoix at the Oct. Conference Meet in Mancelona. Charlevoix had been conference champs for 13 straight years. Also Charlevoix had recently beaten the No. 1 and No. 2 ranked teams at Reese.

The final score was East Jordan 34, Charlevoix 37, Kalkaska

87, Roger City 106, Whittemore-Prescott 118, and Mancelona 134.

Once again the Red Devils were led by Captain Neil Booze, with a third-place finish at 16:37. Mike Newkirk was close behind in fourth place at 16:51. Josiah Middaugh was ninth at 17:15, Andrew Otis was 10th at 17:18, Nate Gagnon was 11th at

17:26, Jim Malpass and Ed Hettig were 29th and 30th.

Coaches Matt Peterson and Dennis Snarey both felt that the team ran at their highest level. Coach Snarey stated, "Charlevoix is a great team. I still don't know how we did this."

Tina Richards was easily the best of the field in the women's race for the conference champion-

ship. Hertime was 19:37, 26 seconds ahead of Kendra Edwardson of Elk Rapids who took second. Becca Chamberlain of Charlevoix was third.

Making All-Conference for East Jordan were Neil Booze, Mike Newkirk, Josiah Middaugh, Andrew Otis and Tina Richards. Nate Gagnon made honorable mention.

EJ beats Harbor Springs 27-18

BY S.F. PUCKETT
Sports Writer

The Red Devils went north, picked up another victory, had some fun, and now must topple their Charlevoix friends from the west to have a chance at post-season play.

Harbor Springs provided the test Oct. 22, giving East Jordan early difficulties before the Devils did them in, 27-18, to raise their record to 6-2 and keep a playoff spot possible.

"We played alright, although we made some mistakes," said Coach Al Peterson. "We fumbled three times on our first three possessions. Harbor took two of those away; they did a good job tack-

ling the ball."

Harbor snuck in the first score to lead 6-0, but the rest of the first half was East Jordan. Josh Pepin plowed in from four yards away to tie the game 6-6; Nate McWatters then intercepted a second-quarter pass and returned it for his second touchdown on defense, going 38 yards. Chad Raymond kicked the PAT and East Jordan was up 13-6.

Karl Redmer then used the next possession to find the phenomenal Adam Skrocki for a 23-yard pass and touchdown and a 19-6 halftime lead.

Josh Pepin finished up the Red Devil scoring in the third, running 22 yards for the final touch-

down, then going three more for the conversion. Harbor Springs added two scores, too late.

Josh Pepin had an outstanding evening on the field, with 147 yards on 15 carries, two touchdowns and conversion. Yaro Middaugh added 52 yards on seven carries, and Jerry Neumann picked up 38 yards. Carl Redmer passed for 97 yards and a touchdown on eight of 13 tossings, with Adam Skrocki catching two for 21 yards and Steve Wiltfong two for 41 yards.

The defense had fun with Kirk Falco picking off a pass and covering a fumble, Matt Sherman and Pepin in on 10 tackles, Jeremiah Lucas and

Aaron "The hit Machine" Otis with eight tackles, and Kevin Rebec and Nate McWatters each knocking over seven Rams.

Friday night, Charlevoix comes to let East Jordan know if they can play next weekend. The kids know the consequences. Coach Peterson also knows his fate has been intertwined with many others. He's certain the Red Devils will go into the final week fifth in the playoff region, but expected number four team Clare has to play undefeated Harrison, which also has a playoff berth on the line. A Clare loss opens the door for East Jordan, but Harrison has to hold that door for the Red Devils. Then, EJ has to step through.

"Win or lose, I want one thing: the kids to have fun and have a good game against a tough team, Charlevoix," Peterson concluded.

Malpass nets 23 in loss

BY S.F. PUCKETT
Sports Writer

Katie Malpass scored 23 hard-earned points in East Jordan's only game last week, but it had to come against undefeated Elk Rapids, which proved to have more weapons and soon after, another win, 76-35.

The Lady Elks led 23-5 after a quarter, scoring the game's first 22 points. Up 36-16 at the half, they coasted into their 14th victory without a loss.

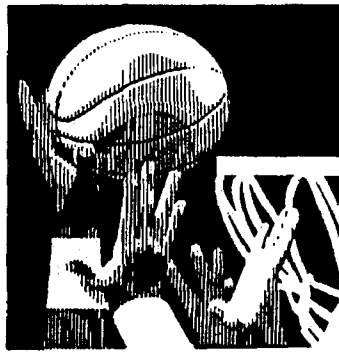

Julie Mickey also had five points for the Red

Devils, while Jodee Cam, Mandy Reid, Claudette Cutler and Jennifer Burr completed the Red Devil scoring totals.

East Jordan won the JV contest, a thrilling 65-62 ballgame. Kristie Loviska led with 23

points along with Amanda Pepin with 23, and Dawn Meads adding a strong 10 to the tally.

East Jordan had Cheboygan over Tuesday for non-league action, with Harbor Springs in for a Oct. 23 Lake Michigan Contest.

I LOVED THIS BOOK

Gone But Not Forgotten

By Phillip Margolin

For all of you who were mesmerized by "Silence of the Lambs," here's a book that will keep you riveted to its pages. The protagonist of this tale makes the evil Hannibal Lector look like Mother Teresa.

Betsy Tannenbaum is a Portland, Ore., attorney. She is a mother of a young daughter and wife of a lawyer from whom she is separated, as a result of career conflicts. Betsy has achieved professional status by the use of the battered wives syndrome as the defense in several homicide cases. Now three wives of professional Portland business men have disappeared; a black rose and a note, "Gone but not forgotten," are left in their homes.

Betsy is hired by a successful commercial developer, Martin Darius, when the bodies of the missing women are unearthed at one of his construction sites. Ten years ago, similar events occurred in Hunter's Point, N.Y., but the killer was caught and the investigative task force disbanded. Enter obsessed homicide detective Nancy Gordon, a member of that team, who is convinced that the wrong man was accused and the real murderer, Peter Lake, has re-surfaced in Oregon

as Martin Darius. Alan Page, the Portland district attorney, is inclined to believe her.

Concurrently, Sen. Raymond Colby, ex-governor of N.Y., and a candidate for the U.S. Supreme Court, has assured the President that there are no skeletons in his closet that would embarrass his nominator. Not so. What could be this highly honest and esteemed man's connection to Martin Darius that would destroy his chance for confirmation? What secret knowledge does he possess that would nail Tannenbaum's client?

There are enough evidential twists, psychological spins, and plot surprises to satisfy any lover of the thriller genre. But for those with a weak stomach, be advised that this is not a placid romp through a genteel mystery with Sherlock Holmes.

SIDEROADS

With Friday at 5 p.m. being the deadline for material for the following Wednesday's *Torch*, things are usually pretty crazy as we work hard to get the items that you turn in ready to go to print. Add a busy work schedule, like that of editor Lynn Geiger, to the routine and things get a bit too complicated. So, we're making a change. In order for Lynn to get all the incoming material on Friday ready to go to press and get to her other job in Traverse City by 4 p.m., we are moving the 5 p.m. deadline for editorial copy up to noon. Yes, we're pulling a fast one after everybody finally got used to the 5 p.m. deadline and we know it will take a little getting used to. Nonetheless, we ask for your help in easing Friday's deadline just a bit and thank you in advance for understanding.

It is especially important to us that we spell the names of people correctly in our stories. Unfortunately, mistakes sometimes happen, much to our distress. And this has been the case with our reporting of one of the four Central Lake girls injured in an Oct. 8 car accident. We are now setting the record right. The correct spelling is Ginny Miller. We apologize for the misplaced "e's" and "j's." Our main message, though, remains the same. We give Ginny our sincerest wishes for a speedy recovery.

With Halloween approaching, conversations are turning to tales of pumpkins and the jack-o-lanterns they will soon become. But on the more "factual" side, have you heard about the largest pumpkin on record?

According to some pumpkin lore editor Lynn Geiger overheard, it was grown just downhill from the pigpen on a Missouri farm in 1929. This specimen was estimated to weigh over 1,000 pounds, and unfortunately a farmhand trying to measure it from top to bottom was severely injured when the huge gourd rolled upon him. Consequently, no definite dimensions were ever taken, but the proud farmer who grew it claimed it was, "higher than our henhouse and wider than my Model T."

Memories

By Pam Kirts

TAKEN FROM THE TORCH

Central Lake Torch Oct. 27, 1955

☞ Donald Brownell, son of Mrs. Velma Carroll of Thompsonville, and Marilyn Lewis, daughter of Mr. and Mrs. Sam Lewis of East Jordan, spoke their marriage vows Oct. 22. The double ring ceremony was performed by Rev. Kenneth Snow of the Manclona Methodist Church at the parsonage.

☞ Mr. and Mrs. Dixon Somerville, Central Lake, announced the birth of a 6 lb. 5 1/2 oz. daughter, Oct. 18 at Meadow Brook, named Jacquelline Somerville.

☞ The Village Council were called together for a special meeting Oct. 25 to act upon a proposal from, the Riegler Water Well Drilling Co. Inc. of Muskegon to put a well down for the Village of Central Lake.

☞ Jake and Bethel Youngedyke of Central Lake recently made an initial purchase of two registered Ayrshires, according to the Ayrshire Breeders Association Executive Secretary.

Because of their ability to produce at a low cost an abundance of milk with an average butterfat test of 4 percent, the Ayrshire breed has become increasingly popular with dairymen throughout the country.

☞ Torch Lake Grange at Alden are sponsoring a

Home Talent Night, open to any resident of Antrim County. Two classes will compete: children and adults. The Home Talent Night will be held Nov. 4.

☞ Mrs. Gerritt Nicola and children of Grand Rapids came to Central Lake on the train Thursday, where they were met by her parents Mr. and Mrs. Lee Scott. A train ride is quite an exciting and novel mode of travel to youngsters nowadays. They spent the weekend with the Scotts and other relatives and were joined there Saturday night by Gerritt Nicola and Ray Scott.

☞ National Honey Week is Oct. 24-30. To make Swiss honey, mix equal parts honey, butter or margarine and whipped cream.

☞ Paul H. Greenman, Central Lake, has been given the privilege of the exclusive use of the name "Green Peak" as a herd name in registering his purebred Holstein-Friesian cattle.

☞ Shurfine Food Carnival at Smallegan, Smith and Company in Central Lake, advertised specials that include: apple or grape jelly, 6 jars for \$1 or 2 for 35¢; cherry or strawberry preserves, 7 jars for \$1 or 29¢ each; pumpkin, 7 cans \$1 or 2 for 29¢; frozen

orange juice, 7 cans \$1 or 2 for 29¢; margarine, 2 pounds for 35¢.

☞ Again this year the Antrim County Red Cross is participating in the "Christmas on the High Seas" program.

This program enables servicemen either going to or coming from overseas duty to receive a gift on Christmas.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

HOME TIPS

EMERGENCY TIP — When you are ready to go to bed at night, if you have a touch-tone phone with a redial button, dial in your local law-enforcement agency telephone number. Then, if someone should try to get into your house, you only need to push Redial, and you will have the police there without even having to turn on a light. Eunice W., De Funiak Springs, Fla.

CLOTHES HANGERS — Recycle clothes hangers by returning them to the cleaners. This saves landfill space, resources and makes the dry cleaner happy. Charlene K., Enid, Okla.

STUMPED NO MORE! — At the edge of my backyard, I had a tree stump which was very unsightly. I dug out the center of the stump and filled it with soil and leaf mulch, then planted a ground cover in it. It is now a beautiful green mass of foliage. Joan B., Harrisburg, Pa.

AIM HIGH

Churchill's Corner

By Floyd Churchill,
A Pleasant Valley
Original,
vintage 1911

Did you know that Lucy Gardner lived with my Grandparents before she married Asa #1 (Bangor) Beal? Dad and Uncle Harrison though the world of Lucy. I can remember listening, with big ears to my dad, Hugh C., and Bangor bang ears. (No pun intended). They were great friends. That would have been around 1915 to 1920.

My double cousin, Jane Churchill Webb, just called me from Central Lake and told me Susie Sabin Barrick, who lived next door to us in East Jordan, still lives there and is an avid reader of Churchill's Corner. She is over 90 years young. Don't worry Susie, we'll be over there to see you shortly.

On Halloween around 1917, the big Pleasant Valley Boys tore down about 50 feet of zig zag rail fence and rebuilt it across Hitchcock Road, now called Skinkle Road. They also put someone's buggy in the haymow. That was some of the cleaner tricks. Several or all of the following might have been involved: Otto Spence, Vernon York, Lyman Seaman, Harry and Henry Swain, Raymond Murphy, and Gordon Towsley.

Can you recall the Grasshopper Invasion of the early twenties? As I was learning to play baseball, I had to carry my sweaty glove when I went in to bat as the spitting critters would eat holes in it if I threw it on the grass.

That two acres was sold to the school board and/or the township by Dad, Hugh and his partner/brother, Harrison. That was prior to 1917 as I can remember them learning to drive their first Model T on the grass that year. They sure needed the room. I think they traded their buggy in on it.

Do you remember little Jack Smith who could whip his weight in wild cats? Rumor has it, he was a lightweight boxer back in England and the Valley Red

Necks left him strictly alone. He was the father of Minnie Smith Beal Spence, a great friend of mine, who gave me a tin type picture of my Uncle Floyd. That was about 25 years ago when I stopped by to call on George Spence to give him greetings from my dad who was in a rest home in Warren at the time.

That reminds me, when I dropped in at Cambridge East to visit Dad, I asked him what he had in his mouth. He mumbled and pointed to his room mate, an old Italian fellow, smoking a big black cigar. Dad hadn't chewed tobacco since his teamster days in the lumber woods, and who was I to say nay to anything to pleasure him on his last days on this earth? He was in his early eighties and still had the fortitude to handle an Italian Hand Made Black Cigar.

One of his loving sons, Floyd Churchill.

Dan and Nancy Loffler are putting a new roof on their garage.

Jack Sage and Joe Forrester were here a few days visiting Eileen and Kay Sage. They did some bow hunting while here, but no luck this time.
